City Council Workshop & Meeting
Agenda
January 2, 2024
Auburn Hall, Council Chambers

5:00 P.M. City Council Workshop

A. Executive session, economic development, pursuant to 1 M.R.S.A. §405(6)(C).
B. Executive session, personnel matter, pursuant to 1 M.R.S.A. §405(6)(A).
C. Ordinance 28-12042023 discussion – Eric Cousens
D. Ordinance 26-12042023 discussion – Eric Cousens
E. Reconsideration of the Regulatory Advisory Board Ordinance – Karen Scammon
F. Fund balance discussion – Phil Crowell

7:00 P.M. City Council Meeting - Roll call votes will begin with Councilor Whiting

Pledge of Allegiance

I. Consent Items – All items with an asterisk (*) are considered routine and will be enacted by one motion. There will be no separate discussion of these items unless a Council member or a citizen requests, in which event, the item will be removed from the Consent Agenda and considered in its normal sequence on the agenda.

1. Order 01-01022024*
Confirming Chief Moen's appointment of Aaron Briere, Dalton Geisel, and Ronald Seguin as Constable with firearm/arrest powers for the Auburn Police Department.

2. Order 02-01022024*
Authorizing the City Clerk to waive the $200 business license fee for the food service license for the Danville Junction Grange #65.

3. Order 03-01022024*
Setting the time to open the polls at 7:00 a.m. for all 2024 Auburn Elections.

II. Minutes – December 18, 2023, Regular Council Meeting

III. Communications, Presentations and Recognitions – None

IV. Open Session – *Members of the public are invited to speak to the Council about any issue directly related to City business or any item that does not appear on the agenda.*

V. Unfinished Business - None

VI. New Business

1. Ordinance 01-01022024
Amending Chapter 60 of the zoning ordinance to include Effective Date and Applicability Date of Ordinance #26-11202023.

2. Ordinance 02-01022024
Amending Chapter 60 of the zoning ordinance to include Effective Date and Applicability Date of Ordinance #28-11202023.

3. Order 04-01022024
Authorizing the City Manager to direct staff to work with the Agriculture Working Group, Sustainability & Natural Resource Board, LAWPC, the Planning Board, and public stakeholders to review the adopted amendments and recommend any changes back to the City Council.

4. Order 05-01022024
Authorizing staff to waive the permit fees for storm damage repairs.

5. Order 06-01022024
Approving the allocation of an additional $1,000,000.00 from the FY2022 Undesigned Fund Balance.

VII. Open Session - *Members of the public are invited to speak to the Council about any issue directly related to City business or any item that does not appear on the agenda*

VIII. Reports

a. Mayor's Report
b. City Councilors' Reports
c. City Manager Report

IX. Executive Sessions – None

X. Adjournment

City of Auburn
City Council Information Sheet

Council Workshop or Meeting Date: January 2, 2024

Subject: Executive Session

Information: Economic development, pursuant to 1 M.R.S.A. Section 405(6) (C) which premature disclosure would prejudice the competitive or bargaining position of the city.

Executive Session: On occasion, the City Council discusses matters which are required or allowed by State law to be considered in executive session. Executive sessions are not open to the public. The matters that are discussed in executive session are required to be kept confidential until they become a matter of public discussion. In order to go into executive session, a Councilor must make a motion in public. The motion must be recorded, and 3/5 of the members of the Council must vote to go into executive session. An executive session is not required to be scheduled in advance as an agenda item, although when it is known at the time that the agenda is finalized, it will be listed on the agenda. The only topics which may be discussed in executive session are those that fall within one of the categories set forth in Title 1 M.R.S.A. Section 405(6). Those applicable to municipal government are:

A. Discussion or consideration of the employment, appointment, assignment, duties, promotion, demotion, compensation, evaluation, disciplining, resignation or dismissal of an individual or group of public officials, appointees or employees of the body or agency or the investigation or hearing of charges or complaints against a person or persons subject to the following conditions:
(1) An executive session may be held only if public discussion could be reasonably expected to cause damage to the individual's reputation or the individual's right to privacy would be violated;
(2) Any person charged or investigated must be permitted to be present at an executive session if that person so desires;
(3) Any person charged or investigated may request in writing that the investigation or hearing of charges or complaints against that person be conducted in open session. A request, if made to the agency, must be honored; and
(4) Any person bringing charges, complaints or allegations of misconduct against the individual under discussion must be permitted to be present. This paragraph does not apply to discussion of a budget or budget proposal;

B. Discussion or consideration by a school board of suspension or expulsion of a public school student or a student at a private school, the cost of whose education is paid from public funds, as long as:
(1) The student and legal counsel and, if the student is a minor, the student's parents or legal guardians are permitted to be present at an executive session if the student, parents or guardians so desire;

C. Discussion or consideration of the condition, acquisition or the use of real or personal property permanently attached to real property or interests therein or disposition of publicly held property or economic development only if premature disclosures of the information would prejudice the competitive or bargaining position of the body or agency;

D. Discussion of labor contracts and proposals and meetings between a public agency and its negotiators. The parties must be named before the body or agency may go into executive session. Negotiations between the representatives of a public employer and public employees may be open to the public if both parties agree to conduct negotiations in open sessions;

E. Consultations between a body or agency and its attorney concerning the legal rights and duties of the body or agency, pending or contemplated litigation, settlement offers and matters where the duties of the public body's or agency's counsel to the attorney's client pursuant to the code of professional responsibility clearly conflict with this subchapter or where premature general public knowledge would clearly place the State, municipality or other public agency or person at a substantial disadvantage;

F. Discussions of information contained in records made, maintained or received by a body or agency when access by the general public to those records is prohibited by statute;

G. Discussion or approval of the content of examinations administered by a body or agency for licensing, permitting or employment purposes; consultation between a body or agency and any entity that provides examination services to that body or agency regarding the content of an examination; and review of examinations with the person examined; and

H. Consultations between municipal officers and a code enforcement officer representing the municipality pursuant to Title 30-A, section 4452, subsection 1, paragraph C in the prosecution of an enforcement matter pending in District Court when the consultation relates to that pending enforcement matter.

City of Auburn
City Council Information Sheet

Council Workshop or Meeting Date: January 2, 2024

Subject: Executive Session

Information: Personnel matter, pursuant to 1 M.R.S.A. Section 405(6) (A).

Executive Session: On occasion, the City Council discusses matters which are required or allowed by State law to be considered in executive session. Executive sessions are not open to the public. The matters that are discussed in executive session are required to be kept confidential until they become a matter of public discussion. In order to go into executive session, a Councilor must make a motion in public. The motion must be recorded, and 3/5 of the members of the Council must vote to go into executive session. An executive session is not required to be scheduled in advance as an agenda item, although when it is known at the time that the agenda is finalized, it will be listed on the agenda. The only topics which may be discussed in executive session are those that fall within one of the categories set forth in Title 1 M.R.S.A. Section 405(6). Those applicable to municipal government are:

A. Discussion or consideration of the employment, appointment, assignment, duties, promotion, demotion, compensation, evaluation, disciplining, resignation or dismissal of an individual or group of public officials, appointees or employees of the body or agency or the investigation or hearing of charges or complaints against a person or persons subject to the following conditions:
(1) An executive session may be held only if public discussion could be reasonably expected to cause damage to the individual's reputation or the individual's right to privacy would be violated;
(2) Any person charged or investigated must be permitted to be present at an executive session if that person so desires;
(3) Any person charged or investigated may request in writing that the investigation or hearing of charges or complaints against that person be conducted in open session. A request, if made to the agency, must be honored; and
(4) Any person bringing charges, complaints or allegations of misconduct against the individual under discussion must be permitted to be present. This paragraph does not apply to discussion of a budget or budget proposal;

B. Discussion or consideration by a school board of suspension or expulsion of a public school student or a student at a private school, the cost of whose education is paid from public funds, as long as:
(1) The student and legal counsel and, if the student is a minor, the student's parents or legal guardians are permitted to be present at an executive session if the student, parents or guardians so desire;

C. Discussion or consideration of the condition, acquisition or the use of real or personal property permanently attached to real property or interests therein or disposition of publicly held property or economic development only if premature disclosures of the information would prejudice the competitive or bargaining position of the body or agency;

D. Discussion of labor contracts and proposals and meetings between a public agency and its negotiators. The parties must be named before the body or agency may go into executive session. Negotiations between the representatives of a public employer and public employees may be open to the public if both parties agree to conduct negotiations in open sessions;

E. Consultations between a body or agency and its attorney concerning the legal rights and duties of the body or agency, pending or contemplated litigation, settlement offers and matters where the duties of the public body's or agency's counsel to the attorney's client pursuant to the code of professional responsibility clearly conflict with this subchapter or where premature general public knowledge would clearly place the State, municipality or other public agency or person at a substantial disadvantage;

F. Discussions of information contained in records made, maintained or received by a body or agency when access by the general public to those records is prohibited by statute;

G. Discussion or approval of the content of examinations administered by a body or agency for licensing, permitting or employment purposes; consultation between a body or agency and any entity that provides examination services to that body or agency regarding the content of an examination; and review of examinations with the person examined; and

H. Consultations between municipal officers and a code enforcement officer representing the municipality pursuant to Title 30-A, section 4452, subsection 1, paragraph C in the prosecution of an enforcement matter pending in District Court when the consultation relates to that pending enforcement matter.

City of Auburn
City Council Information Sheet

Council Workshop or Meeting Date: January 2, 2024

Author: Eric Cousens, Planning and Permitting Director

Subject: Ordinance 28-11202023-1 Lake Auburn Watershed Text Amendments – Delayed Applicability Date and alternative Process

---

Information: The Council is considering a delayed applicability date for the December 4, 2023 Lake Auburn Overlay Text Amendments and as a separate item, and Order initiating a public process to reconsider elements of the ordinance changes that have been identified in the attached order.

Staff does not recommend this delayed applicability date due to impacts to existing property owners that are currently designing SSWW Disposal systems to the new standard. The new standards will treat wastewater better than the former standards and will require less soil disturbance in many cases with the system sited closer to the home. Details will be discussed in the workshop and questions or examples can be vetted on the same night of this hearing. Also attached is an overview of the changes and impacts of a delay.

City Budgetary Impacts:

Staff Recommended Action: Review information, ask questions and discuss proposed options to achieve Council goals in revisiting some of the LAO text amendments while minimizing any unintended consequences.

Previous Meetings and History: Previous discussion of amendments approved on December 4, 2023 and December 18, 2023.

City Manager Comments:

I concur with the recommendation. Signature: Phillip Crowell Jr.

Attachments: Background Slides, Order for reconsideration process recommended by Staff, Copy of text amendments

Protecting Lake Auburn

Delayed Applicability Date for Lake Auburn Overlay Text Amendments Overview

auburnmaine.gov

NEED & RESPONSE

The lake is at risk and past ordinances, despite significant restrictions, have not prevented the need for in-lake treatments.

The city is ensuring that the changes are easier to understand, science driven, better for the environment and water quality and that the combined effect of the changes result in **reduced** development potential overall in the Auburn portions of the watershed.

auburnmaine.gov

Changes to Date

Updated zoning standards to encourage housing outside of the Watershed to reduce demand on rural areas and take advantage of existing public utilities.

Updated phosphorus control ordinances and adopted a stringent requirement for Low Impact Development Standards to be met in the Watershed whenever a development exceeds 200SF.

These would not change with the delayed applicability date.

auburnmaine.gov

Changes to Date

Updated Subsurface Wastewater Standards in the Watershed to improve wastewater treatment in new and replacement systems. 50 new systems under current ordinance and 270 "grandfathered" systems that would now need to meet a higher treatment standard (at time of future failure).

This would change with the delayed applicability date.

Impacts of a Delayed Applicability Date

Existing system replacements (2 in discussion)

Homeowners will need to redesign to meet old standards after paying for a design to meet new standards.

- Less effective systems without guaranteed inspection access
- Frustration with additional design costs and renegotiation with contractor.

New first time System Example(2 in discussion)

Example 1 is permissible under either standard.

- Old standard requires long service line and associated soil disturbance to get to 36"soils
- New standards allows for placement 700+/- closer to home and further from the Basin

Example 2 may not be permissible under old standards.

Changes to Date

Require new systems to have 36" separation between the bottom of the drain field and seasonal high groundwater with specific soils that maximize treatment of wastewater.

Watershed Exemption from the density increases of LD 2003

Changes to Date

Increased the minimum lot size in the Lake Auburn Watershed (in conjunction with the wastewater change) from 1-acre to 3-acres, which will allow for better wastewater treatment and an overall reduction in the total number of buildable lots.

This would not change from the delayed applicability date.

Changes to Date

Increased setbacks for agricultural uses and tilled fields from the lake or tributary streams.

Prohibited so-called "septic farms" where multiple lots build concentrated wastewater disposal systems.

Prohibited new Agricultural Uses larger than Hobby Scale in watershed

Prohibition of new SSWW systems within 400 feet of Lake Auburn or tributaries.

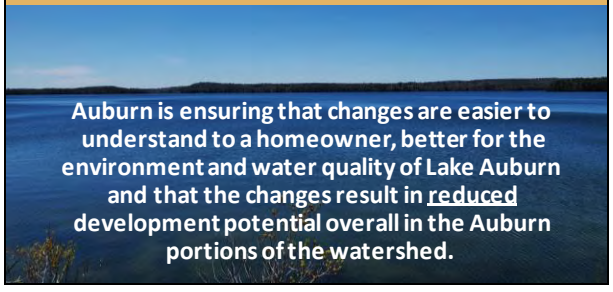
No new Homes in AGRP zone (73% of watershed in Auburn)

WORK IN PROGRESS

Asking the LAWPC to take a more active role in ordinance-related permit reviews/compliance efforts, so Auburn does not bear the burden of watershed protection efforts alone.

Drafting a subsurface wastewater inspection program, requiring systems within the Lake Auburn Watershed to be inspected every 5 years or upon sale.

Engage with Upper Watershed Towns to improve protections beyond Auburn's Boundaries



We will never be done protecting the Lake Auburn Watershed

Staff does not recommend delaying the applicability date of the protections that are already in place with Ordinance 02-010220241 Applicability Date LAO Text Amendments.

Staff does recommend revisiting the changes to identify additional Agricultural Uses that may be allowable, working collaboratively to modify, better define or improve SSWW Inspection Program and consider other items identified in the process with the Order Initiating Ordinance Change 04-01022024.

auburnmaine.gov

WORK IN PROGRESS

ORDER 04-01022024

City Council Order

IN CITY COUNCIL

Whereas the zoning text amendment evidenced by Ordinance #28-11202023 relating to Chapter 60, Article XII, Division 4- Lake Auburn Watershed Overlay District pertaining to agricultural farms, agricultural buffer strips, subsurface wastewater disposal system setbacks from resources/buffer strips, private sewage disposal systems and subsurface wastewater standards and requirements became effective on December 9, 2023 pursuant to Section 2.6(C) of the City Charter;

Whereas members of the Auburn City Council and the Mayor have heard concerns from constituents related to limitations on agriculture and water quality protections in the Lake Auburn Watershed;

T**he Auburn City Council herby orders** the City Manager to direct staff to work with the AG Working Group, Sustainability and Natural Resource Board, LAWPC, the Auburn Planning Board and public stakeholders to review the adopted amendments and recommend any changes back to the City Council. The process should include an initial advertised public meeting with the AG working Group to solicit public feedback, a working meeting with the AG work Group and then a Planning Board Workshop, Council Workshop and then a Planning Board Public hearing and recommendation. At a minimum, consideration should include the following:

- Agricultural uses
  - In Sec 60-951(b) amend the definition of non-hobby agricultural uses
  - In Sec 60-952(a) amend the description of permitted/prohibited agricultural uses
  - Define which agricultural uses are permitted (and by default the non-permitted activities are prohibited) and the scale of the permitted activity with a focus on water quality impacts. As an example, three horses kept for a resident's enjoyment or to provide riding lessons for a fee have the same water quality impact.
- Subsurface waste-water disposal system inspection
  - In Sec 60-952(f)(6) consider amending the described inspection method to shift responsibility for the inspection to the land-owner and provide a phased implementation.
  - The current construct in Sec 60-952(f)(6) supposes that LAWPC will perform an inspection once every five years or upon sale. LAWPC may not have the capability to do this and will require additional funding / hiring to do so. Another approach

City Council Order

should be considered to require the landowner to have an inspection performed on this cycle by an inspector meeting defined qualifications, with the inspection meeting defined standards and with the report being sent to LAWPC and the City Plumbing Inspector.

- Consider further limits on the number of new subsurface wastewater disposal systems. The current ordinance will limit the construction of new systems (new here having the same meaning as the state plumbing code) to an estimated 38 new systems.

VERSION B (with Addt'l Staff Suggested Changes highlighted in yellow)

Prepared for November 14, 2023 Planning Board Meeting

PART II - CODE OF ORDINANCES
Chapter 60 - ZONING

ARTICLE XII. - ENVIRONMENTAL REGULATIONS

• • •

DIVISION 4. LAKE AUBURN WATERSHED OVERLAY DISTRICT

Sec. 60-950. Purpose.

The Lake Auburn Watershed Overlay District is intended to maintain safe and healthful environmental conditions; prevent and control water pollution; protect spawning ground for fish, aquatic life, bird and other wildlife habitats; control building sites; provide visual and physical points of access to waters and natural beauty; and protect and maintain the present quality and volume of potable water supplied from the Lake Auburn Watershed to the population of the Auburn-Lewiston area.

(Ord. of 9-21-2009, § 5.3A)

Sec. 60-951. Boundaries and definitions.

(a) *Boundaries*. The Lake Auburn Watershed Overlay District is that section of the city in which surface and subsurface waters ultimately flow or drain into Lake Auburn as such section is delineated on a watershed map and survey by the Auburn~~city~~ W~~w~~ater D~~d~~istrict on file in the office of the Auburn~~city~~ W~~w~~ater D~~d~~istrict, the city department of planning and permitting services and the city clerk. The Lake Auburn Watershed Overlay District shall be superimposed over underlying districts within such section. Permitted uses in the underlying districts shall continue subject to compliance with the provisions of the Lake Auburn Watershed Overlay District.

(b) *Definitions*. For purposes of this Division 4, the following words and terms as used herein shall have the meanings or limitations of meaning hereby defined, explained or assigned:

Curtain drain means a trench to intercept laterally moving ground water and divert it away from a septic system disposal field.

Hobby agricultural use means uses of land for chicken farms, cattle farms, horse farms, egg farms, piggeries, sheep farms, stables, crop farming and other agricultural purposes where (i) the products produced through such use of the land is for personal consumption, pleasure or sustenance by those occupying the land and does not involve the sale of the products produced through such use of the land for profit, and (ii) the allowances set forth in Sec. 60-2 regarding "farm, livestock" of this chapter and the allowances set forth in Article VII, Division 4 of Chapter 8 of the City Code of Ordinances are not exceeded.

Lake Auburn Watershed Protection Commission or *LAWPC* means the commission formed through an interlocal cooperation agreement between and among the City of Lewiston, Auburn Water District, and Town of Turner, with three commissioners appointed by the City of Lewiston, three commissioners appointed by the Auburn Water District, one commissioner appointed by the Town of Turner, one commissioner appointed by the Towns of Hebron, Minot and Buckfield, and one commissioner appointed by the Androscoggin Valley Council of Governments.

Non-hobby agricultural use means uses of land for chicken farms, cattle farms, horse farms, egg farms, piggeries, sheep farms, stables, crop farming and other agricultural purposes where the products produced through such use of the land are sold for profit.

Soil horizon means a layer within a soil profile differing from the soil above or below it in one or more soil morphological characteristics. The characteristics of the layer include the color, texture, rock-fragment content, and consistence of each parent soil material.

Soil horizon, limiting or *limiting soil horizon* means any soil horizon or combination of soil horizons, within the soil profile or any parent material below the soil profile, that limits the ability of the soil to provide treatment or disposal of septic tank effluent. Limiting horizons include bedrock, hydraulically restrictive soil horizons and parent material, excessively coarse soil horizons and parent material, and the seasonal groundwater table. Also sometimes referred to as a "limiting factor."

Soil profile means a vertical cross section of the undisturbed soil showing the characteristic soil horizontal layers or soil horizons that have formed as a result of the combined effects of parent material, topography, climate, biological activity, and time.

Soil filter media means a soil mixture that consists of a loamy sand lower fill layer meeting the following lower fill layer specifications, plus a minimum of 6 inches of upper fill layer meeting the following upper fill layer specifications:

Soil Filter Media Specifications

Upper Fill Layer	
Sieve #	% Passing by Weight
No. 4	75-95
No. 10	60-90
No. 40	35-85
No. 200	20-40
200 (clay size)	<2.0

Lower Fill Layer	
Sieve #	% Passing by Weight
No. 10	85-100
No. 20	70-100
No. 60	15-400
No. 200	6-8
200 (clay size)	<2.0

(Ord. of 9-21-2009, § 5.3B)

Sec. 60-952. Use and environmental regulations.

(a) *Agricultural uses.* ~~All uses of land for chicken farms, cattle farms, horse farms, egg farms, piggeries, sheep farms, stables, crop farming and other agricultural purposes shall be subject to the approval of the city water district. Such approval shall be granted upon a showing that such uses will not cause groundwater contamination or contaminate or disturb the normal course of surface water runoff.~~ Non-hobby agricultural uses not in existence as of January 1, 2024 are prohibited, and expansions of non-hobby agricultural uses in existence as of December 31, 2023 are prohibited. As of January 1, 2024, new hobby agricultural uses or expansions of hobby agricultural uses in existence as of December 31, 2023 are only allowed if (i) the owner or operator first demonstrates to LAWPC's Watershed Manager that such use or expansion will not cause groundwater contamination and will not contaminate or disturb the normal course of surface water runoff, and (ii) LAWPC's Watershed Manager approves such use or expansion in writing and so notifies the code enforcement officer.

(b) *Residential dwellings in the agriculture and resource protection zoning district.* Notwithstanding the provisions of Secs.~~subsections~~ 60-145(a)(1), 60-145(b)(18) and 60-146(1)(c), new ~~one-family detached~~ dwellings units are ~~only permitted~~ prohibited in the Lake Auburn Watershed Overlay District ~~on parcels containing no less than ten acres, provided that the dwelling is accessory to farming operations and subject to the following restriction: at least 50 percent of the total annual household income of the farm occupants living in the farm residence will be derived from farm uses~~. Pursuant to 30-A M.R.S. § 4364(9), 30-A M.R.S. § 4364-A(1-A), and 30-A M.R.S. § 4364-B(1-A), each as may be amended from time to time, the affordable housing density, residential density and accessory dwelling unit provisions of P.L. 2021, ch. 672, "An Act To Implement the Recommendations of the Commission To Increase Housing Opportunities in Maine by Studying Zoning and Land Use Restrictions" and any related State regulations do not apply in the Lake Auburn Watershed Overlay District.

(c) *Agricultural buffer strip.* Where land adjoining Lake Auburn or its perennial tributaries (as depicted on a 7.5 minute series USGS topographic map, dated 1981) is tilled for agricultural purposes, an untilled buffer strip 100~~50~~ feet wide shall be retained between the tilled area and the normal high-water mark. This subsection (c) shall not be interpreted as permitting agricultural tillage in any zoning district in which it is not otherwise permitted.

(d) ~~*Municipal and m*~~*Manure and sludge disposal.* ~~All s~~Spreading and disposal of ~~municipal~~ sludge is prohibited. ~~shall be accomplished in conformance with the Rules of Municipal Sludge Utilization on Land, published by the department of environmental protection in September, 1980.~~ All spreading and disposal of manure shall be accomplished in conformance with the then-current edition of the Maine Department of Agriculture, Conservation and Forestry's rules, regulations and guidelines for manure spreading and disposal~~Maine Guidelines for Manure and Manure Sludge Disposal on Land, published by the Life Sciences and Agriculture Experiment Station and the Cooperative Extension Service, University of Maine at Orono, and the Maine Soil and Water Conservation Commission in July, 1972~~.

(e) *Erosion control.* The following provisions shall be observed for the control of erosion in the Lake Auburn Watershed:

(1) Any earth cutting, moving or removal activities that will result in erosion or runoff which is likely to increase sedimentation of Lake Auburn, or any tributaries or other water bodies in the watershed are prohibited.

(2) Vegetative cover shall not be removed except in a manner which will minimize erosion. Harvesting of trees shall be permitted only after a plan prepared by a qualified forester is submitted to and approved by the Auburn W~~w~~ater D~~d~~istrict. Such plan will be approved or disapproved on the basis of its conformance with good watershed management practice for domestic water supplies.

(3) Trees may be cleared, provided the cleared areas are covered with other vegetation, for approved construction and landscaping. Where such clearing is extended to the shoreline, a cleared opening or openings not greater than 30 feet in width for every 100 feet of shoreline (measured along the high-water mark) may be created in the strip extending 50 feet inland from the normal high-water mark. For purposes of this section, clearing is the removal of adjacent dominant trees which extend into the canopy and shrubs within ten feet of the shoreline. Where natural vegetation is removed, it shall be replaced with other vegetation which is equally effective in retarding erosion and preserving natural beauty. When the vegetative cover is changed in areas greater than three acres, a plan shall be filed with the Auburn~~city~~ W~~w~~ater D~~d~~istrict indicating the changes so that a record can be maintained of watershed water yields to the system.

(f) *Private subsurface wastewater~~sewage~~ disposal systems.* The following regulations shall be adhered to in the development of private subsurface wastewater~~sewage~~ disposal systems in the Lake Auburn Watershed Overlay District:

(1) ~~Subsurface absorption areas shall not be permitted on sites on which the highest seasonal groundwater table, bedrock, or other impervious layer is less than 36 inches below the bottom of the organic horizon. Not less than 24 inches of suitable soil shall be present below the bottom of the subsurface absorption area. The bottom of such subsurface absorption area shall not be less than 12 inches below the bottom of the organic horizon measured from the lowest point on the subsurface absorption area.~~ Disposal fields are prohibited on sites with less than 12 inches to the limiting soil horizon. In addition to having at least 12 inches to the limiting soil horizon, disposal fields shall have at least 24 inches of suitable natural soil or soil filter media below the bottom of the disposal field, such that there is at least a 36-inch separation between the bottom of the disposal field and the limiting soil horizon. The local plumbing inspector shall require that a Maine licensed site evaluator affirm that these design criteria are met before the LPI finds the design or installation of the system to comply with this ordinance.

(2) ~~Within areas containing soils described as deep, loose and sandy or gravelly and which contain more than 70 percent sand as shown on table 9-3 of the state plumbing code, part II (April 25, 1975), n~~No new disposal field~~subsurface absorption area~~ shall be installed closer than 400~~300~~ feet to the normal high-water mark of any lake, pond, or year-round or intermittent stream (as depicted on a 7.5 minute series USGS topographic map, dated 1981). Where the daily wastewater~~sewage~~ flow is or is reasonably likely to be in excess of 2,000 gallons, the system shall be located at least 1,000 feet from the normal high-water mark of any lake, pond or year-round or intermittent stream.

(3) All disposal fields, replacement or new, shall meet the design criteria set forth in subsection (f)(1) above, except that if a replacement system disposal field cannot meet the design criteria set forth in subsection (f)(1) above, the local plumbing inspector must, in consultation with and the concurrence of the Auburn Water District or its designee, evaluate the design and then require the disposal field to meet as much of the design criteria as is physically possible under the site-specific circumstances.

(4) All private subsurface wastewater disposal systems, replacement or new, shall either have (a) a curtain drain installed per Section 11(H) of the Maine Subsurface Wastewater Disposal Rules, 10-144 C.M.R. ch. 241 (2015), as may be amended from time to time, or (b) a diversion ditch, upslope of the disposal field, installed for the disposal field's entire length (including fill extensions), whichever installation is determined to be most appropriate based on the evaluation of groundwater conditions on the site by a Maine licensed site evaluator. The local plumbing inspector shall require that a Maine licensed site evaluator affirm that one of these two types of installation is part of the design of the system before the LPI finds the design or installation of the system to comply with this ordinance.

(5) All private subsurface wastewater disposal systems, replacement or new, shall be installed on the same lot as the dwelling unit being served by the system, unless the system can be developed outside of the Lake Auburn Watershed Overlay District or, in the case of a replacement system, the property owner can demonstrate to the local plumbing inspector that it is physically impossible for the replacement

system to be located on the same lot, in which case the local plumbing inspector may approve all or a portion of the replacement system's location on adjacent lots.

(6) Commencing July 1, 2024, LAWPC or its designee shall have the right to inspect all private subsurface wastewater disposal systems in the Lake Auburn Watershed Overlay District every 5 years and/or at the time that a property sold, whichever time frame is deemed most appropriate by LAWPC or its designee.

(~~7~~3) The Auburn ~~city~~ W~~w~~ater D~~d~~istrict or its designee shall have the right to inspect any subsurface wastewater disposal system within the Lake Auburn Watershed Overlay District during its construction and operation and may notify the health officer, police chief, local plumbing inspector or housing inspector of any observed defects or malfunctions that ~~who shall~~ require ~~the~~ abatement action by the property owner or operator ~~of such defects or malfunctions~~.

(~~8~~4) The local plumbing inspector shall furnish a copy of all site ~~investigation~~ evaluation reports in the Lake Auburn Watershed Overlay District to the Auburn~~city~~ W~~w~~ater D~~d~~istrict or its designee.

~~(5) Replacement or reconstruction of private residential sewage disposal systems in existence and in use on December 17, 1983 shall not be subject to the requirements of this section but shall be required to comply with the current state plumbing code.~~

(Ord. of 9-21-2009, § 5.3C; Ord. No. 19-12022019, 12-9-2019)

Sec. 60-953. Dimensional regulations; building setbacks.

All buildings and structures, except those requiring direct access to the water as an operational necessity, shall be constructed not less than 75 feet inland from the normal high-water mark. Operational necessity shall include private docks, but shall not include boathouses, storage sheds, garages or other structures. Marinas and boat rental facilities shall not be permitted within 75 feet of the normal high-water mark of Lake Auburn.

(Ord. of 9-21-2009, § 5.3D)

Sec. 60-954. Conflicts.

In any case in which a provision of this section conflicts with a provision of any other section of this chapter, the provision which establishes the more stringent standard shall apply.

(Ord. of 9-21-2009, § 5.3E)

● ● ●

ARTICLE XIII. ENVIRONMENTAL PERFORMANCE STANDARDS

● ● ●

DIVISION 2. PHOSPHORUS CONTROL

● ● ●

Sec. 60-1065. Definitions.

The following words, terms and phrases, when used in this division, shall have the meanings ascribed to them in this section, except where the context clearly indicates a different meaning:

Acceptable increase in lake phosphorus concentration (C) is based upon water quality and the city's selected level of protection. For Taylor Pond the number is 0.75; for Lake Auburn the number is 0.5.

Direct watershed means any land area which contributes storm-water runoff by either surface or subsurface flow to Taylor Pond or Lake Auburn without such runoff first passing through an upstream lake.

Future area to be developed (D) means an estimate of the acreage in the city's share of the direct watersheds that will be developed during the planning period of 50 years. For Taylor Pond, the estimated future developed acreage is 715.3; for Lake Auburn, the estimated future developed acreage is 1,180.0.

Lake Auburn means the Lake Auburn Watershed regulated by this chapter, which is all land areas within the direct watershed of Lake Auburn as defined on the attached map entitled Lake Auburn Watershed Overlay District Map.

Per-acre phosphorus allocation (P) means the acceptable increase of phosphorus export per acre in the watershed as determined by solving the following equation (P) = (FC)/(D). For Taylor Pond, the phosphorus allocation is 0.036; for Lake Auburn, the phosphorus allocation is 0.047.

Phosphorus export coefficient (F) means the amount of phosphorus export from the watershed each year that will produce a one ppb increase in the lake's phosphorus concentration. For Taylor Pond, the phosphorus coefficient is 35.26 lbs/ppb/year; for Lake Auburn, the phosphorus coefficient is 109.9 lbs/ppb/year.

Taylor Pond means the Taylor Pond Watershed regulated by this chapter, which is all land areas within the direct watershed of Taylor Pond as defined on the attached map entitled "Taylor Pond Watershed Map".

(Ord. of 9-21-2009, § 5.7B)

● ● ●

ARTICLE XV. BOARD OF APPEALS

● ● ●

DIVISION 6. SPECIAL APPEAL

Sec. 60-1237. Lake Auburn Watershed Overlay District ~~zone~~ variance.

When by reason of extraordinary physical conditions peculiar to the land or buildings under appeal but not to other land or buildings adjoining or nearby, an owner of land would be subject to unusual difficulty or special hardships (not mere financial hardship or hardships caused by rigid subsurface wastewater~~sewage~~ disposal regulations) by reason of the literal application and rigorous enforcement of the terms of this chapter, the board of zoning appeals may grant a variance from strict compliance with the requirements of division 4 of article XII of this chapter after notice and public hearing as provided in this article. No such variance shall be granted unless the board is satisfied that the variance applied for will not adversely affect the quality of the Lake Auburn water supply. When an application for a variance is filed, it shall be forwarded to the Auburn~~city~~ W~~w~~ater D~~d~~istrict with a request for an informational report and a recommendation to the board regarding the disposition of the requested variance application. In any case in which a variance request is granted, despite the recommendation of the Auburn W~~w~~ater D~~d~~istrict that it be denied, the board of appeals shall make part of its permanent records a written statement of its reasons for taking such action. In granting any such variance application, the board may also

impose reasonable conditions upon the use of the land in question which shall be reduced to writing and made a part of the permanent records of the board.

(Ord. of 9-21-2009, § 6.5C)

City of Auburn
City Council Information Sheet

Council Workshop or Meeting Date: January 2, 2024

Author: Eric Cousens, Planning and Permitting Director

Subject: Ordinance 26-11202023 – Delayed Applicability Date –AGRP/GB Zoning near Gracelawn

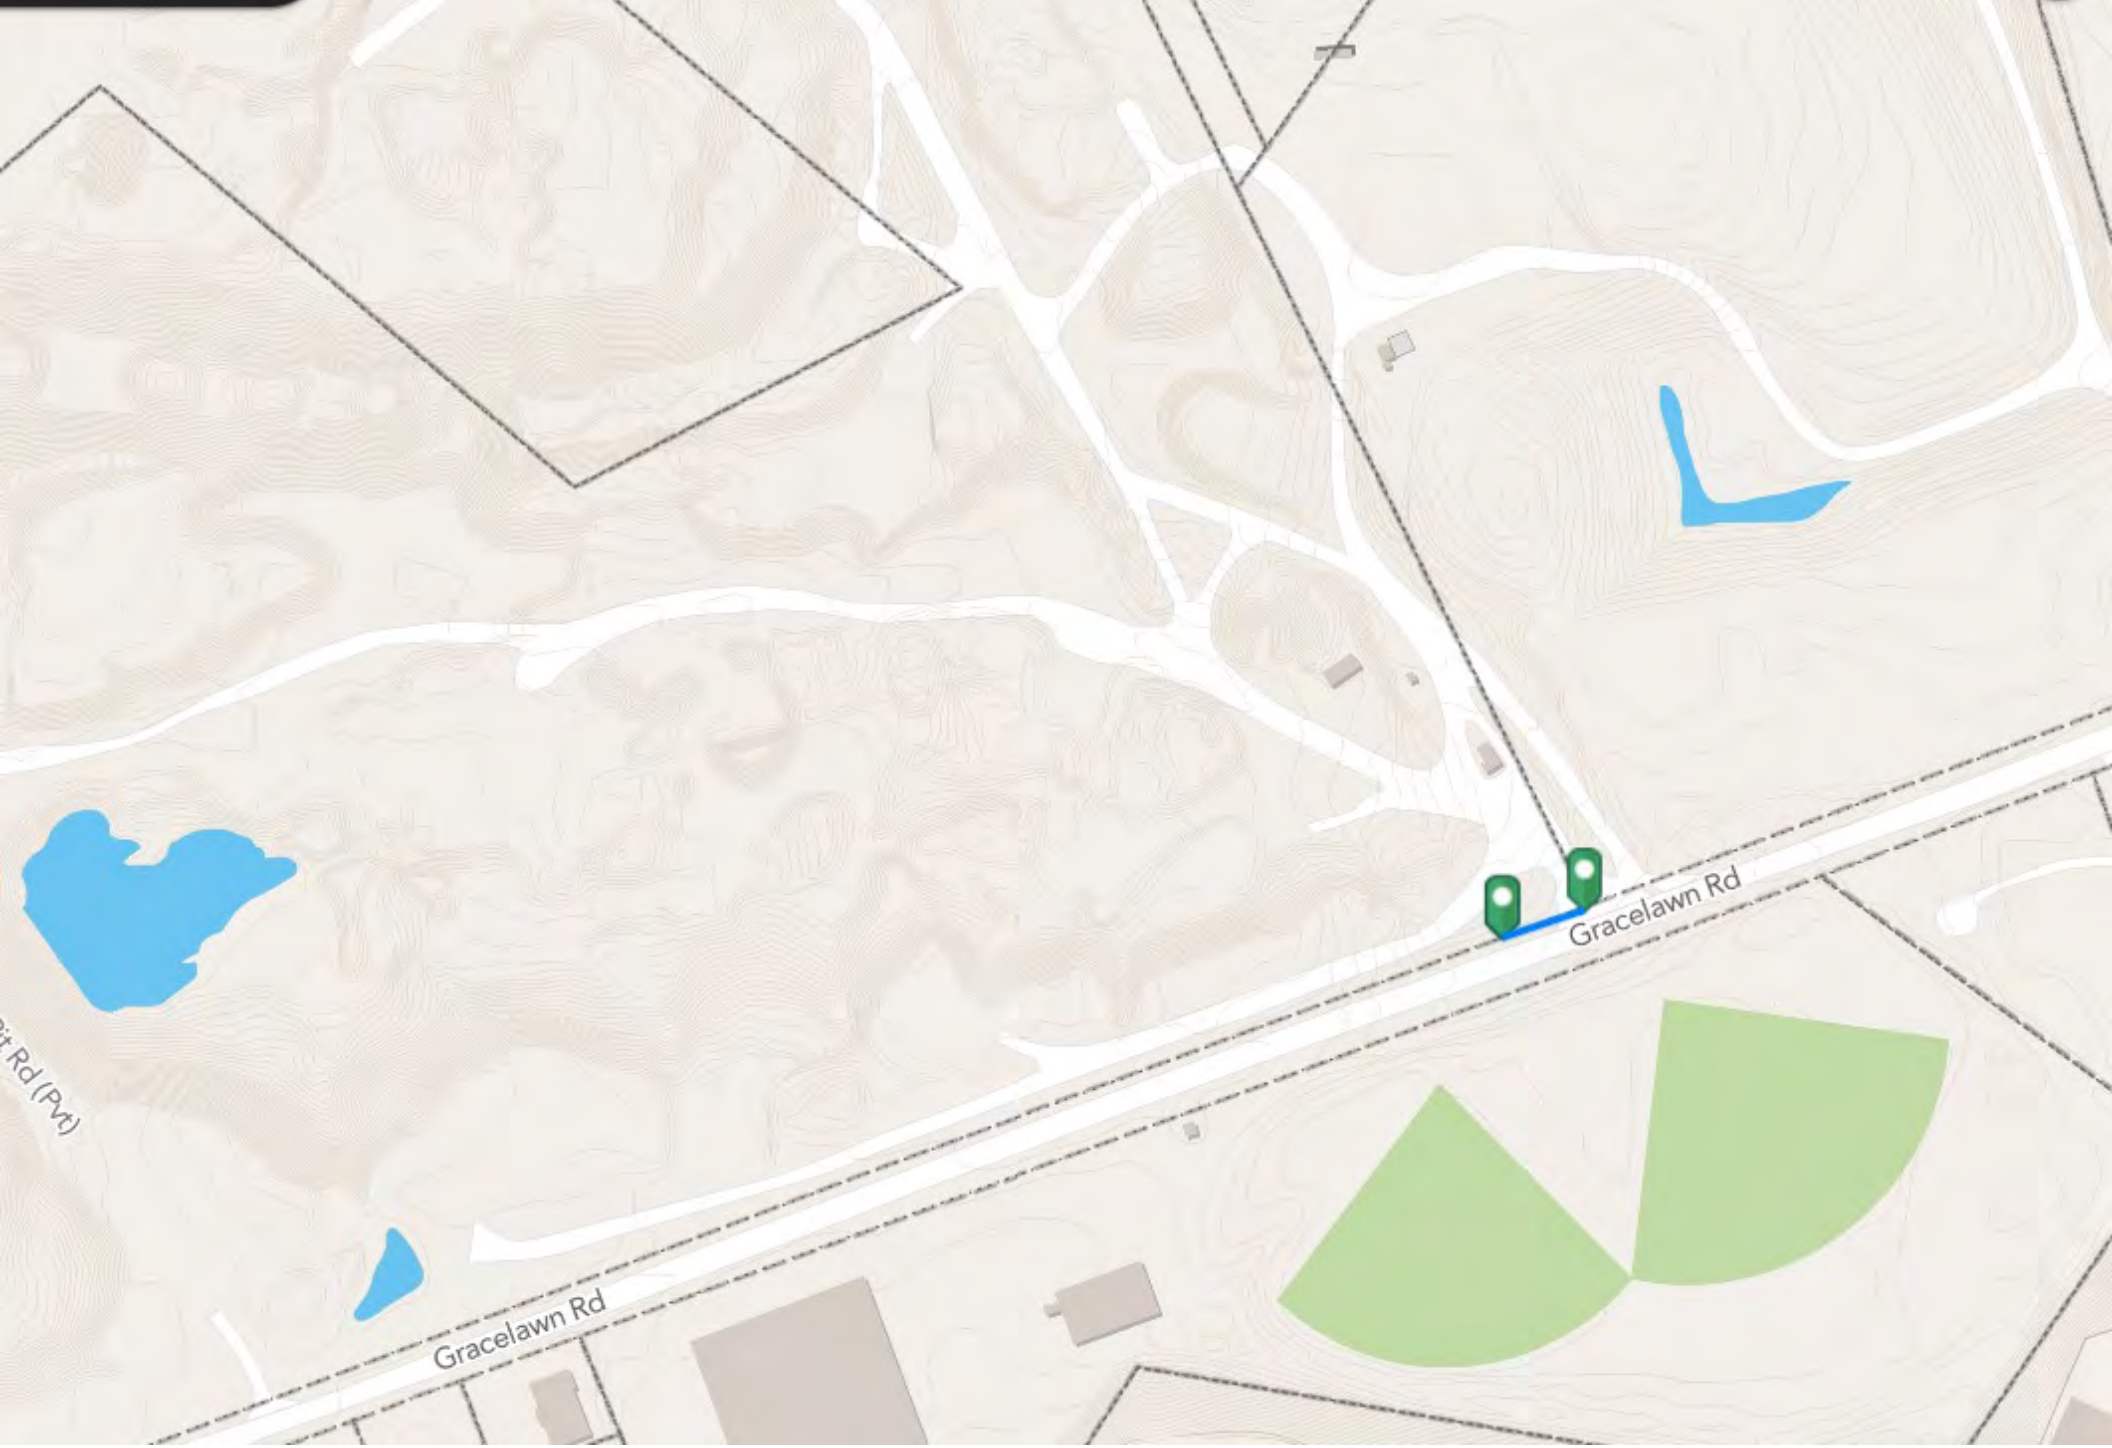
---

Information: The Council is considering a delayed applicability date for the December 4, 2023 ordinance that applied the General Business (GB) Zoning district to lands outside of the Lake Auburn Watershed near Gracelawn Road. The primary concerns seem to be that the zoning abuts the Landfill parcel without a buffer on the privately owned side of the shared property line and that the GB zone allows commercial and auto related uses.

Buffer-A buffer was included in the previous change last year based on a Council amendment and then repealed. The attached map shows where the approximate 100-foot buffer would be located along Gracelawn Road. The City owned access to the operations center is on the landfill property between the private pit access and the actual landfill area. The private pit access that exists onsite is just to the west of the property line, inside what would be the 100' buffer. City ordinances and State Traffic standards would encourage those two entrances to be merged if the pit is redeveloped to limit the number of curb openings.

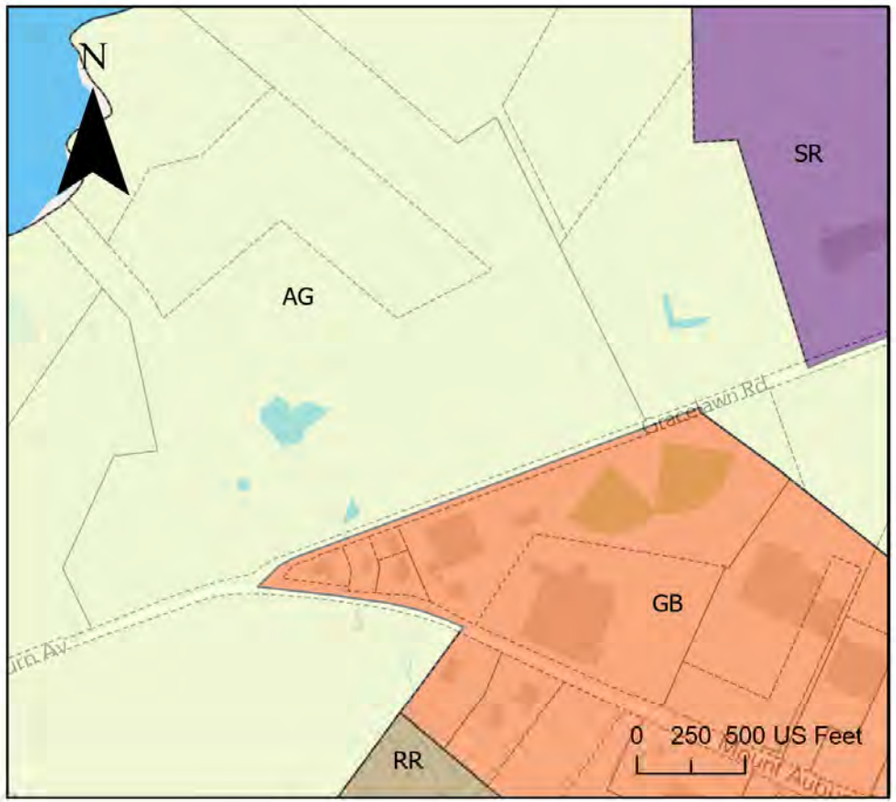
GB Zoning Uses - The GB zone allows single and multi-family homes, places of indoor or outdoor recreation, Childcare Centers, Municipal Uses, Elderly housing and assisted living facilities and other related uses. The property owner that operates a large gravel mining and material processing facility on the land affected by the zoning change like the uses listed above, but the large commercial and Automotive uses are not desired by the City or the property owner.

City Budgetary Impacts:



Staff Recommended Action: Review information, ask questions and discuss proposed options to achieve Council goals and position the City best for the future while minimizing any unintended consequences.

Previous Meetings and History: Previous discussion of amendments approved on December 4, 2023 and December 18, 2023.



City Manager Comments:

I concur with the recommendation. Signature: Phillip Crowell J.

City of Auburn
City Council Information Sheet

Council Workshop or Meeting Date: January 2, 2024

Author: Sue Clements-Dallaire, City Clerk

Subject: Reinstating the Board of Assessment Review and the Zoning Board of Appeals and eliminating the Regulatory Advisory Board

---

Information: In 2021, Council voted to adopt the Regulatory Advisory Board to perform the responsibilities of the board of assessment review, and the zoning board of appeals. Staff is proposing to reinstate the Board of Assessment Review (with a few proposed amendments) and the Zoning Board of Appeals and eliminating the Regulatory Advisory Board.

City Budgetary Impacts: None

Staff Recommended Action: Discussion

Previous Meetings and History: Board of Assessment Review and Zoning Board of Appeals combined into the Regulatory Advisory Board in 2021.

City Manager Comments:

I concur with the recommendation. Signature: Phillip Crowell Jr.

Attachments: Current ordinance for the Regulatory Advisory Board, and previous Board of Assessment and Zoning Board of Appeals Ordinances.

City of Auburn, Maine
Office of the Assessor
www.auburnmaine.gov | 60 Court Street
Auburn, Maine 04210
207.333.6601

January 2, 2024

Mayor Harmon and Members of the City Council,

The Regulatory Advisory Board was created in 2021, combining the Board of Assessment Review, the Zoning Board of Appeals, and adding all other regulatory review functions as directed by the City Council. The size of the new board was increased from 5 full members to 7. Prior to the creation of the new board the Board of Assessment Review had a 5 member board. In the time since the Regulatory Advisory Board was created 3 members whose terms ended chose not to serve again.

The Board of Assessment Review is a very specialized Board. Members require training to understand Title 36 governing valuation and tax abatement and appeal procedures. The Zoning Board of Appeals is also a specialized Board. They are responsible for hearing appeals concerning interpretation of zoning, decisions of the Code Enforcement Officers, and granting of variances. This requires training of a completely different nature. The Board of Assessment Review may hear an appeal once per year and many years there have been no appeals. The time commitment is not typically substantial.

To meet statutory requirements, it is crucial to have enough board members to hear tax appeals. It is the opinion of this office that if the Board of Assessment Review were reinstated as a separate Board a greater number of applicants may apply to fill the vacancies.

The Assessing Department has a pending application to the Regulatory Advisory Board. The current Board does not have enough members to constitute a quorum. Luckily a

request for an extension of time beyond the statutory 60 days was granted by the taxpayer, allowing enough time to follow the current procedures, find applicants and have them appointed by the City Council.

I believe we, as a municipality, have the responsibility to follow due process in a timely manner and I am requesting the City Council consider reinstating the Board of Assessment Review with the hope that this will encourage more applicants to fill the vacancies and avoid situations such as this. I appreciate your consideration.

Karen Scammon, CMA-4
Assessor
City of Auburn

DIVISION 2. BOARD OF ASSESSMENT REVIEW[1]

Sec. 2-430. Membership; responsibility.

A board of regulatory advisory shall be appointed by the city council, consisting of seven members.

The purpose of the regulatory advisory board is to perform the responsibilities of the board of assessment review, board of appeals, and all other regulatory review functions as directed by the city council. The board shall develop such rules to govern its meetings (to include meetings dates and times) and operations as it deems advisable.

Persons appointed by the city council to serve on other boards, agencies, panels, and or commissions shall not serve concurrently on the regulatory advisory board.

(Code 1967, § 5-2.1; Ord. No. 04-02162021, 3-1-2021; Ord. No. 02-01032022, 1-18-2022)

Editor's note(s)—Ord. No. 04-02162021, adopted March 1, 2021 changed the title of § 2-430 from "membership; compensation of members" to "membership; responsibility."

Sec. 2-431. Term of members.

The initial terms of office of the members of the regulatory advisory board shall be staggered terms. The city council shall annually appoint one member to serve on the board for a three-year term. Their successors shall be appointed for three-year terms.

(Code 1967, § 5-2.2; Ord. No. 05-02162021, 3-1-2021)

Sec. 2-432. Assessment review appeals procedure.

When written application is made by a taxpayer for a review of a refusal by the tax assessor to grant a request for an abatement, the board of assessment review shall, within 14 days of the receipt of such request, set a date for hearing, of which the applicant shall receive at least seven days' written notice. In its conduct of the hearing the board shall act as an impartial panel to receive evidence from the appellant and the assessor, advocating for neither party in rendering a decision. The board shall conform that decision to all applicable statutes. At such hearing, the applicant shall have the right to be heard in person, to present witnesses, to examine the tax assessor and any witnesses presented by him, and to be represented by counsel. Upon the evidence presented, the board shall determine whether or not the applicant was over-assessed and may grant such reasonable abatement of his assessment as it determines to be proper. The board shall give notice to the applicant of its decision and of the reasons therefor at the hearing or within a reasonable time thereafter.

(Code 1967, § 5-2.3; Ord. No. 06-02162021, 3-1-2021)

[1]State law reference(s)—Board of assessment review, 36 M.R.S.A. § 471-A.

Editor's note(s)—Ord. No. 06-02162021, adopted March 1, 2021, changed the title of § 2-432 from "appeals procedure" to "assessment review appeals procedure."

Sec. 2-433. Quorum.

The regulatory board shall take no official action unless at least three members are present; provided, however, that a lesser number may adjourn the proceedings to a later time. When a regular member of the board is unable to participate in an appeal, the chair shall designate one of the alternate members to replace him.

(Code 1967, § 5-2.4; Ord. No. 07-02162021, 3-1-2021)

Sec. 2-434. Rules and regulations for conduct of hearings.

The regulatory board may establish such rules and regulations governing the conduct of hearings before it as it may deem necessary consistent with this Code and with state law.

(Code 1967, § 5-2.5; Ord. No. 08-02162021, 3-1-2021)

Sec. 2-435. Legal counsel.

The regulatory board may have legal counsel present during any appeal hearing to advise on points of law and to assist the board in drafting its final decision.

(Code 1967, § 5-2.6; Ord. No. 09-02162021, 3-1-2021)

Secs. 2-436—2-439. Reserved.

Sec. 2-440. Board of appeals review.

See procedures as outlined in article XV board of appeals.

(Ord. No. 10-02162021, 3-1-2021)

Sec. 2-441. Compensation of the regulatory board.

All members of the regulatory board shall receive annually $600.00, payable quarterly.

(Ord. No. 41-11152021, 12-6-2021)

Secs. 2-442—2-453. Reserved.

DIVISION 2. - BOARD OF ASSESSMENT REVIEW[13]

Footnotes:

--- (**13**) ---

State Law reference— Board of assessment review, 36 M.R.S.A. § 471-A.

Sec. 2-430. - Membership; compensation of members.

A board of assessment review shall be appointed by the city council, consisting of five members, to serve without compensation. The city council shall also appoint three alternate members.

(Code 1967, § 5-2.1)

Sec. 2-431. - Term of members.

The initial terms of office of the members of the board of assessment review shall be staggered terms. The city council shall annually appoint one member to serve on the board for a five-year term. The initial terms of the alternate members of the board shall be staggered. Their successors shall be appointed for five-year terms.

(Code 1967, § 5-2.2)

Sec. 2-432. - Appeals procedure.

When written application is made by a taxpayer for a review of a refusal by the tax assessor to grant a request for an abatement, the board of assessment review shall, within 14 days of the receipt of such request, set a date for hearing, of which the applicant shall receive at least seven days' written notice. In its conduct of the hearing the board shall act as an impartial panel to receive evidence from the appellant and the assessor, advocating for neither party in rendering a decision. The board shall conform that decision to all applicable statutes. At such hearing, the applicant shall have the right to be heard in person, to present witnesses, to examine the tax assessor and any witnesses presented by him, and to be represented by counsel. Upon the evidence presented, the board shall determine whether or not the applicant was over-assessed and may grant such reasonable abatement of his assessment as it determines to be proper. The board shall give notice to the applicant of its decision and of the reasons therefor at the hearing or within a reasonable time thereafter.

(Code 1967, § 5-2.3)

Sec. 2-433. - Quorum.

The board of assessment review shall take no official action unless at least three members are present; provided, however, that a lesser number may adjourn the proceedings to a later time. When a regular member of the board is unable to participate in an appeal, the chair shall designate one of the alternate members to replace him.

(Code 1967, § 5-2.4)

Sec. 2-434. - Rules and regulations for conduct of hearings.

The board of assessment review may establish such rules and regulations governing the conduct of hearings before it as it may deem necessary consistent with this Code and with state law.

(Code 1967, § 5-2.5)

Sec. 2-435. - Legal counsel.

The board of assessment review may have legal counsel present during any appeal hearing to advise on points of law and to assist the board in drafting its final decision.

ARTICLE XV. - BOARD OF APPEALS

DIVISION 1. - GENERALLY
DIVISION 2. - ORGANIZATION
DIVISION 3. - APPEALS PROCEDURE
DIVISION 4. - POWERS AND DUTIES
DIVISION 5. - JUDICIAL APPEAL
DIVISION 6. - SPECIAL APPEAL

DIVISION 1. - GENERALLY

Secs. 60-1116—60-1129. - Reserved.

Secs. 60-1116—60-1129. - Reserved.

DIVISION 2. - ORGANIZATION

Sec. 60-1130. - Membership.
Sec. 60-1131. - Term of office.
Sec. 60-1132. - Associate members.
Sec. 60-1133. - Jurisdiction.
Sec. 60-1134. - Board rules.
Sec. 60-1135. - Quorum.
Secs. 60-1136—60-1150. - Reserved.

Sec. 60-1130. - Membership.

There shall be a board of appeals consisting of seven members and two associate members appointed by the city council. Each member shall be at all times a resident of the city.

(Ord. of 9-21-2009, § 6.1A)

Sec. 60-1131. - Term of office.

The members and associate members of the board shall serve no more than three consecutive three-year terms.

(Ord. of 9-21-2009, § 6.1B)

Sec. 60-1132. - Associate members.

An associate member shall have a vote only in the event that one or more regular members of the board are absent or are disqualified from serving on a particular matter because of a conflict of interest.

(Ord. of 9-21-2009, § 6.1C)

Sec. 60-1133. - Jurisdiction.

The board of appeals shall have jurisdiction over:

(1) Interpretation of provisions of the zoning chapter called into question;

(2) Administrative appeals from decisions or lack thereof of the building inspector or code enforcement officer in regard to an application for a permit under the zoning chapter;

(3) The granting of variances from the requirements of the zoning chapter would cause undue hardship.

(Ord. of 9-21-2009, § 6.1D)

Sec. 60-1134. - Board rules.

The board shall adopt, and may from time to time amend, rules and regulations to govern the conduct of its business. The tape recording of the board's proceedings, the transcript of testimony, if any, and exhibits, together with all papers and requests filed in the proceedings, shall constitute the record. All decisions shall become a part of the record and shall include a statement of findings and conclusion and the appropriate order, relief or denial thereof.

(Ord. of 9-21-2009, § 6.1E)

Sec. 60-1135. - Quorum.

Five members shall constitute a quorum at any meeting.

(Ord. of 9-21-2009, § 6.1F)

Secs. 60-1136—60-1150. - Reserved.

DIVISION 3. - APPEALS PROCEDURE

Sec. 60-1151. - Petition.
Sec. 60-1152. - Public hearing.
Sec. 60-1153. - Decision.
Secs. 60-1154—60-1184. - Reserved.

Sec. 60-1151. - Petition.

Written petitions for appeal signed by any party in interest shall be filed in duplicate in the office of the municipal officer charged with enforcement of the zoning ordinance, together with the fee in the amount provided in the city fee schedule, within 30 days from the date of the decision or order. The municipal officer shall forward to the board of appeals, planning director, the chairman of the planning board and the city solicitor, one copy of such petition. The planning director, or in his absence, the chairman of the planning board, shall forward to the board of appeals as soon as possible any pertinent city planning information in his possession bearing on such appeal. The city solicitor shall forward to the board of appeals as soon as possible any pertinent legal information bearing on such appeal. Where no such information is received by the board of appeals by the time of the meeting at which such appeal is scheduled to be heard, it shall be presumed that none was available at that time. In any case in which such planning and legal information is received, it shall be summarized at the public hearing and an opportunity afforded for comment by those interested in the appeal.

(Ord. of 9-21-2009, § 6.2A)

Sec. 60-1152. - Public hearing.

(a) On each such petition, the board shall hold a public hearing, within 65 days of the filing of the appeal petition. Notice of the time, date, place, appellant name and subject of each such hearing shall be given by publication in a newspaper of general circulation in the city on two separate dates not more than 12 nor less than three days before the date of such hearing. Notification of the public hearing shall also be sent to the appellant, the planning director, the building inspector, the city manager and all owners of abutting property and property located directly across the street from the site of the property which is the subject of the appeal by mailing to them copies of such notice as published. Notices shall be mailed to such property owners at the addresses appearing for them in the then current property tax listing of the city. Failure of any property owner to receive such mail notice of any such public hearing shall not necessitate another hearing and shall not constitute grounds for objection by such property owner and shall not invalidate any action by the board of appeals on such appeal or application for variance.

(b) The chairman, or in his absence the acting chairman, shall preside at the public hearing. All hearings of the board of appeals shall be open to the public.

(c) The chairman shall open the hearing and determine whether a quorum of the board of appeals is present. For each appeal heard, the chairman shall summarize the nature of the appeal, identify all relevant information submitted, determine the board's jurisdiction and the appellant's standing, determine the parties to the action and proceed to accept oral and written testimony from the appellant and the public for and against the appeal. When all parties have been heard, the chairman shall close the hearing or, if additional time is needed, continue it to a later date.

(d) The chairman shall determine that the appellant has standing, that is, the right to appear as an appellant before the board. An appellant must hold title to the land, be part owner or have an option to buy or lease property and/or building, in order to have standing.

(e) The chairman shall determine the parties to the action. The appellant, municipal officers, planning board, abutting property owners, individuals who might be adversely affected by any decision and any member of the general public attending the meeting who has made specific statements concerning terms of the appeal, may be made party to the action.

(Ord. of 9-21-2009, § 6.2B)

Sec. 60-1153. - Decision.

(a) The decision of the board shall be made as soon as possible, but not later than 30 days of the public hearing, unless extended by mutual agreement of the board and appellant. Failure of the board to act within 30 days shall be deemed to be the denial of the petition sought, subject to judicial appeal.

(b) The board of appeals may by an affirmative vote of a majority of those members present amend or revise a decision of the building inspector, code enforcement officer or of any other municipal officer acting under the zoning ordinance. The board of appeals may permit variances from literal application of the zoning ordinance in accordance with the principles, conditions and procedures set forth in this chapter, subject to the duty of the board to promote the public health, safety, convenience and welfare and to adhere to the central intents and purposes of this chapter. Approval may be subject to conditions, modifications and restrictions as the board of appeals may deem necessary.

(c) The board shall keep a record of each appeal entertained, noting the date when received from the building inspector or code enforcement officer, the date of hearing, the applicant or appellant and the date of the decision. The board shall record by resolution the final disposition of every appeal. All of the foregoing shall be public records filed with the office charged with enforcement of the zoning ordinance. Notice of the decision shall be mailed within seven days to the applicant or appellant. Each notice shall specify that judicial appeals shall be made pursuant to the terms of section 60-1208

(d) The right to proceed under any variance or petition granted under the terms of this chapter, voted by the board of appeals, or under change in a decision of the building inspector, code enforcement officer or other municipal official voted by the board of appeals, shall expire if such right be not exercised beginning within six months from the date of such vote. If such right is not exercised within six months of the date of the vote, the board may grant a six-month extension without having to make another finding of hardship provided that:

(1) Conditions upon which the appeal was granted have not changed; and

(2) The appellant can show just cause for the delay in beginning the project.

(Ord. of 9-21-2009, § 6.2C)

Secs. 60-1154—60-1184. - Reserved.

DIVISION 4. - POWERS AND DUTIES

Sec. 60-1185. - Interpretation.
Sec. 60-1186. - Administrative appeals.
Sec. 60-1187. - Variance.
Secs. 60-1188—60-1207. - Reserved.

Sec. 60-1185. - Interpretation.

(a) Except as otherwise provided in this chapter, the board of appeals shall interpret provisions of the zoning ordinance which are called into question. Only persons with standing may appeal the denial of a permit which was based on provisions of the zoning ordinance.

(b) Where there is no evidence to the contrary, zoning ordinance language should be given its ordinary meaning. Statements of purpose may provide a key to the intent of zoning provision. In interpreting the ordinance, the board may request the advice of the city solicitor, the planning director or qualified experts in zoning law.

(Ord. of 9-21-2009, § 6.3A)

Sec. 60-1186. - Administrative appeals.

(a) The board of appeals may hear appeals in the administration of the zoning chapter in order to determine if the building inspector or code enforcement officer erred in granting or denying a permit. An applicant who is given no decision on a permit request, or who is denied a permit may appeal.

(b) If the board of appeals finds that the building inspector or code enforcement officer acted in error, it should order the error to be corrected.

(Ord. of 9-21-2009, § 6.3B)

Sec. 60-1187. - Variance.

(a) The board of appeals may grant a variance from the dimensional regulations and supplementary district regulations contained in the zoning chapter where the strict application of the ordinance, or a provision thereof, to the petitioner or property would cause undue hardship based on:

(1) The land in question cannot yield a reasonable return unless the variance is granted;

(2) The need for a variance is due to the unique circumstances of the property and not to the general conditions in the neighborhood;

(3) The granting of a variance will not alter the essential character of the locality; and

(4) The hardship is not the result of action taken by the appellant or a prior owner.

Variances granted under this subsection (a) shall be the minimum necessary to relieve hardship. The burden of proof is on the applicant to prove undue hardship.

(b) The board of appeals may grant a variance for the expansion, extension or enlargement of nonconforming buildings or uses provided that:

(1) The use being requested shall be approved by a majority of those members present (not less than a quorum being present).

(2) The board of appeals shall make findings that the requirements of subsection (a) of this section have been met.

(c) In addition to the criteria in this section, in determining whether or not to grant a variance, the board shall also take into consideration the following:

(1) Fire, electrical and police safety requirements;

(2) The adequacy of the traffic circulation system in the immediate vicinity;

(3) The availability of an adequate water supply;

(4) The availability of adequate sewerage facilities;

(5) Would not violate the environmental standards or criteria contained in the Overlay Zoning Districts;

(6) Would not adversely affect property adjoining the premises under appeal or nearby in the same neighborhood or in the same zoning district;

(7) Would not endanger the public health, safety or convenience; and

(8) Would not impair the integrity of the zoning chapter.

(d) Wherever necessary to meet the criteria or consideration listed in this division, the board, when granting a variance, may attach such conditions or restrictions as are in accordance with the objectives and purposes of this zoning chapter.

(e) The planning director, or his representative, shall be responsible for reviewing the records of hearings of the board of appeals. Such review shall be conducted on a monthly basis and shall be for the purpose of maintaining the zoning ordinance. The ordinance may be deemed to be in need of amendment when variances for identical purposes or reasons are applied for in a single zoning district or regarding a specific section of this chapter on three or more occasions within a given calendar year. In any case in which the zoning ordinances are deemed to be in need of amendment, the planning director or his representative shall prepare a report indicating whether the variances applied for suggest that the ordinance or the description of the zoning districts should be amended. Such reports shall be forwarded to the planning board for its review and recommendation.

(Ord. of 9-21-2009, § 6.3C)

Secs. 60-1188—60-1207. - Reserved.

DIVISION 5. - JUDICIAL APPEAL

Sec. 60-1208. - Superior court.
Secs. 60-1209—60-1234. - Reserved.

Sec. 60-1208. - Superior court.

Appeals from decisions of the city planning board or of the city zoning board of appeals or on account of the failure of any municipal official or board to comply with the order of the board of appeals shall be taken to the

superior court within 30 days of such decision or action in accordance with Rule 80B of the Maine Rules of Civil Procedure and 30-A M.R.S.A. § 2691(3). Except as otherwise provided by statute, every person shall have the right to inspect and copy any record of the board's proceedings, provided that, the inspection be scheduled to occur during regular hours and at such a time as will not inconvenience the regular activities of the office having custody of the record and provided further that the cost of copying the recorded or, if necessary, the translation of mechanical or electronic date compilations into some other form, shall be paid by the person requesting the copy.

(Ord. of 9-21-2009, § 6.4)

Secs. 60-1209—60-1234. - Reserved.

DIVISION 6. - SPECIAL APPEAL

Sec. 60-1235. - Floodplain district variances.
Sec. 60-1236. - Shoreland zone variance.
Sec. 60-1237. - Lake Auburn Watershed zone variance.
Secs. 60-1238—60-1255. - Reserved.

Sec. 60-1235. - Floodplain district variances.

The board of appeals may grant a variance from strict compliance with requirements of division 2 of article XII of this chapter after public notice and public hearing as provided in this article, provided the following conditions are met:

(1) The applicant can show that a failure to grant a variance would result in undue hardship as defined in 30-A M.R.S.A. § 4353.

(2) A determination made by the board with a certification from a registered professional engineer provided by the applicant, if need be, that the granting of the variance will not result in increased flood heights. The professional engineer shall include the following information within their certification: criteria on which the certification was based; any assumptions that were made; source of data for those assumptions; and references to the research material that was relied upon in making the certification. In addition, the board shall determine as a condition for the granting of the variance that it will not result in threats to public safety, extraordinary public expense, create a nuisances, causes fraud on or victimization of the public or conflict with existing local laws or ordinances.

(3) A determination by the board that the variance is the minimum necessary, considering the flood hazard, to afford relief.

(4) The applicant shall be notified in writing that the issuance of a variance to building a structure below the base flood level will result in increased premium rates for flood insurance and such construction below the base flood level increases risks to life and property.

(Ord. of 9-21-2009, § 6.5A)

Sec. 60-1236. - Shoreland zone variance.

When by reasons of extraordinary physical conditions peculiar to the land or building under appeal but not to other land or buildings adjoining or nearby, an owner of land would be subject to unusual difficulty or special hardships (not mere financial hardship or hardships caused by reason of the literal application and rigorous enforcement of the terms of this chapter), the board of zoning appeals may grant a variance from strict compliance with the requirements of division 2 of article XII of this chapter after notice and public hearing as provided in this article. No such variance shall be granted unless the board is satisfied that the variance applied for will not adversely affect the quality of the adjacent water body. In granting any such variance application, the board may also impose reasonable conditions upon the use of the land in question which shall be reduced to writing and made a part of the permanent records of the board.

(Ord. of 9-21-2009, § 6.5B)

Sec. 60-1237. - Lake Auburn Watershed zone variance.

When by reason of extraordinary physical conditions peculiar to the land or buildings under appeal but not to other land or buildings adjoining or nearby, an owner of land would be subject to unusual difficulty or special hardships (not mere financial hardship or hardships caused by rigid sewage disposal regulations) by reason of the literal application and rigorous enforcement of the terms of this chapter, the board of zoning appeals may grant a variance from strict compliance with the requirements of division 4 of article XII of this chapter after notice and public hearing as provided in this article. No such variance shall be granted unless the board is satisfied that the variance applied for will not adversely affect the quality of the Lake Auburn water supply. When an application for a variance is filed, it shall be forwarded to the city water district with a request for an informational report and a recommendation to the board regarding the disposition of the requested variance application. In any case in which a variance request is granted, despite the recommendation of the water district that it be denied, the board of appeals shall make part of its permanent records a written statement of its reasons for taking such action. In granting any such variance application, the board may also impose reasonable conditions upon the use of the land in question which shall be reduced to writing and made a part of the permanent records of the board.

(Ord. of 9-21-2009, § 6.5C)

Secs. 60-1238—60-1255. - Reserved.

DIVISION 2. - BOARD OF ASSESSMENT REVIEW

State Law reference— Board of assessment review, 36 M.R.S § 471-A and § 844-N.

Sec. 2-430. - Membership; responsibility.

A board of assessment review (the Board) shall be appointed by the city council, consisting of five regular members and three alternate members.

The purpose of the board of assessment review is to hear property tax appeals pursuant to Maine Statute. The Board shall develop such rules to govern its meetings (to include meetings dates and times) and operations as it deems advisable.

Sec. 2-431. - Term of members.

The initial terms of office of the members of the board of assessment review shall be staggered terms. The city council shall annually appoint members to serve on the board for three-year terms. Their successors shall be appointed for three-year terms.

Sec. 2-432. - Assessment review appeals procedure.

When written application is made by a taxpayer for a review of a refusal by the tax assessor to grant a request for an abatement, the board of assessment review shall, within 14 days of the receipt of such request, set a date for hearing, of which the applicant shall receive at least seven days' written notice. In its conduct of the hearing the Board shall act as an impartial panel to receive evidence from the appellant and the assessor, advocating for neither party in rendering a decision. The Board shall conform that decision to all applicable statutes. At such hearing the applicant shall have the right to be heard in person, to present witnesses, to examine the tax assessor and any witnesses presented on behalf of the Assessing Department, and to be represented by counsel. Upon the evidence presented, the Board shall determine whether the applicant

DRAFT

has met their burden of proof and may grant such reasonable abatement of their assessment as it determines to be proper.

The board of assessment review must provide writ en notice of the decision on an appeal within 60 days of receiving the appeal unless the taxpayer agrees to an extension of the decision deadline.

Sec. 2-433. - Quorum.

The board of assessment review shall take no official action unless at least three members are present; provided, however, that a lesser number may adjourn the proceedings to a later time. When a regular member of the board is unable to participate in an appeal, the chair shall designate one of the alternate members to serve in place of any absent member.

Sec. 2-434. - Rules and regulations for conduct of hearings.

The board of assessment review may establish such rules and regulations governing the conduct of hearings before it as it may deem necessary consistent with this Code and with state law.

Sec. 2-435. - Legal counsel.

The board of assessment review may have legal counsel present during any appeal hearing to advise on points of law and to assist the board in drafting its final decision.

(other sections edited)

Sec. 2-441. - Compensation of the board of assessment review.

All members of the board of assessment review shall receive annually $600.00, payable quarterly.

DRAFT

City of Auburn
City Council Information Sheet

Council Workshop or Meeting Date: January 2, 2024 **Order:** 06-01022024

Author: Jill M. Eastman, Finance Director

Subject: FY ending June 2022 – Undesignated Fund Balance

Information:

On December 4, 2023, the City Council approved allocating $2,023,255 to various projects or funds from the Undesignated Fund Balance. At the December 18, 2023 city council meeting, a presentation was given relating to the timing of the project for Rink 2 at the Norway Savings Bank Arena. For the best optimal timing for the arena programing, staff is recommending an additional $500,000 be allocated to complete the project.

The City Council also requested what the UDF would be if an additional $500,000 was added to the Worker's Compensation Fund. The additional $500,000 for the arena floor and $500,000 for worker's compensation would place the UDF at 13.73%.

It is the City's policy to maintain an unrestricted fund balance in the general fund of no less than 10% and no more than 14% of general fund budgeted expenditures.

The FY ending June 2023 estimated unrestricted fund balance will be in excess of $2,500,000.

City Budgetary Impacts: Allocate $1,000,000 Undesignated Fund Balance as follows:

- $500,000.00 Transfer to Worker's Compensation Fund
- $500,000.00 Norway Savings Bank Arena Floor

Staff Recommended Action: Vote to increase allocation of two projects from the Undesignated Fund Balance.

Previous Meetings and History: December 4, 2023, and December 18, 2023

City Manager Comments:

I concur with the recommendation. Signature: Phillip Crowell Jr.

Attachments:

Scope of Work by All-American Arena Products will include:

- ✓ Engineered Drawings Stamped by licensed Mechanical Engineer.
- ✓ The floor system will carry a five-year warranty.
- ✓ Any additional taxes will be extra.
- ✓ Shipping to site included.
- ✓ Forklift and Genie Boom rental cost included.
- ✓ Project (demo) to start on, or around, May 6th, 2024

SAND FLOOR REMOVAL AND DEMO

- The rink floor system will be drained and the fluid stored onsite for reuse in the new floor system and subfloor system.
- Remove and dispose of the existing floor piping, rink header and chair system.
- The existing insulation under the rink floor will be pulled up and removed.
- The existing subfloor piping will be removed and disposed of.
- The existing sub-grade will be excavated an additional 8" and the granular fill removed to the outside of the building. It will be reused to cover the new subfloor system.

86' X 201' CONCRETE RINK FLOOR SYSTEM

- **Mains** - The refrigeration mains and subfloor mains between the equipment room and the refrigerated floor will be reconnected.
- **Sub-Floor Heating System** - The sub-floor heating system will be constructed of 1" O.D. high density polyethylene tubing placed on 18" centers throughout the rink floor. The manifold system will be constructed of 3" SDR 11 fusion pipe and fittings. The polyethylene tubing is connected to the manifold with ¾" SDR 11 fusion fittings. The mains will be stubbed up in the mechanical room for future connection.
- **Fine Grading** - This section consists of placing 6" of the exiting granular material on top of the sub-floor heating system after it has been tested and leveling that fill to plus or minus ¼" throughout the rink area.
- **Rink Floor Insulation** - This section consists of furnishing and installing two layers of 1½" thick 25 psi extruded insulation on top of the fine grade, including cutting and fitting the insulation to conform to the profiles of the rink and the header trench.
- **Vapor Barrier** - This section consists of furnishing and installing a 6 mil. vapor barrier on top of the rink floor insulation including overlap of vapor barrier material.
- **Reinforcing Steel** - This section consists of furnishing and installing 22,500 lbs. of #4, grade 60 reinforcing steel on top of the reinforcing steel supports. The steel is installed on 12" centers the 86' direction of the rink floor and 12" centers the 201' direction of the rink floor.
- **Rink Floor System** - Our refrigerated floor manifolds are constructed of 8" SDR 11 fusion pipe. They will be in a header trench at center of your ice-skating surface. The rink floor tubing is 1" SDR 11 pipe placed on 4" centers. The return bends are 180° fusion fittings connected to the rink floor tubing at each end of the rink. Our tubing spacers are constructed of 3/16" wire with a 3" wide foot plated for stability. They are placed in 2' centers throughout the rink floor and double as reinforcing steel supports.

- **Mesh** - This section consists of furnishing and installing a 6" x 6", 10-gauge wire mesh on top of the rink floor tubing.
- **Rink Floor Concrete** - This section includes providing a complete design mix, concrete testing, furnishing, and placing the concrete, proper finishing, and visqueen cure of the concrete. The concrete will be placed with a concrete pump. The concrete design will include a water reducing agent, air entrainment, and super plasticizer for the placement.
- **Expansion Joint** - This section consists of all the materials that make up the expansion joint which separates the refrigerated ice rink concrete from the outer perimeter concrete.

DASHERBOARDS:

- **Frame**
  - Panels to be welded aluminum with a mill finish.
  - Panels to be 42" high x 6" wide and typical 8 ft in length.
- **Anchors**
  - 5/8" pre-cast anchors placed into refrigerated floor prior to concrete pour.
  - A representative from All-American Arena Products will be present during the rink slab pour to ensure the integrity of the anchors.
- **Gates**
  - 4 – 30" player gates along the player boxes.
  - 2 – 30" penalty box gates with ice side push release buttons.
  - 4 – 30"/36" access gates for off-ice access with push release buttons.
  - 2 – 36" access gates with ice side push release buttons.
  - Hardware made of stainless steel. Fasteners are zinc plated.
  - Player and access gates to have adjustable hinges, as well as pivoting latch/catch assemblies.
  - 1 – 120" double leaf machine gate.
  - Machine gate to have heavy duty adjustable hinges, heavy-duty spring-loaded caster wheels and sliding closure bars – all stainless steel.
- **Board Cladding**
  - .500" thick white high-density polyethylene (HDPE) board facing.
  - .500" thick x 8" high, yellow HDPE kick plate, top edge routed to 3/8" radius.
  - .750" thick HDPE cap rail, front and back routed to 3/8" radius.
  - Color for cap rail is TBD.
- **Shielding and Supports**
  - 6' high x 5/8" (15mm) thick supported tempered glass for the ends and radii.
  - 6' high x ½" (12mm) thick supported tempered for the sides of the rink, including in front and between the penalty and timekeeper boxes.
  - Shield supports to be our 2pc quick change anodized aluminum face plates.
  - Shield supports to extend to 1" from the top of the glass.
  - No glass included for the fronts of the player boxes.
    Glass in front of timekeeper boxes to have 3 ½" diameter speak hole.
    Safety pads for termination points at player boxes.

- **Players, Penalty, and Timekeeper Boxes**
  - Player boxes are to be approx. 30' long x 5' deep with side and back walls.

    - Penalty boxes are to be approx. 8’ long x 5’deep with side and back walls.
    - Timekeeper’s box to be approx. 8’ long x 5’ deep with back and half side walls.
    - Water bottle shelves to be included for the front of the player and penalty boxes.
    - Timekeeper table provided.
- **Players, Penalty And Timekeeper’s Box - Floors**
    - Raised wooden platforms installed throughout all boxes.
    - Raised coach’s walkways included for player boxes.
    - ¾” treated plywood installed on top of raised aluminum platforms.
    - 3/8” black rubber flooring loose laid on top of platforms and walkways.
- **Players And Penalty Benches**
    - Benches are 9 ½” wide x 1 ½” thick black plastic lumber fastened to steel support posts.
    - Support posts to be zinc plated steel.
    - Player box benches are to be approx. 24 ft long.
    - Penalty box benches are to be approx. 8 ft long.
- **Spectator Netting**
    - 12’ high white or black nylon boundary netting installed around the ends, radii of the rink.
    - Netting to be attached to a steel conduit header suspended from the ceiling beams using aircraft cable and beam clamps.

Dear City Council Members,

Danville Junction Grange #65 respectfully requests the Auburn City Council to waive the Business License Application fee of $200.00 for the upcoming year.

Danville Junction Grange has been a contributing member of our community for over 100 years and wants to continue far into the future. The Grange is a non-profit organization that was started by local farmers to help them get a fair shake on shipping their products through railroads but has become much more to the community since.

The Grange Hall has served as a major local community resource, hosting dinners and other social events, theatrical productions, as well as civic functions, including meetings with municipal officials. Grangers raise money for many local charities including but not limited to the PAL Center, Coupons for Troops, House in the Woods, Student Scholarships, Christmas presents for the Salvation Army and Dictionaries for Third Graders to name a few.

The Grange supports itself through different fundraisers each year. One of the major fundraisers are the Bean Suppers which are held the first Saturday of the month from September through May. According to the State of Maine, we do not have to have a "licensed kitchen" because we have fewer than 12 dinners a year. However, we do have a Certified SERV safe Manager who will be overseeing the kitchen during the dinners.

Thank you for your consideration and continued support.

Sincerely,

Maynard Chapman

Maynard Chapman, Master

City Council Information Sheet

Council Workshop or Meeting Date: January 2, 2024 **Order:** 03-01022024

Author: Sue Clements-Dallaire, City Clerk

Subject: Setting the time for opening the polls for 2024 Elections

---

Information:
State law requires the Municipal Officers to set the time to open the polls for elections (21-A §626. Polling times). The polls must be opened no earlier than 6 a.m. and no later than 8 a.m. on election day, except that in municipalities with a population of less than 500, the polls must be opened no later than 10:00 a.m. It is recommended that the polls open at 7:00 A.M. in Auburn for all 2024 elections. Opening the polls at 7:00 A.M. is consistent with past practice in Auburn and it allows additional time in the morning for people to have an opportunity to vote.

City Budgetary Impacts: Minimal – the cost for Election workers to start one hour early is minimal.

Staff Recommended Action: Recommend a motion to set the time for opening the polls for all 2024 Elections to be 7:00 AM.

Previous Meetings and History: N/A

City Manager Comments:

I concur with the recommendation. Signature: Phillip Crowell Jr.

IN COUNCIL REGULAR MEETING DECEMBER 18, 2023, VOL. 37 PAGE 118

Mayor Harmon called the meeting to order at 7:00 P.M. in the Council Chambers of Auburn Hall and led the assembly in the salute to the flag. All Councilors were present.

1. **Order 171-12182023***
Confirming Chief Moen's appointments of Constables/Civil Process Servers without Firearm.

2. **Order 172-12182023***
Confirming the re-appointment of Bryan Bachelder as Local Sealer of Weights and Measures for 2024.

Motion was made by Councilor Gerry and seconded by Councilor Walker for passage of the two consent items.

Passage 7-0.

I. Minutes – December 4, 2023, Regular City Council Meeting

Motion was made by Councilor Walker and seconded by Councilor Whiting to approve the minutes of the December 4, 2023, Regular City Council Meeting.

Passage 7-0.

II. Communications, Presentations and Recognitions

- Communication – April 9, 2024, Special Election (Ward 4 School Committee)
- Communication – Mayoral Appointments

III. Open Session –

Dan Campbell, 294 Hotel Road, spoke regarding homelessness and said he would like to seek the help of the City Council, stating that we need to come together on this, and he asked that they join him when he walks the streets of Auburn. He stated that we need shelters now.

Alex, who stated that he was homeless, spoke about his experience, addiction, homelessness, and challenges in getting a job.

Beth, who also stated that she was currently homeless, spoke about her experience, and the difficulty finding an apartment. She also encouraged Councilors to visit some of the shelters and to walk amongst the homeless community, to meet them and start a conversation. She stated that she is hoping we can find a solution.

Greg Whitney, President of the Pleasant Street Drop-In Center said the center opened almost two years ago as a warming center and as the need got greater and greater, they've opened as a drop-in center. He said what the city really needs is an overnight shelter and an emergency shelter especially on days like today. He added that there is also a need for day shelters.

IV. Unfinished Business – None

V. New Business

1. Order 173-12182023
Confirming Mayor Harmon's Board and Committee Appointments.

Motion was made by Councilor Walker and seconded by Councilor Whiting for passage.

Public comment – No one from the public spoke.

Passage 7-0.

Motion made by Adam Platz seconded by Councilor Gerry to adopt the following order which was discussed during the Executive Session held during the Council Workshop earlier this evening.

Order 174-12182023

***ORDERED**, that the City Manager be and hereby is authorized and directed to prepare, in consultation with the City Attorney and appropriate City staff, proposed Zoning Ordinance amendments that would serve to delay the applicability date of the amendments to the Zoning Ordinance evidenced by Ordinance #26-12042023 and Ordinance #28-12042023;*

***BE IT FURTHER ORDERED**, that such proposed Zoning Ordinance amendments be prepared in time for a first reading of them at the January 2, 2024 City Council meeting.*

Public comment – No one from the public spoke.

Passage 5-2 (Councilors Milks and Walker opposed).

Motion was made by Councilor Whiting and seconded by Councilor Gerry to rescind Order 152-12042023 re-appointing Riley Bergeron to the Planning Board, full member position with a term expiration of 01/01/2027 as nominated by the Appointment Committee.

Public comment – No one from the public spoke.

Motion was made by Councilor Whiting and seconded by Councilor Cowan to take a brief recess.

Passage 5-2 (Councilors Milks and Walker opposed). Time 7:50 pm.

The Council meeting resumed after a ten-minute recess. Time 8:00 pm.

Passage to rescind Order 152-12042023 4-3 (Councilors Milks, Walker, and Weisner opposed).

Motion was made by Councilor Whiting and seconded by Councilor Gerry to rescind Order 153-12042023 re-appointing Evan Cyr to the Planning Board, full member position with a term expiration of 01/01/2027 as nominated by the Appointment Committee.

Public comment – No one from the public spoke.

Passage 4-3 (Councilors Milks, Walker, and Weisner opposed).

Motion was made by Councilor Whiting and seconded by Councilor Gerry to rescind Order 154-12042023 appointing Timothy DeRoche to the Planning Board, full member position with a term expiration of 01/01/2027 as nominated by the Appointment Committee.

Public comment – No one from the public spoke.

Passage 4-3 (Councilors Milks, Walker, and Weisner opposed).

VII. Open Session – No one from the public spoke.

VIII. Reports

Mayor Harmon announced that he will be forming a Mayor's Ad hoc committee on housing and another on homelessness. He thanked the school department for hosting the inauguration at the Donald Gay Performing Arts Center adding that it is a beautiful facility that will not only serve the school well but will also be a benefit to the community. He commented on the Absolutely Auburn podcasts and encouraged the public to listen. Last, he reminded the public of the upcoming New Year's Eve event adding that more information can be found at www.newyearsauburn.com.

Councilor Gerry inquired about warming centers in the City of Auburn.

Councilor Whiting echoed the Mayor's comments on the Donald Gay Performing Arts Center and he thanked the people that helped to make that possible: Malcolm Philbrick, Bob Gardner, Dick Gammon and others, members of the class of 1951 who donated a large sum previously used for scholarships to go toward the construction of that beautiful space. He also stated that he was happy to be back on the Library Board.

Councilor Cowan stated that he is excited to be part of the new City Council and looking forward to making some good changes.

Councilor Weisner echoed previous comments, adding that he is looking forward to listening to the needs of the people of Auburn and is looking forward to it.

Councilor Walker announced that there will be a New Year's event to be held at the Senior Center on New Year's Day at 10:00 am.

Councilor Platz thanked everyone on the Council and city staff for welcoming the new members of the board and congratulated the returning City Councilors. He noted that he was looking forward to it as well as serving on the School Committee, adding that his first meeting is on Wednesday.

Councilor Milks stated that the highlight of the Inauguration held on Thursday was the students that participated.

City Manager Crowell provided an update on the current storm situation, adding thanks to the first responders that are out there. He commented on the New Year's Eve event adding that the team is doing a great job planning that event and announced that there will be a drone show which is the first in New England and he encouraged people to come out to see the drone show.

Finance Report – November 2023

Motion was made by Councilor Walker and seconded by Councilor Cowan to accept and place on file the November 2023 Finance Report.

Passage 7-0.

IX. Executive Sessions - None

IX. Adjournment

Motion was made by Councilor Weisner and seconded by Councilor Walker to adjourn.

Unanimously approved and the meeting adjourned at 8:19 pm.

City of Auburn
City Council Information Sheet

Council Workshop or Meeting Date: January 2, 2024 **Ordinance:** 01-01022024

Author: John Blais, Deputy Director of Planning & Permitting

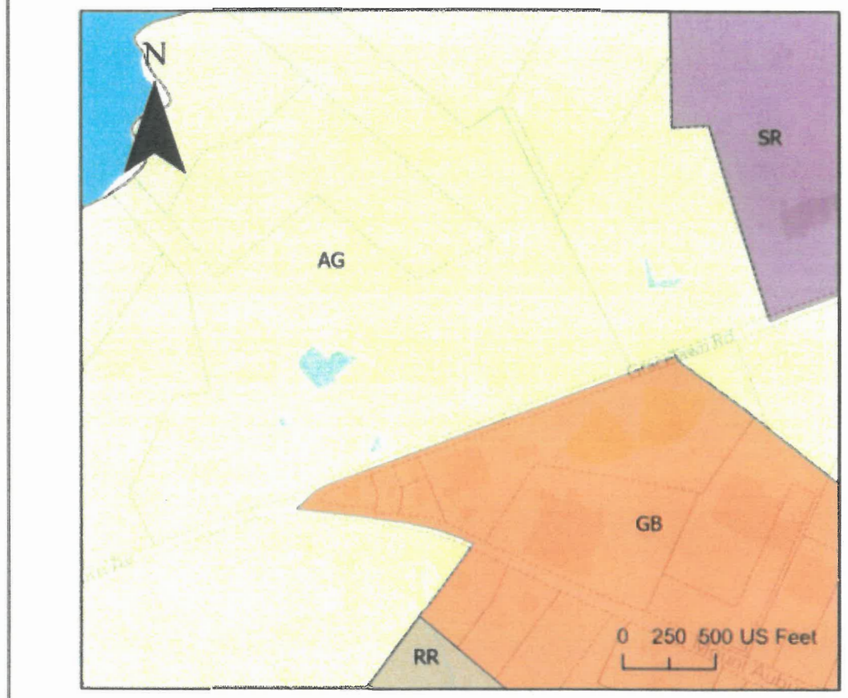
Subject: First Reading -Applicability date of Ordinance #26-112022023 Rezoning approximately 60 acres AG/RP to GB

Information: The zoning map amendment to this chapter evidenced by Ordinance #26-11202023 relating to the rezoning of approximately 60 acres in parts of City Assessor's Parcel ID 289-001, 289-002, and 277-026 from the Agriculture and Resource Protection (AGRP) zoning district to the General Business (GB) zoning district became effective on December 9, 2023 pursuant to Section 2.6(C) of the City Charter. In order to allow time for residents and property owners to become familiar with this zoning map amendment and for the City Council to further study and determine whether any additional amendments to this chapter related thereto are necessary or desirable, Ordinance #26-11202023 shall not become applicable until July 1, 2024.

The Council has options to limit uses at the properties listed above that will be discussed in the workshop. Those could include a detailed development agreement that limits uses, delayed applicability date or a zoning change.

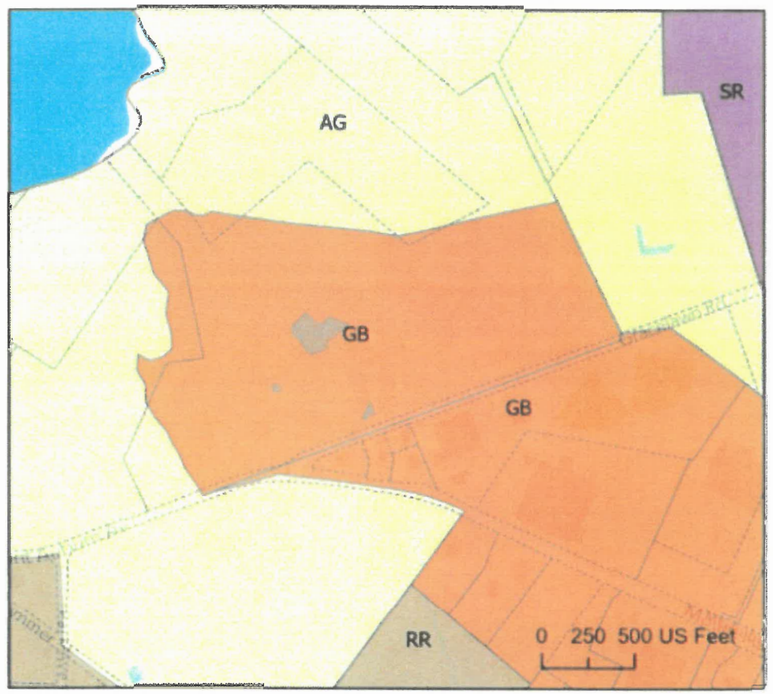
City Budgetary Impacts: None known.

Staff Recommended Action: If this option is preferred by the Council, then Staff recommends a process that includes a council order to staff and the planning board to provide a recommendation for the applicability to Ordinance #26-112022023, rezoning approximately 60 acres Agriculture and Resource Protection to General Business from the planning board in a public hearing format, as City Council continues to take this through their two readings to include a public hearing, for ordinance adoption.



Previous Meetings and History: December 18, 2023 CC meeting

City Manager Comments:



I concur with the recommendation. Signature: Phillip Crowell Jr.

Ordinance #1-01022024

City Council Ordinance

IN CITY COUNCIL

BE IT ORDAINED by the Auburn City Council, that Chapter 60, Zoning, of the Code of Ordinances be amended as follows:

Chapter 60 ZONING

● ● ●

ARTICLE XVI. ADMINISTRATION AND ENFORCEMENT

● ● ●

DIVISION 5. APPEALS AND APPLICABILITY

● ● ●

Sec. 60-1382. Applicability.

The provisions of this article shall apply to any development subject to review under division 2 of article XVI of this chapter, the construction of which has not been commenced on the date on which they become effective.

(Ord. of 9-21-2009, § 7.4B)

Sec. 60-1383. Effective Date and Applicability Date of Ordinance #26-11202023.

The zoning map amendment to this chapter evidenced by Ordinance #26-11202023 relating to the rezoning of approximately 60 acres in parts of City Assessor's Parcel ID 289-001, 289-002, and 277-026 from the Agriculture and Resource Protection (AGRP) zoning district to the General Business (GB) zoning district became effective on December 9, 2023 pursuant to Section 2.6(C) of the City Charter. In order to allow time for residents and property owners to become familiar with this zoning map amendment and for the City Council to further study and determine whether any additional amendments to this chapter related thereto are necessary or desirable, Ordinance #26-11202023 shall not become applicable until July 1, 2024.

Phillip L. Crowell, Jr., City Manager

City of Auburn
City Council Information Sheet

Council Workshop or Meeting Date: January 2, 2024 **Ordinance:** 02-01022024

Author: Eric J. Cousens, Director of Planning & Permitting

Subject: First reading, applicability to Ordinance #28-112022023 Text Amendments related to Chapter 60, Article XII, Division 4 – Lake Auburn Watershed Overlay District

---

Information: The zoning text amendment to this chapter evidenced by Ordinance #28-11202023 relating to Chapter 60, Article XII, Division 4-Lake Auburn Watershed Overlay District pertaining to agricultural farms, agricultural buffer strips, subsurface wastewater disposal system setbacks from resources/buffer strips, private sewage disposal systems and subsurface wastewater standards and requirements that became effective on December 9, 2023 pursuant to Section 2.6(C) of the City Charter. This first reading is scheduled as directed by the Council at the December 18, 2023 Council Meeting. In order to allow time for residents and property owners to become familiar with this zoning map amendment and for the City Council to further study and determine whether any additional amendments to this chapter related thereto are necessary or desirable, Ordinance #28-11202023 shall not become applicable until July 1, 2024.

Staff does **not** recommend this delayed applicability date due to impacts to existing property owners that are currently designing SSWW Disposal systems to the new standard. The new standards will treat wastewater better than the former standards and will require less soil disturbance in many cases with the system sited closer to the home. Details will be discussed in the workshop and questions or examples can be vetted on the same night of this hearing.

Ultimately, through the public process recommended in Order 04-01012024(Later tonight), potential language additions/deletions could better define implementation, clarify any ambiguities and improve public understanding of the Text Amendments related to Chapter 60, Article XII, Division 4 – Lake Auburn Watershed Overlay District. It would also allow time for any changes to be reviewed with the Drinking Water Program. This delayed applicability date is not necessary to achieve that outcome.

City Budgetary Impacts: None known.

Staff Recommended Action: Staff does not recommend passage of this Ordinance. If this option is preferred by the Council, then Staff recommends a process that includes the Planning Board to provide a recommendation after Public Hearing for the applicability date on Ordinance #28-112022023, then a Second reading and Public Hearing with the Council.

Previous Meetings and History: December 18, 2023 CC meeting

City of Auburn
City Council Information Sheet

Council Workshop or Meeting Date: January 2, 2024 **Order:** 04-01022024

Author: Eric J. Cousens, Director of Planning and Permitting

Subject: Order Initiating Ordinance Change 04-01022024 to revisit Agricultural Use allowances and watershed protections in the Lake Auburn Watershed through a public discussion process.

Information: It has come to the attention of Staff, the Mayor and Council that the ordinance updates adopted in December of 2023 may have prohibited certain agricultural uses that can be undertaken without detriment to water quality. There is also a desire to consider further limitations on the number of Subsurface Wastewater Disposal Systems in the watershed, who is responsible for inspecting SSWW Systems and to further define the inspection process. The proposed order would set that discussion in motion with further input from the AG working group, stakeholders and the public. This process would provide the Council with feedback and input from the Public, AG working Group and Planning Board to consider any further changes.

This process can be initiated in conjunction with a delayed applicability date(Ordinance 02-010220241) or on it's own, while avoiding the potential negative impacts to individual property owners and the watershed that would come from the delayed applicability date that is also being considered tonight.

City Budgetary Impacts: None. Staff and committee/Board Time.

Staff Recommended Action: Staff recommends that the Council vote to start the discussion with the attached Order.

Previous Meetings and History: December 18, 2023 CC Meeting

City Manager Comments:

I concur with the recommendation. Signature: Phillip Crowell Jr.

ORDER 04-01022024

City Council Order

IN CITY COUNCIL

Whereas the zoning text amendment evidenced by Ordinance #28-11202023 relating to Chapter 60, Article XII, Division 4- Lake Auburn Watershed Overlay District pertaining to agricultural farms, agricultural buffer strips, subsurface wastewater disposal system setbacks from resources/buffer strips, private sewage disposal systems and subsurface wastewater standards and requirements became effective on December 9, 2023 pursuant to Section 2.6(C) of the City Charter;

Whereas members of the Auburn City Council and the Mayor have heard concerns from constituents related to limitations on agriculture and water quality protections in the Lake Auburn Watershed;

T**he Auburn City Council herby orders** the City Manager to direct staff to work with the AG Working Group, Sustainability and Natural Resource Board, LAWPC, the Auburn Planning Board and public stakeholders to review the adopted amendments and recommend any changes back to the City Council. The process should include an initial advertised public meeting with the AG working Group to solicit public feedback, a working meeting with the AG work Group and then a Planning Board Workshop, Council Workshop and then a Planning Board Public hearing and recommendation. At a minimum, consideration should include the following:

- Agricultural uses
  - In Sec 60-951(b) amend the definition of non-hobby agricultural uses
  - In Sec 60-952(a) amend the description of permitted/prohibited agricultural uses
  - Define which agricultural uses are permitted (and by default the non-permitted activities are prohibited) and the scale of the permitted activity with a focus on water quality impacts. As an example, three horses kept for a resident's enjoyment or to provide riding lessons for a fee have the same water quality impact.
- Subsurface waste-water disposal system inspection
  - In Sec 60-952(f)(6) consider amending the described inspection method to shift responsibility for the inspection to the land-owner and provide a phased implementation.
  - The current construct in Sec 60-952(f)(6) supposes that LAWPC will perform an inspection once every five years or upon sale. LAWPC may not have the capability to do this and will require additional funding / hiring to do so. Another approach

Richard S. Whiting, Ward One
Benjamin J. Weisner, Ward Four
Belinda A. Gerry, At Large
Timothy M. Cowan, Ward Two
Leroy G. Walker, Sr., Ward Five
Jeffrey D. Harmon, Mayor
Stephen G. Milks, Ward Three
Adam R. Platz, At Large
Phillip L. Crowell, Jr., City Manager

City Council Order

should be considered to require the landowner to have an inspection performed on this cycle by an inspector meeting defined qualifications, with the inspection meeting defined standards and with the report being sent to LAWPC and the City Plumbing Inspector.

