Please describe why you wish to serve on the Committee/Board.
Auburn Water District

What do you hope to accomplish?
Help the Water District navigate various challenges including meter replacement, water main replacement, protecting the watershed, keeping the filtration waiver intact, cost apportionment, preparing for the possibility of a filtration system, possible larger premises to operate out of, all of this and keeping water rates competitive or below other municipalities.

Are you presently serving on a City board or committee? If so, which one(s)?
Auburn Water District

Have you completed FOAA Training?
No

What is your ward?

Additional Information

Notes
I think it's important to have at least one member of the board live in the watershed. I am retired marine engineer and have enjoyed my time on the board. Active in the community with running around the lake and 3 children in local schools/ sports.