- Consider further limits on the number of new subsurface wastewater disposal systems. The current ordinance will limit the construction of new systems (new here having the same meaning as the state plumbing code) to an estimated 38 new systems.

City Council Information Sheet

Council Workshop or Meeting Date: January 2, 2024 **Order:** 05-01022024

Author: Kris Beaudoin, Lead Code Compliance Officer

Subject: 90 Day Building permit fee waiver for properties impacted by storm damage

---

Information: Many structures were damaged by the storm on December 18, 2023. Much of the damage sustained in the storm will require permits prior to complete needed repairs. The costs associated with the storm damage may be significant to some property owners, the proposed waiver in building permit fees will provide some relief to the property owners impacted by the storm and encourage proper permitting.

City Budgetary Impacts: The damage created by this storm was unexpected and any associated permitting fees were not projected, therefore, any budgetary impacts will be minimal.

Staff Recommended Action: Issue a 90 Day Permit Fee Waiver for Residential, Multi-Family, Agricultural and Commercial building permit applications for property damage repairs caused by the December 18, 2023 storm.

Previous Meetings and History: None

City Manager Comments:

I concur with the recommendation. Signature: Phillip Crowell Jr.

Attachments: Order.

City of Auburn
City Council Information Sheet

Council Workshop or Meeting Date: January 2, 2024 **Order:** 06-01022024

Author: Jill M. Eastman, Finance Director

Subject: FY ending June 2022 – Undesignated Fund Balance

Information:

On December 4, 2023, the City Council approved allocating $2,023,255 to various projects or funds from the Undesignated Fund Balance. At the December 18, 2023 city council meeting, a presentation was given relating to the timing of the project for Rink 2 at the Norway Savings Bank Arena. For the best optimal timing for the arena programing, staff is recommending an additional $500,000 be allocated to complete the project.

The City Council also requested what the UDF would be if an additional $500,000 was added to the Worker's Compensation Fund. The additional $500,000 for the arena floor and $500,000 for worker's compensation would place the UDF at 13.73%.

It is the City's policy to maintain an unrestricted fund balance in the general fund of no less than 10% and no more than 14% of general fund budgeted expenditures.

The FY ending June 2023 estimated unrestricted fund balance will be in excess of $2,500,000.

City Budgetary Impacts: Allocate $1,000,000 Undesignated Fund Balance as follows:

- $500,000.00 Transfer to Worker's Compensation Fund
- $500,000.00 Norway Savings Bank Arena Floor

Staff Recommended Action: Vote to increase allocation of two projects from the Undesignated Fund Balance.

Previous Meetings and History: December 4, 2023, and December 18, 2023

City Manager Comments:

I concur with the recommendation. Signature: Phillip Crowell Jr.

2023 Assessor's Report

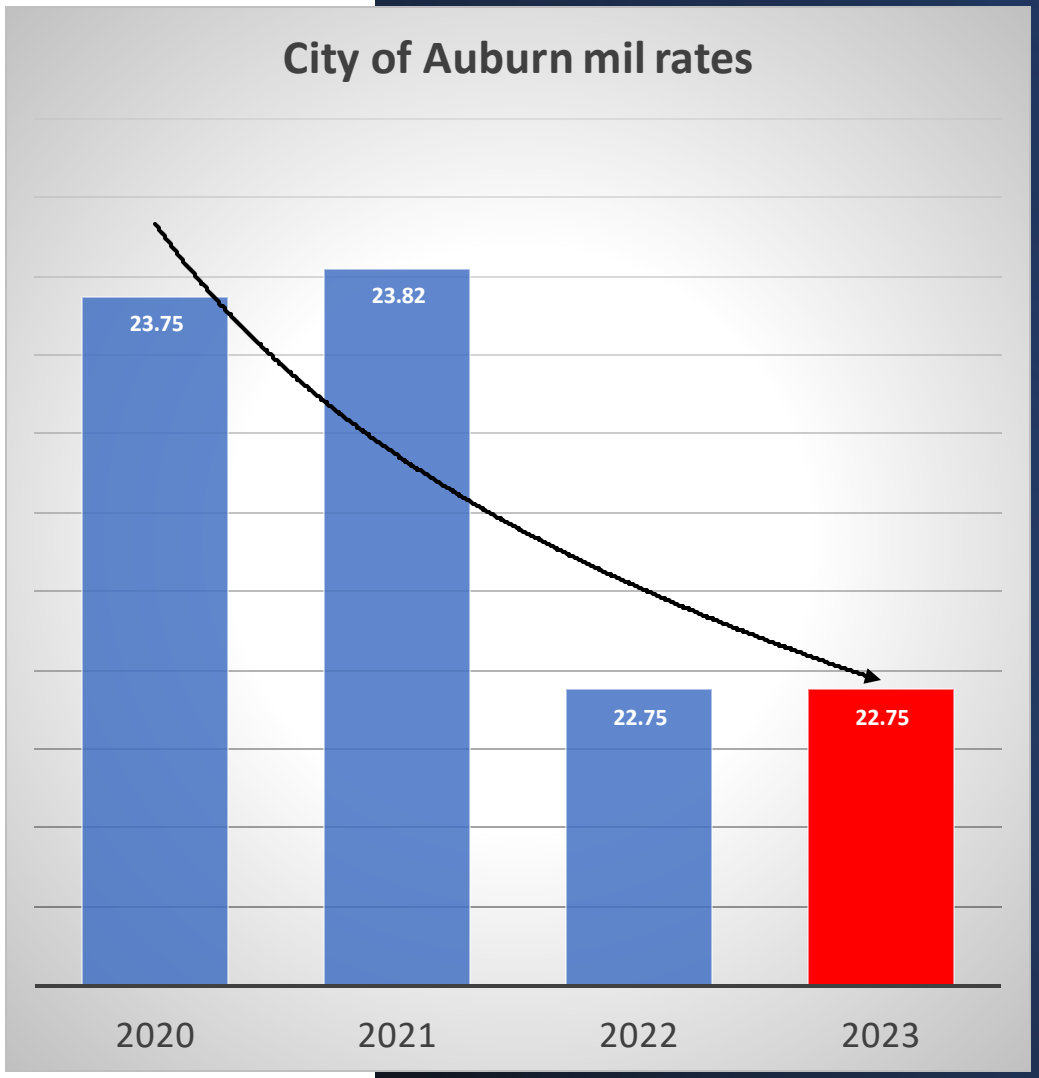
The Assessor

Property tax assessors in Maine occupy a unique place in the governmental structure, fulfilling a dual role of municipal official and agent of the State.

Professional Assessors are required to be certified by Maine Revenue Services (36 MRS § 327 (3))

The City of Auburn Assessing Division

City Assessor: Karen Scammon, CMA-4
Deputy Assessor: Joseph St. Peter, CMA-4
Senior Appraiser: Natalie Andrews, CMA
Appraiser: Azadeh Mashhadi



The definitive duty of property tax assessors is to annually ascertain as accurately as possible the nature, amount, and value of all property as of April first, and to estimate and record separately the land value, exclusive of buildings, for each parcel of real estate (36 MRS § 708).

Tax assessors have a constitutional obligation to assess all property fairly, equally, and according to just value, and it is presumed that assessors act in good faith and in conformity with legal requirements (Frank v Skowhegan)

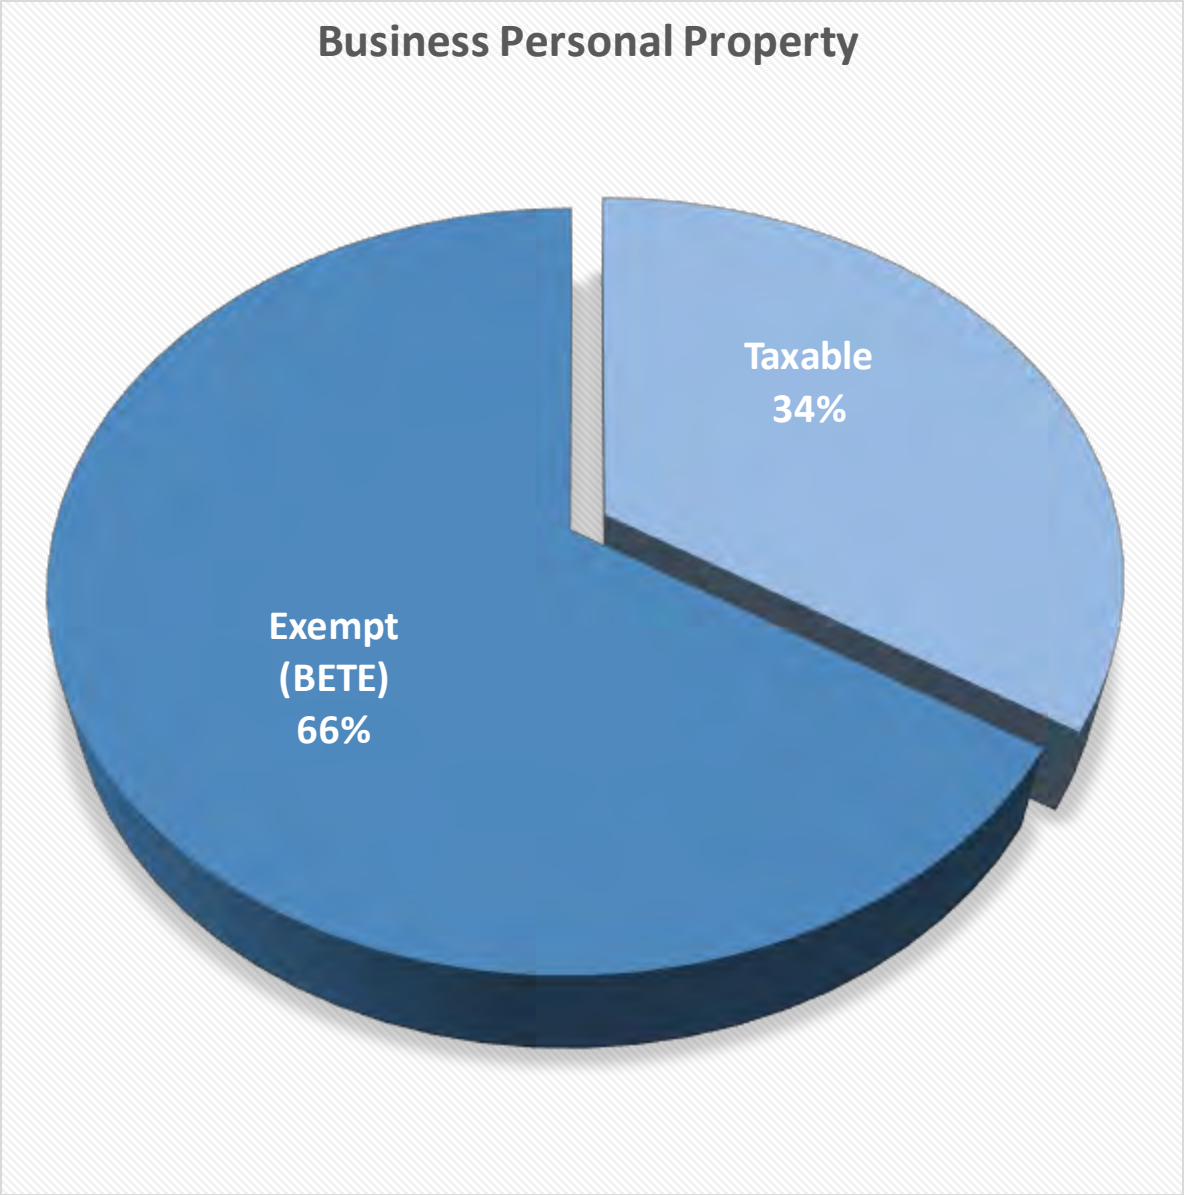
Commitment Data:

- Commitment date: **July 21, 2023**
- State Certified Ratio: **93%**
- Mil rate: **22.75**

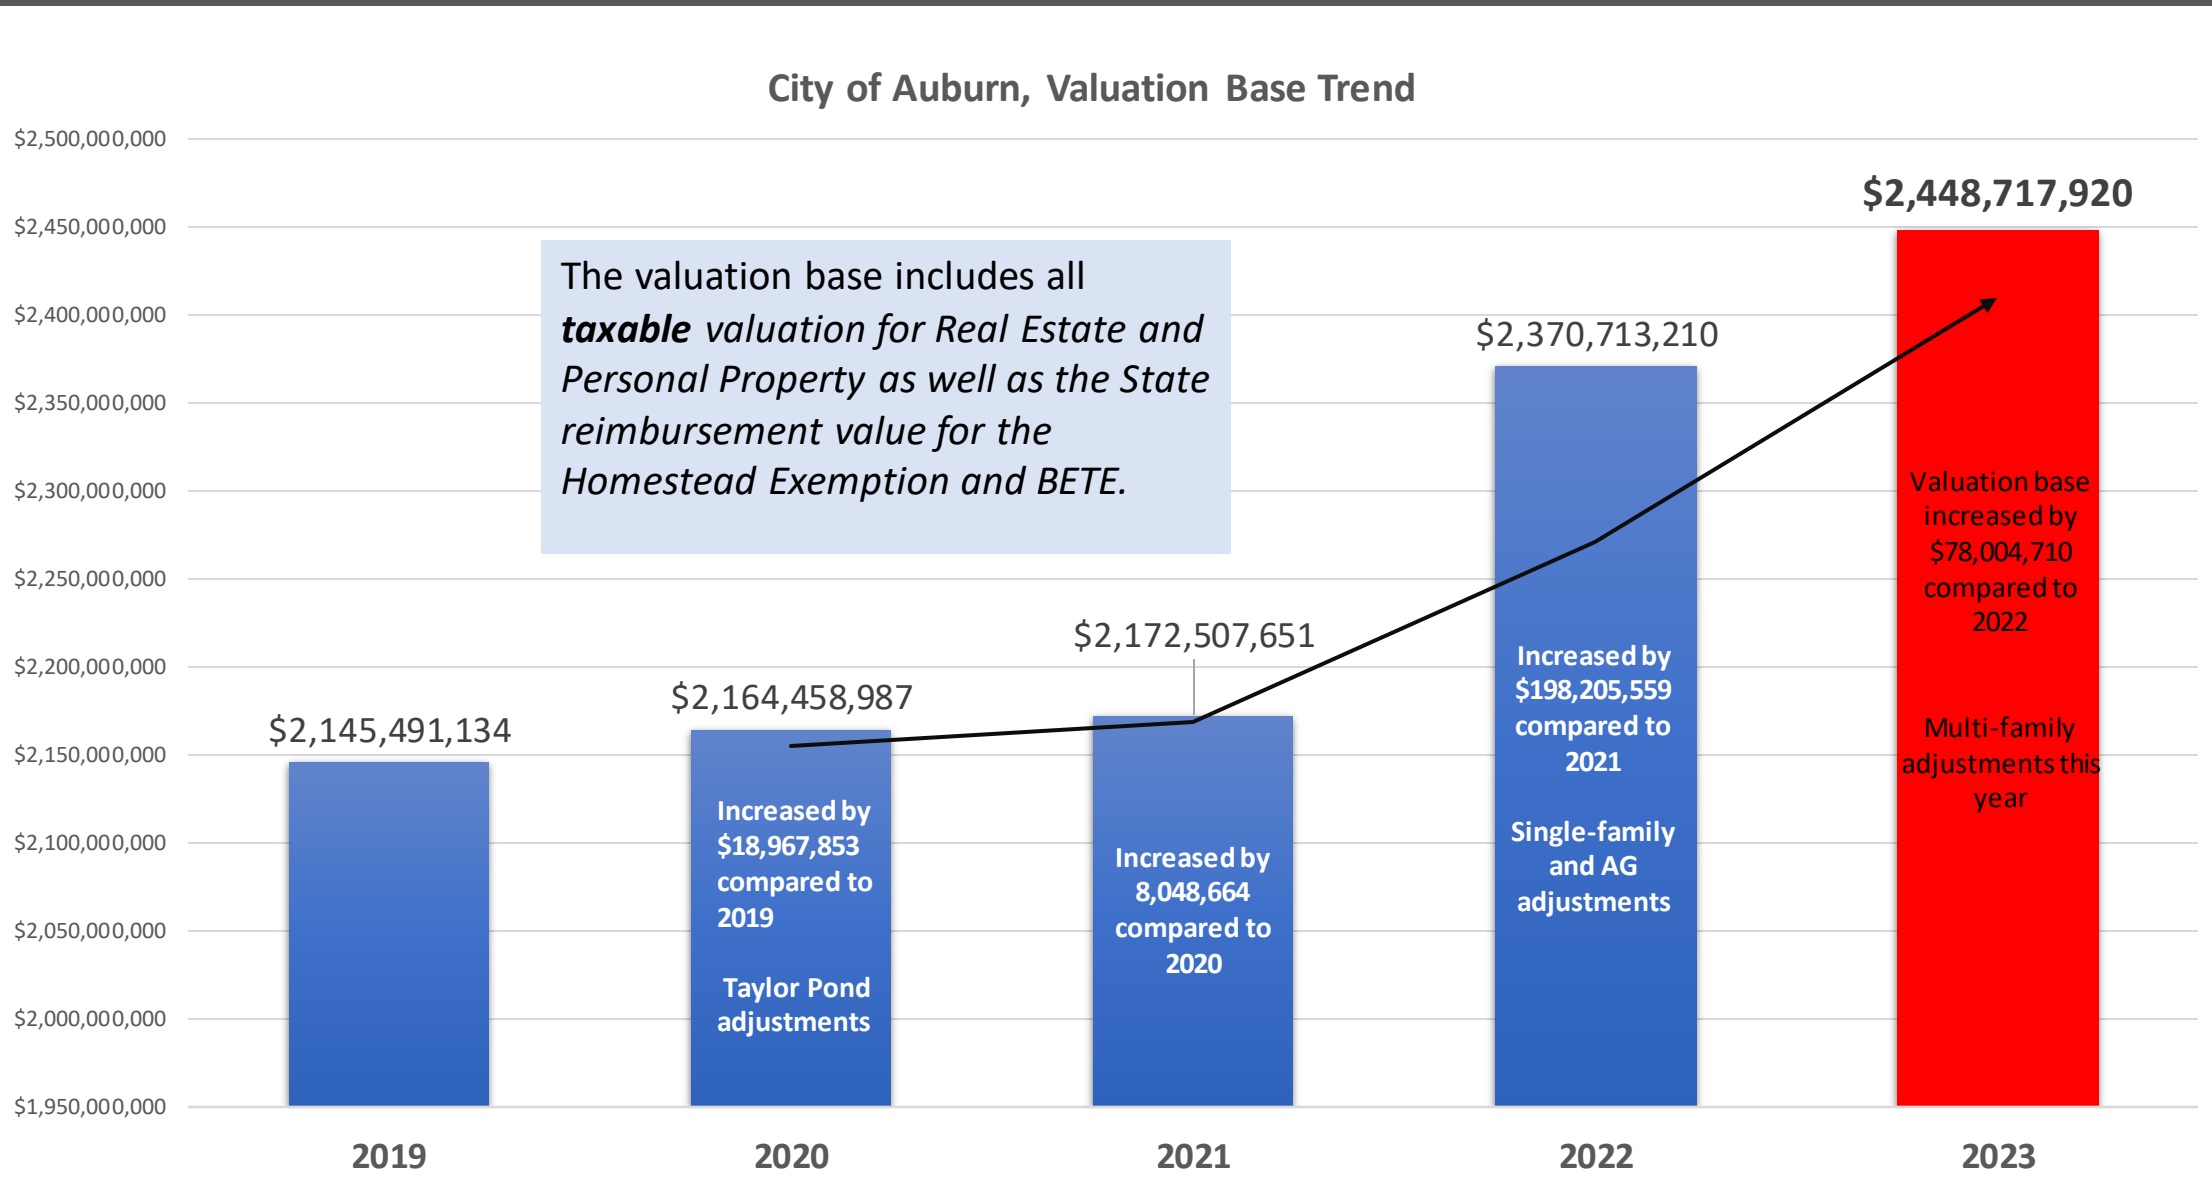
Due to market adjustments, new valuation, and budget factors – we have been able to keep the mil rate and certified ratio flat.

How did we hold it?

City of Auburn Valuation Statistics – Real Estate



- Real estate: **9461 Parcels.**
- Total land value: $597,952,264.
- Building value: $2,071,970,290.
- Total real estate valuation *before* exemptions is: **2,669,922,554**.
- Tax Exempt property makes up 20% of the total valuation base. The taxable real estate value is $2,144,361,339.



City of Auburn Valuation Statistics

Personal Property

- Personal Property: **1,092 *open* accounts (2023)**
- Taxable value: $108,809,837.
- BETE exempt value: $210,875,377
- Total personal property valuation: **$320,062,156**
- **Personal property is subject to "ratioing" which reduces the overall taxable and BETE valuation.**

What is a sales ratio?

A **sales ratio** is a relationship between the assessed value and the market value of a property. The lower the ratio, the higher the sale price is compared to the assessed value.

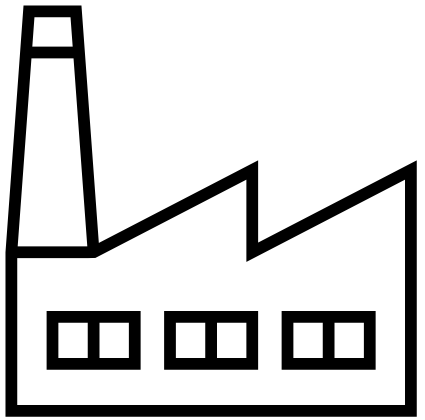
If the **Assessed Value** is $200,000 and the **Sale Price** is $200,000 then the **Ratio** = 1
($200,000 ÷ $200,000 = 1)

If the **Assessed Value** is $200,000 and the **Sale Price** is $250,000 then the **Ratio** = .8
($200,000 ÷ $250,000 = .80)

City declared 100% from 2007 to 2020

Assessing Goals:

100%



Single Family

100%

Multi-family

100%

Commercial & Industrial

100%

Land

<u>Ideal</u> – Classes are in balance

All property is assessed at market value, this is the goal.

*When classes are **not** in balance adjustments may be required to the declared ratio, assessed values, or <u>both</u>*

Consequences to the residential property owner when the certified ratio drops…

The value of all *partial* exemptions must be adjusted to the declared ratio, meaning the tax benefit to the property owner is lessened:

	100%	tax reduction	93%	tax reduction	78%	tax reduction
Homestead	$25,000	$568.75	$23,250	$528.94	$19,500	$443.63
Veterans	$6,000	$136.50	$5,580	$126.95	$4,680	$106.47

66 Webster St	2 Family	$375,000	9/27/2023	$196,300	0.52
N=6				Average Ratio	0.47
				Median Ratio	0.5

MF Sale prices are, *on average,* selling $178,000 over the assessed value.

Assessing Choices

When assessed value and market value are not equal, options are;

Lower the ratio:

- The mil rate will likely increase.
- We lose taxable value. For example: We lost $22,400,000 in personal property value in 2023 due to ratioing at 93%. Value is lost in other value categories as well, such as utility assessments and more.
- We do not correct equity issues, leading to increased risk of high value abatement requests.
- The exemption value decreases for taxpayers. For example, the homestead exemption is decreased from the its full value $25,000 to $23,250.

Make market adjustments:

- We correct ***equity*** between property classes and decrease our exposure to high value abatements.
- Assuming a stable budget, we are likely to decrease or hold the mil rate.
- Moderates future market adjustments. Prevents, “falling off a ratio cliff”. For example: due to market adjustments in 2022 and 2023 we lessened a potential ratio drop in 2024.
- Preserves the value of exemptions for taxpayers (see next slide)
- Maintains the overall certified ratio.
- No additional loss of personal property/new assessment value (the overall taxable value base is stable)

OPTION #1 A COMPLETE REVALUATION

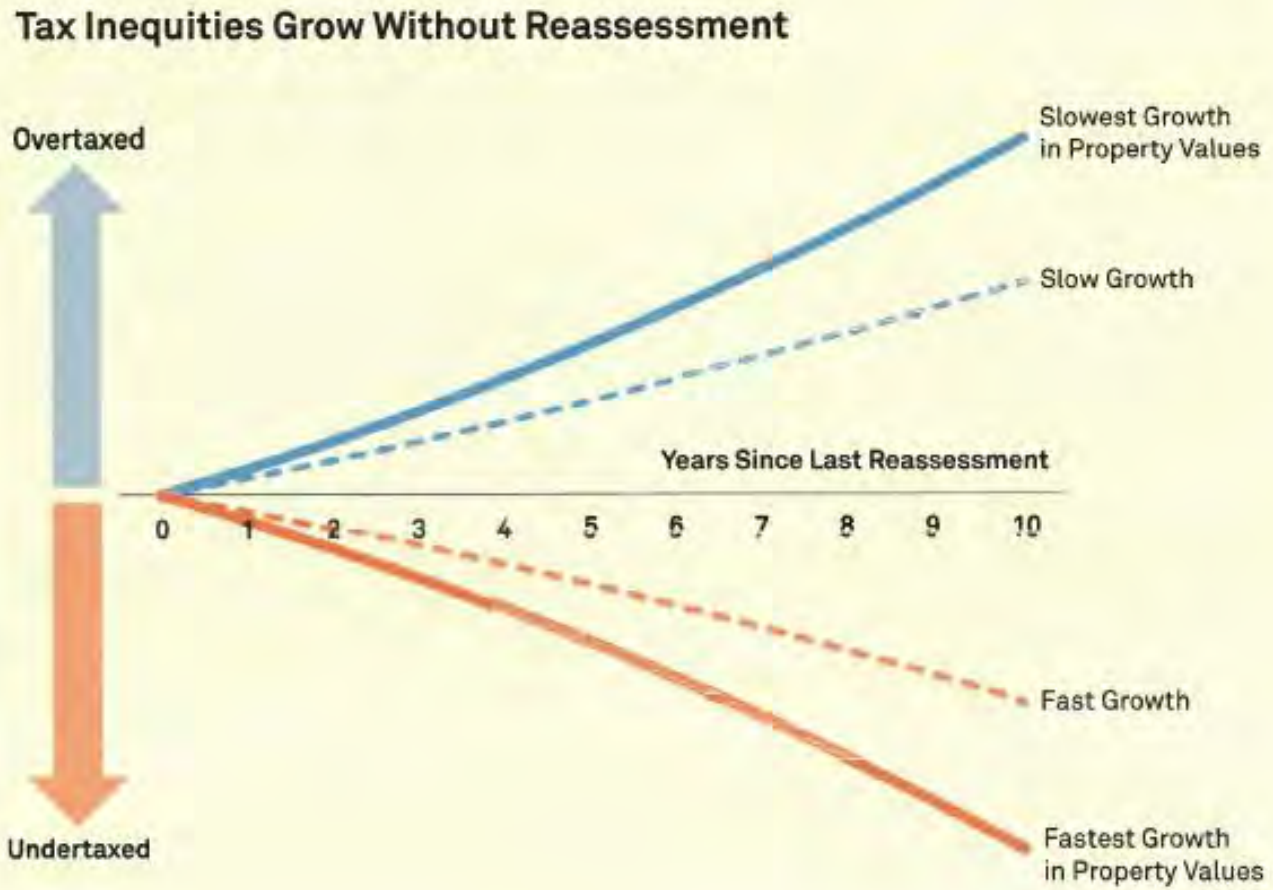
Where are we now?

- Sales ratios are dropping, the equity gap is widening.
- Under current market conditions we will likely be making both ratio and market adjustments for the foreseeable future.

Where we want to be

- At or near **100% overall ratio.**
- **Equalization** brings all classes of properties to a ratio of 100% and substantially increases the taxable valuation base.
- "**Flat**" market adjustments improve equity but are a temporary fix only.

How do we achieve it?



- *A **complete revaluation** of both real and personal property is highly recommended.*
- *All cost and land tables would be updated. Any existing equity issues would be eliminated, and the certified ratio would be back at ~100%.*

The best outcome

Quality Assessment Practices Are Essential for Tax Fairness

Accurate assessments are essential for equity under a market-value property tax system. Without them, the distribution of property taxes becomes unfair and arbitrary. Assessment accuracy depends on regular revaluations, and it is enhanced by modern valuation techniques, state oversight of local assessing offices, and effective appeals systems.

The most common cause of inaccurate assessments is that too much time has passed since the last revaluation. The longer a jurisdiction goes without reassessing property values, the greater the tax inequities. Properties with the slowest growth in values (or largest declines) become increasingly overtaxed. Properties with the fastest growth become increasingly undertaxed.

In our CAMA, value is driven by: **Land** Tables, **Building** Tables, and **Depreciation**.
All must be accurate to produce credible valuation.

Current Occupation: EFDA

Previous Occupation (if retired or no longer working):

Education and/or experience: Associate member of the Planning Board

Please check which board or committee you are interested in serving on. Individual applications for each board or committee (if you wish to serve on more than one).: Planning Board

OTHER (Ad-Hoc Committees not on the list above):: LVRC

This application is for a... (choose one): Desire to move from an alternate/associate to full member

Briefly describe why you want to serve on a board/committee (1,000 character limit): I am applying to be a full term member of the planning board, after being an associate member for the past year. I have attended every meeting and workshop. I have also attended classes that were offered after hours to help benefit my understanding of a planning board member and goals. Meeting after meeting I have listened and evaluated information and opinions from Auburn citizens, city staff, and other planning board members over the past year as an associate member. This past year has really made me aware of the information that has been gathered and delivered from all angles in order to make a smart decision at hand based on the comprehensive plan. Taking politics and ideology out of the decision making process. I focus on making a logical approach versus an emotional argument. I have lived in Auburn for 8+ years and am raising my young son here. I am invested within our community and I want to continue to provide this service to my community going forward.

What do you hope to accomplish?: I understand that I am a diverse individual to our current planning board and I want to continue this going forward. I know that with my presents on the board I am representing many of our unrepresented citizens of the City of Auburn, who may not have the experience navigating policies of local government. I want to help provide a balanced chance at grasping opportunities within my community.

Are you presently serving on a City or Community Board or Committee? If so, which one(s)?: Planning Board

Have you previously served on a City or Community Board or Committee? If so, which one(s)?: Planning Board

Dates served (if known): January 2023- current

How did you learn of this vacancy?: City Website

This application is for a... (choose one): Reappointment

Briefly describe why you want to serve on a board/committee (1,000 character limit): On a warm summer's evening, on a train bound for nowhere I met up with the gambler. We were both too tired to sleep. He began to speak He said, "Son, I've made a life out of readin' people's faces, knowin' what the cards were by the way they held their eyes. So if you don't mind my sayin' I can see you're out of aces. For a taste of your whiskey I'll give you some advice. If you're gonna play the game boy, you gotta learn to play it right. Every gambler knows that the secret to survivin' is knowin' what to throw away and knowin' what to keep. 'Cause every hand's a winner and every hand's a loser. I found an ace that I could keep. You've got to know when to hold 'em. Know when to fold 'em. Know when to walk away and know when to run. You never count your money when you're sittin' at the table. There'll be time enough for countin' when the dealin's done. If you change your mind, I?m the first in line. Honey I?m still free, take a chance one me.

What do you hope to accomplish?: There is a young cowboy who lives on the range. For six long years I?ve been in trouble. I don?t care about the past, none of it was meant to last. It?s not who you?ve known, but who you?re knowin. Don?t you ever get to thinking for a second you?re irreplicable. I?ve been high and been low. Played the fool, and the star of the show. They were mine to keep. Over time, every lock will change. He?s so bad, but he does it so well. Standing at the ready with a dance or two still left in me.

Current Occupation: Cailler Painters - Owner

Previous Occupation (if retired or no longer working):

Education and/or experience: BA in Environmental Planning and Policy as well as my last four years on the Planning Board, one as an associate member and three as a full member.

Please check which board or committee you are interested in serving on. Individual applications for each board or committee (if you wish to serve on more than one).: Planning Board

OTHER (Ad-Hoc Committees not on the list above)::

This application is for a... (choose one): Reappointment

Briefly describe why you want to serve on a board/committee (1,000 character limit): I grew up in Auburn and plan to permanently reside in this community. When I originally applied to join the Planning Board I was looking for a way to participate in the public process. Since then my respect for that process has only grown. As such, I would like to continue contributing to that process and Auburn?s growth while also recognizing the characteristics that make it such a wonderful place to live.

What do you hope to accomplish?: In my opinion the most successful outcome I experienced in my time on the board was the work done on the Agricultural and Resource Protection zone. It was a collaborative process that involved as many stakeholders and members of the public as was possible in the (condensed by LD 2003) time allowed. If reappointed, I hope to accomplish more work that results in outcomes like that one.

Are you presently serving on a City or Community Board or Committee? If so, which one(s)?: Yes, Planning Board

Have you previously served on a City or Community Board or Committee? If so, which one(s)?: Yes, Planning Board

Dates served (if known): 2020- Present

How did you learn of this vacancy?: Situational awareness.

I certify that this information is true to the best of my knowledge and agree to the terms and conditions set forth above. By typing your full name below, you are "signing" this electronic application.: Riley Bergeron

Current Occupation: Code Enforcement Officer

Previous Occupation (if retired or no longer working):

Education and/or experience: Bachelor's Degree in Business; certification in Land Use Planning from the State of Maine; Prepare materials and provide ordinance expertise for planning board in Mechanic Falls, ME; Interpret and write ordinances as part of current employment

Please check which board or committee you are interested in serving on. Individual applications for each board or committee (if you wish to serve on more than one).: Planning Board

OTHER (Ad-Hoc Committees not on the list above)::

This application is for a... (choose one): New appointment

Briefly describe why you want to serve on a board/committee (1,000 character limit): I've been increasingly more involved in Auburn city government, both through various committees and as a citizen advocate, and I believe my experiences and skillsets are most applicable to a board such as the planning board. There are not many capable of analyzing complex site plans and interpreting ordinances effectively, and I just so happen to do this for a living in a different town, so I apply for this position as a citizen willing to serve my own community in this capacity.

What do you hope to accomplish?: I hope to bring a neutral and fair perspective to the planning board. I have a deep understanding of the rules, policies, and statutes around how a planning board should operate and what is expected from individual members, and it's my goal to display this understanding through my own actions and words. I also hope to bring forth ideas on how to solve potential and existing issues within our ordinances.

Are you presently serving on a City or Community Board or Committee? If so, which one(s)?: N/A

Have you previously served on a City or Community Board or Committee? If so, which one(s)?: Yes; Mayor's ADHOC committee to create shovel ready building plans; Citizens for Sensible Growth

Dates served (if known): All within last two years

How did you learn of this vacancy?: While watching the December 18th council meeting on YouTube.

City of Auburn
City Council Information Sheet

Council Workshop or Meeting Date: January 16, 2024 **Order:** 11-01162024

Author: Sue Clements-Dallaire, City Clerk

Subject: Appointment of the Registration Appeals Board Chair

Information: In a city or town that has a population of 5,000 or more, if a person is aggrieved by the decision of the registrar of voters to cancel that person's registration in the central voter registration system or to reject that person's voter registration application, that person may appeal in writing to the registration appeals board.

The members of the board are nominated by the municipal committees of the major political parties who are then appointed by the Municpal Officers. Each member shall serve a term of 3 years. The chair of the board is nominated by the municipal clerk and appointed by the municipal officers and shall serve a 4 year term.

City Budgetary Impacts: None

Staff Recommended Action: Motion to appoint Barbara (Bonnie) Lounsbury to serve as the Chair of the Registration Appeals Board, a 4 year term, as nominated by the City Clerk.

Previous Meetings and History: N/A

City Manager Comments:

I concur with the recommendation. Signature: Phillip Crowell J.

Attachments: Barbara (Bonnie) Lounsbury's application, State statute, and Order

From: donotreply@auburnmaine.gov

The following form has been submitted by an end-user of the website: Board/Committee Application

First Name: Barbara (Bonnie)

Middle Initial: B

Last Name: Lounsbury

Residence Address: 505 West Auburn Rd

Ward: Ward 1

City: Auburn

Home Phone: 207-713-3993

Cell Phone: 207-713-3993

E-mail Address: Bebl2005@yahoo.com

Current Occupation: Retired

Previous Occupation (if retired or no longer working): Farmer, lawyer, land trust director

Education and/or experience: J.D.; experience in local elections as poll watcher, distributing ballots, canvassing, writing fact sheets on how to vote absentee

Please check which board or committee you are interested in serving on. Individual applications for each board or committee (if you wish to serve on more than one).: Citizens Advisory Committee

OTHER (Ad-Hoc Committees not on the list above):: Registration appeal board

This application is for a... (choose one): New appointment

Briefly describe why you want to serve on a board/committee (1,000 character limit): I have always believed that Maine had open and honest elections based on statutes that encourage people to vote. In theory, there should be little need for this committee. I see it as a safeguard so that the public can continue to have faith in our system of voting. I saw how much people valued the right to vote during the Obama elections when I monitored voting on behalf of a Democratic lawyers group at a polling place in Lewiston . Many questions arose for people who were new voters . With my Republican counterpart we answered questions for the clerks and voters. It may seem ridiculously old fashioned today, but we - Republican and Democrat- agreed on each decision and were both encourged by the enthusiasm of voters.

What do you hope to accomplish?: To make sure that any questions are resolved in a way that is non partisan and preserves the integrity of the voting process

Are you presently serving on a City or Community Board or Committee? If so, which one(s)?: No

Have you previously served on a City or Community Board or Committee? If so, which one(s)?: Many years ago- comprehensive plan committee, recycling committee

Dates served (if known):

How did you learn of this vacancy?: Mayor?s announcement

I certify that this information is true to the best of my knowledge and agree to the terms and conditions set forth above. By typing your full name below, you are "signing" this electronic application.: Barbara B. Lounsbury

Date of Electronic Signature: 01042024

§103. Registration appeals board

In a city or town that has a population of 5,000 or more, if a person is aggrieved by the decision of the registrar of voters to cancel that person's registration in the central voter registration system or to reject that person's voter registration application, that person may appeal in writing to the registration appeals board. The appeal must be filed within 30 days after receipt of notice of the registrar's decision.
[PL 2019, c. 371, §4 (AMD).]

1. Population of 5,000 or over. The registration appeals board consists of 3 members who must be appointed as follows: The municipal committee of each of the major political parties shall nominate one member, who must be enrolled in the party of the municipal committee that nominates the member, and the municipal officers shall appoint the persons nominated by the municipal committees and the 3rd member must be nominated by the clerk of the municipality and appointed by the municipal officers. The clerk of the municipality may give the municipal committees of the political parties a list of qualifications necessary for a person to fulfill the duties of the registration appeals board, and the municipal committees shall take those qualifications into consideration when nominating members to the board. The 2 members of the board nominated by the municipal committees of the major political parties may be members of the municipal committee nominating them and of the county or state committees of the political party that nominates them and may be members of a state or county delegation to a political convention. When a municipal committee nominates a member to the registration appeals board, it shall also nominate an alternate board member, who serves if the member nominated by the municipal committee is or becomes unable to serve. The municipal clerk may not serve as a member or alternate member of the registration appeals board.
[PL 1997, c. 436, §19 (AMD).]

2. Population of 4,000 to 5,000.
[PL 1999, c. 426, §4 (RP).]

3. Term of office. Each member nominated by the municipal committees of the major political parties and appointed to the board shall serve for 3 years and until the member's successor is appointed and sworn. The member nominated by the clerk of the municipality and appointed to the board shall serve for 4 years and until that member's successor is appointed and sworn.
[PL 1995, c. 459, §8 (AMD).]

4. Chair of the board. The member nominated by the clerk of the municipality is chair of the board.
[RR 2019, c. 2, Pt. B, §35 (COR).]

5. Vacancy. When there is a vacancy on the board, the alternate board member nominated by the municipal committee of the political party of the former incumbent shall serve. If an alternate is not available, the municipal officers shall appoint a qualified person nominated by the municipal committee of the party of the former incumbent to fill the vacancy. If the vacancy is in the office of the chair of the board, the municipal officers shall appoint a qualified person nominated by the clerk of the municipality to fill the vacancy. Vacancies must be filled for the remainder of the term of office.
[PL 1991, c. 466, §2 (AMD).]

6. Appeal hearing. Upon receipt of a complaint by a person aggrieved by the decision of the registrar, the chair of the registration appeals board shall immediately fix a time and place for the board to meet for a prompt hearing. The voter must be given written notice of the hearing at least 20 days in advance and must have the opportunity to testify and to present witnesses and other evidence at the hearing. The hearing is de novo. After hearing, the board may affirm, modify or reverse the decision of the registrar of voters. The board shall issue the decision to the voter in writing and shall provide

information on how the voter may appeal the decision. The aggrieved person may appeal the decision of the board to the Superior Court in accordance with Rule 80B of the Rules of Civil Procedure.
[PL 2009, c. 253, §9 (AMD).]

7. Actions of the registration appeals board. A registration appeals board may only act by unanimous or majority action.
[PL 1995, c. 459, §10 (RPR).]

8. Removal from office. A member of the board may be removed from office at any time during the member's term by the appointing authority if the appropriate nominating authority nominates a replacement. Any replacement member shall serve out the remainder of the replaced member's term.
[PL 1995, c. 459, §11 (AMD).]

SECTION HISTORY

ORDER 11-01162024

City Council Order

IN CITY COUNCIL

Ordered, that the City Council hereby appoints Barbara (Bonnie) Lounsbury to serve a 4-year term as Chair of the Registration Appeals Board as nominated by the Municipal Clerk.

Richard S. Whiting, Ward One
Benjamin J. Weisner, Ward Four
Belinda A. Gerry, At Large

Timothy M. Cowan, Ward Two
Leroy G. Walker, Sr., Ward Five
Jeffrey D. Harmon, Mayor

Stephen G. Milks, Ward Three
Adam R. Platz, At Large
Phillip L. Crowell, Jr., City Manager

IN COUNCIL REGULAR MEETING JANUARY 2, 2024, VOL. 37 PAGE 122

Mayor Harmon called the meeting to order at 7:00 P.M. in the Council Chambers of Auburn Hall and led the assembly in the salute to the flag. Councilor Milks had an excused absence. Mayor Harmon and all other Councilors were present.

Pledge of Allegiance

I. Consent Items – All items with an asterisk (*) are considered routine and will be enacted by one motion. There will be no separate discussion of these items unless a Council member or a citizen requests, in which event, the item will be removed from the Consent Agenda and considered in its normal sequence on the agenda.

1. Order 01-01022024*
Confirming Chief Moen's appointment of Aaron Briere, Dalton Geisel, and Ronald Seguin as Constable with firearm/arrest powers for the Auburn Police Department.

2. Order 02-01022024*
Authorizing the City Clerk to waive the $200 business license fee for the food service license for the Danville Junction Grange #65.

3. Order 03-01022024*
Setting the time to open the polls at 7:00 a.m. for all 2024 Auburn Elections.

Motion was made by Councilor Gerry and seconded by Councilor Walker for passage of the three consent items.

Passage 6-0.

II. Minutes – December 18, 2023, Regular Council Meeting

Motion was made by Councilor Walker and seconded by Councilor Platz to approve the minutes of the December 18, 2023, Regular Council Meeting as corrected.

Passage 6-0.

III. Communications, Presentations and Recognitions – None

IV. Open Session – No one from the public spoke.

V. Unfinished Business - None

VI. New Business

1. Ordinance 01-01022024
Amending Chapter 60 of the zoning ordinance to include Effective Date and Applicability Date of Ordinance #26-11202023. First reading.

Motion was made by Councilor Whiting and seconded by Councilor Gerry for passage.

Public comment – Stephen Beale, 575 Johnson Road spoke in favor noting that delaying this will allow time for the city to evaluate the quality of the soil and he also spoke regarding the 100-foot buffer adding that it should be continued or made part of further discussion.

Pam Rousseau, 745 West Auburn Road stated that she agreed with the comments made by Stephen Beale 100% and wanted to point out concerns she has with the nearness to the watershed and number of cars going through the watershed. She said she would like that to also be considered.

Keri Myrick, 1010 Summer Street stated that she supports Mr. Beales position regarding to looking at the topography of the gravel pit. She noted that we should take some time and err on the side of caution.

Passage 6-0. A roll call vote was taken.

2. **Ordinance 02-01022024**
Amending Chapter 60 of the zoning ordinance to include Effective Date and Applicability Date of Ordinance #28-11202023. First reading.

*Motion was made by Councilor Cowan and seconded by Councilor Walker to table this item.

Passage 6-0.

3. **Order 04-01022024**
Authorizing the City Manager to direct staff to work with the Agriculture Working Group, Sustainability & Natural Resource Board, LAWPC, the Planning Board, and public stakeholders to review the adopted amendments and recommend any changes back to the City Council.

Motion was made by Councilor Gerry and seconded by Councilor Walker for passage.

Public comment – Kathy Shaw, Valley View Farm Sopers Mill Road in Auburn, and Chair of the Natural Products and Ag work group said she looks forward to working with the City Council and staff. She stated that they hold their scheduled monthly meetings on the last week of the month and meetings are held at the Auburn Senior Center.

Stephen Beale, 575 Johnson Road spoke in support of the order and stated that he looks forward to working with staff and consultants who may be relevant to these items.

Motion was made by Councilor Weisner and seconded by Councilor Walker to amend by inserting at end of first sentence in the third paragraph the following language "***no later than the second regular City Council meeting in April 2024***".

Passage 6-0.

Passage of Order 04-01022024 as amended 6-0.

4. **Order 05-01022024**

Authorizing staff to waive the permit fees for storm damage repairs.

Motion was made by Councilor Walker and seconded by Councilor Whiting for passage.

Public comment – No one from the public spoke.

Passage 6-0.

5. **Order 06-01022024**
Approving the allocation of an additional $1,000,000.00 from the FY2022 Undesignated Fund Balance.

Motion was made by Councilor Walker and seconded by Councilor Cowan for passage.

Public comment – Ben Lounsbury pointed out that the agenda used language "undesigned" and should be "undesignated".

Kathy Shaw, Sopers Mill Road asked what this does to our fund balance.

Pam Rousseau, 745 West Auburn Road asked if this money can go toward things such as the unhoused or affordable housing moving forward.

Passage 6-0.

VII. Open Session – No one from the public spoke.

VIII. Reports

Mayor Harmon thanked the E911 Center, the Fire, Police and Public Works Departments for their work during the flooding event. He thanked the city staff for putting on such a great New Years Eve event, adding that he received many positive comments and lots of people really liked the drone show. Last, he mentioned that there are several board and committee vacancies listed on our website, applications are due by Jan. 4th as the Appointment Committee will be meeting within the next week to consider the applications.

Councilor Platz reported on the School Committee meeting held a few weeks ago. He said there will be another meeting tomorrow, and he will be attending the first Finance meeting of the School Department.

Councilor Walker reported on the New Year's Eve event that the Age Friendly Committee put on. He said they had a nice luncheon and a good turnout. He announced that there will be an Age Friendly Meeting next Tuesday at 5:30 pm at the Senior Center.

Councilor Weisner reported that he had a great time attending the Airport gathering, he looks forward to working with the board in the future.

Councilor Cowan stated that he hasn't had any committee meetings yet, but he is looking forward to those.

Councilor Whiting echoed comments and thanks to the Public Works Department and other staff for their work during the wind and rainstorm.

Councilor Gerry also echoed the great job our city staff did handling the storm. She also thanked our community and neighbors.

City Manager Crowell provided an update on storm recovery. He said that he has received feedback from tree crews and CMP that staff did a great job preparing and assessing sites for damage. He thanked the vendors and sponsors that helped make the New Year's Eve event happen. The anticipated attendance was over 5,000. Staff will provide Council with a report of the event with more accurate numbers.

IX. Executive Sessions – None

VIII. Adjournment

Motion was made by Councilor Cowan and seconded by Councilor Whiting to adjourn.

Unanimously approved and the meeting adjourned at 7:33 pm.

*The meeting adjourned without a motion to take proposed Ordinance 02-01022024 from the table.

A TRUE COPY ATTEST Susan Clements-Dallaire

Susan Clements-Dallaire, City Clerk

City of Auburn
City Council Information Sheet

Council Workshop or Meeting Date: January 16, 2024 **Order:** 12-01162024

Author: Alison F. Pepin, Deputy City Clerk

Subject: Burnt Ends Barbecue, LLC., 120 Center Street

Information: Burnt Ends Barbecue, LLC., 120 Center Street, a new business in Auburn, applied for a new Liquor License. Police and Code have granted approval; there are no outstanding taxes owed. The Fire Department approves with the understanding that licenses will not be issued until their department approves the final Certificate of Occupancy. Once a final inspection is completed, all necessary paperwork has been submitted, and the Fire Department is satisfied that the space meets the intent of the code, licenses will be released.

STATE OF MAINE
DEPARTMENT OF ADMINISTRATIVE AND FINANCIAL SERVICES
BUREAU OF ALCOHOLIC BEVERAGES AND LOTTERY OPERATIONS
DIVISION OF LIQUOR LICENSING AND ENFORCEMENT

TELEPHONE: (207) 624-7220
FAX: (207) 287-3434
EMAIL INQUIRIES: maineliquor@maine.gov

Thank you for your interested in becoming a licensed establishment to sell and serve alcoholic beverages in Maine. To avoid any delay in the processing of your application and the subsequent issuance of your liquor license, please use the following checklist to assist you in completing the application. If you are renewing your license, this checklist is useful as well.

- ☐ Your application has been completed in its entirety and is legible. For a renewal, please submit your application 30 days prior to the expiration date of your liquor license.
- ☐ Your application is signed and dated by a duly authorized person.
- ☐ The application is signed and approved by the Town or City Municipal Officers or County Commissioners.
- ☐ The license fee submitted is for the correct fee for the license class for which you are applying and includes the $10.00 filing fee.
  - ☐ The check must be made payable to "Treasurer, State of Maine"; both the license and filing fees can be submitted on one check.
  - ☐ If the licensee/applicant(s) is in an unorganized township, the application must be approved by the County Commissioners and the $10.00 filing fee must be paid to them. Please be sure to include a copy of the receipt of payment with your application.
- ☐ For a renewal, the dollar amount of your gross income for food, liquor and guest rooms, if applicable must be completed – see Section I.1
- ☐ A diagram of the facility to be licensed must accompany **all** applications whether for a new license or the renewal of an existing license
- ☐ If you are a registered business entity with the Maine Secretary of State's office like a corporation or a limited liability company, you must complete Section VII of the application. This does not need to be completed if you are a sole proprietor.
- ☐ Have you applied for other required licensing from other state and federal agencies? See attached list.

Important – all applications whether for a new license or to renew an existing license for an on-premises liquor licenses must contact their Municipal Officials or the County Commissioners in unincorporated places to have their application approved and signed prior to submitting it to the Bureau for further consideration.

The address to send your completed application to:

1. Mailing address:

Section III: For use by Municipal Officers and County Commissioners only

The undersigned hereby certifies that we have complied with the process outlined in 28-A M.R.S. §653 and approve this on-premises liquor license application.

Dated: _____

Who is approving this application? ☐ Municipal Officers of _____

☐ County Commissioners of _____ County

☐ **Please Note:** The Municipal Officers or County Commissioners must confirm that the records of Local Option Votes have been verified that allows this type of establishment to be licensed by the Bureau for the type of alcohol to be sold for the appropriate days of the week. Please check this box to indicate this verification was completed.

Signature of Officials	Printed Name and Title

This Application will Expire 60 Days from the date of Municipal or County Approval unless submitted to the Bureau

Included below is the section of Maine's liquor laws regarding the approval process by the municipalities or the county commissioners. This is provided as a courtesy only and may not reflect the law in effect at the time of application. Please see http://www.mainelegislature.org/legis/statutes/28-A/title28-Asec653.html

§653. Hearings; bureau review; appeal

1. Hearings. The municipal officers or, in the case of unincorporated places, the county commissioners of the county in which the unincorporated place is located, may hold a public hearing for the consideration of applications for new on-premises licenses and applications for transfer of location of existing on-premises licenses. The municipal officers or county commissioners may hold a public hearing for the consideration of requests for renewal of licenses, except that when an applicant has held a license for the prior 5 years and a complaint has not been filed against the applicant within that time, the applicant may request a waiver of the hearing.

A. The bureau shall prepare and supply application forms.

B. The municipal officers or the county commissioners, as the case may be, shall provide public notice of any hearing held under this section by causing a notice, at the applicant's prepaid expense, stating the name and place of hearing, to appear on at least 3 consecutive days before the date of hearing in a daily newspaper having general circulation in the municipality where the premises are located or one week before the date of the hearing in a weekly newspaper having general circulation in the municipality where the premises are located.

C. If the municipal officers or the county commissioners, as the case may be, fail to take final action on an application for a new on-premises license or transfer of the location of an existing on-premises license within 60 days of the filing of an application, the application is deemed approved and ready for action by the bureau. For purposes of this paragraph, the date of filing of the application is the date the application is received by the municipal officers or county commissioners. This paragraph applies to all applications pending before municipal officers or county commissioners as of the effective date of this paragraph as well as all applications filed on or after the effective date of this paragraph. This paragraph applies to an existing on-premises license that has been extended pending renewal. The municipal officers or the county commissioners shall take final action on an on-premises license that has been extended pending renewal within 120 days of the filing of the application.

D. If an application is approved by the municipal officers or the county commissioners but the bureau finds, after inspection of the premises and the records of the applicant, that the applicant does not qualify for the class of license applied for, the bureau shall notify the applicant of that fact in writing. The bureau shall give the applicant 30 days to file an amended application for the appropriate class of license, accompanied by any additional license fee, with the municipal officers or county commissioners, as the case may be. If the applicant fails to file an amended application within 30 days, the original application must be denied by the bureau. The bureau shall notify the applicant in writing of its decision to deny the application including the reasons for the denial and the rights of appeal of the applicant.

2. Findings. In granting or denying an application, the municipal officers or the county commissioners shall indicate the reasons for their decision and provide a copy to the applicant. A license may be denied on one or more of the following grounds:

A. Conviction of the applicant of any Class A, Class B or Class C crime;

B. Noncompliance of the licensed premises or its use with any local zoning ordinance or other land use ordinance not directly related to liquor control;

C. Conditions of record such as waste disposal violations, health or safety violations or repeated parking or traffic violations on or in the vicinity of the licensed premises and caused by persons patronizing or employed by the licensed premises or other such conditions caused by persons patronizing or employed by the licensed premises that unreasonably disturb, interfere with or affect the ability of persons or businesses residing or located in the vicinity of the licensed premises to use their property in a reasonable manner;

D. Repeated incidents of record of breaches of the peace, disorderly conduct, vandalism or other violations of law on or in the vicinity of the licensed premises and caused by persons patronizing or employed by the licensed premises;

D-1. Failure to obtain, or comply with the provisions of, a permit for music, dancing or entertainment required by a municipality or, in the case of an unincorporated place, the county commissioners;

E. A violation of any provision of this Title;

F. A determination by the municipal officers or county commissioners that the purpose of the application is to circumvent the provisions of section 601; and

G. After September 1, 2010, server training, in a program certified by the bureau and required by local ordinance, has not been completed by individuals who serve alcoholic beverages.

3. Appeal to bureau. Any applicant aggrieved by the decision of the municipal officers or county commissioners under this section may appeal to the bureau within 15 days of the receipt of the written decision of the municipal officers or county commissioners. The bureau shall hold a public hearing in the city, town or unincorporated place where the premises are situated. In acting on such an appeal, the bureau may consider all licensure requirements and findings referred to in subsection 2.

A. Repealed

B. If the decision appealed from is an application denial, the bureau may issue the license only if it finds by clear and convincing evidence that the decision was without justifiable cause.

4. Repealed

5. Appeal to District Court. Any person or governmental entity aggrieved by a bureau decision under this section may appeal the decision to the District Court within 30 days of receipt of the written decision of the bureau.

An applicant who files an appeal or who has an appeal pending shall pay the annual license fee the applicant would otherwise pay. Upon resolution of the appeal, if an applicant's license renewal is denied, the bureau shall refund the applicant the prorated amount of the unused license fee.

Section IV: Terms and Conditions of Licensure as an Establishment that sells liquor for on-premises consumption in Maine

- The licensee/applicant(s) agrees to be bound by and comply with the laws, rules and instructions promulgated by the Bureau.
- The licensee/applicant(s) agrees to maintain accurate records related to an on-premise license as required by the law, rules and instructions promulgated or issued by the Bureau if a license is issued as a result of this application.
    - The licensee/applicant(s) authorizes the Bureau to obtain and examine all books, records and tax returns pertaining to the business, for which this liquor license is requested, and also any books, records and returns during the year in which any liquor license is in effect.
- Any change in the licensee's/applicant's licensed premises as defined in this application must be approved by the Bureau in advance.
- All new applicants must apply to the Alcohol and Tobacco Tax and Trade Bureau (TTB) for its Retail Beverage Alcohol Dealers permit. See the TTB's website at https://www.ttb.gov/nrc/retail-beverage-alcohol-dealers for more information.

Section V: Fee Schedule

Filing fee required. In addition to the license fees listed below, a filing fee of $10.00 must be included with all applications.

Please note: For Licensees/Applicants in unorganized territories in Maine, the $10.00 filing fee must be paid directly to County Treasurer. All applications received by the Bureau from licensees/applicants in unorganized territories must submit proof of payment was made to the County Treasurer together with the application.

Class of License	Type of liquor/Establishments included	Fee

Class XI	**For the sale of liquor (malt liquor, wine and spirits)** This class includes only a Restaurant Lounge	$1,500.00

Section VI Premises Floor Plan

In an effort to clearly define your license premise and the areas that consumption and storage of liquor authorized by your license type is allowed, the Bureau requires all applications to include a diagram of the premise to be licensed.

Diagrams should be submitted on this form and should be as accurate as possible. Be sure to label the following areas: entrances, office area, coolers, storage areas, display cases, shelves, restroom, point of sale area, area for on-premise consumption, dining rooms, event/function rooms, lounges, outside area/decks or any other areas on the premise that you are requesting approval. Attached an additional page as needed to fully describe the premise.

Section VII: Required Additional Information for a Licensee/Applicant for an On-Premises Liquor License Who are Legal Business Entities

Questions 1 to 4 of this part of the application must match information in Section I of the application above and match the information on file with the Maine Secretary of State's office. If you have questions regarding your legal entity name or DBA, please call the Secretary of State's office at (207) 624-7752.

All Questions Must Be Answered Completely. Please print legibly.

1. Exact legal name: Burnt Ends Barbeque
2. Doing Business As, if any: _____
3. Date of filing with Secretary of State: 12/17/2021 State in which you are formed: Maine
4. If not a Maine business entity, date on which you were authorized to transact business in the State of Maine: n/a
5. List the name and addresses for previous 5 years, birth dates, titles of officers, directors, managers, members or partners and the percentage ownership any person listed: (attached additional pages as needed)

Name	Address (5 Years)	Date of Birth	Title	Percentage of Ownership
Jill Cunningham	15 Old Greenfield, New	12/6/81	Owner	100%

(Ownership in non-publicly traded companies must add up to 100%.)

Criminal History Record

Introduction

This criminal history record was produced in response to the following request (Produced on 2024-01-03) :

Inquiries Name(s) KIMBERLY PHINNEY (1970-12-13)

The information in this criminal history record is provided subject to the following caveats:

Important! When a criminal history record and juvenile crime information record check is processed by the State Bureau of Identification using personal identifiers such as name and date of birth, it is possible that the record supplied belongs to another person with the same or essentially similar name and date of birth. Confirmation that convictions relate to person whose record has been requested requires fingerprint comparison. If the information contained in this response will be used to disqualify an applicant for employment, housing, credit, or other benefits or programs, the person making the eligibility determination using this record should provide the applicant with an opportunity to complete or contest the accuracy of the criminal history information in the response. An individual may request amendment or correction of criminal history record information by a criminal justice agency pursuant to 16 M.R.S. section 709.

**THIS RESPONSE IS BEING PRODUCED FOR YOUR REQUEST SENT: 2024-01-03

This record, effective September 1, 2000, contains information relating to persons arrested as fugitives from justice, 15 M.R.S section 201.4 or arrested or charged with Maine crimes. It does not include former crimes no longer classified as criminal, or Class D and E crimes in Title 12 or Title 29-A, former Title 29, unless the crime is alcohol-related or drug-related 25 M.R.S. section 1541.4-A.A. For information regarding excluded Marine Resources crimes in Title 12, contact the Department of Marine Resources. For information regarding excluded Inland Fisheries and Wildlife crimes in Title 12, contact the Department of Inland Fisheries and Wildlife. For information relating to excluded crimes in Title 29-A former Title 29, contact the Secretary of State, Motor Vehicle Division. A list of former crimes is available from this Bureau.

City of Auburn
City Council Information Sheet

Council Workshop or Meeting Date: January 16, 2024 **Order:** 13-01162024

Author: Jason D. Moen, Chief of Police

Subject: Confirm Chief Moen's appointments of Constable without firearms/arrest powers for the Auburn Police Department and Constable without firearm/arrest powers (Private) within the City of Auburn.

Information: Chief of Police Moen requests that the Auburn City Council appoint Constables without Firearms/Arrest Powers on behalf of the Auburn Police Department and Constable without firearm/arrest powers (Private) to serve documents within the City of Auburn for 2024. The certificate of appointment on the original order said Civilian Process Servers instead of Constables. This order is to correct that language which is outlined in our Code of Ordinances.

City Budgetary Impacts: N/A

Staff Recommended Action: Recommend passage.

Previous Meetings and History: Order 171-12182023 was passed on Dec. 18, 2023, however it was discovered that the certificate of appointment should read constable, rather than Civilian Process Servers, and one name is being eliminated from the list as he is no longer available.

City Manager Comments:

I concur with the recommendation. Signature: Phillip Crowell Jr.

Council Workshop or Meeting Date: January 16, 2024 **Ordinances:** 03-01162024 through 05-01162024

Author: Sue Clements-Dallaire, City Clerk

Subject: Reinstating the Board of Assessment Review and the Zoning Board of Appeals and eliminating the Regulatory Advisory Board

---

Information: In 2021, Council voted to adopted the Regulatory Advisory Board to perform the responsibilities of the board of assessment review, and the zoning board of appeals. Staff is proposing to reinstate the Board of Assessment Review (with a few proposed amendments) and the Zoning Board of Appeals and eliminating the Regulatory Advisory Board.

City Budgetary Impacts: None

Staff Recommended Action: Discussion

Previous Meetings and History: Board of Assessment Review and Zoning Board of Appeals combined into the Regulatory Advisory Board in 2021. This was discussed during the January 2, 2024 City Council Workshop.

City Manager Comments:

I concur with the recommendation. Signature: Phillip Crowell Jr.

Attachments: Proposed ordinance amendment striking references to the Regulatory Advisory Board, and ordinances proposing the reinstatement of the Board of Assessment Review and Zoning Board of Appeals Ordinances.

City Council Order

IN CITY COUNCIL

AMENDING ARTICLE V, DIVISION 2, SECTIONS 2-430, 2-431, 2-433, 2-434, 2-435, AND 2-441 OF THE AUBURN CODE OF ORDINANCES STRIKING ALL LANGUAGE REFERENCING THE REGISTRATION BOARD OF APPEALS.

Be it Ordained, that the City Council hereby amends the code of ordinances Article V, Division 2, Sections 2-430, 2-431, 2-433, 2-434, 2-435, and 2-441 of the Auburn Code of Ordinances striking all language referencing the registration board of appeals as seen below.

Sec. 2-430. Membership; responsibility.

~~A board of regulatory advisory shall be appointed by the city council, consisting of seven members.~~

~~The purpose of the regulatory advisory board is to perform the responsibilities of the board of assessment review, board of appeals, and all other regulatory review functions as directed by the city council. The board shall develop such rules to govern its meetings (to include meetings dates and times) and operations as it deems advisable.~~

~~Persons appointed by the city council to serve on other boards, agencies, panels, and or commissions shall not serve concurrently on the regulatory advisory board.~~

(Code 1967, § 5-2.1; Ord. No. 04-02162021, 3-1-2021; Ord. No. 02-01032022, 1-18-2022)

Editor's note(s)—Ord. No. 04-02162021, adopted March 1, 2021 changed the title of § 2-430 from "membership; compensation of members" to "membership; responsibility."

Sec. 2-431. Term of members.

~~The initial terms of office of the members of the regulatory advisory board shall be staggered terms. The city council shall annually appoint one member to serve on the board for a three-year term. Their successors shall be appointed for three-year terms.~~

(Code 1967, § 5-2.2; Ord. No. 05-02162021, 3-1-2021)

Sec. 2-433. Quorum.

~~The regulatory board shall take no official action unless at least three members are present; provided, however, that a lesser number may adjourn the proceedings to a later time. When a regular member of the board is unable to participate in an appeal, the chair shall designate one of the alternate members to replace him.~~

(Code 1967, § 5-2.4; Ord. No. 07-02162021, 3-1-2021)

City Council Order

Sec. 2-434. Rules and regulations for conduct of hearings.

~~The regulatory board may establish such rules and regulations governing the conduct of hearings before it as it may deem necessary consistent with this Code and with state law.~~

(Code 1967, § 5-2.5; Ord. No. 08-02162021, 3-1-2021)

Sec. 2-435. Legal counsel.

~~The regulatory board may have legal counsel present during any appeal hearing to advise on points of law and to assist the board in drafting its final decision.~~

(Code 1967, § 5-2.6; Ord. No. 09-02162021, 3-1-2021)

~~**Sec. 2-441. Compensation of the regulatory board.**~~

~~All members of the regulatory board shall receive annually $600.00, payable quarterly.~~

(Ord. No. 41-11152021, 12-6-2021)

City of Auburn, Maine
Office of the Assessor
www.auburnmaine.gov | 60 Court Street
Auburn, Maine 04210
207.333.6601

January 2, 2024

Mayor Harmon and Members of the City Council,

The Regulatory Advisory Board was created in 2021, combining the Board of Assessment Review, the Zoning Board of Appeals, and adding all other regulatory review functions as directed by the City Council. The size of the new board was increased from 5 full members to 7. Prior to the creation of the new board the Board of Assessment Review had a 5 member board. In the time since the Regulatory Advisory Board was created 3 members whose terms ended chose not to serve again.

The Board of Assessment Review is a very specialized Board. Members require training to understand Title 36 governing valuation and tax abatement and appeal procedures. The Zoning Board of Appeals is also a specialized Board. They are responsible for hearing appeals concerning interpretation of zoning, decisions of the Code Enforcement Officers, and granting of variances. This requires training of a completely different nature. The Board of Assessment Review may hear an appeal once per year and many years there have been no appeals. The time commitment is not typically substantial.

To meet statutory requirements, it is crucial to have enough board members to hear tax appeals. It is the opinion of this office that if the Board of Assessment Review were reinstated as a separate Board a greater number of applicants may apply to fill the vacancies.

The Assessing Department has a pending application to the Regulatory Advisory Board. The current Board does not have enough members to constitute a quorum. Luckily a

request for an extension of time beyond the statutory 60 days was granted by the taxpayer, allowing enough time to follow the current procedures, find applicants and have them appointed by the City Council.

I believe we, as a municipality, have the responsibility to follow due process in a timely manner and I am requesting the City Council consider reinstating the Board of Assessment Review with the hope that this will encourage more applicants to fill the vacancies and avoid situations such as this. I appreciate your consideration.

Karen Scammon, CMA-4
Assessor
City of Auburn

Ordinance 04-01162024

City Council Order

IN CITY COUNCIL

AMENDING THE AUBURN CODE OF ORDINANCES, ARTICLE V, DIVISION 2, SEC. 2-430, 2-431, 2-432, 2-433, 2-434, 2-438, 2-441 TO REINSTATE THE BOARD OF ASSESSMENT REVIEW

BE IT ORDAINED, that the City Council hereby amends the Auburn Code of Ordinances, Article V, Division 2, sec. 2-430, 2-431, 2-432, 2-433, 2-434, 2-438, 2-441 to reinstate the Board of Assessment Review

DIVISION 2. - BOARD OF ASSESSMENT REVIEW
State Law reference— Board of assessment review, 36 M.R.S § 471-A and § 844-N.

Sec. 2-430. - Membership; responsibility.

A board of assessment review (the Board) shall be appointed by the city council, consisting of five regular members and three alternate members, to serve without compensation.

The purpose of the board of assessment review is to hear property tax appeals pursuant to Maine Statute. The Board shall develop such rules to govern its meetings (to include meetings dates and times) and operations as it deems advisable.

Sec. 2-431. - Term of members.

The initial terms of office of the members of the board of assessment review shall be staggered terms. The city council shall annually appoint members to serve on the board for three-year terms. Their successors shall be appointed for three-year terms.

Sec. 2-432. - Assessment review appeals procedure.

When written application is made by a taxpayer for a review of a refusal by the tax assessor to grant a request for an abatement, the board of assessment review shall, within 14 days of the receipt of such request, set a date for hearing, of which the applicant shall receive at least seven days' written notice. In its conduct of the hearing the Board shall act as an impartial panel to receive evidence from the appellant and the assessor, advocating for neither party in rendering a decision. The Board shall conform that decision to all applicable statutes. At such hearing the applicant shall have the right to be heard in person, to present witnesses, to examine the tax assessor and any witnesses presented on behalf of the Assessing Department, and to be represented by counsel. Upon the evidence presented, the Board shall determine whether the applicant has met their burden of proof and may grant such reasonable abatement of their assessment as it determines to be proper.

City Council Order

The board of assessment review must provide written notice of the decision on an appeal within 60 days of receiving the appeal unless the taxpayer agrees to an extension of the decision deadline.

Sec. 2-433. - Quorum.

The board of assessment review shall take no official action unless at least three members are present; provided, however, that a lesser number may adjourn the proceedings to a later time. When a regular member of the board is unable to participate in an appeal, the chair shall designate one of the alternate members to serve in place of any absent member.

Sec. 2-434. - Rules and regulations for conduct of hearings.

The board of assessment review may establish such rules and regulations governing the conduct of hearings before it as it may deem necessary consistent with this Code and with state law.

Sec. 2-435. - Legal counsel.

The board of assessment review may have legal counsel present during any appeal hearing to advise on points of law and to assist the board in drafting its final decision.

Ordinance 05-01162024

City Council Order

IN CITY COUNCIL

Amending Chapter 60, Article XV reinstating the Zoning Board of Appeals ordinance

Be it ordained, that the City Council hereby amends Chapter 60, Article XV by reinstating the Zoning Board of Appeals ordinance (attached).

Richard S. Whiting, Ward One
Benjamin J. Weisner, Ward Four
Belinda A. Gerry, At Large

Timothy M. Cowan, Ward Two
Leroy G. Walker, Sr., Ward Five
Jeffrey D. Harmon, Mayor

Stephen G. Milks, Ward Three
Adam R. Platz, At Large
Phillip L. Crowell, Jr., City Manager

ARTICLE XV. - BOARD OF APPEALS

DIVISION 1. - GENERALLY
DIVISION 2. - ORGANIZATION
DIVISION 3. - APPEALS PROCEDURE
DIVISION 4. - POWERS AND DUTIES
DIVISION 5. - JUDICIAL APPEAL
DIVISION 6. - SPECIAL APPEAL

DIVISION 1. - GENERALLY

Secs. 60-1116—60-1129. - Reserved.

Secs. 60-1116—60-1129. - Reserved.

DIVISION 2. - ORGANIZATION

Sec. 60-1130. - Membership.
Sec. 60-1131. - Term of office.
Sec. 60-1132. - Associate members.
Sec. 60-1133. - Jurisdiction.
Sec. 60-1134. - Board rules.
Sec. 60-1135. - Quorum.
Secs. 60-1136—60-1150. - Reserved.

Sec. 60-1130. - Membership.

There shall be a board of appeals consisting of up to seven members and two associate members appointed by the city council. Each member shall be at all times a resident of the city.

(Ord. of 9-21-2009, § 6.1A)

Sec. 60-1131. - Term of office.

The members and associate members of the board shall serve ~~no more than three consecutive~~ three-year terms.

(Ord. of 9-21-2009, § 6.1B)

Sec. 60-1132. - Associate members.

An associate member shall have a vote only in the event that one or more regular members of the board are absent or are disqualified from serving on a particular matter because of a conflict of interest.

(Ord. of 9-21-2009, § 6.1C)

Sec. 60-1133. - Jurisdiction.

The board of appeals shall have jurisdiction over:

(1) Interpretation of provisions of the zoning chapter called into question;

(2) Administrative appeals from decisions or lack thereof of the building inspector or code enforcement officer in regard to an application for a permit under the zoning chapter;

(3) The granting of variances from the requirements of the zoning chapter would cause undue hardship.

(Ord. of 9-21-2009, § 6.1D)

Sec. 60-1134. - Board rules.

The board shall adopt, and may from time to time amend, rules and regulations to govern the conduct of its business. The tape recording of the board's proceedings, the transcript of testimony, if any, and exhibits, together with all papers and requests filed in the proceedings, shall constitute the record. All decisions shall become a part of the record and shall include a statement of findings and conclusion and the appropriate order, relief or denial thereof.

(Ord. of 9-21-2009, § 6.1E)

Sec. 60-1135. - Quorum.

~~Five~~ A majority of appointed members **(minimum of 3)** shall constitute a quorum at any meeting.

(Ord. of 9-21-2009, § 6.1F)

Secs. 60-1136—60-1150. - Reserved.

DIVISION 3. - APPEALS PROCEDURE

Sec. 60-1151. - Petition.
Sec. 60-1152. - Public hearing.
Sec. 60-1153. - Decision.
Secs. 60-1154—60-1184. - Reserved.

Sec. 60-1151. - Petition.

Written petitions for appeal signed by any party in interest shall be filed in duplicate in the office of the municipal officer charged with enforcement of the zoning ordinance, together with the fee in the amount provided in the city fee schedule, within 30 days from the date of the decision or order. The municipal officer shall forward to the board of appeals, planning director, the chairman of the planning board and the city solicitor, one copy of such petition. The planning director, or in his absence, the chairman of the planning board, shall forward to the board of appeals as soon as possible any pertinent city planning information in his possession bearing on such appeal. The city solicitor shall forward to the board of appeals as soon as possible any pertinent legal information bearing on such appeal. Where no such information is received by the board of appeals by the time of the meeting at which such appeal is scheduled to be heard, it shall be presumed that none was available at that time. In any case in which such planning and legal information is received, it shall be summarized at the public hearing and an opportunity afforded for comment by those interested in the appeal.

(Ord. of 9-21-2009, § 6.2A)

Sec. 60-1152. - Public hearing.

(a) On each such petition, the board shall hold a public hearing, within 65 days of the filing of the appeal petition. Notice of the time, date, place, appellant name and subject of each such hearing shall be given by publication in a newspaper of general circulation in the city on two separate dates not more than 12 nor less than three days before the date of such hearing. Notification of the public hearing shall also be sent to the appellant, the planning director, the building inspector, the city manager and all owners of abutting property and property located directly across the street from the site of the property which is the subject of the appeal by mailing to them copies of such notice as published. Notices shall be mailed to such property owners at the addresses appearing for them in the then current property tax listing of the city. Failure of any property owner to receive such mail notice of any such public hearing shall not necessitate another hearing and shall not constitute grounds for objection by such property owner and shall not invalidate any action by the board of appeals on such appeal or application for variance.

(b) The chairman, or in his absence the acting chairman, shall preside at the public hearing. All hearings of the board of appeals shall be open to the public.

(c) The chairman shall open the hearing and determine whether a quorum of the board of appeals is present. For each appeal heard, the chairman shall summarize the nature of the appeal, identify all relevant information submitted, determine the board's jurisdiction and the appellant's standing, determine the parties to the action and proceed to accept oral and written testimony from the appellant and the public for and against the appeal. When all parties have been heard, the chairman shall close the hearing or, if additional time is needed, continue it to a later date.

(d) The chairman shall determine that the appellant has standing, that is, the right to appear as an appellant before the board. An appellant must hold title to the land, be part owner or have an option to buy or lease property and/or building, in order to have standing.

(e) The chairman shall determine the parties to the action. The appellant, municipal officers, planning board, abutting property owners, individuals who might be adversely affected by any decision and any member of the general public attending the meeting who has made specific statements concerning terms of the appeal, may be made party to the action.

(Ord. of 9-21-2009, § 6.2B)

Sec. 60-1153. - Decision.

(a) The decision of the board shall be made as soon as possible, but not later than 30 days of the public hearing, unless extended by mutual agreement of the board and appellant. Failure of the board to act within 30 days shall be deemed to be the denial of the petition sought, subject to judicial appeal.

(b) The board of appeals may by an affirmative vote of a majority of those members present amend or revise a decision of the building inspector, code enforcement officer or of any other municipal officer acting under the zoning ordinance. The board of appeals may permit variances from literal application of the zoning ordinance in accordance with the principles, conditions and procedures set forth in this chapter, subject to the duty of the board to promote the public health, safety, convenience and welfare and to adhere to the central intents and purposes of this chapter. Approval may be subject to conditions, modifications and restrictions as the board of appeals may deem necessary.

(c) The board shall keep a record of each appeal entertained, noting the date when received from the building inspector or code enforcement officer, the date of hearing, the applicant or appellant and the date of the decision. The board shall record by resolution the final disposition of every appeal. All of the foregoing shall be public records filed with the office charged with enforcement of the zoning ordinance. Notice of the decision shall be mailed within seven days to the applicant or appellant. Each notice shall specify that judicial appeals shall be made pursuant to the terms of section 60-1208

(d) The right to proceed under any variance or petition granted under the terms of this chapter, voted by the board of appeals, or under change in a decision of the building inspector, code enforcement officer or other municipal official voted by the board of appeals, shall expire if such right be not exercised beginning within six months from the date of such vote. If such right is not exercised within six months of the date of the vote, the board may grant a six-month extension without having to make another finding of hardship provided that:

(1) Conditions upon which the appeal was granted have not changed; and

(2) The appellant can show just cause for the delay in beginning the project.

(Ord. of 9-21-2009, § 6.2C)

Secs. 60-1154—60-1184. - Reserved.

DIVISION 4. - POWERS AND DUTIES

Sec. 60-1185. - Interpretation.
Sec. 60-1186. - Administrative appeals.
Sec. 60-1187. - Variance.
Secs. 60-1188—60-1207. - Reserved.

Sec. 60-1185. - Interpretation.

(a) Except as otherwise provided in this chapter, the board of appeals shall interpret provisions of the zoning ordinance which are called into question. Only persons with standing may appeal the denial of a permit which was based on provisions of the zoning ordinance.

(b) Where there is no evidence to the contrary, zoning ordinance language should be given its ordinary meaning. Statements of purpose may provide a key to the intent of zoning provision. In interpreting the ordinance, the board may request the advice of the city solicitor, the planning director or qualified experts in zoning law.

(Ord. of 9-21-2009, § 6.3A)

Sec. 60-1186. - Administrative appeals.

(a) The board of appeals may hear appeals in the administration of the zoning chapter in order to determine if the building inspector or code enforcement officer erred in granting or denying a permit. An applicant who is given no decision on a permit request, or who is denied a permit may appeal.

(b) If the board of appeals finds that the building inspector or code enforcement officer acted in error, it should order the error to be corrected.

(Ord. of 9-21-2009, § 6.3B)

Sec. 60-1187. - Variance.

(a) The board of appeals may grant a variance from the dimensional regulations and supplementary district regulations contained in the zoning chapter where the strict application of the ordinance, or a provision thereof, to the petitioner or property would cause undue hardship based on:

(1) The land in question cannot yield a reasonable return unless the variance is granted;

(2) The need for a variance is due to the unique circumstances of the property and not to the general conditions in the neighborhood;

(3) The granting of a variance will not alter the essential character of the locality; and

(4) The hardship is not the result of action taken by the appellant or a prior owner.

Variances granted under this subsection (a) shall be the minimum necessary to relieve hardship. The burden of proof is on the applicant to prove undue hardship.

(b) The board of appeals may grant a variance for the expansion, extension or enlargement of nonconforming buildings or uses provided that:

(1) The use being requested shall be approved by a majority of those members present (not less than a quorum being present).

(2) The board of appeals shall make findings that the requirements of subsection (a) of this section have been met.

(c) In addition to the criteria in this section, in determining whether or not to grant a variance, the board shall also take into consideration the following:

(1) Fire, electrical and police safety requirements;

(2) The adequacy of the traffic circulation system in the immediate vicinity;

(3) The availability of an adequate water supply;

(4) The availability of adequate sewerage facilities;

(5) Would not violate the environmental standards or criteria contained in the Overlay Zoning Districts;

(6) Would not adversely affect property adjoining the premises under appeal or nearby in the same neighborhood or in the same zoning district;

(7) Would not endanger the public health, safety or convenience; and

(8) Would not impair the integrity of the zoning chapter.

(d) Wherever necessary to meet the criteria or consideration listed in this division, the board, when granting a variance, may attach such conditions or restrictions as are in accordance with the objectives and purposes of this zoning chapter.

(e) The planning director, or his representative, shall be responsible for reviewing the records of hearings of the board of appeals. Such review shall be conducted on a monthly basis and shall be for the purpose of maintaining the zoning ordinance. The ordinance may be deemed to be in need of amendment when variances for identical purposes or reasons are applied for in a single zoning district or regarding a specific section of this chapter on three or more occasions within a given calendar year. In any case in which the zoning ordinances are deemed to be in need of amendment, the planning director or his representative shall prepare a report indicating whether the variances applied for suggest that the ordinance or the description of the zoning districts should be amended. Such reports shall be forwarded to the planning board for its review and recommendation.

(Ord. of 9-21-2009, § 6.3C)

Secs. 60-1188—60-1207. - Reserved.

DIVISION 5. - JUDICIAL APPEAL

Sec. 60-1208. - Superior court.
Secs. 60-1209—60-1234. - Reserved.

Sec. 60-1208. - Superior court.

Appeals from decisions of the city planning board or of the city zoning board of appeals or on account of the failure of any municipal official or board to comply with the order of the board of appeals shall be taken to the

superior court within 30 days of such decision or action in accordance with Rule 80B of the Maine Rules of Civil Procedure and 30-A M.R.S.A. § 2691(3). Except as otherwise provided by statute, every person shall have the right to inspect and copy any record of the board's proceedings, provided that, the inspection be scheduled to occur during regular hours and at such a time as will not inconvenience the regular activities of the office having custody of the record and provided further that the cost of copying the recorded or, if necessary, the translation of mechanical or electronic date compilations into some other form, shall be paid by the person requesting the copy.

(Ord. of 9-21-2009, § 6.4)

Secs. 60-1209—60-1234. - Reserved.

DIVISION 6. - SPECIAL APPEAL

Sec. 60-1235. - Floodplain district variances.
Sec. 60-1236. - Shoreland zone variance.
Sec. 60-1237. - Lake Auburn Watershed zone variance.
Secs. 60-1238—60-1255. - Reserved.

Sec. 60-1235. - Floodplain district variances.

The board of appeals may grant a variance from strict compliance with requirements of division 2 of article XII of this chapter after public notice and public hearing as provided in this article, provided the following conditions are met:

(1) The applicant can show that a failure to grant a variance would result in undue hardship as defined in 30-A M.R.S.A. § 4353.

(2) A determination made by the board with a certification from a registered professional engineer provided by the applicant, if need be, that the granting of the variance will not result in increased flood heights. The professional engineer shall include the following information within their certification: criteria on which the certification was based; any assumptions that were made; source of data for those assumptions; and references to the research material that was relied upon in making the certification. In addition, the board shall determine as a condition for the granting of the variance that it will not result in threats to public safety, extraordinary public expense, create a nuisances, causes fraud on or victimization of the public or conflict with existing local laws or ordinances.

(3) A determination by the board that the variance is the minimum necessary, considering the flood hazard, to afford relief.

(4) The applicant shall be notified in writing that the issuance of a variance to building a structure below the base flood level will result in increased premium rates for flood insurance and such construction below the base flood level increases risks to life and property.

(Ord. of 9-21-2009, § 6.5A)

Sec. 60-1236. - Shoreland zone variance.

When by reasons of extraordinary physical conditions peculiar to the land or building under appeal but not to other land or buildings adjoining or nearby, an owner of land would be subject to unusual difficulty or special hardships (not mere financial hardship or hardships caused by reason of the literal application and rigorous enforcement of the terms of this chapter), the board of zoning appeals may grant a variance from strict compliance with the requirements of division 2 of article XII of this chapter after notice and public hearing as provided in this article. No such variance shall be granted unless the board is satisfied that the variance applied for will not adversely affect the quality of the adjacent water body. In granting any such variance application, the board may also impose reasonable conditions upon the use of the land in question which shall be reduced to writing and made a part of the permanent records of the board.

(Ord. of 9-21-2009, § 6.5B)

Sec. 60-1237. - Lake Auburn Watershed Overlay District variance.

When by reason of extraordinary physical conditions peculiar to the land or buildings under appeal but not to other land or buildings adjoining or nearby, an owner of land would be subject to unusual difficulty or special hardships (not mere financial hardship or hardships caused by rigid subsurface wastewater disposal regulations) by reason of the literal application and rigorous enforcement of the terms of this chapter, the board of zoning appeals may grant a variance from strict compliance with the requirements of division 4 of article XII of this chapter after notice and public hearing as provided in this article. No such variance shall be granted unless the board is satisfied that the variance applied for will not adversely affect the quality of the Lake Auburn water supply. When an application for a variance is filed, it shall be forwarded to the Auburn Water District with a request for an informational report and a recommendation to the board regarding the disposition of the requested variance application. In any case in which a variance request is granted, despite the recommendation of the Auburn Water District that it be denied, the board of appeals shall make part of its permanent records a written statement of its reasons for taking such action. In granting any such variance application, the board may also impose reasonable conditions upon the use of the land in question which shall be reduced to writing and made a part of the permanent records of the board.

City of Auburn
City Council Information Sheet

Council Workshop or Meeting Date: January 16, 2024 **Ordinance:** 06-01162024

Author: Sue Clements-Dallaire, City Clerk

Subject: Amending Sec. 2-466 of the Code of Ordinances correcting the Planning Board Compensation language

---

Information: In December of 2021, Council voted to adopt section 2-466 (g) of the code adding ***"All members of the planning board, regular and associate, shall receive annually $1,200, payable quarterly, with an effective date of January 1, 2022"***. When this was adopted, the compensation language in section 2-466 (a) that stated "***Members shall serve without compensation"*** did get get removed.

Passage of this ordinance amendment will clean up that language.

City Budgetary Impacts: None

Staff Recommended Action: Recommend passage.

Previous Meetings and History: N/A

City Manager Comments:

I concur with the recommendation. Signature: Phillip Crowell J.

Ordinance 06-01162024

City Council Order

IN CITY COUNCIL

Amending Chapter 2, Article V, Division 4, Sec. 2-433 (a) of the Auburn Code of Ordinances striking the language regarding compensation

Be it ordained, that the City Council hereby amends Chapter 2, Article V, Division 4, Sec. 2-433 (a) of the Auburn Code of Ordinances striking the language regarding compensation as shown below.

Sec. 2-466. Membership: appointment, removal, terms, vacancies.

(a) There shall be a planning board of seven regular and two associate members. Members of the planning board shall be residents of the city. Persons appointed by the city council to serve on other boards, agencies, panels, and or commissions shall not serve concurrently on the planning board. ~~Members shall serve without compensation.~~

(b) Regular members of the planning board shall be appointed by the city council for terms of three years. Such terms shall be staggered so that the term of not more than three members shall expire in any calendar year. Incumbent members of the planning board shall serve for the balance of their terms and thereafter until their successors are appointed.

(c) The city council shall appoint two associate members for a term of three years each. Such terms shall be staggered so that the terms of not more than one associate member, expires in any calendar year. Associate members may participate in deliberations of the planning board but shall not vote unless temporarily acting on behalf of a regular member who is absent or has been recused.

(d) Permanent vacancies on the planning board shall be filled by the city council for the unexpired term of the former member.

(e) Any member of the planning board may be removed for cause by the city council at any time; provided, however, that before removal such members shall be given an opportunity to be heard in his own defense at a public hearing before the city council.

(f) The planning board may appoint a high school student advisory representative who is a high school student residing in Auburn for a one year term. The student advisory representative may participate in deliberations of the planning board but shall not be entitled to vote.

(g) All members of the planning board, regular and associate, shall receive annually $1,200.00, payable quarterly, with an effective date of January 1, 2022.

Council Workshop or Meeting Date: January 16, 2024 **Order:** 15-01162024

Author: Sue Clements-Dallaire, City Clerk

Subject: Appointing Mayor Jeffrey Harmon to the Maine Municipal Association's Legislative Policy Committee

---

Information: Any elected or appointed municipal official holding office in any Maine Municipal Association (MMA) member community is eligible to serve on the Legislative Policy Committee. There are two seats on the LPC for each State Senate District. Members serve two-year terms, representing their own community and other municipalities in their Senate District.

The LPC brings elected and appointed officials together from towns and cities across the state. According to its by-laws, the purpose of the LPS is "to define municipal interests and to maximize those interest through effective participation in the legislative process." Operating something like a town meeting, the LPS establishes MMA's public policy positions on all matters of direct and statewide municipal interest for representation in the State House.

MMA's strength as a municipal advocate depends on the active help of a dedicated LPC membership.

This appointment fills the remaining term that was held by the Previous Mayor, Jason Levesque and runs until June 2024.

City Budgetary Impacts: None

Staff Recommended Action: Recommend Passage

6TO: **Phillip Crowell, City Manager**

FROM: **Jill Eastman, Finance Director**

REF: **December 2023 Financial Report**

DATE: **January 16, 2024**

The following is a discussion regarding the significant variances found in the City's December financial report. Please note that although the monthly financial report contains amounts reported by the School Department, this discussion is limited to the City's financial results and does not attempt to explain any variances for the School Department.

The City has completed its sixth month of the current fiscal year. As a guideline for tracking purposes, revenues and expenditures should amount to approximately 50.0% of the annual budget. However, not all costs and revenues are distributed evenly throughout the year; individual line items can vary based upon cyclical activity.

Revenues

Revenues collected through December 31st, including the school department, were $53,423,996, or 47.21%, of the budget. The municipal revenues including property taxes were $37,052,386, or 50.16% of the budget which is 4.54% lower than last year during the same period. The accounts listed below are noteworthy.

The current year's tax revenue is at 50.26% as compared to 56.39% last year. This is a decrease over last year of $2,479,352.

Excise tax for the month of December is 51.95%. This is an increase over FY 23, of $15,583.

State Revenue Sharing at the end of December is 57.34% or $3,425,835 which is $633,957 more than last year in December.

Expenditures

City expenditures through December 2023 were $32,390,451 or 59.87% of the budget. This is 1.37 % more than the same period last year. Noteworthy variances are:

A. The main variances are Health and Social Services is %295,094 higher than FY 23, Debt Service is $167,017 less than FY23, Public Safety Departments are higher than last year by $397,065 and Public Works is higher than FY 23 by $814,739.

Auburn, Maine 04210
207.333.6601

B. Investments

This section contains an investment schedule as of December 31st. Currently the City's funds are earning an average interest rate of 4.29% compared to 2.35% last fiscal year at this time.

Respectfully submitted,

Jill M. Eastman
Finance Director

Re: Arena Financial Reports for December 31, 2023

Attached you will find a Statement of Net Assets and a Statement of Activities and budget to actual reports for Norway Savings Bank Arena for revenue and expenditures as of December 31, 2023.

NORWAY SAVINGS BANK ARENA

Statement of Net Assets:
The Statement of Net Assets lists current assets, noncurrent assets, liabilities and net assets and shows a comparison to the previous month, in this case, November 30, 2023.

Current Assets:
As of the end of December 2023 the total current assets of Norway Savings Bank Arena were ($1,386,000). These consisted of cash and cash equivalents of $280,764, accounts receivable of $26,500, and an interfund payable of $1,693,324.

Noncurrent Assets:
Norway's noncurrent assets are equipment that was purchased, less depreciation (depreciation is posted at year end). The total value of the noncurrent assets as of December 31, 2023, was $102,173.

Liabilities:
Norway Arena had accounts payable of $5,308 as of December 31, 2023.

Statement of Activities:

The statement of activities shows the current operating revenue collected for the fiscal year and the operating expenses as well as any nonoperating revenue and expenses.

The operating revenues for Norway Arena through December 2023 are $418,376. This revenue comes from the concessions, sign advertisements, pro shop lease, youth programming, shinny hockey, public skating and ice rentals.

The operating expenses for Norway Arena through December 2023 were $397,566. These expenses include personnel costs, supplies, utilities, repairs, capital purchases and maintenance.

As of December 2023, Norway Arena had an operating gain of $20,810.

As of December 31, 2023 Norway Arena has an increase in net assets of $20,810.

The budget to actual reports for revenue and expenditures, with comparison to the same period last year show that revenue for FY24 is $3,058 less than in FY23 and expenditures in FY24 are $43,929 more than last year in December.

City of Auburn
City Council Information Sheet

Council Workshop or Meeting Date: January 16, 2024

Subject: Executive Session

Information: Personnel matter, pursuant to 1 M.R.S.A. Section 405(6) (D).

Executive Session: On occasion, the City Council discusses matters which are required or allowed by State law to be considered in executive session. Executive sessions are not open to the public. The matters that are discussed in executive session are required to be kept confidential until they become a matter of public discussion. In order to go into executive session, a Councilor must make a motion in public. The motion must be recorded, and 3/5 of the members of the Council must vote to go into executive session. An executive session is not required to be scheduled in advance as an agenda item, although when it is known at the time that the agenda is finalized, it will be listed on the agenda. The only topics which may be discussed in executive session are those that fall within one of the categories set forth in Title 1 M.R.S.A. Section 405(6). Those applicable to municipal government are:

A. Discussion or consideration of the employment, appointment, assignment, duties, promotion, demotion, compensation, evaluation, disciplining, resignation or dismissal of an individual or group of public officials, appointees or employees of the body or agency or the investigation or hearing of charges or complaints against a person or persons subject to the following conditions:
(1) An executive session may be held only if public discussion could be reasonably expected to cause damage to the individual's reputation or the individual's right to privacy would be violated;
(2) Any person charged or investigated must be permitted to be present at an executive session if that person so desires;
(3) Any person charged or investigated may request in writing that the investigation or hearing of charges or complaints against that person be conducted in open session. A request, if made to the agency, must be honored; and
(4) Any person bringing charges, complaints or allegations of misconduct against the individual under discussion must be permitted to be present. This paragraph does not apply to discussion of a budget or budget proposal;

B. Discussion or consideration by a school board of suspension or expulsion of a public school student or a student at a private school, the cost of whose education is paid from public funds, as long as:
(1) The student and legal counsel and, if the student is a minor, the student's parents or legal guardians are permitted to be present at an executive session if the student, parents or guardians so desire;

C. Discussion or consideration of the condition, acquisition or the use of real or personal property permanently attached to real property or interests therein or disposition of publicly held property or economic development only if premature disclosures of the information would prejudice the competitive or bargaining position of the body or agency;

D. Discussion of labor contracts and proposals and meetings between a public agency and its negotiators. The parties must be named before the body or agency may go into executive session. Negotiations between the representatives of a public employer and public employees may be open to the public if both parties agree to conduct negotiations in open sessions;

E. Consultations between a body or agency and its attorney concerning the legal rights and duties of the body or agency, pending or contemplated litigation, settlement offers and matters where the duties of the public body's or agency's counsel to the attorney's client pursuant to the code of professional responsibility clearly conflict with this subchapter or where premature general public knowledge would clearly place the State, municipality or other public agency or person at a substantial disadvantage;

F. Discussions of information contained in records made, maintained or received by a body or agency when access by the general public to those records is prohibited by statute;

G. Discussion or approval of the content of examinations administered by a body or agency for licensing, permitting or employment purposes; consultation between a body or agency and any entity that provides examination services to that body or agency regarding the content of an examination; and review of examinations with the person examined; and

H. Consultations between municipal officers and a code enforcement officer representing the municipality pursuant to Title 30-A, section 4452, subsection 1, paragraph C in the prosecution of an enforcement matter pending in District Court when the consultation relates to that pending enforcement matter.

Agenda
February 5, 2024
Auburn Hall, Council Chambers

5:30 P.M. City Council Workshop

A. Dangerous Buildings Process and Statute Overview – Eric Cousens
B. Proposed Zoning Amendment Discussion (Sec. 60-1304) – Eric Cousens
C. Tax Acquired Property – Kelsey Earle and Jay Brenchick
D. Transportation Systems Department Position – Phil Crowell

7:00 P.M. City Council Meeting - Roll call votes will begin with Councilor Milks

Pledge of Allegiance

I. Consent Items – All items with an asterisk (*) are considered routine and will be enacted by one motion. There will be no separate discussion of these items unless a Council member or a citizen requests, in which event, the item will be removed from the Consent Agenda and considered in its normal sequence on the agenda.

1. Order 16-02052024*
Confirming Mayor Harmon's re-appointment of Leonard Kimble to serve on the Ethics Panel with a term expiration of 11/01/2026.

II. Minutes – January 16,2024, Regular Council Meeting

III. Communications, Presentations and Recognitions

- Presentation – Tax Increment Financing (TIF)/Credit Enhancement Agreement (CEA) – Glen Holmes
- Formation of a Mayor's Ad Hoc Committee on the Public Safety Building
- Formation of a Mayor's Ad Hoc Committee on Housing

IV. Open Session – *Members of the public are invited to speak to the Council about any issue directly related to City business or any item that does not appear on the agenda.*

V. Unfinished Business

1. Ordinance 03-01162024

Amending Article V, Division 2, Sections 2-430, 2-431, 2-433, 2-434, 2-435, AND 2-441 of Auburn's Code of Ordinances and striking all language referencing the Regulatory Advisory Board.
Second reading.

2. Ordinance 04-01162024
Amending Article V, Division 2, Sections 2-430, 2-431, 2-432, 2-433, 2-434, and 2-435 of Auburn's Code of Ordinances and reinstating the Board of Assessment Review ordinance.
Second reading.

3. Ordinance 06-01162024
Amending Sec. 2-466 of the Auburn Code of Ordinances correcting the Planning Board Compensation language. Second reading.

VI. New Business

1. Order 17-02052024
Amending the Future Land Use Plan map in the Comprehensive Plan to designate City Assessor's Parcel I.D.'s 174-004, 174-004-001 and 174-004-002 land use as Suburban Development District.
Public hearing.

2. Ordinance 07-02052024
Amending the zoning map of the City of Auburn entitled "City of Auburn, Zoning Map, dated May 16, 2016," revised through its current date and revisions, as provided under Sec. 60-5 of the Zoning Ordinance by amending approximately 11 acres of Parcel ID 174-004-001, located on Riverside Drive, from the Agriculture and Resource Protection (AGRP) zoning district to the Low-Density Rural Residence (RR) zoning district. Public hearing and first reading.

3. Ordinance 08-02052024
Amending the zoning map of the City of Auburn entitled "City of Auburn, Zoning Map, dated May 16, 2016," revised through its current date and revisions, as provided under Sec. 60-5 of the Zoning Ordinance by amending City Assessor's Parcel I.D.s 174-004, 174-004-001 and 174-004-002, located on Riverside Drive, from the Agriculture and Resource Protection (AGRP or AG) zoning district to the Low-Density Rural Residence or Rural Residence (RR) zoning district. Public hearing and first reading.

4. Order 18-02052024
Setting the date for a public hearing for a Dangerous Building located at 46 Fair Street.

5. Order 19-02052024
Ratifying the Fire Department's contract agreement (wages).

6. Order 20-02052024
Authorizing the use of $89,306.42 from the fund balance to support the 2024 Lewiston Auburn Warming Center to be located in the City of Lewiston.

VII. Open Session - *Members of the public are invited to speak to the Council about any issue directly related to City business or any item that does not appear on the agenda*

VIII. Reports (Mayor, City Council, City Manager)

IX. Executive Sessions

1. Economic development, pursuant to 1 M.R.S.A. §405(6)(C) where premature disclosure would prejudice the competitive or bargaining position of the City.

X. Adjournment

City of Auburn
City Council Information Sheet

Council Workshop: February 5, 2024

Author: Eric J. Cousens, Director of Planning and Permitting

Subject: Dangerous Buildings and 80K Action Overview

Information: This workshop is to discuss the Dangerous Buildings Statute and how it can be used to correct problems with damaged or poorly maintained properties that become dangerous.

Dangerous Buildings: 17 M.R.S. §§2851-2859 authorize the municipal officers (City Council) to determine that a building or structure is "dangerous" and to order appropriate corrective action either by the owner or by the town if the owner does nothing to correct the issues. Other than in the case of a building which is so dangerous that immediate court action is required, there is no express authority given to the CEO to act under this statute. Buildings or structures which can be dealt with under this statute must fit within one of the following categories: • structurally unsafe; • unstable; • unsanitary; • constitutes a fire hazard; • is unsuitable or improper for the use or occupancy to which it is put; • constitutes a hazard to health or safety because of inadequate maintenance, dilapidation, obsolescence or abandonment or is otherwise dangerous to life or property. An example of this process can be viewed at the December 5, 2022 CC Meeting Packet or the discussion and action can be viewed on the City Youtube Page beginning at 2:10:50
.

Prior to proposing a building for a Council Finding, generally a building may have sustained significant damage from an accident, fire or natural disaster or, staff has been working with a property owner for a long period of time and conditions have deteriorated.

A poorly maintained building impacts the decisions of abutting property owners and reduces investment in surrounding properties. Poor housing quality makes it harder to attract residents to the area which further reduces market competition and demand for a particular neighborhood. Likewise, a poorly managed building that allows for trash and debris problems, nuisance noise and/or pervasive criminal activity affects the behavior of other residents and can become more widespread in a neighborhood, with impacts that are similar to a poorly maintained building.

The City has a few options for enforcement when staff level options are exhausted and legal action is needed. The most common two options are Dangerous Building Cases or a lawsuit called an 80k Action.

80K Action: The term “80K” is derived from the rule contained in the Maine Rules of Civil Procedure which prescribes the legal procedure which must be followed in prosecuting land use violations. Rule 80K provides a "Summary Procedure," which means it moves faster than other court proceedings. The violator can answer the Complaint orally in court rather than in writing, and the court can decide the main issues

of the case with a minimum amount of formality. That reduces the time and expense involved, without sacrificing the due process rights of the person accused of the violation. Even this option costs at least $2-3,000 and takes more time to get a court date than it used to.

Staff Recommended Action: Discussion and questions.

Previous Meetings and History: October 17, 2022 workshop.

City Manager Comments:

I concur with the recommendation. Signature: 

Attachments: Dangerous Buildings Statute, images of example violations, Example findings and Order from previous action.

§2851. Dangerous buildings

The municipal officers in the case of a municipality or the county commissioners in the case of the unorganized or deorganized areas in their county may after notice pursuant to section 2857 and hearing adjudge a building to be a nuisance or dangerous, in accordance with subsection 2-A, and may make and record an order, in accordance with subsection 3, prescribing what disposal must be made of that building. The order may allow for delay of disposal if the owner or party in interest has demonstrated the ability and willingness to satisfactorily rehabilitate the building. If an appeal pursuant to section 2852 is not filed or, if an appeal pursuant to section 2852 is filed and the Superior Court does not order, stay or overturn the order to dispose of the building, the municipal officers or the county commissioners shall cause the nuisance to be abated or removed in compliance with the order. After recording an attested copy of the notice required by section 2857 in the registry of deeds located within the county where the building is situated, the municipality or the county may seek a writ of attachment of the property on which the building is located in accordance with Title 14, chapter 507 and the Maine Rules of Civil Procedure. [PL 2019, c. 557, §1 (AMD).]

For the purposes of this subchapter, "building" means a building or structure or any portion of a building or structure or any wharf, pier, pilings or any portion of a wharf, pier or pilings thereof that is or was located on or extending from land within the boundaries of the municipality or the unorganized or deorganized area, as measured from low water mark, and "parties in interest" has the same meaning as in Title 14, section 6321. [PL 2017, c. 136, §1 (NEW).]

1. Notice.
[PL 2017, c. 136, §1 (RP).]

2. Notice; how published.
[PL 2017, c. 136, §1 (RP).]

2-A. Standard. To adjudge a building to be a nuisance or dangerous, the municipal officers or county commissioners must find that the building is structurally unsafe, unstable or unsanitary; constitutes a fire hazard; is unsuitable or improper for the use or occupancy to which it is put; constitutes a hazard to health or safety because of inadequate maintenance, dilapidation, obsolescence or abandonment; or is otherwise dangerous to life or property.
[PL 2017, c. 136, §1 (NEW).]

3. Recording of the order. An order made by the municipal officers or county commissioners under this section must be recorded by the municipal or county clerk, who shall cause an attested copy to be served upon the owner and all parties in interest in the same way service of process is made in accordance with the Maine Rules of Civil Procedure. If the name or address cannot be ascertained, the clerk shall publish a copy of the order in the same manner as provided for notice in section 2857.
[PL 2017, c. 136, §1 (AMD).]

4. Proceedings in Superior Court. In addition to proceedings before the municipal officers or the county commissioners, the municipality or the county may seek an order of demolition by filing a complaint in the Superior Court situated in the county where the building is located. The complaint must identify the location of the property and set forth the reasons why the municipality or the county seeks its removal. Service of the complaint must be made upon the owner and parties in interest in accordance with the Maine Rules of Civil Procedure. After hearing before the court sitting without a jury, the court shall issue an appropriate order and, if it requires removal of the building, it shall award costs as authorized by this subchapter to the municipality or the county. The municipality or the county may petition the court for a writ of attachment of the property on which the building is located in accordance with Title 14, chapter 507 and the Maine Rules of Civil Procedure. Appeal from a decision of the Superior Court is to the law court in accordance with the Maine Rules of Civil Procedure.
[PL 2019, c. 557, §2 (AMD).]

City Council Order

IN CITY COUNCIL

CITY OF AUBURN CITY COUNCIL
FINDINGS OF FACT, CONCLUSIONS OF LAW
AND ORDER OF DEMOLITION

110 HAMPSHIRE STREET

On December 5, 2022, at 7:00 p.m., the Auburn City Council held a hearing at 60 Court Street in Auburn, Maine to determine whether the ("Structures") at 110 Hampshire Street in Auburn, Maine, further described in the deed recorded in the Androscoggin County Registry of Deeds at Book 10028, Page 126 (the "Premises"), are dangerous or nuisances pursuant to 17 M.R.S. § 2851. As such, the Council makes the following findings of fact and conclusions of law, and orders that the Structures be demolished.

Findings of Fact

Present at the hearing on this matter for the city was Eric Cousens, Director of Planning & Permitting, and Kris Beaudoin, Code Enforcement Officer. The following individuals appeared on behalf of the owner and/or parties in interest Alexandria Savard .

After considering the testimony and evidence presented, the City Council makes the following findings of fact:

1. The Premises and Structures are owned by Lions Real Estate LLC (the "Owner"). Planning, Permitting & Code Department ("Department") **Exhibits 1**.
2. Alexandria Savard Owner of Lions Real Estate LLC was served with copies of the Notice of Hearing ("Notice") on November 17, 2022. **Exhibit 2.**
3. A copy of that Notice was also recorded in the Androscoggin County Registry of Deeds on November 16, 2022. **Exhibit 3.**
4. The Council has accepted and adopts the facts stated in the affidavits and supporting exhibits of Code Enforcement Officers Kris Beaudoin, Cy Wilkinson, and Jennifer Dick. Department **Exhibits 4, 5 and 6.**
5. The Structures are structurally unsafe.
6. The Structures are unfit for human occupancy due to significant structural damage.
7. The Structures constitute a hazard to health and safety because of inadequate maintenance.

City Council Order

8. The Owner have been given the opportunity to remedy the conditions at the Premises but have failed to do so.

Conclusions of Law

Applying the legal standards set forth in 17 M.R.S. § 2851, the Auburn City Council reaches the following conclusions of law:

9. The Structures are structurally unsafe and unstable.
10. The Structures are unsanitary.
11. The Structures constitutes a fire hazard.
12. The Structures are unsuitable and improper for human habitation.
13. The Structures are a hazard to health and safety because of inadequate maintenance, dilapidation, obsolescence, or abandonment.
14. The Structures are dangerous to life and property.

Any one of these conclusions would be sufficient to support a finding that the Structures are a nuisance and dangerous buildings, and the Council hereby concludes that the Structure at 110 Hampshire Street is a nuisance and dangerous building within the meaning of 17 M.R.S. § 2851.

Order 15-12052022

Having found that the Structures at 110 Hampshire Street is a nuisance and dangerous buildings within the meaning of 17 M.R.S. § 2851, the Auburn City Council hereby ORDERS:

15. That the Owner, and/or their successors or assigns, demolish the Structures, remove all debris, and stabilize the site within ninety (90) days of service of this Order.
16. That if the Owners, and/or their successors or assigns, fail to comply with this Order in the time frame set forth herein, the City shall have the authority to carry out this Order.
17. That within ninety (90) days after demand by the City, the Owners, and/or their successors or assigns, shall reimburse the City for all expenses it incurs in connection with this proceeding, including, but not limited to, expenses for securing and maintaining the Structure, service and other costs incurred, attorneys' fees, and any and all demolition and clean-up costs.
18. That if the Owners, and/or their successors and assigns, fail to timely reimburse the City for the expenses provided for above, the City shall assess a special tax against the Premises, as provided for in 17 M.R.S. § 2853 and/or recover its costs by means of a collection action.

City of Auburn
City Council Information Sheet

Council Workshop Date: February 5, 2024

Author: John Blais, Deputy Director of Planning & Permitting

Subject: Review of Ordinance, Sec.60-1304 Public hearing, Findings Timing Consideration

---

Information: The Council is considering a text change in Sec. 60-1304 regarding planning board holding a public hearing which is currently within 30 days and the review of the timing on the final action on a site plan within 60 days of receiving a complete application. These developments are typical for a review of projects that fall under special exception and site plan review. Often staff provide feedback for additional materials (traffic, lighting, stormwater, buffers etc.) that could extend the public hearing deadline and could make it challenging to complete the public hearing within the 30-day notice period and action from the planning board could extend 60 days if additional information is requested from the Planning Board. For example, a second opinion at the request of the planning board with an affirmative vote. Staff has looked at several other communities (Biddeford, South Portland, and Bangor) some communities provide shorter time frame (Bangor) while other increase the time frames which could fall more in -line with meeting the considerations of the public and planning board and adhering to established ordinance.

City Budgetary Impacts: None

Staff Recommended Action: Consider extending both the public hearing and the action of the planning board as referenced in Sec. 60-1304. Staff suggest extending the public notice period from 30 days to 90 days and the final action from 60 days to 120 days.

Previous Meetings and History: None

City Manager Comments:

I concur with the recommendation. Signature: Phillip Crowell J.

Attachments: Auburn Sec. 60-1304, South Portland Article XV, Bangor 165-113, Biddeford Section 3

Sec. 60-1304. Same—Public hearing; findings.

The planning board shall, within 30 days of receipt of a completed application, hold a public hearing. Notice of a hearing shall be given in the manner provided for in division 3 of article XVII of this chapter. The planning board will take final action on the site plan within 60 days of receiving a completed application, or within such other time limit as may be mutually agreed to. Such final action shall consist of either:

(1) A finding and determination that the proposed project will constitute a suitable development and will not result in a detriment to the neighborhood or the environment; or

(2) A written denial of the application stating the reasons for such denial, upon a finding that:

a. The provisions for vehicular loading, unloading and parking and for vehicular and pedestrian circulation on the site and onto adjacent public streets will create hazards to safety.

b. The bulk, location or operation of proposed buildings and structures will be detrimental to and adversely affect the use and values of existing development in the neighborhood or the health or safety of persons residing or working therein.

c. The provisions for on-site landscaping are inadequate to screen neighboring properties from unsightly features of the development.

d. The site plan does not adequately provide for the soil and drainage problems which the development may give rise to in accordance with section 60-1301(14).

e. The provisions for exterior lighting create safety hazards for motorists traveling on adjacent streets, or are inadequate for the safety or occupants or users of the site, or will create a nuisance affecting adjacent properties.

f. The proposed development will unduly burden off-site sewer drainage or water systems.

g. The proposed development will create a fire hazard by failing to provide adequate access to the site, or to buildings on the site, for emergency vehicles.

h. The proposed development violates provisions of the zoning regulations applicable to the site or other applicable laws, regulations or ordinances.

i. The proposed development will unduly impact the ability to provide municipal services.

(Ord. of 9-21-2009, § 7.1D(5))

and/or adjustment. Any office which does not attend a preapplication meeting may provide comments to the meeting record.

(b) If any significant changes in the project details are made after the preapplication meeting, the applicant must notify the Staff Coordinator and any other City departments or divisions who attended the preapplication meeting. [Amended 1-9-2017 by Ord. No. 17-055]

(6) Notwithstanding other provisions of this chapter, the Planning Officer or their designee may refrain from placing an application on the agenda of the Planning Board upon the failure of an applicant or its representative to attend a preapplication meeting, or if the applicant makes significant changes to the project after the preapplication meeting. [Amended at time of adoption of Code (see Ch. 1, General Provisions, Art. I)]

(7) The Director of Community and Economic Development or their designee may, at their sole discretion, waive the requirement for a preapplication meeting where the elements of the project are simple, straightforward and do not warrant such advance planning.

§ 165-113 Planning Board review.

[Amended 8-8-2005 by Ord. No. 05-250; 2-11-2008 by Ord. No. 08-070; 1-9-2017 by Ord. No. 17-055]

For those site developments requiring a land development permit under § **165-109**, the following procedures will be followed:

A. Application initiation. After the Staff Coordinator receives an application, they shall forward the application and all plans and specifications to the Code Enforcement Division, Planning Division, Engineering Department, and any other staff as appropriate for processing. Staff shall determine whether the application is technically compliant and notify the Staff Coordinator and Planning Officer of their findings, along with any recommendations.

B. Staff processing. The Planning Officer shall review the application and plans for compliance with the appropriate provisions of this chapter, including § **165-114** below, the requirements of the district in which it lies (Article **XIII**, **XIV** or **XV**) and the requirements of Article **XVII**, **XVIII** or **XIX** and shall, within 10 days after the application has been forwarded to staff for review, notify the applicant, in writing, of any deficiencies in the land development permit application or required submittals, as well as any recommended modifications. The applicant may then either amend the land development permit application and plans in accordance with the recommendations of the Planning Division staff or request Planning Board review thereon without amendment. Upon receipt of an amended application and plans or notification of the applicant's decision to request Planning Board review without amendment, the Planning Officer will place the request on the next agenda for the next Planning Board meeting with their written recommendation thereon, excepting that, if the next Planning Board meeting is fewer than seven days in the future, the Planning Officer may instead place the request on the agenda for the subsequent regularly scheduled meeting or a special meeting. The Planning Officer shall also cause the owners of record of property abutting and/or within 100 feet of the exterior boundaries of the property involved to be notified, in writing, of the pending request. Failure of any person owning property within said 100 feet to receive notice provided herein shall not invalidate any action by the Planning Board.

C. Planning Board review.

(1) The Planning Board shall review the application and plans at its next regularly scheduled meeting (or a special meeting called by the Planning Board). The Board shall make a final determination on the completeness and eligibility of any application and plans for Planning Board action. If final approval of a land development permit is before the Board (and the application and plans are complete), the Board shall, within 21 days after the date of such review, either approve, approve with modifications and/or conditions or disapprove the request. However, no land development permit will be approved unless it receives a majority of affirmative votes of the Planning Board members (i.e., four votes). If a majority of the Board shall so order, it shall hold a public hearing on any permit application for a land development permit which does not otherwise require a public hearing.

(2) At any Planning Board review or public hearing, an applicant may be represented by their designated representative. Any scheduled public hearing will not be continued to another time except for good cause and by majority vote of the Planning Board. Any advertising costs necessitated by a rehearing requested by an applicant shall be borne by the applicant. Failure by the applicant or their designated representative to appear at the Planning Board meeting at which their proposal is to be heard may result in the review being tabled until the next regularly scheduled meeting, although the Board may take action if it so chooses.

(c) Each applicant shall pay an application fee as specified in the Schedule of License, Permit, Inspection and Application Fees established by City Council order.

(d) The Planning Board may establish additional requirements for applications by regulation and may, in reviewing any application for a site plan permit, require the applicant to submit additional information which will aid in review of the proposed development.

(e) The Planning Board may establish a classification of minor site plan developments and adopt modified application forms appropriate for such development. Minor site plan developments shall be those proposed developments which, in the judgment of the Planning Board, are not so substantial in size or potential adverse impact that the full application form described herein is necessary.

(f) Upon receiving an application, the Planning Department shall issue to the applicant a dated receipt. Within thirty (30) days of receipt of an application, the department shall notify the applicant in writing either that the application is a complete application or, if incomplete, the specific additional material needed to make a complete application.

(g) A public hearing on an application for site plan approval shall be held within ninety (90) days of receipt of a completed application, unless the applicant agrees to an extension of the time period.

(i) The Planning Board shall, within thirty (30) days of a public hearing, or such period as the applicant agrees to, issue a decision on the application, said decision to include findings of facts and any conditions imposed by the Board.

(5) Supplemental information for medium- and large-scale ground-mounted solar energy systems:

(a) Plan drawings of the solar energy system signed by a Professional Engineer licensed to practice in the State of Maine showing the proposed layout of the system, any potential shading from nearby structures, the distance between proposed solar collector and all property lines and existing on-site buildings and structures, and the tallest finished height of the solar collector.

(b) Documentation of the major system components to be used, including the panels, mounting system, and inverter(s).

(c) For grid-intertie photovoltaic systems, evidence of meeting the local electric utility's transmission and distribution interconnection requirements for generation. This can be a Site Plan Condition of Approval if evidence is provided that the necessary application has been accepted for review by the utility.

(d) Name, address, and contact information of the proposed system installer, the project proponent, project proponent agent, and all co-proponents or property owners, if any.

(e) For large-scale solar energy systems, the following additional information is required:

City of Biddeford, ME
Section 3

A. Sketch plan. When an application, on a form provided by the City, is submitted to the Planning Board, that application will have formal standing before the Planning Board. The Planning Board shall then consider the sketch plan and provide planning direction to the applicant in accordance with all pertinent provisions of the ordinance. After completing its review of the application, the Planning Board shall vote to deny, approve or approve with conditions. The date of sketch plan approval, denial, or conditional approval shall be the date that the Planning Board votes on a sketch plan application.

Downloaded from https://ecode360.com/BI3074 on 2024-01-31

Section 3

B.

Final plan. Once the Planning Board votes to deem a final plan application is complete, the Board shall undertake the review of the proposal. Once review is complete, the Planning Board shall vote to deny, approve, or approve with conditions. For site plan applications, the date of final plan approval, denial or approval with conditions shall be the date that the Planning Board votes on a final plan application. In the case of subdivisions, the date of approval and the date of approval with conditions shall be the date that the chair of the Planning Board signs the recordable subdivision plan; if a subdivision application is denied, the date of denial shall be the date in which the Planning Board votes to deny the application.

City of Auburn
City Council Information Sheet

Council Workshop or Meeting Date: February 5, 2024

Author: Kelsey Earle

Subject: Sale of Tax Acquired/City-Owned Properties

Information:
City-owned properties are often kept for parks, cemeteries, river access, etc. Not all city-owned properties are tax-acquired.
Tax acquiring a property is a minimum 18-month process often closer to two-years. If a property is tax-acquired, the goal is to return the property to the tax roll. On June 30, 2023, L.D. 101 was signed into law, changing the process by which the city does so. L.D. 101 states that if tax acquired real estate will be sold to someone other than the former owner, written notice on a form prepared by the State Tax Assessor must be sent at least 90-days before the property is listed for sale. The law stipulates what costs may be deducted by the municipality from the sale of the property, any excess sale proceeds (defined in the law) must be paid to the former owner(s).

City Budgetary Impacts: None

Staff Recommended Action: For review.

Re: NOTICE OF SALE OF TAX ACQUIRED PROPERTY

The real estate tax lien mortgage held by the City of Auburn for unpaid real estate taxes on your former property located at ADDRESS (Tax Map XX, Lot XX) foreclosed on DATE. As a result, the City of Auburn now owns this property.

You are receiving this notice because the City of Auburn intends to sell this property. Under 36 M.R.S. § 943-C, as the former owner of this property, you have the right to require that the City of Auburn to hire a real estate broker to list and sell the property via quitclaim deed and pay to you, as the former owner, any sale proceeds in excess of:

(1) The sum of all taxes owed on the property;
(2) Property taxes that would have been assessed on the property during the period following foreclosure when the property is owned by the municipality;
(3) All accrued interest;
(4) Fees, including property listing and real estate broker's fees;
(5) Any other expenses incurred by the municipality in selling or maintaining the property, including, but not limited to, an administrative fee equal to 10% of the property taxes owed and reasonable attorney's fees;
(6) The cost to the municipality of the lien and foreclosure process, including, but not limited to, reasonable attorney's fees; and
(7) Unpaid sewer, water or other utility charges and fees imposed by the municipality.

Pursuant to 36 M.R.S. § 943-C, "former owner" means the owner or owners of record at the time of foreclosure or, if deceased, the former owner's heirs, devisees or personal representatives.

As a condition of receiving the proceeds from the sale of your former property, you will be required to execute a quitclaim (release) deed conveying any interest you may have in the property to the City of Auburn. In addition, by accepting the proceeds, you also waive any right you may have to challenge the foreclosure by the Town.

If you want to require the Town to use the alternative sale process under 36 M.R.S. § 943-C and hire a real estate broker to sell the property, please complete and sign the second page of this notice and return it to the Town **on or before DATE [90 days from date of the notice].**

FAILURE TO SUBMIT YOUR DEMAND IN WRITING WITHIN 90 DAYS OF THE DATE OF THIS NOTICE WILL RESULT IN THE LOSS OF YOUR RIGHT TO THE ALTERNATIVE SALE PROCESS.

If you have any questions, please contact me at [EMAIL & PHONE #] to discuss this notice.

Sincerely,

NAME

City of Auburn
City Council Information Sheet

Council Workshop or Meeting Date: February 5, 2024

Author: Phil Crowell, City Manager

Subject: Transportation Director Position

Information:
In 2022, a transportation systems position was created and funded with ARPA funds. The purpose of the position was to support the evaluation and analysis of transportation efforts throughout the City and regionally.

Since March 29, 2023, the Transportation Systems Director, has been managing the Auburn Lewiston Municipal Airport on a day-to-day basis. This has included addressing personnel/HR issues, reigning in spending and updating AR/AP processes, streamlining administrative activities, managing contracted services to meet airport needs, responding to the FAA and MaineDOT on compliance and project matters, and negotiating and advancing airport lease opportunities.

The airport is on an improved trajectory with major stakeholders and customers pleased with improved service and access. The upcoming airport master plan process and FAA-funded hangar project sets the stage for further financial improvements to make the operation more sustainable over time.

Efforts have also been underway to re-establish the freight intermodal facility which will require expanded outreach to business prospects, further negotiation with St. Lawrence and Atlantic, and coordination/securing support from MaineDOT. On-going interest in passenger rail service re-establishment will also require coordination at multiple levels, and the ability to recommend and advance to the state collective local positions. Finally, rail to trail project opportunities exist in both cities and stakeholder and public engagement will be needed as they move forward.

In addition to the airport and rail-related activities, both Auburn and Lewiston are embarking on significant transportation planning initiatives that will position both cities for state and federal funding. Those include the Safe Streets and Roads for All (SS4A) project, Village Partnership/Planning Partnership Initiative projects with MaineDOT, and UPWP funded projects through ATRC for Lisbon Street and Washington Street corridors.

Based on the background provided within the attached memo and the opportunities outlined above, Auburn and Lewiston could embark on a cooperative management structure for advancing these projects. The concept would be for the city of Lewiston, through the Lewiston and Auburn Railroad Company and the Auburn Lewiston Municipal Airport, to contract with the City of Auburn and its Transportation Department for management and policy development services. The City of Auburn, through expanded leases at the Intermodal Facility, could further fund the management and policy development services through an Enterprise Fund.

City Budgetary Impacts: None. Allocate existing budgetary accounts and new revenue.

Staff Recommended Action: Coordinate with the City of Lewiston, Auburn Lewiston Municipal Airport, and Lewiston Auburn Railroad Company to contract management for a Regional Multi-Modal position.

Previous Meetings and History: None

City Manager Comments:

I concur with the recommendation. Signature:

TO: Phil Crowell, Auburn City Manager
FROM: Jonathan P LaBonte
DATE: January 26, 2024
RE: Contract Management for Regional Multi-Modal Priorities

Background

Since March 29, 2023, as Auburn's Transportation Systems Director, I have been managing the Auburn-Lewiston Municipal Airport on a day-to-day basis. This has included addressing personnel/HR issues, reigning in spending and updating AR/AP processes, streamlining administrative activities, managing contracted services to meet airport needs, responding to the FAA and MaineDOT on compliance and project matters, and negotiating and advancing airport lease opportunities. This added activity was completed as the Board Chair and the City of Auburn funded that time through my regular employment.

As President of the Lewiston and Auburn Railroad Company (LARC) representing the City of Auburn as an appointed resident and predating my employment with the City, a monthly stipend has been provided for management of LARC projects and relationships, as well as responding to requests from both cities for feedback and monitoring of rail-related activities at a local, regional, and state level (passenger rail studies, freight rail studies, rail to trail efforts). This stipend has been to the President of LARC as a resident appointee, and not as Transportation Systems Director. At present, LARC's President is the primary party monitoring rail-related initiatives which impact Auburn and Lewiston.

The city of Auburn is on a month-to-month lease with Power and Construction Group for the Auburn Intermodal facility. They are prepared to sign a long-term lease. St. Lawrence and Atlantic wishes to execute a lease for access to the Auburn Intermodal as well. Both of those parties would need access to and traverse both Airport and LARC properties to conduct their business. Unfortunately, business opportunities have been lost over the last decade because of the varied pricing to access airport, LARC, or city of Auburn properties.

Opportunity

The airport is on an improved trajectory with major stakeholders and customers pleased with improved service and access. The upcoming airport master plan process and FAA-funded hangar project sets the stage for further financial improvements to make the operation more sustainable over time.

Re-establishing the freight intermodal facility will require expanded outreach to business prospects, further negotiation with St. Lawrence and Atlantic, and coordination/securing support from MaineDOT. On-going interest in passenger rail service re-establishment will also require coordination at multiple levels, and the ability to recommend and advance to the state collective local positions. Finally, rail to trail project opportunities exist in both cities and stakeholder and public engagement will be needed as they move forward.

In addition to the airport and rail-related activities, both Auburn and Lewiston are embarking on significant transportation planning initiatives that will position both cities for state and federal funding. Those include the Safe Streets and Roads for All (SS4A) project, Village Partnership/Planning Partnership Initiative projects with MaineDOT, and UPWP funded projects through ATRC for Lisbon Street and Washington Street corridors.

Framework

While multiple organizational systems are still in place for air, rail, and highway project development in the two cities, improving central coordination and communication of policy direction and project management could position the region for increased private and public investment.

Based on the background provided and the opportunity outlined, the two cities could embark on a cooperative management structure for advancing these projects. The concept would be for the city of Lewiston, through the Lewiston and Auburn Railroad Company and the Auburn Lewiston Municipal Airport, to contract with the City of Auburn and its Transportation Department for management and policy development services. The City of Auburn, through expanded leases at the Intermodal Facility, could further fund the management and policy development services through an Enterprise Fund.

Scope of work components in a contract for management with the City of Auburn could include:

- Aviation – Airport Management Services (a new Auburn resident would be appointed and Jonathan would serve in a management role and not the current dual role)
- Rail – Freight business development, passenger rail service advancement, rail-trail project support would be among ongoing activities (a new Auburn resident would be appointed to the LARC board and Jonathan would serve in a designated management role)
- Highway – Project management support for planning initiatives underway/soon to be started. This task would need further definition, but could include coordination of UPWP/PPI efforts on behalf of the City of Lewiston (engagement with Lewiston city management and other designated parties, consultant, MaineDOT, ATRC, and FHWA on behalf of city)
- Organizational Review – Communicate with Auburn Manager and Lewiston Administrator on strategies that might support more efficient multi-modal policy making and budgeting.

Financial Model

Auburn Lewiston Municipal Airport

FY25 Expense

- ~$65,000 to City of Auburn for contract management by Transportation Systems Director (~20 hours/week)

City of Auburn Intermodal Facility (will require updated leases)

FY 24 Revenue (all to General Fund)

- Current revenue - $28,200/annually for lease, $0 for payment in lieu of taxes

FY 24 Expense - N/A

Proposed FY25 Revenue

- $84,000/annually for lease **and** $28,000/annually for payment in lieu of taxes

Proposed FY25 Expense

- $28,000 to General Fund (Payment in lieu of taxes)
- $84,000 to Transportation Enterprise Fund (business development and infrastructure growth activities)

Lewiston and Auburn Railroad Company

FY 25 Expense

- $40,000 to City of Auburn for contract management of freight rail properties, rail-related growth initiatives on behalf of LARC's shareholders (freight, intermodal, passenger, rail-trail) and other transportation projects as determined by shareholders.

ORDER 16-02052024

City Council Order

IN CITY COUNCIL

ORDERED, that the City Council hereby confirms Mayor Harmon's re-appointment of Leonard Kimble as a regular voting member to the Ethics Committee with a term expiration of November 1, 2026.

Richard S. Whiting, Ward One
Benjamin J. Weisner, Ward Four
Belinda A. Gerry, At Large

Timothy M. Cowan, Ward Two
Leroy G. Walker, Sr., Ward Five
Jeffrey D. Harmon, Mayor

Stephen G. Milks, Ward Three
Adam R. Platz, At Large
Phillip L. Crowell, Jr., City Manager

IN COUNCIL REGULAR MEETING JANUARY 16, 2024, VOL. 37 PAGE 126

Mayor Harmon called the meeting to order at 7:03 P.M. in the Council Chambers of Auburn Hall and led the assembly in the salute to the flag. All Councilors were present.

Pledge of Allegiance

I. Consent Items

1. Order 07-01162024*
Re-appointing Riley Bergeron to the Planning Board as a full member with a term expiration of 01/01/2027 as recommended by the Appointment Committee.

2. Order 08-01162024*
Appointing Timothy DeRoche to the Planning Board as a full member with a term expiration of 01/01/2027 as recommended by the Appointment Committee.

3. Order 09-01162024*
Appointing Ryan Smith to the Planning Board as a full member with a term expiration of 01/01/2027 as recommended by the Appointment Committee.

4. Order 10-01162024*
Appointing Paul Josephson to the Complete Streets Committee with a term expiration of 01/01/2027 as recommended by the Appointment Committee.

5. Order 11-01162024*
Appointing Barbara (Bonnie) Lounsbury to serve a 4-year term as Chair of the Registration Appeals Board as nominated by the Municipal Clerk.

Items #1, #2, and #3 were removed from the Consent Agenda and moved to New Business per the request of a member of the public (David Trask).

Motion was made by Councilor Gerry and seconded by Councilor Cowan for passage of the remaining two consent items.

Passage 7-0.

II. Minutes – January 2, 2024, Regular Council Meeting

Motion was made by Councilor Walker and seconded by Councilor Milks to approve the minutes of the January 2, 2024, Regular Council Meeting.

Passage 7-0.

III. Communications, Presentations and Recognitions - None

IV. Open Session –

Evan Cyr, 122 Granite Street, talked about transparency, action taken at a previous meeting to rescind Planning Board appointments, an item that was tabled at the previous meeting, and the appointment process.

Jeff Cote, 465 Merrow Road provided a handout to Councilors and discussed the poor road conditions of Merrow Road.

V. **Unfinished Business** - None

VI. **New Business**

Orders 07-01162024, 08-01162024, and 09-01162024 below were removed from the Consent Agenda and placed under New Business.

Order 07-01162024
Re-appointing Riley Bergeron to the Planning Board as a full member with a term expiration of 01/01/2027 as recommended by the Appointment Committee.

Motion was made by Councilor Whiting and seconded by Councilor Gerry for passage.

Public comment – No one from the public spoke.

Passage 7-0.

Order 08-01162024
Appointing Timothy DeRoche to the Planning Board as a full member with a term expiration of 01/01/2027 as recommended by the Appointment Committee.

Motion was made by Councilor Gerry and seconded by Councilor Milks for passage.

Public comment – No one from the public spoke.

Passage 7-0.

Order 09-01162024
Appointing Ryan Smith to the Planning Board as a full member with a term expiration of 01/01/2027 as recommended by the Appointment Committee.

Motion was made by Councilor Gerry and seconded by Councilor Whiting for passage.

Public comment – David Trask, 89 Partridge Lane, spoke regarding transparency and inclusivity, action taken by the council to rescind the Planning Board appointments that were voted on at the 12-4-2023 council meeting, and the nomination of Mr. Smith.

Passage 4-3 (Councilors Walker, Weisner, and Milks opposed).

1. **Order 12-01162024**
Approving the liquor license for Burnt Ends Barbeque, LLC. located at 120 Center Street. Public hearing and vote.

Motion was made by Councilor Milks and seconded by Councilor Walker for passage.

Public hearing - No one from the public spoke.

Passage 7-0.

2. **Order 13-01162024**
Amending Order 171-12182023, previously adopted by the City Council on 12/18/2023, correcting the language as outlined in Sec. 26-25 of our ordinance.

Motion was made by Councilor Whiting and seconded by Councilor Walker for passage.

Public comment – No one from the public spoke.

Passage 7-0.

3. **Ordinance 03-01162024**
Amending Article V, Division 2, Sections 2-430, 2-431, 2-433, 2-434, 2-435, and 2-441 of Auburn's Code of Ordinances and striking all language referencing the Regulatory Advisory Board. Public hearing and first reading.

Motion was made by Councilor Gerry and seconded by Councilor Cowan for passage.

Public hearing – No one from the public spoke.

Passage 6-0-1 (Councilor Milks abstained).

4. **Ordinance 04-01162024**
Amending Article V, Division 2, Sections 2-430, 2-431, 2-432, 2-433, 2-434, and 2-435 of Auburn's Code of Ordinances and reinstating the Board of Assessment Review ordinance. Public hearing and first reading.

Motion was made by Councilor Gerry and seconded by Councilor Whiting for passage.

Public hearing – No one from the public spoke.

Passage 6-0-1 (Councilor Milks abstained).

5. **Ordinance 05-01162024**
Amending Chapter 60, Article XV reinstating the Zoning Board of Appeals ordinance. Public hearing and first reading.

Motion was made by Councilor Walker and seconded by Councilor Whiting for passage.

Public hearing – No one from the public spoke.

Passage 6-0-1 (Councilor Milks abstained).

6. **Ordinance 06-01162024**
Amending Sec. 2-466 of the Auburn Code of Ordinances correcting the Planning Board Compensation language. Public hearing and first reading.

Motion was made by Councilor Cowan and seconded by Councilor Whiting for passage.

Public hearing – No one from the public spoke.

Passage 7-0.

7. **Order 14-01162024**
Directing the Sustainability & Natural Resource Management Board to create a solid waste and recycling plan to be presented to the City Council no later than August 19, 2024.

Motion was made by Councilor Gerry and seconded by Councilor Cowan for passage.

Public comment – No one from the public spoke.

Passage 7-0.

8. **Order 15-01162024**
Appointing Mayor Jeffrey Harmon to serve on the Maine Municipal Associations' Legislative Policy Committee with a term expiration of June 2024.

Motion was made by Councilor Whiting and seconded by Councilor Cowan for passage.

Public comment – No one from the public spoke.

Passage 7-0.

VII. Open Session -

Evan Cyr, 122 Granite Street spoke again regarding transparency and letting a tabled item die without providing an explanation, adding that there are residents that are in full support of the delay of the Lake Auburn Watershed zoning ordinances.

VIII. Reports

Mayor Harmon reported that the Auburn Water District Board of Trustees will be meeting tomorrow at the district office.

Councilor Whiting reported that the Auburn Nordic Association has plenty of snow, and he congratulated Miss Condit and Miss Garcia who both had top ten finishes in the Roy Varney Nordic Race.

Councilor Cowan reported that the Lewiston Auburn Transit Committee (LATC) will be meeting in February.

Councilor Platz provided an update on last School Committee meeting adding that more information can be found on the school department's website. He also gave a shout out to Public Works crews for their work with snow clean up.

City Manager Crowell reported that the 1st Legislative Policy Committee session for the Maine Municipal Association will be held later this week. He reported on the orientation process for city staff and announced that the City Council retreat is scheduled for February 3rd from 8:00 a.m. until noon at Auburn Hall, in the Community Room and is open to the public.

December 2023 Finance Report – Kelsey Earle

Motion was made by Councilor Milks and seconded by Councilor Weisner to accept the December Finance Report.

Passage 7-0.

IX. Executive Sessions –

Labor contract discussion, pursuant to 1 M.R.S.A. §405(6)(D).

Motion was made by Councilor Whiting and seconded by Councilor Cowan to go into executive session.

Passage 6-0 (Councilor Walker was not in the room for the vote). Time in – 8:04 pm.

Council was declared out of executive session at 8:40 pm.

Economic development, pursuant to 1 M.R.S.A. §405(6)(C) where premature disclosure would prejudice the competitive or bargaining position of the City.

Motion was made by Councilor Weisner and seconded by Councilor Walker to go into executive session.

Passage 7-0. Time in – 8:40 pm.

Council was declared out of executive session at 9:17 pm.

VIII. Adjournment – the meeting adjourned at 9:17 pm.

Tax Increment Financing

Planning Today for a Prosperous Tomorrow

Glen E. Holmes, Director of Business & Community Development

1

TIF Basics

Tax Increment Finance (TIF) is a mechanism for capturing the future tax benefits of real estate improvements, in order to incentivize development and pay for the cost of municipal infrastructure and improvements.

Two types: Affordable Housing – Approved by Maine State Housing Authority (MSHA)
Municipal– Approved by Maine Department of Economic & Community Development (DECD)

- Large-scale redevelopment of blighted or under-utilized districts
- Provide Economic Development opportunities and/or Job Creation programs
- Promote Mixed-Use Developments & Incentivize Public-Private Partnerships
- Incentivize Affordable Housing Development
- Funding Brownfield/Blight Remediation and/or Neighborhood Revitalization Efforts
- Long-term financing of infrastructure improvements such as:
  - Public Facilities
  - Utilities
  - Transportation
  - Environmental Remediation

2

Key Terms

- **TIF District -** Municipality created geographic area
- **Original Assessed Value** (OAV) -Current taxable value "frozen" before development
- **Increased Assessed Value** (IAV) – New taxes generated by development
- **Captured Assessed Value** (CAV) - % of taxes from IAV that is sheltered
- **Total Tax Shift** - Savings from sheltered CAV over term of TIF
- **TIF District Revenue** (TDR) - Taxes from CAV to fund Development Program
- **Development Program –** Approved plan & budget for TIF District Revenues
- **Credit Enhancement Agreement** (CEA) – Reimbursement of TDR to Developer
- **Omnibus TIF** – Larger scale, Multi-faceted incentives not totally defined at creation

auburnmaine.gov

3

Policy & Procedures

City TIF Districts are managed by the **Finance Department** and **Business & Community Development Department** and follows a prescriptive policy and application process.

1. Interested businesses and/or developers complete a TIF application Package.
2. Business & Community Development staff review applications and prepare TIF packages.
3. Complete proposals are posted publicly for 10 days prior to a Public Hearing.
4. After Public Hearing, the City Council reviews and may vote to approve TIF District.
5. If the City Council approves the TIF it is sent to the proper state authority for approval.
   - Affordable Housing TIFs are approved by Maine State Housing Authority (MSHA)
   - Municipal TIFs are approved by Maine Department of Economic & Community Development (DECD)
6. If approved, city staff monitors the project for compliance for the term of the TIF.

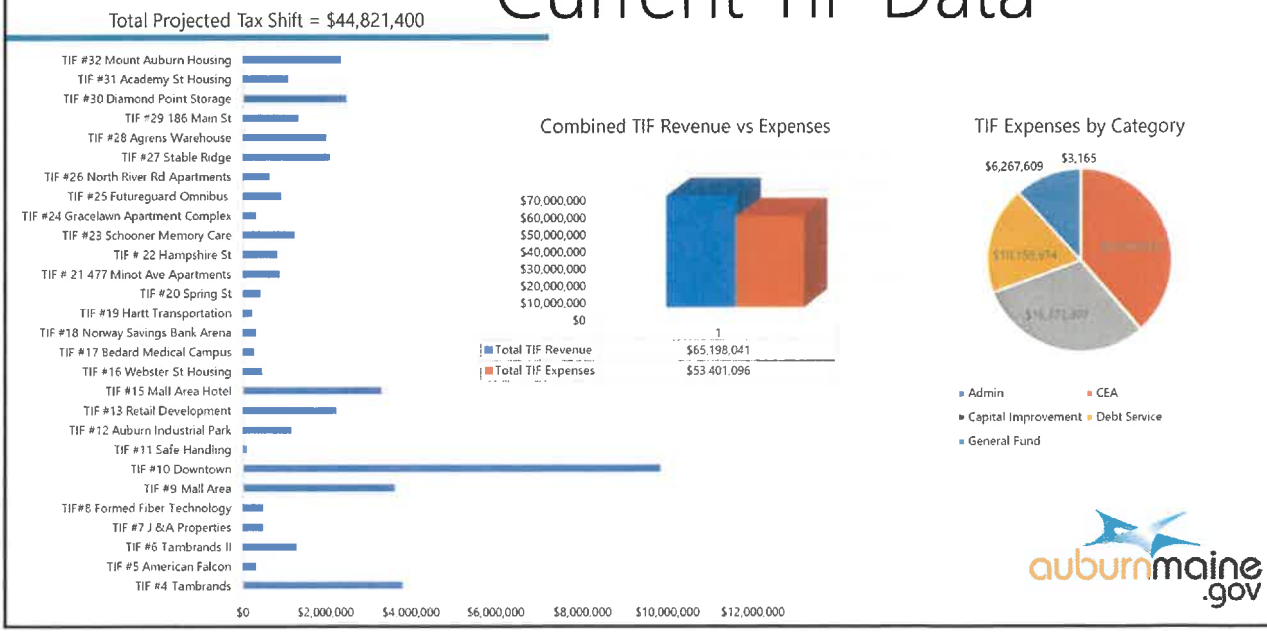
4

Example

TIF #23 Schooner Memory Care – Construct 66 mixed-income assisted living units at 196 Stetson Rd

Original Assessed Value (OAV)	$327,100		Development Program Budget	
New Investment	$17,000,000		Max CEA = 35% CAV or	$625,511
Amount of IAV Captured	58.5%		Admin Cost	$40,600
Captured Assessed Value (CAV)	$8,512,700		Road Improvements	$1,203,500
Total Projected Revenue	**$1,787,180**		**Total Project Expense**	**$1,869,611**



TIF Cashflow to Date	
TIF Age	5 of 20 years
Revenue	$463,649
Admin	$1,733
CEA	$121,698
Debt Service Payments for Road Improvements	$389,160

Community Benefit	
New Assisted living units	66
New FTE jobs created	56

auburnmaine.gov

5

Current TIF Data

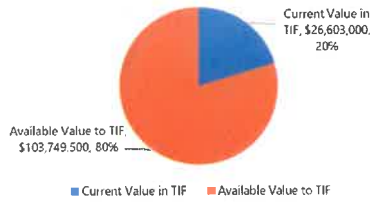
auburnmaine.gov

6

Statutory Limitations

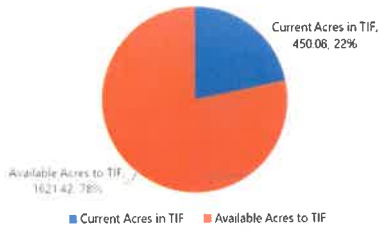
The city is must comply with Acreage and Valuation Caps as established by state statute.

- Each proposed TIF cannot exceed 2% of the total **acreage** of the city.
- The total amount of all current & proposed TIFs cannot exceed 5% of the total **acreage** of the city.
    - Exclusions from this calculation include:
        - Existing/proposed Downtown TIF Districts
        - Transit-Orientated Development TIF Districts
        - Community Wind Power TIF Districts
        - Pinetree Development Zones approved prior to Jan.1, 2009
- Total amount of all current and proposed TIFs cannot exceed 5% of the total **municipal valuation**.
    - Exclusions from this calculation include:
        - Affordable Housing Development Districts
        - Existing/proposed Downtown TIF Districts
        - Transit-Orientated Development TIF Districts
        - Community Wind Power TIF Districts
        - Pinetree Development Zones approved prior to Jan.1, 2009
        - Single Taxpayer/High Valuation TIF Districts



auburnmaine.gov

7

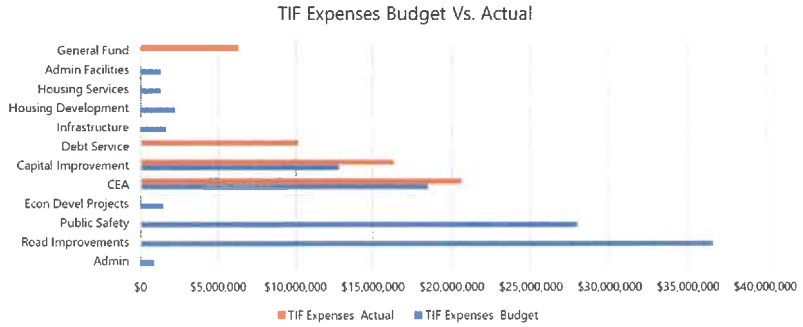


Future TIF Capacity

Based on current active TIF Districts the City of Auburn has the available capacity for new TIFs.
As existing TIFs expire or are modified, or the total valuation of the city increases, these values will change.

Total Original Assessed Value (OAV) Allowable

Total Acres Allowable to TIF



auburnmaine.gov

8

Statutory Project Costs

The city is must provide an estimated budget for the captured TIF revenue for approval by DECD. State law provides allowable expenses and projects which may be included within the Project Cost budget.

- Authorized Project Costs – 30-A MRSA Section 5225
- Affordable Housing Development - 30-A MRSA Section 5249

9

Risks and Common Criticism

Common Risks:

- Development projections do not meet budget expectations
  - Potential development/investments do not materialize
  - Assessed value of projects is less than projected
  - Reduced MIL rate lowers TIF revenues
- Developer underperforms or project is under capitalized
- Projects and agreements are not adequately monitored to ensure public benefit
- No community support

Common Criticisms:

- Taxpayers subsidizing private development through credit enhancement agreements
- TIF expenses by-pass public budget process

10

Q & A

11

CITY OF AUBURN
TAX INCREMENT FINANCING
&
CREDIT ENHANCEMENT
POLICY
AND
GUIDELINES

The following are the City of Auburn Tax Increment Financing (TIF) Policy and Credit Enhancement Agreement Application Guidelines.

I. Purpose and Introduction

TIF allows municipalities to "shelter" new value resulting from private investment from the calculation of its State subsidies (education and revenue sharing) and County taxes. A municipality's total equalized assessed value is used to calculate General Purpose Aid to Education (subsidy), State Revenue Sharing (subsidy), and County taxes (expense). When a municipality's equalized assessed value increases, State Aid for Education decreases, municipal revenue sharing decreases, and the municipality pays a greater portion of County taxes. Specific municipal shelter benefits for the term of the TIF include: No reduction in State aid for education, no decrease in municipal revenue sharing, and no increase in County taxes (assuming 100% capture).

A Tax Increment Financing District is a tool available to the City of Auburn to promote economic development. TIF enables the City to revitalize and redevelop designated areas and build community and economic growth through public-private partnerships. The TIF District allows the City to capture some or all of the incremental real and/or personal property tax revenues derived from new development or expansion of an existing development and provides a means of financing the economic and community development goals of Auburn as set forth in the Development Program of the District adopted by the City Council and as authorized by state law. The captured tax revenues from a TIF District can be used to finance municipal investments and City infrastructure projects; and can also be used to provide incentive or financing to a private development in the form of an associated Credit Enhancement Agreement (CEA), as authorized by the Development Program of the District and state law.

These guidelines are to provide guidance and outline standards for the development of TIF's and CEA's in the City when utilizing TIF Districts and TIF revenue for the City's development and redevelopment efforts. Notwithstanding compliance with any or all of these guidelines, the creation of a TIF District or authorization of a Credit Enhancement Agreement is a policy decision of the City of Auburn to be evaluated by the City on a case-by-case basis. Adopting this policy or any TIF District does not create a right or entitlement to assistance by any applicant.

II. Eligibility for Assistance

Economic development projects may be eligible for Tax Increment Financing assistance from the City when they meet the following standards:

- Would not occur without City assistance.
- Create or retain employment opportunities.
- Significantly expand the City's tax base by a minimum of $1,000,000.
- Diversify the economy and tax base of the City
- Conform to the quality and types of development the City seeks as outlined in the Comprehensive Plan, Strategic Plan, Downtown Revitalization Plan, Economic Development Action Plan, and Zoning Ordinances.
- Demonstrate a public benefit, such as expanding public infrastructure to service areas beyond the project or creating job opportunities or affordable housing.
- Public benefits from development must outweigh any possible adverse impacts on existing businesses or residents of the City.

The City provides TIF assistance through a Credit Enhancement Agreement that provides developers with reimbursement of a percentage of the property tax revenue paid on the increased assessed value (or incremental value) of their property. Tax revenue on the incremental value returned to the developers under a Credit Enhancement Agreement will not exceed an average of 75% of the incremental taxes over the life of the particular tax increment financing district or the Credit Enhancement Agreement. Further, the City Council may establish a cap on the total incremental taxes to be reimbursed to a developer under a CEA on an annual and/or cumulative basis. The applicant is required to submit all documentation required by the City in consideration of a Credit Enhancement Agreement. A Public Hearing shall be held to receive public comment on a completed CEA application at least ten days prior to a meeting at which the CEA is being considered for approval by the City Council.

III. Application Process

The City has established an Application for Tax Increment Financing & Credit Enhancement Agreement. Applications (whether initiated by the City or requested by a developer or business) will be reviewed by the Business and Community Development Department Staff and considered by the City Manager. Applications for a new TIF District or an amendment to an existing TIF District are subject to final approval by the City Council and the Maine Department of Economic and Community Development (DECD). The specific terms of TIF assistance through a CEA will be negotiated between the City and the applicant on a case-by-case basis. The City Manager or the City Manager's designee will negotiate for the City, and all recommendations for TIF assistance shall be based on the merits of the project and compliance with these guidelines. Based on City Council direction and approval, Business and Community Development staff will coordinate all activities regarding applications and will prepare materials as needed. The Director of Business and Community Development will assist the developer through the process. They will monitor ongoing investments in the development project if TIF assistance is granted.

All applicants for TIF assistance must pay a $500 non-refundable application fee at the time of submission. All applicants are required to reimburse the City of Auburn for all legal and administrative costs incurred as a result of the TIF proposal, including the cost of preparing all materials necessary to establish a new TIF District, amend an existing TIF District and draft the Credit Enhancement Agreement. If a Credit Enhancement Agreement is approved, an annual fee equal to 2% of the incremental tax reallocated back to the project will be assessed.

IV. Waiver of Provisions

The City of Auburn reserves the right under certain conditions to waive the provisions of the policy. The decision to do so shall be made by applying the following guidelines to ensure that the project remains within the general parameters of the Auburn Comprehensive Plan and community development vision(s). Criteria to be considered with granting a waiver are:

- Consistency with the Auburn Comprehensive Plan
- Consistency with the Downtown Revitalization Plan
- Consistency with the City's Economic Development Plan
- Consistency with the Development Plan of the TIF District
- Consistency with other local, State, and Federal laws/rules
- Evidence of need, and
- Capacity to carry out the project

V. Mandatory Guidelines

In all instances, applicants for tax increment financing and Credit Enhancement Agreements must demonstrate that the City's participation is economically needed to undertake the project. Such justification is demonstrated by:

- Need to offset infrastructure costs unique to the site
- Need to offset economic advantages available if it should develop a project or expand operations outside of Auburn
- Lack of sufficient funding sources to meet the entire capital investments needed to undertake the project
- The project creates significant new tax value throughout the Downtown District and other areas the City Council deems necessary
- The developer is financially capable of undertaking the project
- The developer is compliant with all statutory and regulatory guidelines of the City of Auburn and the State of Maine

VI. Guidelines that Determine the Level of Municipal Participation

Although the applicants' project need not meet each of the following criteria, the following will be used to determine the City of Auburn's participation level.

- Assists an established business in Auburn, retaining existing employment opportunities
- Creates long-term permanent and quality employment opportunities
- Contributes to the revitalization of the Downtown District or other areas in need of development or redevelopment
- Improves a blighted building site in need of rehabilitation
- Creates public infrastructure facilities that have applications beyond the particular development, road improvements, parking, sidewalks, green space, etc.
- Supports or will support community projects, job training, internships, and programs that assist the under-employed and supports local contractors and suppliers.

VII. Transfer of Ownership

If the applicant transfers ownership of property in the TIF District subject to a CEA to which the applicant is a party, the applicant must notify the City Manager in writing prior to finalizing the transfer. The prospective new owner must agree, in writing, to accept the provisions of the agreement as presented to and approved by the City Council before the City will release any further TIF reimbursements under the CEA. Failure to provide notice of a transfer of ownership by the applicant or for the prospective new owner to accept the terms of the CEA before the transfer shall render the CEA invalid, and no further payments under it shall be authorized.

VIII. Annual Expenditure of TIF Revenues for Municipal Projects

Each year the Director of Business and Community Development will review all proposed TIF Revenue expenditures as part of the City Budget process to ensure compliance with the existing TIFs.

Annual allocations of TIF revenues to fund existing Credit Enhancement Agreement commitments will be factored into the annual review of the use of the available TIF revenues and estimates of proposed Credit Enhancement Agreements will be calculated by the City Assessor and City Treasurer and provided to the City Manager for review and consideration.

APPLICATION FOR BUSINESS ASSISTANCE

Applicant Name	
Address	
Primary Contact	
Phone	
Email	
Project Name	

On a separate sheet of paper please answer the following questions. Please include this coversheet with your formal application:

1. In no more than three pages provide relevant information on the Applicant's background and development experience. Include resumes of key individuals assigned to the project.

2. Identify the Applicant's consultants involved or proposed to be involved in the project noting relevant experience on similar projects (i.e., engineer, land use planner, legal counsel, Applicant's financial advisor).

3. Describe the proposed project, including the size, scope, phasing, construction materials, and impact on parking, traffic and adjoining property. Discuss any development, planning, engineering, architectural or legal issues which may impact the City or adjoining property. Specifically outline residential development, if any, to be included in the project. Include any plans prepared for the project, if available. At a minimum, a concept plan shall be submitted with the application.

4. Define the boundaries of the proposed project by address and on a map.

5. Identify the property which is currently in the control of the Applicant via ownership or option. If under option note the option expiration date.

6. Is the property currently zoned for the proposed use? If not, what zoning change will be required?

7. Will the proposed project result in the relocation of economic activity from another location within the City? If so, discuss the nature of any anticipated relocations and the impact the relocation would have on the neighborhood where such activity is currently located.

8. State the need and justification for development assistance. Explain how the applicant intends to demonstrate compliance with a "but for" test. Substantiate that other alternative methods of financing have been thoroughly explored.

9. Identify sources, amounts, and status of all debt financing and/or equity funding available to complete the Project. Does the applicant anticipate the debt to be privately financed by the construction lender or developer or publicly sold? Please prepare information in the following table format'.
   Contact Person & Phone #
   Amount
   Term Status

10. Provide an outline of the costs associated with the development of the proposed project(s) and related parcel(s) located within any relevant TIF districts. Identify in the outline those costs you would propose to fund and the proposed payback time or conditions.

11. In one page or less, discuss and document information used to describe the market feasibility of each element of the proposed project. If a formal feasibility or comparable studies have been prepared, attach such reports as an appendix to this application.

12. Estimate the incremental property taxes to be generated by the project.

13. Provide an estimate of the market value of all fixtures and equipment to be used by all owners or tenants of the proposed project which will be taxed as personal property.

14. Identify any proposed tenants of the project. Have leases been negotiated or signed? What type of lease is contemplated?

15. Who will own and operate the developed property?

16. Briefly describe the benefits of the proposed project to the City, particularly in economic and quality of life terms.

17. Attach a letter from a financial institution indicating that the applicant has sufficient financial resources to obtain the private financing for the project.

18. Describe the project schedule:
    Preliminary Construction Start Date:
    Preliminary Construction Completion Date:
    Phasing Anticipated:
    Date Occupied or Opened:

Submit completed application to:

City of Auburn
City Council Information Sheet

Council Workshop or Meeting Date: February 5, 2024 **Ordinances:** 03-01162024 through 04-01162024

Author: Sue Clements-Dallaire, City Clerk

Subject: Reinstating the Board of Assessment Review and the Zoning Board of Appeals and eliminating the Regulatory Advisory Board

---

Information: In 2021, Council voted to adopted the Regulatory Advisory Board to perform the responsibilities of the board of assessment review, and the zoning board of appeals. Staff is proposing to reinstate the Board of Assessment Review (with a few proposed amendments) and the Zoning Board of Appeals and eliminating the Regulatory Advisory Board.

City Budgetary Impacts: None

Staff Recommended Action: Passage of second reading for Ordinance 03-01162024 which will eliminate the Regulatory Advisory Board, and Ordinance 04-01162024 which reinstates the Board of Assessment.

Ordinance 05-01162024 to reinstate the Zoning Board of Appeals will be brought back to the Council for a second reading following a review with the Planning Board.

Previous Meetings and History: Board of Assessment Review and Zoning Board of Appeals combined into the Regulatory Advisory Board in 2021. This was discussed during the January 2, 2024 City Council Workshop to eliminate the Regulatory Advisory Board and reinstate the Board of Assessment Review and the Zoning Board of Appeals. A public hearing was held and each passed the first reading on 1/16/2024.

City Manager Comments:

I concur with the recommendation. Signature: Phillip Crowell Jr.

Attachments: Proposed ordinance amendment striking references to the Regulatory Advisory Board, and ordinances proposing the reinstatement of the Board of Assessment Review and Zoning Board of Appeals Ordinances.

City Council Order

IN CITY COUNCIL

AMENDING ARTICLE V, DIVISION 2, SECTIONS 2-430, 2-431, 2-433, 2-434, 2-435, AND 2-441 OF THE AUBURN CODE OF ORDINANCES STRIKING ALL LANGUAGE REFERENCING THE REGISTRATION BOARD OF APPEALS.

Be it Ordained, that the City Council hereby amends the code of ordinances Article V, Division 2, Sections 2-430, 2-431, 2-433, 2-434, 2-435, and 2-441 of the Auburn Code of Ordinances striking all language referencing the registration board of appeals as seen below.

Sec. 2-430. Membership; responsibility.

~~A board of regulatory advisory shall be appointed by the city council, consisting of seven members.~~

~~The purpose of the regulatory advisory board is to perform the responsibilities of the board of assessment review, board of appeals, and all other regulatory review functions as directed by the city council. The board shall develop such rules to govern its meetings (to include meetings dates and times) and operations as it deems advisable.~~

~~Persons appointed by the city council to serve on other boards, agencies, panels, and or commissions shall not serve concurrently on the regulatory advisory board.~~

(Code 1967, § 5-2.1; Ord. No. 04-02162021, 3-1-2021; Ord. No. 02-01032022, 1-18-2022)

Editor's note(s)—Ord. No. 04-02162021, adopted March 1, 2021 changed the title of § 2-430 from "membership; compensation of members" to "membership; responsibility."

Sec. 2-431. Term of members.

~~The initial terms of office of the members of the regulatory advisory board shall be staggered terms. The city council shall annually appoint one member to serve on the board for a three-year term. Their successors shall be appointed for three-year terms.~~

(Code 1967, § 5-2.2; Ord. No. 05-02162021, 3-1-2021)

Sec. 2-433. Quorum.

~~The regulatory board shall take no official action unless at least three members are present; provided, however, that a lesser number may adjourn the proceedings to a later time. When a regular member of the board is unable to participate in an appeal, the chair shall designate one of the alternate members to replace him.~~

(Code 1967, § 5-2.4; Ord. No. 07-02162021, 3-1-2021)

City Council Order

Sec. 2-434. Rules and regulations for conduct of hearings.

~~The regulatory board may establish such rules and regulations governing the conduct of hearings before it as it may deem necessary consistent with this Code and with state law.~~

(Code 1967, § 5-2.5; Ord. No. 08-02162021, 3-1-2021)

Sec. 2-435. Legal counsel.

~~The regulatory board may have legal counsel present during any appeal hearing to advise on points of law and to assist the board in drafting its final decision.~~

(Code 1967, § 5-2.6; Ord. No. 09-02162021, 3-1-2021)

~~**Sec. 2-441. Compensation of the regulatory board.**~~

~~All members of the regulatory board shall receive annually $600.00, payable quarterly.~~

(Ord. No. 41-11152021, 12-6-2021)

Ordinance 04-01162024

City Council Order

IN CITY COUNCIL

AMENDING THE AUBURN CODE OF ORDINANCES, ARTICLE V, DIVISION 2, SEC. 2-430, 2-431, 2-432, 2-433, 2-434, 2-438, 2-441 TO REINSTATE THE BOARD OF ASSESSMENT REVIEW

BE IT ORDAINED, that the City Council hereby amends the Auburn Code of Ordinances, Article V, Division 2, sec. 2-430, 2-431, 2-432, 2-433, 2-434, 2-438, 2-441 to reinstate the Board of Assessment Review

DIVISION 2. - BOARD OF ASSESSMENT REVIEW
State Law reference— Board of assessment review, 36 M.R.S § 471-A and § 844-N.

Sec. 2-430. - Membership; responsibility.

A board of assessment review (the Board) shall be appointed by the city council, consisting of five regular members and three alternate members, to serve without compensation.

The purpose of the board of assessment review is to hear property tax appeals pursuant to Maine Statute. The Board shall develop such rules to govern its meetings (to include meetings dates and times) and operations as it deems advisable.

Sec. 2-431. - Term of members.

The initial terms of office of the members of the board of assessment review shall be staggered terms. The city council shall annually appoint members to serve on the board for three-year terms. Their successors shall be appointed for three-year terms.

Sec. 2-432. - Assessment review appeals procedure.

When written application is made by a taxpayer for a review of a refusal by the tax assessor to grant a request for an abatement, the board of assessment review shall, within 14 days of the receipt of such request, set a date for hearing, of which the applicant shall receive at least seven days' written notice. In its conduct of the hearing the Board shall act as an impartial panel to receive evidence from the appellant and the assessor, advocating for neither party in rendering a decision. The Board shall conform that decision to all applicable statutes. At such hearing the applicant shall have the right to be heard in person, to present witnesses, to examine the tax assessor and any witnesses presented on behalf of the Assessing Department, and to be represented by counsel. Upon the evidence presented, the Board shall determine whether the applicant has met their burden of proof and may grant such reasonable abatement of their assessment as it determines to be proper.

Richard S. Whiting, Ward One
Benjamin J. Weisner, Ward Four
Belinda A. Gerry, At Large
Timothy M. Cowan, Ward Two
Leroy G. Walker, Sr., Ward Five
Jeffrey D. Harmon, Mayor
Stephen G. Milks, Ward Three
Adam R. Platz, At Large
Phillip L. Crowell, Jr., City Manager

City Council Order

The board of assessment review must provide written notice of the decision on an appeal within 60 days of receiving the appeal unless the taxpayer agrees to an extension of the decision deadline.

Sec. 2-433. - Quorum.

The board of assessment review shall take no official action unless at least three members are present; provided, however, that a lesser number may adjourn the proceedings to a later time. When a regular member of the board is unable to participate in an appeal, the chair shall designate one of the alternate members to serve in place of any absent member.

Sec. 2-434. - Rules and regulations for conduct of hearings.

The board of assessment review may establish such rules and regulations governing the conduct of hearings before it as it may deem necessary consistent with this Code and with state law.

Sec. 2-435. - Legal counsel.

The board of assessment review may have legal counsel present during any appeal hearing to advise on points of law and to assist the board in drafting its final decision.

City of Auburn
City Council Information Sheet

Council Workshop or Meeting Date: February 5, 2024 **Ordinance:** 06-01162024

Author: Sue Clements-Dallaire, City Clerk

Subject: Amending Sec. 2-466 of the Code of Ordinances correcting the Planning Board Compensation language

---

Information: In December of 2021, Council voted to adopt section 2-466 (g) of the code adding ***"All members of the planning board, regular and associate, shall receive annually $1,200, payable quarterly, with an effective date of January 1, 2022"***. When this was adopted, the compensation language in section 2-466 (a) that stated "***Members shall serve without compensation"*** did get get removed.

Passage of this ordinance amendment will clean up that language.

City Budgetary Impacts: None

Staff Recommended Action: Recommend passage.

Previous Meetings and History: Public hearing and first reading held on 01/16/2024.

City Manager Comments:

I concur with the recommendation. Signature: Phillip Crowell Jr.

Ordinance 06-01162024

City Council Order

IN CITY COUNCIL

Amending Chapter 2, Article V, Division 4, Sec. 2-433 (a) of the Auburn Code of Ordinances striking the language regarding compensation

Be it ordained, that the City Council hereby amends Chapter 2, Article V, Division 4, Sec. 2-433 (a) of the Auburn Code of Ordinances striking the language regarding compensation as shown below.

Sec. 2-466. Membership: appointment, removal, terms, vacancies.

(a) There shall be a planning board of seven regular and two associate members. Members of the planning board shall be residents of the city. Persons appointed by the city council to serve on other boards, agencies, panels, and or commissions shall not serve concurrently on the planning board. ~~Members shall serve without compensation.~~

(b) Regular members of the planning board shall be appointed by the city council for terms of three years. Such terms shall be staggered so that the term of not more than three members shall expire in any calendar year. Incumbent members of the planning board shall serve for the balance of their terms and thereafter until their successors are appointed.

(c) The city council shall appoint two associate members for a term of three years each. Such terms shall be staggered so that the terms of not more than one associate member, expires in any calendar year. Associate members may participate in deliberations of the planning board but shall not vote unless temporarily acting on behalf of a regular member who is absent or has been recused.

(d) Permanent vacancies on the planning board shall be filled by the city council for the unexpired term of the former member.

(e) Any member of the planning board may be removed for cause by the city council at any time; provided, however, that before removal such members shall be given an opportunity to be heard in his own defense at a public hearing before the city council.

(f) The planning board may appoint a high school student advisory representative who is a high school student residing in Auburn for a one year term. The student advisory representative may participate in deliberations of the planning board but shall not be entitled to vote.

(g) All members of the planning board, regular and associate, shall receive annually $1,200.00, payable quarterly, with an effective date of January 1, 2022.

Passage of first reading on 1/2/2024 7-0.

City of Auburn
City Council Information Sheet

Council Workshop or Meeting Date: February 5, 2024 **Order:** 17-02052024

Author: Katherine Cook, Planning Coordinator

Subject: First reading, Public Hearing: Consider amending the Comprehensive Plan Future Land Use Plan map in the Comprehensive Plan to designate City Assessor's Parcel I.D.s 174-004, 174-004-001 and 174-004-002 land use as Suburban Development District.

Information: At the January 9th, 2024 Planning Board meeting, the Board voted to recommend that City Council amend the Future Land Use Plan map in the Comprehensive Plan to designate parts of City Assessor's Parcel I.D.s 174-004, 174-004-001 and 174-004-002 land use from Agriculture District to Suburban Development District following the FEMA 1% chance annual floodplain boundary. Their decision followed the findings that 1.) the proposed amendment aligns with the growth patter existing across along Riverside Drive; 2.) Sec. 2-475(2)- Jurisdiction and authority states that among other powers, the planning board has the jurisdiction and authority to prepare and recommend to the city council changes in and amendments to the comprehensive plan as necessary, and 3.) The proposed future land use plan amendment is supported by the text of the Comprehensive Plan.

The Planning Board recommended initiating a Comprehensive Plan Future Land Use Plan Map Amendment at the December 12th, 2023 Meeting to be considered with the petition to rezone Parcel I.D. 174-004-001. Discussion at the meeting indicated that the Planning Board felt the zoning on three Parcels, 174-004, 174-004-001, and 174-004-002, should be amended to Rural Residential to match the zoning southerly along Riverside Drive, but that they were more comfortable considering this after a Comprehensive Plan Future Land Use Map had been made to follow this pattern.

The proposal to recommend amending the Comprehensive Plan Future Land Use Plan Map is consistent with the land use patterns in the Riverside Drive area. Chapter 2, Sec. 1 of the Auburn Comprehensive Plan specifies that "The Suburban Development District (SD) allows for the development of a limited range of residential and community uses at a density of 6-8 units per acre in areas that are served or can be served by public/ community sewerage and/or public/community water. The Suburban Development District, which the Planning Board recommends overlay this area, generally follows the boundaries of the Suburban Residence and Multifamily Suburban zoning Districts except in this case along Riverside Drive, where the Suburban Development District follows the existing RR district abutting the three parcels considered.

City Budgetary Impacts: None known.

Planning Recommended Action: The Planning Board recommends City Council vote favorably to amend the Future Land Use Plan by updating the future development pattern on the three parcels from the Agriculture District to the Suburban Development District for the reasons listed in the Planning Board's Finding of Facts.

Previous Meetings and History: January 9th, 2024 PB meeting

City Manager Comments:

Consider the proposed recommendation. Signature: Phillip Crowell Jr.

To: Auburn City Council
From: Auburn Planning Board
Subject: Planning Board Recommendation on Comprehensive Plan Amendment Near Riverside Drive
Date: 02/05/2024

This is the report from the Planning Board regarding the attached map amendment pursuant to Section 60-1496 of the City of Auburn Ordinances. After notice and Public Hearings held on January 9th, 2024, the Planning Board forwards this report to the City Council.

PUBLIC HEARING/ COMPREHENSIVE PLAN MAP AMENDMENT: Consider amending the Future Land Use Plan map in the Comprehensive Plan to designate City Assessor's Parcel I.D.s 174-004, 174-004-001 and 174-004-002 land use as Suburban Development District. The Future Land Use Plan is not a zoning map. It is intended to show, in a general sense, the desired pattern of future land use and development. This map amendment is supported in the text of the Comprehensive Plan and was initiated by the Planning Board.

Motion: To recommend amending the Future Land Use Plan map in the Comprehensive Plan to designate parts of City Assessor's Parcel I.D.s 174-004, 174-004-001 and 174-004-002 land use from Agriculture District to Suburban Development District following the FEMA 1% chance annual floodplain boundary as shown on the attached sketch map prepared for the January 9th, 2024, Planning Board meeting: Dave Trask; **Second:** Darren Finnegan.

Amended: to add the text "with the findings of fact that: (1) The proposed amendment aligns with the growth pattern existing across along Riverside Drive. (2) Sec. 2-475(2)- Jurisdiction and authority states that among other powers, the Planning Board has the jurisdiction and authority to prepare and recommend to the city council changes in and amendments to the Comprehensive Plan as necessary. (3) The proposed future land use plan amendment is supported by the text of the Comprehensive Plan: Evan Cyr; **Second:** Dave Trask;

Vote: 5-1-0 **Motion carries**

City of Auburn, Maine
Office of Planning & Permitting
Eric Cousens, Director
60 Court Street | Auburn, Maine
04210 www.auburnmaine.gov |
207.333.6601

Date: January 5, 2024
To: Auburn Planning Board
From: Katherine Cook, Planning Coordinator
Subject: Staff Report on Comprehensive Plan Map Amendment

I. Proposal: Public Hearing/ Comprehensive Plan Map Amendment: Consider amending the Future Land Use Plan map in the Comprehensive Plan to designate City Assessor's Parcel I.D.s 174-004, 174-004-001 and 174-004-002 land use as Suburban Development District. The Future Land Use Plan is not a zoning map. It is intended to show, in a general sense, the desired pattern of future land use and development. This map amendment is supported in the text of the Comprehensive Plan.

II. Background: In November, the Planning Board considered a petition signed by at least 25 registered Auburn voters to amend the zoning map for Parcel I.D. 174-004-001 along Riverside Drive. The parcel to be rezoned belongs to Robert Gagnon and was one of three parcels designated Agriculture and Resource Protection (AG or AGRP) with zone boundaries following these three property lines instead of the Low-Density Rural Residence or Rural Residential (RR) zoning district following the FEMA flood plain map (not the property lines) as are the parcels extending south along Riverside Drive after crossing under the Maine Turnpike. Mr. Gagnon's proposed amendment is a parcel between two other parcels which are currently zoned AGRP.
The Planning Board questioned whether changing the zoning of just Mr. Gagnon's parcel would constitute a spot zone. The Board tabled the decision in December and asked to review a map that follows the FEMA floodplain and includes amending the zoning of both abutting parcels from AGRP to RR in addition to the petitioned parcel. The total zoning map amendment consideration at this time became changing 18.2 +/- acres from AGRP to RR. They concluded the following parcels:

- PID 174-004 1.30 Acres
- PID 174-004-001 9.50 Acres
- PID 174-004-002 7.40 Acres

Zoning map amendments are recommended by the Planning Board if they follow the Comprehensive Plan text and general land use development patterns. "The Future Land

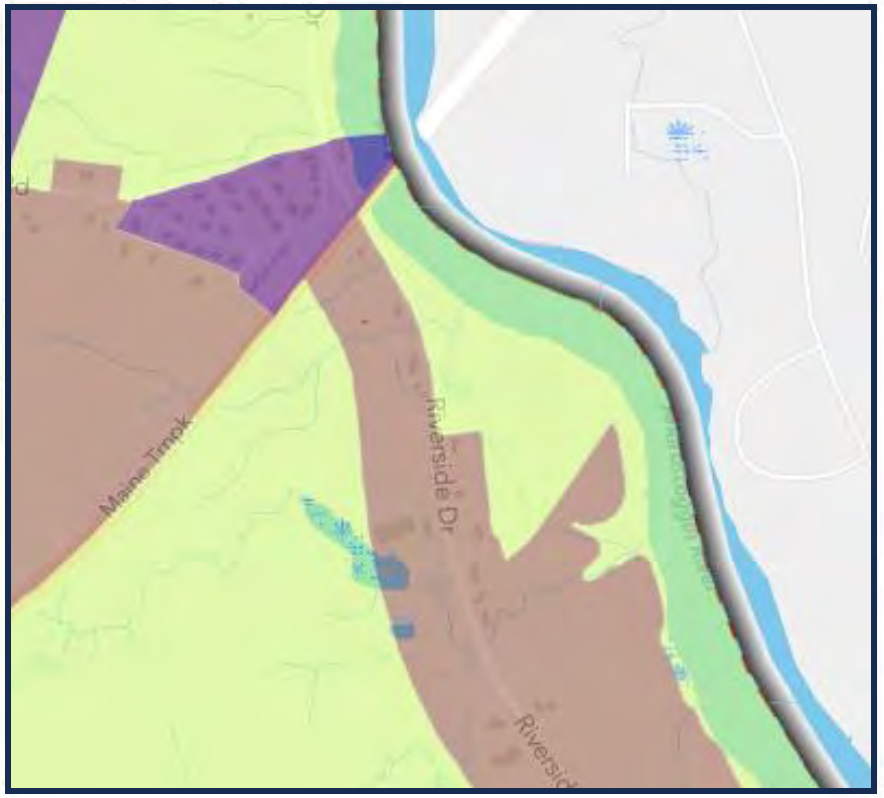
Use Plan (FLUP) shows graphically how the City's land use policies apply to the land area of the community, and where and how growth and development should and should not be accommodated over the next decade".

At the December meeting, the city staff recommended amending the zoning map from AGRP to RR on the above listed three parcels following the floodplain because this would continue the zoning pattern existing south along abutting parcels on Riverside Drive. The board instead asked the city staff to prepare a Future Land Use Plan (FLUP) amendment updating the future development pattern on the three parcels from the Agriculture District to the Suburban Development District, which follows the same boundaries as the current designated RR zoning district. The zoning change may be recommended by the board with or without a recommendation to also amend the Comprehensive Plan, because the board has the flexibility, designated in its language to generally guide development, chapter 2 states, "*The Future Land Use Plan is not a zoning map. It is intended to show, in a general sense, the desired pattern of future land use and development. The intention is that the FLUP will guide near-term revisions to the city's zoning ordinance and maps to ensuring the city's land use regulations are consistent with the policies set forth in this Comprehensive Plan. In addition, by designating transitional districts, the Future Land Use Plan is designed to guide future zoning changes when the circumstances become appropriate."*

The Planning Board asked to consider a Comprehensive Plan amendment to reflect the development pattern along the rest of the Riverside Drive. Recommending zoning map amendments alone is within the Planning Board's range of authority, as is recommending amendments to the Comprehensive Plan, including the Future Pland Use Plan. Sec. 2-475(2)- Jurisdiction and authority states that among other powers, the Planning Board has the jurisdiction and authority to "*prepare and recommend to the city council changes in and amendments to the comprehensive plan as necessary.*"

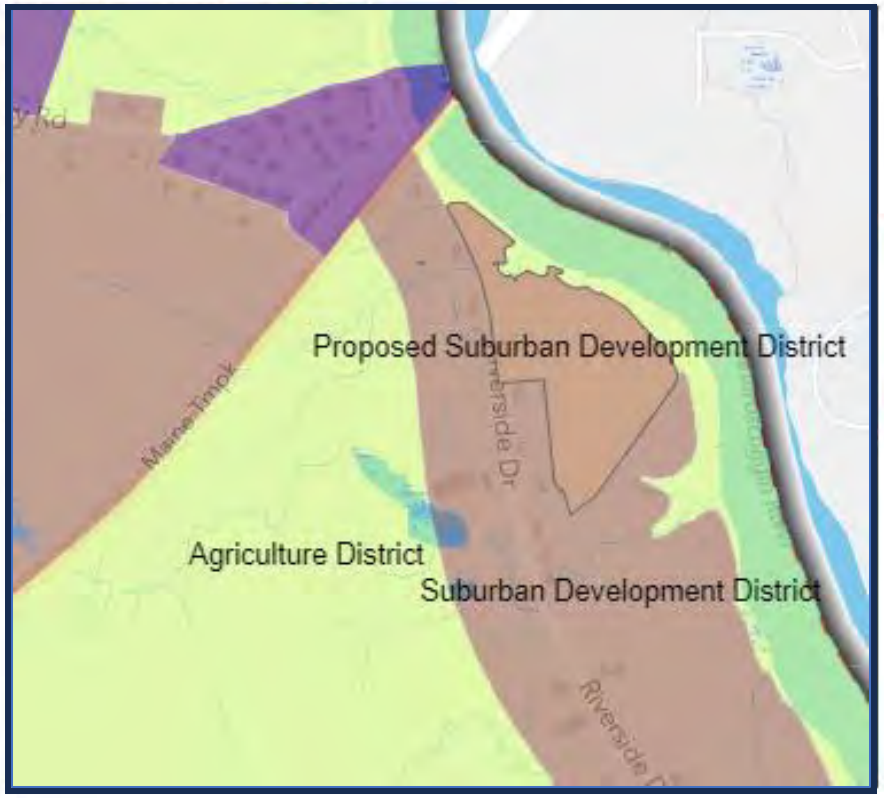
Amending the Comprehensive Plan is consistent with the text and authority allotted within the Comprehensive Plan and is consistent with existing land use patterns. Chapter 2, Sec. 1 of the Auburn Comprehensive Plan specifies that *"The Suburban Development District (SD) allows for the development of a limited range of residential and community uses at a density of 6-8 units per acre in areas that are served or can be served by public/ community sewerage and/or public/community water. The Suburban Development District generally follows the boundaries of the Suburban Residence and Multifamily Suburban zoning Districts".* One exception is along Riverside Drive, where the Suburban Development District follows the existing RR district abutting the three parcels considered. RR is a lower density and intensity use than SR.

III. Planning Board Action: Staff recommends that the Planning Board hold a public hearing and make a favorable recommendation to the city council to amend the Comprehensive Plan.



IV. Suggested Finding of Fact:

1. The proposed amendment aligns with the growth patter existing across along Riverside Drive



2. Sec. 2-475(2)- Jurisdiction and authority states that among other powers, the Planning Board has the jurisdiction and authority to prepare and recommend to the city council changes in and amendments to the Comprehensive Plan as necessary.
3. The proposed future land use plan amendment is supported by the text of the Comprehensive Plan.

V. Suggested Motion: I make a motion to recommend amending the Future Land Use Plan map in the Comprehensive Plan to designate parts of City Assessor's Parcel I.D.s 174-004, 174-004-001 and 174-004-002 land use from Agriculture District to Suburban Development District following the FEMA 1% chance annual floodplain boundary as shown on the attached sketch map prepared for the January 9th, 2024, Planning Board meeting.

ORDER 17-02052024

City Council Ordinance

IN CITY COUNCIL

TITLE: Comprehensive Plan Future Land Use Plan Map Near Riverside Drive.

ORDERED, that the City Council hereby approves the amendment of the Future Land Use Plan map in the Comprehensive Plan as follows:

Amend the Future Land Use Plan map in the Comprehensive Plan to designate City Assessor's Parcel I.D.s 174-004, 174-004-001 and 174-004-002 land use as Suburban Development District following the 1% Chance FEMA Flood Hazard Line.

City of Auburn
City Council Information Sheet

Council Workshop or Meeting Date: February 5, 2024 **Ordinance:** 07-02052024

Author: Katherine Cook, Planning Coordinator

Subject: First reading and Public Hearing: Consider the Petition-initiated proposal to amend Parcel ID 174-004-001 from the Agriculture and Resource Protection (AGRP) zoning district to the Low-Density Rural Residence or Rural Residence (RR) zoning district located on Riverside Drive

---

Information: At the November 14th, 2023 Planning Board meeting, the Planning Board tabled the petition initiated by Robert Gagnon requesting to amend the zoning on one parcel to rezone a parcel on Riverside Drive, P.I.D. 174-004-001 from the Agriculture and Resource Protection zoning district to the Rural Residential zoning district with the concern that changing the zoning on one parcel while the two parcels abutting Mr. Gagnon's would remain zoned AGRP would amount to spot zoning. The Board asked to see another map amendment option in the following month which incorporated P.I.D.s 174-004 and 174-004-002 in addition to the original proposed change.

The following month, at the December 12th 2023 meeting, the Planning Board reviewed map amendment they initiated which included the parcel that was the subject of the petition with the two additional parcels. The PB voted to table the decision on both the petition-initiated amendment and the PB initiated amendment so they could initiate a Comprehensive Plan Future Land Use map change concurrently.

Finally, on the January 9th Planning Board meeting, the PB voted to take the petition off the table and made a motion to recommend against amending Parcel I.D. 174-004-001 from AGRP to RR with the finding that rezoning a single parcel creates a discontinuity for land use in the area and is inconsistent with the Future land Use Plan.

City Council has the option to deny this petition request for the reasons recommended by the Planning Board or may vote to approve this zoning amendment on the single parcel initiated by the petition, or the three parcels together initiated by the planning board. The single parcel in question is depicted in the FLUP as Agricultural but is abutting RR Designated land and would constitute a natural and predictable expansion of the Rural Residential zone following the pattern of several lots running southerly along Riverside Drive.

The City Council tonight will also vote on whether to amend the zoning on the Planning Board initiated zoning and Comprehensive Plan Future Land Use Plan map amendments. That is a separate decision from this one.

City Budgetary Impacts: None known.

Planning Board Recommended Action: The Planning Board recommends City Council not to approve the Petition-initiated proposal to amend Parcel ID 174-004-001 from the Agriculture and Resource Protection (AGRP) zoning district to the Low-Density Rural Residence or Rural Residence (RR) zoning district located on Riverside Drive

Previous Meetings and History: November 14th, 2023, December 12th, 2023, January 9th, 2024 PB meetings

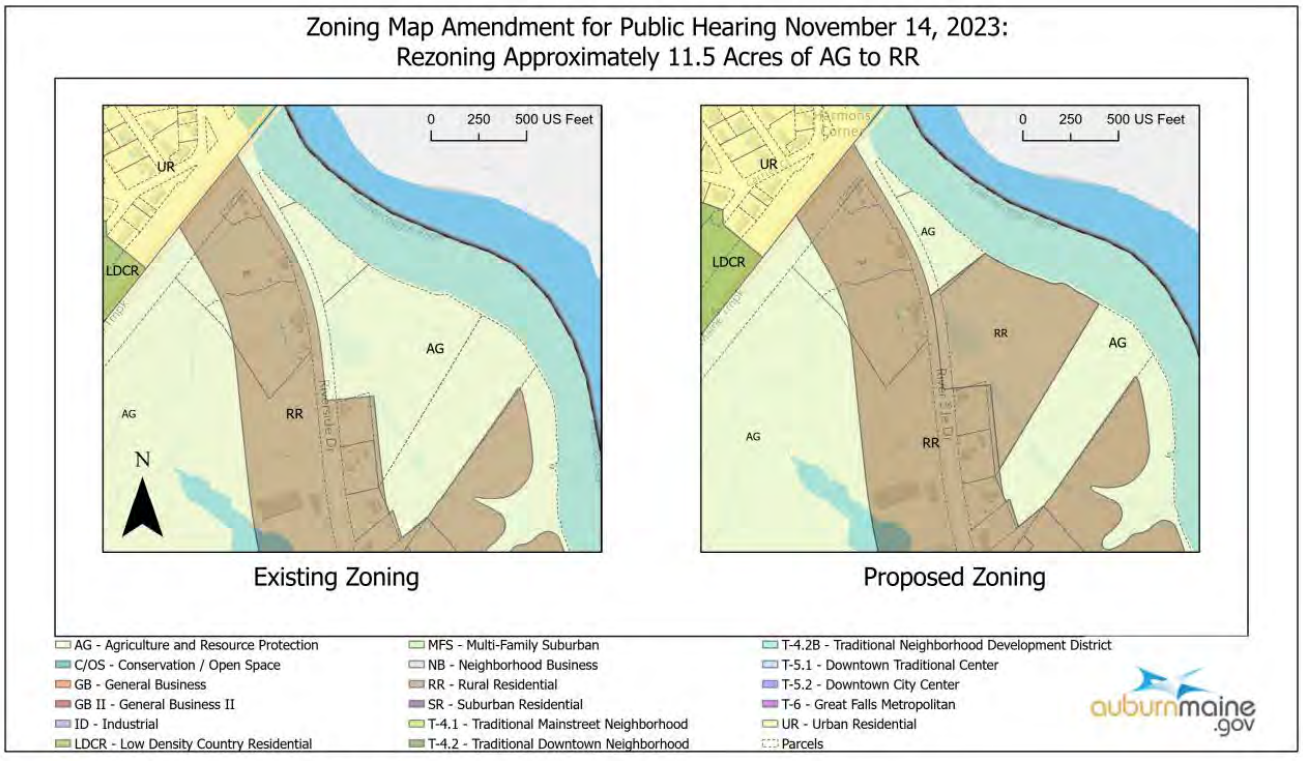
Subject: Planning Board Recommendation on Petition-initiated Map Amendment Near Riverside Drive
Date: 02/05/2024

This is the report from the Planning Board regarding the attached map amendment pursuant to Section 60-1496 of the City of Auburn Ordinances. After notice and Public Hearings held on January 9th, 2024, the Planning Board forwards this report to the City Council.

PUBLIC HEARING/ MAP AMENDMENT: Consider amending the official zoning map of the City of Auburn entitled "City of Auburn, Zoning Map, dated May 16, 2016," revised through its current date and revisions, as provided under Sec. 60-5 of the Zoning Ordinance by amending City Assessor's Parcel ID 174-004-001 from the Agriculture and Resource Protection (AGRP) zoning district to the Low-Density Rural Residence or Rural Residence (RR) zoning district. This parcel is located on Riverside Drive. This zoning amendment has been initiated via petition and is pursuant to Chapter 60, Article XVII, Division 2 Amendment to the Zoning Ordinance or Zoning Map.

Motion: To take from the table item #3 from the December 12, 2023 Planning Board meeting agenda, which consisted of a zoning map change initiated by a citizen petition: Evan Cyr; **Second**: Dave Trask; **Vote**: 6-0-0 **Motion carries**



Motion: To forward a recommendation to City Council to not amend the zoning map of the City of Auburn entitled "City of Auburn, Zoning Map, dated May 16, 2016," revised through its current date and revisions, as provided under Sec. 60-5 of the Zoning Ordinance by amending City Assessor's Parcel I.D. 174-004-001 and located on Riverside Drive, from the Agriculture and Resource Protection (AGRP or AG) zoning district to the Low-Density Rural Residence or Rural Residence (RR) zoning district following the interior 0.2% flood hazard line with the findings that rezoning a single parcel creates a discontinuity for land use in the area and is inconsistent with the future land use plan; **Second:** Tim DeRoche; **Vote:** 6-0-0. **Motion carries**

To: Auburn Planning Board
From: Katherine Cook, Planning Coordinator
Subject: Staff Report on Zone Change Petition for Parcel ID 074-004-001 on Riverside Drive

I. Proposal: Public Hearing/ Map Amendment:

Consider amending the official zoning map of the City of Auburn entitled "City of Auburn, Zoning Map, dated May 16, 2016," revised through its current date and revisions, as provided under Sec. 60-5 of the Zoning Ordinance by amending City Assessor's Parcel ID 174-004-001 from the Agriculture and Resource Protection (AGRP) zoning district to the Low-Density Rural Residence or Rural Residence (RR) zoning district. This parcel is located on Riverside Drive. This zoning amendment has been initiated via petition and is pursuant to Chapter 60, Article XVII, Division 2 Amendment to the Zoning Ordinance or Zoning Map.

Source: City of Auburn, Zoning Map, dated May 16, 2016

Materials:

1. Petition and Receipt
2. Zoning Map Amendment for Public Hearing November 14, 2023: Rezoning Approximately 11.5 Acres of AG to RR

II. Background:

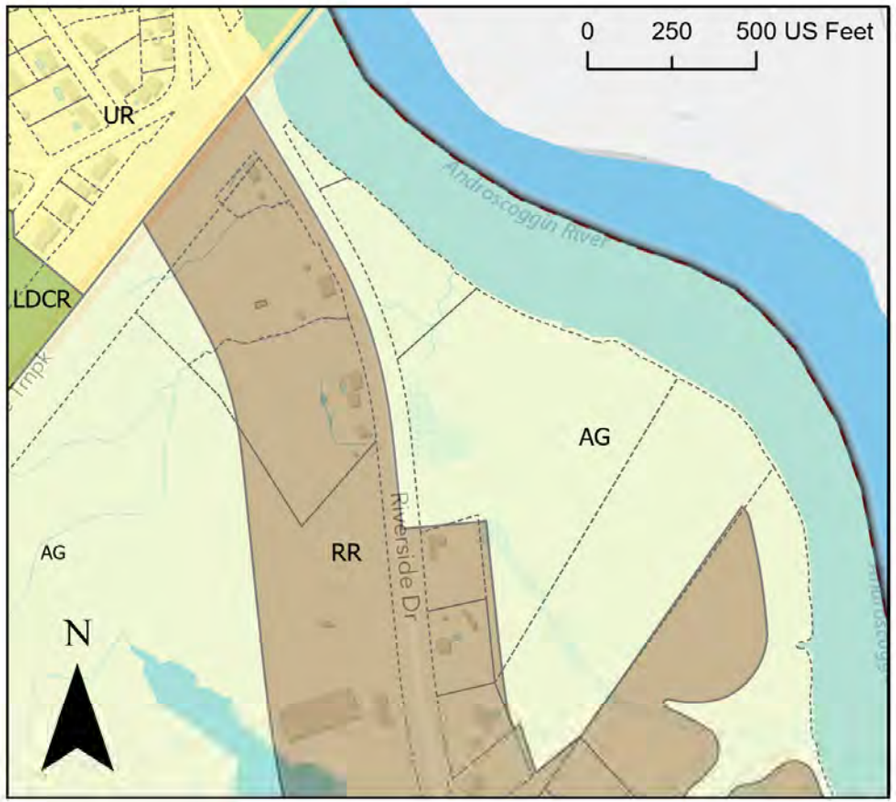
Amendments to the zoning ordinance, including the zoning map, may be initiated by the Planning Board on its own initiative or upon request by the City Council or by a petition signed by not less than 25 registered voters of the city (Ord. of 9-21-2009, Sec. 8.1A)
One of the primary tests of a zone change is its conformance with the Comprehensive Plan.

The 2021 Comprehensive Plan provides two standards and mechanisms to consider if rezoning the parcel is logical.
"The Future Land Use Plan (FLUP) shows graphically how the City's land use policies apply to the land area of the community, and where and how growth and development should and should not be accommodated over the next decade. The Future Land Use Plan is not a zoning map. It is intended to show, in a general sense, the desired pattern of future land use and development. The intention is that this Future Land use Plan will guide near-term revisions to the City's zoning ordinance and maps to assure that the City's land use regulations are consistent with the policies set forth in this Comprehensive Plan. In addition, by designating transitional districts, the Future Land Use Plan is designed to guide future zoning changes when the circumstances become appropriate.

This parcel is shown in the FLUP as Agricultural, but the parcel is abutting with RR designated land. Staff believe this is a natural and logical expansion of the Rural Residential zone on Mr. Gagnon's parcel.

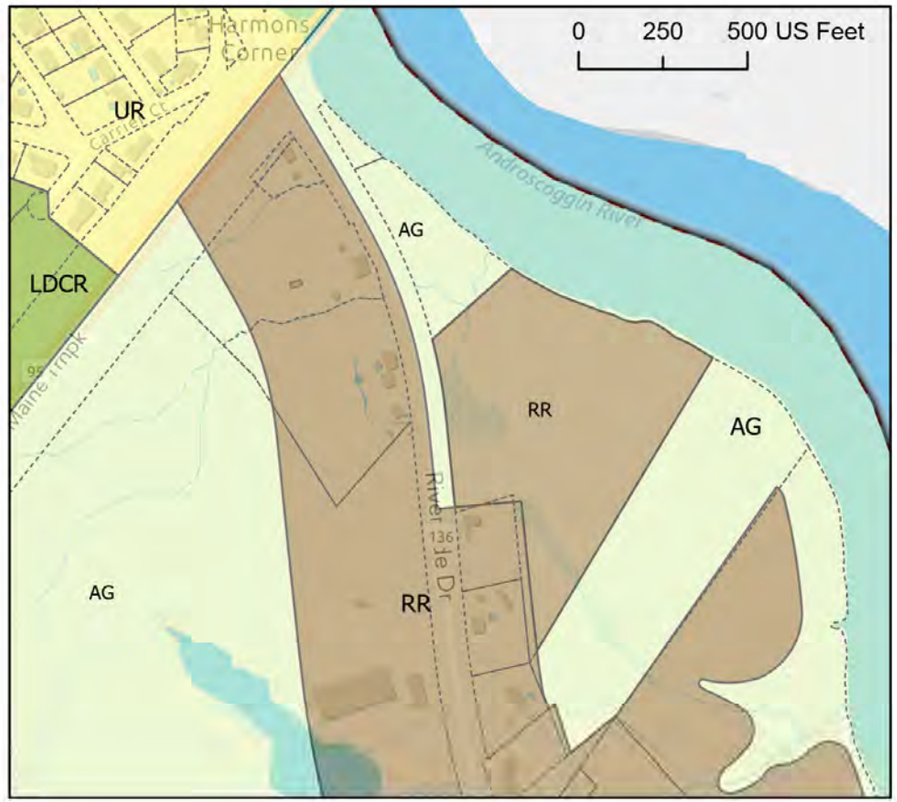
Planning Board Action:

Staff recommends that the planning board hold a Public Hearing and make a favorable recommendation to City Council on the proposal.



III. Suggested Finding of Fact:

1. The applicant submitted rezoning petitions and signatures, City Zoning maps with Parcels identified, 500' abutters list, and plans on October 6, 2023, thus meeting the time frame and submission standards (Sec. 60-1446). The 25 plus signatures have been attested by the City Clerks office.
2. The proposal can be implemented without detriment to city resources.
3. The proposal meets the general future land use plan pattern of development and is consistent with the current comprehensive plan.
4. The zone change will occur outside the Lake Auburn watershed.



V. Suggested Motion:

I make a motion to forward a favorable recommendation to City Council to amend the official zoning map of the City of Auburn entitled "City of Auburn, Zoning Map, dated May 16, 2016," revised through its current date and revisions, as provided under Sec. 60-5 of the Zoning Ordinance by amending City Assessor's Parcel ID 174-004-001 from the Agriculture and Resource Protection zoning district to the Low-Density Rural Residence or Rural Residence zoning district."

Zoning Map Amendment for Public Hearing November 14, 2023:

REZONING PETITION

We, the undersigned registered voters of the City of Auburn, do herein petition the City of Auburn to amend the Agricultural/Rural zoning portion of the zoning ordinance on (PID 174-004-001) to allow for a Zone change of AG – Agricultural and Resource Protection to Rural Residential to support housing opportunities in an otherwise residential zoned neighborhood along Riverside Drive (see attached map). The property has not been in agricultural use for the last 30 years. The abutting lot in common is currently zoned Rural Residential and is owned in common by Robert Gagnon who lives at 944 Riverside Drive.

One of the primary tests of a zone change is its conformance with the Comprehensive Plan. The proposed Future Land Use Plan as part of the 2021 Comprehensive Plan update process has this area zoned as Rural Residential. The lot could be considered spot zoned AG-with Rural Residential all around the lot. Majority of the lot is outside the floodplain.

DIVISION 4. LOW DENSITY RURAL RESIDENCE DISTRICT

Sec. 60-228. Purpose.

This district is intended to provide for low density rural residential areas while protecting adjacent agriculture and resource protection districts, allowing a degree of residential development compatible with maintenance of environmental quality and preservation of the open character of the area.

(Ord. of 9-21-2009, § 3.41A)

Sec. 60-229. Use regulations.

(a) *Permitted uses.* The following uses are permitted:

(1) All uses permitted in the Agriculture and Resource Protection District pursuant to section 60-145(a), except 60-145(a)(14) and (15).

(2) One-family detached dwellings.

(3) Two-family dwellings.

(4) Attached single-family dwellings, provided that they are approved by the planning board as part of a planned residential unit development and subdivision, under the provisions of division 9 of article IV and division 4 of article XVI of this chapter.

(5) Mobile home parks, subject to the requirements and conditions of section 60-669, mobile home park standards.

(6) Licensed veterinarians provided that the lot is of at least three acres.

(7) Wayside stands.

(8) Accessory uses, buildings or structures.

(9) Lawn maintenance services.

(10) Municipal uses and buildings.

(b) *Special exception uses.* The following uses are permitted by special exception after approval by the planning board in accordance with the provisions of division 3 of article XVI of this chapter:

(1) Radio, radar, television and radio-telephone transmitting or broadcasting towers, but not studios or offices for such transmitting or broadcasting, provided that:

a. Every such tower shall be installed in a location and manner that ensures its safe operation and the safety of the surrounding residents, buildings occupants, land uses and properties.

b. In no case shall such tower be located less than 1½ times its height from the nearest property line.

(2) Care homes, lodginghouses and boardinghouses.

(3) Recreational uses of land intended or designed for public use, subject to the following conditions:

a. No such recreational use shall be expanded or extended so as to occupy additional land area greater than 20 percent of the original area or one acre, whichever is less; or by the construction of a structure or an addition to an existing structure by more than 900 square feet of additional floor space unless the owner or occupant first obtains approval of the planning board.

b. Any proposed new or expanded recreational use shall be completed on or before the estimated completion date except that the planning board may grant reasonable extension of time where good cause for the failure to complete is shown.

(4) Child day care centers, provided that:

a. They are located on arterial and collector streets as defined in the Auburn Tomorrow Comprehensive Plan.

b. They shall not be located closer than 1,000 feet from other established day care centers.

c. These standards shall not apply to section 60-52.

(5) Cemeteries, provided that:

a. At least 20 acres in area.

b. Not located in any environmental overlay district or over any known aquifer.

(6) Community-based residential facilities, provided that:

a. The minimum distance between any two such facilities shall be 1,500 feet.

b. Any such facility shall house no more than eight persons.

(7) Licensed kennels provided that there shall be available land area of at least three acres.

(8) Training schools.

(9) Handling, storage and sale of agricultural services, equipment, and supplies accessory to the farming use.

(10) Adult day centers.

(11) Landscape services.

(12) Wholesale nurseries, subject to the following conditions:

a. At least one-half of the area of the lot (up to a maximum of three acres) is in active nursery production in a husband type manner.

b. The plants and trees propagated, grown and nurtured in the nursery are used as the primary products by the owner/operator of the landscape service.

(13) Schools.

(14) Churches or temples.

(15) Libraries.

(16) Museums.

(17) Adaptive reuse of structures of community significance.

(18) Public safety services.

a. All projects shall provide a community impact and needs analysis with review and approval from city council or its designee.

(19) Government services.

a. All projects shall provide a community impact and needs analysis with review and approval from city council or its designee.

(20) Government offices.

a. All projects shall provide a community impact and needs analysis with review and approval from city council or its designee.

(21) Municipal or public utilities and communication facilities.

(Ord. of 9-21-2009, § 3.41B; Ord. No. 05-04032017, § 2, 4-24-2017; Ord. No. 12-08192019, 9-9-2019; Ord. No. 11-03012021, § 12, 3-15-2021; Ord. No. 02-02132023, 2-17-2023)

Sec. 60-230. Dimensional regulations.

All structures in this district, except as noted, shall be subject to the following dimensional regulations:

(1) *Minimum lot area, width and depth.* No lot shall be created and/or no building shall be erected on a lot containing less than 43,560 square feet and measuring less than 250 feet in width. No lot shall be less than 150 feet in depth. The keeping of horses, mules, cows, goats, sheep, hogs, and similar sized animals for domestic use of the residents of the lot is permitted, provided that the land area required per animal unit conforms to the definition of farm, livestock contained in section 60-2.

(2) *Density.* The density of dwelling units shall not exceed an average of one dwelling per acre.

(3) *Yard requirements.*

a. *Rear.* There shall be behind every building a rear yard having a minimum depth of 25 feet or 25 percent of the average depth of lot, whichever is less.

b. *Side.* There shall be a minimum distance of five feet between any building and the side property line plus the side yard setback shall be increased one foot for every five feet or part thereof increase in street frontage over 50 feet to a maximum of 15 feet for side yard setback.

c. *Front.* There shall be in front of every building a front yard having a minimum depth of 25 feet or 25 percent of the average depth of the lot whichever is less.

(4) *Height.* The height of all dwelling structures shall be limited to two and one-half stories or 35 feet in height. A public building, church or temple, and accessory buildings and structures may have a maximum height of 65 feet from grade, provided that the front yard, rear yard, and each of the side yards shall be increased by one foot for each foot in height in excess of 35 feet.

(5) *Off-street parking.* Off-street parking spaces shall be provided in accordance with the requirements of specific uses as set forth in article V of this chapter.

(Ord. of 9-21-2009, § 3.41C; Ord. No. 11-03012021, §§ 13, 14, 3-15-2021)

Secs. 60-231—60-253. Reserved.

City Council Ordinance

IN CITY COUNCIL

TITLE: Zoning Map Amendment Rezoning Certain Land from AGRP to RR

BE IT ORDAINED, that the City Council hereby approves the amendment of Chapter 60, Zoning, of the Code of Ordinances as follows:

Amend the official zoning map of the City of Auburn entitled "City of Auburn, Zoning Map, dated May 16, 2016," revised through its current date and revisions, as provided under Sec. 60-5 of the Zoning Ordinance, by amending part of City Assessor's Parcel ID 174-004-001 from the Agriculture and Resource Protection (AGRP) zoning district to the Low-Density Rural Residence or Rural Residence (RR) zoning district following the 1% Chance FEMA Flood Hazard Line.

City of Auburn
City Council Information Sheet

Council Workshop or Meeting Date: February 5, 2024 **Ordinance:** 08-02052024

Author: Katherine Cook, Planning Coordinator

Subject: First reading and Public Hearing: Consider the Planning Board initiated amendment to change part of 174-004, 174-004-001 and 174-004-002 located on Riverside Drive, from the Agriculture and Resource Protection (AGRP) zoning district to the Low-Density Rural Residence or Rural Residence (RR) zoning district.

Information: At the December 12th 2023 Planning Board meeting, the Board tabled the petition initiated by Robert Gagnon requesting to amend the zoning on one parcel on Riverside Drive, P.I.D. 174-004-001 from the Agriculture and Resource Protection zoning district to the Rural Residential zoning district. This decision was tabled because the Board stated that changing the zoning on one parcel would amount to spot zoning if the two parcels abutting Mr. Gagnon's remained zoned AGRP. The Board asked to see another map amendment option in the following month which incorporated P.I.D.s 174-004 and 174-004-002 in addition to the original proposed change.

The following month, at the December 12th, 2023, Planning Board meeting, the Planning Board reviewed a map amendment they initiated which included the parcel that was the subject of the petition with two additional parcels. The Planning Board voted to table the decision on both the petition-initiated amendment (one parcel only) and the Planning Board-initiated amendment (3 parcels) so they could initiate a Comprehensive Plan Future Land Use map change concurrently.

Finally, on the January 9th Planning Board meeting, the Board took a vote which resulted in a tie to recommend amending Parcel I.D.s 174-004, 174-004-001 and 174-004-002. A tie vote does not get approved. Following the failure of this motion, the Planning Board voted to not amend Parcel I.D.s 174-004, 174-004-001 and 174-004-002, but did not make specific findings.

City Council has the option to approve or deny approve this zoning amendment on these three parcels. Staff understands both options could be consistent with the Comprehensive Plan.

City Budgetary Impacts: None known.

Planning Board Recommended Action: The Planning Board recommends that the City Council vote not to approve the proposal to amend zoning map by amending part of 174-004, 174-004-001 and

174-004-002 located on Riverside Drive, from the Agriculture and Resource Protection (AGRP) zoning district to the Low-Density Rural Residence or Rural Residence (RR) zoning district following the annual 2% Flood Hazard Line based on the Planning Board Recommendation.

Previous Meetings and History: November 14th, 2023, December 12th, 2023, January 9th, 2024, PB meetings; Sketch Map for Public Hearing December 12, 2023, Rezoning Approximately 19 Acres of AG to RR; Division 4 Low Density Rural Residential Zoning District Regulations.

City Manager Comments:

Consider the proposed recommendation. Signature:

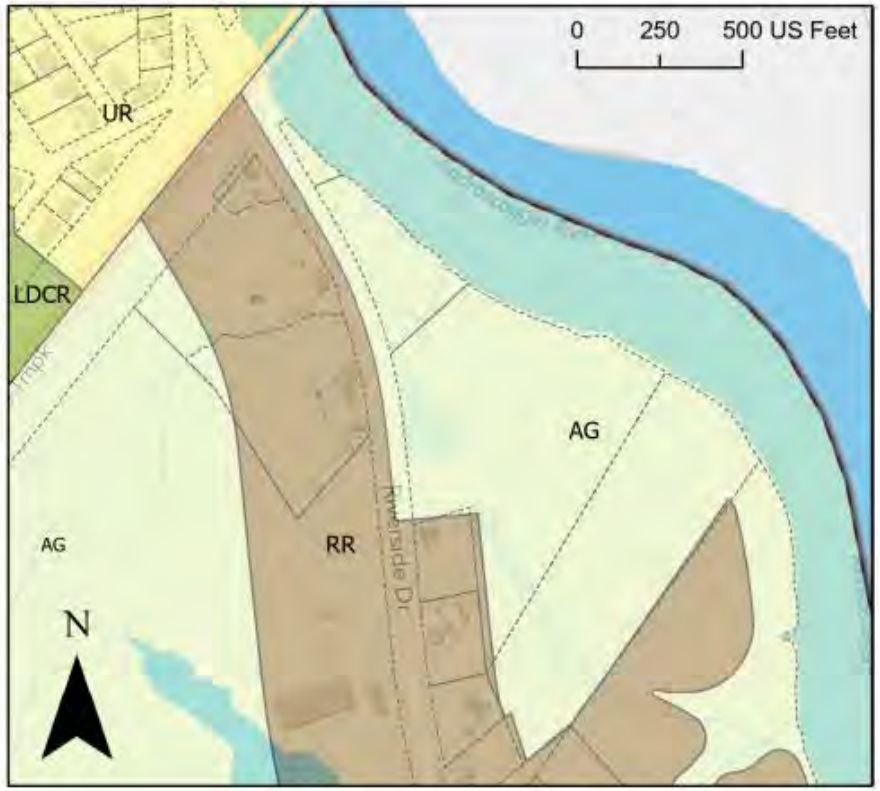
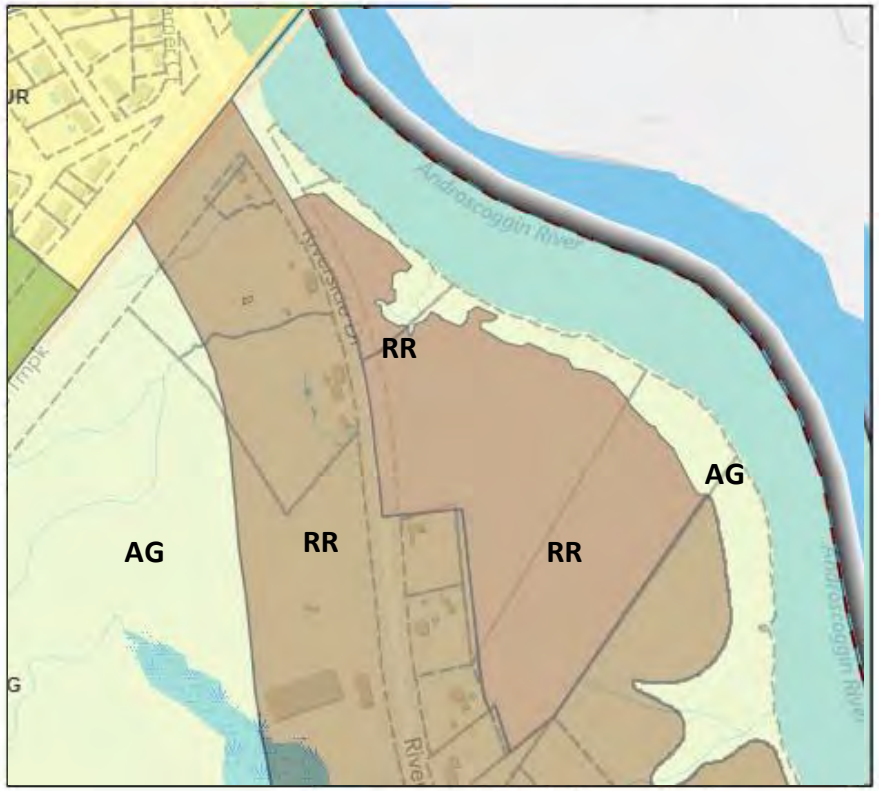
Date: 02/05/2024



This is the report from the Planning Board regarding the attached map amendment pursuant to Section 60-1496 of the City of Auburn Ordinances. After notice and Public Hearings held on January 9th, 2024, the Planning Board forwards this report to the City Council.

PUBLIC HEARING/ MAP AMENDMENT (TABLED FROM DECEMBER 12, 2023): Consider amending the official zoning map of the City of Auburn entitled "City of Auburn, Zoning Map, dated May 16, 2016," revised through its current date and revisions, as provided under Sec. 60-5 of the Zoning Ordinance by amending City Assessor's Parcel I.D.s 174-004, 174-004-001 and 174-004-002, located on Riverside Drive, from the Agriculture and Resource Protection (AGRP or AG) zoning district to the Low-Density Rural Residence or Rural Residence (RR) zoning district.



Motion: To forward recommendation to City Council to amend the official zoning map of the City of Auburn entitled "City of Auburn, Zoning Map, dated May 16, 2016," revised through its current date and revisions, as provided under Sec. 60-5 of the Zoning Ordinance by amending City Assessor's Parcel IDs 174-004-001, 174-004-002 and 174-004 from the Agriculture and Resource Protection zoning district to the Low-Density Rural Residence or Rural Residence zoning district following the interior 0.2% annual chance flood hazard line for total zone change of 18.2+/- acres with the findings that the proposal can be implemented without detriment to city resources, that the proposal meets the general future land use development pattern in the area and is consistent with the revised comprehensive plan; **Second: Dave Trask; Vote: 3-3-0. Motion does not carry.**

Motion: To forward a recommendation to City Council to not amend the official zoning map of the City of Auburn entitled "City of Auburn, Zoning Map, dated May 16, 2016," revised through its current date and revisions, as provided under Sec. 60-5 of the Zoning Ordinance by amending City Assessor's Parcel IDs 174-004-001, 174-004-002 and 174-004 from the Agriculture and Resource Protection zoning district to the Low-Density Rural Residence or Rural Residence zoning district following the interior 0.2% annual chance flood hazard line for total zone change of 18.2+/- . **Second: Tim Deroche; Vote: 3-2-1 Motion Carries**

Zoning Map Amendment for Public Hearing December 12, 2023:
Rezoning Approximately 19 Acres of AG to RR

City Council Ordinance

IN CITY COUNCIL

TITLE: Planning Board-Initiated Zoning Map Amendment Near Riverside Drive

BE IT ORDAINED, that the City Council hereby approves the amendment of Chapter 60, Zoning, of the Code of Ordinances as follows:

Amend the official zoning map of the City of Auburn entitled "City of Auburn, Zoning Map, dated May 16, 2016," revised through its current date and revisions, as provided under Sec. 60-5 of the Zoning Ordinance, to amend City Assessor's Parcel I.D.s 174-004, 174-004-001 and 174-004-002, located on Riverside Drive, from the Agriculture and Resource Protection (AGRP or AG) zoning district to the Low-Density Rural Residence or Rural Residence (RR) zoning district following the 1% Chance FEMA Flood Hazard Line.

Council Workshop: February 5, 2024 **Order:** 18-02052024

Author: Eric J. Cousens, Director of Planning and Permitting

Subject: Setting Hearing Date for a Potentially Dangerous Building at 46 Fair Street (PID 337-002)

Information: Staff has been working with the property owner for over a year to encourage the correction of violations at the property. The Owner is Red Coral Investments, LLC, a Registered Corporation in Nevada. Staff believes that it is necessary to present the information to the Council to determine if the structure is Dangerous pursuant to 17 M.R.S. §§2851-2859 also known as the Dangerous Buildings Statute. We would like the Council to schedule a hearing for that purpose at the regularly scheduled Council Meeting on March 18, 2024, at 7PM.

Staff Recommended Action: Vote to approve the attached order to schedule a Dangerous Buildings Hearing for 46 Fair Street at the regularly scheduled Council Meeting on March 18, 2024, at 7PM, City Council Chambers at Auburn Hall, 60 Court Street, Auburn, ME 04210.

Previous Meetings and History: None

City Manager Comments:

I concur with the recommendation. Signature: Phillip Crowell Jr.

Attachments: Order.

ORDER 18-02052024

City Council Order

IN CITY COUNCIL

Ordered, that the Auburn City Council schedule a Dangerous Buildings Public Hearing pursuant to 17 M.R.S. §§2851-2859 to consider 46 Fair Street, Auburn Maine at the regularly scheduled Council Meeting on March 18, 2024, at 7PM, City Council Chambers at Auburn Hall, 60 Court Street, Auburn, ME 04210.

PREAMBLE

Agreement made this day: _____ by the City of Auburn and the Auburn Firefighters Association, Local No. 797, International Association of Firefighters, AFL-CIO (hereinafter referred to as the Association.)

Pursuant to the provisions of Title 26 M.R.S.A., Chapter 9-A, §961, the City of Auburn, Maine enters into this agreement with the Auburn Firefighters Association, Local No. 797, International Association of Firefighters, AFL-CIO (herein referred to as the Association) to promote the improvement of the relationship between the City and the Association and their employees/members by providing a uniform basis for recognizing the right of public employees to join labor organizations of their own choosing and to be represented by such organizations in collective bargaining for terms and conditions of employment.

In consideration of the respective promises of the parties hereto and, pursuant to the provisions of M.R.S.A. Tile 26, Chapter 9-A (1973), and in order to increase general efficiency in the Fire Department, and to promote morale, equal rights, well being, and security of the Fire Department's permanent employees, it is agreed by the parties hereto as follows:

ARTICLE I - Recognition

Section 1 - Association

The City hereby recognizes the Association as the sole and exclusive bargaining agent of all members of the Auburn Fire Department except for the Chief, Deputy Chief, EMS Director and clerical staff for purposes of bargaining with respect to rates of pay, wages, hours of work, working conditions and all other terms and conditions of employment.

Section 2 - Non-Discrimination

The City agrees that no employee shall in any manner be discriminated against or coerced, restrained or influenced on account of membership in the Association by reason of his/her holding office therein, or by reason of being a member of a collective bargaining committee of the Association, and the City agrees that the provisions of this Article shall be applicable to all persons to whom this Agreement applies without discrimination.

All employees have the right to work in an environment free from discrimination unrelated to job performance. Intimidation and harassment of employees, whether it be by

fellow employees or by management personnel, including sexual harassment in all its various forms, is unacceptable conduct, which may constitute as grounds for disciplinary action. This provision shall not in any way prevent the Association from discharging its duty of fair representation of any of its members.

Section 3 - Public Servants/Ethical Standards

The individual members of the Department and of the Association are to regard themselves as public servants, and as such they are to be governed by the highest ideals of honor and integrity in order that they may merit the respect and confidence of the general public.

Section 4 - Union Political Activity

No firefighter shall be discharged, disciplined or discriminated against because of activity on behalf of the Union, which does not interfere with the discharge of his/her duties or any assignment, violate any provisions of the agreement, or violate any policy, ordinance, law of the City of Auburn, State of Maine, or of the United States. Political activity by Local 797 for candidates to Auburn City Council, Auburn School Committee, County Government, or State elected office shall provide an accounting of all contributions to the City Manager and City Clerk.

ARTICLE II - Management Rights

Except as otherwise provided in this contract, the City shall remain vested solely and exclusively with all of its common law and its statutory rights and with all management and supervision of operations and personnel including the right to hire, promote, suspend or otherwise discipline firefighters with just cause under the City Charter and Ordinances.

ARTICLE III - Labor Management

Section 1 - Purpose

The City, Union, and its members, agree to participate in a Labor Management Committee, whose purpose is to work together in identifying and implementing improvements to the operations of the Auburn Fire Department and service to the citizens of Auburn. The goals of the Committee include fostering good communications (both internal and external to the department), sharing operational ideas and departmental concerns, reviewing operational and capital budgetary items as well as future planning initiatives, improving customer service

(internal and external), increasing accountability and effectiveness, increasing productivity and realization of cost savings.

Section 2 - Employee's Role

Employees are encouraged to openly and actively share ideas and suggestions with the Committee. When faced with a concern or complaint, employees may introduce the subject at the Labor Management Committee for discussion and potential resolution. If this does not resolve the issue, employees may refer to Article XII, "Grievance Procedure".

Section 3 - Management's Role

Management is encouraged to foster a work environment which allows employees to be knowledgeable of departmental activities and planning, actively approach management, and to have the opportunity for open dialog. Management is also encouraged to discuss employee concerns and complaints, and to solicit input and suggestions to improve the operations of the Department and the work environment.

Section 4 - Committee Participation

The Labor Management Committee will meet monthly and consist of at least two (2) representatives from both the City and the Union. For the City, the members may include, but not limited to, the Fire Chief, Deputy Fire Chief, the Human Resources Director, the Assistant City Manager, the City Manager, or another member of city administration. The Union agrees to appoint at least three (3) representatives to the Committee and other members as may be needed for individual issues and/or sub-committees. Each Labor Management Committee meeting shall be called to order after a quorum of four (4) members—but no less than two City and two Union members—by the Fire Chief, or in his absence the Union President, or in his absence another person appointed by the Fire Chief, who will serve as chair; have its meeting time be posted in a place accessible to all employees and be open to other employees; have an agenda with at least unfinished and new business items; shall be recorded by way of written minutes; and shall have its draft and/or approved minutes be electronically posted. Notice for items to be placed on the Labor Management Committee Agenda shall be made not less than three (3) working days prior to the scheduled meeting. There shall be no extra compensation for those appointed to serve on the Labor Management Committee, unless already scheduled to work. Other Union members may attend if their work schedule permits.

It is in the best interest of the City of Auburn, the Fire Department, and our citizens, to create a forum such as the Labor Management Committee to function productively and effectively. If, at any time, either party determines the process is not working or is failing, either party may invite the Assistant City Manager or City Manager to attend to help facilitate and foster a healthy work environment between labor and management.

For the FY23 work plan the committee has been agreed to set the following priorities: The committee will select scheduling software that will meet the following needs of the organization and will implement use of the system.

- Improves efficiency of scheduling OT by allowing for automated calling or texting of staff to fill available vacancies. The system shall also be used for staff to respond to the request.
- Allows all staff (via online access or app), to see upcoming shifts and schedules.
- Allows for staff to enter time off requests and for Officers to approve or deny such requests.

ARTICLE IV - Dues Check-Off

Section 1 - Fair Share

The Association shall have exclusive rights to payroll deductions of membership dues and service fees. Any firefighter who at any time on or after the effective date of this Agreement is not a member of the Association shall, within thirty days after such conditions are met be required to choose from the options of: (1) membership in the Association; (2) payment to the Association of a service fee equal to 80% of Association dues as a contribution towards the cost of collective bargaining, contract administration and the adjustment of grievances; or (3) exclusion from both. Each such firefighter shall be required to make his/her choice in writing on payroll deduction forms supplied by the Association. Failure to choose membership or the 80% service fee option shall constitute a choice of exclusion from both. An employee choosing exclusion from both membership and 80% service fee option shall be irrevocably bound by such choice except as provided hereinafter and if the employee request, shall be entitled to the services of the Association under the agreement only upon payment to the Association of reasonable fees, including fifty dollars per hour for employee representative services, and attorney's fees and costs and expenses, including arbitration fees and expenses, incurred by the Association on behalf of such employee. Any firefighter who is required by this Article or who was required under the terms of the predecessor agreement, to select from the options set about above may change his/her status with respect to those options during the 20-day period immediately prior to the expiration of this Agreement by giving written notice to the City and to the Association during that period.

The Union agrees to assume full responsibility to ensure full compliance with the requirements laid down by the US. Supreme Court in Chicago Teachers Union v. Hudson 106 S. Ct. 1066(1986), with respect to the constitutional rights of fair share fee payers.

It is specifically agreed that any dispute concerning the amount of fair share fee and/or the responsibilities of the Union with respect to fair share fee payers as set forth above shall not be subject to the grievance and arbitration procedures set forth in this Agreement.

Any employee covered by this Agreement at any time may submit a grievance to the City and have such grievance adjusted without the intervention of the Association, if the adjustment is not inconsistent with the terms of this collective bargaining agreement and if the Association has been given reasonable opportunity to be present at any such meeting of the parties called for the resolution of such grievance.

The Association agrees in consideration thereof for itself and its members to individually and collectively perform loyal and efficient work and services, and it and they will use their influence and best efforts to promote and advance the interests of the taxpayer of Auburn.

Section 2 - Check-off

Upon written authorization of a firefighter, approved by the Association President, the City agrees to have the appropriate City Department deduct from the pay of each firefighter, as so authorized, the amount of funds as indicated on the Fair Share Agreement between the firefighter and Association, to be deducted from his/her pay check each week, and deliver same to the Association Treasurer at his/her request, provided, however, that if any employee has no check due him or the check is not large enough to satisfy other deductions, then in that event no deduction will be made from said firefighter for that period. In no event will the City be obligated to collect fines or assessments charged by the Association to its members. The City shall not be obliged to deduct funds from the weekly pay after receiving written notice, on forms provided by the Association, that he/she no longer authorizes such deductions. The Association agrees in consideration thereof for itself and its members to individually and collectively perform loyal and efficient work and service, and it and they will use their influence and best efforts to promote and advance the interests of the taxpayer of Auburn.

Section 3 - Association Indemnification

The Association shall indemnify, defend and save the City harmless against any and all claims, demands, suits, or other forms of liability (monetary or otherwise) and for all legal costs that shall arise out of or by reason of action taken or not taken by the City in complying with provisions of this Article. If an improper deduction is made, the Association shall refund directly to the employee any such amount.

ARTICLE V - Strikes and Slowdowns

The Association agrees that firefighters who are subject to the terms of this Agreement shall have no rights to engage in any work stoppage, slowdown, or strike in consideration of the right to a resolution of disputed questions. Any or all employees who violate the provisions of this Article may be subject to disciplinary action, including discharge. This provision is not intended to reflect an employee's refusal to carry out an unjustifiable management request.

ARTICLE VI - Wages and Compensation

Section 1 - Wages

All firefighters covered under this Agreement shall be paid in accordance with the attached wage schedule(s).

FY 2023 – 4.5% COLA
FY 2024 – 5% COLA, Effective 2/4/2024, an additional 2.5% to reflect market adjust.
FY 2025 – 5.5% COLA

All firefighters must complete performance evaluations on their anniversary date of hire or date of promotion. Firefighters who are eligible for a step-increase will receive it effective on their anniversary date of hire or promotion.

Firefighters who are promoted will be slotted at the entry step of the new rank or at the step which brings them closest to but not less than 7.5%. The slotting of firefighters promoted to a higher rank will be considered as part of the overall pay plan recommendation by Labor Management Committee.

Any firefighter who receives a change or lapse in EMS license shall immediately notify the officer in charge of EMS Services in writing. Any firefighter who continues to receive EMS pay after his/her license has lapsed or who falsifies his/her license may be subjected to one week's suspension without pay.

Section 2 – Lateral Entry

The Fire Chief can adjust the starting pay rate for new employees between the entry step and the 6th anniversary step. Employees may be credited up to 1 step for every 1 year of full time employment status with a Fire or EMS agency. Only time worked at a fire department that has 24/7 staffing or an EMS service that responds to 1000 calls for service annually will be considered. Only full years (365 days) will be credited.

Employees who have not reached the 6th anniversary step may be brought up to the 6th anniversary step by being credited 1 step for every 1 year of full-time employment status with a Fire or EMS agency that occurred prior to their hire. Only time worked at a fire department that has 24/7 staffing or an EMS service that responds to 1000 calls for service annually will be considered. Only full years (365 days) will be credited. The employee shall submit request for this adjustment and must provide proof of full-time employment status.

The Union President or their designee must be notified in writing when an employee receives a wage adjustment as described in this article.

Section 3 – Ambulance Assignment Incentive

Effective July 1, 2022 a stipend of $3.50 per hour shall be paid to each firefighter working on the Rescue/Ambulances.

Paramedics performing a precepting function for EMS students shall be paid a stipend of $1.00 per hour while precepting.

Section 3 - Tuition Reimbursement for Work-Related Courses

The City will reimburse 100% of the tuition for courses, seminars and conferences as long as the following criteria are met:

1. The course, seminar, conference receives written pre-approval by the Fire Chief.

2. The course is ***directly work-related*** (with the exception of elective courses accepted as part of the course curriculum for a Degree in Fire Science or Paramedicine); and

3. The firefighter agrees to use the knowledge and skills gained in training paid in part by the City for the benefit of the City.

4. Approved courses in the amount of $100.00 or greater may be pre-paid by the City. Upon successful completion of a course with a passing grade or certificate of completion, the City will reimburse the individual firefighter for the balance due of the approved tuition expenses, which are not covered by scholarships, or other educational financial assistance. If the firefighter receives pre-payment for the course and he/she does not pass or receive a certification/license of completion, he/she will reimburse the City for the cost of the course.

The City will pay the full cost of all pre-approved EMS related courses, case reviews, seminars and skill labs. The City agrees to fund paramedic training for at least one employee per year, as needed. If a firefighter does not obtain the license or pass the course, case review, seminar or skill lab, after the City has paid the cost of the course, the firefighter/EMT will reimburse the cost incurred by the City at the full rate up to a maximum of $30,000. As of October 16, 2012, if the firefighter has successfully completed an EMS upgrade, through the reimbursement of the city, the firefighter will be required to maintain the license for a minimum of three years. Should the firefighter separate prior to completing eighteen months of service at the new license level the firefighter will reimburse the city a prorated amount of the tuition with a maximum reimbursement of $30,000. The breakdown of the proration will be as follows:

- Firefighters that separate from the department less than six months after completion of the course will be required to repay the entire cost of tuition and books
- Firefighters that separate between six and twelve months after completion of the course will be required to repay fifty percent of the cost of tuition and books
- Firefighters that separate between twelve months and eighteen months will be required to repay twenty-five percent of the tuition and books

After maintaining the license upgrade beyond the three-year minimum, the firefighter will be required to provide a three (3) month notice of intent to have the license lapse.

5. The City will reimburse costs of textbooks for pre-approved courses up to 50% or $50.00 whichever is greater. Approval for reimbursement for textbooks is dependent upon the constraints on funds in the Fire Department training account.

In response to a request, the Battalion Chief or Acting Battalion Chief may reassign on a temporary basis, personnel in order to allow on-duty personnel to attend educational

opportunities in the local area. This section is intended to apply to those classes that have been requested by individual firefighters as opposed to departmental training. If the battalion is not at minimum, the firefighter(s) may attend class on duty in their personal vehicle but will remain on call and will take a portable radio with them to class. At the discretion of the Battalion Chief or the Acting Battalion Chief, the firefighter may only need to respond on a "Condition" assignment. If battalion staffing is at minimum, the firefighter(s) may take apparatus to class if the other members of that company are in agreement to go along with the firefighter(s) attending class or the firefighter may attend class in a privately owned vehicle with a portable (the apparatus would be treated as per current standards for apparatus down one firefighter on emergency leave). Whenever possible, if more than one firefighter on duty is attending the same class, the Battalion Chief or the Acting Battalion Chief will assign these personnel to the same piece of apparatus in order to limit the number of units on delayed response. Reassignments will be made in such a way as to keep Rescue in service and in normal response whenever possible. The following conditions will be required in order to utilize on duty participation for class:

1. On-duty attendance to class must be pre-approved by the Fire Chief.

2. The Chief has the right to limit the number of on-duty personnel attending class.

3. The class may only be in either Auburn or in a community that is contiguous to the City of Auburn.

4. Units must remain in service at all times.

5. Spare Department vehicles may be used in place of privately-owned vehicles.

6. There will always be a minimum of ten (10) firefighters in Auburn not on delayed response, unless specifically approved by the Chief or his designee.

Section 4 – EMS Licenses

- All employees, excluding the FPO, must maintain an EMS license not lower than the EMT-Basic level. Any employee that does not have an EMS license at the signing of this contract will not be required to maintain and EMT-Basic License.
- Any state, region or department mandated EMS license upgrade or training for EMT and above shall either be provided by the department while on duty or be fully compensated by the City to include overtime, tuition, and books.

- The City shall provide an adequate training program to assure that all current EMS providers are able to achieve the Maine EMS required continuing education hours in order to renew their license.
- Paramedic hiring is preferred.
- New Hires after January 1, 2015, are required to be a Paramedic within four (4) years.
- Support for new hires and current employees that volunteer to attend Paramedic training:
  - Approved costs, fees, overtime and/or shift coverage needed for the firefighter to attend the Paramedic course or to maintain licensure shall be borne by the City.
  - Except as otherwise identified "Approved costs or fees" shall mean the costs of textbooks, registration, lab, testing, tolls, and parking.
  - A department vehicle and fuel shall be provided for travel or mileage for use of a personal vehicle shall be reimbursed at the prevailing city rate ($.38 for 2016), but not less than 60% of the IRS standard mileage rate, from point of departure or duty station if training occurs on a scheduled duty day.

ARTICLE VII - Hours of Work and Overtime

Section 1 - Hours of Work

Firefighters' regular workweek shall consist of an average of forty-two (42) hours per week. For the duration of this contract, the regular tour of duty (on-duty shift) shall consist of a twenty-four-hour continuous time period commencing at 7:00 a.m. and ending at 7:00 a.m. the following day. Firefighters shall remain in active status performing work assignments between the hours of 7:00 a.m. and 10:00 p.m. and 6:00 a.m. and 6:59 a.m. during on-duty shifts, except for the free time periods. The department will be organized under a four (4) battalion system.

A work cycle, for the duration of this contract, is defined as one twenty-four-hour tour of on-duty time (on-duty shift) followed by three consecutive twenty-four-hour time periods off beginning at 7:00 a.m. following the on-duty shift.

Section 2 - Use of Free Time

Firefighters shall be permitted to use recreational facilities furnished by the Auburn Firefighters Benefit Association when they are not specifically assigned to firefighting or other duties. It is understood that firefighters on a voluntary basis will frequently use their free time for study and on-the-job training.

Section 3 - Overtime and Compensatory Time

Firefighters performing work on scheduled off-duty shifts shall have a choice of being compensated at their overtime rate of one and one-half (1½) times their hourly rate as per the attached wage schedule or by accruing compensatory time at one and one half times the number of hours actually worked, except that for multiple alarms. (See Article XV) Firefighters participating on teams established or created by the Department (with the exception of firefighters serving on the Labor Management Committee) on their off-duty time shall have a choice of being compensated at their regular overtime rate or by accruing compensatory time at one and one-half times the number of hours actually worked. The following conditions shall apply to the accrual of comp time:

1. Effective May 26, 2015, firefighters may accrue up to 96 hours with an option to increase that number on a case-by-case basis as determined by the Fire Chief or his designee.

2. Comp time accrued on or after May 26, 2015, may be carried for up to twenty-four (24) months. If the comp time is not used and has been carried for more than twelve (12) months, it will be paid out the last pay-period of the fiscal year at the regular hourly rate in effect for the firefighter at that time.

3. No firefighter may choose to take comp time on a day on which his/her battalion would thereby be reduced below the minimum staffing level (because of prior scheduled vacations, existing extended sick leave, on-the-job injuries, or other cause known at the time notice is given). Compensatory time shall only be taken in 12 or more hour increments which begin or end at 07:00.

Any on-duty firefighter returning to the fire station and completing his/her duties prior to 7:15 a.m. after answering a call received before the completion of his/her work shift at 7:00 a.m. shall receive no extra compensation. If he/she returns and completes his/her duties after 7:15 a.m. he/she shall be paid for one-half (1/2) hour at his/her overtime rate. If after 7:30 a.m. and before 8:00 a.m. he/she shall be paid for one (1) hour at his/her overtime rate; if after 8:00 a.m., at his/her overtime rate for all time worked after 7:00 a.m. as set forth in the attached schedule.

ARTICLE VIII - Acting Rank

Any firefighter selected to act as an officer of higher rank shall be entitled to receive acting rank in the amount of seven and one half (7.5)% over the non-EMS firefighter base hourly rate for the amount of hours performing acting rank

A firefighter performing overtime work while acting in higher rank shall receive one and one-half (1 ½) times his/her hourly rate of pay in such higher rank for such overtime work.

Firefighters, Lieutenants and Captains shall have the right to decline to serve as an officer of higher rank unless, in the judgment of the Chief, the Deputy Chief, or the Battalion Chief on duty, no other qualified on-duty firefighter is willing and available to serve. No firefighter who has been assigned to act in higher rank and who, in the judgment of the supervising officer, is performing such duties in a proper manner shall be reassigned to other duty for the purpose of depriving him/her of an opportunity to receive extra pay under the provisions of this Article.

If an Engine or Truck company Lieutenant is on vacation, floating holiday, wellness day or comp time, a Lieutenant from that Platoon, assigned to a rescue, shall have the option to fill the vacant Lieutenants position on the Engine or Truck. These opportunities shall be distributed as equally as practical among the Rescue Lieutenants.

ARTICLE IX - Holidays

Each firefighter covered by this Agreement, shall, in addition to his/her regular weekly wage, be paid 1/4 of his/her weekly wage for each of the following holidays:

1. New Year's Day
2. Washington's Birthday
3. Patriot's Day
4. Memorial Day
5. Juneteenth
6. Independence Day
7. Labor Day
8. Columbus / Indigenous Peoples' Day
9. Veteran's Day
10. Thanksgiving Day
11. Christmas Day
12. Martin Luther King Day
13. Any one-time national holiday mandated by the President and observed by other Auburn City Departments

Holiday pay will be based on the non-EMS firefighter's rank and step.

The day after Thanksgiving will be holiday routine, but the firefighter will not receive holiday pay.

Firefighters shall receive holiday pay during the pay period following the date in which the holiday falls. The Office Manager will post the calendar noting the holiday pay dates for the year.

ARTICLE X - Vacations

Section 1 - Vacation Accrual

For the purposes of this article, it is understood that years of service will mean continuous years of service. Probationary firefighters (members with less than twelve (12) months of service) will accumulate hours at the rate of eight (8) hours per calendar month. Probationary firefighters may not take vacation leave during their first twelve (12) months of service unless there are special circumstances which would warrant the Chief, or in his absence, the Deputy Fire Chief authorizing a waiver of the restriction on vacation leave. Requests for waivers and the administrative decision regarding the request shall be in written form.

Firefighters with less than six (6) years of service will accrue vacation hours at the rate of eight (8) hours per calendar month. Firefighters with a minimum of six (6) years of service but less than fourteen (14) years of service will accrue vacation hours at the rate of twelve (12) hours per calendar month. Firefighters with fourteen (14) or more years of service shall accrue vacation hours at the rate of sixteen (16) hours per calendar month. Effective January 1, 2014 firefighters with twenty (20) or more years of service shall accrue vacation hours at twenty (20) hours per calendar month. If the firefighter's anniversary date of hire falls on or before the 15th of the month, the firefighter will receive his/her additional vacation accrual that month. If the firefighter's anniversary date falls on or after the 16th of the month, then the firefighter will receive his/her additional vacation accrual the following month. This will occur only during the sixth, fourteenth and twentieth years of service.

Vacation hours will continue to accrue during sick leave absences, while on on-the-job-injury, or any other paid absences authorized by the Chief or Deputy Chief.

Except for the first month of service and the last month of service, vacation hours for each month shall be awarded on the last day of each calendar month and then added to the firefighter's current balance. The month in which employment begins shall be counted as a month of service if the date of hire occurs before the 16th of that month. The month in which employment terminates shall count as a month of service if the date of resignation is after the 15th day of the month. The Fire Department administration will post a report detailing each firefighter's total accumulation of vacation hours. Firefighters may take vacation time at any

point throughout the year, but on January first of any year, all vacation balances will not be in a negative number. It must be zero or greater. It will be the responsibility of the Deputy Chief to make sure no one uses more time than they should.

Unless otherwise specified in this Article, vacation leave will be taken in increments of one-week periods (blocks). For vacation leave purposes, a one-week period is defined as commencing on Sunday at 7:00 hours and ending on the following Saturday (at the end of the shift 07:00 hours).

Vacation leave will be deducted on an hour for hour basis with a minimum of a twenty-four (24) hour time period (continuous block of time). Thus, if two duty days fall within the vacation week, then forty-eight (48) hours will be deducted from the firefighter's total hours accumulated. Also, if only one duty day falls within the vacation week, then twenty-four (24) hours will be deducted from the firefighter's total vacation hours.

Section 2 - Vacation Selection

Vacations shall be chosen by firefighters on the basis of total years of service in the department without regard for time served in a specific rank. A maximum of two firefighters per battalion can be on vacation at the same time.

Vacation period selections for the upcoming calendar year shall commence with the initial department wide process conducted in the first full week of November starting on Monday and ending on Thursday of the present year. The Battalion Chief will notify all upcoming year shift members in writing of the date and time for vacation selection at least two (2) weeks prior to actual picking date. During this period of time all vacation weeks will be picked. Firefighters may decline to select any or all of their vacation periods during this process. Any firefighter who declines to select their vacation period(s) during this process forfeits his selection and may not select his/her vacation periods until the vacation process is completed. The firefighter who declines to select their vacation period(s) must notify the Deputy Chief, or in his absence, the Chief, of his decision.

For purposes of record keeping, the firefighter's declination(s) shall be noted (and initialed) in the appropriate block(s) on the cover sheet attached to his/her battalion's schedule.

The selection of vacation periods earned for the upcoming calendar year shall take priority over all other earned periods of time off (including vacation periods carried over from

the previous year). During the month of November each firefighter, based on seniority, shall have the opportunity in a department wide process to:

1. Select/decline their first two seven (7) day vacation blocks (to be completed during the first full week of November on their duty day starting Monday). If an employee is not present during this time frame, he/she needs to leave a list with the Battalion Chief of the dates he/she wishes to take, as well as a phone number, so the Battalion Chief can contact the employee if the dates he/she has asked for are not available. If the employee does not conform to this, he/she will forfeit their vacation selection and not be allowed to pick their vacation until after November 21st. Any employee who passes on their picks at this point or any other point in the vacation selection process will not be allowed to pick the remaining vacation time until after November 21st.

2. After seven (7) years of service, select/decline their third seven (7) calendar day vacation block upon the battalion's completion of step 1 (to be completed on the first duty day of that week), and then,

3. After fifteen (15) years of service, select/decline their fourth seven (7) calendar day vacation block upon the battalion's completion of step 2. (Selection of fourth week block will be completed on the first duty day in the first week of November.)

4. After twenty-one (21) years of service, select/decline their fifth seven (7) calendar day vacation block upon the battalion's completion of step 3. (Selection of fifth week block will be completed on the first duty day in the first week of November.)

If firefighters are changing battalion, they shall select vacations dates with the battalion they will be working with in the upcoming year.

Upon completion of the November selection process, the battalion cover sheet and vacation selection process shall be forwarded to the Deputy Chief and a copy posted on-line. Following the completion of the November selection process, the firefighters may randomly substitute/exchange up to two vacation block weeks (48 on-duty hours per week) for up to four individual vacation days (twenty-four hour on-duty shifts). The selection of individual vacation days shall commence no sooner than 11/21. All requests for earned time off including carried over vacation periods, etc. for the upcoming calendar year shall not be accepted nor submitted prior to 07:00 hours on 11/21. All time off requests will be submitted using SOP N-103. The requests shall be forwarded to a Battalion Chief in written form including the date of the request,

time of day the request was submitted (hours: minutes), and the signature of the BC or his replacement.

Section 3 - Vacation Changes

Any firefighter having declined to select a vacation period during the November process shall be allowed to select any unclaimed vacation period (less than two firefighters on vacation) for that calendar year. The request shall be forwarded to the Battalion Chief in written form including the date of the request, time of day the request was submitted (hours: minutes), and signature of the BC or his replacement. A firefighter's change of a previously selected vacation period will not be allowed if it causes replacement hiring to maintain the minimum staffing level per battalion on a day when a floating holiday has already been confirmed. A firefighter who requests vacation time that includes a day already approved as a floating holiday and that would cause replacement hiring to maintain minimum staffing level per battalion on that day will be responsible to find a swap or have to forego the change in vacation.

Firefighters shall be entitled to unlimited changes in previously selected vacations provided that notice of such change is approved by the Battalion Chief, and all other conditions for vacation changes are met. Approval or denial of the requested change shall be in written form. Such approval by a Battalion Chief shall not be unreasonably withheld.

A firefighter may accumulate an absolute maximum of 350 hours at the end of any calendar year. If the hours exceed 350 hours, all unused hours will be forfeited, except if a firefighter is unable to take vacation due to an on-the-job-injury or extended sick leave. If a firefighter is unable to take vacation due to an OJI or extended sick leave, he/she can exceed the cap by 192 hours.

Section 4 - Floating Holidays

Each firefighter is entitled to choose and take off one floating holiday per calendar year. From 07:00 hours on the Friday after vacation selection through 11/20, firefighters shall either pick or pass on selecting their floating holidays. All requests shall include a single date selection and will be submitted to the Battalion Chief's office in e-mail form. Firefighters may choose a day on which their battalion would thereby be reduced below the apparatus staffing level except due to prior scheduled vacations or floating holidays. Within twenty-four (24) hours of the request, the Battalion Chief shall notify the requesting firefighter that his/her floating holiday date is confirmed, approved pending the battalion's return above the apparatus staffing level, or that it is denied because of prior scheduled vacation or floating holidays. A floating holiday that

is approved pending the battalion's return above the apparatus staffing level will be a placeholder only. The firefighter shall ensure that his/her holiday has been confirmed at least one shift before his/her selected date.

If selecting a holiday after 11/20, no firefighter may choose a holiday on a day on which his/her battalion would thereby be reduced below the apparatus staffing level (because of prior scheduled vacations, existing extended sick leave, on-the-job injuries, or other cause known at the time notice is given). Within twenty-four (24) hours of the request, the Battalion Chief shall notify the requesting firefighter that his/her floating holiday date is confirmed, or that it is denied because it would cause a reduction in force below the staffing level per apparatus.

The purpose of this provision is to allow the firefighter choosing a floating holiday to make advance plans for the enjoyment of that holiday, while minimizing the occasion on which the City will incur extra cost for replacement to maintain apparatus staffing.

Floating holidays may not be carried over from one year to another without the approval of the Chief. The Chief will consider any extenuating circumstances when approving or denying the carryover of floating holidays.

ARTICLE XI - Sick Leave

Section 1 - Use of Sick Leave

It is the expectation of the City of Auburn and I.A.F.F., Local 797 that firefighters will be available for duty. However, it is recognized from time to time, a firefighter will be absent due to illness. Therefore, firefighters shall accrue sick leave at a rate of thirteen (13) hours for each calendar month of service to be used for the firefighter's personal illness or for a member of the firefighter's "immediate family". For purposes of this article, "immediate family" is defined as a spouse, significant other, child, or parent. A firefighter absent because of any one or more of the foregoing reasons shall cause such fact to be reported to the officer in charge immediately. A firefighter shall also be entitled to sick leave when his/her disability arises out of or in the course of actual gainful employment outside the Fire Department, except when he/she is receiving worker's compensation for injury or illness. A firefighter on sick leave shall call in when he/she is able to return to duty.

Actual hours of sick leave used shall be charged against a firefighter for each workday that he/she is absent from duty for any of the reasons set out in the first paragraph of this Article.

Section 2 - Return to Work/Fitness for Duty

Any firefighter who is unable to work for eight (8) consecutive calendar days (counted beginning with the date of absence shown on the "Report of Absence" Report) or more due to personal injury or illness shall deliver a doctor's certificate before returning to work stating that the firefighter is fit for duty. The expenses, if any, for obtaining the doctor's certificate shall be borne by the City, including reimbursement to the firefighter within one (1) week of submission of a request for reimbursement with attached receipt. The officer on duty may require him/her to report to work if it is his/her regularly scheduled workday. Such returning firefighters shall be charged for sick leave on a pro-rated basis, and his/her replacement, if any, shall be paid on a pro-rated basis.

Section 3 - Sick Leave Authentication

The Fire Chief, or his designee will review the sick leave records to determine if there is a potential pattern of sick leave abuse. Such patterns might include but are not limited to the following be:

1. The firefighter uses sick days as soon as they are credited to him/her

2. High usage of sick leave for the firefighter or his immediate family without corresponding documentation as to the reasons for sick leave

3. Use of sick leave the shift before or the shift after scheduled vacation, floating holidays or swaps
4. Use of sick leave on the days for which leave had been previously requested, but denied

5. Use of sick leave on a particular day of the week

6. Use of sick leave which corresponds to an undesirable work assignment

7. Use of sick leave for a full 24-hour shift when the firefighter could have reported back to work for a partial shift

8. Use of sick time for reasons other than as defined explicitly in Article XI Section 1

If the Fire Chief or his/her designee notes an occurrence of sick leave use as described above, the principles of “progressive discipline” will be in order recognizing that the gravity and severity of the sick leave abuse may influence what discipline is issued.

a. Written warning - Copy to Union President. Any written warning inserted in the Employee's personnel file shall be removed after a two (2)-year period with no subsequent offenses.
b. Written reprimand – Copy to Union President. Any written reprimand inserted in the Employee's personnel file may be removed following the process outlined in Article XVIII Section 5 - Discipline
c. Suspension up to 2 (two) duty days (notice to be given in writing – copy to Union President).

If the Employer has reason to discipline an Employee, it shall be done in a manner that will not embarrass the employee before other Employees or the public.

Section 4 - Wellness Incentive Days

Firefighters who participate in the City of Auburn Wellness Incentive Program and who have earned a Wellness Day Off may request the Wellness Day off by submitting the request 96 hours in advance to his/her Battalion Chief. It is the responsibility of the firefighter to call into the Battalion Chief no earlier than 6:00 a.m. to determine if his/her shift is within the apparatus staffing for the day. If the shift does not have to hire extra personnel, the firefighter may have the shift off without being charged against his/her accrued sick or vacation leave. If the apparatus is at minimum staffing, the firefighter may not use his/her Wellness Incentive Day on that day.

Section 5 - Sick Bank

The City Manager may from time to time authorize a sick bank for individual employees on a case-by-case basis if they meet certain criteria. If a firefighter voluntarily participates in a City-wide sick bank, the hours donated will be deducted from the firefighter's accumulated sick and/or vacation leave.

ARTICLE XII - Grievance Procedure

Section 1 - Grievance Procedure

A grievance shall be defined as any dispute or disagreement raised by an employee in the bargaining unit or the City involving interpretation or application of the specific provisions of this collective bargaining agreement. Grievances, when presented by the Union to the City or by the City to the Union shall state in writing what provision of the collective bargaining agreement has been violated, and how the agreement has been violated, and shall state what the requested remedy is. Grievances shall be settled as provided in the following sections.

Section 2 - Firefighters Grievance

Step 1. The aggrieved firefighter shall first meet with the individual(s) with whom he/she has the issue in order to determine all the facts and to attempt to resolve the issue before proceeding with the grievance. This meeting should be held as soon as reasonably possible.

Step 2. Any aggrieved firefighter shall submit his/her grievance to the Association.

Step 3. The Association may submit a grievance on its own behalf, or that of one or more of its members. Any such grievance will be submitted by delivery in writing to the Fire Chief. A grievance on behalf of less than all members of the Association shall be filed within thirty (30) calendar days after the aggrieved firefighter(s) knew, or should have known of the facts giving rise to the grievance. A grievance on behalf of the Association itself, or of all of its members, shall be filed within thirty (30) calendar days after one or more of the Association elected officers knew, or should have known of the facts giving rise to the grievance. Any grievance not filed within the thirty (30) calendar days time limit or, under any circumstances, within one (1) year of the time of occurrence that gave rise to the grievance shall not be considered timely and shall be deemed waived. The Fire Chief shall issue a written response to the Association within ten (10) administrative working days of a receipt of a grievance.

Step 4. (Optional) If unsatisfied with the Fire Chief's action, the Association may request a meeting with the Assistant City Manager or Human Resources Director to review the grievance. The meeting shall include all parties pertinent to the grievance and shall be held within ten (10) working days from the date of the Fire Chief's decision.

Step 5. If unsatisfied with the Fire Chief's action, or the steps as outlined in Step 4 above, the Association may appeal in writing to the City Manager within ten (10) administrative working days after receipt of the Fire Chief's decision (or ten (10) administrative working days after meeting outlined in Step 4 above). The City Manager will schedule and hear the appeal within ten (10) administrative working days after receipt of the notice of appeal. At this hearing the Association may present witnesses and evidence in support of their position. The City Manager shall forthwith consider the appeal, witnesses and evidence and notify the Association of his/her decision within ten (10) administrative working days after the hearing takes place.

Step 6. If unsatisfied with the City Manager's decision the Association, within ten (10) administrative working days after receipt of the City Manager's decision, may advance the grievance to mediation pursuant to Title 26, M.R.S.A. §965(2), Mediation, so as to have a mediator appointed from the Panel of Mediators to assist the parties in resolving the grievance. Upon filing for mediation, the requesting party may simultaneously file for arbitration, provided the mediation be scheduled and take place prior to arbitration. To expedite the process, the requesting party may provide the estimated share of providing the service and then be reimbursed pursuant to Title 26, M.R.S.A §965(5). Mediators appointed to grievances that are furthered to arbitration are not allowed to participate with the arbitration process. Upon mutual consent, the City and Association may waive the preceding steps and progress to Arbitration.

In the event the parties were unable to resolve the grievance, the grievance may be advanced to binding arbitration, by giving written notice of its intention to do so within ten (10) administrative working days after the conclusion of the mediation process. The parties shall agree upon a single neutral arbitrator *from the Maine Board of Arbitration and Conciliation (MBAC)* or if the parties are unable to agree, either party may request the American Arbitration Association (AAA) to assign an arbitrator. The request to the *MBAC* or *AAA* must be made within thirty (30) days after the conclusion of the mediation process. The arbitration shall be in accordance with the Rules of the *MBAC* or the *AAA*. The arbitrator shall have no authority to add to, subtract from or modify the provisions of this Agreement. The arbitrator shall be requested to issue his decision within thirty (30) days after the conclusion of the testimony and argument. The decision shall be final and binding upon the parties thereto although subject to appeal to the Maine Superior Court and Maine Supreme Judicial Court.

Costs associated with this process and arbitrator decisions shall be determined by Title 26, M.R.S.A. §965.

Section 3 - City Grievance

The City shall notify the Association within thirty (30) days of the day it knows, or reasonably should have known the facts giving rise to the dispute. Any grievances not filed within the thirty (30) day time limit, or, under any circumstances, within one year of the time of occurrence that gave rise to the grievance shall not be considered timely and shall be deemed waived. Within ten (10) administrative working days thereafter, the parties shall meet to attempt to resolve the matter at the Labor Management Committee.

If unsatisfied with the Labor Management process, the City within ten (10) administrative working days may advance the grievance to mediation pursuant to Title 26, M.R.S.A. §965(2), Mediation, so as to assist the parties in resolving the grievance. Upon filing for mediation, the requesting party may simultaneously file for arbitration, provided the mediation be scheduled and take place prior to arbitration. To expedite the process, the requesting party may provide the estimated share of providing the service and then be reimbursed pursuant to Title 26, M.R.S.A §965(5). Subsequent and necessary action may be advanced within ten (10) administrative working days after receipt of the mediation process, whereby the parties were unable to effect a settlement of their controversy, by either party, pursuant to Title 26, M.R.S.A. §965(4), Arbitration. Mediators appointed to controversies that are furthered to arbitration are not allowed to participate with the arbitration process. Upon mutual consent, the City and Association may waive the preceding steps to Arbitration. Costs associated with this process and arbitrator decisions shall be determined by Title 26, M.R.S.A. §965, Obligation to bargain, as amended.

Section 4 - Extensions of Time Limits

Time limits provided herein may be extended by written agreement of the parties. Request for extension shall not unreasonably be withheld.

ARTICLE XIII - Leaves

The Auburn Fire Department and the City of Auburn have a proprietary interest in ensuring the safety and security of its staff, citizens, and visitors. To that end it is the goal of both stakeholders to limit the amount of time that firefighters are away from their apparatus or stations. Evidence has proven that the earlier a sufficient number of trained responders arrive to manage an incident, regardless of nature, the faster the incident will be controlled increasing the chances of a positive outcome.

Section 1 - Funeral Leave

Leave of absence without loss of pay and without loss of sick leave shall be granted to any firefighter for five (5) consecutive calendar days because of death of a spouse or child and three (3) consecutive calendar days because of a death in the immediate family, plus any actual travel time reasonably required to return from out-of-state. Immediate family shall be defined to include mother, stepmother, father, stepfather, brother, stepbrother, sister, stepsister, father-in-law, mother-in-law, son-in-law, daughter-in-law, sister-in-law, brother-in-law, grandparents, spouse's grandparents, grandchildren, and any other person living in the firefighter's household. Such leave shall commence not later than the date of interment. Any additional time needed

after the expiration of the five (5) day period in the case of a spouse or child or three (3) day period in the case of other immediate family members shall be charged against the firefighter's sick leave. If the firefighter is unable to return to duty at the end of the five (5) or three (3) day period, he/she shall so notify the Battalion Chief on duty at Central Fire Station by the fifth or third day.

A firefighter may also be granted leave to attend the funerals of the persons not mentioned in the Article at the discretion of the Chief. If the firefighter takes more than six (6) hours for the funeral for an individual not specifically mentioned in the list above, the entire time will be charged against the firefighter's accrued sick leave.

Section 2 - Emergency Leave

Any firefighter shall be permitted to leave immediately (without loss of pay) and without replacement on account of any emergency concerning his/her home or his/her family upon giving notice to the Battalion Chief or officer in charge, provided that he/she report within an hour after taking leave the amount of time that will be required to attend the emergency. Any time away from work in excess of one (1) hour will be charged to sick leave.

Section 3 – Incidental Leaves

Incidental Leave is an unplanned leave for taking care of non-emergency personal business, such as going to the bank to cash a check. It is not meant for a long-term absence of more than 15 to 30 minutes or for planned events. These are reasonable conditions to be imposed on incidental leave to accomplish the needed task. The Battalion Chief and the Acting Battalion Chief may approve incidental leave and have the right to impose other restrictions on this leave or may allow for longer leave if the reason makes sense. For normal incidental leave 15 to 30 minutes will be the time limits to shoot for.

Emergency leave is for an *emergency***,** and not a leave to be used for in a planned event. Emergency leave is for those unplanned events that need your immediate attention such as an emergency concerning your family or your home.

Section 4 - Association Meetings and Seminar Leave

A firefighter shall be granted leave of absence without loss of pay to attend meetings or seminars approved by the Association provided, however, that such leave shall not exceed an accumulated total of three (3) on-duty working days, and provided further, that the City shall not

be required to grant such leave if a replacement would have to be obtained in accordance with the staffing requirements established in Article XV, Section 1 of this Agreement.

Leave will be granted for the firefighter for the meeting and any reasonable travel time. The firefighter will be expected to return to work following the leave. Multi-day/overnight leave will be granted as necessary. The maximum number of days approved shall not exceed twelve (12) on-duty days per calendar year. If approved, association leave shall be interpreted the same as Floating Holidays when approving other time off.

Section 5 - Leave of Absence

An Employee may be granted a leave of absence without pay by the City Manager on the recommendation of the Fire Chief with such leave not to exceed one (1) year in length. A request for absence will not be unreasonably withheld if there is no undue hardship within the department. The granting of the leave shall protect the Employee's existing continuous service for the leave period but shall not count as service time for Maine State Retirement, nor shall vacation or sick leave accrue during the absence, nor will the Employee receive pay for municipal holidays or any other benefits such as health insurance. The Employer may hire a replacement for the vacant position, if the employee desires to return to work, the employee must notify the Fire Chief in writing. The Employee will be required to maintain all certifications for the position and to take a pre-employment medical exam, substance abuse test, physical agility test to determine if he/she is physically fit to perform the essential job functions, and criminal background. The Employee will only be offered reinstatement if a position is available and if the request is made within the granted leave period.

ARTICLE XIV - Exchange of Shifts and Transfers

Section 1 - Exchange of Shifts

Firefighters shall be permitted to exchange work shifts provided that exchanges of shifts shall not occur in which it would allow an individual to accept and get paid for overtime and then trade that shift. Further provisions include:

1. Their replacements are qualified to perform their duties.

2. Exchanges may be made for the purpose of engaging in gainful employment so long as such gainful employment involves activities directly related to the firefighter's job duties and/or professional development. Such an exchange must be pre-approved in writing by the Chief or his/her designee. Approved exchanges for gainful employment shall not count towards the bank referenced below.

3. An employee whose loaned time off is being repaid may perform such work as he/she usually performs when not on duty with the Fire Department.

4. Exchanges being made for the purpose of satisfying military service requirements or approved education and training, shall not be counted towards the bank referenced in number five below for either the firefighter initiating or fulfilling "pay-back" the swap

5. Each firefighter shall have a bank of 288 hours from which he/she may draw for exchange of shifts in excess of twelve (12) hours. Swaps of twelve (12) hours or less do not count toward the swap bank. Swaps referenced in #7 below may also not count at the discretion of the Chief or his/her designee.

6. No more than three (3) firefighters on any work shift may be granted such exchanges except that, in the discretion of the Battalion Chief, additional exchanges may be permitted provided their replacements are qualified and no weakening in the department's firefighting capacity will result.

7. A firefighter may not be allowed to participate in 24-hour exchanges of shifts which would cause him to be off-duty for more than four consecutive work cycles (a work cycle is defined as one 24-hour period on-duty followed by three 24 hour periods off-duty) unless approved by the Chief or his/her designee. Situations qualifying for such approval include but shall not be limited to military leave, educational endeavors, and extended illness/injury.

8. The Battalion Chief may approve swaps according to these guidelines except as noted elsewhere in this article.

9. Swaps shall be repaid on an hour-for-hour basis within one year of the swap being initiated. With the exception of IAFF Local 797 union business, no other arrangements or considerations shall be made between the swapping parties.

10. If an individual is hired for 12 or more hours of overtime, they may allow another individual to work up to six (6) sequential hours of that shift. The hired individual will be checked off according to the overtime hiring rules and each party will be compensated at time and one half for the actual hours they worked.

This exchange of twenty-four (24) hour shift limitation shall not affect vacation or other off-duty time provided for in this agreement and is not intended to prevent individuals from

coordinating exchanges of shift with vacations or other off-duty time provided for in this agreement.

The limitation on the number of allowable exchanges of twenty-four-hour shifts shall not affect occasions when the firefighter requests a swap for the purposes of attending a job-related seminar, course or other educational program, provided that the firefighter has the proper documentation as to the nature and schedule of the seminar, course, etc., and has received prior approval from the Chief or his designee.

If a firefighter who is due to work the shift of another on account of an exchange becomes ill or is injured off the job more than 24 hours prior to the time he/she is due to report for that shift, it is that firefighter's responsibility to find a replacement so that the exchange does not cost the City additional money in the form of overtime for a replacement. If a firefighter who is due to work the shift of another is injured on the job more than seventy-two (72) hours prior to the time he/she is due to report for duty, it is that firefighter's responsibility to find a replacement so that the exchange does not cost the City additional money in the form of overtime for a replacement. If such a replacement is not found, the firefighter shall be responsible for reimbursing the City in the amount of the difference between what his regular pay would have been for that shift and the amount actually paid to the person who replaced him/her.

Section 2 - Transfers, Permanent Positions, Bidding, EMT Assignments

1. Vacancies: When a permanent vacancy occurs in a position, transfers will be governed by the provisions of this article. As used in this article a "vacancy" shall mean a position not occupied due to death, retirement, transfer, resignation, dismissal, promotion of an incumbent or an unfilled newly created position. When a vacancy occurs, rank for rank picking by seniority will be done within the battalion that has the vacancy. Only the affected rank will pick. If the selection creates a non-EMS unit, refer to Section 2-5.

2. Establishing Permanent Positions: On the first Wednesday of every other October commencing in 2002, each member will be given the opportunity to pick his permanent assignment from any of the remaining positions in his rank. An Executive Committee member will assist the Deputy Chief in the administration of this transfer process. The most senior Battalion Chief will pick first having four (4) choices. The next senior Battalion Chief will have three (3) choices, etc., until all Battalion Chiefs have picked. The next picking will be done by the Captains, Lieutenants and the Privates observing the same procedure.

Positions above and beyond those required for the in-service apparatus shall be known as Float positions. An in-service apparatus is one that will be staffed 24 hours a day, 7 days a week and is subject to positional picking process. Employees assigned to Float positions may be assigned to work on any apparatus, at any time, based on the needs of the department. This may include but is not limited to, being assigned to backfill so others can participate in training or meetings, staffing department details, storm coverage, or staffing additional apparatus during peak times or during events. In these instances, the Battalions Chief will consider seniority, when circumstances permit, by giving the more senior float the option of offered assignments. Float positions may also be used at the discretion of the Battalion Chief, to relieve individuals on apparatus assignment on a temporary basis when deemed necessary. This shall not be used to move an employee off their assigned apparatus position against their will. The Deputy Chief will monitor float assignments to ensure no one Float is being unfairly burdened. Unless needed elsewhere, when at full staff levels, additional personnel will be assigned to the aerial or an engine. Due to the nature of the position, those in the Float position will not have consistent contact with any one officer. Therefore, the Captain of the platoon shall be identified as their officer.

After all members have picked according to the provisions of this section they will be in their permanent positions. If a member is not available to make this selection, a prioritized list of selections must be left in writing with the Deputy Chief. All transfers will take effect on the first Sunday in January.

Any employee who holds an EMS position under this Article, shall maintain his/her EMS license required for his/her permanent position.

3. Bidding: Every year (except when establishing permanent positions) during the last two weeks in September any member who would like to change his position shall put it in writing in a sealed envelope and submit it to the Deputy Chief. Those positions will be put into a pool and are the only positions up for bid. All bids will be awarded in order of seniority according to rank. Members who have not submitted their position to the pool will not be allowed to bid. Posting date will be October 1st and will include all available positions and personnel by rank and seniority. Bidding will be done during the first two weeks in October.

4. Seniority: Transfers shall be rank for rank and seniority is defined as time in rank. "Time-in-rank" seniority is defined as the length of continuous service in their present rank from the date of promotion, less any adjustments due to approved leaves of absence without pay (unless otherwise agreed by the City Manager).

In the case of an officer who has been reduced in rank, that officer's time-in-rank seniority shall be considered to be the length of continuous service in that particular rank including the time the officer was in the rank from which he was reduced. If time in rank is equal, then time in the Department prevails.

5. EMT Assignment Procedures:

(a) The rescue crew shall consist of a State of Maine licensed paramedic and at least a State of Maine licensed EMS provider.

(b) All apparatus will have at least one State of Maine licensed EMS provider assigned to it.

(c) Paramedics will be distributed as equally as possible between the battalion with a minimum of four (4) assigned per battalion.

(d) If an apparatus/rescue does not have a State of Maine licensed EMS provider assigned to it after establishing permanent positions, the senior State of Maine licensed provider of the same rank on the battalion will be asked to go to the apparatus/rescue that is lacking a State of Maine licensed EMS provider. If he chooses that assignment, he will bump the junior person of the same rank on that truck. The person who got bumped has the right to go to the firefighter on the battalion that he is most senior to and bump him, that following suit until everyone has a position. If he chooses, he can go to the vacant spot held by the State of Maine licensed EMS provider that is moving. If the senior State of Maine licensed EMS provider of the same rank does not want to move, the next senior State of Maine licensed EMS provider of the same rank on the battalion will be asked to go to that position continuing the same procedure as described above. This process will be repeated until all apparatus/rescue have State of Maine EMS provider assigned to it. If the EMS position is not filled, the junior State of Maine EMS provider of the same rank on that battalion will assume that position.

6. Paramedic Roster: The Fire Department shall have a minimum Paramedic roster level of sixteen (16). Current Paramedics will be included as part of the roster. The increase to 16 paramedics will be accomplished as new firefighters are hired. Paramedics shall be required to maintain their EMS license while part of the minimum paramedic roster level. The most senior Paramedic will be removed from the Paramedic roster when his/her replacement has attained their Paramedic license. On a case-by-case basis, a firefighter may request a temporary reduction in their EMS License due to personal reasons. Any reduction will first be discussed by Labor Management Committee.

Paramedic Roster Rules

1. Employees hired after January 1, 2015, shall obtain and continue to retain a paramedic license while part of the minimum Paramedic roster. This includes complying with state mandated continuing education requirements. Maintenance of such licensure level required by this article shall constitute a condition of employment and failure to maintain such required license shall be considered just cause for dismissal.
2. Employees hired before January 1, 2015, shall continue to retain a Paramedic license while part of the minimum Paramedic roster. This includes complying with state mandated continuing education requirements. Any employee whose EMS license has lapsed or has been downgraded for failure to comply with continuing education requirements will forfeit their EMS pay and be reduced an amount equal to two (2) anniversary steps. If and when the employee's license is reinstated, the employee will return to full pay and status.
3. Paramedics may request to downgrade licensure under the following conditions:
    a. There are sufficient number of Paramedics with less seniority which will allow the reduction to occur without negatively impacting minimum Paramedic staffing levels;
    b. The Paramedic has experienced a catastrophic event, not of his own doing, that would prohibit him/her from continuing to perform as a Paramedic safely. For example, an incident that results in post-traumatic stress.
    c. Either incident will require an administrative review followed by discussion with the Labor/Management Group.

Actions against the Provider's License:

1. Any employee whose EMS license is being investigated by MEMS shall notify the Chief or his designee immediately.
2. The employee shall maintain full pay and status pending the results of the MEMS investigation unless the State, Regional, and/or Department's Medical Director prohibits the employee from working in EMS or limits the capacity in which an employee can provide EMS.
3. In cases where the employee is prohibited from working in EMS or has limits on their capacity in which he/she can provide EMS as a result of an internal action, the employee will be paid in accordance with their ability to perform EMS.
4. Providers hired after January 1, 2015 that are on the Paramedic Roster who are downgraded as an action of MEMS from an investigation, regardless of duration, may be subject to termination.

7. Filling of a Temporary Vacancy: This situation is intended to cover long term vacancies of one month or more such as leaves of absence, on the job injuries and/or extended sick leave a firefighter from an unaffected battalion may volunteer to fill the vacant position after the need for the vacancy has been posted. The specific criteria (such as rank and EMS licensure level) will be identified in the posting and only those that fit the criteria may apply. The vacancy will be posted for two work cycles (8 days). Any firefighter who would like to volunteer to fill the temporary vacancy shall do so in writing to the Deputy Chief. The volunteer with the most seniority will be selected.

Should no firefighter volunteer to fill the temporary vacancy, then the Chief will select a firefighter to do so from an unaffected battalion. Those firefighters filling temporary vacancies may take previously selected vacations and floating holidays, even though it will cause a decrease in the apparatus staffing for those days. The Chief will take into consideration other types of negative impacts the firefighter may have when filling the temporary vacancy. The firefighter who is assigned to fill the temporary vacancy will go back to his previous assignment when the absent firefighter returns to the department or the vacancy becomes permanent. If the bidding for the temporary vacancy creates a non-EMS pump/rescue, refer to Sec. 2-5.

ARTICLE XV - Recall to Work

Section 1 - Off-Duty

Off-duty firefighters may be recalled to duty in the case of multiple alarms, major emergencies, or when staffing per apparatus is below the required level. The required minimum staffing level for each structural engine company is three (3); aerial company is three (3) and one Battalion Chief. The parties agree that in no event will the City be required to assign more than three firefighters per apparatus as set forth above, plus the Battalion Chief. The Chief may increase the staffing requirements when conditions reasonably warrant his/her doing so.

Staffing for other apparatus not listed above will be at the discretion of the Fire Chief or designee.

Stand-by duty shall no longer be required provided that a sufficient number of firefighters return to duty for multiple alarms or major emergencies. If a sufficient number of firefighters do not return to duty, in the judgment of the Chief, up to four (4) firefighters may be required to serve on stand-by. All firefighters will be called on multiple alarms and Box 33's unless canceled by the Incident Commander.

The firefighter will be notified of second alarms and/or Box 33's by automated text messaging system (primary notification) and/or by telephone (secondary notification). Acknowledgment of arrival time occurs when the firefighter reports for duty at the station or substation and is logged on to the Battalion Chief's multiple alarm sheets.

The time of work performed in the case of multiple alarms shall be computed from the time of notification based upon the nearest quarter hour, except that any firefighter reporting more than forty-five (45) minutes after notification of the alarm shall be paid for work performed computed from actual reporting. Any firefighter must report within forty-five (45) minutes from the time the firefighter is notified of a multiple alarm to be eligible for three hours of time and a half for a minimum payment.

Any firefighter responding to a multiple alarm arriving more than one (1) hour prior to the time that he/she would otherwise have been required to report for duty shall receive a minimum of $50.00.

Section 2 - Replacement Coverage Turns

When staffing falls below requirements as set forth in Article XV, Section 1, replacements shall be obtained from the extra work list. When there is no EMT on duty and additional staff is required, the City shall recall an EMT as the name appears on the extra work list or compulsory work list. If there are no firefighters/EMTs willing to work, replacements shall then be obtained from the compulsory work list. Any firefighter or firefighter/EMT selected to work from the compulsory work list shall have the right to find his/her own replacement.

When hiring a replacement, the Department will follow the Rules for Overtime Hiring.

ARTICLE XVI - Health and Safety

Section 1 - Health Promotion Program and Employee Cost Share

Firefighters and the City agree to implement a Health Promotion Program with the following goals:

1. To promote wellness and health by rewarding employees and their dependents for healthy behavior that will encourage employees to develop and maintain healthy habits;

2. To reduce the overall need for health care services by City employees and their dependents; and,

3. To slow the rate of increase in the City's health insurance premiums.

Employees (and the spouse if applicable) who participate in the Health Promotion Program and make their best efforts to achieve health management goals will pay a minimum of 15% of the monthly premiums. Employees who do not participate in the Health Promotion Program will pay a maximum of 25% of the monthly premiums, as established by the Maine Municipal Employees Health Trust (or alternative health insurance carrier); regardless if the employee is in a single, single parent or family plan. The employee's contribution will be withheld on a weekly basis, based upon 48 weeks in the calendar year.

In the event that the Health Promotion Program is eliminated, through loss of funding or any other reason, the employee cost share will continue to be 15% of monthly premiums for the life of this agreement.

A full description of the Health Promotion Program is attached as Appendix A.

Section 2 - Health Insurance

The Association recognizes the increasing cost of providing health insurance to employees. To assist the City in addressing this mutual concern, the Association will join with the City in its efforts to provide further education and information for members in regards to the use of MMEHT cost containment benefit guidelines.

Effective 1/1/14 the City will implement the PPO 500 Plan through the Maine Municipal Employees Health Trust, on a voluntary basis at the employer/employee cost share as outlined in Article XVI Section 1. Health Promotion Program and Employee Cost. Employees who opt to remain in the Point of Service C Plan will pay the difference in premiums between the PPO 500 Plan and the POS C Plan for single, single parent and family subscribers. The City may change or offer alternative health insurance programs including, but not limited to insurance carriers, health maintenance organizations, preferred provider organizations, or to self-insure so long as the new or alternative coverage and benefits are substantially similar to the plan most recently provided to the membership and further provided that:

1. The City, by written communication, notifies the Association, no less than sixty days prior to implementation, of the specific details of any changes or alternatives in health insurance.

2. That the City, subsequent to the written notification but within sixty days, meets with the Association to discuss the changes or alternatives.

3. That any disagreement between the parties to this labor contract as to the changes or alternatives being "substantially similar" be resolved by arbitration.

4. That such changes or alternatives shall not increase the financial burden places upon employees above the current level.

The City may institute cost containment measures relative to insurance coverage so long as the basic level of insurance benefits remains "substantially similar" to the current coverage and no financial burden is incurred by the employees. Such changes may include, but are not limited to, mandatory second opinions for elective surgery, pre-admission and continuing admission review, prohibition on weekend admission except in emergency situations, and mandatory out-patient elective surgery for certain designated surgical procedures.

The City shall provide adequate staff assistance to help firefighter's process claim forms, including mailing of claims and medical forms to health care providers.

Section 3 – Health Reimbursement Account –

Effective 7/1/14, the City will implement a Health Reimbursement Account (HRA) for use toward deductibles and co-insurance in the amount of $750 for single person and $1,500 for single parent subscribers and family subscribers in the PPO 500 Plan. Unused money in the HRA rolls over from one year to the next and each fiscal year, the City will refund each account up to the $750 and $1500 maximums.

Section 3 - Payment Program for Waiving Health Insurance Coverage with the City of Auburn

Any firefighter may elect to waive coverage in the City's health insurance plan. Any firefighter waiving full coverage or partial coverage for which he/she would otherwise be eligible shall be paid according to the following conditions:

Except as stated in Article XVII Section 1. Separation From Department, any firefighter eligible for full family coverage or single coverage and who elects to waive health insurance coverage shall receive a payment equal to the amount of five (5) months of health insurance premiums. The waiver payments will be made in twelve (12) monthly payments.

A firefighter who is eligible for a full family plan but opts to take either a "single parent plan" or a "single plan" shall receive an annual payment equal to five months of the difference in premiums between the plan for which he/she is eligible and the plan which he/she opts to take.

Firefighters who are married to other City (non-school) employees covered by the health insurance shall be eligible for an amount equal to five (5) months of insurance premiums at the single rate if he/she waives health insurance coverage with the City.

The payments in lieu of health insurance shall be based on the premiums in effect the month the premiums are paid. All health insurance waiver premiums are based upon the PPO 500 Plan premiums effective 1/1/2014.

A new firefighter who waives health insurance coverage shall not be eligible for the payment in lieu of insurance until he/she has successfully completed the probationary period.

If the firefighter wishes to be reinstated on the health insurance policy or change his/her coverage from a single or a single parent plan (if he/she would otherwise be eligible for full coverage) he/she may do so as long as he or she follows the insurance carrier's requirements for evidence of insurability and portability of coverage provisions.

If a firefighter is reinstated (or covered for the first time) after receiving payment for waiving health insurance coverage, the firefighter shall repay the City the balance of the payment, pro-rated on a monthly basis.

In order to receive payment for waiving health insurance coverage or to be reinstated on the health insurance plan, the firefighter must submit written notice to the Human Resources Director. Discontinuance of health insurance or reinstatement of coverage will be effective the first day of the following month in which written notice has been received, provided that the employee meets all conditions, which may be imposed by the health insurance carrier.

Section 4 - Extent of Coverage

The extent of coverage provided under the existing insurance policies (including HMO and self-insured plans) referred to in the Agreement shall be governed by the terms and conditions set forth in said policies or plans in existence at the time of the dispute. Any questions or disputes concerning said insurance policies or plans or benefits hereunder shall be resolved in accordance with the terms and conditions set forth in said policies or plans and shall

not be subject to the grievance and arbitration procedures set forth in the Agreement. The failure of any insurance carrier(s) or plan administrator(s) to provide any benefit for which it has contracted or is obligated shall result in no liability to the City, nor shall such failure be considered a breach by the City of any obligation undertaken under this or any other Agreement.

Section 5 - Benefits Supplementing Workers' Compensation Benefits

If a firefighter receives a personal injury or is disabled by occupational disease arising out of and in the course of his/her employment by the City, the City will, provided that the provisions of this Article are met by the firefighter, continue his/her full contract wages and other benefits, without interruption or waiting period, so long as he/she is incapacitated to perform firefighter's work as a result of the personal injury or occupational disease. The City has the right to contest a workers' compensation claim. Such a claim will be appealed and resolved according to the procedures provided by the workers' compensation statutes and regulations.

An aggrieved firefighter may seek relief only under the Workers' Compensation Act before the Workers' Compensation Commission. In the event of a final decision by the Workers' Compensation Commission that the firefighter' injury or illness arose out of and in the course of his/her employment with the City, and incapacitated him/her for his/her work as a firefighter, then, in addition to benefits payable under the Workers' Compensation Act, the City shall provide the firefighter all additional benefits due under this contract, if any, retroactive to the date of incapacity. No firefighter shall receive any combination of benefits from the City or its Workers' Compensation carrier, including, but not limited to sick pay and vacation pay, which benefits total more than such employee's benefits under this contract, or the Workers' Compensation Act, whichever is greater. No firefighter shall lose sick pay benefits during time he/she is entitled to benefits under this section.

The firefighter who is receiving or claims benefits under this Article shall, if requested by the City, promptly file a claim for Workers' Compensation benefits. Otherwise, the employee may exercise rights under Workers' Compensation Act as he/she wishes, or not. If a claim for Workers' Compensation benefits is not filed within thirty (30) days after receipt of a written request making reference to this provision in the contract, then the City may terminate wages provided under this Article unless and until the firefighter files the requested claim.

Upon filing a claim for continuation of wages under this Article, the firefighter shall, upon request by the City, execute a certificate authorizing the City to obtain in writing from any physician, osteopath, chiropractor, or any other health care provider, any written information

which is or has been obtained in connection with the examination or treatment of the employee and which relates to any injury or disease for which compensation is claimed.

The City shall have, for any benefits paid a firefighter pursuant to this Article, the identical lien and rights as against third parties and the firefighter as the City or its insurance carrier may give as regards worker's compensation benefits under 39 M.R.S.A.§68. At the request of the City, the firefighter shall sign such documents and perform such acts as are reasonably required in order to effectively subrogate the City to the firefighter's claim(s).

The rights of the City and the firefighter under this Article are in addition to and not limited by the Workers' Compensation Act of the State of Maine and regulations issued pursuant thereto.

Section 6 - Expense of Injury or Illness

The City shall pay all hospital, medical, and surgical expenses incurred by any firefighters on account of injury or illness arising out of and during the course of their employment; except that it shall not be required to pay for any such expenses which are covered by insurance provided by the City or otherwise assumed by the City.

Section 7 - Light Duty Return to Work

The City and Local 797, IAFF agree to continue the Light Duty Return-to-Work Program for firefighters. The goal of the program is:

1. To assist the firefighter in the return to his/her pre-injury position with the Fire Department;

2. To provide some "connectedness of the firefighter to the Department;

3. To speed the recovery process;

4. To provide for meaningful work for the Department and the Firefighter;

5. To make maximum use of the Firefighter's skills and abilities. To that end, the City has defined specific work assignments or light duty activities that will be made available to employees injured at work who are unable for period of time, as defined in this section, to perform their regular firefighting duties.

a. No light duty assignment shall result in the transfer, displacement, or lay-off of another firefighter, nor shall any assignment be made for the purpose of demeaning, discriminating or punishing the employee for his/her injury, illness, or absence from work.

b. The individual participating in the light duty program will not count toward the apparatus staffing level on duty for that shift.

c. The injured employee will not be required to work on any other shift that his battalion would normally work, unless mutually agreed between the firefighter and the City. If mutually agreed between the firefighter and the City, the firefighter will work the administrative work schedule (8:00 a.m. - 4:30 p.m. M-F) or an alternative flexible schedule to be determined on a case by case basis. It is understood that any alternate schedule will be based upon an average of a 42-hour work week. The firefighter will not be required to work for any other department than the Fire Department, unless mutually agreed upon between the City and the firefighter.

d. The employee on light duty will receive full pay and benefits as provided by Article XVI Health and Safety, Section 5. Benefits Supplementing Workers' Compensation Benefits.

e. In order to improve the effectiveness of the Light Duty Return to Work Program, and to fully utilize the skills and abilities of the injured firefighter, the Deputy Chief, the Battalion Chief on-duty and the injured firefighter will meet at the beginning of the shift to discuss the firefighter's medical restrictions; the work that falls within the medical restrictions that need to be performed that day; the firefighter's special training, expertise or interests; and the firefighters suggestions for ways that he/she might best enhance the Department's operations while on light duty

At the end of each shift, the firefighter on light duty will provide a description of the activities performed during the shift and will turn this record into the Battalion Chief at the end of each shift

f. The firefighter may be on light duty status for a maximum of one year, or until he/she reaches maximum medical improvement, or until he/she is able to return to regular status, whichever occurs first. A firefighter's medical condition will be reviewed at least quarterly (more frequently if necessary) to determine if the firefighter is still unable to return to firefighter duties.

g. The hours worked on light duty will be turned into the City's workers' compensation claims manager weekly in order that the workers' compensation benefit may be re-calculated. This will have no effect on the firefighter's regular wages from the City, as the firefighter will endorse the workers' compensation check over to the City as is current practice.

h. No firefighter will be required to perform light duty activities that are not within the employee's work capacity. If the employee and the Fire Chief are unable to reach agreement as to the employee's capacity to perform any light duty job, the Chief or his designee will submit a written light duty job description to the department designated physician for his/her determination that the proposed duties are within the employee's work capacity.

i. Light duty assignments may be filled by the firefighter who is unable to perform regular duty as a result of an off-the-job illness or injury as long as the following conditions are met:

i. Participation is on a voluntary basis;

ii. The firefighter has exhausted his accrued sick leave;

iii. There is a light duty position available. Light duty positions will be filled first by firefighters who are unable to return to regular duty as a result of an on-the-job illness or injury.

iv. The firefighter may be in light duty capacity for a maximum of three months, or until he/she reaches maximum medical improvement, or until he/she is able to return to regular duty, whichever is soonest.

v. Firefighters on light duty due to an off-the-job illness or injury will work the administrative work schedule (8:00 a.m. - 4:30 p.m. M-F).

vi. Firefighters on light duty due to an off-the-job illness or injury will receive payment only for those hours actually worked.

j. The department will develop a list of light duty activities for the firefighter. It will be management's right as to which activity is filled by which firefighter. It shall be the

responsibility of the Fire Chief or his designee to match the work capacity skills and abilities of the firefighter with the light duty activities available at the time of the injury.

Section 8 - Damage to Glasses and Teeth

The City shall pay all expenses incurred by a firefighter for loss or damage of eyeglasses, false teeth, and hearing aids while on an emergency call. This benefit shall not diminish any benefits available under the Workers' Compensation Act.

Section 9 - Department Physician

The City of Auburn may retain a department designated physician to be the primary contact for all work-related injuries, to oversee the Respiratory Fitness Program and for other situations when in the judgment of the Fire Chief, medical consultation regarding a firefighter's fitness for duty is needed.

In recognition of the essential job functions, which require the firefighter to be in good physical condition, the City and the firefighter have mutual interest in the firefighter's overall health and well-being. Firefighters are strongly encouraged to have regular exams on a schedule set forth by their primary care physician and to discuss with their primary care physician the physical demands of their profession. The City offers a comprehensive health insurance package, as well as an Employee Assistance Program and Wellness related programs, which defray the costs of annual medical exams and follow-up treatment.

Section 10 - Substance Abuse Testing Program

The City of Auburn and Local 797 will reach agreement on all sections of the Substance Abuse Testing Policy for firefighters before it is submitted to the Department of Labor for approval. If the Substance Abuse Testing Policy is found not to be in compliance with state statutes, the City and the Union agree to reopen the contract for purposes of renegotiating only those specific sections of the Substance Abuse Testing Policy found not to be in compliance. These sections will be resubmitted to the Department of Labor for approval.

No substance abuse test will be administered until the Substance Abuse Testing Policy for firefighters (attached as an addendum to this contract) has been approved by the Department of Labor and all regulations pertaining to implementation have been met.

Section 11 - General Safety

The Health and Safety Team will continue to consider and make recommendations on safety issues.

Section 12 – Vaccination Requirements

In accordance with Maine EMS rules Chapter 21 "Immunization Requirements", the city must require that a Covered Emergency Medical Services Person provide to the City, a Certificate of Immunization or documentation of an Exemption pertaining to COVID 19 and Influenza. The intent of this article is to ensure that both the City and the employees remain in compliance with this Maine EMS Mandate.

Per Maine EMS, "Covered Emergency Medical Services Person" means an advanced emergency medical services person, a basic emergency medical services person or any person licensed by this board who routinely provides Direct Patient Care. For the purposes of this definition, EMS students that provide Direct Patient Care are Covered Emergency Medical Services Persons.

Employees that meet the definition of "Covered Emergency Medical Service Person" are required to meet the vaccination requirements and to provide proof to the Deputy Chief, of such vaccinations or an exemption as described in the rule.

Compliance with the vaccination rule is a condition of employment. An employee found to be in non-compliance with this rule will be given a one time, thirty (30) day period, to come into compliance. During this 30-day period the firefighter will be required to find voluntary alternate ride assignments if currently assigned to a rescue. The department expects all licensed uniformed firefighters to provide patient care. Failure to come into compliance may result in termination.

Firefighters required to receive vaccination or boosters off duty will be compensated at the firefighter's overtime rate.

If an employee should experience any signs or symptoms that prevent them from working within 72 hours of receiving a vaccination or booster shot, on or off duty, the firefighter shall be allotted administrative leave until signs and symptoms cease.
As with any workplace injury, the employee may report suspected illness or injury resulting from vaccination. Such report will be processed through the normal Workers Compensation Claims process.

Any firefighter that elects to separate from the department rather than meet the COVID and Influenza vaccination requirements as defined by the rule, will be allotted all benefits of separation under Article XVII-Separation from the Department.

If upon implementation of this vaccination requirement, any current employee elects not to receive the vaccinations to become compliant with the rule, and is separated from the Fire

Department, for one year the employee will be considered for any city position that the employee may be eligible for.

ARTICLE XVII - Separation from Department

Section 1 - Retirement

The members of the Auburn Fire Department participate in the Maine Public Employees Retirement System Consolidation Plan -- Special Plan II. Effective 7/1/14, the City will implement MePERS Special Plan 3C (two-thirds pension at 25 years with no minimum age) for those firefighters who have less than 25 years of service with the Department. Firefighters with 25 years of service or more at the time of implementation of Special Plan 3C will not be eligible for Special Plan 3C.

The City will implement a In Service Retirement Program for Firefighters who reach 25 years of service in the MePERS on 7/1/14 or later. Participants in the In-Service Retirement Program will retire in order to draw his/her pension and will remain employed for up to five additional years or upon reaching thirty (30) years of service as defined by MePERS.

At the completion of the Firefighter's twenty fourth (24th) year as determined by MePERS, the Firefighter will declare his/her intention to participate in the In-Service Retirement Program when eligible and will state his/her intentions to the Fire Chief or his/her designee. The Firefighter may opt into the In-Service Retirement Program at any time after attaining 25 years of service, however, may participate in the plan until he/she reaches 30 years of total service.

The firefighter in the In-Service Retirement Program will cash out all accrued vacation time and all accrued sick time as per this article. Firefighters may reserve 48 hours of sick leave from being cashed out. This sick time may be retained and used as a starting sick leave balance upon participation in the In-Service Retirement Program. Firefighters must state in writing to the Office Manager that they want to reserve this sick time from being cashed out prior to the final submission of the termination forms and cash-out is submitted to the Finance Department. The Firefighter understands that any sick leave hours held in reserve and not cashed out may negatively affect his/her pension through Maine Public Employees Retirement System. It is his/her responsibility to thoroughly understand any potential impacts. During the five years that the firefighter works under the In-Service Retirement Program, the firefighter will accrue vacation and sick time, but will be entitled to cash-out only accrued but unused vacation leave. Firefighters who retire and participate in the In-Service Program who have more than 1440 hours of accrued sick leave at retirement will put the excess hours over 1440 into a "lapsed sick leave" account. The use of the lapsed sick leave account is for the sole purpose of covering the

firefighter's extended absences of more than 3 weeks and for conditions that would be covered by the City's Family and Medical Leave policy. The lapsed sick leave account is for the firefighter's own personal absence as a result of illness or accident and is not intended to be transferred to a sick bank for any other firefighter or City employee.

The City will share the savings generated from not making employer contributions to MePERS with the Firefighter on the In-Service Retirement Program on a 50/50 basis, with the savings for the firefighter to be paid to a supplemental retirement fund or a Retirement Health Savings Account.

Section 2 - Vacation Cash-out

If a firefighter separates from the department with accrued and unused vacation hours, he/she will be entitled to "cash out" the unused vacation hours according to the following parameters:

1. Up to 350 hours.

2. Up to 480 hours if on OJI or extended sick leave.

Upon separation, if the firefighter's vacation bank is in the negative, the hours will be deducted from the firefighter's last paycheck.

For purposes of "cashing out" unused vacation time, each period/week of vacation time shall be calculated as being equivalent to forty-two hours at the firefighters' regular rate of pay. A vacation hour is equivalent to .875 pay hours (48 times .875 equals 42 hours at regular rate of pay.

Section 3 – Cash out of Accrued Sick Leave

With the exception of a voluntary election for those firefighters participating in the In-Service Retirement Program, one-half (1/2) of the accumulated sick leave, subject to a maximum of 720 hours, shall be paid the firefighter upon involuntary separation or retirement, resignation with ten (10) years or more of service with the City of Auburn. In the event of a non-work-related death of a firefighter, 50% of the accrued sick leave up to a maximum of 720 hours will be paid to the firefighter's beneficiaries. In the event that a firefighter dies in the line of duty, 100% of the firefighter's accumulated sick leave will be paid to the firefighter's beneficiary. The City's obligations in this regard shall be satisfied by payment, in the discretion of the Manager, to

the deceased's estate, his/her administrator or executor, or his/her widow/widower or children, or other person(s) designated in writing by the deceased.

Section 4 - Compensatory Time

Any accrued but unused compensatory time will be paid to the firefighter upon separation from the department.

Section 5 - Uniform Reimbursement

The balance in the uniform reimbursement account will be paid in cash in the event of the firefighter's separation from service (retirement, resignation etc.). Any cash payment from this account will be taxed. All firefighters retiring or entering the DROP Program during the term of this contract shall receive the accrued balance of the clothing allowance. All others will have two (2) years (until June 30, 2016) to spend down the balance to meet the two-year maximum balance.

Upon termination of employment, the department member shall reimburse the City for that portion of the clothing allowance paid but not earned. The earned portion of clothing allowance shall consist of the number of months in the final year of employment that a person has been on duty. In this instance, "on duty" refers to separation date from the department.

Section 6 - Lay-offs

Lay-off – In the event it becomes necessary for the City to lay-off firefighters for any reason(s), the firefighters shall be laid off in the inverse order of seniority by rank. Any officer selected to be laid off may elect to accept a reduction in rank in which case the least senior member of the Department in the next lowest rank shall be laid off or reduced in rank if a lower rank is available. Any officer electing to accept a reduction in rank in lieu of a proposed lay-off must be qualified as determined by the Fire Chief to assume the duties of the new position. If there is a conflict between seniority during a lay-off and assignment of paramedics in accordance to Section 2-5 EMT Assignments, Section 2-5 of the contract shall have precedence.

In the event the Department must make deep personnel cuts which result in lay-off of 50% of the firefighters, the Fire Chief will have complete discretion as to who will be laid off as long as he/she can demonstrate the reasons for his/her selections. Continuous time in the Department will be given the utmost consideration when these selections are made.

If possible, the City will provide a two-week notice to the firefighters affected by the lay-offs.

Recall – The firefighters who are laid off shall be placed on a recall list for a period of two years. Firefighters who are reduced in rank will be placed on a reinstatement list. If there is a recall, firefighters who are on the recall list shall be recalled or reinstated to their original rank in the inverse order of their lay-off or reduction in rank provided that they are presently qualified to perform the duties as determined by the Chief. The firefighters will be required maintain all certifications for the position and to take a pre-employment medical exam, substance abuse test and physical agility test to determine if he/she is physically fit to perform the essential job functions of the job. It is the responsibility of the firefighter to provide the Fire Department and the Human Resources Department with a current address and telephone number. Notice of recall will be sent to the firefighter by certified mail. The firefighter has ten (10) working days to respond to the recall notice.

No new firefighters will be hired within this one-year period unless all the laid-off firefighters have been afforded the recall.

ARTICLE XVIII - Miscellaneous Provisions

Section 1 - Uniform Reimbursement Policy

The City will establish a reimbursable uniform account similar to the Wellness Account. An amount equal to the following amounts will be credited to the firefighter on July 1st of each year:

Probationary and Permanent Firefighter – $485.
Captain -- $510.00
Battalion Chief -- $510.00

In addition to the above, the City will purchase full dress uniforms for those members of the department required to wear such uniforms at any time. The City will reimburse the firefighter $100.00 toward the purchase of a new uniform jacket on a one-time basis only.

a. Procedures for submitting bills: The firefighter will purchase the uniforms as per the attached list and then submit the receipts to the AFD administrative office personnel. The administrative personnel will forward the receipts to the Finance Department for reimbursement to the firefighter.

b. Accrual: The entire uniform credit does not have to be drawn down completely each year. Effective 6/30/16, the Firefighter may carryover the value of one year's uniform allowance from one fiscal year to next in order to purchase more expensive uniform items, but in no case may the firefighter's balance in the uniform reimbursement account exceed two years of allowance, except as specifically provided in Article XVII Separation from Department Section 5 Uniform Reimbursement. In April, the City will notify the firefighters of the current balance in the account on order that they may draw down the balance below the maximum two-year allowance. In this way, the firefighter may use the accrual from more than one year to make large infrequent uniform purchases such as structural firefighting boots. The Labor Management Committee will monitor the usage of the uniform reimbursement account. If it appears that firefighters are not drawing down the balance in the accounts over a two to three year period, then the Labor Management Committee will consider the implementation of caps on the maximum amount that can be carried over from one year to the following year (uniform accrual).

c. List of approved uniform items: The firefighter may submit receipts for reimbursement for uniform clothing as specified in the uniform policy in the AFD Employee Handbook. Items purchased through the uniform reimbursement account must meet IRS regulations in order to be tax exempt. This list is subject to change if the Department uniform policy changes.

Section 2 – Laundry Service

Effective 7/1/14 the City will discontinue contracted laundry service and firefighter will launder department bed linens, towels, and uniforms at the stations. Firefighters will receive $100 per firefighter per year to be used toward the purchase of personal bed linens and towels and laundry cleaning supplies. The City will continue to provide and maintain a washer and dryer at each station. The Fire Chief through Labor/Management will establish policy on items to be purchased with this account and the method of purchasing these items.

Section 3 – Use of Wireless Internet

The City agrees to provide internet access/service in all AFD stations for use by bargaining unit employees consistent with the City's Computer Use and Support Policy.

Section 4 - Association Meetings

The Auburn Firefighters Association shall be permitted to hold regularly scheduled meetings at the Central Fire Station, but substation firefighters shall not be called in by the

Association. The Association shall also be permitted to hold four (4) meetings per year at the Central Fire Station at which all units shall be allowed to attend. In addition to the above, the Association shall be granted the right to hold additional meetings at Central Station where such are required solely for the purpose of submitting a proposed collective bargaining agreement to the membership for ratification and to include all units at such meetings. The Chief shall be notified of any such special meetings in advance.

Section 5 - Discipline

Employees shall only be disciplined or discharged for just cause. The employer shall have the authority to bypass any step in the discipline process that is warranted by the severity of the infraction.

a. Oral reprimand requires a written record of the oral warning given and the reason(s) therefore. Any documented oral reprimand inserted in the Employee's personnel file shall be removed after a six (6) month period.
b. Written warning requires written notification, indicating the violation, reason(s) therefore, to the employee with a copy given to the Union President. Any written warning inserted in the Employee's personnel file shall be removed after a two (2) year period with no subsequent offenses.
c. Written reprimand requires written notification indicating the violation, reason(s) therefore, to the employee with a copy given to the Union President. A written reprimand which has not previously been the subject of a hearing shall not be placed in a member's personnel file unless the member is first given the opportunity to see a copy of the reprimand. Within five (5) days thereafter, the member may file a written reply. If the Chief thereafter places the written reprimand in the member's personnel file, he/she shall also include the reply. Two years after the incident, a firefighter may submit a request to the Chief that single incidents be purged from his/her file, such request to be determined by a three-member committee composed of: The City Manager or designee, the Chief of the Fire Department, and the Association President or designee (who shall serve on the committee only at the request of the individual).
d. Suspension/Demotion requires written notification, indicating the violation, reason(s) and dates of suspension, demotion, probation, to the employee with a copy given to the Union President.
e. Discharge requires written notification, indicating the violation, reason(s) and dates of suspension, demotion, probation, to the employee with a copy given to the Union President.

If the Employer has reason to reprimand an Employee, it shall be done in a manner that will not embarrass the employee before other Employees or the public. Any disciplinary action

or measure will be governed according to Fire Department Rules and Regulations. Such discipline may be processed as a grievance through the regular grievance procedure.

Section 6 - Indemnity

The City agrees to protect, save harmless, and indemnify a firefighter from and against all fines, penalties, loss, damage, cost and expense suffered or sustained by him/her or for which he/she may be held or become liable by reason or injury, including death, to persons or property, or other causes whatsoever, in the event an attempt should be made to hold him/her liable therefore in connection with the performance of his/her duties as a firefighter, including, without limitation on the foregoing, the operation of Fire Department vehicles and apparatus.

Section 7 - Residence of Firefighters

Firefighters may live in any location. The lack of a residency requirement may be re-evaluated in terms of impact on the department.

Section 8 - Jury Duty and Court Appearances

Requirements of jury duty for firefighters shall be as outlined in the Administrative Manual of the City of Auburn, however, if the firefighter is excused by the court for any reason, he/she shall be required to return promptly thereafter unless the time of release is less than one hour of the time the firefighter tour of duty is scheduled to end.

Fire Department personnel covered by this Agreement required to make an off-duty attendance at court for purposes directly related to their work as Auburn Firefighters shall receive a minimum of three (3) hours pay at his/her regular base hourly rate for each such attendance or time and one-half (1 1/2) his/her regular base hourly rate for all hours in attendance, whichever is greater. Any compensation (from other than the City) received by firefighters for attendance at any court or official hearing while on duty or if called while off-duty for a work-related matter shall be paid to the City.

ARTICLE XIX - Fire Prevention Officer

NFPA Standards and Rules as it applies to inspections, reference, enforcement, and review as it pertains to plans review, building, construction and code enforcement may be conducted by planning/code enforcement staff.

The Fire Prevention Officer will be paid according to the attached wage schedule. The Fire Prevention Officer's evaluation will be conducted on his/her anniversary date of hire.

The Fire Prevention Officer will be entitled to the same tuition and books reimbursement as provided to other firefighters.

The Fire Prevention Officer will work the administrative work schedule -- 8:00 a.m. to 4:30 p.m. Monday through Friday.

Flextime –

The purpose of flex time is to allow some flexibility in the FPO's work schedule so that he/she can more effectively meet the demands of his/her job that occur outside normal business hours.

Flextime will not be awarded on a strict hour for hour basis; rather, the DC and the FPO will meet after the event to determine how much flextime is appropriate.

The FPO will make every attempt to submit a verbal request for flextime off to the DC as soon as possible so that administration can plan for the absence of the FPO.

Overtime –

Overtime will be paid to the FPO at the rate of 1 and ½ times his/her normal rate of pay. A minimum of 3 hours of overtime will be paid when he/she is called before 7:00 am or after 4:30 pm on a normal working day, or for fire investigations occurring anytime during normally scheduled off duty time. The FPO will be compensated at the OT rate only for actual hours worked on all other call back situations.

Overtime will be paid in the event that the Police Department, Chief, Deputy Chief, or an Acting/Battalion Chief requests that the FPO attend an emergency event outside his normal work schedule.

Upon receiving such a request, the FPO will make every attempt to contact the requestor and either resolve the issue over the phone or confirm that it is a situation that requires his attendance.

A brief written explanatory report will be submitted to the Deputy Chief along with a request for overtime payment. Upon approval, this will be forwarded to the Office Manager for payroll processing.

Should the situation in fact turn out not to warrant the presence of the FPO, this will be included in a brief report specified in #4 and appropriate action will be taken to educate the person who made the errant request.

Overtime pay will not be withheld from the FPO in the event of an unnecessary request so long as the FPO complies with item 3.

The Fire Prevention Officer will receive the following holidays off with no additional compensation:

1. New Year's Day
2. Washington's Birthday
3. Patriot's Day
4. Memorial Day
5. Juneteenth
6. Independence Day
7. Labor Day
8. Columbus /Indigenous Peoples' Day
9. Veteran's Day
10. Thanksgiving Day and the day after
11. Christmas Day
12. Martin Luther King Day
13. Any one-time national holiday mandated by the President and observed by another Auburn City Departments

He/she will receive one personal day per contract year.

Vacation accrual for the Fire Prevention Officer will be as follows: One day per month; 15 days per year after completion of the fifth year of employment; 20 days per year after completion of the 12th year of employment. The Fire Prevention Officer may accumulate, up to a maximum of 30 days.

The Fire Prevention Officer will accumulate one sick day (7.5 hours) per month up to a maximum of 150 days. The Fire Prevention Officer may cash out one half of accumulated sick leave up to a maximum of 75 days conditional upon him/her having 10 or more years of employment with the City of Auburn.

The Fire Prevention Officer may also take Wellness Days, if earned through the City's Wellness Program. He must schedule Wellness Days off through the Deputy Fire Chief.

The Fire Prevention Officer will annually be credited with $385 in the uniform reimbursement account.

ARTICLE XX - Duration of the Contract

This agreement shall be effective upon execution and shall continue in force and in effect from July 1, 2022 until June 30, 2025. The provisions hereof shall remain in effect after that termination date if the parties are engaged in collective bargaining, mediation, fact-finding, or interest arbitration pursuant to the Maine Public Employees Labor Relations Act, or legal action relating thereto. No interest arbitration decision shall be given retroactive effect unless it is determined by reference to the facts and circumstances surrounding the negotiation that retroactive application would be just. In that case, the decision shall be made retroactive to the extent State law gives the arbitrator the power to make it so.

ARTICLE XXI - Inconsistent Rules, Regulations and Ordinances

The City may adopt such rules, regulations, ordinances, or charter provisions as it deems necessary for the operation of the Fire Department and the conduct of its employees, provided such rules do not conflict with any of the provisions of this Agreement. Any disagreements between the City and the Association as to whether or not a particular rule, regulation, ordinance conflicts with this Agreement shall be resolved by the arbitration procedure as outlined in Article XII of the Collective Bargaining Agreement.

To the extent any rule, regulation, or ordinance is found to be inconsistent with this Collective Bargaining Agreement, this Collective Bargaining Agreement shall prevail to the extent of the inconsistency.

The President of the Association shall receive a copy of all departmental orders and notices and copies of proposed changes in the Administration Manual.

ARTICLE XXII - Active Agreement

The contract may be changed during the term of this agreement when (1) the members of the Labor Management Committee have reached consensus and agreed to discuss any particular change(s) in the contract; and (2) the Union and the City Council have voted to make the change that was discussed and is being proposed by the Labor Management Committee.

ARTICLE XXIII - Savings Clause

If any provision of this agreement, or the application of such provision, should be rendered or declared invalid by any court action or by reason of any existing or subsequently enacted legislation, the remaining parts or portions of this Agreement shall remain in full force and effect.

IN WITNESS WHEREOF, the City of Auburn has caused its corporate seal to be affixed to this instrument, and has caused this instrument to be signed for it and in the name of its appropriate municipal authorities and by its duly authorized officials as set forth below, and Auburn Firefighters Association, Local No. 797, of the International Association of Firefighters, A.F.L.-C.I.O. has caused this instrument to be signed by its President, thereunto duly authorized, on the date first above mentioned.

Appendix A - Health Promotion Program

The program seeks voluntary participation in a health promotion and health care management system which focuses primarily on prevention activities. The goals include:

- To improve the health of each employee, through a personal risk assessment, continual education, and personal wellness plans;
- By employees being actively involved in their overall healthcare and by focusing on prevention, the use of higher cost medical services may decline which will result in long term savings in health insurance premiums;
- To reward employees and their dependents for healthy behavior.

Health Risk Analysis and Education

The first major part of the program is an individual health risk analysis which will be available for each employee who desires one. This service may be provided by a health care provider that will be under contract with the City to provide these services or by the employee's primary care physician. If the employee opts to use his/her primary care physician, the result of the health risk analysis will be provided to the City's contracted health promotion provider. The health risk analysis will include but not be limited to high blood pressure, elevated cholesterol, diabetes screening, smoking, and proper body weight. The aggregate results of the analysis for all City employees will be available to the City. However, consistent with federal law, the City will not have access to individual's health risk analysis.

A health care educator will be assigned and responsible to work with each and every member that signs up for the program (dependents are not required but are encouraged to participate in the program). These educators will work to establish the base line for health risk factors for each member. Once established, the educators will work with the member to provide wellness goals and benchmarks. Educational material and motivation will be a core part of the program.

After the initial consultation, each member will receive at least one additional face-to-face meeting annually. Such meetings will be primarily designed to be on the job site for the employees and in a private setting. Depending on the results of the health risk analysis and the goals of the member, additional meetings will be scheduled. Should a face-to-face consultation not be practical, phone and email may be acceptable alternatives.

The City, after consultation with the Health Care Provider and the City Wellness Team, will, at a minimum, provide monthly health related programs and topics that relate to the challenges that are facing the members. The City will continue to seek creative and meaningful ways to reward and recognize employees making progress in obtaining their individual health care goals.

Health Care Advisory Team

The City's Wellness Team will meet regularly to assist in recommending health-related programs, adjustments to the percentage distribution and any wellness issues or concerns that may arise. There will be at least one fire fighter on the team. Though the Team may recommend changes or adjustments to the program, the City will make the final determination to either accept or reject such recommendations. Lastly, since communications is such an integral part of any successful program, the Team will serve as an information conduit to City employees to assist in keeping them apprised of ongoing health care issues.

Health Care Management Proposal

Except as stated in Article XVII Section 1 Separation From Department, the insurance proposal is as follows: Employees' portion of health insurance premium increases from 15% to 25%, effective January 1, 2021. The program's implementation date is July 1, 2021. During the first year of the program employees need only agree to participate in the program to obtain the 10% health insurance premium savings. After January 1, 2022, employees are expected to meet the specific goals by utilizing their 'best efforts' as established by the Health Care Educators to obtain the full 10% savings.

- Health Promotion Program and Health Insurance Cost Share

The employee cost share for firefighters who do not participate in the Health Promotion Program will be 25%. Employees who are participating in the Health Promotion Program are expected to meet the specific goals by utilizing their 'best efforts'. The program has two goals: First, to improve the health of each employee through risk assessment and education; second, to reduce the long-term cost of health insurance for each employee and the City. As such, an employee who makes a 'best effort' but falls short of fully meeting their goals will not be penalized, providing, however, that the following three criteria are met:

a. the employee has participated in the Health Risk Assessment;
b. has made reasonable progress and improvement since the last measurement;

c. has been recommended by their health care provider/educator as having made their 'best effort'.

The City will meet and discuss with the Union in all cases it deems an employee to not have met this standard. Each case shall be decided on an individual basis and shall not be used as a reference in any way for any other employee.

At all times, the employee Primary Care Physician (PCP) shall be responsible for establishing and /or modifying appropriate goals. The Health Care Educator shall be responsible, in consultation with the employee's PCP, to determine the appropriate activities to meet such goals and to determine whether or not the employee has made a 'best effort'. In the event of a conflict between the PCP and the Health Care Educator, the employee's PCP shall have final say in re-determining and/or modifying previously established goals.

Cafeteria Benefit Plan Options

The City will contribute $650 to the Cafeteria Benefit Plan, of which the Flexible Spending Account is an option. The Flexible Spending Account can be used for office visit co-payments, lab work, diagnostic testing, prescriptions and other medicals. A firefighter may elect to put money from the Cafeteria Benefit into the Flex Spending Account and may increase the amount in the account by making additional contributions through payroll deductions. All money must meet the standards set by the IRS. Additionally, firefighters may cash out up to 48 hours of accrued time (sick or vacation) to the Cafeteria Benefit Plan, to be used towards the Flexible Spending Account or any other option on the plan.

Wage Schedule

Please see the attached Fire Fighter and Fire Prevention Officer Wage Schedules dated July 1, 2022 to June 30, 2025.

Lewiston Auburn Warming Center Request For Funding Proposal

I. Background & Unmet Needs

In recent years, Lewiston Auburn has witnessed a significant rise in homelessness, necessitating comprehensive homelessness prevention services. Through creative collaboration and partnerships, a temporary warming center was established in January 2023, to provide a warm meal and place for the unhoused in Androscoggin County. While this initiative successfully addressed the immediate needs of providing shelter and meals during the coldest hours (12am-8am), it did not present a sustainable, long-term solution to homelessness. Hence, we need to establish a temporary warming center for the 2024 winter season.

II. Format, Delivery, and Scope

A. Location and Facilities:

The proposed warming center will be located at Calvary United Methodist Church located at 59 Sabattus Street in Lewiston. This facility offers unique advantages for our intended services. Located in downtown Lewiston, this facility ensures direct access to public transportation for client visits. Conveniently situated within walking distance of essential and social services such as health, food, housing, mental health, recovery services, education, laundry services and much more.

B. Operation:

The warming center will operate for 8 weeks, starting on 2/8th and closing on 4/5th 2024. The center will have operation hours from 6pm to 8am Monday through Friday. And it will operate 24 hours on Saturday and Sunday to accommodate the limited services over the weekend.

C. Staffing and Services:

Operated in collaboration with the Immigrant Resource Center of Maine, the cities of Auburn and Lewiston, and various partner agencies, the warming center will engage with mental health providers, recovery service providers, navigation service providers, schools, food service providers, housing authorities, HUBs, health care providers, outreach workers, landlords, general assistance offices, and larger social services networks. Staff will offer direction, supervision, and supportive services to individuals at the center, assisting them in accessing community-based programs related to housing, case management, mental health, substance use, employment and more. Security personnel, contracted through vendors, will enhance safety measures.

Additionally, the warming center will have Homelessness prevention services that will include GAP rental assistance, wrap-around services, rapid re-housing, and stability services, ensuring that unhoused individuals can attain and maintain permanent housing.

III. Budget

The Immigrant Resource Center is requesting the cities of Lewiston and Auburn provide the 2024 warming center services funding. The Immigrant Resource Center is requesting $98,223.42 from the City of Lewiston and $89,306.42 from City Of Auburn to operate the 2024 warming center. Please see the attached budget that details the funding request.

City of Auburn
City Council Information Sheet

Council Workshop or Meeting Date: February 5, 2024

Subject: Executive Session

Information: Economic development, pursuant to 1 M.R.S.A. Section 405(6) (C) which premature disclosure would prejudice the competitive or bargaining position of the city.

Executive Session: On occasion, the City Council discusses matters which are required or allowed by State law to be considered in executive session. Executive sessions are not open to the public. The matters that are discussed in executive session are required to be kept confidential until they become a matter of public discussion. In order to go into executive session, a Councilor must make a motion in public. The motion must be recorded, and 3/5 of the members of the Council must vote to go into executive session. An executive session is not required to be scheduled in advance as an agenda item, although when it is known at the time that the agenda is finalized, it will be listed on the agenda. The only topics which may be discussed in executive session are those that fall within one of the categories set forth in Title 1 M.R.S.A. Section 405(6). Those applicable to municipal government are:

A. Discussion or consideration of the employment, appointment, assignment, duties, promotion, demotion, compensation, evaluation, disciplining, resignation or dismissal of an individual or group of public officials, appointees or employees of the body or agency or the investigation or hearing of charges or complaints against a person or persons subject to the following conditions:
(1) An executive session may be held only if public discussion could be reasonably expected to cause damage to the individual's reputation or the individual's right to privacy would be violated;
(2) Any person charged or investigated must be permitted to be present at an executive session if that person so desires;
(3) Any person charged or investigated may request in writing that the investigation or hearing of charges or complaints against that person be conducted in open session. A request, if made to the agency, must be honored; and
(4) Any person bringing charges, complaints or allegations of misconduct against the individual under discussion must be permitted to be present. This paragraph does not apply to discussion of a budget or budget proposal;

B. Discussion or consideration by a school board of suspension or expulsion of a public school student or a student at a private school, the cost of whose education is paid from public funds, as long as:
(1) The student and legal counsel and, if the student is a minor, the student's parents or legal guardians are permitted to be present at an executive session if the student, parents or guardians so desire;

C. Discussion or consideration of the condition, acquisition or the use of real or personal property permanently attached to real property or interests therein or disposition of publicly held property or economic development only if premature disclosures of the information would prejudice the competitive or bargaining position of the body or agency;

D. Discussion of labor contracts and proposals and meetings between a public agency and its negotiators. The parties must be named before the body or agency may go into executive session. Negotiations between the representatives of a public employer and public employees may be open to the public if both parties agree to conduct negotiations in open sessions;

E. Consultations between a body or agency and its attorney concerning the legal rights and duties of the body or agency, pending or contemplated litigation, settlement offers and matters where the duties of the public body's or agency's counsel to the attorney's client pursuant to the code of professional responsibility clearly conflict with this subchapter or where premature general public knowledge would clearly place the State, municipality or other public agency or person at a substantial disadvantage;

F. Discussions of information contained in records made, maintained or received by a body or agency when access by the general public to those records is prohibited by statute;

G. Discussion or approval of the content of examinations administered by a body or agency for licensing, permitting or employment purposes; consultation between a body or agency and any entity that provides examination services to that body or agency regarding the content of an examination; and review of examinations with the person examined; and

H. Consultations between municipal officers and a code enforcement officer representing the municipality pursuant to Title 30-A, section 4452, subsection 1, paragraph C in the prosecution of an enforcement matter pending in District Court when the consultation relates to that pending enforcement matter.

City Council Workshop & Meeting
Agenda
Tuesday, February 20, 2024
Auburn Hall, Council Chambers

5:30 P.M. Workshop

A. LA Arts – Jim Parakilas
B. Androscoggin Historical Society – Curtis Jack and Wendy Tardif
C. Auburn Lewiston Airport – Jonathan LaBonté
D. Assessing Update – Karen Scammon and Joe St. Peter
E. Innovation Designation – Jay Brenchick, Eric Cousens, Glen Holmes

7:00 P.M. City Council Meeting - Roll call votes will begin with Councilor Weisner

Pledge of Allegiance

I. Consent Items – All items with an asterisk (*) are considered routine and will be enacted by one motion. There will be no separate discussion of these items unless a Council member or a citizen requests, in which event, the item will be removed from the Consent Agenda and considered in its normal sequence on the agenda.

1. Order 22-02202024*
Appointing Philip Savignano to serve on the Parks & Recreation Advisory Board with a term expiration of 10/01/2025 as nominated by the Appointment Committee.

2. Order 23-02202024*
Appointing Robert Hayes to serve as an associate member of the Planning Board with a term expiration of 01/01/2026 as nominated by the Appointment Committee.

3. Order 24-02202024*
Appointing Denis Bergeron to serve on the Sewer District Board of Trustees with a term expiration of 03/01/2025 as nominated by the Appointment Committee.

4. Order 25-02202024*
Re-appointing Thomas Moulin to serve on the Sewer District Board of Trustees with a term expiration of 03/01/2028 as nominated by the Appointment Committee.

5. Order 26-02202024*

Appointing Denis Bergeron to serve on the Water District Board of Trustees with a term expiration of 03/01/2028 as nominated by the Appointment Committee.

II. Minutes

- February 5, 2024 Regular Council Meeting
- February 12, 2024 Special Council Meeting

III. Communications, Presentations and Recognitions

- FEMA Presentation - Allen Renn

IV. Open Session – *Members of the public are invited to speak to the Council about any issue directly related to City business or any item that does not appear on the agenda.*

V. Unfinished Business - None

VI. New Business

1. Public Hearing - CDBG & HOME Consortium Action Plan for Program Year 2024

VII. Open Session - *Members of the public are invited to speak to the Council about any issue directly related to City business or any item that does not appear on the agenda*

VIII. Reports

a. Mayor's Report
b. City Councilors' Reports
c. City Manager Report

IX. Executive Sessions

1. Economic development, pursuant to 1 M.R.S.A. §405(6)(C) where premature disclosure would prejudice the competitive or bargaining position of the City. **Possible action to follow.**
2. Economic development, pursuant to 1 M.R.S.A. §405(6)(C) where premature disclosure would prejudice the competitive or bargaining position of the City.

X. Adjournment

City of Auburn
City Council Information Sheet

Council Workshop or Meeting Date: February 20, 2024

Author: Sue Clements-Dallaire, City Clerk

Subject: Presentations – LA Arts, and the Androscoggin Historical Society

---

Information: Jim Paakilas along with Gerald Walsh will provide an update/presentation on LA Arts, followed by Curtis Jack and Wendy Tardif who will provide an update/presentation on the Androscoggin Historical Society.

City Budgetary Impacts: N/A

Staff Recommended Action: Presentation and discussion

Previous Meetings and History: N/A

City Council Information Sheet

Council Workshop or Meeting Date: February 20, 2024 **Order:**

Author: Jonathan P. LaBonte

Subject: Auburn Lewiston Municipal Airport – FY25 DRAFT Budget Overview

---

Information: The Auburn Lewiston Municipal Airport is governed by a nine member Board of Directors, established through a 1979 Interlocal Agreement. The Board of Directors establishes the annual budget and, if needed, submits a request to the airport sponsors (the two cities) for a subsidy. The attached memo and draft budget highlight drivers for fiscal year 2025 and the request for a flat operating subsidy for the third straight year of $205,000 per city.

City Budgetary Impacts: $205,000 for fiscal year 2025 operating budget

---

Staff Recommended Action: Discussion

FROM: Jonathan P. LaBonte, Board Chair and City of Auburn Transportation Systems Director
DATE: February 20, 2024
RE: Fiscal Year 2025 Airport Budget Draft

This memo serves to supplement the included draft of the fiscal year 2025 Auburn Lewiston Municipal Airport operating budget. The Airport has been undergoing significant change over the last 12 months, and continuing to refine the business model to achieve financial sustainability is the primary objective. While follow up memos or workshops could delve deeper into elements of those reforms, outlined here are key drivers in the budget when compared to fiscal year 2024.

Airport Administration and Operations

Airport Personnel and Contracted Services

Reductions in headcount in FY23 and FY24 were necessary to align with projected revenues and to ensure the airport was staffed appropriately to meet its primary objectives. We continue to monitor needs for all services (administrative, financial, flight line services, and operations). Current staffing count (not FTE's) is four airport employees, two contracted operations (through Auburn Public Works and Dirigo Aerospace Solutions), and two contracted flight line services (through Dirigo Aerospace Solutions). Staff are cross trained and services are often scheduled as needed (wildlife mitigation, winter operations, etc). The support services that have been leveraged in the management transition (Auburn Transportation Director, IT, Finance, PW, and HR) were not accounted for in FY24 given the financial realities the airport faced. The concept under consideration to have the Airport contracted managed by the City of Auburn would address elements of that and memorialize the administrative efficiencies we've implemented.

Airport Building Leases

We successfully secured tenants to master lease two of the airport-owned hangars (Hangar #2 and Hangar #9). This generates positive rental fee incomes, reduces staff needs to manage single aircraft tenants, and shifts the liability of utilities onto the tenant. With the arrival of a flight school, we were able to include in their Operating Rights Agreement management of the airport-owned flight simulator. This will retain public access, and allow the airport to generate more consistent revenue per hour used.

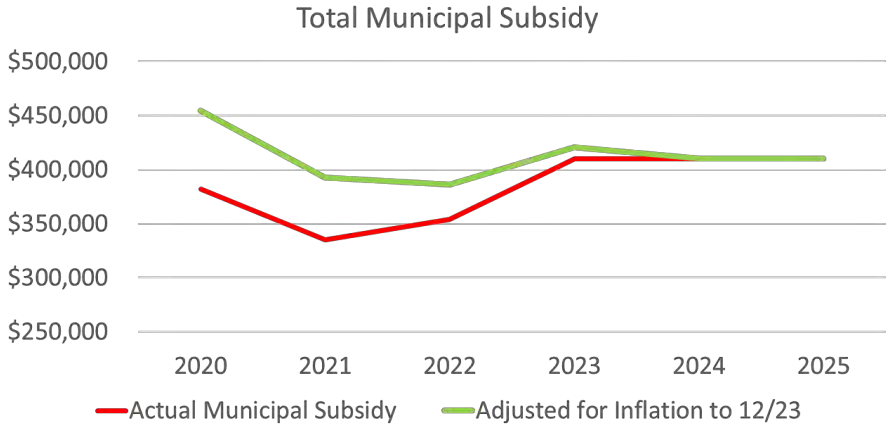
Since the eviction of Elite Airways from Hangar #5, and the approximately six months it took to secure the building empty, a tenant for the entire building has not yet been identified. The airport has outstanding debt of approximately $1.2 million in principal (50% held by each city) and the budget includes resuming those payments of $57,500 to each city. In FY23 and FY24, the payments were not made and the debt service extended out to 2037. Without a master lease on this building, the airport must pay all utilities and preventative maintenance. While we are generating some revenue from transient jets and based general aviation tenants, it is far from covering the actual costs for the airport to operate this building.

Maintenance Initiatives

For airfield maintenance, the airport has only partially converted airfield lighting to LED. Estimates are being secured and we will continue to upgrade airfield signage to more energy efficient models to reduce operating expenses over time. In addition, the airport has not historically managed a ready inventory of parts/supplies for airfield maintenance. We are having discussions with vendors and other airports to consider purchasing inventory to shorten response times for airfield repairs.

For pavement maintenance, we expect MaineDOT to include the airport in a pavement conditions assessment during calendar year 2024. For FY25, we will be developing a new five-year pavement management program to use for budgeting for the future (aligned with the new five-year CIP that will be an output of the Airport Master Plan Update). FY25 operations budget activities (non-CIP) will include spot pavement repair, pavement marking and additional crack filling.

Computer/Office Setup
With reduced headcount and re-alignment of responsibilities, FY25 brings the opportunity to set up a base of airport operations in the maintenance building (access to computer workstations, phones, radio equipment, etc) and improve the terminal building as a hub for the FBO (flight line services, pilot lounge, flight planning, etc). Replacement of dated workstations with new workstations and potential fiber interconnections are possibilities.



Auburn Air Center (Flight Line Services)

Flight Line Services Revenues
While fuel sales are up in FY24 over FY23, we have budgeted conservatively for FY25 in terms of net revenue from fuel sales. Any improvement over budgeted net revenue (fuel sales value minus fuel expense) will help the airport in building reserve accounts for projects and one-time initiatives. A rate review of airport fees will occur during this budget season to ensure we are equitable in the marketplace and are charging fees necessary to cover the overhead of offering these services.

Flight Line Services Expenses
The intent will be to pursue continuing the partnership with Dirigo Aerospace Solutions for shift coverage for flight line services in FY25. While airport staff will remain cross-trained for coverage when needed, the focused attention with an experience contractor has greatly impacted customer service and retaining and expanding sales. The largest line item, fuel purchases, is through a contract with Avfuel. A new contract was executed with them that will need to lower cost access to equipment (Jet A refueler truck), additional marketing support (direct and in-kind), and access to training certification programs.

Subsidy Request

The requested subsidy is flat for the third straight fiscal year at $205,000. The chart below shows a five year trend of actual airport subsidies and dollars adjusted for inflation.

FY25 Capital Improvement Program
Project Description Form

Project Title: Congressionally Directed Spending (CDS) Hangar Project

Operational Funding Division: Auburn Lewiston Airport **Project Name:**

Est. Total Cost FY25:	2,750,000	**Est. Total Cost FY25-FY29:**	0
City Share FY25:	68,750	**City Share FY25-FY29:**	0

Project Description:
Construction of a new pre-fabricated metal 10-Unit T-Hangar with associated taxilanes using CDS funding and BIL AIG to support the site work. Work will include data collection, permitting & environmental review, design, bidding, construction administration and Resident Engineering.

Consistency with the Comprehensive or Strategic Plans or other related planning documents:
The hangar location will be consistent with the Airport Master Plan (2006) and Board discussions for growth of general aviation activity on the "west" side of the airport proximate to existing flight line services. The consultant hired for the Airport Master Plan Update has been engaged as the engineer for this construction project and siting options are aligned with best practices intended for the master plan update.

Justification for project implementation/construction and segments, if applicable:
The Board of Directors has set a direction to focus on growing/sustaining general aviation activity and hangar designs are focused on serving those customers. Previous Boards of Directors and airport management had focused hangar development/airport investment on courting commercial air service, something that the FAA and MaineDOT did not see justification for. The airport is now positioned to leverage this "earmark" and the Bipartisan Infrastructure Law to construct space to base an additional 10 aircraft here with 90% of that

Future maintenance costs if known, including contracts and special service requirements:
The full building design has not been completed, but the airport would have on-going maintenance costs associated with this new hangar. It is the intent of the Board of Directors to set the monthly rental rates within lease agreements to be sufficient to cover maintenance of the facility and ensure a constribution to pavement and general facility maintenance airport-wide.

How were cost estimates obtained and expenditure commitment:
Engineering cost estimates were developed based on project scoping conversations with both MaineDOT and the FAA.

FY25 Capital Improvement Program
Project Description Form

Project Title: **Annual Pavement Management Program**

Operational Funding Division: Auburn Lewiston Airport **Project Name:**

Est. Total Cost FY25:	300,000	**Est. Total Cost FY25-FY29:**	0
Each City Share FY25:	150,000	**City Share FY25-FY29:**	0

Project Description:
This funding would be for targeted pavement rehabilitation at the Cold Storage Hangar, crack filling in locations along both runways, the parallel taxiway, and at the hangar condos and Hangar #5 ramp, and pavement marking.

Consistency with the Comprehensive or Strategic Plans or other related planning documents:
The airport is developing a pavement management program, which will be a five year plan brought to the board for adoption and inclusion in the business plan, to ensure we meet our federal obligations to maintain all runways, taxi-ways, and aprons. By accepting federal funds at the airport, we commit that local funds will be used to sustain the airports infrastructure, including pavement rehabilitation, crack filling, seal coating, and pavement markings. In addition, the airport has taken on responsibility through previous lease negotiations for areas around private hangars that would not be eligible for federal or state funding, and requires local funding for on-going pavement management.

Justification for project implementation/construction and segments, if applicable:
The FAA provides the airport $150,000 per year through the Airport Improvement Program and $292,000 per year through the Bipartisan Infrastructure Law. Through federal fiscal year 2025, those funds have been committed to the design, engineering, and construction of associated site work for the hangar funded through a Congressionally Directed Spending request from 2022 ($1.6 million for hangar only). MaineDOT's recent airport inspection confirmed the need for pavement investment in FY25.

Future maintenance costs if known, including contracts and special service requirements:
No expansion of paved areas, so ongoing maintenance remains the same.

How were cost estimates obtained and expenditure commitment:
MaineDOT cost estimates for project types from the ongoing State Aviation System plan being completed by an engineering consulting firm.

FY25 Capital Improvement Program
Project Description Form

Project Title: Fire Fighting Foam Trailer (Mobile)

Operational Funding Division: Auburn Lewiston Airport **Project Name:**

Est. Total Cost FY25:	65,000	**Est. Total Cost FY25-FY29:**	0
Each City Share FY25:	32,500	**City Share FY25-FY29:**	0

Project Description:
Purchase and fit-out for a 750 gpm single tote fire fighting foam trailer.

Consistency with the Comprehensive or Strategic Plans or other related planning documents:
A review of Lewiston, Auburn, and County EMA emergency response plans and capabilities will be completed, to ensure that fire fighting foam be available for hazards related to the airport/aircraft/fuel and "outside the fence" hazards in the region.

Justification for project implementation/construction and segments, if applicable:
The Auburn-Lewiston region, and its municipal fire departments, are not currently equiped with all tools necessary to respond to an aircraft involved fire (or fuel involved incidents elsewhere). The two Presidential visits and the planning requests for emergency response raised clearly limitations on site. The airport intends to update the emergency operations plan, alongside both cities and the Androscoggin County EMA, and investment in this tool would best prepare us for response scenarios

Future maintenance costs if known, including contracts and special service requirements:
On-going costs for training with the fire departments of both sponsors as well as foam replacement from training exercises or actual responses will be further evaluated during the planning efforts.

How were cost estimates obtained and expenditure commitment:
Both city fire chiefs had scoped this specific piece of equipment from a vendor in 2019. That vendor was contacted for a planning level cost estimate for equipment comparable to the 2019 quote. It is the intent of the airport to assess non-local funding sources through the

FY25 Capital Improvement Program
Project Description Form

Project Title: **Risk Management Initiatives to Improve Safety and Security**

Operational Funding Division: Auburn Lewiston Airport **Project Name:**

Est. Total Cost FY25:	0	**Est. Total Cost FY25-FY29:**	0
City Share FY25:	0	**City Share FY25-FY29:**	0

Project Description:
These are a series of projects to upgrade existing airport infrastructure to meet modern safety and security standards. Gate upgrades with a new operator and the appropriate safety features (estimate $40,000). Video Surveillence for Terminal building/point of sale and entrance/apron/tie-down cameras to mirror technologies used by both cities for safety/security monitoring (estimate $50,000). Access Control replaced with new card readers/keypads (estimate $40,000). Vehicle Fuel System Management to mirror those used by the two cities with an electronic monitoring system (estimate $20,000)

Consistency with the Comprehensive or Strategic Plans or other related planning documents:

Justification for project implementation/construction and segments, if applicable:
The existing vehicle entrance gates do not have opener mechanisms that protect from the risk of closing on a vehicle or person between the gate and the main fence. Terminal building/point of sale and entrance/apron/tie-down cameras would be replaced with technology sufficient for professional use to mirror technologies used by both cities for safety/security monitoring. Access control to cameras would be limited to IT/Public Safety Agencies. Existing keyed access to buildings and vehicle gates, which cannot be fully monitored or

Future maintenance costs if known, including contracts and special service requirements:
Preventative maintenance schedules for gates and other upgraded equipment would be built into workload/work order system planning, but would not require a third party to complete ongoing basic maintenance.

How were cost estimates obtained and expenditure commitment:
Vendors and installers familiar with airport systems and comparable tools used by both cities would brought on-site and cost estimates tied to the respective scopes of work were documented. Cost-share split 50/50 with other airport sponsor, the City of Auburn.

TO: Mayors Harmon and Sheline and the Auburn and Lewiston City Councils
FROM: Jonathan P. LaBonte, Board Chair and City of Auburn Transportation Systems Director
DATE: February 20, 2024
RE: Fiscal Year 2025 Airport CIP Requests

Overall Capital Planning

The Airport Board, and FAA designated sponsors (the Cities of Auburn and Lewiston), recognize that the long-term success of this facility requires a plan and associated financial projections to achieve it. Context as to the current state of planning, given the transition of the last 11 months, may be helpful.

We are in the midst of the latest Airport Master Plan Update with our engineering partners at McFarland Johnson. This FAA prescribed process[1] is being funded 90% with FAA funds, 5% with MaineDOT funds, and 5% with previously allocated CIP funds from the two cities. This process has not been completed at the Airport since 2006[2], and much has changed in not only operations of the Airport but in aviation and regional transportation since then.

This process will conclude in the spring of 2025. A key deliverable will be a new five-year CIP that lays out steps to implement the plan and the financial resources necessary to do that. It is the intent of the Board that this remains a "fiscally constrained" CIP, in that projects will leverage the limited annual FAA appropriations and meet our core obligations under the Grant Assurances[3] the two cities accepted to operate this facility. In parallel with the master plan, the Airport will develop a business plan to improve the predictability of its operations and keep the Board and staff accountable to the long-term direction.

Hangar Development Project (Congressionally Directed Spending/Earmark)

The Airport received Congressionally Directed Spending (CDS) in the amount of $1.6 million towards the construction of a hangar. Based on the analysis of likely customers to lease hangar space, the Board has directed the development of a t-hangar with up to 10 individual units. The CDS funding is not enough to cover both the hangar construction and the associated sitework and taxi lanes to serve the hangar and connect it with remaining areas of the airport. Funding that is part of on-going FAA capital support for the airport through the Bipartisan Infrastructure Law (BIL) will cover those remaining costs. As with most FAA projects, the costs will be covered 90% FAA, 5% MaineDOT and 5% local (the two cities/sponsors).

The process to utilize FAA funds is different from other funds from the federal government (FHWA, CDBG/HUD, etc). The Airport must hire an engineering firm and complete the design, permitting, and bidding for the project before we can officially submit to be awarded a grant. Despite the funds being appropriated and available to the Airport, there is a twice a year window that opens to formally "apply" to use those funds. To stay on schedule and not risk losing funds, we are targeting a fall 2024 application. We need to demonstrate the local share is committed by then, thus the FY25 CIP request.

While the current estimated cost is just over $2.7 million for this project, the total local property taxpayer investment will be under $70,000 per city. Based on current market conditions for t-hangars, the airport could generate an additional $40,000-$50,000 annually in revenue. Recognizing that all of this project's funding is still taxpayer money, the return for local taxpayers is significant and will assist the Airport in its path towards financial sustainability.

Pavement Management

As mentioned earlier, an Airport Master Plan Update is underway, along with its associated capital program development. For pavement management, MaineDOT often assists by conducting a pavement condition assessment to score pavement across the airport and assist with multi-year planning for maintenance and upgrade of both pavement and pavement markings. The last assessment was completed in 2018 and we expect MaineDOT to have a consultant visit this summer to update the condition report, which we will use to build a five-to-ten-year pavement program.

By accepting federal funding, the Airport must meet a series of Grant Assurances (link on previous page). Grant Assurance 11 is focused on Pavement Preventive Maintenance-Management. The Airport is obligated to maintain all pavement to an acceptable level or risk the loss of federal funding. To assist in monitoring conditions, both the FAA and MaineDOT send aviation engineers to conduct annual inspections of airport conditions. During the fall 2023 visit, MaineDOT noted several areas of pavement as poor (apron near Cold Storage Hangar), areas needing pavement marking, and areas needing crack filling to protect the life of surfaces. While we recognize the Airport should have already had a pavement maintenance plan in a five-year CIP, we are not in a position to further delay protecting surfaces critical to safety of flight or take the risk of jeopardizing federal funding.

Fire Fighting Foam Trailer

As the first responding fire station in the two cities, the foam trailer is recommended to be placed at Auburn Central Station on Minot Avenue. Because this unit is a tow-behind trailer, responding firefighters need to be prepared to respond to the location of any incident. At over 670 acres, with over 3.5 miles of city street as its perimeter, requiring responding firefighters to enter the airport property to access a garage for the trailer and then respond to the location of an incident would create an unnecessary delay. Such a delay could lead to loss of life, further serious injury to those involved in a crash, or increased damage to property. The delay would be even more significant if there were a crash on an approach to the airport at a greater distance.

With respect to outside the fence use, it is the Airport's understanding that neither municipal fire department has the ability to contend with a fuel fire with a tool like this foam trailer. One of the interests in this project previously was the ability to respond to other community incidents, such as an overturned heating oil truck on Alfred Plourde Parkway or Center Street. By utilizing local dollars for this capability, it is not required to stay within the fence at the airport. This request has come forward again as our community capabilities for fire fighting and rescue for aviation incidents have been raised by charters, governmental agencies, and others that fly into our facility.

Risk Management Initiatives

The current airport gate card system does not allow the airport to eliminate access for anyone once they have received a gate card. The airport also lacks the ability to "lock down" the airport without traveling to each gate and unplugging it and manually locking the pedestrian gates. The ability, or lack thereof, to secure the facility has arisen many times in the last year including the evening of and days after October 25th, during both Presidential Visits, during law enforcement investigations that involve aircraft, and when reviewing airport liability. Given the age of the gate openers themselves, we are regularly responding to gates that have jammed or frozen open, creating a risk of authorized vehicular access to the airfield or access for wildlife that increases the risk of collisions with aircraft. With the Airport back on the municipal fiber optic network, we have the capability to introduce gate opening technology that could isolate individual users from access and/or allow for all or select vehicle and pedestrian gates to be locked.

The fuel system technology upgrades are intended to mirror the municipal fuel systems for tracking vehicles and who is withdrawing. The current clipboard system is inefficient, lacks accountability, and creates added administrative work as we attempt to keep unnecessary tasks to a minimum going forward.

City of Auburn
City Council Information Sheet

Council Workshop or Meeting Date: February 20, 2024

Author: Karen Scammon, CMA-4, City Assessor

Subject: Explanation of Income and Expense letters to multi-unit apartment owners and 5-year farm income verification letters to property owners enrolled in the Farmland Special Land Use designation.

Information: To provide the Council with information and to answer questions.

City Budgetary Impacts: None

Staff Recommended Action: Informational presentation.

City of Auburn
City Council Information Sheet

Council Workshop Date: February 20, 2024

Author: Jay Brenchick, Eric Cousens, Glen Holmes

Subject: Innovation/Tech Hub Designation

Information:

The purpose of this workshop is to inform our elected officials and residents of Auburn of the Tech Hub designation the State of Maine has received and the City of Auburn's efforts to align with state and federal initiatives. In the coming weeks, staff will provide subsequent updates and proposals before the City Council and Planning Board.

In October 2023, the Governor's Office announced that the Economic Development Administration (EDA) designated Maine's Forest Bioproducts Advanced Manufacturing Tech Hub as a Federal "Tech Hub." The designation acknowledges that Maine's forest bioproducts sector has the potential for rapid growth and opens the door for significant Federal investment.

The Maine Technology Institute (MTI) and the Governor's Office partnered with a consortium that included the University of Maine, the Roux Institute, the Maine Community College System, the Maine Venture Fund, and others during the application process.

Maine's Forest Bioproducts Tech Hub will accelerate research and development of natural polymers and other wood fiber bioproducts that sequester carbon and replace plastics and toxic chemicals while bolstering "Made in America" supply chain goals.

The City of Auburn Economic Development has been in regular communication with the University of Maine, the Roux Institute, the Maine Composites Alliance, the Manufacturers Association of Maine, the Maine Manufacturers Extension Partnership, and the Maine Department of Economic and Community Development to position Auburn for participation in the Tech Hub designation and other state and federal innovation initiatives.

The Economic Development Department; Planning, Permitting & Code Department; and Business and Community Development Department will work together to create an Innovation/Tech Hub Designation in the area surrounding Exit 75 and the Auburn-Lewiston Municipal Airport. This designation aims to align the City of Auburn's zoning, business resources, marketing, and economic development partnerships with the efforts made at the state and federal levels.

EDA TECH HUBS Designation Benefit Fact Sheet
EDA TECH HUBS Phase 1 Fact Sheet

TECH HUBS

U.S. Economic Development Administration

FACT SHEET
Phase 1 Portfolio

EDA Designates 31 Tech Hubs across the nation that are accelerating the development and deployment of technology and innovation to grow the U.S. economy, protect our national security, and create good jobs.

On October 23, 2023, the U.S. Department of Commerce's Economic Development Administration (EDA) designated 31 Tech Hubs that are strengthening the country's economic and national security, and global competitiveness by enabling the industries of the future to start, grow, and remain in regions across the United States. The program was funded through the bipartisan CHIPS and Science Act, signed into law by President Biden in August 2022.

A Tech Hubs Designation is a strong endorsement of a region's plan to supercharge a critical technology ecosystem and become a global leader over the next decade.

The 31 Designated Tech Hubs will have the opportunity to compete for $500 million in implementation funding in the next phase of the Tech Hubs competition.

Each Tech Hub applied as a consortium of higher education, government, industry, economic development, labor or workforce, and other organizations focused on improving technology and innovation across the country.

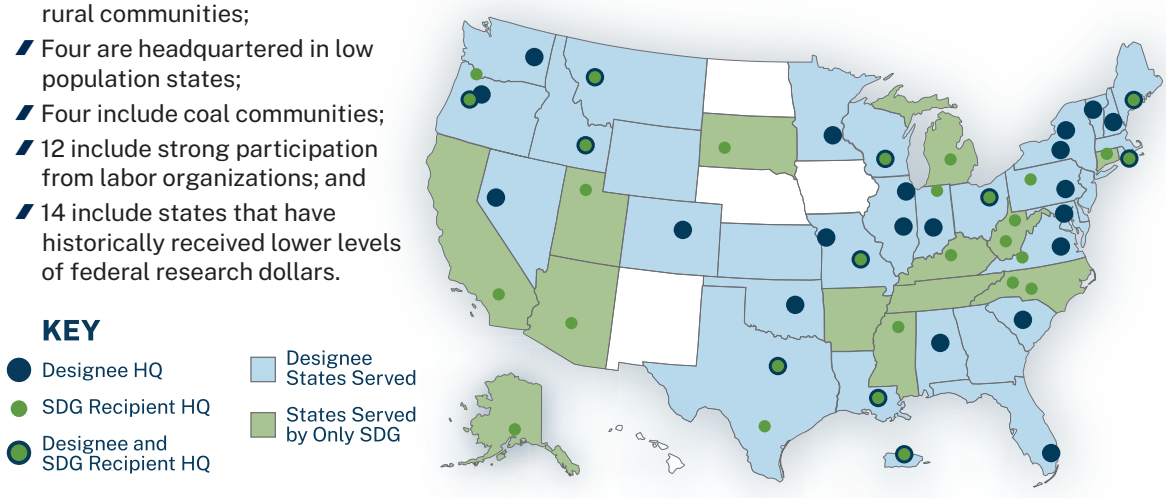
From nearly 200 consortia that applied for Designation, EDA designated 31 Tech Hubs that demonstrated that their region can create, scale, and deliver technologies important to our national and economic security while ensuring that the resulting economic benefits are shared by all.

Departments and agencies across the U.S. government are committed to supporting the global competitiveness and growth of these Tech Hubs by offering them multiple benefits.

The 31 Designated Tech Hubs, located across 32 states and Puerto Rico, will leverage existing talent, resources, and assets to mature critical and emerging technology sectors, while advancing equitable growth.

Of the Designated Tech Hubs:

- Six include a tribal government;
- 22 significantly benefit small and rural communities;
- Four are headquartered in low population states;
- Four include coal communities;
- 12 include strong participation from labor organizations; and
- 14 include states that have historically received lower levels of federal research dollars.



Successful Tech Hubs will:

- **Build the Workforce of the Future**
  Create good jobs and attract the workforce and talent that will drive economic growth in regions across the country.
- **Enable Growth**
  Encourage more innovative businesses to start and grow all throughout America.
- **Innovate & Commercialize**
  Test and deploy new technologies and build infrastructure necessary to translate innovation into economic growth.
- **Boost America's Economic and National Security**
  Strengthen communities' economic resilience and maintain our technological edge.

Of the 31 Tech Hubs, 11 received Strategy Development Grants to strengthen their consortia and mature their approach to becoming more globally competitive.

EDA also awarded 18 additional Strategy Development Grants to consortia to further mature their plans and achieve designation in the future.

All Designated Tech Hubs are focused on technologies and innovation critical to U.S. economic and national security.

Designated Tech Hubs Portfolio

The 31 Designated Tech Hubs are:

- **Enabling safe and effective autonomous systems (3 Hubs)** to ensure that autonomous systems are deployed — whether on land, in air, or at sea — safely, securely, and equitably and that more of their complex supply chains grow in the United States.
- **Maintaining our quantum edge (2 Hubs)** to maintain global leadership in this foundational technology that will underpin new sensing, communications, and computing capabilities to fundamentally change our daily lives and our national security in ways still unforeseen.
- **Advancing biomanufacturing (6 Hubs)** to enable the United States to remain at the forefront of innovation in and delivery of positive health outcomes by expanding domestic production of essential small molecule drugs, innovative biologics, regenerative tissue, and medical devices.
- **Delivering precise and predictive medicine (5 Hubs)** to improve health outcomes and increase longevity with drugs, devices, and therapies that are closely tailored to each person's unique genome, environment, and history by developing these products and services and getting them in the hands of doctors and patients.
- **Accelerating our energy transition (5 Hubs)** to make the United States a global competitor in the energy markets of the future by building diverse, resilient, and sustainable energy generation, storage, and transmission infrastructure to enable continued U.S. growth while strengthening security and mitigating global climate risk.
- **Strengthening our critical mineral supply chain (2 Hubs)** to establish innovative and sustainable ways to extract and process the elements and minerals that are essential to manufacturing the products, infrastructure, and environment of the future.
- **Regaining leadership in semiconductor manufacturing (4 Hubs)** to grow ecosystems that will produce the increasingly powerful and specialized chips we need by leveraging strengths in areas like new transistor materials, flexible and modular manufacturing and packaging, and microfluidics.
- **Growing the future of materials manufacturing (4 Hubs)** to deliver higher performance products and services in a more environmentally sustainable way with next generation materials that will enable the electrification of air travel, carbon negative construction, and an end to plastic waste.

Overview of the 31 Tech Hubs

Here is an overview of our 31 Tech Hubs Designees, 11 of which were also awarded a Strategy Development Grant (SDG) as indicated by a dot (•) next to their name.

- **Advanced Pharmaceutical Manufacturing Tech Hub**, led by the Commonwealth Center for Advanced Manufacturing, aims to accelerate the growth, innovation, and sustainability of the U.S.-based APM industry to re-shore safe and affordable medicines via innovative hybrid and continuous flow manufacturing technologies. This Tech Hub is located in Virginia.
- **Advancing Gallium Nitride (GaN) Tech Hub**, led by the University of Vermont, aims to innovate GaN manufacturing, a critical material technology for wireless communication and semiconductor production. This Tech Hub is located in Vermont.
- **American Aerospace Materials Manufacturing Tech Hub**, led by Gonzaga University, aims to develop new domestic supply chains to meet the immediate demand for high-rate production of advanced composite aerostructures in defense and commercial markets. This Tech Hub is located in Washington and Idaho.
- **Baltimore Tech Hub**, led by the Greater Baltimore Committee, aims to develop innovative predictive healthcare technologies by applying artificial intelligence to biotechnologies. This Tech Hub is located in Maryland.
- **Birmingham Biotechnology Hub**, led by Southern Research Institute, aims to become a global leader in drug, vaccine, and diagnostics development by applying Artificial Intelligence-driven biotechnology to increase representation in clinical genomic data and clinical trials. This Tech Hub is located in Alabama.
- **Corvallis Microfluidics Tech Hub** •, led by Oregon State University, aims to establish global leadership in the development, scaling, and commercialization of microfluidics technology for use in semiconductor and electronic cooling. This Tech Hub is located in Oregon.
- **Critical Minerals and Materials for Advanced Energy (CM2AE) Tech Hub** •, led by the University of Missouri System, aims to position south-central Missouri as a global leader in critical minerals processing to provide the materials needed to support battery technology. This Tech Hub is located in Missouri.
- **Elevate Quantum Colorado**, led by Elevate Quantum, aims to solidify the region's global leadership in quantum information technology (QIT) to increase infrastructure resilience and strengthen the quantum hardware supply chain. This Tech Hub is located in Colorado.

continues on page 3

Overview of the 31 Tech Hubs continued

- **Forest Bioproducts Advanced Manufacturing Tech Hub** •, led by the Maine Technology Institute, aims to become a global leader in forest-based biomaterial production and manufacturing by innovating the process of extracting biological building blocks to manufacture environmentally sustainable products. This Tech Hub is located in Maine.
- **Greater Philadelphia Region Precision Medicine Tech Hub**, led by the Ben Franklin Technology Partners of Southeastern PA, aims to become a global leader in end-to-end precision medicine. This Tech Hub is located in Pennsylvania, Delaware, Maryland, and New Jersey.
- **Gulf Louisiana Offshore Wind Propeller** •, led by Louisiana State University, aims to transition Louisiana's energy economy from its legacy of oil and gas to offshore wind and renewable energy. This Tech Hub is located in Louisiana.
- **Headwaters Hub** •, led by Accelerate Montana, aims to become a global leader in smart, autonomous, photonic remote sensing technologies. This Tech Hub is located in Montana.
- **Heartland BioWorks**, led by the Applied Research Institute, aims to develop central Indiana into a global leader in biotechnology and biomanufacturing by increasing the region's capacity to make and deploy life-saving medicines. This Tech Hub is located in Indiana.
- **iFAB Tech Hub**, led by the University of Illinois Urbana-Champaign, aim to scale precision fermentation to convert underutilized corn feedstocks into high-value, customized alternative proteins, food ingredients, materials, chemicals, and more. This Tech Hub is located in Illinois.
- **Intermountain-West Nuclear Energy Tech Hub** •, led by the Idaho Advanced Energy Consortium, aims to position Idaho and Wyoming as a global leader in small modular reactors (SMR) and advanced nuclear energy to contribute to a cleaner energy future. This Tech Hub is located in Idaho and Wyoming.
- **Kansas City Inclusive Biologics and Biomanufacturing Tech Hub**, led by BioNexus KC, aims to position eastern Kansas and western Missouri as a global leader in biologics and biomanufacturing, increasing domestic production of life-saving vaccines and other preventative technologies. This Tech Hub is located in Missouri and Kansas.
- **Minnesota MedTech Hub 3.0 (MMT3.0)**, led by the Minneapolis Saint Paul Economic Development Partnership, aims to position Minnesota as a global center for "Smart MedTech" by integrating artificial intelligence, machine learning, and data science into medical technology. This Tech Hub is located in Minnesota and Wisconsin.
- **Nevada Lithium Batteries and Other EV Material Loop**, led by the University of Nevada, Reno, aims to build a self-sustaining and globally competitive full lithium lifecycle cluster, spanning extraction, processing, manufacturing, and recycling. This Tech Hub is located in Nevada.
- **New Energy New York (NENY) Battery Tech Hub**, led by the State University of New York (SUNY) Binghamton, aims to bolster battery technology development and manufacturing across the entire value chain. This Tech Hub is located in New York.
- **NY SMART I-Corridor Tech Hub**, led by CenterState Corporation for Economic Opportunity, aims to enhance regional semiconductor manufacturing capabilities while ensuring economic opportunity for underserved communities. This Tech Hub is located in New York.
- **Ocean Tech Hub** •, led by the Rhode Island Commerce Corporation, aims to develop, test, and commercialize emerging maritime artificial intelligence / machine learning-enabled robotics and sensors. This Tech Hub is located in Rhode Island and Massachusetts.
- **Pacific Northwest Mass Timber Tech Hub**, led by Oregon State University, aims to be a global leader in mass timber design and manufacturing to lower the construction industry's carbon footprint and increase housing affordability. This Tech Hub is located in Oregon and Washington.
- **PRBio Tech Hub** •, led by the Puerto Rico Science, Technology and Research Trust, aims to advance the region as a global leader in biotechnology through fast-tracking the discovery, development, manufacturing, and supply of next generation biotechnology and medical device products to detect, treat, and cure diseases and ailments. This Tech Hub is located in Puerto Rico.
- **ReGen Valley Tech Hub**, led by the Advanced Regenerative Manufacturing Institute (ARMI), aims to make New Hampshire a global leader in biofabrication to produce cost-effective regenerative therapies that address chronic disease and organ failure. This Tech Hub is located in New Hampshire.
- **SC Nexus for Advanced Resilient Energy**, led by the South Carolina Department of Commerce, aims to be a global leader in advanced energy by developing, testing, and deploying exportable electricity technologies.This Tech Hub is located in South Carolina and Georgia.
- **South Florida Climate Resilience Tech Hub**, led by the Miami Dade County Innovation and Economic Development Office, aims to advance its global leadership in Sustainable and Resilient Infrastructure (SRI) solutions for the global climate crisis. This Tech Hub is located in Florida.
- **Sustainable Polymers Tech Hub** •, led by the Greater Akron Chamber, aims to tackle the severe climate and environmental impacts resulting from the use of fossil fuel-derived polymers (rubbers and plastics) through accelerating sustainable polymer manufacturing and commercialization in the United States. This Tech Hub is located in Ohio.

Overview of the 31 Tech Hubs continued

- **Texoma Semiconductor Tech Hub** •, led by Southern Methodist University, aims to unify existing and planned semiconductor supply chain infrastructure by enhancing regional collaboration and uplifting underserved communities through workforce expansion. This Tech Hub is located in Texas and Oklahoma.
- **The Bloch Tech Hub**, led by the Chicago Quantum Exchange (CQE), aims to lead quantum computing, communications, and related solutions. This Tech Hub is located in Illinois, Indiana, and Wisconsin.
- **Tulsa Hub for Equitable & Trustworthy Autonomy (THETA)**, led by Tulsa Innovation Labs, aims to become a global leader in developing and commercializing autonomous systems for use cases ranging from agriculture and pipeline inspections to regional transportation. This Tech Hub is located in Oklahoma.
- **Wisconsin Biohealth Tech Hub** •, led by BioForward Wisconsin, aims to position Wisconsin as a global leader in personalized medicine, an emerging healthcare approach that tailors tests, treatments, and therapies informed by a patient's unique genetic code, medical record, and environment. This Tech Hub is located in Wisconsin.

Overview of the 18 Strategy Development Grant Recipients

Below are the 18 consortia that received only a Strategy Development Grant (SDG).

- **Advanced Manufacturing of Critical Materials Strategy Development Consortium**, led by the Utah Advanced Materials Manufacturing Initiative, will develop a regional strategy to advance the production and manufacturing of critical minerals needed for clean energy technologies, many of which lack any domestic production presence. This consortium is located in Utah and Idaho.
- **Alaska Tech Strategy Development Consortium**, led by the Cook Inlet Tribal Council, Inc., will develop a regional strategy to leverage the state's oil-and-gas economic infrastructure, tribal sustainable natural resource management ethos, and raw resources to incubate and scale firms focused on carbon-neutral energy technologies, carbon-negative technologies, and climate-adaptation technologies. This consortium is located in Alaska.
- **Black Hills Deep Underground Frontier Strategy Development Consortium**, led by Elevate Rapid City, will develop a strategic framework to leverage the region's physical assets, industry capacity, and research capabilities to advance autonomous mining equipment and underground technology. This consortium is located in South Dakota.
- **Carolinas Innovation Center for Optics and Metrology (CICOM) Strategy Development Consortium**, led by the University of North Carolina, Charlotte, will develop a regional roadmap that develops and applies optics and metrologies technologies to create a sustainable manufacturing framework. This consortium is located in North Carolina and South Carolina.
- **Lithium Valley Clean Tech Strategy Development Consortium**, led by the University of California, Riverside, will develop the regional coalition and strategic framework to further develop and implement direct lithium extraction from regional lithium brine deposits, contributing to a sustainable, inclusive, advanced-energy ecosystem in Southern California and securing the national lithium-based energy supply chain. This consortium is located in California.
- **Materials Advancement and Research Solutions (MARS) Strategy Development Consortium**, led by Michigan State University Research Foundation, will foster a regional coalition and develop a strategy to advance synthetic diamond — a lab-made material widely used as coating for industrial equipment ranging from semiconductors to quantum sensors — and rare isotope production. This consortium is located in Michigan.
- **Medical Device Manufacturing Multiplier Strategy Development Consortium**, led by the Greater Phoenix Economic Council, will accelerate a regional strategy to leverage artificial intelligence and machine learning technologies in smart medical device manufacturing, bolstering domestic manufacturing production capacity and processes, and building pathways for inclusive economic growth. This consortium is located in Arizona.
- **Midwest Wireless Innovation Strategy Development Consortium**, led by the University of Notre Dame, will develop the regional strategy to accelerate wireless technologies and networked systems by translating and commercializing university research, providing infrastructure and support for advanced radio frequency (RF) testing, and piloting new products and applications in city-scale network testbeds. This Strategy Development Consortium is in Indiana and Michigan.

continues on page 5

Strategy Development Grant Recipients continued

- **Model-Based Enterprise Tech Strategy Development Consortium**, led by the State of Connecticut Department of Economic and Community Development, will advance the regional framework to scale the adoption of Model-Based Definition (MBD) — which uses high-performance computing, automation, and cybersecurity to manage the product lifecycle with three-dimensional, semantic digital representations — in the commercial manufacturing sectors of aerospace, medical devices, and clean energy. This consortium is located in Connecticut, Massachusetts, and Rhode Island.
- **North Central Pressed Materials Strategy Development Consortium**, led by the North Central Pennsylvania Regional Planning and Development Commission, will develop a strategic roadmap to diversify the production of pressed materials and machined parts and their use cases, such as their emerging application to electric vehicle production, in rural North Central Pennsylvania. This consortium is located in Pennsylvania.
- **Pacific Northwest Smart Energy Strategy Development Consortium**, led by Portland State University, will develop a regional strategy that advances "front of the meter" energy storage technologies and products to facilitate renewable energy sources' integration into the utility grid. This consortium is located in Oregon and Washington.
- **Regional Energy Business, Education, & Commercialization Convergence Accelerator (REBECCA) Energy Strategy Development Consortium**, led by the University of Louisville Research Foundation, will develop a strategy and regional coalition to repurpose a remediated brownfield site into an energy hub that incubates emerging companies and technologies related to advanced energy, such as batteries, hydrogen, solar energy production, and biofuels. This consortium is located in Kentucky.
- **Secure Manufacturing in South Texas Strategy Development Consortium**, led by the University of Texas at San Antonio, will develop a regional coalition and innovation roadmap to mature cybersecurity and secure manufacturing technologies. This consortium is located in Texas.
- **Southeast Biotech Collaborative (SEBC) Strategy Development Consortium**, led by the University of Mississippi, will develop a regional strategy to advance biomanufacturing, biologistics, and precision population health to reduce national dependence on foreign suppliers and reduce drug shortages. This consortium is located in Mississippi, Alabama, Arkansas, and Tennessee.
- **Virginia's Additive Manufacturing & Applied Materials Strategy Development Consortium**, led by the New River Valley Regional Commission, will advance a regional strategy to develop and deploy additive manufacturing system technologies for heavy industry to re-shore manufacturing and strengthen domestic supply chain resilience. This consortium is located in Virginia.
- **West Virginia Advanced Energy & Industrial Technology Manufacturing (WV-AEIM) Strategy Development Consortium**, led by the Allegheny Science & Technology Corporation, will develop the strategy to onshore manufacturing and emerging technologies — including carbon and graphite materials and energy storage solutions — and critical supply chains across the state. This consortium is located in West Virginia.
- **Western North Carolina Industrialized Construction (NCIC) Strategy Development Consortium**, led by ADL Ventures, will foster an industrialized construction strategy for offsite manufacturing of prefabricated construction components, contributing to affordable housing production and sustainable construction materials and techniques. This consortium is located in North Carolina.
- **WV Tech Strategy Development Consortium**, led by the West Virginia Department of Economic Development, will advance a regional strategy to develop digital identity solutions that support identity management and trust support services, individual privacy, and national security. This consortium is located in West Virginia, Kentucky, and Ohio.

TECH HUBS
U.S. Economic Development Administration

TECH HUBS
U.S. Economic Development Administration

Benefits of Designation

A Tech Hubs Designation is an endorsement of a region's plans to supercharge their respective technological industry to create jobs and strengthen U.S. economic and national security. Some of the support and benefits Tech Hubs Designees will receive include:

Follow-on Funding

- Tech Hubs Designees can apply directly for future Tech Hubs implementation funding.
- Tech Hubs Designees will be given preference for the Build to Scale program.
- Distressed communities within Tech Hubs regions will be given higher consideration for other relevant Economic Development Administration funding opportunities.
- The U.S. Department of Treasury's State Small Business Credit Initiative (SSBCI) will convene and match Tech Hubs with SSBCI capital programs in relevant states.

Branding and Technical Assistance

- Tech Hubs Designees will be invited to a Community of Practice to engage with other Designees around the country.
- Tech Hubs Designees will have access to exclusive Tech Hubs branding and media promotion materials.
- The U.S. Department of Agriculture (USDA) will work with Tech Hubs to identify relevant USDA Rural Development programs and networks that could help ensure rural communities can benefit from and engage with Tech Hubs.
- USDA will work with Tech Hubs to identify any relevant rural electric cooperatives that could help provide reliable, affordable energy and broadband access in their regions as needed.
- The U.S. Department of Housing and Urban Development will help Tech Hubs Designees identify relevant resources, data, and best practices to support long-term housing planning as they prepare their Phase 2 applications, including through a webinar series.
- The U.S. Small Business Administration will provide technical assistance for the Small Business Investment Company (SBIC) program to increase private investment in Tech Hubs-located small businesses, convene SBIC funds with Tech Hubs leaders, and facilitate connections for Tech Hubs with the Small Business Innovation Research (SBIR) ecosystem.
- The U.S. Department of Transportation will provide technical assistance and strategic guidance for relevant grant programs.

"TECH HUBS are supercharging our existing innovation foundations, bringing together our premier research institutions with world class companies to create good-paying jobs in these communities, and ensuring the technological advances that define the next century are made in communities across America."

Gina Raimondo
U.S. Secretary of Commerce

Foreign Direct Investment

- Tech Hubs Designees will have a dedicated presence at the SelectUSA Investment Summit Exhibition Hall in June 2024.
- Tech Hubs Designees will be invited to webinars to increase FDI interest in Tech Hubs and create new opportunities to showcase their regions for international business investment.

Intellectual Property Guidance

- The U.S. Patent and Trademark Office (USPTO) will identify a Tech Hubs Ambassador and highlight Tech Hubs Designees at regional USPTO events.
- USPTO will provide Tech Hubs Designees strategic guidance and technical assistance on IP.

Export Assistance

- U.S. Export Assistance Centers will pilot select Tech Hubs Trade Specialists to serve as export assistance navigators and offer a global resilience stress test for each Tech Hubs Designee.

City of Auburn
City Council Information Sheet

Council Workshop or Meeting Date: February 20, 2024 **Orders:** 22-02202024 through 26-02202024

Author: Sue Clements-Dallaire, City Clerk

Subject: Board and Committee Appointments

The Appointment Committee met on February 6, 2024 to review applications and make their nominations for various boards and committees of the City as follows:

Phillip Savignano, Parks and Recreation Advisory Board, new appointment, term expiration 10/01/2025
Robert Hayes, Planning Board, associate member, new appointment, term expiration of 1/1/2026.
Denis Bergeron, Sewer District Board of Trustees, new appointment, term expiration of 3/1/2025.
Thomas Moulin, Sewer District Board of Trustees, re-appointment, term expiration of 3/1/2028.
Denis Bergeron, Water District Board of Trustees, new appointment, term expiration of 3/1/2028.

City Budgetary Impacts: None

Staff Recommended Action: Motion to appoint members as recommended by the Appointment Committee.

Previous Meetings and History: The Appointment Committee met on February 6, 2024 to make their recommendations.

City Manager Comments:

I concur with the recommendation. Signature: Phillip Crowell Jr.

Attachments: Vacancies, Application Spreadsheet, Applications, Orders

VACANCIES

Auburn Sewer District Board of Trustees - 2 vacancies, one with a term expiration of 03/01/2025 and one with a term expiration of 03/01/2028.

Auburn Water District Board of Trustees - 1 vacancy with a term expiration of 03/01/2028

Board of Assessment Review - 8 vacancies, 5 regular members and 3 alternate members, up to a three-year term TBD

City Council Student Representative - 2 appointments

Parks & Recreation Advisory Board - 3 vacancies, one with a term expiration of 10/01/2025, and two with term expirations of 10/01/2024

Planning Board - 1 associate member position, term expiration of 01/01/2026

Zoning Board of Appeals - 9 vacancies, 7 regular members and 2 associate members, up to a three-year term TBD

February 6, 2024

APENDIX A – Application Narrative Responses
RE: Evan Cyr: Associate Planning Board Application

Briefly describe why you want to serve on this committee.
I want to serve on the Planning Board because I believe civic involvement is important. I am a teacher and father of two children. Modeling civic engagement for my own kids as well as for my students is important to me. I also believe the Planning Board serves an important and indispensable function in our community. I have a collective 15 years serving on Planning Boards and Watershed Commissions. My experience and institutional understanding can help further the work that the Planning Board does. Additionally, Planning Board provides an opportunity for me to leverage my experiences, helping residents better understand local land uses policies and processes through discussion and engagement at public meetings. Planning Board is a good personal fit where I think my skill set can best be used for the wider community while being civically engaged and promoting civic engagement for my children, students, friends, and neighbors.

What do you hope to accomplish?
I hope to work collaboratively to continue protecting Auburn's natural resources, including Lake Auburn, Auburn's agricultural and rural resources, open space, and neighborhoods. I also hope to execute the responsibilities of an associate Planning Board member in an informed, transparent, and informative way to help promote trust in local government while developing the best possible outcomes for Auburn's residents. It is important to use appropriate policy actions, follow state and local law, and implement City Council policy regarding zoning in a way that is both responsible and informative to Auburn's residents. I hope to do this while navigating complex issues to ultimately create zoning solutions that will help create diverse housing opportunities for all residents, promote smart growth and density infill where appropriate, promote growth for all residents, and improve the quality of live in our community. Ultimately, I hope to promote positive solutions while fostering trust and transparency.

January 31, 2024

Dear Appointment Committee Members and City Councilors,

I am writing to express my sincere interest in the Associate Planning Board member position on the Auburn Planning Board. With a rich background in municipal planning, experience in municipal leadership and a steadfast commitment to community growth, equity, and sustainability, I am eager to help shape the future of our community in promoting responsible growth and the continued prosperity of Auburn.

With a combined 15 years of experience in municipal land use policy management, governmental and quasi-municipal policy development, and environmental land use management, I have a developed diverse skill set that aligns well with the responsibilities of a Planning Board member. Additionally, I have had the privilege of serving in leadership capacities on both the Auburn Planning Board and Lake Auburn Watershed Protection Commission (LAWPC). Serving three terms as the elected Planning Board Chair, three terms as the Planning Board Vice Chair, one term as the elected Chair of LAWPC, and one term as the Vice Chair of LAWPC, has also provided me with invaluable leadership experiences and skills that directly translate to the position of Associate Member of the Planning Board.

I can bring a comprehensive skill set to the Planning Board, encompassing expertise in zoning regulations, land use planning, and environmental awareness, as well as proficiency in state and local land use law, urban design, and GIS mapping. My ability to navigate judicial and adjudicatory analysis, coupled with strong conflict resolution skills, has enabled me to effectively address sensitive or controversial topics and issues, fostering constructive dialogue and consensus-building within the community. I have experience and skill navigating complex legal frameworks and leveraging data-driven insights to craft effective policy solutions that balance the needs of our community with regulatory requirements as well.

I have been involved in the development, creation, amendment, and implementation of several zoning ordinances. I was directly involved in the creation and implementation of new Form Based Code zoning ordinances aimed at addressing housing inequity and promoting traditional neighborhood growth patterns, AGRP zoning ordinances aiming to balance the protection Auburn's natural resources with residential growth, and drafting updates to the Lake Auburn Watershed Overlay District to enhance lake water quality and maintain federal regulatory compliance. Additionally, I have been involved with the creation of Auburn's Adaptive Reuse Ordinance, Marijuana Land use ordinances, and commercial use Solar Ordinance, among others.

Furthermore, my experience serving as Chair and Vice Chair of the Lake Auburn Watershed Commission has equipped me with valuable insights into environmental protection and policy development. I have successfully led initiatives to safeguard the public drinking water supply and provide oversight of public education initiatives related to land use within the watershed, demonstrating my commitment to environmental stewardship and public health.

I am excited about the opportunity to bring my unique perspective and skill set to the Auburn Planning Board and contribute to the continued growth and prosperity of our community. Thank you for considering my application. I look forward to the possibility of discussing how I can contribute to the board's important work in more detail.

Regards,

Evan Cyr

Professional Summary

Skilled and dedicated community planning specialist with a combined 15 years of experience in municipal land use policy management, municipal leadership, and environmental land use management. Passionate about developing responsible solutions to implementing community planning goals, including municipal strategic plans, comprehensive plans, and local governmental policy. Comfortable effectively leading teams in developing solutions and making decisions, leveraging a collaborative approach to land use planning, listening to complex input from community members in developing planning solutions, educating community members about regulatory structures through public communications, and creating professional relationships that inform the work of municipal officials. Committed to lifelong learning, continuous improvement, and contributing to sustainable growth within the community.

Areas of Expertise

-Zoning Regulations	-Land Use Planning	-Environmental Awareness in Planning
-State and Local Land Use Law	-Community Engagement	-Judicial and Adjudicatory Analysis
-Urban Design	-Conflict Resolution	-GIS and Mapping
-Public Policy	-Economic Development	-Transportation Planning
-Process Management	-Stakeholder Collaboration	-Ethical Decision-Making

Pertinent Governmental Experience

Member of Planning Board 2012 – 2024

City of Auburn, ME

Elected Chair of Planning Board: Three terms
Elected Vice Chair of Planning Board: Three Terms
Creation and implementation of new Form Based Code zoning ordinances to address housing inequity and promote traditional neighborhood growth patterns – 2014 through 2024
Development of zoning changes to the AGRP zoning ordinances – 2018
Draft and implementation of zoning changes and updates to the AGRP zoning ordinances – 2023
Development of zoning changes and updates to the Lake Auburn Watershed Overlay District to increase protections of lake water quality and prolong the AWD's federal waiver of filtration for Lake Auburn – 2013 – 2023
Development of Medical and Adult Use Marijuana Ordinances
Development of changes to the City's Odor Ordinance
Creation of Auburn's Adaptive Reuse Ordinances
Creation and implementation of commercial solar ordinance
Implementation of the 2010 and 2021 Update of the Comprehensive Plan through development of new ordinances and zoning regulations. Example: Form Based Code 2014 - 2024
Create legal policy solutions to problems that meet municipal and other stakeholder objectives.
Provide direction and feedback to City Council on land use, economic growth, future development, and zoning law.
Draft and revise zoning ordinances at the municipal level in accordance with State and Federal law or guidelines.
Work with members of the public and community to explain or resolve sensitive or controversial topics and issues
Review and provide feedback of the Capital Improvement Plan and budget for the City Council.

Commissioner - LAWPC 2020 – 2023

Lake Auburn Watershed Commission

Elected Chair: One Term
Elected Vice Chair: One Term
Implementation of Rules of Order
Create and enforce legal policy and zoning solutions to protect the public drinking water supply in compliance with State and Federal laws.
Utilize data and information collectives to provide guidance and feedback to local municipalities and other stakeholders.
Provide oversight of public education initiatives around and access or use of land within the watershed.
Provide policy direction and directives to Auburn Water District regarding the Lake Auburn Watershed.

Current Occupation: Chief Executive Officer

Previous Occupation (if retired or no longer working):

Education and/or experience: Masters Degree; Sociology/Social Psychology. Nonprofit executive leader for 20+ years.

Please check which board or committee you are interested in serving on. Individual applications for each board or committee (if you wish to serve on more than one).: Planning Board

OTHER (Ad-Hoc Committees not on the list above)::

This application is for a... (choose one): New appointment

Briefly describe why you want to serve on a board/committee (1,000 character limit): First and foremost, my interest in serving on a board/committee derives from the appreciation of our city. Nearly every day I see examples of why our community is a great place to live and work. Whether it's the overall ethos or the genuine friendliness of our neighbors, we should all be proud to live in a place that respects everyone.

Second, as a nonprofit executive for a large local employer, I recognize how our community supports the work we do. I value service and see this as an opportunity to give back to our community. I appreciate that our city has deliberative processes for considering how we grow. I have participated in this process and have looked with respect upon how Planning Board members approach their work. I believe I can make positive contributions in this regard.

I have a rich history of Board service in different contexts. I would like to broaden this experience at the municipal level.

What do you hope to accomplish?: I would like to contribute to thoughtful progress that balances individual rights, legal requirements and municipal goals.

Are you presently serving on a City or Community Board or Committee? If so, which one(s)?: No

Have you previously served on a City or Community Board or Committee? If so, which one(s)?: No

FOR OFFICE USE ONLY

DATE APPLICATION RECEIVED: 1/29/2024
APPOINTMENT DATE: ___
TERM EXPIRATION DATE: ___
OATH DATE: ___

January 29, 2024

From: Robert P Hayes (residing at 172 Allen Ave., Auburn in Ward 2 with home phone #782-1386, cell phone #232-3903 and email address: JLHAYES1868@yahoo.com)

To: City of Auburn as a submittal application for the open seat for an alternate member on the Planning Board as appears in the City's web site.

I am now retired, working part time as a driver for Mobility Works (Gray, ME) and as a ski instructor at Lost Valley. Previously, I was owner/manager of J.L.Hayes/Agway, originally in Lewiston but most recently in Auburn at 807 Minot Ave.

I am still dedicated to this community in which have grown up in and have lived and worked in. I would like to be responsibly and thoughtfully involved in contributing to Auburn's healthy growth, by being a respectful and knowledgeable voice as a Planning Board member.

As to my background, I submit the following:

EDUCATION:

- Auburn Public Schools (ELHS 65)
- Union College, Schenectady, NY (Industrial Economics)
- Univ. of Southern Maine (Business Administration)
- Univ. of Maine – Augusta (Public Administration)
- Navy Officer Candidate School, Newport, RI
- Navy Supply School, Athens, GA

PROFESSIONAL EXPERIENCE:

- United States Navy (Active '70-'73; Reserve '73-'95; Retired Commander, Supply Corps)
- E.C.Jordan Co., Portland, ME (Communit and Regional Land-Use Planner '69-'70, '73-'75)
- J.L.Hayes/Agway (Small Business Manager,1975-2015)

COMMUN ITY INVOLVEMENT:

- Chamber of Commerce (1975-2015)
- Auburn Planning Board (Member '77-'90, Chairperson '88-'90)
- Lewiston Downtown Development & Management Corp. (Director '80-'87, Chairperson '85-'87)
- Auburn City Council (Ward 2, 2005-2015)

For more than 60 years, I have been involved in our community,

- as student in the Auburn Public Schools,
- as owner/manager of J.L.Hayes/Agway,
- as member of the Chamber of Commerce,
- as member/chairperson of the Planning Board,
- as Ward 2 City Councilor,
- as member of the L/A Railroad Co. Board,
- as City representative to the L/A Airport Board,
- as a certified ski instructor at Lost Valley.

Respectfully,

Bob Hayes

I would like to serve as a Trustee of the Auburn Water District because I believe my 35 years of experience as a utility regulator and my 30 years as a Licensed Professional Engineer can be helpful to AWD ratepayers during this challenging time. The District is going to face some challenging issues in the future. I think my experience of working in the utility industry while at the Maine PUC can provide help in navigating some of those issues.

IN COUNCIL REGULAR MEETING FEBRUARY 5, 2024, VOL. 37 PAGE 132

Mayor Harmon called the meeting to order at 7:00 P.M. in the Council Chambers of Auburn Hall and led the assembly in the salute to the flag. All Councilors were present.

Pledge of Allegiance

I. Consent Items

1. Order 16-02052024*
Confirming Mayor Harmon's re-appointment of Leonard Kimble to serve on the Ethics Panel with a term expiration of 11/01/2026.

Motion was made by Councilor Walker, seconded by Councilor Milks for passage of the one consent item.

Passage 7-0.

II. Minutes – January 16, 2024, Regular Council Meeting

Motion was made by Councilor Walker, seconded by Councilor Platz to approve the minutes of the January 16, 2024, Regular Council meeting.

Passage 7-0.

III. Communications, Presentations and Recognitions

- Presentation – Tax Increment Financing (TIF) and Credit Enhancement Agreement (CEA) – Glen Holmes
- Communication - Formation of a Mayor's Ad Hoc Committee on the Public Safety Building
- Communication - Formation of a Mayor's Ad Hoc Committee on Housing

IV. Open Session –

Joe Mailey, 82 Webster Street, provided written testimony regarding the new PAL Center to be constructed on Chestnut Street with questions and concerns. He also expressed concerns that notices were sent to building owners in that area and not to the tenants. He stated that he would like to see the City of Auburn enhance some of the mailings or at least discuss it.

Andy Titus, 24 Rubellite Lane, provided comments regarding the upcoming budget and three things that should be looked at. The tax levy, the fund balance, and salaries. He added that he would like to see any future surpluses of the fund balance to go toward the tax levy.

V. Unfinished Business

1. Ordinance 03-01162024
Amending Article V, Division 2, Sections 2-430, 2-431, 2-433, 2-434, 2-435, AND 2-441 of Auburn's Code of Ordinances and striking all language referencing the Regulatory Advisory Board. Second reading.

Motion was made by Councilor Gerry, seconded by Councilor Cowan for passage.

Public comment – No one from the public spoke.

Passage 7-0.

2. **Ordinance 04-01162024**
Amending Article V, Division 2, Sections 2-430, 2-431, 2-432, 2-433, 2-434, and 2-435 of Auburn's Code of Ordinances and reinstating the Board of Assessment Review ordinance. Second reading.

Motion was made by Councilor Whiting, seconded by Councilor Cowan for passage.

Public comment – No one from the public spoke.

Passage 7-0.

3. **Ordinance 06-01162024**
Amending Sec. 2-466 of the Auburn Code of Ordinances correcting the Planning Board Compensation language. Second reading.

Motion was made by Councilor Platz, seconded by Councilor Cowan for passage.

Public comment – No one from the public spoke.

Passage 7-0.

VI. New Business

1. **Order 17-02052024**
Amending the Future Land Use Plan map in the Comprehensive Plan to designate City Assessor's Parcel I.D.'s 174-004, 174-004-001 and 174-004-002 land use as Suburban Development District.

Motion was made by Councilor Cowan, seconded by Councilor Walker for passage.

Public hearing – No one from the public spoke.

Failed 1-6 (Councilors Gerry, Whiting, Cowan, Milks, Weisner, and Platz opposed).

2. **Ordinance 07-02052024**
Amending the zoning map of the City of Auburn entitled "City of Auburn, Zoning Map, dated May 16, 2016," revised through its current date and revisions, as provided under Sec. 60-5 of the Zoning Ordinance by amending approximately 11 acres of Parcel ID 174-004-001, located on Riverside Drive, from the Agriculture and Resource Protection (AGRP) zoning district to the Low-Density Rural Residence (RR) zoning district. Public hearing and first reading.

Motion was made by Councilor Walker, seconded by Councilor Whiting for passage.

Public hearing – No one from the public spoke.

Motion was made by Councilor Whiting and seconded by Councilor Gerry to postpone this item indefinitely.

Passage 5-2 (Councilors Cowan and Walker opposed).

3. **Ordinance 08-02052024**
Amending the zoning map of the City of Auburn entitled "City of Auburn, Zoning Map, dated May 16, 2016," revised through its current date and revisions, as provided under Sec. 60-5 of the Zoning Ordinance by amending City Assessor's Parcel I.D.s 174-004, 174-004-001 and 174-004-002, located on Riverside Drive, from the Agriculture and Resource Protection (AGRP or AG) zoning district to the Low-Density Rural Residence or Rural Residence (RR) zoning district. Public hearing and first reading.

Motion was made by Councilor Whiting, seconded by Councilor Gerry for passage.

Public comment – No one from the public spoke.

Motion was made by Councilor Whiting and seconded by Councilor Gerry to postpone this item indefinitely.

Passage 6-1 (Councilor Walker opposed).

4. **Order 18-02052024**
Setting the date for a public hearing for a Dangerous Building located at 46 Fair Street.

Motion was made by Councilor Whiting, seconded by Councilor Walker for passage.

Public comment – No one from the public spoke.

Passage 7-0.

5. **Order 19-02052024**
Ratifying the Fire Department's contract agreement (wages).

Motion was made by Councilor Weisner, seconded by Councilor Milks for passage.

Public comment - No one from the public spoke.

Passage 7-0.

6. **Order 20-02052024**
Authorizing the use of $89,306.42 from the fund balance to support the 2024 Lewiston Auburn Warming Center to be located in the City of Lewiston.

Motion was made by Councilor Gerry, seconded by Councilor Whiting for passage.

Public comment – Andy Titus, 24 Rubellite Lane, said he had questions on how the break down of costs were determined, and if it is to be used as a warming center for the unhoused or an immigrant resource center.

Passage 7-0.

VII. Open Session -

Greg Whitney, President of the Drop-in Center thanked the council for their support on this project and provided some examples of what they have seen at the Drop-in Center when people stop in.

VIII. Reports (Mayor, City Council, City Manager)

Mayor Harmon reported that he and Mr. LaBonté had an opportunity to visit with the Auburn Lewiston Civil Air Patrol Squadron that uses the Airport noting that Auburn resident, Sean Hagerty was promoted to Cadet Lieutenant Colonel and received the General Eaker Award for which less than one percent of Civil Air Patrol Cadets in the country receive, adding that this is a significant honor. He congratulated him on his achievement. He stated that he also attended a coalition of organizations and citizens concerned with homelessness. There were over 80 attendees.

Councilor Platz reported on the upcoming School Committee and Facilities meetings to be held on Wednesday, and the School Finance Committee will be meeting next week. He also announced that a new Business Manager was named at the last School Committee meeting. Amanda Kocher was offered the Business Manager position. The current Business Manager is retiring.

Councilor Walker reported that he attended the Waste to Energy meeting and provided an update.

Councilor Weisner thanked the Public Works Department for their hard work with the recent storms and long hours they've been working.

Councilor Cowan reported that the Sustainability and Natural Resource Management Board (SNRB) met today to discuss a recycling plan which will come back to the Council at a later date. He also noted that the Lewiston Auburn Transit Committee (LATC) is meeting this Thursday.

Councilor Whiting recognized "Mac" McPeake who was in the "25 Years Ago Today" column in the Sun Journal, for his efforts reading to kids and he thanked him for his efforts.

Councilor Gerry stated that she would like to discuss the Grab and Go Program at a future Council meeting and if needed, she would like to see more money allocated toward it.

City Manager Crowell reported that Androscoggin County was included in the National Disaster Declaration and Monday April 1st is the deadline to file claims. He said he will ask FEMA to come to our next council meeting so they will be available for anyone who would like to meet with them. He said they are also located at the Lewiston Armory. He also announced that a celebration will be hosted at the Donald Gay Performing Arts Center at the new Edward Little High School called Common Threads 2024 which celebrates diverse fashion, food and music. Admission is free. More information will be coming out.

IX. Executive Session - Economic development, pursuant to 1 M.R.S.A. §405(6)(C) where premature disclosure would prejudice the competitive or bargaining position of the City.

This item was taken up during the workshop.

X. Adjournment

Motion was made by Councilor Weisner, seconded by Councilor Milks to adjourn.

Passage 7-0, and the meeting adjourned at 8:29 pm.

A TRUE COPY **ATTEST** Susan Clements-Dallaire

Susan Clements-Dallaire, City Clerk

IN COUNCIL SPECIAL MEETING FEBRUARY 12, 2024, VOL. 37 PAGE 137

Mayor Harmon called the meeting to order at 5:30 P.M. in the Council Chambers of Auburn Hall and led the assembly in the salute to the flag. All Councilors were present.

Pledge of Allegiance

I. New Business

1. Order 21-02122024
Amending Order 20-02052024, adopted by the City Council on 2/5/2024 authorizing the use of $62,500.00 from the fund balance to cover no more than 50% of actual third-party expenses paid by the City of Lewiston to the operator of the 2024 Lewiston Auburn Warming Center to be located in the City of Lewiston.

Motion was made by Councilor Walker, seconded by Councilor Milks for passage.

Public comment – No one from the public spoke.

Passage 7-0.

II. Adjournment

Motion was made by Councilor Walker, seconded by Councilor Milks to adjourn the meeting. Passage 7-0, the meeting adjourned at 5:33pm.

Housing Assistance for Disaster Survivors

Disaster survivors with damage to their primary residence from the severe storms and flooding Dec. 17-21, 2023, may be eligible for FEMA Sheltering and Housing Assistance.

Rental Assistance

Funds for eligible survivors who need a place to temporary live while their residence is repaired, or until they secure permanent housing.

Who may be eligible?

A disaster survivor:

- Whose home or rental unit is unlivable as a result of the disaster.
- Who agrees to relocate.
- Whose housing needs are not covered by insurance.

Home Repair/ Replacement

Funds for eligible homeowners to rebuild or make basic repairs so their home is safe, sanitary, and functional.

Who may be eligible?

A Homeowner:

- Whose primary residence is determined to be unlivable after a FEMA inspection.
- Who has a housing need not covered by insurance.

ACCESO A LA ASISTENCIA POR DESASTRE Y RECURSOS

La asistencia de recuperación por desastre está disponible sin tomar en consideración raza, color, religión, origen nacional, sexo, edad, discapacidad, dominio del inglés o nivel económico.

Maine Renters Can Apply for FEMA Assistance

Release Date: Feb 12, 2024

The counties approved are Androscoggin, Franklin, Kennebec, Oxford, and Somerset Counties.

FEMA Individual Assistance is available to renters, including students, as well as homeowners. Federal grants can help pay for temporary housing. The initial rental grant is for a one-month or two-month period and can be reviewed for further assistance.

Renters may also qualify for a grant under FEMA's Other Needs Assistance program for uninsured essential personal property losses and other disaster-related expenses. These may include:

- Replacement or repair of necessary personal property, such as clothing, textbooks, or school supplies as well as furniture or appliances you purchased. FEMA will not cover furniture or appliances that are provided by the landlord.
- Replacement or repair of tools and other job-related equipment required by the self-employed
- Primary vehicles.
- Uninsured or out-of-pocket medical, dental, childcare, moving and storage expenses.

1.

To apply for FEMA disaster assistance, go online to DisasterAssistance.gov, use the FEMA app for smartphones or call 800-621-3362. Help is available in most languages. If you use a relay service, such as video relay service (VRS), captioned telephone service or others, give FEMA the number for that service. Lines are open from 7 a.m. to 10 p.m. local time, seven days a week.

Daily Fact Sheet 011

Key Messages

- FEMA has approved **$1,965,172** for individuals and families affected by a severe storm and flooding.
- On January 30, 2024, President Joseph R. Biden Jr. granted a Major Disaster Declaration for the State of Maine triggering the release of Federal funds to help individuals recover from a Severe Storm and Flooding that occurred December 17-21, 2023.
- The President's action makes federal funding available to affected individuals in the counties of Androscoggin, Franklin, Kennebec, Oxford, and Somerset Counties. Assistance can include grants for temporary housing, uninsured or underinsured home repairs and personal property, low-cost loans to cover uninsured property losses and other programs to help individuals and business owners recover from the effects of the disaster.

DSA and DRC Openings

- 10 Disaster Survivor Assistance (DSA) crews canvased in the municipalities of Livermore, Lisbon, Lewiston, Sabattus, Poland, Newry, Andover, Roxbury, Bethel, Madrid, Kingfield, Avon, New Sharon, Skowhegan, Norridgewalk, Fairfield, Emden, Solon, Winthrop, Chelsea, Winslow, and Waterville. **1,079 survivor registrations have been completed.**
- Farmington (Franklin County), University of Maine – Roberts Learning Center, 270 Main St., daily 8:00 a.m. – 6:00 p.m.
- Lewiston (Androscoggin County) DRC open 65 Central Ave, daily 8:00 a.m. – 6:00 p.m.
- Rumford (Oxford County) DRC open 150 River Street, daily 8:00 a.m. – 6:00 p.m.
- Skowhegan (Somerset County) DRC open 4 County Drive, daily 8:00 a.m. – 6:00 p.m.

Ways to Apply to FEMA

- By phone at **1-800-621-3362**. Help is available in most languages. If you use video relay service (VRS), captioned telephone service or others, give FEMA your number for that service. Phone lines operate from **7 a.m. to 10 p.m.** seven days a week.
    - The deadline to apply for FEMA disaster assistance is **April 1.**

FEMA

- If you are planning to apply for FEMA assistance, knowing what you will be asked and what information you need to have handy can help you feel ready. Things to have handy include:
    - Each family member's Social Security number.
    - The address where you are staying and what the phone number is.
    - The amount of damage to your home. Be sure to share updates with FEMA so we can continue to review your case.

Disaster Unemployment Assistance (DUA)

- Employees or self-employed individuals in Maine who became unemployed as a direct result of the severe storm and flooding, may be eligible to receive Disaster Unemployment Assistance (DUA). Eligible survivors are encouraged to apply for disaster assistance.
- To be eligible for DUA, the individual must be determined ineligible for regular unemployment insurance benefits under any state or federal law. Claimants must first apply for state unemployment benefits by visiting Maine Department of Labor's Bureau of Unemployment Insurance self-service portal. An application must be submitted by **March 4, 2024**. DUA claims filed after this deadline may be ineligible.

U.S. Small Business Administration (SBA)

- SBA disaster loans are the largest source of federal disaster recovery funds for survivors. Businesses, homeowners, renters, and certain nonprofits that were affected may apply online for low-interest disaster loans using SBA's secure website at https://disasterloanassistance.sba.gov/ela/s/. Applicants may also call SBA's Customer Service Center at **800-659-2955** or email DisasterCustomerService@sba.gov for more information. Individuals who are deaf or hard-of-hearing may call **800-877-8339.**

City of Auburn
City Council Information Sheet

Council Workshop or Meeting Date: February 20, 2024 PUBLIC HEARING

Author: Glen E. Holmes, Director of Business & Community Development

Subject: Public Hearing prior to drafting CDBG & HOME Consortium Action Plan for Program Year 2024

Information:
Each year the Business & Community Development Department holds a Public Hearing and releases a Community Needs survey prior to drafting the annual action plan for the US Department of Housing & Urban Development (HUD). This plan details the use of Auburn's CDBG funds & the Auburn-Lewiston Consortium's HOME funds. This plan is designed to address community needs as detailed in the 5 year Consolidated Plan which was adopted in 2020. Based on input from the community survey and public hearings Community Development staff will release a draft Action Plan for additional public comments and City Council input prior to adoption.

The community survey can be found on AuburnMaine.gov. Post cards with a link to the survey is also being delivered to every residential address within the city. For printed copies, translations, or other accommodations, residents can contact the Community Development Office at: CDBG@auburnmaine.gov

---

City Budgetary Impacts:
Due to the lack of a federal budget HUD has yet to release allocation totals for recipients. Currently we are asked to wait until the passage of the federal budget to submit our action plan, even if that date is beyond our schedule as set by policy. Auburn's previous year CDBG allocation was $534,778. The Auburn-Lewiston HOME Consortium previous allocation is $546,921. These federal grant dollars cover staff salary/benefits as well as program activities for Business and Community Development programs.

Staff Recommended Action:
Hold Public Hearing and encourage residents to complete the community survey.

Previous Meetings and History:
Release Public Survey December 29, 2023

City Manager Comments:

I concur with the recommendation. Signature: Phillip Crowell Jr.

City of Auburn
City Council Information Sheet

Council Workshop or Meeting Date: February 20, 2024

Subject: Executive Session

Information: Economic development, pursuant to 1 M.R.S.A. Section 405(6) (C) which premature disclosure would prejudice the competitive or bargaining position of the city.

Executive Session: On occasion, the City Council discusses matters which are required or allowed by State law to be considered in executive session. Executive sessions are not open to the public. The matters that are discussed in executive session are required to be kept confidential until they become a matter of public discussion. In order to go into executive session, a Councilor must make a motion in public. The motion must be recorded, and 3/5 of the members of the Council must vote to go into executive session. An executive session is not required to be scheduled in advance as an agenda item, although when it is known at the time that the agenda is finalized, it will be listed on the agenda. The only topics which may be discussed in executive session are those that fall within one of the categories set forth in Title 1 M.R.S.A. Section 405(6). Those applicable to municipal government are:

A. Discussion or consideration of the employment, appointment, assignment, duties, promotion, demotion, compensation, evaluation, disciplining, resignation or dismissal of an individual or group of public officials, appointees or employees of the body or agency or the investigation or hearing of charges or complaints against a person or persons subject to the following conditions:
(1) An executive session may be held only if public discussion could be reasonably expected to cause damage to the individual's reputation or the individual's right to privacy would be violated;
(2) Any person charged or investigated must be permitted to be present at an executive session if that person so desires;
(3) Any person charged or investigated may request in writing that the investigation or hearing of charges or complaints against that person be conducted in open session. A request, if made to the agency, must be honored; and
(4) Any person bringing charges, complaints or allegations of misconduct against the individual under discussion must be permitted to be present. This paragraph does not apply to discussion of a budget or budget proposal;

B. Discussion or consideration by a school board of suspension or expulsion of a public school student or a student at a private school, the cost of whose education is paid from public funds, as long as:
(1) The student and legal counsel and, if the student is a minor, the student's parents or legal guardians are permitted to be present at an executive session if the student, parents or guardians so desire;

C. Discussion or consideration of the condition, acquisition or the use of real or personal property permanently attached to real property or interests therein or disposition of publicly held property or economic development only if premature disclosures of the information would prejudice the competitive or bargaining position of the body or agency;

D. Discussion of labor contracts and proposals and meetings between a public agency and its negotiators. The parties must be named before the body or agency may go into executive session. Negotiations between the representatives of a public employer and public employees may be open to the public if both parties agree to conduct negotiations in open sessions;

E. Consultations between a body or agency and its attorney concerning the legal rights and duties of the body or agency, pending or contemplated litigation, settlement offers and matters where the duties of the public body's or agency's counsel to the attorney's client pursuant to the code of professional responsibility clearly conflict with this subchapter or where premature general public knowledge would clearly place the State, municipality or other public agency or person at a substantial disadvantage;

F. Discussions of information contained in records made, maintained or received by a body or agency when access by the general public to those records is prohibited by statute;

G. Discussion or approval of the content of examinations administered by a body or agency for licensing, permitting or employment purposes; consultation between a body or agency and any entity that provides examination services to that body or agency regarding the content of an examination; and review of examinations with the person examined; and

H. Consultations between municipal officers and a code enforcement officer representing the municipality pursuant to Title 30-A, section 4452, subsection 1, paragraph C in the prosecution of an enforcement matter pending in District Court when the consultation relates to that pending enforcement matter.

Subject: [External]Registration Appeals Board
Date: Friday, February 16, 2024 11:17:40 AM

Hi Sue,

The Auburn Democratic City Committee nominated Robert Cavanagh as a member, and Renee Cote as alternate member to the Auburn Registration Appeals Board at it's Feb 15, 2024 meeting, last night,

Fred Brodeur, chair, Auburn Democratic City Committee

City of Auburn
City Council Information Sheet

Council Workshop or Meeting Date: March 4, 2024 **Orders:** 27-03042024

Author: Sue Clements-Dallaire, City Clerk

Subject: Confirming the Democratic nominations to the Registration Appeals Board

---

Information:
Municipalities with a population of 5,000 or more must have a Registration Appeals Board to hear appeals of persons aggrieved by a decision of the Registrar of Voters.

The board consists of 3 members. Each of the major political parties shall nominate one member who must be enrolled in the party that nominated them, as well as an alternate member and the municipal officers must appoint the persons nominated by the political parties. These are 3-year terms.

The chair of the board is nominated by the municipal clerk and shall serve a 4-year term. Barbara (Bonnie) Lounsbury was nominated by the City Clerk and appointed by the City Council at the 1/16/2024 City Council meeting.

The Democratic party has nominated Robert Cavanagh as full member with Renee Cote as alternate.

The Republican nominations have not been submitted yet. When they do, this will come back to the Council for a vote.

City Budgetary Impacts: None

Staff Recommended Action: Passage of the order

Previous Meetings and History: N/A

City Manager Comments:

I concur with the recommendation. Signature: Phillip Crowell Jr.

Attachments: Title 21-A Section 103

§103. Registration appeals board

In a city or town that has a population of 5,000 or more, if a person is aggrieved by the decision of the registrar of voters to cancel that person's registration in the central voter registration system or to reject that person's voter registration application, that person may appeal in writing to the registration appeals board. The appeal must be filed within 30 days after receipt of notice of the registrar's decision.
[PL 2019, c. 371, §4 (AMD).]

1. Population of 5,000 or over. The registration appeals board consists of 3 members who must be appointed as follows: The municipal committee of each of the major political parties shall nominate one member, who must be enrolled in the party of the municipal committee that nominates the member, and the municipal officers shall appoint the persons nominated by the municipal committees and the 3rd member must be nominated by the clerk of the municipality and appointed by the municipal officers. The clerk of the municipality may give the municipal committees of the political parties a list of qualifications necessary for a person to fulfill the duties of the registration appeals board, and the municipal committees shall take those qualifications into consideration when nominating members to the board. The 2 members of the board nominated by the municipal committees of the major political parties may be members of the municipal committee nominating them and of the county or state committees of the political party that nominates them and may be members of a state or county delegation to a political convention. When a municipal committee nominates a member to the registration appeals board, it shall also nominate an alternate board member, who serves if the member nominated by the municipal committee is or becomes unable to serve. The municipal clerk may not serve as a member or alternate member of the registration appeals board.
[PL 1997, c. 436, §19 (AMD).]

2. Population of 4,000 to 5,000.
[PL 1999, c. 426, §4 (RP).]

3. Term of office. Each member nominated by the municipal committees of the major political parties and appointed to the board shall serve for 3 years and until the member's successor is appointed and sworn. The member nominated by the clerk of the municipality and appointed to the board shall serve for 4 years and until that member's successor is appointed and sworn.
[PL 1995, c. 459, §8 (AMD).]

4. Chair of the board. The member nominated by the clerk of the municipality is chair of the board.
[RR 2019, c. 2, Pt. B, §35 (COR).]

5. Vacancy. When there is a vacancy on the board, the alternate board member nominated by the municipal committee of the political party of the former incumbent shall serve. If an alternate is not available, the municipal officers shall appoint a qualified person nominated by the municipal committee of the party of the former incumbent to fill the vacancy. If the vacancy is in the office of the chair of the board, the municipal officers shall appoint a qualified person nominated by the clerk of the municipality to fill the vacancy. Vacancies must be filled for the remainder of the term of office.
[PL 1991, c. 466, §2 (AMD).]

6. Appeal hearing. Upon receipt of a complaint by a person aggrieved by the decision of the registrar, the chair of the registration appeals board shall immediately fix a time and place for the board to meet for a prompt hearing. The voter must be given written notice of the hearing at least 20 days in advance and must have the opportunity to testify and to present witnesses and other evidence at the hearing. The hearing is de novo. After hearing, the board may affirm, modify or reverse the decision of the registrar of voters. The board shall issue the decision to the voter in writing and shall provide information on how the voter may appeal the decision. The aggrieved person may appeal the decision of the board to the Superior Court in accordance with Rule 80B of the Rules of Civil Procedure.
[PL 2009, c. 253, §9 (AMD).]

7. Actions of the registration appeals board. A registration appeals board may only act by unanimous or majority action.
[PL 1995, c. 459, §10 (RPR).]

8. Removal from office. A member of the board may be removed from office at any time during the member's term by the appointing authority if the appropriate nominating authority nominates a replacement. Any replacement member shall serve out the remainder of the replaced member's term.
[PL 1995, c. 459, §11 (AMD).]

SECTION HISTORY

City Council Information Sheet

Council Workshop or Meeting Date: March 4, 2024 **Order:** 29-03042024

Author: Sue Clements-Dallaire, City Clerk

Subject: Setting the date to hold a Special Election to fill the At-Large School Committee seat

---

Information: On February 23, 2024, I received notification that the School Committee had accepted the resignation of At-large School Committee member, Casey-Lyn Knight.

When a vacancy of a School Committee member occurs more than six months prior to the next regular election, an unexpired term shall be filled by a special election, either citywide or in the ward in which the vacancy occurs. If the vacancy is within 6 months prior to the next municipal election, the School Committee shall appoint a qualified representative to serve.

Because our Charter states that nomination papers must be available at least 120 days before the election, the timeline would not allow us to hold the election in conjunction with the upcoming June election. I am recommending that the Special Municipal Election be held on Tuesday, July 9, 2024.

The timeline would be as follows:

- On March 4, 2024 the City Council sets the date for the election to be held on July 9, 2024.
- Nomination papers would be made available on or before March 11, 2024 (allowing at least 120 days prior to that date to allow time for nomination papers to be taken out, pursuant to Auburn's City Charter).
- Nomination papers are due back in the City Clerk's office 75 days before the election (April 25, 2024).
- At least 65 days prior to the election (May 3, 2024), the City Clerk certifies and makes available to the public the names and residences of candidates who have filed nomination petitions.
- Absentee ballots are available approximately 30 days prior to the election (June 7, 2024).

Because this is an At-large seat, all polling locations would have to open. Because there will be minimal turnout for this election, I will be coming before the Council at least 90 days before the election to request permission to consolidate to one polling location for this election. Pursuant to 21-A, section 631-A (2), a public hearing must be held. Because this is a local only election, permission from the Secretary of State's office is not required to consolidate for this election. Consolidating to one location would result in cost savings of at least $3,500.

City Budgetary Impacts: TBD

Staff Recommended Action: Recommend passage of this order, and setting the date for the Special Municipal Election to be Tuesday, July 9, 2024.

Previous Meetings and History: N/A

City Manager Comments:

I concur with the recommendation. Signature: 

Attachments: Order

ORDER 29-03042024

City Council Order

IN CITY COUNCIL

ORDERED, that the City Council hereby sets the date for the Special Municipal Election to fill the vacant At large School Committee seat, to be held on Tuesday, July 9, 2024.

Richard S. Whiting, Ward One

IN COUNCIL REGULAR MEETING FEBRUARY 20, 2024, VOL. 37 PAGE 138

Mayor Harmon called the meeting to order at 7:00 P.M. in the Council Chambers of Auburn Hall and led the assembly in the salute to the flag. Councilor Milks had an excused absence. All other Councilors were present.

Pledge of Allegiance

I. Consent Items

1. Order 22-02202024*
Appointing Philip Savignano to serve on the Parks & Recreation Advisory Board with a term expiration of 10/01/2025 as nominated by the Appointment Committee.

2. Order 23-02202024*
Appointing Robert Hayes to serve as an associate member of the Planning Board with a term expiration of 01/01/2026 as nominated by the Appointment Committee.

3. Order 24-02202024*
Appointing Denis Bergeron to serve on the Sewer District Board of Trustees with a term expiration of 03/01/2025 as nominated by the Appointment Committee.

4. Order 25-02202024*
Re-appointing Thomas Moulin to serve on the Sewer District Board of Trustees with a term expiration of 03/01/2028 as nominated by the Appointment Committee.

5. Order 26-02202024*
Appointing Denis Bergeron to serve on the Water District Board of Trustees with a term expiration of 03/01/2028 as nominated by the Appointment Committee.

Motion was made by Councilor Gerry and seconded by Councilor Whiting for passage of the five consent items.

Passage 6-0.

I. Minutes

February 5, 2024 Regular Council Meeting
Motion was made by Councilor Walker and seconded by Councilor Weisner to approve the minutes of the February 5, 2024 Regular Council meeting.

Passage 6-0.

February 12, 2024 Special Council Meeting
Motion was made by Councilor Walker and seconded by Councilor Cowan to approve the minutes of the February 12, 2024 Special Council meeting.

Passage 6-0.

II. Communications, Presentations and Recognitions

- FEMA Presentation - Allen Renn, Samual Harvey, and Brian Beard

- Innovation Designation – Jay Brenchick, Eric Cousens, Glen Holmes

III. Open Session – No one from the public spoke.

IV. Unfinished Business - None

V. New Business

1. Public Hearing - CDBG & HOME Consortium Action Plan for Program Year 2024

No one from the public spoke.

VII. Open Session -

Mark Butler, New Gloucester spoke regarding the letter he received from Auburn's Assessing Department.

Tammy Dumais, Cony Property Management commented and read a letter in response to the letter they received from Auburn's Assessing Department.

Donald Poisson, Chicoine Avenue spoke regarding concerns with the letter he received from Auburn's Assessing Department.

Dan Herrick, 470 Hatch Road reiterated the comments made by Donald Poisson and asked what initiated this letter.

Andy Titus, 24 Rubellite Lane also commented on the letters that went out, and on taxation, revaluations, and how we determine value.

VIII. Reports

Mayor Harmon reported that the Water District Board of Trustees will be meeting tomorrow at 4:00 pm at the Water District office on Court Street. He also announced that there will be meetings of the City Council every Monday in March as we work through the City Budget.

Councilor Gerry stated that she attended the PAL fundraiser at Burnt Ends Restaurant adding that it was a nice event, and the food was great.

Councilor Whiting offered congratulations to the Edward Little High School ski and swim teams.

Councilor Weisner announced that the 911 Committee will be meeting this Thursday at 8:00 am here at Auburn Hall. He also stated that our thoughts go out to the Androscoggin County Deputy Sheriff who recently sustained a gunshot wound while on duty.

Councilor Walker announced that a meeting (United New Auburn Association) will be held on February 27th at Rolly's Diner at 6:00 pm. City Manager Phil Crowell will be the guest speaker and will be discussing the upcoming budget. On February 29th the

Neighborhood Watch Committee will be meeting at 6:00 pm at the Sixth Street Congregational Church. Guest speaker will be Lt. Anthony Harrington (Auburn Police Department).

Councilor Platz reported on the School Department's Finance Committee meeting. He added that the school department is transitioning to the Munis software system; the Superintendent search is underway; and the School Committee budget process is underway.

Manager Crowell reported that the Ad hoc Committee's agendas and minutes will be posted on our website if anyone would like to follow the work that is being done. He also reported that we are still working on a new website platform. There may be some changes to the current website as we migrate to the new system.

IX. Executive Sessions

1. Economic development, pursuant to 1 M.R.S.A. §405(6)(C) where premature disclosure would prejudice the competitive or bargaining position of the City. Possible action to follow.

   Motion was made by Councilor Cowan and seconded by Councilor Platz to enter into executive session.

   Passage 5-0 (Councilor Walker was not in the room for the vote). Time 7:48 pm.

   Council was declared out of executive session at 8:04 pm. No action was taken.

2. Economic development, pursuant to 1 M.R.S.A. §405(6)(C) where premature disclosure would prejudice the competitive or bargaining position of the City.

   Motion was made by Councilor Cowan and seconded by Councilor Whiting to enter into executive session.

   Passage 6-0. Time 8:04 pm.

   Council was declared out of executive session at 8:56 pm.

X. Adjournment - Motion was made by Councilor Weisner, seconded by Councilor Cowan to adjourn.

Passage 6-0, and the meeting adjourned at 8:56 pm.

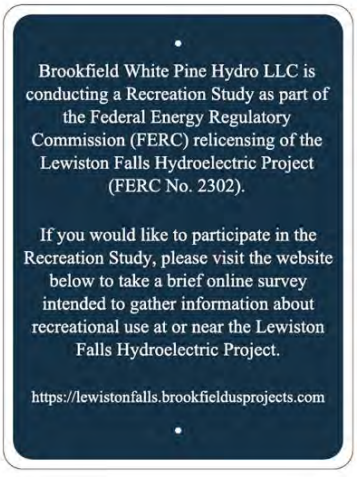
Re: Hydropower, Rivers and Dams – Lewiston Falls Relicensing Update

Date: March 4, 2024 Council Meeting

There is a lot of history to the current licensing process provided below for background. This memorandum starts with the History and continues to Current Update beginning on the top of Page 3.



Lewiston Falls Monty Hydro Licensing Update - History

The Federal Energy Regulatory Commission (FERC) licenses hydropower facilities. The city may participate and comment on a proposed license as a stakeholder, much like a resident participates in a Planning Board process at a public hearing. We only get a chance to comment on a license renewal every 30 to 50 years so it is important that we advocate for compatibility and even contribution to accomplishing community goals in exchange for using the public's river for private power generating revenues. The FERC process requires the applicant to address fisheries, recreation, water quality and other potential impacts of their operation with equal consideration compared to power generation. Documents related to current and past licensing processes are available here: https://www.auburnmaine.gov/pages/government/rivers-hydropower .

We last updated the Council in March of 2023 to familiarize Council with the current relicensing of the Lewiston Falls Monty Hydro Project (FERC P-2302) in preparation for future discussions. Relicensing is currently in process for the Lewiston Falls/Monty Hydro Facility on the main stem of the Androscoggin in anticipation of the expiration of the existing license in 2026. Our Comprehensive Plan, Strategic Plan, New Auburn Master Plan, the Androscoggin Greenway Plan and ATRC Bridging the Gaps Bicycle and Pedestrian Plans give staff substantive direction and support to advocate for needs, improvements and studies to identify the best way to meet the needs to mitigate impacts of project operations on the community. The Pre-Application Document (PAD) has been filed and is available here: https://elibrary.ferc.gov/eLibrary/filelist?accession_num=20210804-5115 . Despite advocacy for a more inclusive *Integrated Licensing Process*, (TLP Objection and ILP Request.pdf) the request for Traditional Licensing Process was approved by FERC for this relicensing and an initial stakeholder meeting was held ahead of schedule (Table 2-1, Page 41 of the linked PAD) in November 2022. The city along with other stakeholders asked for recreational, aesthetic,

cultural, hydro-facility operational and river flow related studies to ensure that we have the information needed to advocate for mitigation of facility impacts and needs of the community at future stages of the process. We submitted study requests with stakeholders, including the City of Lewiston and at least 6 other stakeholder groups, to best advocate for Auburn's needs in December of 2021 (Study Requests12.31.21). Past licensing processes have been more successful when there is coordination and agreement on study needs, rather than conflicting requests from multiple stakeholders. In 2022 we submitted comments on a Preapplication Document, preferred licensing process and a Draft Study Plan (StudyPlanComments31822.pdf) . A Final study Plan was proposed by Brookfield and they completed the 2022 and 2023 study seasons P2302FinalStudyPlan.pdf . Many agencies participated in the process and focused on different aspects of project operations and their impacts on the environment. While the City has been supportive of studies requested by Maine DEP, NOAA Fisheries (NOAA Comments.pdf) and Maine DIFW related to water quality and fisheries improvement our focus has been on recreation, aesthetics of the falls and access for the public. Water quality, historic resources and fisheries are important to the City's overall recreational goals, but State and Federal Agencies are well equipped to for strong participation on those elements and we have collaborated with them for advice and for support from multiple agencies.

The Final Study Plan (P2302FinalStudyPlan.pdf) covers almost all recreational elements requested for the main stem of the river-See pages 58-67 of the plan. The primary shortcomings relate to water quality monitoring in the Lewiston owned canals and specific analysis of how water over the falls affects water quality and dissolved oxygen below the falls. We now have data available from the proposed water quality monitoring and we will continue to advocate for the analysis of how flows over the falls affect dissolved oxygen as part of the process. A primary shortcoming of the study plans is not including the canals in the study based on the argument that they are owned by Lewiston and not part of the project area mapped by FERC. In 2020 the project area was adjusted to remove nearly 4 miles of river and the canals from the FERC Project Boundary which the City opposed (Objection to P2302 Project Boundary Amendment 2020.pdf) but was ultimately approved by FERC. The ownership and FERC project Boundary test for inclusion in studies is not usually what determines if they are included. The test is whether the project operations impact the area, which they clearly do. Brookfield controls flows at this facility and at the upstream Gulf Island and Deer Rips hydro facilities and those three operations control water levels and flows in the canals that we believe are clearly affected by project operations. This raises a question of whether Auburn wants to advocate among stakeholders to exercise the FERC Study Dispute Process or take that on ourselves - either way we would need legal assistance and funding to do that if it becomes necessary. Staff's opinion is that we got most of what we asked for in the Study phase and would be happy to join Lewiston if they chose to challenge this important element, but that fight may not be our best use of limited resources.

The 2022 Study season included recreational monitoring from Memorial Day Weekend through Labor Day weekend. The results will be used to gauge recreational interest, benefits and needs for the project area and nearby amenities affected by project operations. Signage was placed along the Riverwalk and other project recreation facilities to alert the public of the existence of the survey and in person counts were conducted by Brookfield staff throughout the summer. The website that hosted the survey is here:

https://lewistonfalls.brookfieldusprojects.com/ Results were collected on specific dates based on specific locations visited and not from people that were there in the past.

Lewiston Falls Monty Hydro Licensing Update – Current Update

In 2023, Staff and many stakeholders participated in various study groups including Aesthetic and Recreational working groups. On Monday 2/26/2024 we receive the following notice of the Draft License Application (DLA) being filed with FERC.

On behalf of Brookfield White Pine Hydro LLC (BWPH), the Licensee of the Lewiston Falls Hydroelectric Project (FERC No. 2302), please find the link to FERC's eLibrary to view and download the Lewiston Falls Project Draft License Application. The electronic files can be downloaded through FERC's eLibrary at https://elibrary.ferc.gov/eLibrary/filelist?accession_number=20240221-5232&optimized=false. Please provide your comments on the Draft License Application by May 27, 2024. You may file your comments with FERC or you can provide them directly to Luke Anderson, Senior Licensing Manager, at Luke.Anderson@brookfieldrenewable.com.

Staff met with some stakeholders recently in anticipation of the filing this week. Currently we are reviewing the DLA and summarizing comments. Initial review was disappointing to see that Brookfield has left out many elements needed to inform decisions and has minimized any proposed recreational needs to just existing facilities. We will share this information with the Conservation Working Group for additional City Feedback and continue to rely on existing plans and knowledge of recreational needs to draft a response and requests for additional amenities and river flows. We will also be consulting with FERC Staff on the incomplete nature of the DLA. An additional stakeholder group meeting will be held in the coming weeks and we will share draft comments with the Council as they are developed.

City of Auburn
City Council Information Sheet

Council Workshop or Meeting Date: March 4, 2024 **Ordinances:** 05-01162024

Author: Sue Clements-Dallaire, City Clerk

Subject: Reinstating the Zoning Board of Appeals

Information: In 2021, Council voted to adopt the Regulatory Advisory Board to perform the responsibilities of the board of assessment review, and the zoning board of appeals. The City Council voted to eliminate the Regulatory Advisory Board and reinstate the Board of Appeals. Before Council's final vote on reinstating the Zoning Board of Appeals, the proposal had to go before the Planning Board for a review.

City Budgetary Impacts: None

Staff Recommended Action: Passage of second reading for Ordinance 05-01162024 which reinstates the Zoning Board of Appeals.

Previous Meetings and History: Discussed during the January 2, 2024 City Council Workshop to eliminate the Regulatory Advisory Board and reinstate the Board of Assessment Review and the Zoning Board of Appeals. A public hearing was held and passed the first reading on 1/16/2024. This also went before the Planning Board for a public hearing and review in February.

City Manager Comments:

I concur with the recommendation. Signature: Phillip Crowell Jr.

Attachments: Proposed Zoning Board of Appeals Ordinance.

City of Auburn, Maine
Office of Planning & Permitting
Eric Cousens, Director
60 Court Street | Auburn, Maine 04210

To: Auburn Planning Board
From: John Blais, Deputy Director of Planning & Permitting
Re: Text Amendment/Reinstatement of Zoning Board of Appeals/Elimination of Regulatory Advisory Board
Date: February 13, 2024

I. PROPOSAL: As part of the larger initiative to reinstate the Board of Assessment Review and the Zoning Board of Appeals as stand-alone boards and eliminate the Regulatory Advisory Board. Ordinance 05-01162024 asks the Planning Board to provide a review under Chapter 60, Article XV. BOARD OF APPEALS. As we make recommendations to reinstate it as a stand-alone board and make minor text amendments to clarify items in Chapter 60, Article XV Sec. 60-1130-31 and Sec. 60-1135. (See attached redlined items)

II. DEPARTMENT REVIEW:

- Police - No Comments
- Auburn Water and Sewer – No Comments
- Fire Department/Code Enforcement – No Comments
- Engineering – No Comments
- Public Services - No Comments
- Airport – No Comments
- 911 - No Comments

III. PLANNING BOARD ACTION/STAFF RECOMMENDATIONS: This item is on the Planning Board agenda as a public hearing item. Staff recommends the Planning Board have an initial discussion and a make a formal recommendation to the City Council to the text amendments in Chapter 60, Article XV BOARD OF APPEALS, and make a favorable recommendation to reinstate the zoning BOARD OF APPEALS as a stand-alone board.

Staff recommends this process because it has been hard to fill the vacant positions for the Regulatory Advisory Board due to the breadth of knowledge one would have to know regarding items in the assessors, planning, permitting and code purview/departments. We would like to make it easier to recruit members of the public and allow the appointment committee to keep trained, knowledgeable and willing Board members in good standing for more than 3 terms through the Council reappointment process.

IV. POTENTIAL MOTION: I make a motion to forward a favorable recommendation to City Council to amend Chapter 60, Article XV Sec. 60-1130-31, Sec. 60-1135 with proposed edits and to reinstate the zoning BOARD OF APPEALS as a stand-alone board.

City of Auburn, Maine
Planning & Permitting Department
Eric Cousens, Director
60 Court Street | Auburn, Maine 04210
www.auburnmaine.gov | 207.333.6601

Date: 03/04/2024
To: Auburn City Council
From: Auburn Planning Board
Subject: Planning Board Motion on Reinstating the Zoning Board of Appeals

The following is the report from the Planning Board regarding delayed applicability and effective date for Ordinance # 26-11202023 pursuant to Section 60-1496 of the City of Auburn Ordinances. After notice and Public Hearings held on February 13th, 2024, the Planning Board forwards this report to the City Council.

PUBLIC HEARING/ TEXT AMENDMENT/ ZONING BOARD OF APPEALS: City Council initiated an amendment to the Auburn Code of Ordinances to reinstate the Zoning Board of Appeals by reincorporating the entirety of Chapter 60, Article XV with some amendments. This proposal is pursuant to Chapter 60, Article XVII, Division 2 Amendment to the Zoning Ordinance or Zoning Map.

Summary and Discussion: No public comment.

Motion: I make a motion to forward a favorable recommendation to City Council to amend Chapter 60, Article XV Sec. 60-1130-31, Sec. 60-1135 with proposed edits and to reinstate the zoning BOARD OF APPEALS as a stand-alone board: Dave Trask, **Second:** Ryan Smith

Vote: **7-0-0 motion carries.**

Ordinance 05-01162024

City Council Order

IN CITY COUNCIL

Amending Chapter 60, Article XV reinstating the Zoning Board of Appeals ordinance

Be it ordained, that the City Council hereby amends Chapter 60, Article XV by reinstating the Zoning Board of Appeals ordinance (attached).

Passage of first reading on 1/16/2024 6-0-1 (Councilor Milks abstained).

ARTICLE XV. - BOARD OF APPEALS

DIVISION 1. - GENERALLY
DIVISION 2. - ORGANIZATION
DIVISION 3. - APPEALS PROCEDURE
DIVISION 4. - POWERS AND DUTIES
DIVISION 5. - JUDICIAL APPEAL
DIVISION 6. - SPECIAL APPEAL

DIVISION 1. - GENERALLY

Secs. 60-1116—60-1129. - Reserved.

Secs. 60-1116—60-1129. - Reserved.

DIVISION 2. - ORGANIZATION

Sec. 60-1130. - Membership.
Sec. 60-1131. - Term of office.
Sec. 60-1132. - Associate members.
Sec. 60-1133. - Jurisdiction.
Sec. 60-1134. - Board rules.
Sec. 60-1135. - Quorum.
Secs. 60-1136—60-1150. - Reserved.

Sec. 60-1130. - Membership.

There shall be a board of appeals consisting of up to seven members and two associate members appointed by the city council. Each member shall be at all times a resident of the city.

(Ord. of 9-21-2009, § 6.1A)

Sec. 60-1131. - Term of office.

The members and associate members of the board shall serve ~~no more than three consecutive~~ three-year terms.

(Ord. of 9-21-2009, § 6.1B)

Sec. 60-1132. - Associate members.

An associate member shall have a vote only in the event that one or more regular members of the board are absent or are disqualified from serving on a particular matter because of a conflict of interest.

(Ord. of 9-21-2009, § 6.1C)

Sec. 60-1133. - Jurisdiction.

The board of appeals shall have jurisdiction over:

(1) Interpretation of provisions of the zoning chapter called into question;

(2) Administrative appeals from decisions or lack thereof of the building inspector or code enforcement officer in regard to an application for a permit under the zoning chapter;

(3) The granting of variances from the requirements of the zoning chapter would cause undue hardship.

(Ord. of 9-21-2009, § 6.1D)

Sec. 60-1134. - Board rules.

The board shall adopt, and may from time to time amend, rules and regulations to govern the conduct of its business. The tape recording of the board's proceedings, the transcript of testimony, if any, and exhibits, together with all papers and requests filed in the proceedings, shall constitute the record. All decisions shall become a part of the record and shall include a statement of findings and conclusion and the appropriate order, relief or denial thereof.

(Ord. of 9-21-2009, § 6.1E)

Sec. 60-1135. - Quorum.

~~Five~~ A majority of appointed members **(minimum of 3)** shall constitute a quorum at any meeting.

(Ord. of 9-21-2009, § 6.1F)

Secs. 60-1136—60-1150. - Reserved.

DIVISION 3. - APPEALS PROCEDURE

Sec. 60-1151. - Petition.
Sec. 60-1152. - Public hearing.
Sec. 60-1153. - Decision.
Secs. 60-1154—60-1184. - Reserved.

Sec. 60-1151. - Petition.

Written petitions for appeal signed by any party in interest shall be filed in duplicate in the office of the municipal officer charged with enforcement of the zoning ordinance, together with the fee in the amount provided in the city fee schedule, within 30 days from the date of the decision or order. The municipal officer shall forward to the board of appeals, planning director, the chairman of the planning board and the city solicitor, one copy of such petition. The planning director, or in his absence, the chairman of the planning board, shall forward to the board of appeals as soon as possible any pertinent city planning information in his possession bearing on such appeal. The city solicitor shall forward to the board of appeals as soon as possible any pertinent legal information bearing on such appeal. Where no such information is received by the board of appeals by the time of the meeting at which such appeal is scheduled to be heard, it shall be presumed that none was available at that time. In any case in which such planning and legal information is received, it shall be summarized at the public hearing and an opportunity afforded for comment by those interested in the appeal.

(Ord. of 9-21-2009, § 6.2A)

Sec. 60-1152. - Public hearing.

(a) On each such petition, the board shall hold a public hearing, within 65 days of the filing of the appeal petition. Notice of the time, date, place, appellant name and subject of each such hearing shall be given by publication in a newspaper of general circulation in the city on two separate dates not more than 12 nor less than three days before the date of such hearing. Notification of the public hearing shall also be sent to the appellant, the planning director, the building inspector, the city manager and all owners of abutting property and property located directly across the street from the site of the property which is the subject of the appeal by mailing to them copies of such notice as published. Notices shall be mailed to such property owners at the addresses appearing for them in the then current property tax listing of the city. Failure of any property owner to receive such mail notice of any such public hearing shall not necessitate another hearing and shall not constitute grounds for objection by such property owner and shall not invalidate any action by the board of appeals on such appeal or application for variance.

(b) The chairman, or in his absence the acting chairman, shall preside at the public hearing. All hearings of the board of appeals shall be open to the public.

(c) The chairman shall open the hearing and determine whether a quorum of the board of appeals is present. For each appeal heard, the chairman shall summarize the nature of the appeal, identify all relevant information submitted, determine the board's jurisdiction and the appellant's standing, determine the parties to the action and proceed to accept oral and written testimony from the appellant and the public for and against the appeal. When all parties have been heard, the chairman shall close the hearing or, if additional time is needed, continue it to a later date.

(d) The chairman shall determine that the appellant has standing, that is, the right to appear as an appellant before the board. An appellant must hold title to the land, be part owner or have an option to buy or lease property and/or building, in order to have standing.

(e) The chairman shall determine the parties to the action. The appellant, municipal officers, planning board, abutting property owners, individuals who might be adversely affected by any decision and any member of the general public attending the meeting who has made specific statements concerning terms of the appeal, may be made party to the action.

(Ord. of 9-21-2009, § 6.2B)

Sec. 60-1153. - Decision.

(a) The decision of the board shall be made as soon as possible, but not later than 30 days of the public hearing, unless extended by mutual agreement of the board and appellant. Failure of the board to act within 30 days shall be deemed to be the denial of the petition sought, subject to judicial appeal.

(b) The board of appeals may by an affirmative vote of a majority of those members present amend or revise a decision of the building inspector, code enforcement officer or of any other municipal officer acting under the zoning ordinance. The board of appeals may permit variances from literal application of the zoning ordinance in accordance with the principles, conditions and procedures set forth in this chapter, subject to the duty of the board to promote the public health, safety, convenience and welfare and to adhere to the central intents and purposes of this chapter. Approval may be subject to conditions, modifications and restrictions as the board of appeals may deem necessary.

(c) The board shall keep a record of each appeal entertained, noting the date when received from the building inspector or code enforcement officer, the date of hearing, the applicant or appellant and the date of the decision. The board shall record by resolution the final disposition of every appeal. All of the foregoing shall be public records filed with the office charged with enforcement of the zoning ordinance. Notice of the decision shall be mailed within seven days to the applicant or appellant. Each notice shall specify that judicial appeals shall be made pursuant to the terms of section 60-1208

(d) The right to proceed under any variance or petition granted under the terms of this chapter, voted by the board of appeals, or under change in a decision of the building inspector, code enforcement officer or other municipal official voted by the board of appeals, shall expire if such right be not exercised beginning within six months from the date of such vote. If such right is not exercised within six months of the date of the vote, the board may grant a six-month extension without having to make another finding of hardship provided that:

(1) Conditions upon which the appeal was granted have not changed; and

(2) The appellant can show just cause for the delay in beginning the project.

(Ord. of 9-21-2009, § 6.2C)

Secs. 60-1154—60-1184. - Reserved.

DIVISION 4. - POWERS AND DUTIES

Sec. 60-1185. - Interpretation.
Sec. 60-1186. - Administrative appeals.
Sec. 60-1187. - Variance.
Secs. 60-1188—60-1207. - Reserved.

Sec. 60-1185. - Interpretation.

(a) Except as otherwise provided in this chapter, the board of appeals shall interpret provisions of the zoning ordinance which are called into question. Only persons with standing may appeal the denial of a permit which was based on provisions of the zoning ordinance.

(b) Where there is no evidence to the contrary, zoning ordinance language should be given its ordinary meaning. Statements of purpose may provide a key to the intent of zoning provision. In interpreting the ordinance, the board may request the advice of the city solicitor, the planning director or qualified experts in zoning law.

(Ord. of 9-21-2009, § 6.3A)

Sec. 60-1186. - Administrative appeals.

(a) The board of appeals may hear appeals in the administration of the zoning chapter in order to determine if the building inspector or code enforcement officer erred in granting or denying a permit. An applicant who is given no decision on a permit request, or who is denied a permit may appeal.

(b) If the board of appeals finds that the building inspector or code enforcement officer acted in error, it should order the error to be corrected.

(Ord. of 9-21-2009, § 6.3B)

Sec. 60-1187. - Variance.

(a) The board of appeals may grant a variance from the dimensional regulations and supplementary district regulations contained in the zoning chapter where the strict application of the ordinance, or a provision thereof, to the petitioner or property would cause undue hardship based on:

(1) The land in question cannot yield a reasonable return unless the variance is granted;

(2) The need for a variance is due to the unique circumstances of the property and not to the general conditions in the neighborhood;

(3) The granting of a variance will not alter the essential character of the locality; and

(4) The hardship is not the result of action taken by the appellant or a prior owner.

Variances granted under this subsection (a) shall be the minimum necessary to relieve hardship. The burden of proof is on the applicant to prove undue hardship.

(b) The board of appeals may grant a variance for the expansion, extension or enlargement of nonconforming buildings or uses provided that:

(1) The use being requested shall be approved by a majority of those members present (not less than a quorum being present).

(2) The board of appeals shall make findings that the requirements of subsection (a) of this section have been met.

(c) In addition to the criteria in this section, in determining whether or not to grant a variance, the board shall also take into consideration the following:

(1) Fire, electrical and police safety requirements;

(2) The adequacy of the traffic circulation system in the immediate vicinity;

(3) The availability of an adequate water supply;

(4) The availability of adequate sewerage facilities;

(5) Would not violate the environmental standards or criteria contained in the Overlay Zoning Districts;

(6) Would not adversely affect property adjoining the premises under appeal or nearby in the same neighborhood or in the same zoning district;

(7) Would not endanger the public health, safety or convenience; and

(8) Would not impair the integrity of the zoning chapter.

(d) Wherever necessary to meet the criteria or consideration listed in this division, the board, when granting a variance, may attach such conditions or restrictions as are in accordance with the objectives and purposes of this zoning chapter.

(e) The planning director, or his representative, shall be responsible for reviewing the records of hearings of the board of appeals. Such review shall be conducted on a monthly basis and shall be for the purpose of maintaining the zoning ordinance. The ordinance may be deemed to be in need of amendment when variances for identical purposes or reasons are applied for in a single zoning district or regarding a specific section of this chapter on three or more occasions within a given calendar year. In any case in which the zoning ordinances are deemed to be in need of amendment, the planning director or his representative shall prepare a report indicating whether the variances applied for suggest that the ordinance or the description of the zoning districts should be amended. Such reports shall be forwarded to the planning board for its review and recommendation.

(Ord. of 9-21-2009, § 6.3C)

Secs. 60-1188—60-1207. - Reserved.

DIVISION 5. - JUDICIAL APPEAL

Sec. 60-1208. - Superior court.
Secs. 60-1209—60-1234. - Reserved.

Sec. 60-1208. - Superior court.

Appeals from decisions of the city planning board or of the city zoning board of appeals or on account of the failure of any municipal official or board to comply with the order of the board of appeals shall be taken to the

superior court within 30 days of such decision or action in accordance with Rule 80B of the Maine Rules of Civil Procedure and 30-A M.R.S.A. § 2691(3). Except as otherwise provided by statute, every person shall have the right to inspect and copy any record of the board's proceedings, provided that, the inspection be scheduled to occur during regular hours and at such a time as will not inconvenience the regular activities of the office having custody of the record and provided further that the cost of copying the recorded or, if necessary, the translation of mechanical or electronic date compilations into some other form, shall be paid by the person requesting the copy.

(Ord. of 9-21-2009, § 6.4)

Secs. 60-1209—60-1234. - Reserved.

DIVISION 6. - SPECIAL APPEAL

Sec. 60-1235. - Floodplain district variances.
Sec. 60-1236. - Shoreland zone variance.
Sec. 60-1237. - Lake Auburn Watershed zone variance.
Secs. 60-1238—60-1255. - Reserved.

Sec. 60-1235. - Floodplain district variances.

The board of appeals may grant a variance from strict compliance with requirements of division 2 of article XII of this chapter after public notice and public hearing as provided in this article, provided the following conditions are met:

(1) The applicant can show that a failure to grant a variance would result in undue hardship as defined in 30-A M.R.S.A. § 4353.

(2) A determination made by the board with a certification from a registered professional engineer provided by the applicant, if need be, that the granting of the variance will not result in increased flood heights. The professional engineer shall include the following information within their certification: criteria on which the certification was based; any assumptions that were made; source of data for those assumptions; and references to the research material that was relied upon in making the certification. In addition, the board shall determine as a condition for the granting of the variance that it will not result in threats to public safety, extraordinary public expense, create a nuisances, causes fraud on or victimization of the public or conflict with existing local laws or ordinances.

(3) A determination by the board that the variance is the minimum necessary, considering the flood hazard, to afford relief.

(4) The applicant shall be notified in writing that the issuance of a variance to building a structure below the base flood level will result in increased premium rates for flood insurance and such construction below the base flood level increases risks to life and property.

(Ord. of 9-21-2009, § 6.5A)

Sec. 60-1236. - Shoreland zone variance.

When by reasons of extraordinary physical conditions peculiar to the land or building under appeal but not to other land or buildings adjoining or nearby, an owner of land would be subject to unusual difficulty or special hardships (not mere financial hardship or hardships caused by reason of the literal application and rigorous enforcement of the terms of this chapter), the board of zoning appeals may grant a variance from strict compliance with the requirements of division 2 of article XII of this chapter after notice and public hearing as provided in this article. No such variance shall be granted unless the board is satisfied that the variance applied for will not adversely affect the quality of the adjacent water body. In granting any such variance application, the board may also impose reasonable conditions upon the use of the land in question which shall be reduced to writing and made a part of the permanent records of the board.

(Ord. of 9-21-2009, § 6.5B)

Sec. 60-1237. - Lake Auburn Watershed Overlay District variance.

When by reason of extraordinary physical conditions peculiar to the land or buildings under appeal but not to other land or buildings adjoining or nearby, an owner of land would be subject to unusual difficulty or special hardships (not mere financial hardship or hardships caused by rigid subsurface wastewater disposal regulations) by reason of the literal application and rigorous enforcement of the terms of this chapter, the board of zoning appeals may grant a variance from strict compliance with the requirements of division 4 of article XII of this chapter after notice and public hearing as provided in this article. No such variance shall be granted unless the board is satisfied that the variance applied for will not adversely affect the quality of the Lake Auburn water supply. When an application for a variance is filed, it shall be forwarded to the Auburn Water District with a request for an informational report and a recommendation to the board regarding the disposition of the requested variance application. In any case in which a variance request is granted, despite the recommendation of the Auburn Water District that it be denied, the board of appeals shall make part of its permanent records a written statement of its reasons for taking such action. In granting any such variance application, the board may also impose reasonable conditions upon the use of the land in question which shall be reduced to writing and made a part of the permanent records of the board.

(Ord. of 9-21-2009, § 6.5C)

City of Auburn
City Council Information Sheet

Council Workshop or Meeting Date: March 4, 2024 **Order:** 30-03042024

Author: Glen E. Holmes, Director of Business & Community Development

Subject: Acquisition and remediation of Blighted Building

Information:
The Planning & Permitting Office has been working with the owner of 150 Minot Ave (PID# 230-157) to demolish the blighted building. The Business & Community Development has recommended that the city acquire the property with Community Development Block Grant (CDBG) funds to clear the identified blight from the downtown corridor under the guidance of the City Comprehensive Plan & the Auburn Downtown Action Plan for Tomorrow (ADAPT). Additionally, the portion of this property which abuts Elm St has been identified as a desirable acquisition to serve the future re-alignment of Minot Ave and Elm St and to accommodate additional pedestrian safety improvements. The remainder of the property is expected to be sold by RFP for future economic development activities.

Supporting plans include:
Auburn Downtown Action Plan for Tomorrow (ADAPT) adopted by City Council on February 1, 1999
Section 5 Page 6: "Minot Ave- Union St Corridor…The city should create an overlay zone to promulgate an attractive and orderly development of the area. The goal should be to make this thoroughfare and entrance to the city inviting and attractive."

City of Auburn Comprehensive Plan 2010 Update Adopted April 19, 2011
Chapter 2 Page 90: "Minot Avenue Planned Commercial Development District (PCD) Objective – Improve the visual environment of the outer portion of the Minot Avenue commercial corridor while accommodating a wide range of nonresidential uses. Essentially this designation is the same as the Limited Business Development designation with the addition of enhanced development and design standards to allow this area to evolve into an attractive gateway to the City."

Community Impact
The acquisition and clearance activity qualifies under O4 Eligibility Code (570.201 D) Clearance, demolition, and removal of buildings and improvements, including movement of structures to other sites and remediation of known or suspected environmental contamination within a target neighborhood. The National Objective would be Slums & Blight Spot (SBS) meaning the final objective would be completed upon site clean-up and not be contingent on any end use.

City Budgetary Impacts:
A minor amendment to the existing CDBG budget would increase funding for the existing Spot/Blight Remediation budget line. Any proceeds of the subsequent sale of unretained property would be considered Program Income and returned to the CDBG budget to replenish program funds.

Staff Recommended Action:
Approve the City Manager to acquire this property and remove the blighted building.

Previous Meetings and History:
February 20th Executive Session

City Manager Comments:

I concur with the recommendation. Signature: Phillip Crowell Jr.

ORDER 30-03042024

City Council Order

IN CITY COUNCIL

ORDERED, that the City Council hereby authorizes the City Manager to negotiate a Purchase and Sale Agreement with DT AND DW PROPERTIES INC and to acquire 150 Minot Ave (Auburn Tax Parcel 230-157) with Community Development Block Grant funds for the purpose of Clearance, Demolition and Remediating Blight in a target neighborhood.

Phillip L. Crowell, Jr., City Manager

City of Auburn
City Council Information Sheet

Council Workshop or Meeting Date: March, 4, 2024 **Order:** 31-03042024

Author: Jonathan P. LaBonte, Transportation Systems Director

Subject: Auburn Intermodal Facility Lease Amendment

Information: The Auburn Intermodal Facility has had various stages of activity in the 30 years since it was constructed. Efforts are underway with the current tenant, Power and Construction Group, and St. Lawrence and Atlantic (part of Gennesee and Wyoming) to chart a pathway to attracting new activity.

New master lease negotiations will take time, given further site planning that needs to occur. In the interim, the current tenant, Power and Construction Group, has agreed to an updated monthly lease amount and the establishment of a payment in lieu of taxes. At present, Power and Construction Group holds both a lease agreement and a license agreement that in total encompass the entire developed intermodal site. Both agreements are now month to month. To accomplish the changes, only the lease is being amended.

The current monthly payments are $1,507.50 for the license agreement and $650 for the lease agreement. As of April 1st, 2024, if approved, that amount will increase to $7,000 total between both agreements ($1,507.50 for the license and $5,492.50 for the lease). In addition, a $28,000 a year will be paid in lieu of taxes.

To support the infrastructure planning and investment to re-establish the Intermodal Facility, the establishment of a Special Revenue Account for lease payments is proposed. With the payment in lieu of taxes, the city will see a net increase (8%) to the General Fund. The Special Revenue Account will provide for flexibility to respond to joint investments in equipment, engineering, and business development to attract customers alongside railroad partners (St. Lawrence and Atlantic and Canadian National, as well as MaineDOT)

City Budgetary Impacts: Net increase in revenue of $28,527.50 for FY24 and $86,110 for FY25

Staff Recommended Action: Approval of the Order

February 12, 2015 Power and Construction Group Lease Agreement
Proposed Power and Construction Group Lease Amendment

FIRST AMENDMENT OF LEASE

THIS FIRST AMENDMENT OF LEASE AGREEMENT (this "**Amendment**") is entered into as of the ____ day of _____, 2024 (the "**Effective Date**"), by and between **CITY OF AUBURN**, a body politic and corporate existing under the laws of the State of Maine ("**Landlord**") and **POWER & CONSTRUCTION GROUP, INC.**, a New York business corporation with principal address of 96 West River Road, Scottsville, New York 14546 ("**Tenant**").

W I T N E S S E T H:

WHEREAS, Landlord and Tenant are parties to that certain Lease Agreement dated May 20, 2015 (the "**Existing Lease**"), relating to the land and two buildings in the Auburn Intermodal Facility located on Lewiston Junction Road in Auburn, Maine (the "**Premises**"). The Existing Lease, as amended by this Amendment, shall be referred to herein as the "**Lease**";

WHEREAS, Landlord and Tenant are also parties to a License Agreement dated February 12, 2015, which remains in effect but unchanged;

WHEREAS, Landlord and Tenant desire modify certain terms of the Lease, subject to the terms and conditions hereinafter set forth.

NOW, THEREFORE, in consideration of the payments and accommodations described herein and other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, Landlord and Tenant agree that the Lease be and hereby is amended to incorporate the following:

1. Replacement of Paragraph 3. Paragraph 3 of the Lease is hereby deleted and replaced by the following language:

   Rent and Payment in Lieu of Taxes. Tenant agrees to pay Landlord as rent for the Premises the sum of Five Thousand Four Hundred and Ninety-two Dollars and Fifty Cents ($5,492.50) per month, in advance, commencing April 1, 2024. Said monthly rental shall continue through the term of this Lease, and such rental shall be payable on the first day of each calendar month during said term. In addition to the foregoing rent payment, effective as of April 1, 2024, Tenant agrees to pay Landlord an annual payment in lieu of property taxes in the amount of $28,000 during the term of this Lease. Tenant shall make payments in two equal installments of $14,000 occurring on April 1 and October 1 of each calendar year that the Lease remains in effect.

2. Reaffirmation of Lease. Landlord and Tenant each reaffirms the Lease as hereby amended, and all terms and conditions of the Lease, including all defined terms, except as specifically amended by this First Amendment, shall have the same meaning, and remain in full force and effect. No covenant or condition of the Lease shall be deemed waived by any action or non-action in the past.

3. Execution: Copies. This First Amendment and any documents executed or initialed in connection herewith may be executed in multiple counterparts, which together shall be construed to be a single document. Any one or more counterpart signature pages may be removed from one counterpart hereof and annexed to another counterpart hereof to form a completely executed original instrument without impairing the legal effect of the signatures thereon. This First Amendment may be transmitted between the parties by facsimile machine or electronic mail and signatures appearing on faxed or electronic copies shall be treated as original signatures.

[This page ends here. Signatures on following page.]

IN WITNESS WHEREOF, the parties hereto have executed this Amendment as of the day and year first above written.

LEASE AGREEMENT

This Lease Agreement made and entered into this 20th day of May, 2015, by and between the **CITY OF AUBURN**, a municipality organized and existing under the laws of the State of Maine (hereinafter referred to as the "Landlord") and **POWER & CONSTRUCTION GROUP, INC.** of 96 River Road, Scottsville, New York 14556 (hereinafter referred to as the "Tenants").

1. Demised Premises: Landlord, in consideration of the rent to be paid and the covenants and agreements to be performed by Tenants, does hereby rent to Tenants, and Tenants do hereby rent and take from Landlord, the land and two buildings located at the property formerly known as the Maine Intermodal facility on **Lewiston Junction Road, Auburn, Maine** (hereinafter called the "Premises").

2. Term of Lease: The term of the Agreement is month-to-month, commencing May 20, 2015, and shall automatically renew for additional one (1) month terms unless terminated by either party by written notice at least sixty (60) days prior to the effective termination date.

3. Rent: Tenants agree to pay to Landlord as rent for the Premises the sum of Six Hundred Fifty Dollars ($650.00) per month, in advance, commencing with the date hereof, provided, however, that if the term hereof shall commence on a date other than the first day of a month, rental shall be prorated for such months based on a thirty (30) day month. Said monthly rental shall continue through the term of this Lease, and such rental shall be payable on the first day of each calendar month during said term.

4. Use of Premises: The Premises shall be used for business purposes only, and for no other purpose. Tenants will not use the Premises for any disorderly or unlawful purposes or in any manner offensive to others and will comply with all applicable laws and ordinances. Tenants are leasing the premises for the purpose of office space for other business activities located nearby, consisting of storage and staging of utility poles.

5. Utilities: The Tenants shall pay, or cause to be paid, all charges for electricity, telephone, propane (heat), or other utility service used in or rented or supplied to the Premises

7. Repairs and Maintenance: The Premises are leased "as is" and the Tenants shall, at all times during the Lease term, at Tenants' own expense, maintain in good condition all buildings, improvements on the Premises, both inside and outside, structural and non-structural, and shall keep the Premises neat, clean and sanitary, and shall dispose of all rubbish, garbage, and other organic or flammable waste in a clean, safe and sanitary manner. The Tenants further agree to promptly replace all glass or screens damaged or broken during the term of this lease at Tenants' expense. The Tenants also agree that no furnishings or fixtures shall be affixed to the walls or floors of the building or the buildings on the Premises in such manner as to be difficult to remove or in such manner that damage would be caused to the Premises upon removal. Tenants further agree to reimburse the Landlord for all expenses or costs of repairing any damage caused to the Premises by the Tenants, ordinary wear and tear excepted.

Tenant further agrees to paint the interior of the easterly of the two buildings, known as the ''gate house'', prior to occupancy

8. Alterations and Improvements: The Premises are leased "as is" and the Landlord shall not be responsible for the future condition thereof. The Tenants shall make no alterations, changes, renovations or improvements to the Premises without the prior written consent of the Landlord. Any such alterations, changes, renovations or improvements shall become the property of the Landlord at the termination or expiration of this Lease. Before undertaking any such alterations, changes, renovations or improvements permitted by the Landlord, Tenants shall furnish the Landlord with the names and addresses of any party who will furnish labor or material relating to such alterations, changes, renovations or improvements, to the end that the Landlord may take steps to insure the fact that no lien will attach to the Premises. Any such alterations, changes, renovations or improvements shall be at Tenants' sole expense and Tenants shall indemnify and save the Landlord harmless of and from all claims, including liens, relating thereto and all expenses incurred by Landlord for same, including reasonable attorney's fees.

9. Assignment and Subletting: Tenants agree not to assign this Lease or to sublet the Premises or any part thereof, without the written consent of the Landlord.

10. Insurance: Tenants, at their sole expense, shall maintain insurance against liability for bodily injury and property damage in amounts and in forms of insurance policies as may from time to time be required by the Landlord. Tenants shall also insure their personal property in an amount covering full replacement value of all personal property owned by Tenants. All insurances required by this section shall be carried in favor of

the Landlord and Tenants, and shall name Landlord as an additional insured.

The Tenants will obtain All Risks coverage insurance covering the Premises against loss or damage by fire and against loss or damage by other risks now or hereafter embraced by ''extended coverage'', so called, in an amount not less than the full replacement cost of all improvements and buildings on the Premises without deduction of depreciation. The policy will be primary, and include a waiver of subrogation endorsement for the benefit of Landlord and its insurance carriers.

Upon request, Tenants shall furnish to the Landlord a proper certificate evidencing that the Tenants, or any person employed by Tenants to provide labor at the premises, have procured and are maintaining in full force all insurance required to be carried by Tenants and Landlord, and if Tenants fail to do so, the Landlord may obtain all required insurance and Tenants shall pay the cost thereof, upon demand.

Tenants will do nothing and permit nothing to be done on the Premises which will contravene any fire or other insurance policy covering the same. If Tenants' use or occupancy of the Premises increases the premium on any fire or other insurance policy, Tenants shall pay such increase as additional rent.

11. Access to Premises/Inspection: Tenants shall permit the Landlord or its agent, to enter the Premises at all reasonable times to inspect the Premises or to make repairs that Tenants may neglect or refuse to make, and also to show the Premises to prospective buyers and tenants, and to keep affixed in suitable places, notices of letting and selling.

12. Surrender: Tenants will, upon the termination of this Lease, surrender the Premises and all fixtures and equipment of Landlord therein in good, clean and operating condition, and in the same condition as when received, ordinary wear and tear excepted. Tenants shall indemnify Landlord for all damages to the Premises caused by authorized or unauthorized renovations or alterations and shall pay all expenses to return the Premises to at least the condition at the commencement of this Lease, normal wear and tear excepted. Tenants shall at the time of vacating the Premises, clean the Premises, including and without limitation any appliances owned by Landlord, and remove all trash from the Premises. If such cleaning or removal of trash is not accomplished by Tenants, action deemed necessary by Landlord to accomplish the same shall be taken by Landlord at the Tenants' expense. Upon vacating the Premises, Tenants shall deliver all keys thereto to Landlord within twenty-four (24) hours after vacating. Failure to comply will be cause to charge Tenants for changing the locks.

13. Subordination: This Lease and all rights of Tenants hereunder shall be subject and subordinate to the lien of any and all mortgages that may now or hereafter effect the Premises, or any part thereof, and to any and all renewals. Tenants shall execute, acknowledge, and deliver to Landlord, without expense to Landlord, any and all instruments that may be necessary or proper to subordinate this Lease and all rights therein to the lien of any such mortgage or mortgages and each renewal, modification or extension, and if Tenants shall fail at any time to execute, acknowledge, and deliver any such subordination instrument, the Landlord, in addition to any other remedies available and consequence thereof, may execute, acknowledge, and deliver the same as Tenants' attorney in fact and in Tenants' name. Tenants hereby irrevocably constitute and appoint the Landlord, its successors and assigns, their attorney in fact for that purpose.

14. Injury and Damage: Landlord shall not be responsible for loss, damage or injuries to the Tenants, or the agents, invitees or licensees of the Tenants, or their property, from any source whatsoever.

15. Indemnification: Tenants agree to save Landlord harmless and indemnify it from any liability for injury, loss, accident or damage to any person or property, and from any claims, actions, proceedings, and costs in connection therewith, including reasonable counsel fees, arising from omission, fault, negligence or other misconduct of Tenants, or arising from any use made or thing done by Tenants, its officers, employees, agents and invitees on or about the Premises, or otherwise occurring thereon.

16. Destruction of Premises: In the event that the building or buildings upon the Premises, or any part thereof, during the said term is destroyed or damaged by fire or unavoidable casualty as to be unfit for occupation or use, then the rent herein before set forth, or a fair and just proportion according to the nature and extent of the damage sustained, shall be suspended or abated until the same Premises shall have been rebuilt and put in proper condition for use and occupation by the Landlord. Subject, however, that the Landlord, at its election, upon written notice to be given within ninety (90) days after such destruction may notify the Tenants that the term is ended.

17. Condemnation: Landlord reserves and accepts all rights to damages to the Premises occurring to it in case of the exercise of eminent domain. All right to damages suffered by the Tenants created by reason of the taking of the fixtures which Tenants are entitled to remove shall vest solely in the Tenants and shall be the Tenants' sole responsibility to take action for the recovery thereof.

18. Default: In the event of any failure of Tenants to pay any rent or other sums when due hereunder, or in the event of

Tenants' default in performing any of the other terms, conditions or covenants of this Lease to be observed or performed by Tenants, or if Tenants shall falsify any report required to be furnished to Landlord pursuant to the terms of this Lease, or if the Tenants shall vacate or desert the Premises, or if a petition in bankruptcy shall be filed by or against the Tenants, and the same is not dismissed within thirty (30) days, or if a receiver or similar officer becomes entitled to this leasehold and it is not returned to Tenants within thirty (30) days, or if Tenants' interest in this Lease is taken on execution or other process of law at any action against Tenants, then this Lease shall immediately terminate and Landlord shall notify Tenants in writing of said termination. Upon notice to the Tenants, Landlord may commence a forcible entry and detainer action pursuant to Maine law.

19. Time is of the Essence: Time is of the essence in this Lease, and all terms and covenants herein are conditions.

20. Laws of Maine: The laws of the State of Maine shall govern the validity, performance and enforcement of this Lease.

21. Savings Clause: The invalidity or unenforceability of any provision of this Lease shall not have any effect on or impair the validity of any provisions.

22. Covenant to Bind Successors: It is agreed that the provisions, covenants and conditions herein shall be binding upon and inure to the benefit of the parties hereto, their personal representatives, successors, heirs, devisees and assigns.

23. Total Agreement: This Lease contains the entire Agreement between the parties and cannot be changed or terminated except by a written instrument subsequently executed by the parties hereto.

IN WITNESS WHEREOF, the above parties have hereunto set their hands and seal the date first above written.

City Council Information Sheet

Council Workshop or Meeting Date: March 4, 2024 **Resolve:** 01-03042024

Author: Eric J. Cousens, Director of Planning & Permitting

Subject: Resolve providing information to Planning Board related to Ordinance 01-01022024

Information: The City Council requested that the Planning Board consider the proposed amendment at their February meeting. The Board postponed a decision after Public Hearing to ask the Council for information and reasons for the proposed delayed applicability date. The ordinance being considered for delay is described in more detail below. This zoning map amendment is evidenced by Ordinance #26-11202023 relating to the rezoning of approximately 60 acres in parts of City Assessor's Parcel ID 289-001, 289-002, and 277-026 from the Agriculture and Resource Protection (AGRP) zoning district to the General Business (GB) zoning district which became effective on December 9, 2023 pursuant to Section 2.6(C) of the City Charter.

This order is to consider the request from the Planning Board and respond to the questions and provide reasons. A draft order is attached for Council consideration. If the Council responds on March 4th, that will allow the Planning Board to consider the response and provide a recommendation back to Council on March 12, 2024 at the regularly scheduled Planning Board Meeting.

City Budgetary Impacts: None known.

Staff Recommended Action: Vote on Order to provide requested response to Planning Board.

Previous Meetings and History: December 18, 2023 CC meeting

City Manager Comments:

I concur with the recommendation. Signature: Phillip Crowell Jr.

City of Auburn, Maine
Planning & Permitting Department
Eric Cousens, Director
60 Court Street | Auburn, Maine 04210
www.auburnmaine.gov | 207.333.6601

Date: 02/13/2024
To: Auburn City Council
From: Auburn Planning Board
Subject: Planning Board Motion on Postponing Applicability Date of Gracelawn GB Zone Change

This is the report from the Planning Board regarding the attached map amendment pursuant to Section 60-1496 of the City of Auburn Ordinances. After notice and Public Hearings held on January 9th, 2024, the Planning Board forwards this report to the City Council.

PUBLIC HEARING/ TEXT AMENDMENT: Consider adding Sec. 60-1383. Effective Date and Applicability Date of Ordinance #26-11202023. This text change would delay the applicability date of amending approximately 60 acres in parts of Parcel ID 289-001, 289-002, and 277-026 from the Agriculture and Resource Protection (AGRP) zoning district to the General Business (GB) zoning district until July 1, 2024. The City Council has proposed this text change to allow residents and the City Council time to determine whether additional amendments related to this item are desirable. The proposal was initiated by the city and is pursuant to Chapter 60, Article XVII, Division 2 Amendment to the Zoning Ordinance or Zoning Map.

Summary and Discussion:

The Chair does not believe she has enough information to change where they arrived. Specifically, she wants a list from Council of their concerns about the GB zone and their justification for reconsidering a decision that staff recommended based on the Comprehensive Plan. The Planning Board has asked for guidance from Council on what amendments to the zone they hope to see.

Though Dave Trask and Stacey LeBlanc agree that April 9th is an appropriate time to allow for the information they requested to be provided and for public notice to be disseminated

Motion: Tim DeRoche makes a motion to postpone agenda Item #6 to a date certain in April asking for detailed reasons for the request of delay. **Second:** Amanda Guerrette seconds.

Amendment to Motion: Dave Trask amends the date of this hearing to April 9th. **Second:** Tim DeRoche Seconds.

Vote: Vote on April 9th amendment to original motion (specifying that the item will be back on the Agenda at the regularly scheduled April PB Meeting): **5-2-0 motion carries**

Vote: Vote on original motion to push the decision to April 9th and ask City Council for a detailed outline of exactly what their concerns are with this zone that they would like planning board to review and consider when we're talking about delaying the applicability dates. **5-2-0 motion carries**

RESOLVE 01-03042024

City Council Order

IN CITY COUNCIL

Resolved, That the Auburn City Council is in receipt of the Planning Board's request for Information on the Delayed applicability date in Ordinance 01-01022024 and in response, provides the following information.

Ordinance #26-11202023 amending the Zoning Map on approximately 60 acres in parts of Parcel ID 289-001, 289-002, and 277-026 from the Agriculture and Resource Protection (AGRP) zoning district to the General Business (GB) zoning district requires additional consideration prior to implementation. There are four areas which need further consideration:

1. The status of the current gravel mining operations, both within and outside of the Lake Auburn watershed, and future plans for mining operations.
2. Ensuring continued access to the abutting city owned landfill.
3. Whether potential topographical changes caused by development will present a risk to the drinking water quality.
4. Whether General Business is the appropriate district regulation to be applied, in whole or in part, to these parcels.

The delayed applicability date would allow the City to consider if there could be amendments to the zone and/or agreements with the property owner that could address these concerns and better position the parcel for a successful transition from the current use as a gravel mining and processing operation, while aligning with the comprehensive plan and public interests.

For these reasons the Council asks the Planning Board to consider the delayed applicability date in Ordinance 01-01022024 to allow the City time to address these concerns and to better position the parcels for a successful transition from the current use as a gravel mining and processing operation to something that provides greater community benefit and supports the protection of Lake Auburn.

Council Meeting Date: March 4, 2024 **Ordinance:** 08-03042024

Author: Sue Clements-Dallaire, City Clerk

Subject: Removing the Fee Schedule from the Code of Ordinances

---

Information: The action of Ordinance 08-03042024 removes the fee schedule from ordinance. If passed, an order will come before you to adopt the current fee schedule establishing it as a stand alone document which may be amended by the City Council from time to time as an order, which requires one reading as opposed to an ordinance which requires two separate readings and a public hearing.

City Budgetary Impacts: None

Staff Recommended Action: Recommend passage.

ORDINANCE: 07-03042024

City Council Ordinance

IN CITY COUNCIL

BE IT ORDAINED by the Auburn City Council that Chapter 1, General Provisions, of the Code of Ordinances be amended as follows:

Chapter 1 GENERAL PROVISIONS

Sec. 1-2. Definitions and rules of construction.

In the construction of this Code, and of all ordinances, the rules and definitions set out in this section shall be observed, unless such construction would be inconsistent with the manifest intent of the city council. The rules of construction and definitions set out in this section shall not be applied to any section of this Code which shall contain any express provision excluding such construction, or where the subject matter or context of such section may be repugnant thereto.

Fee schedule or *schedule of fees and charges.* The term "fee schedule" or "schedule of fees and charges" means the official consolidated list maintained in the city clerk's office that lists rates for utility or other public enterprises, fees of any nature, deposit amounts and various charges as determined from time to time by the city council by council order.

Sec. 1-10. Form of Code; repository; maintenance; fee schedule.

A copy of this Code shall be kept on file in the office of the city clerk, preserved in looseleaf form, or in such other form as the clerk may consider most expedient. It shall be the express duty of the clerk or his designee to insert in their designated places all resolutions, general resolutions and ordinances that indicate the intention of the city council to make the same a part of this Code, when the same have been printed or reprinted in page form, and to extract from this Code all provisions that may be from time to time repealed by the city council. A copy of this Code shall be available in the office of the city clerk for examination by all persons.

A copy of the fee schedule, as established and amended by council order, shall be kept on file in the office of the city clerk and may be appended to the Code for ease of reference, but the fee schedule is not itself an ordinance.

Subject: Posted Roads

Information: An Ordinance review occurred in 2021. As part of that review the sections of the Ordinance related to posted roads (Chapter 52, Article VI. Sec. 238 and 239 were unknowingly inadvertently deleted. This will reinstate those Ordinance sections.

Sec. 52-238. - Limitation of 8,000 pounds: No vehicle weighing more than 8,000 pounds, vehicle and load combined, nor any vehicle imparting to the road surface a pressure exceeding 400 pounds per inch of tire width (manufacturer's rating) shall be permitted on the streets, roads and highways of the city listed in a schedule on file and available in the city clerk's office between March 1 and May 31 of each year, except when the surface of the road is solidly frozen, in which case permission from the highway superintendent shall be obtained.

Sec. 52-239. - Limitation of 23,000 pounds: No vehicle weighing more than 23,000 pounds, vehicle and load combined, nor any vehicle imparting to the road surface a pressure exceeding 400 pounds per inch of tire width (manufacturer's rating) shall be permitted on the streets, roads and highways of the city listed in a schedule on file and available in the city clerk's office, between March 1 and May 31, except when the surface of the road is solidly frozen, in which case permission from the highway superintendent shall be obtained.

City Budgetary Impacts: None

Staff Recommended Action: Vote to reinstate the Ordinance language.

Ordinance 08-03042024

City Council Order

IN CITY COUNCIL

Adopting Ordinance Language in Chapter 52, Traffic and Vehicles, Sections 52-238 and 52-239

Be it ordained, that the City Council hereby adopts ordinance language in Chapter 52, Traffic and Vehicles, Sections 52-538 and 52-539 that was inadvertently removed in March of 2021. The language to be reinstated as follows:

Sec. 52-238. *- Limitation of 8,000 pounds: No vehicle weighing more than 8,000 pounds, vehicle and load combined, nor any vehicle imparting to the road surface a pressure exceeding 400 pounds per inch of tire width (manufacturer's rating) shall be permitted on the streets, roads and highways of the city listed in a schedule on file and available in the city clerk's office between March 1 and May 31 of each year, except when the surface of the road is solidly frozen, in which case permission from the highway superintendent shall be obtained.*

Sec. 52-239. *- Limitation of 23,000 pounds: No vehicle weighing more than 23,000 pounds, vehicle and load combined, nor any vehicle imparting to the road surface a pressure exceeding 400 pounds per inch of tire width (manufacturer's rating) shall be permitted on the streets, roads and highways of the city listed in a schedule on file and available in the city clerk's office, between March 1 and May 31, except when the surface of the road is solidly frozen, in which case permission from the highway superintendent shall be obtained.*

City of Auburn
City Council Information Sheet

Council Workshop or Meeting Date: March 4, 2024 **Order:** 33-03042024

Author: Jay Brenchick, Director of Economic Development, Eric J. Cousens, Director of Planning and Permitting

Subject: Order initiating an ordinance to allow for a Technology Hub Overlay which will incorporate both Industrial and General Business uses in the area defined by the red border on the attached map.

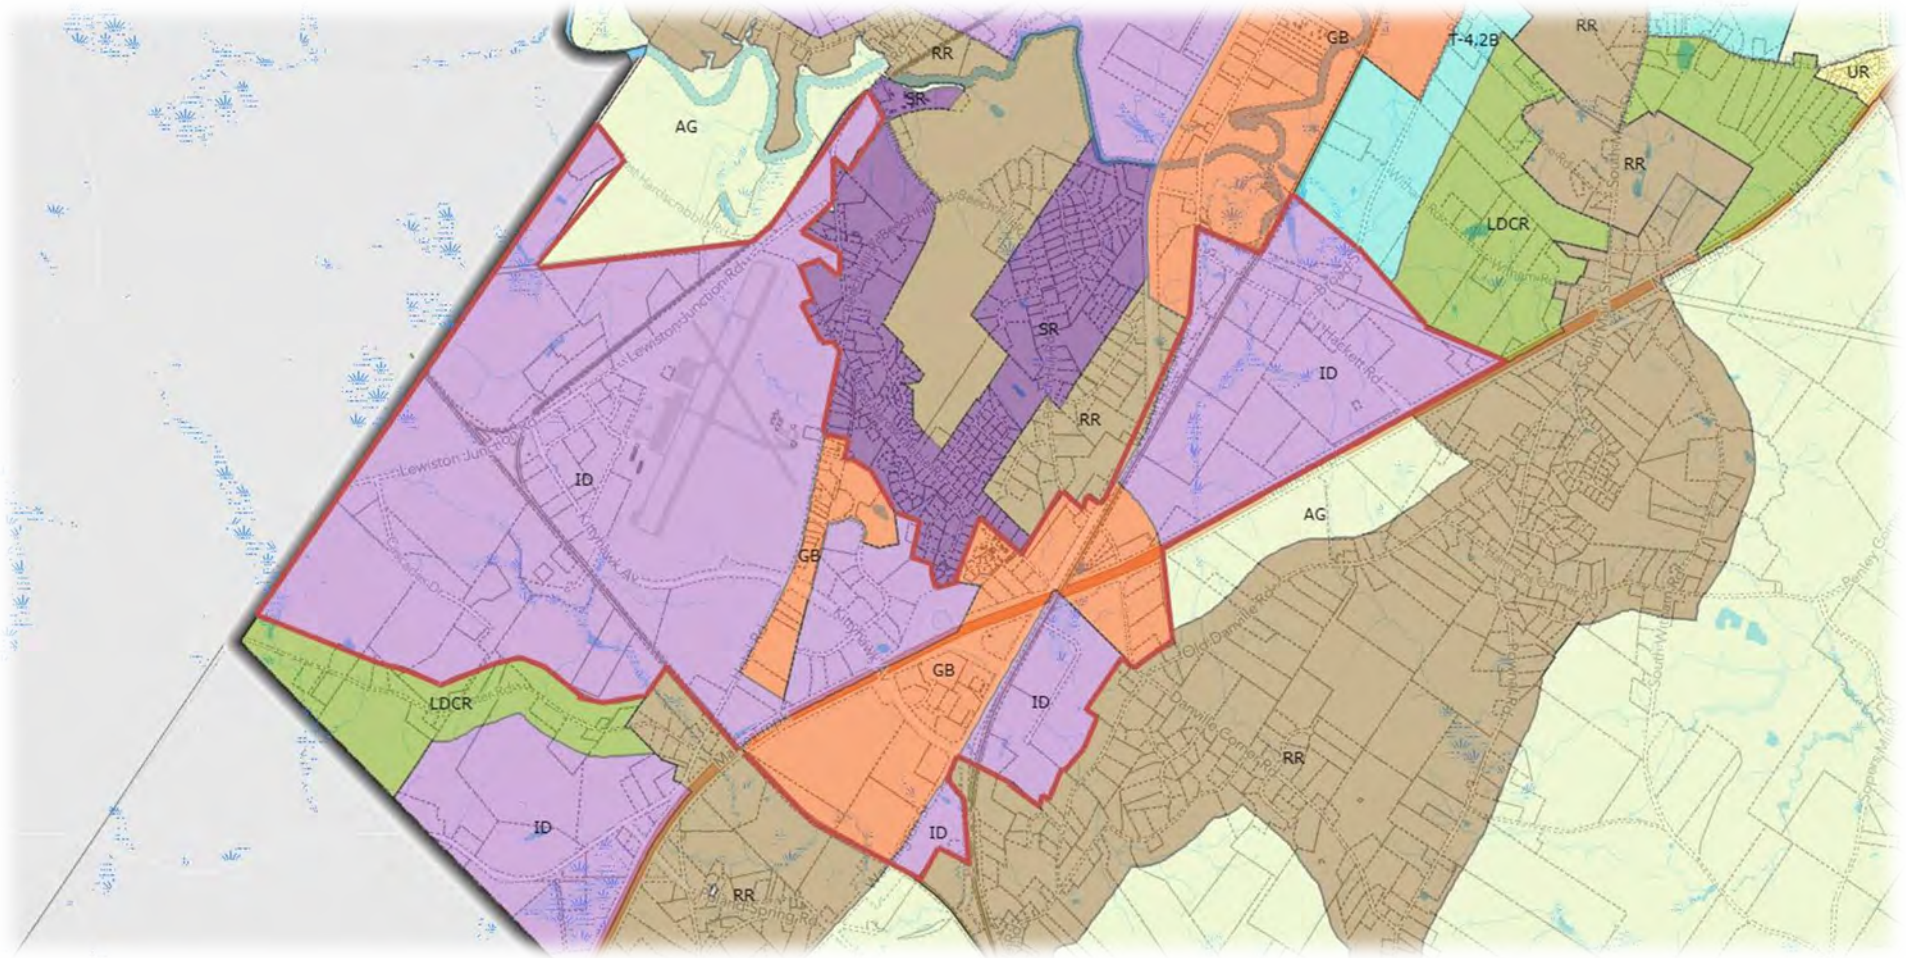
Information: In October 2023, the Governor's Office announced that the Economic Development Administration (EDA) designated Maine's Forest Bioproducts Advanced Manufacturing Tech Hub as a Federal "Tech Hub." The designation acknowledges that Maine's forest bioproducts sector has the potential for rapid growth and opens the door for significant Federal investment. The Technology Hub overlay will allow the City of Auburn to compete for prospects and incentives related to the new federal Tech Hub designation. The attached map identifies the area staff recommends for the Technology Hub Overlay.

This change will define and declare the City's desire to attract investment related to Maine's Forest Bioproducts Advanced Manufacturing Technologies in the mapped area to promote related uses and expand uses in the General Business zoned portions of the Technology Hub Overlay to include manufacturing uses using Maine Forest Bioproducts. Maps will be refined to follow existing GB and ID zoning boundaries and text for a Planning Board Public hearing will be drafted if the Council moves forward. This change will create significant opportunities for manufacturing in the City of Auburn and leverage outside investment.

City Budgetary Impacts: Staff Time

Staff Recommended Action: Staff recommends that the Council vote to initiate the process to allow for a technology zone overlay and send it to the Planning Board for a recommendation.

Previous Meetings and History: During the February 20, 2024, City Council Meeting, staff informed City Council of the Economic Development Administration (EDA) designation of Maine as a Forest Bioproducts Advanced Manufacturing Tech Hub. The Economic Development Department; Planning, Permitting & Code Department; and Business and Community Development Department will work together to create an Innovation/Tech Hub Designation in the area surrounding Exit 75 and the Auburn-Lewiston Municipal Airport. This designation aims to align the City of Auburn's zoning, business resources, marketing, and economic development partnerships with the efforts made at the state and federal levels.



City Manager Comments:

I concur with the recommendation. Signature: Phillip Crowell Jr.

ORDER 33-03042024

City Council Order

IN CITY COUNCIL

Ordered, That the Auburn City Council directs staff to draft Zoning Map and Text Ordinance amendments to Chapter 60, Zoning and prepare the items for Public Hearing and a Recommendation by the Auburn Planning Board pursuant to Chapter 60, Article XVII, Division 2, Amendment to the Zoning Ordinance or Zoning Map. The intent is to consider amendments that will define and declare the City's desire to attract investment related to Maine's Forest Bioproducts Advanced Manufacturing Technologies in the mapped area (outlined in red). The amendments shall include text to allow related uses and expand uses in the General Business zoned portions of the Technology Hub Overlay (outlined in red) to include manufacturing using Maine Forest Bioproducts or locally grown foods or fibers. The overlay will follow existing GB and ID zoning boundaries and text for a Planning Board Public hearing will be drafted based on this directive.

City of Auburn
City Council Information Sheet

Council Workshop or Meeting Date: March 4, 2024

Subject: Executive Session

Information: Personnel matter, pursuant to 1 M.R.S.A. Section 405(6) (A).

Executive Session: On occasion, the City Council discusses matters which are required or allowed by State law to be considered in executive session. Executive sessions are not open to the public. The matters that are discussed in executive session are required to be kept confidential until they become a matter of public discussion. In order to go into executive session, a Councilor must make a motion in public. The motion must be recorded, and 3/5 of the members of the Council must vote to go into executive session. An executive session is not required to be scheduled in advance as an agenda item, although when it is known at the time that the agenda is finalized, it will be listed on the agenda. The only topics which may be discussed in executive session are those that fall within one of the categories set forth in Title 1 M.R.S.A. Section 405(6). Those applicable to municipal government are:

A. Discussion or consideration of the employment, appointment, assignment, duties, promotion, demotion, compensation, evaluation, disciplining, resignation or dismissal of an individual or group of public officials, appointees or employees of the body or agency or the investigation or hearing of charges or complaints against a person or persons subject to the following conditions:
(1) An executive session may be held only if public discussion could be reasonably expected to cause damage to the individual's reputation or the individual's right to privacy would be violated;
(2) Any person charged or investigated must be permitted to be present at an executive session if that person so desires;
(3) Any person charged or investigated may request in writing that the investigation or hearing of charges or complaints against that person be conducted in open session. A request, if made to the agency, must be honored; and
(4) Any person bringing charges, complaints or allegations of misconduct against the individual under discussion must be permitted to be present. This paragraph does not apply to discussion of a budget or budget proposal;

B. Discussion or consideration by a school board of suspension or expulsion of a public school student or a student at a private school, the cost of whose education is paid from public funds, as long as:
(1) The student and legal counsel and, if the student is a minor, the student's parents or legal guardians are permitted to be present at an executive session if the student, parents or guardians so desire;

C. Discussion or consideration of the condition, acquisition or the use of real or personal property permanently attached to real property or interests therein or disposition of publicly held property or economic development only if premature disclosures of the information would prejudice the competitive or bargaining position of the body or agency;

D. Discussion of labor contracts and proposals and meetings between a public agency and its negotiators. The parties must be named before the body or agency may go into executive session. Negotiations between the representatives of a public employer and public employees may be open to the public if both parties agree to conduct negotiations in open sessions;

E. Consultations between a body or agency and its attorney concerning the legal rights and duties of the body or agency, pending or contemplated litigation, settlement offers and matters where the duties of the public body's or agency's counsel to the attorney's client pursuant to the code of professional responsibility clearly conflict with this subchapter or where premature general public knowledge would clearly place the State, municipality or other public agency or person at a substantial disadvantage;

F. Discussions of information contained in records made, maintained or received by a body or agency when access by the general public to those records is prohibited by statute;

G. Discussion or approval of the content of examinations administered by a body or agency for licensing, permitting or employment purposes; consultation between a body or agency and any entity that provides examination services to that body or agency regarding the content of an examination; and review of examinations with the person examined; and

H. Consultations between municipal officers and a code enforcement officer representing the municipality pursuant to Title 30-A, section 4452, subsection 1, paragraph C in the prosecution of an enforcement matter pending in District Court when the consultation relates to that pending enforcement matter.

City Council Workshop & Meeting
Agenda
March 18, 2024
Auburn Hall, Council Chambers

5:30 P.M. City Council Workshop

A. Department Presentations and Council Discussion
    1. Auburn Public Library

    3. Planning & Permitting
B. Overview of Transportation Studies

7:00 P.M. City Council Meeting - Roll call votes will begin with Councilor Walker

Pledge of Allegiance

I. Consent Items – All items with an asterisk (*) are considered routine and will be enacted by one motion. There will be no separate discussion of these items unless a Council member or a citizen requests, in which event, the item will be removed from the Consent Agenda and considered in its normal sequence on the agenda.

1. Order 34-03182024*
Re-appointing Chris Carson to the Sustainability and Natural Resource Management Board as nominated by the Natural Products and Agriculture Working Group. Term expiration of 04/01/2027.

2. Order 35-03182024*
Appointing Steve Buchanan to the Board of Assessment as nominated by the Appointment Committee. Term expiration of 03/31/2027.

3. Order 36-03182024*
Appointing Gerald Samson to the Board of Assessment as nominated by the Appointment Committee. Term expiration of 03/31/2027.

4. Order 37-03182024*

Appointing Kathy Shaw to the Board of Assessment as nominated by the Appointment Committee. Term expiration of 03/31/2026.

5. Order 38-03182024*
Appointing Tina Eugley to the Age Friendly Community Committee as nominated by the Appointment Committee. Term expiration of 06/01/2027.

II. Minutes – March 4, 2024, Regular Council Meeting

III. Communications, Presentations and Recognitions

- Disenfranchised Business Enterprise (DBE) Plan FFY24/25/26
- Use of City Property – 143 Hampshire Street Parking Area
- Communication - The Mayor's Ad-hoc Committee on Homelessness

IV. Open Session – *Members of the public are invited to speak to the Council about any issue directly related to City business or any item that does not appear on the agenda.*

V. Unfinished Business

1. Ordinance 07-03042024
Removing Appendix A from Auburn's Code of Ordinances. Second reading.

VI. New Business

1. Order 39-03182024
Disposition of building located at 46 Fair Street under dangerous building statute. Public hearing for parties with interest in property.

2. Order 40-03182024
Adopting the City of Auburn's fee schedule.

VII. Open Session - *Members of the public are invited to speak to the Council about any issue directly related to City business or any item that does not appear on the agenda*

VIII. Reports

a. Mayor's Report
b. City Councilors' Reports
c. City Manager Report

IX. Executive Sessions – Economic development, pursuant to 1 M.R.S.A. §405(6)(C), which premature disclosure would prejudice the competitive or bargaining position of the City.

City of Auburn
City Council Information Sheet

Council Workshop or Meeting Date: March 18, 2024

Author: Jonathan P. LaBonte, Transportation Systems Director

Subject: Overview of Transportation Studies

Information: As with many areas of the City, transportation planning and project development involves a significant number of partners, contractors, and extensive process. The simple map and related spreadsheet provide a very high-level overview of some of those transportation studies underway and the geographic location of those efforts. It is important to note that this is not exhaustive, as the Engineering Department regularly manages project development with MaineDOT as part of the 5-year CIP implementation.

Projects shown on the map and spreadsheet arose in the last couple of years from a number of sources; enhancements to projects MaineDOT had already scheduled, projects generated through plan review/permitting processes, studies/plans recommended in the Comprehensive Plan, or studies/plan initiated for a targeted area by city leaders.

In an attempt to simplify the overview, three large categories are noted. Design/Engineering/Construction will suggest that funding is in hand, the specific project has been identified, and it is on its way to being built/implemented. Planning signifies that an effort is underway to evaluate a part of our transportation system with assistance from third parties (MaineDOT, ATRC, etc) and that public involvement will be key to determining outcomes, from which the city can pursue funding strategies to implement (state, local, federal, or other). Scoping suggests that we have documented key elements to evaluate in a study but have not finalized a scope to proceed to an RFP process, and further discussion can be had about what we wish to learn and how we might organize alternative evaluations in the study.

The process from policy objective/directive to building is a long-term venture, and state and federal funding partners expect communities to have demonstrated the purpose and need for projects when seeking funding, in addition to evidence of community engagement and support.

City of Auburn Transportation Projects

STATUS

- Design/Engineering/Construction
- Planning
- Scoping

o Citywide – Safe Streets and Roads for All (SS4A)
o Citywide – Traffic Signal Management (ATRC)
o Citywide – Metropolitan Transportation Plan (ATRC)

						Funding (or Cost Estimates)				
Project Area	Project Type	City Policy References (Comprehensive Plan)	Purpose/Need	Status (Scoping, Planning, Design, Construction)	Completion Target	Federal	State	Local - General Fund	Local - TIF	Local - Other
Turner and Dennison Street Intersection	Safety	**Strategy G.2.6.b:** Establish Turner Street, between Union Street and Mt. Auburn Ave, as a local corridor	To improve intersection safety for pedestrians and those traveling through by calming traffic and improving visibility	Design/Engineering (Construction will be MaineDOT funded post-engineering)	2025/2026		$ 600,000	$ 150,000		
Turner Street (Court to Hampshire/Great Falls Plaza)	Safety	**Strategy G.2.1.c**: Improve pedestrian and bicycle access along the Route 4 Corridor. i. Develop safe pedestrian crossings through the installation of relief medians and raised crosswalks at major intersections and the establishment of longer pedestrian crossing signals. **Strategy G.2.9.d:** Provide creative parking solutions to meet the needs of downtown neighborhoods and businesses.	To improve pedestrian safety for those traveling to destinations on Turner Street.	Design/Engineering/ Construction	2025/2026	$ 220,000		$ 280,000		
Riverwalk Extension/Lewiston and Auburn Railroad Trail	New Construction	**Strategy A.3.1.e**: Collaborate with major industries and landowners to develop land/trail management plans to protect the river and establish adjacent recreational areas to enhance public access. **Strategy E.1.5.h:** Consider adding multiuse trails in the city where economically feasible with a focus on equity. **Strategy G.2.9.f**: Develop a greenbelt bicycle/pedestrian connection from West Pitch Park into Moulton Field and New Auburn via the Little Androscoggin River/Barker Mill Trail	To expand active transportation and recreation opportunities within and across Auburn neighborhoods, while enhancing access to natural resources	Design/Engineering/ Construction	2025	$3,900,000		TBD		
Minot Avenue and Washinton Street Rotary	Pavement Rehab and New Pavement Markings (Striping)	**Strategy G.2.2.c**: Support initiatives to reconfigure the Minot Avenue Rotary with the purpose of simplifying the connection from Minot Avenue to the downtown to increase safety. This should occur in coordination with the strategy to shift Washington Street North (in-bound) to two-way traffic and South (out-bound) to a two-way controlled access highway.	To improve safety for all road users	Design/Engineering	2024			$ 19,450		
Court Street (Minot/Manley to Union/Minot)	Pavement Rehab and New Pavement Markings (Striping)	**Strategy G.2.2.a**: Address volume and safety along Minot Avenue and adjoining streets. iii. Utilize a variety of design strategies to discourage excessive vehicular travel speeds on Court Street and Park Avenue to keep through traffic on Minot Avenue.	To improve safety for all road users and begin introduction of traffic calming measures	Design/Engineering	2024			$ 25,500		
Brickyard Circle and Washington Street	Safety and Response to Development	**Strategy G.2.3.a**: Work with MaineDOT and other agencies/entities to modify Washington Street southbound to accommodate controlled access through traffic in both directions in support of regional mobility, including a new intersection/interchange with Rodman Road. Reconstruct the existing Washington Street northbound to serve local land uses, accompanied by new zoning guidance. Implement recommended changes as appropriate and feasible.	To improve safety for the traveling public by clearly defining reverse direction options at the convergence of Washington Street North and South	Design/Engineering/ Construction	2025			$ 300,000		
Citywide - Safe Streets and Roads for All	Safety	**Strategy G.2.2.a**: Address volume and safety along Minot Avenue and adjoining streets. (Safety included in many other sub-elements of the Comprehensive Plan)	To develop an action plan for Auburn's pursuit of a transportation system with zero crashes leading to serious injury or death (Vision Zero)	Planning	2024/2025	$ 200,000		$ 25,000		

Project Area	Project Type	City Policy References (Comprehensive Plan)	Purpose/Need	Status (Scoping, Planning, Design, Construction)	Completion Target	Federal	State	Local - General Fund	Local - TIF	Local - Other
Minot Avenue and Union Street Bypass	MaineDOT Village Partnership Initiative	**Strategy H.1.2.c**: Manage traffic and limit the potential for "cut through" traffic in neighborhoods, support traffic calming measures where necessary, and invest in sidewalk and bike route development as appropriate **Strategy G.2.2.a**: Address volume and safety along Minot Avenue and adjoining streets. **Strategy G.2.2.b:** Review and revise access management measures to limit the number of curb cuts along Minot Avenue and to promote the development of interconnected lots and shared parking areas. **Strategy G.2.2.c**: Support initiatives to reconfigure the Minot Avenue Rotary. **Strategy G.2.2.d**: Establish streetscape and site design criteria that promote the creation of an attractive gateway along Minot Avenue. **Strategy G.2.6.b**: Establish Turner Street, between Union Street and Mt. Auburn Ave, as a local corridor providing local vehicle, bicycle, pedestrian, and transit access to the downtown and the North Auburn Retail District area	To improve economic vitality of Auburn's major east-west corridor by enhancing safety and access for all users while implementing enhancement to improve mobility	Planning	2024/2025		$ 100,000			$100,000 (ARPA)
Citywide - Traffic Signal Management (ATRC)	ATRC-Initiated Study	**Strategy G.2.1.a**: Address volume and congestion along Center Street/Turner Road. **Strategy G.2.1.c:** Improve pedestrian and bicycle access along the Route 4 Corridor. **Strategy G.2.2.a:** Address volume and safety along Minot Avenue and adjoining streets. Objective G.2.8: Work to ensure that through traffic primarily uses designated travel routes.	To assess the current state of maintenance and coordination for our signal system and establish a multi-year plan for investment and maintenance	Planning	2024	$ 60,000				
Citywide - Metropolitan Transportation Plan (ATRC)			To develop a long range plan for the region including Auburn, Lewiston, Lisbon, and Sabattus	Planning	2024/2025	$ 177,000				
Washington Street Corridor (Exit 75 to Rotary)	ATRC/FHWA Corridor Study	**Strategy G.2.3.a**: Work with MaineDOT and other agencies/entities to modify Washington Street southbound to accommodate controlled access through traffic in both directions in support of regional mobility, including a new intersection/interchange with Rodman Road. Reconstruct the existing Washington Street northbound to serve local land uses, accompanied by new zoning guidance. Implement recommended changes as appropriate and feasible. **Strategy G.2.3b**: Establish streetscape and site design criteria to promote attractive mixed-use development along Washington Street-northbound. **Strategy G.2.5.b**: Study the feasibility of creating a connector road between the new turnpike interchange and Washington Street-northbound/Rodman Road that would efficiently connect to a controlled access Washington Street-southbound.	To improve regional mobility north and south from Exit 75 to downtown Auburn and Lewiston while providing neighborhood-scale transportation improvements for redevelopment of Washington Street North along the Little Androscoggin River.	Planning	2024/2025	$ 150,000	$ 17,000			

Project Area	Project Type	City Policy References (Comprehensive Plan)	Purpose/Need	Status (Scoping, Planning, Design, Construction)	Completion Target	Federal	State	Local - General Fund	Local - TIF	Local - Other
Mt. Auburn Neighborhood (Mall Area)	City-initiated Study	**Strategy I.2.3.c**: Investigate opportunities for high quality, creative reuse of vacant land and/or buildings in and around commercial/industrial centers. **Strategy G.2.7.b**: Study the impacts of increased traffic from western communities along Jackson Hill Road, Holbrook Road, Marston Hill Road, Hatfield Road, Hersey Hill Road and at the Young's Corner/ Mt Auburn/ Summer Street crossing and implement appropriate traffic control and intersection configuration to maintain and improve function of the roads. **Strategy G.2.8.a:** Install signage to direct traffic to appropriate through travel routes, including to and from the turnpike and the North Auburn Retail District via either Washington Street/Route 4 or Hotel Road/Mt Auburn Avenue. **Strategy G.2.11.b**: Require, where appropriate within designated residential and mixed-use growth areas, that all local roads include at least a 6-foot-wide sidewalk. **Strategy G.2.11.c:** Establish neighborhood bicycle routes to link riders to major destinations via safe streets. **Strategy G.2.12.a:** When residential streets are improved or reconstructed, incorporate design elements that slow traffic and benefit local cyclists and pedestrians, particularly the elderly and children.	To establish the retail area as a location that is safe for multiple user types (pedestrians, cyclists, transit) while improving the safety and street connections in support of reinvestment/infill development	Scoping	2024/2025					$100,000 (ARPA)
Downtown (Mechanics Row/Main Street/Great Falls Plaza)	City-initiated Study	**Strategy G.2.9.a**: Establish Elm Street as a primary route from Main Street and the downtown neighborhoods to Minot Ave, developing an attractive, well-designed streetscape. **Strategy G.2.9.d**: Provide creative parking solutions to meet the needs of downtown neighborhoods and businesses. **Strategy I.1.1.a**: Establish a traditional downtown business district that promotes local business development, encourages creative reuse of existing buildings, and supports the continuation of an urban development pattern. **Strategy I.1.1.b:** Maintain the Great Falls area as a large-scale office/hotel complex, with an emphasis on integrating this area with the traditional downtown business district	To improve street grid/intersection layouts to improve safety and mobility for all user types, while accomodating further infill development in the city's core downtown area.	Scoping	2024/2025					$100,000 (ARPA)
Library Ave and Spring Street at CSX Rail Corridor	Crossing Closure and Downtown Train Horn Quiet Zone		To improve quality of life and neighborhood safety by channelizing the rail corridor downtown and establishing a quiet/limited-horn zone	Scoping	2024/2025		$ 200,000			$25-$50,000 (CSX)
Court Street (Minot/Manley to Union/Minot)	Pedestrian and Bicyclist Safety and Response to Development	**Strategy G.2.2.a**: Address volume and safety along Minot Avenue and adjoining streets. iii. Utilize a variety of design strategies to discourage excessive vehicular travel speeds on Court Street and Park Avenue to keep through traffic on Minot Avenue.	To improve safety for all road users and begin introduction of traffic calming measures	Scoping	2025/2026		$ 333,000	$ 333,000	$ 334,000	
Lewiston and Auburn to Portand Corridor (MaineDOT)	Commuter Bus Pilot Project Monitoring	**Strategy G.3.2.b**: Work with regional and state agencies to assess the potential for the expansion of passenger rail service from Portland to Auburn. **Strategy G.3.2.d**: Continue to participate in regional commuter transit programs. **Strategy G.3.2.c**: Expand, as necessary, the local fixed-route bus service.	To improve transportation choices and reduce vehicle miles traveled between Maine's two largest urban areas	Initiated	2024/2025		$ 2,000,000			

City of Auburn
City Council Information Sheet

Council Workshop or Meeting Date: March 18, 2024 **Order:** 34-03182024

Author: Sue Clements-Dallaire, City Clerk

Subject: Appointment to the Sustainability and Natural Resource Management Board (SNRB)

Information: Chris Carson has been selected by the agriculture working group to serve another term on the Sustainability & Natural Resource Management Board (SNRB):

Sec. 2-477. Board established. A Board is hereby established pursuant to 30-A M.R.S.A. §§ 3261—3263 to consist of six members, including representatives of the city council, planning board, and four standing working groups on agriculture, conservation, the community forest, and sustainability. The planning board chair and the mayor may either serve on this board or appoint a representative to serve as members of the SNRB for a term of two years. ***The standing working groups on agriculture, conservation, the community forest, and sustainability shall nominate one representative each for approval by the Council****; these members shall serve staggered three-year terms. There shall be one ex officio member of the board, consisting of the city manager or his/her designee.*

City Budgetary Impacts: N/A

Staff Recommended Action: Motion to approve the appointment as nominated by the agriculture working group.

City Manager Comments:

I concur with the recommendation. Signature: Phillip Crowell Jr.

Councilor Whiting reported that the Auburn Public Library will hold an art auction from 10:00 am until noon on March 16th.

Councilor Cowan reported on his visit to the Pleasant Street drop-in-center adding that he is appreciative of the volunteers and encourages anyone involved with youth groups to consider volunteering to help.

Councilor Weisner reported on his visit to the shelter at the Calgary Church adding that it was great to see where the funds are going to support this facility.

Councilor Walker reported on the Waste to Energy meeting. He noted that they are having a problem with one of the big burners and the inner wall is falling apart, which is an expensive fix.

Councilor Platz provided an update on the School Committee meeting. Budget discussions have begun. He also reported that there is a vacancy for one of the At-large School Committee members and encouraged people to consider running for the position. He commented on the passing of Gus LeBlanc, an educator, and coach in the community who recently passed away, asking everyone to keep him in their thoughts.

City Manager Crowell reported that planning is underway for the Lobster Fest event, which will be held on May 11th. He announced that at the March 18th Council meeting there will be a seed giveaway. On March 7th the elected officials will be doing a joint meet and greet gathering with officials from the City of Lewiston at the Hilton Garden Inn at 5:30 pm. He reported on the Skate with a Cop event that was held last week at the Norway Savings Bank Arena, adding that there was a good turnout with over 100 kids participating.

IX. Executive Sessions – Personnel matter, pursuant to 1 M.R.S.A. Sec. 405 (6)(A).

Motion was made by Councilor Weisner and seconded by Councilor Cowan to enter into executive session.

Passage 6-0. Time 7:46 pm.

Council was declared out of executive session at 8:18 pm.

X. Adjournment - Motion was made by Councilor Cowan, seconded by Councilor Weisner to adjourn.

Passage 6-0. The meeting adjourned at 8:18 pm.

POLICY STATEMENT

Section 26.1, 26.23 Objectives/Policy Statement

The **Auburn-Lewiston Municipal Airport** has established a Disadvantaged Business Enterprise (DBE) Program in accordance with regulations of the U.S. Department of Transportation (DOT), 49 CFR Part 26. The **Auburn- Lewiston Municipal Airport** has received Federal financial assistance from the Department of Transportation, and as a condition of receiving this assistance, the **Auburn-Lewiston Municipal Airport** has signed an assurance that it will comply with 49 CFR Part 26.

It is the policy of the **Auburn-Lewiston Municipal Airport** to ensure that DBEs as defined in Part 26, have an equal opportunity to receive and participate in DOT–assisted contracts. It is also our policy:

1. To ensure nondiscrimination in the award and administration of DOT – assisted contracts;
2. To create a level playing field on which DBEs can compete fairly for DOT-assisted contracts;
3. To ensure that the DBE Program is narrowly tailored in accordance with applicable law;
4. To ensure that only firms that fully meet 49 CFR Part 26 eligibility standards are permitted to participate as DBEs; contracts
5. To help remove barriers to the participation of DBEs in DOT assisted;
6. To assist the development of firms that can compete successfully in the market place outside the DBE Program.
7. To promote the use of DBEs in all types of federally-assisted contracts and procurement activities;
8. To provide appropriate flexibility to recipients of Federal financial assistance in establishing and providing opportunities for DBEs.

The City of Auburn Transportation Systems Director/Board of Directors Chair, Jonathan P. LaBonté, has been delegated as the DBE Liaison Officer. In that capacity, Mr. LaBonté is responsible for implementing all aspects of the DBE program. Implementation of the DBE program is accorded the same priority as compliance with all other legal obligations incurred by the **Auburn-Lewiston Municipal Airport** in its financial assistance agreements with the Department of Transportation.

The Auburn-Lewiston Municipal Airport has disseminated this policy statement to the **City Councils of Auburn and Lewiston and all the components of the airport organization**. We have distributed this statement to DBE and non-DBE business communities that perform work for us on DOT-assisted contracts **as part of bid packages and contract documents.**

_____ _____

Jonathan P. LaBonté Date
Transportation Systems Director, City of Auburn
Board of Directors Chair

SUBPART A – GENERAL REQUIREMENTS

Section 26.1 Objectives

The objectives are found in the policy statement on the first page of this program.

Section 26.3 Applicability

The **Auburn-Lewiston Municipal Airport** is the recipient of Federal airport funds authorized by 49 U.S.C. 47101, *et seq.*

Section 26.5 Definitions

The **Auburn-Lewiston Municipal Airport** will use terms in this program that have the meaning defined in Section 26.5.

Section 26.7 Non-discrimination Requirements

The **Auburn-Lewiston Municipal Airport** will never exclude any person from participation in, deny any person the benefits of, or otherwise discriminate against anyone in connection with the award and performance of any contract covered by 49 CFR Part 26 on the basis of race, color, sex, or national origin.

In administering its DBE program, the **Auburn-Lewiston Municipal Airport** will not, directly or through contractual or other arrangements, use criteria or methods of administration that have the effect of defeating or substantially impairing accomplishment of the objectives of the DBE program with respect to individuals of a particular race, color, sex, or national origin.

Section 26.11 Record Keeping Requirements

Reporting to DOT: 26.11

We will report DBE participation to USDOT/FAA as follows:

We will transmit to FAA annually by December 1, the "Uniform Report of DBE Commitments / Awards and Payments" form, and the DBE Contractor contact information (if applicable) on the FAA DBE Contractor's Form or other similar format electronically via dbE-Connect (https://faa.civilrightsconnect.com/FAA/login.asp).

Bidders List: 26.11(c)

The **Auburn-Lewiston Municipal Airport** will create and maintain a bidders list. The form is attached as Attachment 3. The purpose of the list is to assist in providing data about contractors and subcontractors who seek to work on our DOT-assisted contracts for use in helping to set our overall goals.

We will collect this information during the process of selling plans and specifications to prospective bidders via a manual process of requesting data from contractors and subcontractors purchasing these bid sets. Additionally, more detailed information is obtained at the time of bid through completion of required documentation in the bid package.

Records Retention and Reporting

The Airport is a non-certifying member of the State UCP and will maintain records documenting on-site review, etc. These records will be retained in accordance with all applicable record retention requirements of the Airport's financial assistance agreement. Other certification or compliance related records will be retained for a minimum of three (3) years, unless otherwise provided by applicable record retention requirements for the financial assistance agreement, whichever is longer.

Section 26.13 Federal Financial Assistance Agreement

The **Auburn-Lewiston Municipal Airport** has signed the following assurances, applicable to all DOT-assisted contracts and their administration:

Assurance: 26.13(a)

The **Auburn-Lewiston Municipal Airport** shall not discriminate on the basis of race, color, national origin, or sex in the award and performance of any DOT assisted contract or in the administration of its DBE Program or the requirements of 49 CFR part 26. The recipient shall take all necessary and reasonable steps under 49 CFR part 26 to ensure nondiscrimination in the award and administration of DOT assisted contracts. The recipient's DBE Program, as required by 49 CFR part 26 and as approved by DOT, is incorporated by reference in this agreement. Implementation of this program is a legal obligation and failure to carry out its terms shall be treated as a violation of this agreement. Upon notification of its failure to carry out its approved program, the Department may impose sanction as provided for under part 26 and may, in appropriate cases, refer the matter for enforcement under 18 U.S.C. 1001 and/or the Program Fraud Civil Remedies Act of 1986 (31 U.S.C. 3801 et seq.).

This language will appear in financial assistance agreements with sub-recipients.

Contract Assurance: 26.13(b)

*The **Auburn-Lewiston Municipal Airport*** will ensure that the following clause is included in each contract we sign with a contractor and each subcontract the prime contractor signs with a subcontractor:

> The contractor, sub recipient or subcontractor shall not discriminate on the basis of race, color, national origin, or sex in the performance of this contract. The contractor shall carry out applicable requirements of 49 CFR Part 26 in the award and administration of DOT-assisted contracts. Failure by the contractor to carry out these requirements is a material breach of this contract, which may result in the termination of this contract or such other remedy as the ***Auburn-Lewiston Municipal Airport***

deems appropriate, which may include, but is not limited to: (1) withholding monthly progress payments; (2) assessing sanctions; (3) liquidated damages; and/or (4) disqualifying the contractor from future bidding as non-responsible.

SUBPART B - ADMINISTRATIVE REQUIREMENTS

Section 26.21 DBE Program Updates

The **Auburn-Lewiston Municipal Airport** will receive grant(s) for airport planning or development exceeding $250,000 in a Federal fiscal year. We will continue to carry out this DBE Program until all funds from DOT financial assistance have been expended. We will provide updates representing significant changes in the program for approval.

The **Auburn-Lewiston Municipal Airport** is not eligible to receive DOT financial assistance unless DOT has approved our DBE Program and we are in compliance with it and this part. We will continue to carry out our program until all funds from DOT financial assistance have been expended.

Section 26.23 Policy Statement

The Policy Statement is elaborated on the first page of this DBE Program.

Section 26.25 DBE Liaison Officer (DBELO)

We have designated the following individual as our DBE Liaison Officer:

Name:	Jonathan P. LaBonté
Title:	City of Auburn Board of Directors Chair
Address:	60 Court Street, Auburn, ME 04210
Phone:	(207) 786-0631
Email:	j.labonte@auburnmaine.gov

In that capacity, the DBELO is responsible for implementing all aspects of the DBE program and ensuring that the **Auburn-Lewiston Municipal Airport** complies with all provision of 49 CFR Part 26. The DBELO has direct, independent access to the **Board of Directors of the Auburn-Lewiston Municipal Airport** concerning DBE program matters. An organization chart displaying the DBELO's position in the organization is found in Attachment 2 to this program.

The DBELO is responsible for developing, implementing and monitoring the DBE program, in coordination with other appropriate officials. The duties and responsibilities include the following:

1. Gathers and reports statistical data and other information as required by DOT.
2. Reviews third party contracts and purchase requisitions for compliance with this program.
3. Works with all departments to set overall annual goals.

4. Ensures that bid notices and requests for proposals are available to DBEs in a timely manner.
5. Identifies contracts and procurements so that DBE goals are included in solicitations (both race- neutral methods and contract specific goals attainment and monitors results.
6. Analyzes progress toward attainment and identifies ways to improve progress.
7. Participates in pre-bid meetings.
8. Advises the **Auburn-Lewiston Municipal Airport Board of Directors** on DBE matters and achievement.
9. Provides DBEs with information and assistance in preparing bids, obtaining bonding and insurance.
10. Acts as referral liaison to the Uniform Certification Process in **the State of Maine.**
11. Provides outreach to DBEs and community organizations to advise them of opportunities.

Section 26.27 DBE Financial Institutions

It is the policy of the Airport to investigate the full extent of services offered by financial institutions owned and controlled by socially and economically disadvantaged individuals in the community, to make reasonable efforts to use these institutions, and to encourage prime contractors on DOT-assisted contracts to make use of these institutions. We will continue to contact the local Chamber of Commerce and check the State UCP for information on available DBE financial institutions. This will be accomplished tri-annually.

Section 26.29 Prompt Payment Mechanisms

The **Auburn-Lewiston Municipal Airport** requires that all subcontractors performing work on DOT-assisted contracts shall be promptly paid for work performed pursuant to their agreements, in accordance with all relevant federal, state, and local law.

In accordance with 49 CFR § 26.29, the **Auburn-Lewiston Municipal Airport** established a contract clause implementing this requirement and requires prime contractors to pay subcontractors for satisfactory performance of their contracts no later than 30 days from the prime contractor's receipt of each payment from the **Auburn-Lewiston Municipal Airport**.

The **Auburn-Lewiston Municipal Airport** ensures prompt and full payment of retainage from the prime contractor to the subcontractor within 30 days after the subcontractor's work is satisfactorily completed. Pursuant to § 26.29, **Auburn-Lewiston Municipal Airport** has selected the following method to comply with this requirement:

We will hold retainage from prime contractors and provide for prompt and regular incremental acceptances of portions of the prime contract, pay retainage to prime contractors based on these acceptances, and require a contract clause obligating the prime contractor to pay all retainage owed to the subcontractor for satisfactory completion of the accepted work within 30 days after our payment to the prime contractor.

The Airport will include the following clause in each DOT-assisted prime contract:

> The prime contractor agrees to pay each subcontractor under this prime contract for satisfactory performance of its contract no later than 30 days from the receipt of each payment the prime contractor receives from the Airport. The prime contractor agrees further to return retainage payments to each subcontractor within 30 days after the subcontractor's work is satisfactorily completed. Any delay or postponement of payment from the above referenced timeframe may occur only for good cause following written approval of the Airport. This clause applies to both DBE and non-DBE subcontractors.

This prompt payment clause will apply to all DBE and non-DBE subcontractors on DOT-assisted contracts, and will be enforced by the Resident Project Representative (RPR). It may be required to resolve disputes over the holding of certain funds, etc. and assures that payments will be made in a timely fashion. Prime Contractors will be required to provide the RPR with documentation showing that payments to subcontractors have been made within the time limit stated within their contract. Failure to comply will result in the holding of additional monies, until the RPR are assured the payments to subcontractors have been made. Any delay or postponement of payment among parties may take place only for a good cause, with prior written approval from the RPR. It will also be noted in the contract between the Airport and the Prime Contractor that the Prime Contractor will not be reimbursed for work performed by subcontractors unless and until the Prime Contractor ensures that the subcontractor has been promptly paid for the work they have performed.

As required by the FAA, to implement this measure regarding retainage, the Airport includes the following clause from FAA Advisory Circular 150/5370-10 in each DOT-assisted prime contract:

> The Airport may decline to hold retainage from Prime Contractors and require a contract clause obligating Prime Contractors to make prompt and full payment of any retainage kept by Prime Contractor to the subcontractor within 30 days after the subcontractor's work is satisfactorily completed.
>
> a. No retainage will be held by the Airport from progress payments due the prime.
>
> b. The Contractor is required to pay all subcontractors for satisfactory performance of their contracts no later than 30 days after the Contractor has received a partial payment. Contractor must provide the Airport evidence of prompt and full payment of retainage held by the prime Contractor to the subcontractor within 30 days after the subcontractor's work is satisfactorily completed. A subcontractor's work is satisfactorily completed when all the tasks called for in the subcontract have been accomplished and documented as required by the Airport. When the Airport has made an incremental acceptance of a portion of a prime contract, the work of a subcontractor covered by that acceptance is deemed to be satisfactorily completed.
>
> c. When at least 95% of the project work has been completed to the satisfaction of the RPR, the RPR shall, at the Airport's discretion and with the consent of the

surety, prepare estimates of both the contract value and the cost of the remaining work to be done.

Section 26.31 Directory

The ***Auburn-Lewiston Municipal Airport is a non-certifying member of the Maine UCP and*** uses the **State of Maine** DBE directory, maintained by the State. The directory lists the firm's name, address, phone number, date of the most recent certification, and the type of work the firm has been certified to perform as a DBE. In addition, the directory lists each type of work for which a firm is eligible to be certified by using the most specific NAICS code available to describe each type of work.

The **State of Maine** constantly updates the Directory. In addition, they provide technical and management assistance to certified businesses through their DBE Supportive Service Program. More information can be found at the **EMDC Website** http://www.mainedbe.com/. The DBE Directory may be found at the link provided in Attachment 4.

Section 26.33 Over-concentration

Auburn-Lewiston Municipal Airport has not identified that over-concentration exists in the types of work that DBEs perform.

Section 26.35 Business Development Programs

Auburn-Lewiston Municipal Airport has not established a business development program.

Section 26.37 Monitoring and Enforcement Mechanisms

The **Auburn-Lewiston Municipal Airport** will take the following monitoring and enforcement mechanisms to ensure compliance with 49 CFR Part 26 program requirements by all program participants, including prompt payment:

1. We will bring to the attention of the Department of Transportation any false, fraudulent, or dishonest conduct in connection with the program, so that DOT can take the steps (e.g., referral to the Department of Justice for criminal prosecution, referral to the DOT Inspector General, action under suspension and debarment or Program Fraud and Civil Penalties rules) provided in 26.107.

2. We will implement similar action under our own legal authorities, including responsibility determinations in future contracts.

3. We will implement a monitoring and enforcement mechanism to ensure that work committed to DBEs at contract award or subsequently (i.e., as the result of modification to the contract) is actually performed by the DBEs to which the work was committed.

4. We will implement a mechanism that will provide for a running tally of actual DBE attainments (e.g., payment actually made to DBE firms), including a means of comparing these attainments to.

Monitoring Payments to DBEs and Non-DBEs

We will require prime contractors to maintain records and documents of payments to subcontractors, including DBEs, for three years following the performance of the contract. These records will be made available for inspection upon request by any authorized representative of the **Auburn-Lewiston Municipal Airport**. This reporting requirement also extends to all subcontractors, both DBE and non-DBE.

We will perform interim audits of contract payments to DBEs. The audit will review payments to DBE subcontractors to ensure that the actual amount paid to DBE subcontractors equals or exceeds the dollar amounts stated in the schedule of DBE participation.

Prompt Payment Dispute Resolution

The Airport has established, as part of its DBE program, the following mechanism(s) to ensure prompt payment and return of retainage.

All Contractors are required to submit Form MJ-216 with each payment application. This form shows the status of payments made to all Subcontractors and Suppliers, whether they performed work during the reporting period. If it is determined, after review of the submissions, that the Contractor is in violation of prompt payment requirements, the Airport may withhold the amount due to any Subcontractor or Supplier from the Contractor until satisfactory proof of payment is received. If the Contractor is in violation four or more times, the Airport may terminate the Contract for cause and/or may require the Contractor to pay some or all of their Subcontractors or Suppliers and provide proof of payment before the Subcontractor's or Supplier's work can be included on a future pay application. The Airport will work with the RPR and the contractors to discuss any disputes, using records provided for payment confirmation, etc. A meeting will be held with all parties involved and if no resolution is obtained, mediation will be held with a neutral third party to evaluate the dispute.

Prompt Payment Complaints

Complaints by subcontractors regarding the prompt payment requirements or any issues thereon will be discussed with the Airport/DBELO. If the affected subcontractor is not comfortable discussing with prime contractor directly and discussions with the Airport are unable to resolve payment issues, then the subcontractor should contact the FAA operating administrator.

Pursuant to Sec. 157 of the FAA Reauthorization Act of 2018, all complaints related to prompt payment will be reported in a format acceptable to the FAA, including the nature and origin of the complaint and its resolution.

Enforcement Actions for Noncompliance of Participants

The Airport will make prompt determinations regarding contractors' compliance with this Program. Documentation of noncompliance will include the specific areas in which the contractor failed to comply. In these instances, appropriate actions consistent with the DBE Program and other contract provisions will be taken, and may include withholding future payments, suspension of the contract, notification to stop contract work until the contractor comes into compliance, refusal to award the contract or cancellation of the contract and declaration of forfeiture of the performance bond.

A decision by the Airport to invoke the above sanctions shall be issued in writing by registered mail. The contractor shall have ten days from receipt of the decision to appeal the decision.

Monitoring Contracts and Work Sites

The Airport, with assistance from the RPR, will implement a monitoring and enforcement mechanism that will include written certification that we have reviewed contracting records and monitored work sites. This will be accomplished by regular job meetings, whereas inspections will be made to ascertain personnel, payments, etc., of which will be noted in the job meeting minutes.

Section 26.39 Fostering small business participation.

The ***Auburn-Lewiston Municipal Airport*** has created a Small Business element to structure contracting requirements to facilitate competition by small business concerns, taking all reasonable steps to eliminate obstacles to their participation, including unnecessary and unjustified bundling of contract requirements that may preclude small business participation in procurements as prime contractors or subcontractors.

The ***Auburn-Lewiston Municipal Airport's*** small business program element is incorporated as Attachment 10 to this DBE Program. We will actively implement the program elements to foster small business participation, doing so is a requirement of good faith implementation of our DBE program.

SUBPART C – GOALS, GOOD FAITH EFFORTS, AND COUNTING

Section 26.43 Set-asides or Quotas

The **Auburn-Lewiston Municipal Airport** does not use quotas in any way in the administration of this DBE program.

Section 26.45 Overall Goals

The ***Auburn-Lewiston Municipal Airport*** will establish an overall DBE goal covering a three-

year federal fiscal year period if we anticipate awarding FAA funded prime contracts exceeding $250,000 during any one or more of the reporting fiscal years within the three-year goal period. In accordance with Section 26.45(f) the **Auburn-Lewiston Municipal Airport** will submit its Overall Three-year DBE Goal to FAA by August 1 as required in the schedule established by the FAA:
https://www.faa.gov/about/dbe-and-acdbe-program-reporting-requirements-recipients

DBE goals will be established in accordance with the 2-step process as specified in 49 CFR Part 26.45. If the Airport does not anticipate awarding DOT/FAA funded prime contracts the cumulative total value of which exceeds $250,000 during any of the years within the three-year reporting period, we will not develop an overall goal; however, this DBE Program will remain in effect and the Airport will seek to fulfill the objectives outlined in 49 CFR Part 26.1. The first step is to determine the relative availability of DBEs in the market area, "base figure".

The second step is to adjust the "base figure" percentage from Step 1 so that it reflects as accurately as possible the DBE participation the recipient would expect in the absence of discrimination based on past participation, a disparity study and/or information about barriers to entry to past competitiveness of DBEs on projects.

In establishing the overall goal, the Airport will provide for consultation and publication. This includes consultation with minority, women's and general contractor groups, community organizations, and other officials or organizations which could be expected to have information concerning the availability of disadvantaged and non-disadvantaged businesses, the effects of discrimination on opportunities for DBEs, and the efforts by the Airport to establish a level playing field for the participation of DBEs. The consultation will include a scheduled, direct, interactive exchange (e.g., a face-to-face meeting, video conference, teleconference) with as many interested stakeholders as possible focused on obtaining information relevant to the goal setting process, and it will occur before the Airport is required to submit the goal methodology to the operating administration for review pursuant to §26.45(f). The goal submission will document the consultation process in which the Airport engaged. The proposed goal will not be implemented until this requirement is met.

In addition to the consultation described above, the Airport will publish a notice announcing the proposed overall goal before submission to the FAA on August 1st. The notice will be posted on the Airport's official internet web site and may be posted in other sources (e.g., minority-focused media, trade association publications). If the proposed goal changes following review by FAA, the revised goal will be posted on the official internet web site.

Our Overall Three-Year DBE Goal submission to DOT/FAA will include a summary of information and comments received, if any, during this public participation process and our responses.

We will begin using our overall goal on October 1 of the reporting period, unless we have received other instructions from DOT. If we establish a goal on a project basis, we will begin using our goal by the time of the first solicitation for a DOT-assisted contract for the project.

A description of the methodology to calculate the overall goal and the goal calculations can be found in Attachment 5 to this program.

Section 26.45 – Project Goals

If permitted or required by the FAA Administrator we will express our overall goals as a percentage of funds for a particular grant or project or group of grants and/or projects, including entire projects. Like other overall goals, a project goal may be adjusted to reflect changed circumstances, with the concurrence of the appropriate operating administration. A project goal is an overall goal, and must meet all the substantive and procedural requirements of this section pertaining to overall goals. A project goal covers the entire length of the project to which it applies. The project goal should include a projection of the DBE participation anticipated to be obtained during each fiscal year covered by the project goal. The funds for the project to which the project goal pertains are separated from the base from which your regular overall goal, applicable to contracts not part of the project covered by a project goal, is calculated.

If we establish a goal on a project basis, we will begin using our goal by the time of the first solicitation for a DOT-assisted contract for the project.

Section 26.45(f) - Prior Operating Administration Concurrent

The Airport understands that is not required to obtain prior operating administration concurrence with our overall goal. However, if the operating administration's review suggests that our overall goal has not been correctly calculated or that our method for calculating goals is inadequate, the operating administration may, after consulting with us, adjust our overall goal or require that we do so. The adjusted overall goal is binding. In evaluating the adequacy or soundness of the methodology used to derive the overall goal, the U.S. DOT operating administration will be guided by the goal setting principles and best practices identified by the Department in guidance issued pursuant to Part 26.9.

A description of the methodology to calculate the overall goal and the goal calculations can be found in **Attachment 5** to this program. This section of the program will be updated annually.

Section 26.47 Failure to Meet Overall Goals

The ***Auburn-Lewiston Municipal Airport*** will maintain an approved DBE Program and overall DBE goal, if applicable, as well as administer our DBE Program in good faith to be considered to be in compliance with this part.

If awards and commitments shown on the Uniform Report of Awards or Commitments and Payments at the end of any fiscal year are less than the overall goal applicable to that fiscal year, we will do the following in order to be regarded by the Department as implementing our DBE Program in good faith:

(1) Analyze in detail the reasons for the difference between the overall goal and awards and commitments in that fiscal year;
(2) Establish specific steps and milestones to correct the problems identified in the analysis and to enable us to meet fully our goal for the new fiscal year;
(3) Prepare, within 90 days of the end of the fiscal year, the analysis and corrective actions developed in 1 and 2 above. We will retain copy of analysis and corrective actions in records for a minimum of three years, and will make it available to FAA upon request.

Section 26.51(a-c) Breakout of Estimated Race-Neutral & Race-Conscious Participation

The **Auburn-Lewiston Municipal Airport** will meet the maximum feasible portion of its overall goal by using race-neutral means of facilitating DBE participation. The **Auburn-Lewiston Municipal Airport** follows the State of Maine DBE methodology and the State of Maine aims for 100% race neutral participation.

Section 26.51(d-g) Contract Goals

The **Auburn-Lewiston Municipal Airport** will arrange solicitations, times for the presentation of bids, quantities, specifications, and delivery schedules in ways that facilitate participation by DBEs and other small businesses and by making contracts more accessible to small businesses, by means such as those provided under § 26.39.

If our approved projection estimates that we can meet our entire overall goal for a given year through race-neutral means, we will implement our program without setting contract goals during that year, unless it becomes necessary in order meet our overall goal.

We will establish contract goals only on those DOT-assisted contracts that have subcontracting possibilities. We need not establish a contract goal on every such contract, and the size of contract goals will be adapted to the circumstances of each such contract (e.g., type and location of work, availability of DBEs to perform the particular type of work.

We will express our contract goals as a percentage of the Federal share of a DOT-assisted contract.

Section 26.53 Good Faith Efforts Procedures

Demonstration of Good Faith Efforts (26.53(a) & (c))

The obligation of the bidder/offeror is to make good faith efforts. The bidder/offeror can demonstrate that it has done so either by meeting the contract goal or documenting good faith efforts. Examples of good faith efforts are found in Appendix A to Part 26.

The DBELO is responsible for determining whether a bidder/offeror who has not met the contract goal has documented sufficient good faith efforts to be regarded as responsive.

We will ensure that all information is complete and accurate and adequately documents the

bidder/offeror's good faith efforts before we commit to the performance of the contract by the bidder/offeror.

Information to be Submitted (26.53(b))

Auburn-Lewiston Municipal Airport treats bidder/offers' compliance with good faith efforts' requirements as a matter of ***responsiveness*** – *all bidders submit DBE information at the time of bid*.

Responsiveness - Each solicitation for which a contract goal has been established will require all bidders/offerors to submit the following information at the time of bid:

1. The names and addresses of DBE firms that will participate in the contract;
2. A description of the work that each DBE will perform;
3. The dollar amount of the participation of each DBE firm participating;
4. Written and signed documentation of commitment to use a DBE subcontractor whose participation it submits to meet a contract goal;
5. Written and signed confirmation from the DBE that it is participating in the contract as provided in the prime contractors commitment and
6. If the contract goal is not met, evidence of good faith efforts.

Administrative Reconsideration (26.53(d))

Within 7 business days of being informed by the **Auburn-Lewiston Municipal Airport** that it is not responsive because it has not documented sufficient good faith efforts, a bidder/offeror may request administrative reconsideration. Bidder/offerors should make this request in writing to the following reconsideration official: Derek Boulanger, Director of Facilities and Energy, City of Auburn, 60 Court Street, Auburn ME 04210 (207) 333-6601, x135, dboulanger@auburnmaine.gov. The reconsideration official will not have played any role in the original determination that the bidder/offeror did not document sufficient good faith efforts.

As part of this reconsideration, the bidder/offeror will have the opportunity to provide written documentation or argument concerning the issue of whether it met the goal or made adequate good faith efforts to do so. The bidder/offeror will be sent a written decision on reconsideration, explaining the basis for finding that the bidder did or did not meet the goal or make adequate good faith efforts to do so. The result of the reconsideration process is not administratively appealable to the Department of Transportation.

Good Faith Efforts procedures in situations when there are contract goals (26.53(f)(g))

We will include in each prime contract a provision stating:

> The contractor shall utilize the specific DBEs listed to perform the work and supply the materials for which each is listed unless the contractor obtains your written

consent as provided in this paragraph 26.53(f); and

That, unless our consent is provided under this paragraph 26.53(f), the contractor shall not be entitled to any payment for work or material unless it is performed or supplied by the listed DBE.

Good Faith Efforts when a DBE is replaced on a contract (26.53(f))

Auburn-Lewiston Municipal Airport will require a contractor to make good faith efforts to replace a DBE that is terminated or has otherwise failed to complete its work on a contract with another certified DBE, to the extent needed to meet the contract goal. We will require the prime contractor to notify the DBE Liaison Officer immediately of the DBE's inability or unwillingness to perform and provide reasonable documentation.

In this situation, we will require the prime contractor to obtain our prior approval of the substitute DBE and to provide copies of new or amended subcontracts, or documentation of good faith efforts.

We will provide such written consent only if we agree, for reasons stated in our concurrence document, that the prime contractor has good cause to terminate the DBE firm. For purposes of this paragraph, good cause includes the following circumstances:

1. The listed DBE subcontractor fails or refuses to execute a written contract;
2. The listed DBE subcontractor fails or refuses to perform the work of its subcontract in a way consistent with normal industry standards. Provided however, that good cause does not exist if the failure or refusal of the DBE subcontractor to perform its work on the subcontract results from the bad faith or discriminatory action of the prime contractor;
3. The listed DBE subcontractor fails or refuses to meet the prime contractor's reasonable, non-discriminatory bond requirements.
4. The listed DBE subcontractor becomes bankrupt, insolvent, or exhibits credit unworthiness;
5. The listed DBE subcontractor is ineligible to work on public works projects because of suspension and debarment proceedings pursuant to 2 CFR Parts 180, 215 and 1,200 or applicable state law;
6. We have determined that the listed DBE subcontractor is not a responsible contractor;
7. The listed DBE subcontractor voluntarily withdraws from the project and provides to us written notice of its withdrawal;
8. The listed DBE is ineligible to receive DBE credit for the type of work required;
9. A DBE owner dies or becomes disabled with the result that the listed DBE contractor is unable to complete its work on the contract;
10. Other documented good cause that we have determined compels the termination of the DBE subcontractor. Provided, that good cause does not exist if the prime contractor seeks to terminate a DBE it relied upon to obtain the contract so that

the prime contractor can self-perform the work for which the DBE contractor was engaged or so that the prime contractor can substitute another DBE or non-DBE contractor after contract award.

Before transmitting to us its request to terminate and/or substitute a DBE subcontractor, the prime contractor must give notice in writing to the DBE subcontractor, with a copy to us, of its intent to request to terminate and/or substitute, and the reason for the request.

The prime contractor must give the DBE five days to respond to the prime contractor's notice and advise us and the contractor of the reasons, if any, why it objects to the proposed termination of its subcontract and why we should not approve the prime contractor's action. If required in a particular case as a matter of public necessity (*e.g.,* safety), we may provide a response period shorter than five days.

In addition to post-award terminations, the provisions of this section apply to pre-award deletions of or substitutions for DBE firms put forward by offerors in negotiated procurements.

Section 26.55 Counting DBE Participation

We will count DBE participation toward overall and contract goals as provided in 49 CFR 26.55. We will not count the participation of a DBE subcontract toward a contractor's final compliance with its DBE obligations on a contract until the amount being counted has actually been paid to the DBE.

If the firm is not currently certified as a DBE at the time of the execution of the contract, the Airport will not count the firm's participation toward any DBE goals, except during the period when removal of its eligibility is under review.

Pursuant to Sec. 150 of the FAA Reauthorization Act of 2018, firms that exceed the business size standard will remain eligible for DBE certification and credit on FAA-funded projects as long as they do not exceed the small business size standard, as adjusted by the United States Small Business Administration, for the NAICS code(s) in which they are certified.

SUBPART D – CERTIFICATION STANDARDS

Section 26.61 – 26.73 Certification Process

Auburn-Lewiston Municipal Airport is a non-certifying member of Maine UCP and the UCP will use the certification standards of Subpart D of Part 26 to determine the eligibility of firms to participate as DBEs in DOT-assisted contracts. To be certified as a DBE, a firm must meet all certification eligibility standards. We will make our certification decisions based on the facts as a whole.

For information about the certification process or to apply for certification, firms should contact:

Mary Bryant, Civil Rights Office,
(207) 624-3056 or mary.bryant@maine.gov

Certification application forms and documentation requirements can be found in the link located in Attachment 8 to this program.

SUBPART E – CERTIFICATION PROCEDURES

Section 26.81 Unified Certification Programs Disadvantaged Business Enterprises

The Airport is a member of the MaineDOT UCP and MaineDOT administers the program. The UCP is committed to engaging small disadvantaged, minority and women-owned business enterprises as defined herein in all contracts to the maximum feasible extent, and will continue working to ensure the maximum feasible opportunity for these businesses to participate in contracts financed in whole or in part with federal funds.

The signed agreement with the UCP is attached as Attachment 9.

SUBPART F – COMPLIANCE AND ENFORCEMENT

Section 26.101 Compliance Procedures Applicable to Airport

The Airport understands that if it fails to comply with any requirement of this part, the Airport may be subject to formal enforcement action under §26.103 or §26.105 or appropriate program sanctions by the concerned operating administration, such as the suspension or termination of Federal funds, or refusal to approve projects, grants or contracts until deficiencies are remedied. Program sanctions may include, in the case of the FHWA program, actions provided for under 23 CFR 1.36; in the case of the FAA program, actions consistent with 49 U.S.C. 47106(d), 47111(d), and 47122; and in the case of the FTA program, any actions permitted under 49 U.S.C. chapter 53 or applicable FTA program requirements.

Section 26.109 Information, Confidentiality, Cooperation

We will safeguard from disclosure to third parties information that may reasonably be regarded as confidential business information.

Notwithstanding any provision of Federal or state law, information that may reasonably be construed as confidential business information will not be released to any third party without the written consent of the firm that submitted the information, including applications for DBE certification and supporting information. However, this information will be transmitted to DOT in any certification appeal proceeding under §26.89 or to any other state to which the individual's firm has applied for certification under §26.85.

All participants in the Department's DBE program (including, but not limited to, recipients,

DBE firms and applicants for DBE certification, complainants and appellants, and contractors using DBE firms to meet contract goals) are required to cooperate fully and promptly with DOT and recipient compliance reviews, certification reviews, investigations, and other requests for information. Failure to do so shall be a ground for appropriate action against the party involved (e.g., with respect to recipients, a finding of noncompliance; with respect to DBE firms, denial of certification or removal of eligibility and/or suspension and debarment; with respect to a complainant or appellant, dismissal of the complaint or appeal; with respect to a contractor which uses DBE firms to meet goals, findings of non-responsibility for future contracts and/or suspension and debarment).

The Airport, contractor, or any other participant in the program will not intimidate, threaten, coerce, or discriminate against any individual or firm for the purpose of interfering with any right or privilege secured by this part or because the individual or firm has made a complaint, testified, assisted, or participated in any manner in an investigation, proceeding, or hearing under this part. The Airport understands that it is in noncompliance with Part 26 if it violates this prohibition.

ATTACHMENT 5 – OVERALL GOAL CALCULATIONS

Section 26.45: Overall DBE Three-Year Goal Methodology

Name of Recipient: **Auburn-Lewiston Municipal Airport**

Goal Period: FY-2024-2025-2026 – October 1, 2023 through September 30, 2026

Overall Three-Year Goal: **Auburn-Lewiston Municipal Airport** will meet the maximum feasible portion of its overall goal by using race-neutral means of facilitating DBE participation.

We estimate that, in meeting our overall goal of 1.1**%**, we will obtain 100% from race-neutral participation and 0% through race-conscious measures.

Total dollar amount anticipated to be expended on DBE's is $36,828

Projects expected over the three-year period covered by this DBE Plan:

FY 2024 – Project 1 – Hangar Building - $2,140,000

FY 2025 – Project 1 – Airfield Pavement Maintenance – Crack Seal - $135,000
Project 2 – SRE Building Preliminary Design and Permit - $150,000
Project 3 – Airfield Pavement Maintenance – Pavement Markings - $360,000

FY 2026 – Project 1- SRE Building Final Design and Construction - $563,000

Market Area:

The market area was determined to be Statewide, since the substantial majority of the contractors and subcontractors doing business are located in Maine, and the entire state is the area in which the Airport spends the substantial majority of its contracting dollars.

Step 1. Actual relative availability of DBE's

The Auburn-Lewiston Municipal Airport has elected to use the STEP 1 Methodology. The 2021 Census Bureau Database and the DBE Directory were reviewed to determine the number of ready, willing and able businesses available and ready, willing and available DBEs in our market area, using the same NAICS codes. We then divided the number of DBEs by the number of all businesses to derive a base figure for the relative availability of DBEs in your market.

We examined the anticipated projects for each fiscal year in the Capital Improvement Plan to review the anticipated availability of the DBE firms by trade classification:

Goal Calculation:

Auburn-Lewiston Airport							
Fiscal Year #1 - FY 2024 -							
Contract Name	Trade Description	NAICS Description	Trade ($)	Census	Directory	DBE (%) (= G/F)	DBE ($) (= E x H)
Hangar Building	Engineering/Construction Inspection	541330	$ 739,000.00	304	5	1.6%	$ 11,824
	Architectural	541310	$ 91,000.00	126	0		$ -
	Surveying	541370	$ 35,000.00	87	1	1.1%	$ 385

							$ -
Project #3		Total	$ 360,000.00				$ 4,320
		FY 2025 Total	**$ 645,000.00**			**1.3%**	**$ 8,275**
Fiscal Year #3 - FY 2026 -							
SRE Building - Final Design & Construction	Engineering & Planning/Construction Inspections	541330	$ 93,000.00	304	5	1.6%	$ 1,488
	Surveying	541370	$ 5,000.00	87	1	1.1%	$ 55
	Geotechnical	541380	$ 10,000.00	36	1	2.8%	$ 280
	Site Preparation	238910	$ 20,000.00	622	1	0.2%	$ 40
	Trucking	484220	$ 15,000.00	705	0	0.0%	$ -
	Paving	238990	$ 25,000.00	202	1	0.5%	$ 125
	Landscaping	561730	$ 10,000.00	953	1	0.1%	$ 10
	Structural Steel	238120	$ 200,000.00	12	0	0.0%	$ -
	Foundation	238190	$ 95,000.00	26	1	3.8%	$ 3,610
	Electrical	238210	$ 40,000.00	622	1	0.2%	$ 80
	Stormwater	237110	$ 20,000.00	61	0	0.0%	$ -
	Plumbing/HVAC	238220	$ 30,000.00	705	1	0.1%	$ 30
		FY 2026 Total	**$ 563,000.00**			**1.0%**	**$ 5,718**

Summary			
Project	Project Breakdown	DBE %	
FFY 2024	$ 2,140,000	1.1%	
FFY 2025	$ 645,000	1.3%	
FFY 2026	$ 563,000	1.0%	
TOTALS:	$ 3,348,000	1.1%	

Step 2. Adjustments to Step 1 Base Figure.

Past History Participation

Other data used to determine the adjustment to the base figure was the median of historical DBE accomplishments as follows:

FY	Total AIP Grant $ Amount	DBE Goal	DBE Accomplishment	Type of Work
FY 2021	$1,822,585	2.7	0.9	Administration/Land Acquisition/Construction
FY 2022	0	2.7	0	NA
FY 2023	$351,900	2.7	0	Planning

Our proposed overall three-year goal accomplishment will be reflected as a median: 0%

After calculating a weighted base figure for the relative availability of DBEs, evidence was examined to determine what adjustment, if any, was needed to be made to the weighted base figure in order to yield an overall goal. Historically, obtaining DBE participation has been challenging despite the good faith efforts being conducted. The Airport is adopting the Step 1 Base Figure of 1.1%.

Further, there are no applicable disparity studies for the local market area or recent legal case information available to show any evidence of barriers to entry or competitiveness of DBEs in Maine.

The **Auburn-Lewiston Municipal Airport** will submit its overall DBE three-year goal to DOT on August 1 as required by the set schedule.

Breakout of Estimated "Race and Gender Neutral" (RN) and "Race and Gender Conscious" (RC) Participation.

The Airport will meet the maximum feasible portion of the overall goal by using RN means of facilitating DBE participation.

1. Arranging solicitations, times for the presentation of bids, quantities, specifications, and delivery schedules in ways that facilitates DBE, and other small businesses, participation;
2. Providing technical assistance and other services;
3. Carrying out information and communications programs on contracting procedures and specific contract opportunities;
4. Providing services to help DBEs and other small businesses improve long-term development, increase opportunities to participate in a variety of kinds of work, handle increasingly significant projects, and achieve eventual self-sufficiency;
5. Ensuring distribution of DBE directory, through print and electronic means, to the widest feasible universe of potential prime contractors;
6. Assist DBEs and other small businesses, to develop their capability to utilize emerging technology and conduct business through electronic media; and

The Airport estimates that in meeting the established overall goal of 1.1%, it will obtain 1.1% from RN participation and 0% through RC measures.

PUBLIC PARTICIPATION

As Maine's only Unified Certification Program entity, MaineDOT has done extensive public outreach to ensure that eligible businesses are aware of the DBE Program. For many years, MaineDOT has hired Eastern Maine Development Corporation, a community development and small business development agency, to administer its DBE Supportive Services Program. EMDC's contract with MaineDOT includes a recruitment component that requires the consultant to promote the DBE program to businesses at trade shows, networking and matchmaker events.

Several interested stakeholders were notified directly by e-mail of the goal publication, including contracting groups, and women business organizations. These individuals were also invited to participate in a conference call to discuss the methodology and the DBE program. E-mails were sent out to the following:

PUBLIC NOTICE

The **Auburn-Lewiston Municipal Airport** hereby announces its fiscal year 2024-2026 goal of **1.1%** for Disadvantaged Business Enterprise (DBE) airport construction projects. The proposed goals and rationale is available for inspection during normal business hours at **the Auburn-Lewiston Municipal Airport, 80 Airport Drive*, Auburn, ME 04210*** for 30 days from the date of this publication.

Comments on the DBE goal will be accepted for 30 days from the date of this publication and can be sent to the following:

Demonstration of Good Faith Efforts

ATTACHMENT 7

DBE Monitoring and Enforcement Mechanisms

The **Auburn-Lewiston Municipal Airport** has a breach of contract action, pursuant to the terms of the contract, option available to enforce the DBE requirements contained in its contracts.

In addition, the Federal government has available several enforcement mechanisms that it may apply to firms participating in the DBE problem, including, but not limited to, the following:

1. Suspension or debarment proceedings pursuant to 49 CFR Part 26
2. Enforcement action pursuant to 49 CFR Part 31
3. Prosecution pursuant to 18 USC 1001.

AGREEMENT
Between the
MAINE DEPARTMENT OF TRANSPORTATION
OFFICE OF HUMAN RESOURCES
And
Auburn-Lewiston Municipal Airport

This Agreement is made this 4 day of April, 2002, by and between the **State of Maine,** through its **Department of Transportation (MDOT),** with an address of 16 State House Station, Augusta, Maine, and Auburn-Lewiston Municipal Airport with an address of 80 Airport Drive, Auburn, Maine.

I. AGREEMENT

MDOT and the named party hereby agrees as follows:

1. The named party agrees that as a recipient of USDOT financial assistance it will cooperate fully with the Maine Department of Transportation in the certification of Disadvantaged Business Enterprises.

2. The named party agrees it shall utilize the MDOT Disadvantaged Business Enterprise Certification program.

3. The named party agrees to refer potential applicants for DBE Certification to MDOT.

4. The named party agrees to honor the decisions made by MDOT with respect to certification decisions made in accordance with 49 CFR Parts 23 and 26 Subpart E Certification Procedures.

5. MDOT will accept, review, and make determinations about DBE Certification for those entities referred to it by the named party.

II TERMS

This Agreement remains in place indefinitely.

SEEN AND AGREED TO BY:

MAINE DEPARTMENT OF TRANSPORTATION

ATTACHMENT 10

SMALL BUSINESS PARTICIPATION

A. Objective (49 CFR Part 26.39)

Recognizing that the DBE Program goals should be met through a mixture of race conscious and race neutral methods and, that by definition, DBE firms are small businesses, the **Auburn-Lewiston Municipal Airport** will implement a small business element into its DBE policy in accordance with applicable law. **Auburn- Lewiston Municipal Airport** is including this element to facilitate competition by and expand opportunities for small businesses. **Auburn-Lewiston Municipal Airport** is committed to taking all reasonable steps to eliminate obstacles to small businesses that may preclude their participation in procurements as prime contractors or subcontractors. **Auburn-Lewiston Municipal Airport** will meet its objectives using a combination of the following methods and strategies:

1. Set asides:

   Where feasible, **Auburn-Lewiston Municipal Airport** will establish a percentage of the total value of all prime contract and subcontract awards to be set aside for participation by small businesses on FAA-assisted contracts. A "set-aside" is the reserving of a contract or a portion of a contract exclusively for participation by small businesses. This requires that **Auburn-Lewiston Municipal Airport** and its prime contractors/ consultants set aside a portion of the value of each contract for participation by small businesses. A small business set-aside is open to all small businesses regardless of the owner's gender, race or geographic location. The project manager and DBELO will review FAA-assisted purchases and contracts to assess the small business opportunities, giving consideration to the size and scope of each purchase or contract to establish the set aside percentage. This set aside is in addition to the DBE contract goals which may be required pursuant to applicable law or policy. In the event that a set-aside is not established on an FAA- assisted contract, the project manager and small business officer will document why a small business set- aside is inappropriate.

2. Unbundling:

   The **Auburn-Lewiston Municipal Airport**, where feasible, may "unbundle" projects or separate large contracts into smaller contracts which may be more suitable for small business participation. **Auburn-Lewiston Municipal Airport** will conduct contract reviews on each FAA-assisted contract to determine whether portions of the project could be "unbundled" or bid separately. Similarly, **Auburn-Lewiston Municipal Airport** will encourage its prime contractors or prime consultants to unbundle contracts to facilitate participation by small businesses.

B. Definitions

1. Small Business:

   A small business is a business that is independently owned and operated, is organized for profit, and is not dominant in its field. Depending on the industry, size standard eligibility is based on the average number of employees for the preceding twelve months or on sales volume averaged over a three-year period. Small businesses must meet the definitions specified in Section 3 of the Small Business Act and the Small Business Administration regulations implementing it (13 CFR Part 121).

2. Disadvantaged Business Enterprise:

   A for-profit small business (as defined by the Small Business Administration) —

   - That is at least 51 percent owned by one or more individuals who are both socially and economically disadvantaged or, in the case of a corporation, in which 51 percent of the stock is owned by one or more such individuals;
   - Whose socially and economically disadvantaged owners do not exceed the personal net worth (PNW) described in 49 CFR Part 26. The current PNW cap is $1.32 million.
   - Whose management and daily business operations are controlled by one or more of the socially and economically disadvantaged individuals who own it; and
   - Has been certified as a DBE by the State Department of Transportation (MaineDOT) in accordance with 49 CFR 26.

For the purposes of the small business element of the **Auburn-Lewiston Municipal Airport's** DBE Program, small businesses which are also owned and controlled by socially disadvantaged individuals will be encouraged to seek DBE certification. Only DBE certified firms will be counted towards DBE race-neutral participation on FAA-assisted contracts.

C. Certification and Verification Procedures

Auburn-Lewiston Municipal Airport will accept the following certifications for participation in the small business element of their DBE Program with applicable stipulations:

1. State DOT DBE Certification – DBE Certification by the State DOT which stipulates that a firm has been determined to meet all the requirements in accordance with 49 CFR Part 26. All certification determinations are evidenced by a letter of DBE certification issued by the State DOT.

2. State DOT Small Business Enterprise (SBE) – Will require submittal of three years of business tax returns and page 2 of the State DOT DBE Certification application after contract award.

3. SBA 8(a) Business Development Certification (as described in 13 CFR Parts 121 and 124) - will require submittal of three years of business tax returns.

Special Note: Minority and women-owned business enterprises which are awarded contracts under the small business enterprise set aside will be strongly encouraged to seek DBE certification in order to be counted towards race neutral DBE participation.

D. Implementation Schedule

Auburn-Lewiston Municipal Airport will implement this small business element within nine months of the FAA's approval of this document describing the element.

E. Assurances

The **Auburn-Lewiston Municipal Airport** makes the following assurances:

1. The DBE Program, including its small business element is not prohibited by state law;

2. Certified DBEs that meet the size criteria established under the DBE Program are presumptively eligible to participate in the small business element of the DBE Program;

3. There are no geographic or local preferences or limitations imposed on FAA-assisted contracts and the DBE Program is open to small businesses regardless of their location;

4. There are no limits on the number of contracts awarded to firms participating in the DBE Program;

5. Reasonable effort will be made to avoid creating barriers to the use of new, emerging, or untried businesses; and

6. Aggressive steps will be taken to encourage those minority and women owned firms participating in the small business element of the DBE Program that are eligible for DBE certification to become certified.

Greetings,

I am Darlene Conant, director of Salt & Light Community Center. I am sharing our proposal for the Coffee House we would like to open. We have served the downtown Hampshire Street neighborhood now for 4 years supporting youth and hosting several Community Events.

Our 2024 initiative centers around a dual mission for the Coffee House.

- A robust teen mentoring program where we would employ youth from our community to be paired with trained volunteer mentors. Our programming centers around 4 health pillars (Physical, Emotional , Spiritual, & Financial Health) and is trauma based programming supporting the many challenges represented within our community.
    - Contracts with both Mentors and Mentees will support detailed expectations.

- Partnering with agencies and community members supporting homelessness in our community offering a space to service our unhoused population.

The small lot we would like to use in support of this program is currently city owned and sits at the rear of the parking lot located at the end of Hampshire St next to 141 Hampshire St which is an apartment unit I own. The space is a grassy area at the back of the parking lot and would not interfere with any parking capacity. The Coffee House we have available to us for purchase is on wheels and can be moved, it does measure 12X25 which is not considered food truck size.

The goal would be to allow the coffee house to remain on the property year round as it does sit as a gateway into Chestnut park where much of our programming takes place and is also the home of the community sledding hill and would support the year round programming and special events we offer. In the initial stages our goal would be to open on Friday evenings and Saturdays & Sundays. As the program grows, and during the summer months extended hours would be offered.

I would also like to submit for consideration, would the city be able to support granting, leasing, or selling the small area to Salt & Light enabling us to serve our community in a greater capacity.

I am available to speak in more detail or answer any question at your convenience.

We appreciate your consideration of this proposal.

To: Auburn Mayor and City Council

From: Eric J. Cousens, Planning and Permitting Director

Re: Use of City Property – 143 Hampshire Street Parking Area

Date: March 18, 2024 Council Meeting

Darlene Conant with Salt and Light Community Center has been considering and proposing various options to stage a Coffee House on City property at the City Parking lot at 143 Hampshire Street. City staff has been clear from the beginning of the discussion that it may be possible for the use of a parking spot on City land for day use for a food truck or food trailer but the City has not allowed long term placement of a mobile unit or food service structures at CDBG funded neighborhood parking/winter relief lots in the past. This communication includes the additional materials supplied to describe the proposal. The parking lot is regularly used and many parking spaces are occupied on any given day. Staff does not believe long term placement of a food service building or trailer would be in line with past practices for the use of City owned neighborhood parking lots and we don't have an established process to consider this. If the Council wishes to formally consider this proposal then it could be added to a future agenda by a vote of the Council or the normal agenda setting process.

Mayor's Ad-Hoc Committee on Homelessness

Charge

The **Mayor's Ad-hoc Committee on Homelessness** is to assess the current state of homelessness in Auburn. Provide advice and recommendations to the City Council to address the homeless issue by identifying the role of the city government, identifying organizations the city can partner with, and identifying a strategy and priority activities to be undertaken.

Reporting

The Committee will file a periodic report to the City Council as key milestones are completed. The Committee's webpage will be updated regularly to keep residents informed.

City of Auburn
City Council Information Sheet

Council Meeting Date: March 18, 2024 **Ordinance:** 07-03042024

Author: Sue Clements-Dallaire, City Clerk

Subject: Removing the Fee Schedule from the Code of Ordinances

---

Information: The action of Ordinance 07-03042024 removes the fee schedule from ordinance. If passed, an order will come before you to adopt the current fee schedule establishing it as a stand alone document which may be amended by the City Council from time to time as an order, which requires one reading as opposed to an ordinance which requires two separate readings and a public hearing.

City Budgetary Impacts: None

Staff Recommended Action: Recommend passage of second and final reading.

Previous Meetings and History: Public hearing and passage of first reading on March 4, 2024.

City Manager Comments:

I concur with the recommendation. Signature: Phillip Crowell Jr.

Attachments:

ORDINANCE: 07-03042024

City Council Ordinance

IN CITY COUNCIL

BE IT ORDAINED by the Auburn City Council that Chapter 1, General Provisions, of the Code of Ordinances be amended as follows:

Chapter 1 GENERAL PROVISIONS

Sec. 1-2. Definitions and rules of construction.

In the construction of this Code, and of all ordinances, the rules and definitions set out in this section shall be observed, unless such construction would be inconsistent with the manifest intent of the city council. The rules of construction and definitions set out in this section shall not be applied to any section of this Code which shall contain any express provision excluding such construction, or where the subject matter or context of such section may be repugnant thereto.

Fee schedule or *schedule of fees and charges.* The term "fee schedule" or "schedule of fees and charges" means the official consolidated list maintained in the city clerk's office that lists rates for utility or other public enterprises, fees of any nature, deposit amounts and various charges as determined from time to time by the city council by council order.

Sec. 1-10. Form of Code; repository; maintenance; fee schedule.

A copy of this Code shall be kept on file in the office of the city clerk, preserved in looseleaf form, or in such other form as the clerk may consider most expedient. It shall be the express duty of the clerk or his designee to insert in their designated places all resolutions, general resolutions and ordinances that indicate the intention of the city council to make the same a part of this Code, when the same have been printed or reprinted in page form, and to extract from this Code all provisions that may be from time to time repealed by the city council. A copy of this Code shall be available in the office of the city clerk for examination by all persons.

A copy of the fee schedule, as established and amended by council order, shall be kept on file in the office of the city clerk and may be appended to the Code for ease of reference, but the fee schedule is not itself an ordinance.

Passage of first reading on 3/4/2024 6-0 (Councilor Milks absent).

Author: Eric J. Cousens, Planning and Permitting Director

Subject: 46 Fair Street – Dangerous Building Public Hearing and Order

---

Information: The City of Auburn staff has responded to complaints of dangerous conditions at the property over an extended period. Dangerous conditions have been confirmed to exist at the property and the owner of the property has been unwilling or unable to resolve the issues.

To address the issues at the property and eliminate the dangerous conditions the Auburn City Council will hold a dangerous building hearing regarding the above-captioned property on March 18, 2024, at 7:00 PM. The hearing will be held at Auburn, Hall, 60 Court Street, Auburn, Maine. During the hearing, the City Council will consider whether the buildings located on the property constitute dangerous buildings under 17 M.R.S. § 2851, with possible actions and orders to follow.

To adjudge a building to be a nuisance or dangerous, the municipal officers or county commissioners must find that the building is structurally unsafe, unstable, or unsanitary; constitutes a fire hazard; is unsuitable or improper for the use or occupancy to which it is put; constitutes a hazard to health or safety because of inadequate maintenance, dilapidation, obsolescence, or abandonment; or is otherwise dangerous to life or property.

Proper notice to parties of interest have been made and supporting information is included in the attached information packet. At the meeting staff will provide a review of conditions at the property and explain attempts to convince the owner to remedy the dangerous conditions in order to protect the public from harm. After a public hearing the Council will be asked to review draft findings of fact and determine if an order to abate the hazardous conditions is warranted under 17 M.R.S. § 2851. The draft findings and order are provided in the attached packet. If the property constitutes a dangerous building under 17 M.R.S. § 2851, the Council should order the abatement of the hazardous conditions within 30-90 days.

As of 3/13/24, the owner has responded and wishes to save the structure by providing a plan for rehabilitation. Staff has instructed the owner on a plan that might gain staff support and a recommendation to modify the corrective actions if certain actions are taken and documentation provided by noon on 3/18/24. Staff will provide an update at the Council meeting and may recommend an alternative order that includes the option of a hazard abatement and rehabilitation plan with defined parameters and timelines.

City Budgetary Impacts: NA

Staff Recommended Action: If the property constitutes a dangerous building under 17 M.R.S. § 2851, the Council should order the abatement of the hazardous conditions. Staff provided draft findings and order that may be modified based on information presented between now and the conclusion of the Hearing.

Previous Meetings and History: None

City Manager Comments:

I concur with the recommendation. Signature: Phillip Crowell Jr.

Attachments: Information packet for 46 Fair Street, including draft findings and Order.

46 FAIR STREET DANGEROUS BUILDING HEARING
MARCH 18, 2024

Good evening, Mr. Mayor, and Councilors. As you know, my name is Jennifer Dick, and I serve as the City's Code Compliance Officer. As part of my duties as Code Compliance Officer I am tasked with the enforcement of adopted code and ordinance compliance throughout the City of Auburn. I have served as code compliance officer for the city for approximately the last 18 months with certifications in residential building inspection, internal plumbing, and subsurface wastewater. I have a nearly 15-year history in the implementation of safe housing enforcement with certifications in Housing Quality Standards and Uniform Physical Conditions Standards.

Tonight, I am tasked with explaining to the Council why City Staff has concluded that the structure located at 46 Fair Street in Auburn constitutes a "Dangerous Building" within the meaning of Title 17, Section 2851, of the Maine Revised Statutes. I have made several attempts at giving the owner the opportunity to properly secure the property. I have personally spoken by phone and sent numerous letters. Over the course of the last year, staff have received multiple complaints and concerns regarding the property at 46 Fair Street. I have offered significant opportunity to mitigate the imminent public safety risk that it is today and from an enforcement standpoint, I have exhausted all other options at my disposal for the removal of this risk. That is why we are here tonight, I am asking you to render an order that the structure located at this address be declared a dangerous building within the meaning of the statute, that you order the property to be demolished within 30 days.

1. **Background on the property:**

A. Property Details:

Registry of Deeds book and page reference of subject property: Book # 10877 - Page # 16

Property Description: This property contains 0.54 acres of land mainly classified as a colonial single-family home, built about 1870, having wood exterior and an asphalt shingle roof cover, 8 total room(s), 4 total bedroom(s), 2 total bath(s), 0 total half bath(s), 0 total 3/4 bath(s).

B. Ownership of the Property and Identification of Parties-in-Interest:

Before preparing the notices of tonight's hearing, the City attorney conducted a search of the Registry of Deeds to verify ownership of this property. That search discovered that warranty of deed from Alan F Mackey to Red Coral Investments LLC dated September 14, 2021, and recorded in Book 10877, Page 16, in the Androscoggin County Registry. The mortgage identifies Red Coral Investments LLC as the owner. Parties of interest include: 32 Ventures LLC, F and F

Ventures II LLC, Auburn Water District, Auburn Sewer District and City of Auburn. Please reference Exhibit 1 Memorandum

All interested parties have been given notice of tonight's hearing, and at tonight's hearing, they are being given an opportunity to be heard. Notice was provided as soon as staff determined that there is no intention that any of the interested parties planned to mitigate the safety hazards while the conditions of the property continue to deteriorate, that the City could not afford to wait beyond tonight to hold this hearing.

C. Summary of the dangerous building statute's legal standard and remedies permitted.

The legal standard you are asked to apply is contained in Title 17 of the Maine Revised Statutes, Section 2851, and the following sections. Section 2851 defines a "Dangerous Building" as one which the municipal officers deem to be "structurally unsafe; unstable; unsanitary; constitutes a fire hazard; is unsuitable or improper for the use or occupancy to which it is put; constitutes a hazard to health or safety because of inadequate maintenance, dilapidation, obsolescence or abandonment; or is otherwise dangerous to life or property." If the municipal officers make such a determination, they may, "after notice and hearing on this matter adjudge the same to be a nuisance or dangerous and may make and record an order prescribing what disposal must be made of that building or structure," up to and including the demolition of the structure.

I have found that the building onsite satisfies those criteria. If you agree, we request that the Council order Red Coral Investments LLC to demolish the building within 30 days. If the Building is not demolished within 30 days, we ask that the City be authorized to conduct the demolition and to assess a special tax against the property in order to recoup the City's costs and expenses, as permitted by the statute. If you designate such a nuisance and/or order it removed by the owner, State law requires that the City "shall cause said nuisance to be abated or removed in compliance with" your order, and all expenses of the City incurred in connection with this removal, including costs of title searches, service of process, costs incurred in securing the structures pending removal, and all other costs incurred by the City which are reasonably related to the removal of the structure, shall be paid by the owner and may be assessed as a special tax against the property.

A. History of the City's Enforcement Actions and Interactions with this Property.
II. Review affidavit.

As a result of the conditions described above, I believe 46 Fair Street meets section 2-A. Standard of MRS Title 17 §2851 and qualifies as a Dangerous Building. The 46 Fair Street Property constitutes a hazard to the health and safety of our neighborhoods and community

members due to inadequate maintenance, substandard work practices and a reluctancy to properly secure the building. Red Coral Investments LLC having an inability or an unwillingness to remediate the dangerous conditions at 46 Fair Street despite being afforded extensive opportunity to do so.

Therefore, City Staff are requesting that you adopt the proposed findings of fact and conclusions of law that we have provided tonight. We request that you designate the structure at 46 Fair Street as a dangerous building, that you order Red Coral Investments LLC to demolish 46 Fair Street property within 30 days of the date of your order (which would be April 17, 2024, assuming you act tonight).

MEMORANDUM

TO: Mark Bower

FROM: Margaret MacLean

RE: City of Auburn - 46 Fair Street (2526.16)

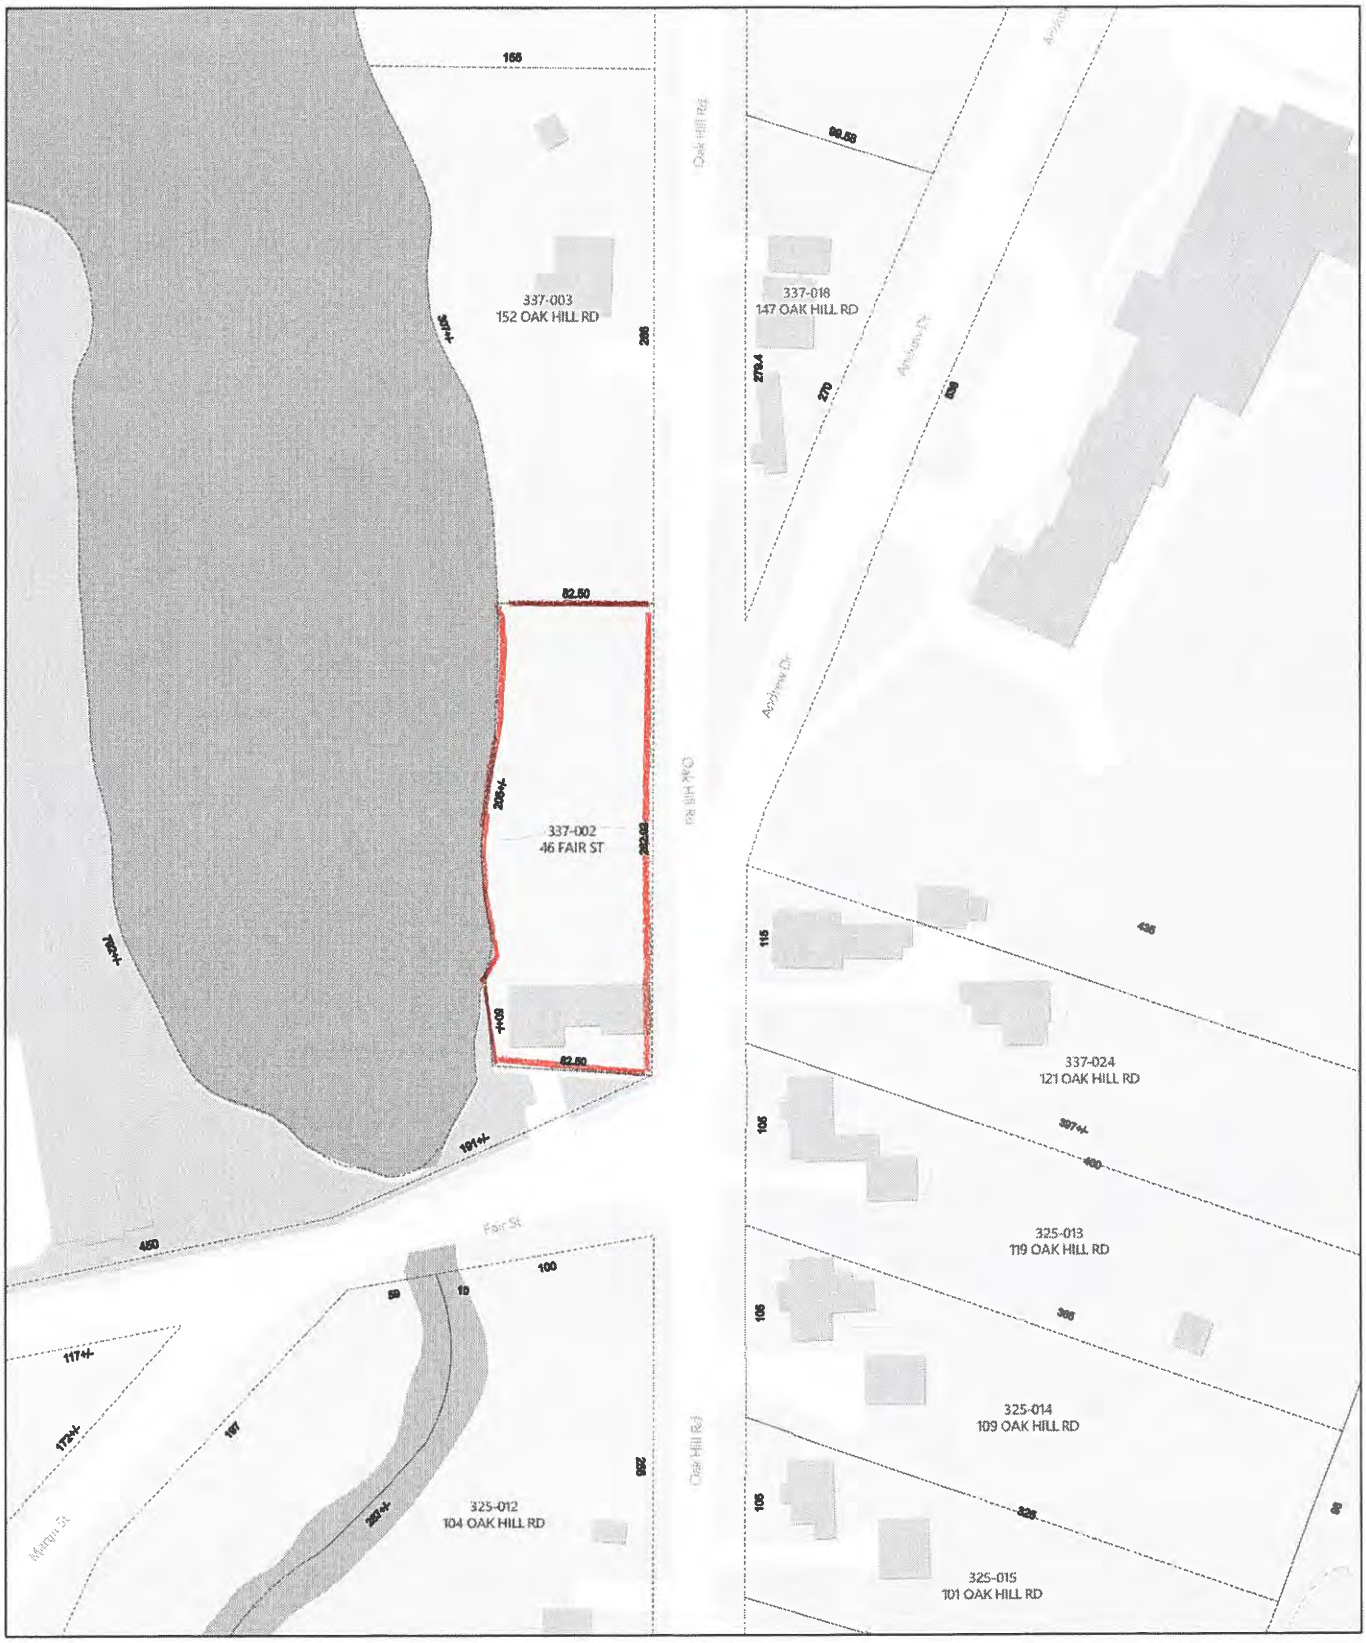
DATE: February 2, 2024

I have done a current owner search at the Androscoggin County Registry of Deeds for property owned by Red Coral Investments, LLC a/k/a RedCoral Investments, LLC from September 2021 through February 1, 2024 and have found the following regarding 46 Fair Street:

- Warranty Deed from Allan F. Mackey to Red Coral Investments, LLC dated September 14, 2021 and recorded in Book 10877, Page 16

- Mortgage, Security Agreement, Lease Assignment and Financing Statement from RedCoral Investments, LLC to 32 Ventures LLC in the original principal amount of $90,000.00 dated June 23, 2022 and recorded in Book 11139, Page 27

- Mortgage from RedCoral Investments, LLC to F and F Ventures II, LLC in the original principal amount of $235,000.00 dated June 26, 2023 and recorded in Book 11402, Page 64



- Municipal Lien due Auburn Water District for property at 46 Fair Street, Account No. 44-8544-002, in the amount of $438.88, plus any additional fees and interest, dated September 21, 2022 and recorded in Book 11216, Page 186

- Municipal Lien due Auburn Sewer District for property at 46 Fair Street, Account No. 44-8544-002, in the amount of $511.59, plus any additional fees and interest, dated September 20, 2022 and recorded in Book 11216, Page 192

- Municipal Lien due City of Auburn for real estate taxes for at 46 Fair Street, Tax Map 337, Lot 2, in the amount of 3,209.05, plus any additional fees and interest, dated July 11, 2023 and recorded in Book 11388, Page 11

MORTGAGE, SECURITY AGREEMENT, LEASE ASSIGNMENT AND FINANCING STATEMENT

KNOW ALL PERSONS BY THESE PRESENTS THAT REDCORAL INVESTMENTS, LLC, a Maine Limited Liability Company with a mailing address of 3225 McLeod Drive Las Vegas, NV 89121 (Hereinafter called "Grantor")

For consideration paid, the receipt and sufficiency of which is hereby acknowledged, does hereby Give, Grant, Bargain, Sell, Assign and Convey, with MORTGAGE COVENANTS unto **32 Ventures LLC, a** Georgia Limited Liability Company having a place of business at 5 Winding Way Savannah, GA 31419 (hereinafter called "Grantee"), to secure the payment of **NINETY THOUSAND DOLLARS AND 00/100 ($90,000.00)** (the "Loan") with interest and other charges, as applicable, in accordance with the terms and conditions of a Promissory Note of even date herewith (the "Note") and all other related loan documents given by Grantor to Grantee (the related loan documents, the Note, and this Mortgage hereinafter collectively the "Loan Documents"), and to secure other obligations, all as hereafter set forth, a certain lot or parcel of land, with the buildings and improvements thereon, situated at ***46 Fair Street Auburn, Maine,*** and all easements and rights appurtenant thereto (the "Mortgaged Premises"), all as more particularly described in Exhibit A attached hereto;

TO HAVE AND TO HOLD the aforegranted and bargained Mortgaged Premises, and the other Collateral as provided below, with all the privileges and appurtenances thereof, to Grantee, its successors and assigns, to its and their use and behoof forever;

PROVIDED NEVERTHELESS, that if Grantor pays to Grantee the amount of the Loan, together with interest and other liabilities charges under the Loan Documents, as applicable, in accordance with all the terms and conditions of this Mortgage and the aforesaid Loan Documents of even date signed and given by Grantor to Grantee and shall repay when due all other advances which are made by Grantee to or for the benefit of Grantor in accordance with the provisions set forth herein and other provisions hereof, as said Note of even date and any notes or evidences of such advances may be renewed, extended and modified from time to time, and until such payment performs all of Grantor's obligations, covenants and agreements contained herein and contained in said Note, then this Mortgage deed, as also said certain Note, shall be void, otherwise shall remain in full force.

Section 1. Security Interest in Personal Property. The Grantor also conveys herewith a security interest in the Grantor's personal property, as provided below:

Section 1.1. Definitions. All capitalized terms used herein without definitions shall have the respective meanings provided therefor in the Loan Documents. The term "State," as used in this Mortgage, means the state of the Grantor's organization as identified in the first paragraph of this Mortgage. All terms defined in the Uniform Commercial Code (the "UCC") of the State and used herein shall have the same definitions herein as specified therein; ***provided, however,*** that the term "instrument" shall be such term as defined in Article 9 of the Uniform Commercial Code of the State rather than Article 3. The term "Obligations," as used in this Mortgage, means all of the indebtedness, obligations, and liabilities of the Grantor to the Grantee, individually or collectively, whether direct

without limitation the items described, if any, as follows: and if the foregoing is left blank, no such items exist as of the date hereof.

Section 1.3. Authorization to File Financing Statements. The Grantor hereby irrevocably authorizes the Grantee at any time and from time to time to file in any Uniform Commercial Code jurisdiction any initial financing statements and amendments or addendums thereto that: (a) indicate the Collateral (i) as all assets of the Grantor or words of similar effect, regardless of whether any particular asset comprised in the Collateral falls within the scope of Article 9 of the Uniform Commercial Code of the State or such jurisdiction, or (ii) as being of an equal or lesser scope or with greater detail; and (b) contain any other information required by Part 5 of Article 9 of the Uniform Commercial Code of the State for the sufficiency or filing office acceptance of any financing statement or amendment, including (i) whether the Grantor is an organization, the type of organization and any organization identification number issued to the Debtor and, (ii) in the case of a financing statement filed as a fixture filing or indicating Collateral as as-extracted collateral or timber to be cut, a sufficient description of real property to which the Collateral relates. The Grantor agrees to furnish any such information to the Grantee promptly upon request. The Debtor also ratifies its authorization for the Grantee to have filed in any Uniform Commercial Code jurisdiction any like initial financing statements or amendments thereto if filed prior to the date hereof.

Section 1.4. Financing Statement. Grantor hereby acknowledges and agrees that the within Mortgage shall be effective as a financing statement filed or recorded as a fixture filing:

FINANCING STATEMENT

Name and Address of Debtor:	**Name and Address of Secured Parties:**
RedCoral Investments LLC **3225 McLeod Drive** **Las Vegas, NV 89121**	**32 Ventures LLC** **5 Winding Way** **Savannah, GA 31419**

(a) This financing statement covers the types (items) of property (or goods) hereinabove described; (b) the above goods are, or are to become, fixtures on real estate situated at the Mortgaged Premises, being more particularly described in Exhibit A, attached hereto, and by this reference made a part hereof; and (c) the name of the record owner of the real estate is the Grantor.

Section 1.5. Other Actions. Further to ensure the attachment, perfection, and first priority of, and the ability of the Grantee to enforce the Grantee's security interest in the Collateral, the Grantor agrees, in each case at the Grantor's own expense, to take the following actions with respect to the following Collateral:

Section 1.5 (a). Collateral in the Possession of a Bailee. If any goods are at any time in the possession of a bailee, the Grantor shall promptly notify the Grantee thereof and, if requested by the Grantee, shall promptly obtain an acknowledgment from the bailee, in form and substance

In Witness whereof, I, **Zahid Abid, Member of RedCoral Investments, LLC** have hereunto set my hand and seal this **June ~~25~~ 23, 2022.**

Signed Sealed and Delivered

RedCoral Investments, LLC
By: Zahid Abid
Its: Member

State of Maine
County of Cumberland, ss. June ~~25~~ 23, 2022

Then personally appeared the above- named Zahid Abid and acknowledged the foregoing Instrument to be his free act and deed in his stated capacity and the free act and deed of RedCoral Investments, LLC.

KNOW ALL BY THESE PRESENTS, that **RedCoral Investments, LLC,** a Maine limited liability company with a mailing address of **3225 McLeod Drive, Las Vegas, NV 89121** ("Grantor"), for consideration paid, grants to **F and F Ventures 11, LLC**, a Nevada limited liability company with a mailing address of **15887 Ave. 264, Visalia, CA 93292** ("Grantee"), its heirs, successors or assigns, **with Mortgage Covenants**, to secure payment of the sum of **Two Hundred Thirty Five Thousand and no/100 Dollars ($235,000.00)** by the undersigned as set forth in a certain Promissory Note of even date hereof (the "Note"), due and payable on or before **June 26, 2024**, and also to secure the performance of all agreements and covenants herein contained, that certain real property located at **46 Fair Street, Auburn, ME 04210,** as more fully described in Exhibit A attached hereto and fully incorporated herein by reference (the "Premises").

This mortgage is upon the Statutory Condition, for any breach of which the mortgagee(s) shall have the remedies provided for by law.

Grantor covenants and agrees with Grantee as follows:

1. To keep the Premises in good order, repair and condition, damage from casualty expressly not excepted, and to remove or alter anything which constitutes part of the Premises without the consent of the Grantee;
2. To pay all taxes and assessments on the Premises before interest or penalties accrue;
3. To pay according to their terms all debts and obligations of the Grantor to whomever due, secured by any mortgage, security agreement or other lien affecting the above-described Premises existing prior hereto;
4. Not to commit nor suffer a breach of any term, covenant or agreement of any such debts, obligations, mortgages, security agreements or other liens;
5. To keep the Premises insured (a) under a policy of casualty and extended coverage insurance in an amount at least equal to the total principal amount due on this Mortgage and any other mortgage on the Premises, said policy to show Grantee, and (b) if required by applicable law, under a policy of flood insurance in an amount at least equal to the indebtedness secured hereby;
6. To pay when due all fees and charges incurred by the Note holder incident to (a) the loan transaction evidenced by the Note and secured by this Mortgage, (b) the assurance of security represented by this Mortgage, and (c) the enforcement of the Note and this Mortgage;
7. Not to convey, transfer or encumber the Premises, or to alter, amend, refinance renew or extend or otherwise modify any mortgage presently on the Premises, excluding a transfer by devise or descent, without the prior written consent of the Grantee; and

If the Grantor fails to provide and maintain insurance or pay taxes or assessments as provided in items 2 and 5 above the Grantee may at their sole option, provide such insurance or pay such taxes or assessments and the Grantor promises to pay to the Grantee, upon demand, all costs and expenses incurred by the Grantee in providing such insurance or paying such taxes or assessments together with interest at the rate set forth in the Note.

Upon the occurrence of any event of default as defined in the Note, or upon any breach of any covenant or agreement herein contained, the Grantee, their successors, heirs and assigns shall have all remedies proved by law as of the date of such default, including but not limited to the option to declare all indebtedness secured by this Mortgage due and payable at once. Election by the Grantee, their heirs, successors or assigns not to foreclose or exercise any rights under the Note, as to any one event of default, shall not constitute a waiver of any rights of Grantee, successors, heirs or assigns, as to any subsequent event of default as to which this condition shall remain in full force and effect.

Upon any sale of the Premises upon foreclosure, the Grantee shall be entitled to retain from said proceeds all sums due from the discharge of any indebtedness secured hereby and all reasonable sums due from the expense of foreclosure, repossession, necessary repairs and other costs reasonably sustained in realizing on such security including reasonable attorney's fees.

The covenants contained herein shall bind the heirs, successors, assigns and personal representatives of the Grantor and shall inure to the benefit of Grantee, their heirs, successors and assigns. Wherever used, the singular number shall include the plural, the plural the singular, and the use of any gender shall be applicable to all genders. If any portion of this Mortgage Deed is declared to be invalid or unenforceable, it shall not affect the validity or enforcement of the remaining provisions hereof.

POWER OF SALE

Upon any default in the performance or the observance of the foregoing or other condition, the Mortgagee/Grantee, their heirs, successors or assigns, may sell the mortgaged premises, together with all improvements that may be thereon, by a public sale in the County where the real estate subject to the mortgage is situated, first complying with the terms of the mortgage and the statutes relating to the foreclosure of the mortgage by the exercise of a power of sale, including, but not limited to, Title 14, Chapter 713, Subchapter 3, and the Mortgagee/Grantee, their heirs successors or assigns, may convey the premises by proper deed to the purchaser or purchasers absolutely and in fee simple; and such sale forever bars the Mortgagor/Grantor and all persons claiming under it from all right and interest in the mortgage premises, whether at law or in equity.

This Mortgage shall be governed by and interpreted under the laws of the State of Maine. In the event of any conflict between the provisions of this Mortgage and any applicable law, the provisions of this Mortgage shall be deemed modified to the extent, but only to the extent required to comply with the applicable law.

IN WITNESS WHEREOF, Zahid Abid, Manager of RedCoral Investments, LLC, duly authorized, has executed this instrument this 26th day of June, 2023.

WATER LIEN CERTIFICATE
Title 35-A M.R.S.A., Section 6111-A

I, Andrew Titus, Treasurer of the Auburn Water District, a water utility operating pursuant to the laws of the State of Maine and with offices and operations located at 268 Court Street, Auburn, Maine, hereby certify that I am the person to whom water service charges in the amount of **$346.38,** due and payable on **August 27, 2022,** were duly and legally committed to me for collection for water services provided to the following account and property:

Red Coral Investments LLC
Account # 44-8544-002

The property being described at **46 Fair St.** and as further described in the deed recorded at the Androscoggin County, Maine Registry of Deeds in **Book 10877 Page 16.**

I further certify that a lien authorized under Section 6111-A of Title 35-A of the Maine Revised Statutes Annotated is hereby claimed on the above-described real estate to secure payment of these outstanding charges;

That a notice and demand for payment of these charges for water services and interest was given and made in accordance with Section 6111-A of Title 35-A of the Maine Revised Statutes Annotated; and

This notice is being provided in accordance with 11 U.S.C. §362(b)(3). Auburn Water District is continuing the perfection of a lien against your property by giving notice pursuant to 11 U.S.C. §362(b)(3), 546(b). The Auburn Water District reserves its right to seek further relief at a later date pursuant to11 U.S.C. §362(b). This notice is not intended to be an attempt to collect a debt or a demand for collection of debt in violation of the automatic stay or similar judicial stay or order; and

That these water charges remain outstanding and unpaid in the amount of **$346.38** fees for notices and filing related to this lien claim in the amount of **$92.50**, for a total outstanding amount of **$438.88** past due plus miscellaneous and lien fee, as of the date of this notice remain outstanding and unpaid.

Dated: September 21, 2022

State of Maine
Tax Collector's Lien Certificate
Title 36 M.R.SA § 942 and § 943
July 11, 2023

I, Kelsey L. Earle, Tax Collector for the City of Auburn, Maine in the County of Androscoggin, said taxes have been duly and legally committed to me for collection on the 18th day of July, 2022, hereby certify that a tax of $3073.53 together with interest of $66.52 and lien cost of $61.33, which have been added to and become part of said tax, a total of $3209.05 remains unpaid. The tax was assessed against RED CORAL INVESTMENTS LLC as owner of the real estate described as follows:

Map/Lot: 337-002-000-000 of the Assessor's Tax Maps of the City of Auburn, which are on file at the Assessor's office in the City of Auburn, Maine.
Book/Page: 10877-16
Property Location: 46 FAIR ST

A LIEN IS HEREBY CLAIMED on the above-described real estate to secure payment of said tax. A demand for payment of said tax has been made of the above named assessed owner(s); by sending the certified mail/return receipt requested to their last known address, on the 31st of May, 2023, a notice in writing signed by me stating the amount of said tax, and describing the real estate on which said tax is assessed, alleging that a lien is claimed on said tax and demanding payment of said tax and costs within 30 days after the mailing of said notice, in accordance with the provisions in M.R.S.A. Title 36 M.R.SA § 942 and § 943, as amended.

AFFIDAVIT OF JENNIFER DICK

I, Jennifer Dick, being duly sworn, state the following based upon my personal knowledge:

1. I am a Code Enforcement Officer for the City of Auburn, Maine (the "City").

2. In connection with that position, I enforce Housing code and ordinances.

3. In the course of my duties for the City, I have become familiar with the property owned by Red Coral Investments LLC and located at 46 Fair Street (the "Fair Street property") within the City limits.

4. The City has received numerous complaints regarding the condition of the 46 Fair Street property.

5. As I will describe in more detail below, the structural elements of the Fair Street Property have not been maintained in a manner that is hazard free and suitable for the intended use and pose an immediate and serious threat to public health and safety.

SPECIFIC COMPLAINTS AND FAILURE TO ADDRESS PROPERTY CONDITIONS

6. On October 31, 2022, I received a "Report It" Ticket from a neighbor regarding concerns for the 46 Fair Street property.

7. On November 2, 2022, I called Zahid Abid whom the mortgage holder has referenced as the manager of Red Coral Investments LLC. I explained that the building had become concerning to the neighbors. It had been left chronically unsecure, wide open and the trash and debris was scattered throughout the property. Zahid stated that he would have the building secured within the seven days. I explained that I would be sending a Notice of Violation.

8. On November 2, 2022, I issued Red Coral Investments LLC a Notice of Violation for the conditions that I observed from the public way on November 2, 2022. A true and accurate copy of which is attached as **Exhibit 5**

9. On November 21, 2022, I viewed the property from a public way. With no effort made by the owner to get in compliance. I then issued the First Citation. A true and accurate copy of which is attached as **Exhibit 6**

10. On December 9, 2022, I viewed the property from a public way. With no effort made by the owner to get in compliance. I issued a Second Citation. A true and accurate copy of which is attached as **Exhibit 7**

11. On December 13, 2022, I received an email from staff at the City of Auburn stating that a neighbor had called regarding 46 Fair Street. On December 13, 2022, I returned the call to the neighbor regarding the status of 46 Fair Street. Explaining that a Second Citation had been sent.

12. On December 28, 2022, I viewed the property from a public way. With no effort made by the owner to get in compliance. I issued a Third Citation. A true and accurate copy of which is attached as **Exhibit 8**

13. On January 10, 2023, I viewed the property from a public way. With no effort made by the owner to get in compliance. I issued a Fourth Citation. A true and accurate copy of which is attached as **Exhibit E9**

14. On January 10, 2023, I left a voicemail for Zahid Abid regarding the need to have 46 Fair Street secured.

15. On January 26, 2023, I left a voicemail for Zahid Abid regarding the need to have 46 Fair Street secured.

16. On May 1, 2023, I left a voicemail for Zahid Abid regarding a scheduled inspection at 46 Fair Street for May 5, 2023, at 11:00am.

17. On May 5, 2023, at 11:00am Eric Cousens Director of Planning and Permitting, Cy Wilkinson Code Compliance Officer for the City of Auburn and myself visited 46 Fair Street. The building was wide open. This was concerning due to its proximity to East Auburn Community School, Lake Grove Park, and surrounding neighborhoods. During this inspection the building was found to be unsecure, missing multiple windows and doors. The power was on and in working order with numerous exposed electric components. This building was found to be structurally unsafe, unsanitary and constitutes a fire hazard. To have the immediate dangers remedied. I contacted the City of Auburn's Public Works to have 46 Fair Street secured. Photographs of the inspection are attached as **Exhibit E9 10**

18. On June 6, 2023, I received a call from a neighbor regarding the status of 46 Fair Street. I explained that we had sent citations and that it was recently secured by Public Works.

19. On December 29, 2023, I received a call from a concerned neighbor. They discussed with me their concerns regarding young kids playing in and around the 46 Fair Street property. The building was once again left abandoned, unsecure, and wide open.

20. On January 8, 2024, I viewed the property from a public way. The property was unsecure and left wide open. I then issued a Fifth Citation. A true and accurate copy of which is attached as **Exhibit E9 17**

21. On March 5, 2024, at 3:00pm Eric Cousens Director of Planning and Permitting and myself visited the property at 46 Fair Street. The building was found wide open. We entered confirming that no one was inside. At which time the power was on and in working condition with numerous exposed electric components. There is current evidence of water intrusion, which is seen to be both a fire hazard and compromising to the structural integrity of the property. The inadequate maintenance and continuous abandonment of this property is concerning due to its proximity to East Auburn Community School, Lake Grove Park, and surrounding neighborhoods. In addition to the hazards that the property at 46 Fair Street poses to the community there are also construction materials along with trash and debris throughout the exterior of the

property. To have the immediate dangers remedied. I contacted the City of Auburn's Public Works to have 46 Fair Street secured. Photographs of the site visit are attached as well as an aerial view of the property to show the proximity to East Auburn Community School, Lake Grove Park, and surrounding neighborhoods **ExhibitE9 18**

22. As a result of the conditions described above, I believe 46 Fair Street meets section 2-A. Standard of MRS Title 17 §2851 and qualifies as a Dangerous Building and that Red Coral Investments LLC has no intent of mitigating the hazardous conditions affecting East Auburn Community School, Lake Grove Park, and the surrounding neighboring community.

Dated: March 18, 2024

AFFIDAVIT OF KRIS BEAUDOIN

I, Kris Beaudoin, being duly sworn, state the following based upon my personal knowledge:

1. I am a Code Enforcement Officer for the City of Auburn, Maine (the "City").

2. In connection with that position, I enforce Housing code and ordinances.

3. In the course of my duties for the City, I have become familiar with the property owned by Red Coral Investments LLC and located at 46 Fair Street (the "Fair Street property") within the City limits.

4. The City has received numerous complaints regarding the condition of the 46 Fair Street property.

5. As I will describe in more detail below, the structural elements of the Fair Street Property have not been maintained in a manner that is hazard free and suitable for the intended use and pose an immediate and serious threat to public health and safety.

SPECIFIC COMPLAINTS AND FAILURE TO ADDRESS PROPERTY CONDITIONS

6. On November 2, 2022, I spoke with Zahid Abid whom the mortgage holder has referenced as the manager of Red Coral Investments LLC. I explained to him that after receiving the complaints about the building being chronically unsecured, and the other hazardous conditions the property poses to the neighborhood, I reviewed the previous building permit application and determined that the work to the property had been abandoned for over 180 days and per section R105.5 of the 2015 IRC the permit was no longer valid. At that time, Zahid Abid was made aware any future work would require re- permitting the

7. On June 21, 2023, I spoke with Zahid Abid whom the mortgage holder has referenced as the manager of Red Coral Investments LLC and followed up the conversation with an email documenting the conversation. A true and accurate copy of which is attached as **Exhibit E9 11**

8. On June 29, 2023, I sent an email to Zahid Abid whom the mortgage holder has referenced as the manager of Red Coral Investments LLC. The email included a Public Works Invoice of the monies due for securing the structure and a brief explanation of the Dangerous Building Statute and an opportunity to make corrections of the hazardous conditions to the neighborhood. A true and accurate copy of which is attached as **Exhibit E9 12**

9. On June 29, 2023, I received an email from Zahid Abid whom the mortgage holder

has referenced as the manager of Red Coral Investments LLC. A true and accurate copy of which is attached as **Exhibit E9 13**

10. On June 29, 2023, I responded to an email sent by Zahid Abid whom the mortgage holder has referenced as the manager of Red Coral Investments LLC that same day. A true and accurate copy of which is attached as **Exhibit E9 14**

11. On July 18, 2023, I viewed from a public way that work without permits was being conducted at 46 Fair Street and a Stop Work Order was placed on the building. A true and accurate copy of which is attached as **Exhibit E9 15**

12. On July 20, 2023, I received a complaint that work was occurring at 46 Fair Street and the work was adding to the already existing hazard to the neighborhood. On that day, I spoke with Zahid Abid whom the mortgage holder has referenced as the manager of Red Coral Investments LLC and made him aware that work needed to be stopped until a permit had been secured and to obtain the permit, the hazardous conditions to the neighborhood would need to be remedied.

13. On September 11, 2023, I visited the property and observed from a public way that the trash and debris had been removed from the property and issued the building permit by way of email. A true and accurate copy of which is attached as **Exhibit E9 16**

12. Based on my observations of the continued uncured deterioration and the chronically unsecured nature of the structure located at 46 Fair St, I believe this building meets the standards of a dangerous building as defined in section 2-A of The MRS Title 17 §2851.

RE: 46 FAIR STREET AUBURN, ME 04210 PID# 337-002

Dear property owner:

It has come to the attention of this office that violation(s) of the Code of Ordinances of the City of Auburn, hereafter referred to as the (Code), exist at:

46 FAIR STREET
AUBURN, ME 04210
PID#: 337002000

- 46 Fair Street has been left chronically unsecured.

Violation: 17 M.R.S.A § 2851; DANGEROUS BUILDING

Revision: Whenever the municipal officers in the case of a municipality… find that a building or structure or any portion thereof … is structurally unsafe; unstable; unsanitary; constitutes a fire hazard; is unsuitable or improper for the use or occupancy to which it is p [illegible]; constitutes a hazard to health or safety because of inadequate maintenance, dilapidation, obsolescence or abandonment; or is otherwise dangerous to life or property, they may after notice and hearing on this matter adjudge the same to be a nuisance or dangerous and may make and record an order prescribing what disposal must be made of that building or structure.

Corrective Action: Secure the building envelope, this includes any doors, windows and all other entry points that do not provide protection from vermin, insects, human entry, and exterior elements.

Compliance Date: November 10, 2022

Violation: Chapter 44, Section 44-32

Description: ACCUMULATIONS OF REFUSE

Revision: No person shall allow any material to collect or lie on property which he owns, occupies or controls in such a manner that it attracts flies, annoys or interferes with the safety, health, comfort or repose of the public, emits odors, or is unsightly or is offensive.

Corrective Action: Remove trash and debris/ Properly store during construction

Compliance Date: November 10, 2022

Therefore, in accordance with the above referenced ordinance requirements, you are hereby ordered to complete the above corrective action by the compliance date given. Your prompt attention to this matter is advised to avoid legal action. It is our sincere desire to work with you in devising an implementation schedule for the correction of these conditions. Please contact this office immediately if circumstances do not permit the timely compliance with this order and abatement of the violations or if you have any questions regarding this matter.

In the event that you do not comply with this order, this office may issue a citation pursuant to Chapter 2, Article VIII of the aforementioned Code. Said citation shall require you to pay a penalty of one hundred and five dollars ($105.00) for the first citation and you will be reordered to abate the outstanding violations in the previous Notices and Orders. In the event that you do not comply with the first citation, additional citations may be issued. The second citation imposes a civil penalty of two hundred and ten dollars ($210.00), the third is four hundred and twenty dollars ($420.00), the fourth and subsequent citations are eight hundred and forty dollars ($840.00), and penalties are cumulative. In the future, if any of the above violations are repeated, you are not entitled to receive any further notification, and this office may serve you with a citation.

In lieu of or in addition to the issuance of citations, this office may initiate a land use complaint pursuant to 30-A M.R.S.A. § 4452 et seq. as amended, and M.R. Civ. P. 80K. A judgment from such a lawsuit in the City's favor will result in a court order that any violations be abated, the imposition of a mandatory fine of between one-hundred dollars ($100.00) and two-thousand five-hundred dollars ($2,500.00) per violation, per day, and the payment of court costs and the City's legal fees.

If you disagree with this Notice of Violations and order, you may appeal to the Auburn Board of Appeals pursuant to 30-A M.R.S. § 2691(4). You must do so within 30 days of the date of this order, pursuant to Section 60-1151 of the City Code, or you will be deemed to have waived your right to appeal. The decisions of timely appeals to the Auburn Board of Appeals may be reviewed by the Superior Court subject to the terms and conditions stated in M.R. Civ. P. 80B. A failure to appeal this Notice of Violation does not preclude you from opposing any further enforcement action the City may pursue against you.

If you have any questions about what you need to do to comply with this Notice and Order please contact this office immediately. I can be reached directly at (207)333-6601 Ext.1160

Sincerely,

Jennifer Dick

If you disagree with this Notice of Violations and order, you may appeal to the Auburn Board of Appeals pursuant to 30-A M.R.S. § 2691(4). You must do so within 30 days of the date of this order, pursuant to Section 60-1151 of the City Code, or you will be deemed to have waived your right to appeal. The decisions of timely appeals to the Auburn Board of Appeals may be reviewed by the Superior Court subject to the terms and conditions stated in M.R. Civ. P. 80B. A failure to appeal this Notice of Violation does not preclude you from opposing any further enforcement action the City may pursue against you.

If you have any questions about what you need to do to comply with this Notice and Order please contact this office immediately. I can be reached directly at (207)333-6601 Ext.1160

Sincerely,

Jennifer Dick

FOURTH CITATION - $840
NOTICE OF CIVIL PENALTY
CODE-1976-2022

January 10, 2023

RED CORAL INVESTMENTS LLC
3225 MCLEOD DRIVE, SUITE 100
LAS VEGAS NV 89121

RE: 46 FAIR STREET AUBURN, ME 04210 PID# 337-002

Dear property owner:

It has come to the attention of this office that violation(s) of the Code of Ordinances of the City of Auburn, hereafter referred to as the (Code), exist at:

46 FAIR STREET
AUBURN, ME 04210
PID#: 337002000

- 46 Fair Street has been left chronically unsecured.

Violation: 17 M.R.S.A § 2851; DANGEROUS BUILDING

Revision: Whenever the municipal officers in the case of a municipality… find that a building or structure or any portion thereof … is structurally unsafe; unstable; unsanitary; constitutes a fire hazard; is unsuitable or improper for the use or occupancy to which it is put; constitutes a hazard to health or safety because of inadequate maintenance, dilapidation, obsolescence or abandonment; or is otherwise dangerous to life or property, they may after notice and hearing on this matter adjudge the same to be a nuisance or dangerous and may make and record an order prescribing what disposal must be made of that building or structure.

Corrective Action: Secure the building envelope, this includes any doors, windows and all other entry points that do not provide protection from vermin, insects, human entry, and exterior elements.

Compliance Date: January 16, 2023

Violation: Chapter 44, Section 44-32

Description: ACCUMULATIONS OF REFUSE

Revision: No person shall allow any material to collect or lie on property which he owns, occupies or controls in such a manner that it attracts flies, annoys or interferes with the safety, health, comfort or repose of the public, emits odors, or is unsightly or is offensive.

Corrective Action: Remove trash and debris/ Properly store during construction

Compliance Date: January 16, 2023

Therefore, in accordance with Chapter 2, Article VIII of the Ordinances of the City of Auburn, you are hereby ordered to pay a civil penalty in the amount of **eight hundred and forty dollars ($840)** to the City of Auburn. This penalty amount must be received by this office within seven days of receiving this citation. Payment of this fine may be made in person or by mail to Auburn Hall, C/O Planning and Permitting Department, suite 104, 60 Court Street, Auburn, ME 04210. Unpaid civil penalties accrue at 18% per annum beginning 5 days after the date the civil penalty became due.

You are further ordered to correct the violation by the Compliance Date listed above. Failure to correct the violation by the compliance date will result in the issuance of a citation with a civil penalty in the amount of four eight hundred and forty dollars ($840.00), and subsequent citations are eight hundred and forty dollars ($840.00), and penalties are cumulative. In the future, if the specific violation(s) is/are repeated you are not entitled to receive any further notification and this office may serve you with a citation.

In lieu of or in addition to the issuance of citations, this office may initiate a land use complaint pursuant to 30-A M.R.S.A. § 4452 et seq. as amended, and M.R. Civ. P. 80K. A judgment from such a lawsuit in the City's favor will result in a court order that any violations be abated, the imposition of a mandatory fine of between one-hundred dollars ($100.00) and two-thousand five-hundred dollars ($2,500.00) per violation, per day, and the payment of court costs and the City's legal fees.

If you disagree with this Notice of Violations and order, you may appeal to the Auburn Board of Appeals pursuant to 30-A M.R.S. § 2691(4). You must do so within 30 days of the date of this order, pursuant to Section 60-1151 of the City Code, or you will be deemed to have waived your right to appeal. The decisions of timely appeals to the Auburn Board of Appeals may be reviewed by the Superior Court subject to the terms and conditions stated in M.R. Civ. P. 80B. A failure to appeal this Notice of Violation does not preclude you from opposing any further enforcement action the City may pursue against you.

If you have any questions about what you need to do to comply with this Notice and Order please contact this office immediately. I can be reached directly at (207)333-6601 Ext.1160

Sincerely,

Jennifer Dick

Subject: 46 Fair St

Good afternoon, I wanted to follow up via email after our phone conversation was cut short yesterday.

I was provided your permit application for review for 46 fair St. As you know, there are violations that currently exist at the property. Prior to permit approval, all existing ordinance violations must be remedied and any money owed to the city due to the enforcement actions required to secure the site must be reimbursed. Please be advised that no work that requires a permit should be completed prior to issuance, if such work is existing it will be a violation of Sec. 60-1401 of the City Ordinance and subject to double permit fees as found in Appendix A also found in the City Ordinance. Please let me know if you have any questions or concerns.

Best Regards

Good morning, I have attached the invoice for the securing of 46 Fair St. Also, I visited the property recently and the violations we have been trying to get you to remedy as part of our enforcement action has gotten significantly worse. As I mentioned before, the building was about to be presented to the City Council as a Dangerous Building (Title 17, §2851: Dangerous buildings) which if ordered, would require the demolition of the structure. We are willing to work with you to avoid this process, but you will need to take care of the issues within the next 7 days to avoid any further action being taken. Please let me know if you have any questions or concerns.

Good morning Zahid, I noticed that you have had the debris removed from the property so we decided to issue a conditional permit even though the invoice for securing the building has not yet been paid.
I have attached the approved conditional permit for 46 Fair St in Auburn to this email. Please review the conditions on the permit and contact me directly with any questions. Someone will be over either today or tomorrow to remove the stop work placards on the building. In the meantime, please contact Tammy at 207-333-6601 EXT 1133 to schedule a walkthrough of the building so we can get a good assessment of where the structure currently is at in the renovation.

RE: 46 FAIR STREET AUBURN, ME 04210 PID# 337-002

Dear property owner:

It has come to the attention of this office that violation(s) of the Code of Ordinances of the City of Auburn, hereafter referred to as the (Code), exist at:

46 FAIR STREET
AUBURN, ME 04210
PID#: 337002000

- 46 Fair Street has been left chronically unsecured.

Violation: 17 M.R.S.A § 2851; DANGEROUS BUILDING

Revision: Whenever the municipal officers in the case of a municipality… find that a building or structure or any portion thereof … is structurally unsafe; unstable; unsanitary; constitutes a fire hazard; is unsuitable or improper for the use or occupancy to which it is put; constitutes a hazard to health or safety because of inadequate maintenance, dilapidation, obsolescence or abandonment; or is otherwise dangerous to life or property, they may after notice and hearing on this matter adjudge the same to be a nuisance or dangerous and may make and record an order prescribing what disposal must be made of that building or structure.

Corrective Action: Secure the building envelope, this includes any doors, windows and all other entry points that do not provide protection from vermin, insects, human entry, and exterior elements.

Compliance Date: January 14, 2024

Violation: Chapter 44, Section 44-32

Description: ACCUMULATIONS OF REFUSE

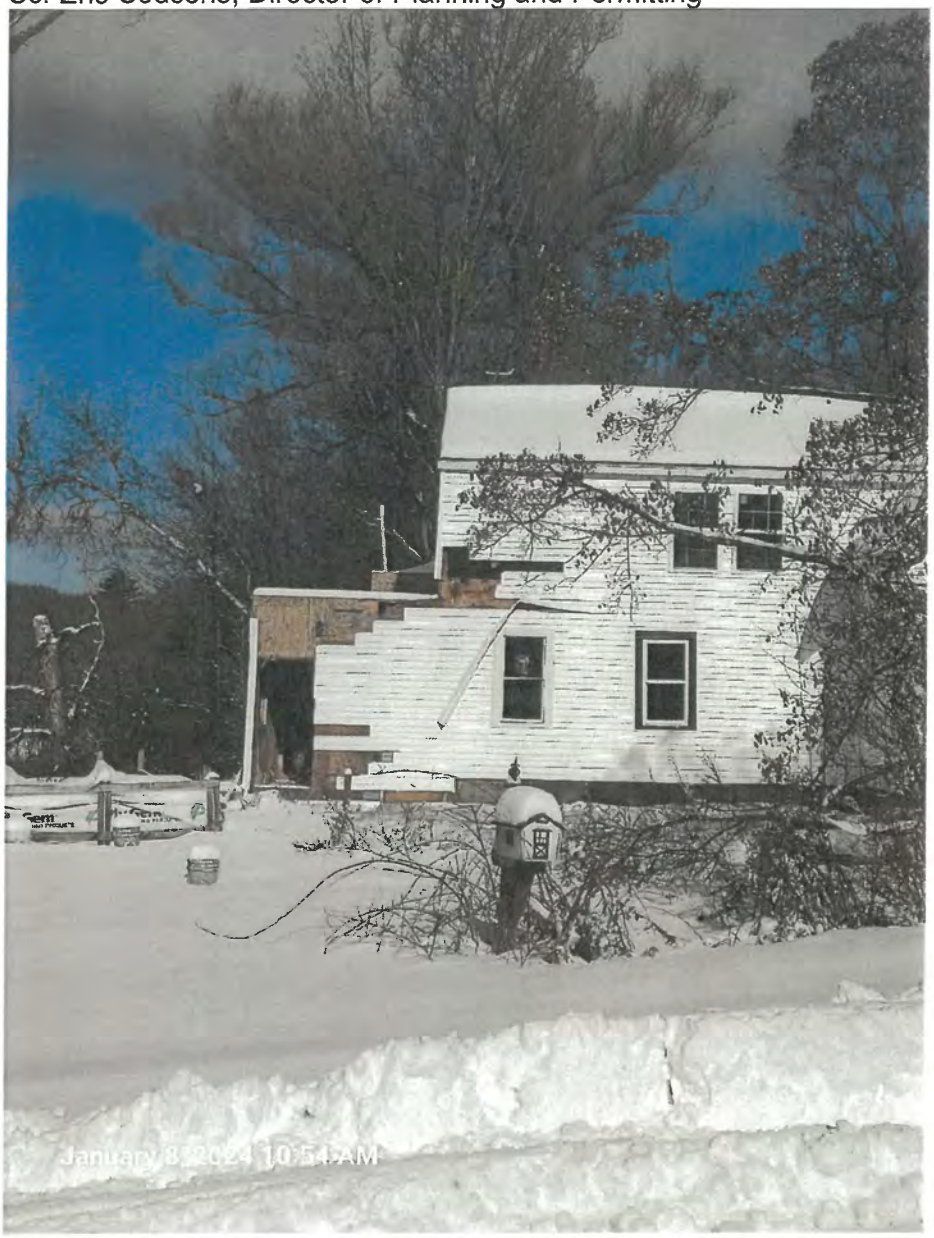
Revision: No person shall allow any material to collect or lie on property which he owns, occupies or controls in such a manner that it attracts flies, annoys or interferes with the safety, health, comfort or repose of the public, emits odors, or is unsightly or is offensive.

Corrective Action: Remove trash and debris/ Properly store during construction.

Compliance Date: January 14, 2024

Therefore, in accordance with Chapter 2, Article VIII of the Ordinances of the City of Auburn, you are hereby ordered to pay a civil penalty in the amount of **eight hundred and forty dollars ($840.00)** to the City of Auburn. This penalty amount must be received by this office within seven days of receiving this citation. Payment of this fine may be made in person or by mail to Auburn Hall, C/O Planning and Permitting Department, suite 104, 60 Court Street, Auburn, ME 04210. Unpaid civil penalties accrue at 18% per annum beginning 5 days after the date the civil penalty became due.

In lieu of or in addition to the issuance of citations, this office may initiate a land use complaint pursuant to 30-A M.R.S.A. § 4452 et seq. as amended, and M.R. Civ. P. 80K. A judgment from such a lawsuit in the City's favor will result in a court order that any violations be abated, the imposition of a mandatory fine of between one-hundred dollars ($100.00) and two-thousand five-hundred dollars ($2,500.00) per violation, per day, and the payment of court costs and the City's legal fees.



If you disagree with this Notice of Violations and order, you may appeal to the Auburn Board of Appeals pursuant to 30-A M.R.S. § 2691(4). You must do so within 30 days of the date of this order, pursuant to Section 60-1151 of the City Code, or you will be deemed to have waived your right to appeal. The decisions of timely appeals to the Auburn Board of Appeals may be reviewed by the Superior Court subject to the terms and conditions stated in M.R. Civ. P. 80B. A failure to appeal this Notice of Violation does not preclude you from opposing any further enforcement action the City may pursue against you.

If you have any questions about what you need to do to comply with this Notice and Order please contact this office immediately. I can be reached directly at (207)333-6601 Ext.1160

Sincerely,

Jennifer Dick

EXHIBIT 19

CITY OF AUBURN
CITY COUNCIL
FINDINGS OF FACT
DANGEROUS BUILDING HEARING
46 FAIR STREET (PARCEL ID: 337-002)
March 18, 2024

1. On February 5, 2024, the City Council voted to set a public hearing under the Dangerous Building Statute (17 M.R.S. §§ 2851-2859) for March 18, 2024 to determine whether the building located on the property at 46 Fair Street in Auburn, Maine (the "Property") is dangerous or a nuisance as defined in 17 M.R.S. § 2851(2-A).

2. The Property is described as Parcel ID# 337-002 on the City's maps, copies of which are on file at the Auburn City Hall, and is more particularly described in a deed from Allen F. Mackey to RedCoral Investments, LLC, dated September 14, 2021, and recorded in the Androscoggin County Registry of Deeds in Book 10877, Page 16.

3. The Property is subject to (1) a mortgage held by 32 Ventures, LLC, dated June 23, 2022, and recorded in the said Registry in Book 11139, Page 27; (2) a mortgage held by F and F Ventures 11, LLC, dated June 26, 2023, and recorded in the said Registry in Book 11402, Page 64; (3) a water lien held by Auburn Water District, dated September 21, 2022, and recorded in the said Registry in Book 11216, Page 186; and (4) a sewer lien held by Auburn Sewer District, dated September 20, 2022, and recorded in the said Registry in Book 11216, Page 192.

4. An attested copy of the Notice of Hearing was recorded in the Androscoggin County Registry of Deeds in Book 11521, Page 144, as required by 17 M.R.S. § 2857.

5. The record owner of the Property is RedCoral Investments, LLC, and notice of the March 18, 2024 public hearing was served on its registered agent, Jeffrey R. Gnecco, at 62 Portland Street, Suite 25, Kennebunk, Maine, on February 16, 2024.

6. Catherine M. Colombo, Esq. accepted service of the Notice of Hearing on behalf of mortgagee F and F Ventures 11, LLC, on February 21, 2024.

7. Michael Broadbent accepted service of the Notice of Hearing on behalf of both the Auburn Water District and the Auburn Sewerage District on February 21, 2024.

8. The registered agent for 32 Ventures, LLC accepted service of the Notice of Hearing on behalf of the entity on February 27, 2024.

9. On March 18, 2024, the City Council held the public hearing provided for in 17 M.R.S. § 2851. The City Council was represented at the hearing by Mark A. Bower, Esq.

10. City Councilors Richard S. Whiting, Timothy M. Cowan, Stephen G. Milks, Benjamin J. Weisner, Leroy G. Walker, Sr., Belinda A. Gerry, and Adam R. Platz were in attendance and participated in the consideration of this matter.

11. During the hearing, the City Council heard testimony from the following individuals:

a. Code Compliance Officer (CCO) Jennifer Dick testified regarding her personal knowledge of the condition of the buildings on the Property resulting from her inspections of the Property on various occasions, which is also contained in her affidavit submitted into the record. She provided the City Council with several documents from the City's property file for 46 Fair Street demonstrating its state of disrepair, including: (1) Notice of Violation, dated November 2, 2022; (2) First Citation and Notice of Civil Penalty, dated November 21, 2022; (3) Second Citation and Notice of Civil Penalty, dated December 9, 2022; (4) Third Citation and Notice of Civil Penalty, dated December 28, 2022; (5) Fourth Citation and Notice of Civil Penalty, dated January 10, 2023; and (6) Fifth Citation and Notice of Civil Penalty, dated January 9, 2024. Neither the Notice of Violation nor any of the Citations were appealed to the Auburn Board of Appeals. The CCO also submitted into the administrative record various photographs from her inspections of the Property on May 5, 2023 and March 5, 2024, which demonstrate the significantly deteriorated condition of the Property. The CCO stated that, in her opinion as a certified code professional, the building on the Property is a dangerous building under the meaning set forth in 17 M.R.S. § 2851. The Council accepts and finds credible the facts set forth in the CCO's affidavit and her oral testimony at the hearing.

b. Code Enforcement Officer (CEO) Kris Beaudoin testified regarding his personal knowledge of the condition of the buildings on the Property, which is also contained in his affidavit submitted into the record. The CEO further testified regarding the City's efforts to secure the buildings on the Property in order to mitigate the risk and danger to the neighborhood and general public, and described the owner's leaving the building unsecured and work on the Property without valid approvals from the City. The CEO also included copies of e-mail correspondence with the owner's manager evidencing the City's efforts to have the owner remediate the Property to no avail. The CEO testified to his opinion that the building is dangerous, and his recommendation is to carry out the condemnation and demolition of the building because it is an dangerous residential structure, not safe for human inhabitation and poses a significant risk to the general public. The Council accepts and finds credible the facts set forth in the CEO's affidavit and his oral testimony at the hearing.

c. Fire Chief Robert Chase testified regarding his opinion, on behalf of the Auburn Fire Department, that the buildings at the Property are a fire hazard due to various violations of the NFPA life safety codes, including issues with the wiring of the house that are clearly visible in the photos included in the record. Chief Chase further testified that he would have significant concerns about sending his firefighters into the building on the Property in the event of a fire, due to concerns about its structural integrity and the safety of his firefighters.

12. Based on the totality of the evidence presented at hearing, the City Council determines that:

a. The building located on the Property is a total loss, due to significant deterioration and obsolescence resulting in deferred maintenance and lack of needed repairs, the extended period of time being open to the elements, and the risk of collapse.

b. In its current state, the building is a fire hazard and uninhabitable and therefore not fit for the purpose for which it is intended.

c. Despite the City's best efforts to secure the building, the building's current owner leaves the building chronically unsecured, which makes the building an attractive nuisance for the community and further encourages and proliferates illegal activity, resulting in a significant risk to the general public.

BASED UPON THE ABOVE FINDINGS, the Auburn City Council concludes that the building located at 46 Fair Street is structurally unsafe; unstable; unsanitary; constitutes a fire hazard; is unsuitable and improper for the use or occupancy to which the building has been put; constitutes a hazard to health and safety because of inadequate maintenance, dilapidation, obsolescence, or abandonment; and is otherwise dangerous to life and property within the meaning of 17 M.R.S. § 2851 and is beyond repair.

These findings and conclusions of the City Council shall be appended to and incorporated into the Order of Demolition dated March 18, 2024.

NOTICE OF PUBLIC HEARING

Pursuant to 17 M.R.S. §§ 2851-2859 (Dangerous Buildings)

To: REDCORAL INVESTMENTS, LLC, and all other persons and entities having an interest in the premises situated at 46 Fair Street in Auburn, Maine, a parcel of land with a building or structure located thereon, described as Parcel ID 337-002 on the municipal tax maps on file at Auburn City Hall, 60 Court Street, Auburn, Maine, and more particularly described in the Warranty Deed from Allan F. Mackey to Red Coral Investments, LLC, dated September 14, 2021, and recorded in the Androscoggin County Registry of Deeds at Book 10877, Page 16 (hereinafter, the "Property").

You are hereby notified that the City Council of the City of Auburn, Maine has voted to hold a Public Hearing on **Monday, March 18, 2024, at 7:00 p.m.** at the Auburn City Hall located at 60 Court Street, Auburn, Maine. The purpose of this public hearing is to hear all persons interested in the condition of the Property, which is alleged to be a nuisance and dangerous building within the meaning of 17 M.R.S. § 2851. At such hearing, the City Council will consider whether they will adjudge said Property, including the buildings thereon, or any part thereof, to be a nuisance or dangerous; and if so adjudged, will record an Order prescribing what disposal shall be made thereof, including, but not limited to, the demolition and removal of the building/structure found to be in violation. You have a right to attend the hearing, to be heard, and to present any documentary and testimonial evidence that you wish the City Council to consider.

If any such Order of the City Council is issued and is not timely complied with and no appeal is taken, the City Council may undertake to abate or remove any such dangerous condition or nuisance as above referenced that is found to exist, which may include the demolition and removal of all buildings located on the Property, and recover all related expenses, including reasonable attorney's fees, by means of a special tax or civil action against the Owner as provided by statute.

Copies of this Notice will be served upon the Owner and all Parties-in-Interest as required by law and, pursuant to 17 M.R.S. § 2857, an attested copy will be recorded in the Androscoggin County Registry of Deeds.

ORDER 39-03182024

City Council Order

IN CITY COUNCIL

CITY OF AUBURN, MAINE
CITY COUNCIL

Re: Premises at 46 Fair Street, Auburn, Maine
Parcel ID# 337-002

ORDER OF DEMOLITION PURSUANT TO 17 M.R.S. §§ 2851-2859

Notice having been given to REDCORAL INVESTMENTS, LLC and all other persons and entities having an interest in the premises situated at 46 Fair Street in Auburn, Maine, described as Parcel ID# 337-002 on the City's maps, copies of which are on file at the Auburn City Hall, and more particularly described in a deed from Allen F. Mackey to RedCoral Investments, LLC, dated September 14, 2021, and recorded in the Androscoggin County Registry of Deeds in Book 10877, Page 16 (the "Property");

Notice also having been given to (1) 32 Ventures, LLC, holder of a mortgage on the Property dated June 23, 2022, and recorded in the said Registry in Book 11139, Page 27; (2) F and F Ventures 11, LLC, holder of a mortgage on the Property dated June 26, 2023, and recorded in the said Registry in Book 11402, Page 64; (3) Auburn Water District, holder of a water lien on the Property dated September 21, 2022, and recorded in the said Registry in Book 11216, Page 186; and (4) Auburn Sewer District, holder of a sewer lien on the Property dated September 20, 2022, and recorded in the said Registry in Book 11216, Page 192.

A hearing having been duly held by the City Council at the Auburn City Hall on March 18, 2024; and

The structure located on said Property having been adjudged to be structurally unsafe; unstable; unsanitary; constituting a fire hazard; unsuitable and improper for the use or occupancy to which they have been put; constituting a hazard to health and safety because of inadequate maintenance, dilapidation, obsolescence, or abandonment; and otherwise dangerous to life and property within the meaning of 17 M.R.S. § 2851 and beyond repair, for the reasons set forth in the findings and conclusions attached as Exhibit A and incorporated herein;

Now, therefore, it is hereby **ORDERED** that the structure located on the Property be removed within 30 days from the date of this Order, that the removal comply with all State and local requirements, and that the premises be left in a safe and sanitary condition or that the nuisance be abated in a manner satisfactory to the City within 30 days from the date of this Order;

It is further **ORDERED** that the City Clerk cause attested copies of this Order to be served upon the persons and interest holders above-named as required by law;

Phillip L. Crowell, Jr., City Manager

ORDER 39-03182024

City Council Order

It is further **ORDERED** that, if this Order is not complied with, then the City Council or its designee is authorized to cause the removal of the said structure described herein and to bill the owner for the cost of all expenses incurred by the City, which bill must be paid within 30 days after demand; and

It is further **ORDERED** that in the event the owner does not pay the City for its expenses within 30 days after demand, a special tax shall be assessed on the premises described as Parcel ID# 337-002 and located at 46 Fair Street, for all expenses as defined in 17 M.R.S. § 2853, incurred by the City in connection with the removal of the said structure and/or the abatement of the nuisance.

City of Auburn
City Council Information Sheet

Council Meeting Date: March 18, 2024 **Order:** 40-03182024

Author: Sue Clements-Dallaire, City Clerk

Subject: Adopting the City of Auburn's Fee Schedule

Information: The action of Ordinance 07-03042024 removed the fee schedule from ordinance. Passage of this order adopt the current fee schedule establishing it as a stand alone document which may be amended by the City Council from time to time as an order, which requires one reading as opposed to an ordinance which requires two separate readings and a public hearing.

City Budgetary Impacts: None

Staff Recommended Action: Recommend passage.

Previous Meetings and History: Public hearing and passage of first reading on March 4, 2024 to remove this from ordinance and the second reading to be voted on at this meeting 3/18/2024.

City Manager Comments:

I concur with the recommendation. Signature: Phillip Crowell J.

Other General Information:

- Applicants are responsible for the cost of all public hearing advertisements and background checks required for various licenses. Failure to list that additional expense in the fee schedule shall not eliminate that requirement from the licensing process.
- Applicants are responsible for providing background checks, not older than 3 days prior to submission of application for all licenses that require such checks or, alternatively, applicants may pay $100.00 to the city with the application to cover the cost of the background check.
- License fees established in this appendix include two routine or pre-operational inspections and one follow-up inspection. When additional inspections are required, the city may charge an additional $100.00 per inspection to cover the costs of each additional inspection or visit.
- All first time applications must be made in person, unless otherwise specifically stated herein.
- All on-line licenses will receive a 10% discount unless otherwise indicated herein.
- No on-line renewal of liquor licenses, special amusement licenses, or tattoo or massage licenses is permitted.
- Residential construction. A veteran/widow/widower of a veteran or contractor on behalf of a veteran/widow/widower of a veteran seeking to build new construction or to rehabilitate an existing property will have all fees waived/reimbursed at time of permit approval. This applies to owner occupied single family and multifamily units, up to 3 unit structures. This does not apply to state fees administered by the city.
- Commercial construction. A veteran owned business* or subcontractor hired by a veteran owned business*, will be entitled to a 50% fee reduction/reimbursement for new construction or rehabilitation of an existing property at the time of permit approval. This does not apply to state fees administered by the city.

  * Veterans honorably discharged from federal service, must present DD-214 to economic, and community development office for fees to be waived.

  ** Veteran owned business as defined by the SBA being a corporation in which 51% of the shares of the company are owned by a veteran.

City of Auburn
City Council Information Sheet

Council Workshop or Meeting Date: March 18, 2024

Subject: Executive Session

Information: Economic development, pursuant to 1 M.R.S.A. Section 405(6) (C) which premature disclosure would prejudice the competitive or bargaining position of the city.

Executive Session: On occasion, the City Council discusses matters which are required or allowed by State law to be considered in executive session. Executive sessions are not open to the public. The matters that are discussed in executive session are required to be kept confidential until they become a matter of public discussion. In order to go into executive session, a Councilor must make a motion in public. The motion must be recorded, and 3/5 of the members of the Council must vote to go into executive session. An executive session is not required to be scheduled in advance as an agenda item, although when it is known at the time that the agenda is finalized, it will be listed on the agenda. The only topics which may be discussed in executive session are those that fall within one of the categories set forth in Title 1 M.R.S.A. Section 405(6). Those applicable to municipal government are:

A. Discussion or consideration of the employment, appointment, assignment, duties, promotion, demotion, compensation, evaluation, disciplining, resignation or dismissal of an individual or group of public officials, appointees or employees of the body or agency or the investigation or hearing of charges or complaints against a person or persons subject to the following conditions:
(1) An executive session may be held only if public discussion could be reasonably expected to cause damage to the individual's reputation or the individual's right to privacy would be violated;
(2) Any person charged or investigated must be permitted to be present at an executive session if that person so desires;
(3) Any person charged or investigated may request in writing that the investigation or hearing of charges or complaints against that person be conducted in open session. A request, if made to the agency, must be honored; and
(4) Any person bringing charges, complaints or allegations of misconduct against the individual under discussion must be permitted to be present. This paragraph does not apply to discussion of a budget or budget proposal;

B. Discussion or consideration by a school board of suspension or expulsion of a public school student or a student at a private school, the cost of whose education is paid from public funds, as long as:
(1) The student and legal counsel and, if the student is a minor, the student's parents or legal guardians are permitted to be present at an executive session if the student, parents or guardians so desire;

C. Discussion or consideration of the condition, acquisition or the use of real or personal property permanently attached to real property or interests therein or disposition of publicly held property or economic development only if premature disclosures of the information would prejudice the competitive or bargaining position of the body or agency;

D. Discussion of labor contracts and proposals and meetings between a public agency and its negotiators. The parties must be named before the body or agency may go into executive session. Negotiations between the representatives of a public employer and public employees may be open to the public if both parties agree to conduct negotiations in open sessions;

E. Consultations between a body or agency and its attorney concerning the legal rights and duties of the body or agency, pending or contemplated litigation, settlement offers and matters where the duties of the public body's or agency's counsel to the attorney's client pursuant to the code of professional responsibility clearly conflict with this subchapter or where premature general public knowledge would clearly place the State, municipality or other public agency or person at a substantial disadvantage;

F. Discussions of information contained in records made, maintained or received by a body or agency when access by the general public to those records is prohibited by statute;

G. Discussion or approval of the content of examinations administered by a body or agency for licensing, permitting or employment purposes; consultation between a body or agency and any entity that provides examination services to that body or agency regarding the content of an examination; and review of examinations with the person examined; and

H. Consultations between municipal officers and a code enforcement officer representing the municipality pursuant to Title 30-A, section 4452, subsection 1, paragraph C in the prosecution of an enforcement matter pending in District Court when the consultation relates to that pending enforcement matter.

City Council Workshop & Meeting
Agenda
April 1, 2024
Auburn Hall, Council Chambers

5:30 P.M. City Council Workshop

A. Auburn School Department Budget Presentation –Dr. Connie Brown
B. City Manager's Budget Presentation – Phil Crowell
C. Council Budget Discussion and Review of Council Priorities

7:00 P.M. City Council Meeting - Roll call votes will begin with Councilor Gerry

Pledge of Allegiance

I. Consent Items – All items with an asterisk (*) are considered routine and will be enacted by one motion. There will be no separate discussion of these items unless a Council member or a citizen requests, in which event, the item will be removed from the Consent Agenda and considered in its normal sequence on the agenda.

1. Order 41-04012024*
Setting the date for the School Budget Validation Referendum Election (June 11, 2024).

II. Minutes

- March 18, 2024, Regular Council Meeting
- March 25, 2024, Special Council Meeting

III. Communications, Presentations and Recognitions

- Recognition - Camden Goddard - 2024 MRPA Citizen Volunteer Award Recipient
- Communication – Request for Lake Stewards of Maine funding from the City of Auburn for FY2024

IV. Open Session – *Members of the public are invited to speak to the Council about any issue directly related to City business or any item that does not appear on the agenda.*

V. Unfinished Business

1. Ordinance 01-01022024
Amending Chapter 60 of the zoning ordinance to include Effective Date and Applicability Date of Ordinance 26-11202023. Public hearing and second reading.

2. Order 39-03182024
Disposition of building located at 46 Fair Street under dangerous building statute. Public hearing for parties with interest in property.

VI. New Business

1. Order 42-04012024
Authorizing the City Clerk to consolidate to one polling place for the July 9, 2024, Special Municipal Election. Public hearing and vote.

2. Order 43-04012024
Adopting the 5-year Capital Improvement Plan (CIP).

3. Order 44-04012024
Approving the Mass Gathering for the Auburn Lobster Festival event scheduled for Saturday, May 11, 20204. Public hearing and vote.

4. Order 45-04012024
Approving the temporary liquor license for an Incorporated Civic Organization for the Lobster Festival event scheduled for Saturday, May 11, 2024. Public hearing and vote.

5. Order 46-04012024
Approving the Annual Report to the Maine State Housing Authority for Tax Year 4/1/2023-3/31/2024.

6. Resolve 03-04012024
Adopting the Androscoggin County Natural Hazard Mitigation Plan 2024.

VII. Open Session - *Members of the public are invited to speak to the Council about any issue directly related to City business or any item that does not appear on the agenda*

VIII. Reports

a. Mayor's Report
b. City Councilors' Reports
c. City Manager Report

IX. Executive Sessions – Economic development, pursuant to 1 M.R.S.A. §405(6)(C) which premature disclosure would prejudice the competitive or bargaining position of the City.

X. Adjournment

City of Auburn
City Council Information Sheet

Council Workshop or Meeting Date: April 1, 2024

Author: Mark Conrad, School Business Manager

Subject: FY 2025 School Budget Discussion

Information: The School Committee is currently reviewing the FY 2025 budget proposal submitted by the Superintendent of Schools. The FY 2025 operating budget (including Adult Education) proposed by the Superintendent is increasing by 5.4% to $62,234.945. The largest single impact in this budget is the loss of federal ESSER (pandemic) funding for 15 staff positions. This budget eliminates five (5) positions from the operating budget and nine (9) positions funded by ESSER, transfers six (6) positions from ESSER to the operating budget, and adds one (1) new position to the operating budget (see attached summary).

For the first time in three years this budget includes a CIP request totaling $983,000, including a new fire alarm panel for Park Ave. ($32,000), a district-wide HVAC controls software platform migration ($251,000), and a new boiler room at Fairview ($700,000).

The revenue budget includes a 6.0% increase in State subsidy, a $350,000 increase in the use of fund balance funds, to $2,350,000, and an expenditure of $211,000 in remaining revenue from the Edward Little naming rights campaign. The local share is increasing by $1,069,062, or 5.6%, to $20,866,210 in FY 2025.

The School Committee is scheduled to approve a school budget and forward it to the City Council on May 1, 2024.

City Budgetary Impacts: TBD

Staff Recommended Action: Discussion

Previous Meetings and History: N/A

City Manager Comments:

I concur with the recommendation. Signature: Phillip Crowell Jr.

Superintendent's FY 2025 Budget Message
Summary of Personnel Changes
Budget Summary by Warrant Article
General Fund Revenue Budget

To: Auburn School Committee
From: Cornelia Brown PhD Superintendent of Schools
RE: Budget Message for 2024-2025 Auburn School Department Operating Budget
Date: February 28, 2024

Introduction:

It is somewhat bittersweet to present my last operating budget for the Auburn School Department (ASD). During the last four (4) years I believe that we have established an excellent process for budget consideration, deliberation, and adoption. I sincerely appreciate the School Committee's due diligence on examination of budget priorities, and ensuring that the proposed budget furthers the goals established by the School Committee. My goal was and remains to improve the educational outcomes for our students.

I believe that our staff is the most important asset we have. Please be reminded that nearly 80% of our cost(s) are related to people, and appropriately so. Every single person in the ASD has a critical role to play in the education of our students. There are no superfluous positions and before anything is included in the proposed operating budget it goes through a rigorous evaluation process.

My philosophy around effective budget processes is to provide clear, unambiguous information in a transparent manner.

The Auburn School Committee is considering the following goals:

Student Outcomes

The School Department will ensure high achievement for all students supported by a strong, rigorous curriculum.

- Graduation Rate: The graduation rate will reach or exceed 95% by 2025
- District Mandated Testing: The ASD will meet or exceed state proficiency rates by 2025
- Sub-populations: The ASD will reduce disparities in student outcomes across demographics.

Communication

Through various means, the ASD will continue to communicate clearly with stakeholders to foster relationships, maintain trust, increase engagement and create a sense of belonging for all school community members.

Master Plan for Facilities

The ASD will utilize the Facilities Assessment to create a Master Plan to address the capacity, sufficiency, and structural quality of all ASD facilities.

School Committee Self-Evaluation

The School Committee will implement an annual self-evaluation process.

Role of ESSER:

The development of the 2024-2025 ASD operating budget is complicated by the end of the COVID-related funds commonly known and understood as ESSER. For a period of time I have been cautioning the School Committee that there is a pending funding cliff with the end of these funds and now the cliff is here. As of February 28, 2024 the ASD has fifteen (15) staff positions being funded through ESSER for a total of $924,875. These positions are as follows: 6 teachers, 1 nurse's aide, 1 social worker, 5 educational technicians, 1 instructional technology coach, and 1 literacy coach.

Trying to stay within reasonable budget parameters, I have incorporated some, but not all, of the ESSER positions within the proposed 2024-2025 ASD operating budget. At this time, I recommend transferring 2 teaching positions from ESSER to the operating budget (EACS and Washburn Elementary), 1 social worker's position (Sherwood Heights), 1 educational technician (ELHS), 1 nurse's aide (Walton), and 1 district-wide math coach who previously served as the instructional technology coach.

We are not able to include 4 teaching positions, 4 educational technician positions, and a district-wide literacy coach currently funded through ESSER. The schools affected by these ESSER reductions include EACS, Washburn, Park Avenue, Fairview, Sherwood and ELHS. Each of the staff members in these positions will be moved into existing vacancies.

The ESSER budget also funds the off-site suspension center run by Community Youth Services, at a cost of $65,000. These costs are transferred to the FY 2025 operating budget to maintain critical services for at-risk students.

Proposed Budget for 2024-2025: $62,234,945 (including Adult Education)

It is my pleasure to submit to you for your consideration the recommended operating budget to support the needs of our students in the Auburn School Department for the 2024-2025 School Year. As proposed, the Auburn School Department budget is $62,234,945, an increase of $3,163,656 or 5.4%. The Mil rate for education would be $9.24 an increase of .47 based on current assessed values. On a home assessed at $150,000 it would mean a $70.97 increase on an annual basis.

We are eliminating 4 regular teaching positions from the ASD operating budget (AMS, Sherwood, Fairview, and Graphic Arts at ELHS) and a special education Team Leader (Walton). The budget does include one new teaching position, a special education behavior support teacher (BCBA).

As proposed, the budget anticipates a 12% increase in health insurance premium costs and an overall increase of $822,572 because more employees are opting to take our health insurance. A new payroll tax to pay for expanded FMLA leave required by the State of Maine Is budgeted at $288,378. There are allowances for increase(s) associated with settled contractual agreement(s) with the Auburn Education Association Teachers' Unit, the Administrators' Unit and the Non-Affiliated Unit. Another substantial cost driver in the proposed 2024-2025 ASD budget is an increase in Special Education of $1,104,021 or 8.6%. This increase includes $450,000 for the MaineCare SEED match and $227,091 for Out-of-District placements.

Revenues:

The Auburn School Department received the ED 279 in late January. While the figures are anticipated but not enacted (the Legislature will take that action later this session) at this time I expect that our subsidy from the State of Maine will be $29,231,738, an increase of $1,651,087 or 6% in additional state aid. We will also receive $8,596,809 in Debt Service for Edward Little High School and $492,966 for Park Avenue Elementary School. The total increase in State Aid will be $1,658,474, or 4.5%. I propose increasing the revenue from the Auburn School Department Fund Balance to $2,350,000, an increase of $350,000.

From the City of Auburn, I am proposing increasing revenue from $19,797,148 to $20,866,210, an increase of $1,069,062 or 5.6%.

Cost Centers:

Pursuant to 20-A MRSA Section 1485 a school budget, including a municipal school budget, is divided into eleven cost categories: (1) Regular Education (2) Special Education (3) Career and Technical Education (4) Other Instruction (5) Student and Staff Support (6) System Administration (7) School Administration (8) Transportation (9) Facilities and Maintenance (10) Debt Service/Other Commitments and (11) Other Commitments. Adult Education is also included in the Auburn School Department operating budget. I will now review each Cost Center noting change(s).

Cost Center (1): Regular Education

Cost Center (1) includes the cost of regular education (personnel, supplies, books, and the cost(s) associated with regular education collective bargaining agreement(s). As proposed this cost center is up $1,128,917. Notably, this cost center includes transferring 2 elementary teaching positions from ESSER into the operating budget at East Auburn Community School and Washburn Elementary School, along with a district-wide math instructional coach.

Cost Center (2): Special Education

Cost Center 2 is increasing $1,104,021.

The increase in SEED this year is significant. School districts and private schools are able to bill the federal Medicaid program for some special education services, through MaineCare. However, the federal government only partially covers the cost of those services. Private schools can then bill sending districts for the cost of services to students that are not reimbursed by Medicaid, and that is known as the "SEED match". SEED costs are being driven by recent DOE-approved rate increases to private schools of up to 44%.

Expenditures Associated with Out of District Placements:

Year	Budget	Actual	Difference
2015-2016	$ 1,617,819	$ 1,650,831	($ 33,012)
2016-2017	$ 1,667,819	$ 1,964,889	($ 297,070)
2017-2018	$ 1,923,039	$ 2,635,915	($ 712,876)
2018-2019	$ 2,056,544	$ 1,916,349	$140,194
2019-2020	$ 2,075,490	$ 2,275,992	($ 200,502)
2020-2021	$ 2,410,305	$ 2,445,125	($ 34,820)
2021-2022	$ 2,908,586	$ 2,047,950	$ 860,636
2022-2023	$ 3,135,490	$ 2,990,386	$ 145,104
2023-2024	$ 3,880,600	—	—
2024-2025	$ 4,107,691		

School Year	# of Tuition Students
2019-2020	62

2020-2021	64
2021-2022	60
2022-2023	62
2023-2024	61
2024-2025	64

Cost Center (3):

The Lewiston Regional Technical Center receives subsidies for both their programs at LRTC and at ELHS from the Maine Department of Education. We do not budget any revenues or expenditures.

Cost Center (4): Other Instruction (Includes Athletics and Co-Curricular):

Cost(s) associated with this center include restoring the First Football team ($9,500) and an increase in AMS athletic equipment from $5,960 to $17,370. Overall this Cost Center is up $60,212 or 6.7%.

Cost Center (5): Student and Staff Support:

The primary driver(s) for this cost center are: re-classifying a social worker's position from Special Education into Student and Staff support, moving a social worker currently in ESSER into the operating budget (at Sherwood), and moving a nurse's aide position from ESSER into the operating budget (at Walton).

This budget includes a proposal to convert the technology integrator position, currently on a teaching contract, into a year-round software support position, with no budget impact. This need is driven by the continued integration of software into operating and instructional systems. I plan to bring a new job description for this position to the Finance Committee later this year.

Cost Center (6): System Administration

The most significant increase in this account is the new accounting/HR software package (MUNIS) at a cost of $187,687. This is a "must-do" as the current package (ADS) is only minimally supported now and is being phased out. Additionally, this is consistent with a strong

recommendation from the auditors to improve the reconciliation process with the City of Auburn. This account also includes a 5% increase for the non-affiliated staff. This amount is in concert with the organized units.

Cost Center (7): School Administration

This cost center is up $282,154 and reflects the recently ratified Collective Bargaining Agreement with the Auburn Administrators' Association. This cost center also reflects the costs associated with the increased usage of our health insurance plan. By way of example, this cost center includes administrative assistants in each of our schools. I have increased the health insurance line for these employees from $139,301 to $201,281 which is an increase of $61,980 or 44.49%, based on current participation in our health insurance plans.

Cost Center (8): Transportation and Buses

This cost center is up $264,610 or 12.1%. As with the support positions covered in Cost Center 7, more of our staff members are taking the School Department's health insurance, an increase in the number of paid days per driver, and repair costs for buses increasing by $62,449.

Cost Center (9): Facilities and Maintenance:

This Cost Center is down! I am showing a reduction of ($385,820). The reason for this reduction is our debt service costs are declining by $162,276. Further, we have a better handle on the utilities cost(s) at Edward Little High School and have had good results in bidding out energy for the coming year. Therefore, we believe we can reduce the overall cost of utilities by $239,925.

This article also includes a first interest payment of $16,250 for a $1 million capital improvements bond. Capital improvement requests will include migrating all buildings to a new HVAC controls software platform, and full replacement of the Fairview boiler room, based on recommendations from the work of Harriman and EEI.

Cost Center (10): Debt Service

This article is declining by ($30,105).

Cost Center (11): Crossing Guards:

No Changes

Adult Education:

The Adult Education budget is increasing by $33,969, or just under 10%, reflecting a significant increase in State subsidy funds. There is no change in the local contribution to Adult Education. This increase will largely be used to expand program opportunities.

2023–25 AUBURN CITY COUNCIL

STRATEGIC PLAN RECOMMENDATIONS

11 final strategic recommendations from the city's 2019 Strategic Plan.

CITY COUNCIL PRIORITIES

The Auburn City Council strives to ensure government transparency and accessibility; welcome and encourage participation and engagement; and balance tradition with growth and innovation.

PUBLIC SAFETY

- Facilities
- EMS service delivery
- PS staff modeling assessment
- Traffic safety

SUSTAINABILITY + NATURAL RESOURCES

- Solid waste/recycling/composting
- Bulky waste program
- River connectivity

GROWTH + INVESTMENT

- Establish innovation center/technology hub
- Support workforce growth
- Economic growth/sustainability
- Investment in education
- Downtown revitalization
- Road infrastructure

RECREATION

- Enhance programming for all ages
- Visibility of Rec programs
- Event planning
- Outdoor recreation assets
- Greenspace/trail connectivity

PLANNING

- Comp Plan/zoning
- Master planning
- Revaluation
- Charter review
- Strategic Plan
- Community engagement
- Mall development
- Housing plan
- Homeless initiatives
- Infrastructure assessment

INTERLOCAL INITIATIVES

- Auburn/Lewiston Municipal Airport
- 9-1-1 services
- County services/facilities
- Transit
- Regional partnerships

City of Auburn
City Council Information Sheet

Council Workshop or Meeting Date: April 1, 2024 **Order:** 41-04012024

Author: Sue Clements-Dallaire, City Clerk

Subject: Scheduling the School Budget Validation Referendum Election to be held on June 11, 2024

Information:
Title M.R.S.A. 20-A, Section 2307 requires Municipalities to conduct a School Budget Validation Referendum Election each year.

The date is consistent with previous years, and there is a cost savings when holding this election at the same time as a State election which is normally the second Tuesday in June. It also results in better voter turnout.

City Budgetary Impacts: N/A

Staff Recommended Action: Recommend passage of this order.

Previous Meetings and History: N/A

City Manager Comments:

I concur with the recommendation. Signature: Phillip Crowell Jr.

Attachments: Order

ORDER 41-04012024

City Council Order

IN CITY COUNCIL

ORDERED, that the City Council hereby sets the date to hold the School Budget Validation Referendum Election for Tuesday, June 11, 2024.

Richard S. Whiting, Ward One
Benjamin J. Weisner, Ward Four
Belinda A. Gerry, At Large

Timothy M. Cowan, Ward Two
Leroy G. Walker, Sr., Ward Five
Jeffrey D. Harmon, Mayor

Stephen G. Milks, Ward Three
Adam R. Platz, At Large
Phillip L. Crowell, Jr., City Manager

Mayor Harmon called the meeting to order at 7:03 P.M. in the Council Chambers of Auburn Hall and led the assembly in the salute to the flag. Councilor Platz had an excused absence. All other Councilors were present.

I. Consent Items

1. Order 34-03182024*
Re-appointing Chris Carson to the Sustainability and Natural Resource Management Board as nominated by the Natural Products and Agriculture Working Group. Term expiration of 04/01/2027.

2. Order 35-03182024*
Appointing Steve Buchanan to the Board of Assessment as nominated by the Appointment Committee. Term expiration of 03/31/2027.

3. Order 36-03182024*
Appointing Gerald Samson to the Board of Assessment as nominated by the Appointment Committee. Term expiration of 03/31/2027.

4. Order 37-03182024*
Appointing Kathy Shaw to the Board of Assessment as nominated by the Appointment Committee. Term expiration of 03/31/2026.

5. Order 38-03182024*
Appointing Tina Eugley to the Age Friendly Community Committee as nominated by the Appointment Committee. Term expiration of 06/01/2027.

Motion was made by Councilor Walker and seconded by Councilor Gerry for passage of the five consent items.

Passage 6-0.

II. Minutes – March 4, 2024, Regular Council Meeting

Motion was made by Councilor Walker and seconded by Councilor Whiting to approve the minutes of the March 4, 2024, Regular Council Meeting.

Passage 5-0-1 (Councilor Milks abstained).

III. Communications, Presentations and Recognitions

- Disenfranchised Business Enterprise (DBE) Plan FFY24/25/26
- Use of City Property – 143 Hampshire Street Parking Area
- Communication - The Mayor's Ad-hoc Committee on Homelessness

IV. Open Session – No one from the public spoke.

V. Unfinished Business

1. Ordinance 07-03042024
Removing Appendix A from Auburn's Code of Ordinances. Second reading.

Motion was made by Councilor Walker and seconded by Councilor Weisner for passage.

Public comment – No one from the public spoke.

Passage 6-0. A roll call vote was taken.

VI. New Business

1. Order 39-03182024
Disposition of building located at 46 Fair Street under dangerous building statute. Public hearing for parties with interest in property.

Public hearing –

Paul Farnsworth, 208 Oak Hill Road, stated that the property has been unsafe for quite some time and has been open and exposed to the elements. He spoke in support of the demolition.

Marty Doherty, 194 Oak Hill Road said he was excited when someone took this project on because it is a beautiful property right by the water, but it's gone on for too long. He expressed various concerns and said he doesn't trust that the renovations will happen and recommends the demolition of the property.

Janice Conant, 199 Oak Hill Road, stated that as of today there is still trash and broken glass, debris, and nails on the outside which could have been cleaned up months ago. She stated that it is lucky that nobody has gotten hurt.

Motion was made by Councilor Walker and seconded by Councilor Milks for passage.

Motion was made by Councilor Milks, seconded by Councilor Whiting to postpone this item until the next regularly scheduled Council meeting (April 1).

Passage 4-2 (Councilor Walker and Gerry opposed).

2. Order 40-03182024
Adopting the City of Auburn's fee schedule.

Motion was made by Councilor Whiting and seconded by Councilor Walker for passage.

Passage 6-0.

VII. Open Session – No one from the public spoke.

VIII. Reports

Mayor Harmon reported that a Lake Auburn Watershed Protection Commission meeting was held earlier this week where WRS Environmental provided the results of their study regarding the phosphorus control in the Lake. Anyone who is interested can go the Lake Auburn Watershed Protection Commission website and search for the March 13th meeting. He also reported that the Ad hoc Committee on homelessness met last Thursday and will be meeting every two weeks for the next few months.

Councilor Whiting reported on the ice out on the Lake adding that it is the earliest ice out on the Lake that he can remember.

City Manager Crowell reported on two items that are coming up. The Conservation Working Group will be holding a webinar on Tuesday, March 19th at 6:30 pm, and the Natural Products and Agricultural Working Group will hold a Land Use Forum on Saturday, April 13th from 10:00am to 1:00pm.

IX. Executive Sessions – None.

X. Adjournment - Motion was made by Councilor Walker, seconded by Councilor Milks to adjourn.

Passage 6-0. The meeting adjourned at 8:11 pm.

February 21, 2024

Dear Phil:
It is with great excitement that I would like to inform you that Auburn Recreation Department/ Unified Sports volunteer Camden Goddard is the 2024 recipient MRPA Citizen Volunteer Award as presented by the Maine Recreation and Park Association. For more information on the history of this award and criteria for being recognized, please go to our page at Association Awards - Maine Recreation and Parks Association (merpa.org)

Camden was nominated by Sara Parker, who works in the Auburn Recreation Department. Sara wrote this about Camden in her nomination application:

"Camden Goddard, our youngest volunteer (9), is one of the most loyal, dedicated, and passionate people to have as a part of our Unified Sports programs for the last 2 years. His older brother, Jackson, is a participant in our programs; unified sports provide athletic opportunities for youth with intellectual and physical disabilities. When their mom signed Jackson up for our inaugural Unified Soccer season last year, Camden approached us eager to help out. From that day forward, he has yet to miss a session. Following our successful soccer season, we laid out our Unified Basketball program/clinic - Camden's drill station (passing and shooting), was a fan favorite. He worked with players individually, and in groups, to help them learn dribbling, passing, and proper shooting techniques. His encouragement and patience with each player made a huge difference in their (first, for many) athletic experience. Along with the time he spends with us at the rec department, Camden also assists our local little league's Unified Baseball program; Buddy Ball.

Camden is always willing to take an athlete by the hand, coach, encourage, and lead them. He is unafraid to speak up for those who cannot and ensures that everyone gets their chance to shine. He is everyone's favorite cheerleader, and is a true asset to all of the Unified programs in our community; we are so lucky to have him on our team."

Camden will be honored at our annual awards banquet on Monday, March 18, 2024 at the Samoset Resort in Rockport, Maine. The dinner will be held at 6:30pm and we would like to extend an invitation to you and any other city administration who would like to attend. Dinner tickets are $50.00 each and can be reserved by accessing this link:
MRPA Award Winner Banquet Tickets

Please let me know if you have any questions!

Sincerely,

Lisa

LAKE STEWARDS OF MAINE
Volunteer Lake Monitoring Program

March 4, 2024

To: City Council, City of Auburn, Maine
From: Alison Cooney, Executive Director - Lake Stewards of Maine
Re: Request for Lake Stewards of Maine funding from the City of Auburn for FY2024

Dear City Council,

I am writing to you to request funding for support for Lake Stewards of Maine (LSM). LSM is a statewide 501(c)(3) nonprofit that trains, certifies and supports volunteer community scientists who collect water quality monitoring data and survey lakes for aquatic invasive species. All of our training and support is provided at no charge to the public. Formed in 1971 (formerly known as the Maine Volunteer Lake Monitoring Program), the program was initially administered by the Maine Department of Environmental Protection (ME DEP) and transitioned to non-profit status in 1996 when state and federal funding decreased and could no longer fully support the program.

With 6,000 lakes and ponds, and thousands of miles of river habitat, Maine is water rich! Additionally, Maine's lakes contribute $11.8 billion in value to the state's economy. Maintaining the health of Maine's clear, clean lakes requires nothing less than a statewide cadre of passionate and committed citizen stewards watching over them. Currently, more than 1,200 LSM certified volunteer community scientists monitor the health of more than 530 lakes throughout Maine. The direct involvement of dedicated LSM citizen lake scientists plays a vital role in maintaining and improving the water quality of Maine lakes and has been a significant factor in the early detection and control of aquatic invasive species in our lakes.

Every summer we extend our reach to include more lakes with volunteer involvement. Last summer, LSM coordinated 54 water quality training sessions and conducted 12 aquatic invasive plant workshops throughout the state. Over 400 individuals attended the in-person trainings, with hundreds more joining online webinars and technical support sessions.

While we receive state funding and actively pursue grants, our expenses are surpassing our budget. **To support the continued costs of training and supporting community lake scientists who monitor lakes throughout the state, Lake Stewards of Maine respectfully requests $1,500 from the City of Auburn.**

As we approach our upcoming field season, we'd be happy to inform you of the trainings we'll be providing in your area. It would be a wonderful opportunity for you to meet some of the volunteers who are dedicated to caring for local lakes and ponds in and around the City of Auburn. To view existing monitors on specific lakes, please visit our *lake resource* website, www.LakesOfMaine.org, search Towns, select a lake, then click on *Monitoring* in the menu bar to see who is monitoring your lakes.

24 Maple Hill Road
Auburn, ME 04210

stewards@lakestewardsme.org
(207) 783-7733

LAKE STEWARDS OF MAINE
Volunteer Lake Monitoring Program

All those who experience the wide variety of offerings provided by Maine's lakes benefit from the stewardship efforts of LSM's committed volunteers. Every dollar donated to Lake Stewards of Maine is typically matched 10 times over by volunteer effort. A worthwhile investment on behalf of Maine's treasured lakes!

For more information about Lake Stewards of Maine, please visit our *volunteer stewardship* website, www.LakeStewardsOfMaine.org. Thank you for your consideration of this request. We are excited about the prospect of establishing a relationship with you as we work together to protect Maine's lakes and ponds.

Kind Regards,

Alison Cooney
LSM Executive Director

City of Auburn
City Council Information Sheet

Council Workshop or Meeting Date: April 1, 2024 **Ordinance:** 01-01022024

Author: Eric J. Cousens, Director of Planning & Permitting

Subject: Public Hearing, Second and Final Reading on an Ordinance amendment adding Sec. 60-1383. Effective Date and Applicability Date of Ordinance #26-11202023.

Information: The City Council requested that the Planning Board consider the proposed amendment at their February meeting. The Board postponed a decision after Public Hearing to ask the Council for information and reasons for the proposed delayed applicability date. The ordinance being considered for delay is described in more detail below. This zoning map amendment is evidenced by Ordinance #26-11202023 relating to the rezoning of approximately 60 acres in parts of City Assessor's Parcel ID 289-001, 289-002, and 277-026 from the Agriculture and Resource Protection (AGRP) zoning district to the General Business (GB) zoning district which became effective on December 9, 2023 pursuant to Section 2.6(C) of the City Charter. The City Council responded to the Planning Board's request at the March 4th, 2024 meeting by forwarding Resolve 01-03042024 to the Board. The board, having reviewed the resolve, gave a negative recommendation at their March 12th, 2024 meeting.

City Budgetary Impacts: None known.

Staff Recommended Action: Hold a Public Hearing and vote on second and final reading.

Previous Meetings and History: December 18, 2023 CC meeting. Public hearing and passage of first reading on January 2, 2024. March 4 CC meeting.

City Manager Comments:

I concur with the recommendation. Signature: Phillip Crowell J.

Attachments: Ordinance 01-01022024, PB Motion, PB Staff Report, Resolve 01_03042024

Ordinance #1-01022024

City Council Ordinance

IN CITY COUNCIL

BE IT ORDAINED by the Auburn City Council, that Chapter 60, Zoning, of the Code of Ordinances be amended as follows:

Chapter 60 ZONING

● ● ●

ARTICLE XVI. ADMINISTRATION AND ENFORCEMENT

● ● ●

DIVISION 5. APPEALS AND APPLICABILITY

● ● ●

Sec. 60-1382. Applicability.

The provisions of this article shall apply to any development subject to review under division 2 of article XVI of this chapter, the construction of which has not been commenced on the date on which they become effective.

(Ord. of 9-21-2009, § 7.4B)

Sec. 60-1383. Effective Date and Applicability Date of Ordinance #26-11202023.

The zoning map amendment to this chapter evidenced by Ordinance #26-11202023 relating to the rezoning of approximately 60 acres in parts of City Assessor's Parcel ID 289-001, 289-002, and 277-026 from the Agriculture and Resource Protection (AGRP) zoning district to the General Business (GB) zoning district became effective on December 9, 2023 pursuant to Section 2.6(C) of the City Charter. In order to allow time for residents and property owners to become familiar with this zoning map amendment and for the City Council to further study and determine whether any additional amendments to this chapter related thereto are necessary or desirable, Ordinance #26-11202023 shall not become applicable until July 1, 2024.

Secs. 60-1384~~3~~—60-1400. Reserved.

Date: 03/20/2024
To: Auburn City Council
From: Auburn Planning Board
Subject: Planning Board Motion on Postponing Applicability Date of Gracelawn GB Zone Change

The following is the report from the Planning Board regarding delayed applicability and effective date for Ordinance # 26-11202023 pursuant to Section 60-1496 of the City of Auburn Ordinances. After notice and Public Hearings held on March 12th, 2024, the Planning Board forwards this report to the City Council.

PUBLIC HEARING/ TEXT AMENDMENT: Consider adding Sec. 60-1383. Effective Date and Applicability Date of Ordinance #26-11202023. This text change would delay the applicability date of amending approximately 60 acres in parts of Parcel ID 289-001, 289-002, and 277-026 from the Agriculture and Resource Protection (AGRP) zoning district to the General Business (GB) zoning district until July 1, 2024. The City Council has proposed this text change to allow residents and the City Council time to determine whether additional amendments related to this item are desirable. The proposal was initiated by the city and is pursuant to Chapter 60, Article XVII, Division 2 Amendment to the Zoning Ordinance or Zoning Map.

Summary and Discussion: Staff presented the City Council's answers to the planning board's questions as listed in Resolve #01-03042024. In discussion, an additional reason emerged for the request to delay the applicability date as prohibiting the developer from pulling permits under the General Business zoning while council considers the questions raised in the resolve. The Planning Board generally agreed that it was not in their purview to make zoning decisions considering speculation on what a property owner or developer may decide to do with their parcel(s).

Motion: Riley Bergeron makes a motion to recommend that the City Council adopt and implement an applicability date of July 1, 2024, per Sec. Sec. 60-1383. Effective Date and Applicability Date of Ordinance #26-11202023. To read as follows:

The zoning map amendment to this chapter evidenced by Ordinance #26-11202023 relating to the rezoning of approximately 60 acres in parts of City Assessor's Parcel ID 289-001, 289-002, and 277-026 from the Agriculture and Resource Protection (AGRP) zoning district to the General Business (GB) zoning district became effective on December 9, 2023, pursuant to Section 2.6(C) of the City Charter. In order to allow time for residents and property owners to become familiar with this zoning map amendment and for the City Council to further study and determine whether any additional amendments to this chapter related thereto are necessary or desirable, Ordinance #26-11202023 shall not become applicable until July 1, 2024. **Second:** Ryan Smith seconds.
Vote: 2-5-0 Motion does not pass

Motion: Dave Trask makes a motion to not recommend that the City Council adopt and implement an applicability date of July 1, 2024, per Sec. Sec. 60-1383. Effective Date and Applicability Date of Ordinance #26-11202023 based on the fact that working with property owners is not within the purview of the planning board and should not be considered when making our ruling and judgement; the fact that the public has had plenty of opportunity to present before the board and have been listened to; and our previous motion to make a recommendation based on staff recommendations and public comment and feel that that at the moment there is no additional scientific or any other information of value that needs reconsideration. **Second:** Tim DeRoche seconds.

Vote: **5-2-0 motion passes.**

City of Auburn, Maine
Office of Planning & Permitting

Date: March 12, 2024
To: Auburn Planning Board
From: The City of Auburn Office of Planning & Permitting
Re: Staff Report on Text Amendment on Applicability Date of Ordinance #26-11202023

I. **Public Hearing/ Text Amendment - Council Initiated:** Consider adding Sec. 60-1383. Effective Date and Applicability Date of Ordinance #26-11202023. This text change would delay the applicability date of amending approximately 60 acres in parts of Parcel ID 289-001, 289-002, and 277-026 from the Agriculture and Resource Protection (AGRP) zoning district to the General Business (GB) zoning district until July 1, 2024. The City Council has proposed this text change to allow residents and the City Council time to determine whether additional amendments related to this item are desirable. The proposal was initiated by the city and is pursuant to Chapter 60, Article XVII, Division 2 Amendment to the Zoning Ordinance or Zoning Map.

II. **Background:** On December 18, 2023, the City Council proposed delaying the applicability of the zoning map amendment for parts of the Gracelawn gravel pit owned by JIG Aggregates LLC. The City Council held its first reading on ordinance 26-11202023 with favorable vote in the affirmative. On February 13th, 2024, the Planning Board held and then closed a public hearing on the text amendment forwarded by the City Council. At this public hearing, the discussion's focus included the prior process of amending the zoning district around the Gracelawn parcels referenced above and the consideration of a delay in the applicability date. Most of the Planning Board indicated that they did not have enough information to forward a different recommendation to the City Council than they did in November, nor did they have enough information to recommend July 1st as the effective date of the zoning map amendment described above. The Planning Board requested a list from City Council summarizing the concerns about applying the General Business zone to the Gracelawn area prompting the proposed addition of Sec. 60-1383 and an explanation of reasons for reconsidering the decision and need for the delayed applicability date. As part of this request, the Board sought to understand how the concerns are related to watershed protection and the comprehensive plan. The City Council provided answers to the Planning Board's questions in Resolve 01-02042024 attached.

III. **Planning Board Action:** Review the information provided by City Council (Resolve 01-03042024) and forward a recommendation to City Council to implement an applicability date of July 1, 2024, per Sec. Sec. 60-1383. Effective Date and Applicability Date of Ordinance #26-11202023 and accept public input.

IV. **Recommended Motion:** I make a motion to recommend/not recommend that the City Council adopt and implement an applicability date of July 1, 2024, per Sec. Sec. 60-1383. Effective Date and Applicability Date of Ordinance #26-11202023. To read as follows:

The zoning map amendment to this chapter evidenced by Ordinance #26-11202023 relating to the rezoning of approximately 60 acres in parts of City Assessor's Parcel ID 289-001, 289-002, and 277-026 from the Agriculture and Resource Protection (AGRP) zoning district to the General Business (GB) zoning district

became effective on December 9, 2023, pursuant to Section 2.6(C) of the City Charter. In order to allow time for residents and property owners to become familiar with this zoning map amendment and for the City Council to further study and determine whether any additional amendments to this chapter related thereto are necessary or desirable, Ordinance #26-11202023 shall not become applicable until July 1, 2024.

RESOLVE 01-03042024

City Council Order

IN CITY COUNCIL

Resolved, That the Auburn City Council is in receipt of the Planning Board's request for Information on the Delayed applicability date in Ordinance 01-01022024 and in response, provides the following information.

Ordinance #26-11202023 amending the Zoning Map on approximately 60 acres in parts of Parcel ID 289-001, 289-002, and 277-026 from the Agriculture and Resource Protection (AGRP) zoning district to the General Business (GB) zoning district requires additional consideration prior to implementation. There are four areas which need further consideration:

1. The status of the current gravel mining operations, both within and outside of the Lake Auburn watershed, and future plans for mining operations.
2. Ensuring continued access to the abutting city owned landfill.
3. Whether potential topographical changes caused by development will present a risk to the drinking water quality.
4. Whether General Business is the appropriate district regulation to be applied, in whole or in part, to these parcels.

The delayed applicability date would allow the City to consider if there could be amendments to the zone and/or agreements with the property owner that could address these concerns and better position the parcel for a successful transition from the current use as a gravel mining and processing operation, while aligning with the comprehensive plan and public interests.

For these reasons the Council asks the Planning Board to consider the delayed applicability date in Ordinance 01-01022024 to allow the City time to address these concerns and to better position the parcels for a successful transition from the current use as a gravel mining and processing operation to something that provides greater community benefit and supports the protection of Lake Auburn.

Ordinance #1-01022024

City Council Ordinance

IN CITY COUNCIL

BE IT ORDAINED by the Auburn City Council, that Chapter 60, Zoning, of the Code of Ordinances be amended as follows:

Chapter 60 ZONING

● ● ●

ARTICLE XVI. ADMINISTRATION AND ENFORCEMENT

● ● ●

DIVISION 5. APPEALS AND APPLICABILITY

● ● ●

Sec. 60-1382. Applicability.

The provisions of this article shall apply to any development subject to review under division 2 of article XVI of this chapter, the construction of which has not been commenced on the date on which they become effective.

(Ord. of 9-21-2009, § 7.4B)

Sec. 60-1383. Effective Date and Applicability Date of Ordinance #26-11202023.

The zoning map amendment to this chapter evidenced by Ordinance #26-11202023 relating to the rezoning of approximately 60 acres in parts of City Assessor's Parcel ID 289-001, 289-002, and 277-026 from the Agriculture and Resource Protection (AGRP) zoning district to the General Business (GB) zoning district became effective on December 9, 2023 pursuant to Section 2.6(C) of the City Charter. In order to allow time for residents and property owners to become familiar with this zoning map amendment and for the City Council to further study and determine whether any additional amendments to this chapter related thereto are necessary or desirable, Ordinance #26-11202023 shall not become applicable until July 1, 2024.

Secs. 60-1384~~3~~—60-1400. Reserved.

City of Auburn
City Council Information Sheet

Council Workshop or Meeting Date: April 1, 2024 **Order:** 39-03182024

Author: Eric J. Cousens, Planning and Permitting Director

Subject: 46 Fair Street – Dangerous Building Findings and Order Adoption

---

Information: The City of Auburn staff has responded to complaints of dangerous conditions at the property over an extended period. Dangerous conditions have been confirmed to exist at the property and the owner of the property has been unwilling or unable to resolve the issues.

To address the issues at the property and eliminate the dangerous conditions the Auburn City Council held a dangerous building hearing regarding the above-captioned property on March 18, 2024, at 7:00 PM at Auburn, Hall, 60 Court Street, Auburn, Maine. During the hearing, the City Council heard additional testimony from City Staff, the Owner and members of the public. The draft Findings and Order of Demolition have been updated to reflect the record and are attached. The Council allowed 2 weeks to work with the Owner to come up with a plan that could be considered to save the structure. As of 3/28/2024, the date of drafting this Information Sheet, the following has occurred:

The Owner provided an incomplete plan on 3/18/24. Staff has met with him and outlined the needed elements to consider a delayed demolition date and option to repair including the following: Updated Building Permit with plan details, Confirmation that the foundation is useable, financial capacity (likely an irrevocable letter of credit based on the discussion with Owner), scheduled an inspection for 3/27/2024 that was cancelled by the Owner and rescheduled for today, 3/28/2024, Updated budget to match realistic construction costs based on standard estimating guides, back taxes and Water/Sewer Liens have been paid(awaiting confirmation of check clearing), cleanup at the site has been started.

Staff will provide an update on the status on Monday 4/1/24 to recommend a final Order. The order will reflect what has been provided to show technical and financial capacity to remedy the dangerous conditions at the property as of that date and to possibly to extend demolition time to as long as 90 days to allow for compliance with Owners' plan as shown in the draft Order.

City Budgetary Impacts: NA

Staff Recommended Action: If the property constitutes a dangerous building under 17 M.R.S. § 2851, the Council should adopt the findings of fact and order the abatement of the hazardous conditions. Staff provided draft findings and order that may be modified based on information presented between now and the 4/1/24 meeting.

Previous Meetings and History: None

City Manager Comments:

I concur with the recommendation. Signature: 

Attachments: Information packet for 46 Fair Street, including draft findings and Order. Previous Information is available in the March 18, 2024 CC Meeting Packet.

EXHIBIT A

CITY OF AUBURN
CITY COUNCIL
FINDINGS OF FACT
DANGEROUS BUILDING HEARING
46 FAIR STREET (PARCEL ID: 337-002)
~~March 18~~April 1, 2024

1. On February 5, 2024, the City Council voted to set a public hearing under the Dangerous Building Statute (17 M.R.S. §§ 2851-2859) for March 18, 2024 to determine whether the building located on the property at 46 Fair Street in Auburn, Maine (the "Property") is dangerous or a nuisance as defined in 17 M.R.S. § 2851(2-A).

2. The Property is described as Parcel ID# 337-002 on the City's maps, copies of which are on file at the Auburn City Hall, and is more particularly described in a deed from Allen F. Mackey to RedCoral Investments, LLC, dated September 14, 2021, and recorded in the Androscoggin County Registry of Deeds in Book 10877, Page 16.

3. The Property is subject to (1) a mortgage held by 32 Ventures, LLC, dated June 23, 2022, and recorded in the said Registry in Book 11139, Page 27; (2) a mortgage held by F and F Ventures 11, LLC, dated June 26, 2023, and recorded in the said Registry in Book 11402, Page 64; (3) a water lien held by Auburn Water District, dated September 21, 2022, and recorded in the said Registry in Book 11216, Page 186; and (4) a sewer lien held by Auburn Sewer District, dated September 20, 2022, and recorded in the said Registry in Book 11216, Page 192.

4. An attested copy of the Notice of Hearing was recorded in the Androscoggin County Registry of Deeds in Book 11521, Page 144, as required by 17 M.R.S. § 2857.

5. The record owner of the Property is RedCoral Investments, LLC, and notice of the March 18, 2024 public hearing was served on its registered agent, Jeffrey R. Gnecco, at 62 Portland Street, Suite 25, Kennebunk, Maine, on February 16, 2024.

6. Catherine M. Colombo, Esq. accepted service of the Notice of Hearing on behalf of mortgagee F and F Ventures 11, LLC, on February 21, 2024.

7. Michael Broadbent accepted service of the Notice of Hearing on behalf of both the Auburn Water District and the Auburn Sewerage District on February 21, 2024.

8. The registered agent for 32 Ventures, LLC accepted service of the Notice of Hearing on behalf of the entity on February 27, 2024.

9. On March 18, 2024, the City Council held the public hearing provided for in 17 M.R.S. § 2851. The City Council was represented at the hearing by Mark A. Bower, Esq.

10. City Councilors Richard S. Whiting, Timothy M. Cowan, Stephen G. Milks, Benjamin J. Weisner, Leroy G. Walker, Sr., and Belinda A. Gerry~~, and Adam R. Platz~~ were in attendance and participated in the consideration of this matter. Councilor Adam R. Platz was not present.

11. During the hearing, the City Council heard testimony from the following individuals:

a. Code Compliance Officer (CCO) Jennifer Dick testified regarding her personal knowledge of the condition of the buildings on the Property resulting from her inspections of the Property on various occasions, which is also contained in her affidavit submitted into the record. She provided the City Council with several documents from the City's property file for 46 Fair Street demonstrating its state of disrepair, including: (1) Notice of Violation, dated November 2, 2022; (2) First Citation and Notice of Civil Penalty, dated November 21, 2022; (3) Second Citation and Notice of Civil Penalty, dated December 9, 2022; (4) Third Citation and Notice of Civil Penalty, dated December 28, 2022; (5) Fourth Citation and Notice of Civil Penalty, dated January 10, 2023; and (6) Fifth Citation and Notice of Civil Penalty, dated January 9, 2024. Neither the Notice of Violation nor any of the Citations were appealed to the Auburn Board of Appeals. The CCO also submitted into the administrative record various photographs from her inspections of the Property on May 5, 2023 and March 5, 2024, which demonstrate the significantly deteriorated condition of the Property. The CCO stated that, in her opinion as a certified code professional, the building on the Property is a dangerous building under the meaning set forth in 17 M.R.S. § 2851. The Council accepts and finds credible the facts set forth in the CCO's affidavit and her oral testimony at the hearing.

b. Code Enforcement Officer (CEO) Kris Beaudoin submitted testimony by affidavit setting forth ~~testified regarding~~ his personal knowledge of the condition of the buildings on the Property, ~~, which is also contained in his affidavit submitted into the record. The CEO further testified regarding~~ the City's efforts to secure the buildings on the Property in order to mitigate the risk and danger to the neighborhood and general public, ~~and described~~ his observation of the owner's leaving the building unsecured, and the owner's work on the Property without valid approvals from the City. The CEO's affidavit ~~also~~ include~~sd~~ copies of e-mail correspondence with the owner's manager evidencing the City's efforts to have the owner remediate the Property to no avail. The CEO's affidavit concludes ~~testified to his opinion~~ that the building is dangerous, and his recommendation is to carry out the condemnation and demolition of the building because it is an dangerous residential structure, not safe for human inhabitation and poses a significant risk to the general public. The Council accepts and finds credible the facts set forth in the CEO's affidavit~~ and his oral testimony at the hearing~~.

c. Fire Chief Robert Chase testified at the hearing regarding his opinion, on behalf of the Auburn Fire Department, that the buildings at the Property are a fire hazard due to various violations of the ~~NFPA~~ fire and life safety codes, including issues with the wiring of the house that are clearly visible in the photos included in the record, and the debris in the building and on the Property that creates "fuel load." The Fire Chief testified that the unsecured building could result in illegal entry by squatters, increasing the fire risk, and that the proximity to the nearby school makes the building dangerous if children were to enter the Property or building. ~~Chief Chase~~ The Fire Chief further testified that he would have significant concerns about sending ~~his~~ the City's firefighters into the building on the Property in the event of an emergency ~~fire~~, due to

concerns about its structural integrity, trip hazards and other unknown hazards due to the building being unsecured, and the resulting risk to the safety of his ~~firefighters~~personnel. The Council accepts and finds credible the facts set forth in the Fire Chief's oral testimony at the hearing.

d. Three members of the public testified at the hearing, including Paul Farnsworth, Martin Doherty, and Janice Conant. They described how the Property is a general nuisance to the neighborhood, due to the building being open to the elements and building materials, construction debris, and broken glass and trash strewn about the yard. They also expressed concern about the Property's proximity to the school and nearby playgrounds and the risk that the building poses to children who might wander onto the Property.

e. The owner's representative, Zahid Abid, appeared at the hearing and testified on behalf of the owner. He testified that the owner purchased the Property two and a half years ago and has had issues with contractors completing the work that they were hired to perform. He explained that the owner has an active building permit that was issued on September 11, 2023, and expires on September 10, 2024. He presented the Council with a proposed plan for rehabilitation of the site that includes cleanup and landscaping of the site within two weeks, and completion of work on the building no later than June 1, 2024. He also included copies of checks reflecting payments to bring his accounts with the City current (property tax, water and sewer).

12. Based on the totality of the evidence presented at hearing, the City Council determines that:

a. The building located on the Property is a nuisance and constitutes a hazard to the health and safety of the neighborhood and general public due to the fact that the building is chronically unsecured and the owner has allowed construction debris, trash, and other materials to accumulate on the Property and escape into the nearby water body, Lake Auburn.

b. The building on the Property is currently characterized by ~~total loss, due to~~ significant deterioration and obsolescence resulting in deferred maintenance and lack of needed repairs, the extended period of time being open to the elements, and the risk of collapse.

c~~b~~. In its current state, the building is a fire hazard and uninhabitable and therefore not fit for the purpose for which it is intended.

d~~c~~. Despite the City's best efforts to secure the building, the building's current owner leaves the building chronically unsecured, which makes the building an attractive nuisance for the community and further encourages and proliferates illegal activity, resulting in a significant risk to the general public.

BASED UPON THE ABOVE FINDINGS, the Auburn City Council concludes that the building located at 46 Fair Street is structurally unsafe; unstable; unsanitary; constitutes a fire hazard; is unsuitable and improper for the use or occupancy to which the building has been put; constitutes a hazard to health and safety because of inadequate maintenance, dilapidation, obsolescence, or

abandonment; and is otherwise dangerous to life and property within the meaning of 17 M.R.S. § 2851 and is beyond repair.

These findings and conclusions of the City Council shall be appended to and incorporated into the Order of Demolition dated ~~March 18~~April 1, 2024.

ORDER 39-03182024

City Council Order

IN CITY COUNCIL

CITY OF AUBURN, MAINE
CITY COUNCIL

Re: Premises at 46 Fair Street, Auburn, Maine
Parcel ID# 337-002

ORDER OF DEMOLITION PURSUANT TO 17 M.R.S. §§ 2851-2859

Notice having been given to REDCORAL INVESTMENTS, LLC and all other persons and entities having an interest in the premises situated at 46 Fair Street in Auburn, Maine, described as Parcel ID# 337-002 on the City's maps, copies of which are on file at the Auburn City Hall, and more particularly described in a deed from Allen F. Mackey to RedCoral Investments, LLC, dated September 14, 2021, and recorded in the Androscoggin County Registry of Deeds in Book 10877, Page 16 (the "Property");

Notice also having been given to (1) 32 Ventures, LLC, holder of a mortgage on the Property dated June 23, 2022, and recorded in the said Registry in Book 11139, Page 27; (2) F and F Ventures 11, LLC, holder of a mortgage on the Property dated June 26, 2023, and recorded in the said Registry in Book 11402, Page 64; (3) Auburn Water District, holder of a water lien on the Property dated September 21, 2022, and recorded in the said Registry in Book 11216, Page 186; and (4) Auburn Sewer District, holder of a sewer lien on the Property dated September 20, 2022, and recorded in the said Registry in Book 11216, Page 192.

A hearing having been duly held by the City Council at the Auburn City Hall on March 18, 2024, which was continued to April 1, 2024; and

The structure located on said Property having been adjudged to be structurally unsafe; unstable; unsanitary; constituting a fire hazard; unsuitable and improper for the use or occupancy to which they have been put; constituting a hazard to health and safety because of inadequate maintenance, dilapidation, obsolescence, or abandonment; and otherwise dangerous to life and property within the meaning of 17 M.R.S. § 2851 and beyond repair, for the reasons set forth in the findings and conclusions attached as Exhibit A and incorporated herein;

Now, therefore, it is hereby **ORDERED** that the structure located on the Property be removed within 60 days from the date of this Order, that the removal comply with all State and local requirements and that the Property be left in a safe and sanitary condition, or that the nuisance be abated in a manner satisfactory to the City within 60 days from the date of this Order; provided, however, that City staff is authorized to delay the disposal of the building if the owner or any party-in-interest has demonstrated the ability and willingness to satisfactorily rehabilitate the building;

It is further **ORDERED** that, if this Order is not complied with, then the City Council or its designee is authorized to cause the removal of the said structure described herein and to bill the owner for the cost of all expenses incurred by the City, which bill must be paid within 30 days after demand; and

Timothy M. Cowan, Ward Two
Leroy G. Walker, Sr., Ward Five
Jeffrey D. Harmon, Mayor
Stephen G. Milks, Ward Three
Adam R. Platz, At Large
Phillip L. Crowell, Jr., City Manager

ORDER 39-03182024

City Council Order

It is further **ORDERED** that in the event the owner does not pay the City for its expenses within 30 days after demand, a special tax shall be assessed on the premises described as Parcel ID# 337-002 and located at 46 Fair Street, for all expenses as defined in 17 M.R.S. § 2853, incurred by the City in connection with the removal of the said structure and/or the abatement of the nuisance;

It is further **ORDERED** that the City Clerk cause attested copies of this Order to be served upon the persons and interest holders above-named as required by law, and that any appeal from this decision must be made to the Maine Superior Court within 30 days of the date of this Order, in accordance with Rule 80B of the Maine Rules of Civil Procedure.

Council Workshop or Meeting Date: April 1, 2024 **Order:** xx-04012024

Author: Sue Clements-Dallaire, City Clerk

Subject: Request to consolidate to one polling place for the July 9, 2024 Special Municipal Election

---

Information: A Special Municipal Election is scheduled for Tuesday, July 9, 2024 to fill the recently vacated School Committee seat (at-large). Because it is an at-large seat and open to all Auburn voters, we would have to open all polling places which would require a minimum of 5 election workers at each location working approximately 15 or 16 hours each.

Historically, turnout for these special elections is extremely low.

- A Special Election was held on 8/12/2014 to fill a Ward 1 School Committee seat. Voter turnout – 16.
- A Special Election was held on 4/23/2019 to fill a Ward 4 School Committee seat. Voter turnout – 18.

Staff is recommending that we consolidate to one polling place (Auburn Hall) for this election. There would be a cost savings for consolidating, the Boy's & Girl's Club would not have to close (they typically close the day before and the day of each election), and it may be challenging to find appropriate staffing to staff each location because many people may be away on vacation in July.

City Budgetary Impacts: Consolidating would save the city approximately $3,000 or more.

Staff Recommended Action: Hold a public hearing and recommend passage.

Previous Meetings and History: N/A

City Manager Comments:

I concur with the recommendation. Signature: Phillip Crowell Jr.

Attachments: Title 21-A Sec. 631-A, and the Order

§631-A. Voting places

1. Establishing suitable voting places. If the municipal officers determine that there is no building within a voting district that is suitable for a voting place, as described in section 627, the municipal officers may, subject to the approval of the Secretary of State, establish a voting place outside the voting district in a suitable building that is as close as possible to the voting district and as convenient as possible to the voters of the voting district.
[PL 2007, c. 455, §28 (NEW).]

2. Consolidating voting places. The municipal officers may, after public notice and hearing held at least 90 days before an election, and subject to the approval of the Secretary of State, consolidate voting places so that more than one voting district votes in the same voting place. When voting places are consolidated under this process, the voters from the different voting districts may vote in the same or separate guardrail enclosures in the building.
[PL 2007, c. 455, §28 (NEW).]

3. Change of voting place. If the municipal officers wish to change the location of a voting place, they must apply to the Secretary of State at least 60 days before the next statewide election, unless an emergency exists. The Secretary of State shall design the application form. The Secretary of State must approve the application before the voting place may be changed.
[PL 2011, c. 342, §21 (NEW).]

SECTION HISTORY

PL 2007, c. 455, §28 (NEW). PL 2011, c. 342, §21 (AMD).

Author: Sue Clements-Dallaire, City Clerk

Subject: Adoption of 5 Year Capital Improvement Plan

Information The City Manager has presented a 5 Year Capital Improvement Plan. By Charter, the City Council must adopt the Capital Plan before the end of the current fiscal year.

City Budgetary Impacts: This action is just adopting the plan.

Staff Recommended Action: Adoption of the 5 Year Capital Improvement Plan

Previous Meetings and History: Annual

City Manager Comments:
The 5 Year Capital Improvement Plan is a conceptual plan for the City's long-term capital improvement program which is subject to change due to changing circumstances.

I concur with the recommendation. Signature: Phillip Crowell J.

City of Auburn
City Council Information Sheet

Council Workshop or Meeting Date: April 1, 2024 **Order:** 44-04012024

Author: Jennifer Boenig, Downtown Coordinator

Subject: Approving the Mass Gathering for Auburn Lobster Festival

---

Information: The Auburn Lobster Festival is scheduled for Saturday, May 11, 2024, from 1:00-6:00 PM. The event will be held in Festival Plaza and on Main Street which will be closed with public works trucks and barricades. This free community event will feature live music, craft brews, food trucks and more.

A mass gathering is defined as any gathering held outdoors with the intent to attract the continued attendance of 1,000 or more persons for two or more hours.

City Budgetary Impacts: This event is budgeted through the Communications Department.

Staff Recommended Action: Hold the public hearing and motion to approve the mass gathering.

Previous Meetings and History: NA

City Manager Comments:

I concur with the recommendation. Signature: Phillip Crowell J.

$	**TOTAL FEE INCLUDED** – Checks payable to "City of Auburn"			

EVENT LIABILITY INSURANCE COVERAGE FOR EVENT

For an event such as a walk-a-thon, race, festival, concert, etc., the city requires general liability insurance coverage. The **City of Auburn** is to be named as "additionally insured" for the event activities on that date. Once the event is approved, the Certificate of Insurance will need to be received at least 30 days before the event and before permits can be issued. Please have the City of Auburn listed on the Certificate of Insurance (minimum coverage $1,000,000 Bodily Injury or Death, per occurrence, and $300,000 Property Damage, per occurrence). It should contain a clause providing that the policy may not be cancelled by either party except upon not less than 30 days written notice to the city. Please have your insurance company fax a copy to: City Clerk 207-333-6623.

DESCRIPTION OF EVENT – Please describe what will occur during your event

The Auburn Lobster Festival is a free community event featuring live music, craft brews, food trucks and more. This event is open to all ages and supports our state's lobster industry.

City of Auburn
City Council Information Sheet

Council Workshop or Meeting Date: April 1, 2024 **Order:** 45-04012024

Author: Jennifer Boenig, Downtown Coordinator

Subject: Approving the temporary liquor license for an Incorporated Civic Organization for the City's three signature events: Auburn Lobster Festival, Auburn Blues & Brews and New Year's Auburn.

Information: The Auburn Lobster Festival is scheduled for Saturday, May 11, 2024, from 1:00-6:00 PM.

The City is applying for a Liquor License for an Incorporated Civic Organization to allow the sale of alcohol within the designated area of Festival Plaza and Main Street for the Auburn Lobster Festival. The City will also apply for the same license for the Auburn Blues & Brews event on September 7, 2024 and New Year's Auburn on December 31, 2024.

Per MRS Title 28-A Liquor § 1071. INCORPORATED CIVIC ORGANIZATIONS 2. Up to 5 licensed events per year; one event per license. An incorporated civic organization may obtain up to 5 licenses under this section per calendar year.

A Public Hearing is not required per MRS Title 28-A Liquor § 1071. INCORPORATED CIVIC ORGANIZATIONS 4. Application G. Approval by the municipal officers of the municipality in which the proposed licensed premises are located, which, notwithstanding section 653, may be granted without notice or a public hearing.

City Budgetary Impacts: This event is budgeted through the Communications Department.

Staff Recommended Action: Motion to approve the temporary liquor license for the city's three signature events.

Previous Meetings and History: NA

City Manager Comments:

I concur with the recommendation. Signature: Phillip Crowell Jr.

Signature of Officials	Printed Name and Title

Section E: Application Fee; Other Information

1. The license fee is $50.00 plus a $10.00 filing fee; make checks payable to Treasurer State of Maine.
2. The law requires the application to be submitted at least 24 Hours prior to the function, however, a longer notice is appreciated to allow additional time for processing.
3. Once issued, this permit is not assignable and is valid only for use by the licensee named in this application and for the date, time, and location listed in this application. This permit is issued subject to Maine liquor laws under Title 28-A and the Bureau's Administrative Rules. Penalties for failure to comply with the laws and rules are provided in Chapter 33 of Title 28-A.
4. The Division is hereby authorized to obtain and examine all books, records and tax returns pertaining to the business, for which this liquor license is requested, and also such books, records and returns during the year in which any liquor license is in effect.
5. Payments to the Division by check subject to penalty provided by 28-A MRS Section 3-B.

Section F: Diagram for Outdoor Events

The following restrictions apply to outdoor events:

- There must be a stanchion or a fence completely enclosing the area.
- Signs must be posted stating "No alcohol beyond this point".
- There must be sufficient employees at the event to control and monitor the area.

In an effort to clearly define the area that consumption and storage of liquor will occur during this outdoor event, diagrams must be submitted on this form and should be as accurate as possible. Be sure to label the areas of consumption and storage on your diagram.

Subject: Androscoggin County Natural Hazard Mitigation Plan – Resolution of Adoption

---

Information: Androscoggin County Emergency Management Agency submitted the Androscoggin County Natural Hazard Mitigation Plan 2024 update to the state for review by the State Natural Hazards Planner for the Maine Emergency Management Agency on December 15. The State Natural Hazards Planner completed the review and submitted the update to FEMA for final review and approval January 12.

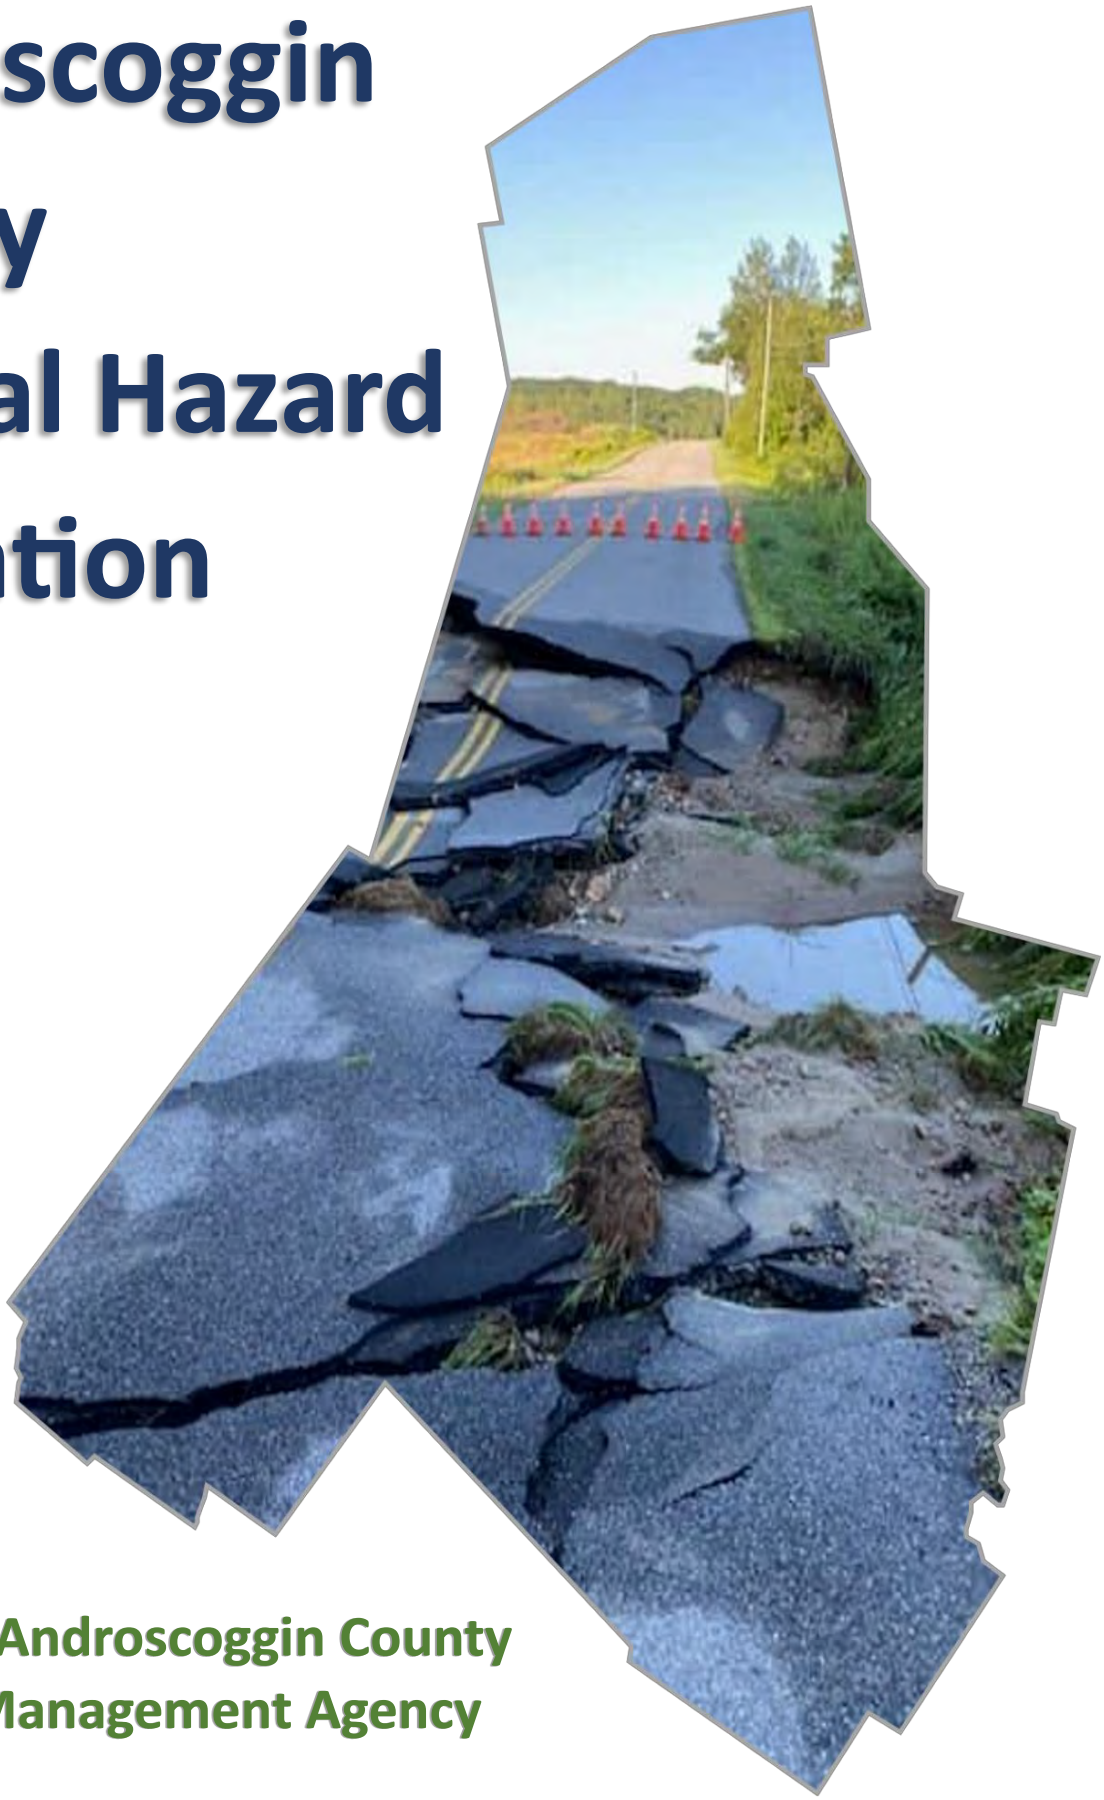
FEMA Region 1 Mitigation Division has determined the ***Androscoggin County Natural Hazards Mitigation Plan 2024*** meets all applicable FEMA Mitigation Planning requirements (Local Mitigation Planning Policy Guide, effective April 19, 2023), except its adoption by:

- Androscoggin, County of
- Auburn, City of
- Durham, Town of
- Greene, Town of
- Leeds, Town of
- Lewiston, Town of
- Lisbon, Town of
- Livermore, Town of
- Livermore Falls, Town of
- Mechanic Falls, Town of
- Minot, Town of
- Poland, Town of
- Sabattus, Town of
- Turner, Town of
- Wales, Town of

City Budgetary Impacts: None

Staff Recommended Action: City Council adopts the Androscoggin County Natural Hazard Mitigation Plan 2024 Update.

Previous Meetings and History: None



City Manager Comments:

I concur with the recommendation. Signature: Phillip Crowell Jr.

Androscoggin County Natural Hazard Mitigation Plan 2024

Prepared by Androscoggin County Emergency Management Agency

Acknowledgements

The Androscoggin County Natural Hazard M ga on Plan is a mul -jurisdic onal plan, prepared by Androscoggin County Emergency Management Agency for county and the 14 jurisdic ons within Androscoggin County. In the State of Maine, County EMAs coordinate with local governments to prepare a mul -jurisdic onal plan. The Androscoggin County Emergency Management Agency lead this e ort with assistance the Hazard M ga on Planning Team, the Hazard M ga on Planning Steering Com ee, and Jurisdic onal Hazard M ga on Teams. The s that brought this plan to fru on were supported and funded by Androscoggin County and the FEMA Emergency Performance Grant Program

Hazard Mitigation Planning Team	
Angela Molino	Director, Androscoggin County Emergency Management Agency
Paul Leonard	Deputy Director, Androscoggin County Emergency Management Agency
Spencer McKeown	GIS Planner, Androscoggin County Emergency Management Agency

Hazard Mitigation Planning Steering Committee

Livermore, Town of	Wales, Town of

In add on to those agencies and individuals named above, a number of d erent state, local and regional partners contributed to this plan:

Maine Historic Preserva on Commission, Maine Department of Agriculture, Conserva on & Forestry, Na onal Weather Service-Gray, Maine USDA Farm Service Agency, UMaine Coopera ve Extension, Community Concepts, Androscoggin Valley Council of Governments, Lewiston Housing Authority, Maine Forest Service, Central Maine Power, Co., Poland Springs B g Co., Department of Business & Community Development, City of Auburn, Maine Center for Disease Control, North East States Emergency Consor um, the public, businesses, non-pr ts and stakeholders who completed the Natural Hazard M ga on Surveys.

Thank you.

Executive Summary

Hazard Mitigation is any sustained action taken to reduce or eliminate long term risk to human life, infrastructure, and the environment.

The 2024 update to the Androscoggin County Natural Hazard M on Plan was prepared by the Androscoggin County Emergency Management Agency and in accordance with the Disaster M ga on Act of 2000. DMA 2000 requires states and local governments to prepare HMPs to remain eligible to receive pre-disaster ga on grant funds available in the wake of federally declared disasters. The Androscoggin County Hazard M ga on Plan is a mu -jurisdic onal plan, a collabora ve process. In the State of Maine, County EMAs coordinate with local governments to prepare a mu -jurisdic onal plan. The Androscoggin County Emergency Management Agency (ACEMA) is the lead in this e ort with assistance from planning teams, the Hazard M ga on Planning Team, Hazard M ga on Planning Steering Com ee, and Jurisdic onal Hazard M ga on Teams.

Planning Process

Hazard M on Planning Team coordinated, facilitated, and documented the planning process, collected, and analyzed data, risk, and capab es, sought p cip on through mee ngs, surveys, social media, the Androscoggin County EMA website, and emails. The Hazard M on Steering Com ee provided feedback, input, reviewed the planning process materials, documents, planning and outreach strategy via emails or in person mee ngs. Jurisdic onal Teams ended the workshops, the seminar, and project planning mee ngs. Teams reviewed the 2017 Hazard M on plan, the Natural Hazard Report, p cipated in the Natural Hazard Risk Assessment, and completed the jurisdic on survey, which provided the status update of the 2017 projects. The jurisdic onal teams completed the project worksheets, which resulted in the iden n of vulnerab es, capab es, and development of on strategies for the plan update. The teams played a vital role in public outreach, through the dissemin on of the surveys to the stakeholders and public through mee ngs, emails, and social media.

Risk Assessment

Androscoggin County Emergency Management Agency conducted an All-Hazards Risk Assessment in 2022, all 14 jurisdic ons p cipated. The jurisdic ons rated the impact that each hazard would have on their community using the infor on provided by Androscoggin County EMA through present ons from SME, hazard reports containing hazard d ni ons, county context and general consequence analysis. ng from the Natural Hazard Iden n and Risk Assessment, a review of all available capabili es, and ranking by the jurisdic ons

the following hazards have been selected for this Natural Hazard M g on Plan, Flooding, Severe Summer Weather, Wild , Drought, Severe Winter Weather.

Mitigation Strategy

The 2024 Androscoggin County Natural Hazard M ga on Plan update features new overarching goals designed to empower commun es to navigate ga on e orts through a uid risk landscape, pos oning the commun es within Androscoggin County to address current concerns, future trends, policy requirements, vulnerab es, and poten al impacts from natural disasters. FEMA d nes Goals as general guidelines that explain what should be achieved and de es Objec ves as strategies or implementa on steps to a ain ga on goals, and mi ga on ns as sp ns that help to achieve the ga on goals and obj es. This plan, combines goals, objec ves, and ns to provide dir n for Androscoggin County and all jurisdic ons to reduce risks from iden d hazards and improve resilience. All 14 jurisdic ons p cipated, each on or project sub ed for inclusion in this plan contributes to the county-wide ga on strategy. The local ga on ns or projects paint a picture, illustra ng what each community prior zes and their commitment to hazard ga on and resilience.

GOALS

- **Minimize loss and disruption of life, property, and the environment**
- **Encourage Continuity of Operations pre, during & post hazard events**
- **Enhance Mitigation Capabilities**
- **Increase Public Awareness and Support for Hazard Mitigation**
- **Increase Resilience of Economy and local Resources**

Plan Maintenance & Update

Plan progress will be monitored through cyclical mee ngs with MEMA and/or local jurisdic ons, as well as following federally declared disasters in Androscoggin County. Annually and following disaster d ons, ACEMA will review the hazards in the risk assessment and on strategies to determine relevancy to variable cond ons including land development in the county, as well as changes in state or federal policy to ensure that plan elements re ct current and expected cond ons. At year three of the - year period covered by this plan, a hazard analysis and risk and capabili es assessment will be conducted. In collabor on with the jurisdic ons, projects will be updated, and new projects will be added. The plan will come to frui on through a series of compounding mee ngs, the kick mee ng, the seminar, and project planning mee ngs, including emails, surveys, and the website. Once all hazards, projects, maps, and all per nent data have been updated, and public input recorded, the Androscoggin County Hazard M on Plan d will be sub ed to MEMA for review and recommenda ons before the al d is forwarded to FEMA for review and approval pending adop on (APA). er APA, the jurisdic ons will adopt the plan for nal approval and start another -year plan cycle.

Adoption

The Androscoggin County Hazard M on Plan 2024 provides a path by which local governments can follow to reduce vulnerabili es and lessen impacts from natural disasters. By ad g this plan, each community is agreeing to con nue implementa on of strategies aimed at ga ng hazards iden d in this Plan. P cipa on in the planning process and ad on of the plan by a jurisdic on enables that jurisdic on to be eligible for FEMA Hazard M ga on Assistance (HMA) grant programs, such as the Building Resilient Infrastructure and Commun es (BRIC) and Flood M ga on Assistance (FMA).

Point of Contact. The Androscoggin County Emergency Management Agency leads the e ort to adapt and update the Mu -Jurisdic onal Hazard M ga on Plan. As such, ACEMA is determined to con nue and improve public involvement by providing an ongoing opportunity for public comment and valued input regarding the hazard mi ga on plan, so as to achieve that goal the ACEMA informa on is embedded below:

RESOLVE 03-04012024

City Council Resolve

IN CITY COUNCIL

ANDROSCOGGIN COUNTY NATURAL HAZARD MITIGATION PLAN RESOLUTION OF ADOPTION 2024

Whereas, natural and man-made disasters may occur at any time, we recognize that to lessen the impacts of these disasters we will save resources, property, and lives in Androscoggin County;

And whereas the creation of a multi-jurisdictional Hazard Mitigation Plan is necessary for the development of a risk assessment and effective mitigation strategy;

And whereas, the 2 Cities, 12 Towns in Androscoggin County, as well as Androscoggin County are committed to the mitigation goals and measures as presented in this plan;

Therefore, be it resolved, that the Auburn City Councilors hereby ADOPT the Androscoggin County Natural Hazard Mitigation Plan 2024 Update.

City of Auburn
City Council Information Sheet

Council Workshop or Meeting Date: April 1, 2024

Subject: Executive Session

Information: Economic development, pursuant to 1 M.R.S.A. Section 405(6) (C) which premature disclosure would prejudice the competitive or bargaining position of the city.

Executive Session: On occasion, the City Council discusses matters which are required or allowed by State law to be considered in executive session. Executive sessions are not open to the public. The matters that are discussed in executive session are required to be kept confidential until they become a matter of public discussion. In order to go into executive session, a Councilor must make a motion in public. The motion must be recorded, and 3/5 of the members of the Council must vote to go into executive session. An executive session is not required to be scheduled in advance as an agenda item, although when it is known at the time that the agenda is finalized, it will be listed on the agenda. The only topics which may be discussed in executive session are those that fall within one of the categories set forth in Title 1 M.R.S.A. Section 405(6). Those applicable to municipal government are:

A. Discussion or consideration of the employment, appointment, assignment, duties, promotion, demotion, compensation, evaluation, disciplining, resignation or dismissal of an individual or group of public officials, appointees or employees of the body or agency or the investigation or hearing of charges or complaints against a person or persons subject to the following conditions:
(1) An executive session may be held only if public discussion could be reasonably expected to cause damage to the individual's reputation or the individual's right to privacy would be violated;
(2) Any person charged or investigated must be permitted to be present at an executive session if that person so desires;
(3) Any person charged or investigated may request in writing that the investigation or hearing of charges or complaints against that person be conducted in open session. A request, if made to the agency, must be honored; and
(4) Any person bringing charges, complaints or allegations of misconduct against the individual under discussion must be permitted to be present. This paragraph does not apply to discussion of a budget or budget proposal;

B. Discussion or consideration by a school board of suspension or expulsion of a public school student or a student at a private school, the cost of whose education is paid from public funds, as long as:
(1) The student and legal counsel and, if the student is a minor, the student's parents or legal guardians are permitted to be present at an executive session if the student, parents or guardians so desire;

C. Discussion or consideration of the condition, acquisition or the use of real or personal property permanently attached to real property or interests therein or disposition of publicly held property or economic development only if premature disclosures of the information would prejudice the competitive or bargaining position of the body or agency;

D. Discussion of labor contracts and proposals and meetings between a public agency and its negotiators. The parties must be named before the body or agency may go into executive session. Negotiations between the representatives of a public employer and public employees may be open to the public if both parties agree to conduct negotiations in open sessions;

E. Consultations between a body or agency and its attorney concerning the legal rights and duties of the body or agency, pending or contemplated litigation, settlement offers and matters where the duties of the public body's or agency's counsel to the attorney's client pursuant to the code of professional responsibility clearly conflict with this subchapter or where premature general public knowledge would clearly place the State, municipality or other public agency or person at a substantial disadvantage;

F. Discussions of information contained in records made, maintained or received by a body or agency when access by the general public to those records is prohibited by statute;

G. Discussion or approval of the content of examinations administered by a body or agency for licensing, permitting or employment purposes; consultation between a body or agency and any entity that provides examination services to that body or agency regarding the content of an examination; and review of examinations with the person examined; and

H. Consultations between municipal officers and a code enforcement officer representing the municipality pursuant to Title 30-A, section 4452, subsection 1, paragraph C in the prosecution of an enforcement matter pending in District Court when the consultation relates to that pending enforcement matter.

City Council Workshop & Meeting
Agenda
April 16, 2024
Auburn Hall, Council Chambers

5:30 P.M. City Council Workshop

A. City Manager's Final FY25 Budget and FY25 CIP – Phil Crowell
B. City Council Discussion

7:00 P.M. City Council Meeting - Roll call votes will begin with Councilor Whiting

Pledge of Allegiance

I. Consent Items – All items with an asterisk (*) are considered routine and will be enacted by one motion. There will be no separate discussion of these items unless a Council member or a citizen requests, in which event, the item will be removed from the Consent Agenda and considered in its normal sequence on the agenda.

1. Order 47-04162024*
Appointing Election Clerks to serve a two-year term (May 1, 2024, through April 30, 2026).

2. Order 48-04162024*
Authorizing the City Clerk to waive the $60 Temporary Food Service licensing fee for the Auburn Exchange Club for the Lobster Festival Event scheduled to be held on May 11, 2024.

Author: Jennifer Boenig, Downtown Coordinator

Subject: Fee waiver for the Exchange Club of Auburn for the Auburn Lobster Festival

---

Information: The Exchange Club of Auburn is a nonprofit organization hosting a fundraising dinner during the May 11, 2024 Auburn Lobster Festival. This is an opportunity for the club to serve the community and raise funds to support the Auburn PAL center. The club is requesting council waive the $60 temporary food license.

The fees for business licenses shall be paid by the owner or his agent in accordance with the business fee schedule established by the city council The city council is the only authority allowed to waive fees prescribed by ordinance. An application for waiver of any fees must be presented in writing to the city clerk to be brought to the city council at its next available meeting.

(Ord. No. 38-02072011-05, att. §§ 24-31, 2-7-2011)

City Budgetary Impacts:. Loss of $60 temporary food license fee.

Staff Recommended Action: Approve the fee waiver request.

EXCHANGE

THE EXCHANGE CLUB OF AUBURN

working to make our community a better place to live

Auburn City Council

Request for Waiver of Permit Fees

March 28, 2024

Dear Council,

The Exchange Club of Auburn has been serving the people of Auburn for over 75 years. We are excited to have been asked to participate for a second year at the Auburn Lobster Festival on May 11, 2024, by providing lobster dinners. This is an opportunity to serve our community yet again and raise funds to support our work donating to the many small groups and individuals who impact our community. Among the groups we have supported in recent years are the Auburn PAL Center, Project Graduation at Edward Little and St. Dominic's Academy, the Auburn Suburban Little League, the Auburn Middle School Hockey Team, and four Students of the Month and a Student of the Year each at Edward Little and St. Dominic's Academy. This year we were able to add an Accepting the Challenge of Excellence Award three high school students who have had to overcome great physical, emotional, or social obstacles and are now eligible for high school graduation.

To assist us in our efforts to make our community a better place to live, we request that the permit fees for our participation in the Auburn Lobster Festival be waived.

We thank you for your consideration.

Mike Mathieu
President-Elect

CITY OF AUBURN

_____

PLEASE PROVIDE THE FOLLOWING, IF APPLICABLE:

CURRENT LIQUOR LICENSE #_____EXPIRATION DATE:_____

PLEASE BE ADVISED THAT THE APPLICANT MAY BE REQUIRED TO COMPLY WITH THE FOLLOWING CONDITIONS:

Applicant agrees to have two counters or clickers at each entrance. One will be used to document the patrons that have entered the establishment. The second will be used to document the patrons that have exited the establishment. This will give the staff and public safety personnel an accurate count of patrons in the establishment.

Applicant agrees to have the maximum seating and or occupancy capacity clearly listed in each room that is open to the public, and to have security and or staff stationed at all times at all entrances and exits used by the public.

Applicant agrees to, if so ordered by the Chief of Police, to hire sworn members of the Auburn Police Department for security. The rate will be at the current City of Auburn detail rate. These officers will supplement the existing staff or security.

The below chart will be used as a guide in determining the numbers of officers required.

Number of Attendees	Number of Police
1 - 200	2
201 - 400	4
401 - 600	6
601+	One supervisor and one additional officer for each 200 attendees or portion thereof in excess of 601

All requests for modification(s) of the approved Special Amusement license must be submitted in writing to the City of Auburn. Any changes made without approval from the City of Auburn may result in an immediate suspension of the license. Signature on application releases the Auburn Police Department, its agents and representatives from any and all liability of every nature and kind arising out of the furnishing, inspection or collection of such documents, records and other information or the investigation made by the Auburn Police Department.

I do hereby authorize Auburn Police Department and its agents to receive copies of records and/or any information concerning my background, character, bank accounts, businesses, places of employment, schools and any other source necessary for the purpose of obtaining a Special Amusement License.

I have read and understand section 14-600 to 14-609, Special Amusement Permits, of the City of Auburn's business license ordinance. _____ **(Initial)**

Jeffrey D. Harmon, Mayor

Stephen G. Milks, Ward Three
Adam R. Platz, At Large
Phillip L. Crowell, Jr., City Manager

IN COUNCIL REGULAR MEETING APRIL 1, 2024, VOL. 37 PAGE 150

Mayor Harmon called the meeting to order at 7:02 P.M. in the Council Chambers of Auburn Hall and led the assembly in the salute to the flag. All Councilors were present.

I. Consent Items

1. Order 41-04012024*
Setting the date for the School Budget Validation Referendum Election (June 11, 2024).

Motion was made by Councilor Walker, seconded by Councilor Cowan for passage.

Passage 7-0.

II. Minutes

March 18, 2024, Regular Council Meeting
Motion was made by Councilor Walker, seconded by Councilor Cowan to approve the minutes of the March 18, 2024, Regular Council Meeting.

Passage 6-0-1 (Councilor Platz abstained).

March 25, 2024, Special Council Meeting
Motion was made by Councilor Walker, seconded by Councilor Whiting to approve the minutes of the March 25, 2024, Special Council Meeting.

Passage 7-0.

III. Communications, Presentations and Recognitions

- Recognition - Camden Goddard - 2024 MRPA Citizen Volunteer Award Recipient
- Communication – Request for Lake Stewards of Maine funding from the City of Auburn for FY2024

IV. Open Session – No one from the public spoke.

V. Unfinished Business

1. Ordinance 01-01022024
Amending Chapter 60 of the zoning ordinance to include Effective Date and Applicability Date of Ordinance 26-11202023. Public hearing and second reading.

Public hearing – No one from the public spoke.

Motion was made by Councilor Cowan, seconded by Councilor Whiting for passage.

Failed 3-4 (Councilors Milks, Weisner, Walker, and Gerry opposed). A roll call vote was taken.

2. Order 39-03182024

Disposition of building located at 46 Fair Street under dangerous building statute. Public hearing for parties with interest in property.

This item was postponed during the last regular Council meeting (3/18/2024).

Motion was made by Councilor Milks, seconded by Councilor Walker to reopen the public hearing.

Passage 7-0.

Martin Doherty, 194 Oak Hill Road stated that he is disappointed, and he thought this would be a clearer effort, adding that it seems like the same story over and over, and over again. He does not agree with moving forward with the renovation of this property. He said he thinks demolition is the way to go.

Motion was made by Councilor Cowan, seconded by Councilor Walker to amend Exhibit A, Findings of Fact to conform with the edits shown in the agenda packet from pages 37-40.

Passage 7-0.

Motion was made by Councilor Weisner, seconded by Councilor Milks to amend the order of demolition to conform with the edited order of demolition provided at the start of the meeting.

Passage 7-0.

Passage of the main motion as amended, 7-0.

Councilor Platz was not present during the 3/18/2024 meeting. However, for the record, he confirmed that he has reviewed the materials and the testimony from that meeting in addition to the minutes of that meeting.

VI. New Business

1. Order 42-04012024
Authorizing the City Clerk to consolidate to one polling place for the July 9, 2024, Special Municipal Election. Public hearing and vote.

Motion was made by Councilor Walker, seconded by Councilor Platz for passage.

Public hearing – No one from the public spoke.

Passage 7-0.

2. Order 43-04012024
Adopting the 5-year Capital Improvement Plan (CIP).

Motion was made by Councilor Walker, seconded by Councilor Whiting for passage.

Passage 7-0.

3. **Order 44-04012024**
Approving the Mass Gathering for the Auburn Lobster Festival event scheduled for Saturday, May 11, 20204. Public hearing and vote.

Motion was made by Councilor Walker, seconded by Councilor Milks for passage.

Public hearing – No one from the public spoke.

Passage 7-0.

4. **Order 45-04012024**
Approving the temporary liquor license for an Incorporated Civic Organization for the Lobster Festival event scheduled for Saturday, May 11, 2024. Public hearing and vote.

Motion was made by Councilor Walker, seconded by Councilor Milks for passage.

Public hearing – No one from the public spoke.

Passage 7-0.

5. **Order 46-04012024**
Approving the Annual Report to the Maine State Housing Authority for Tax Year 4/1/2023-3/31/2024.

Motion was made by Councilor Milks, seconded by Councilor Walker for passage.

Passage 7-0.

6. **Resolve 03-04012024**
Adopting the Androscoggin County Natural Hazard Mitigation Plan 2024.

Motion was made by Councilor Walker, seconded by Councilor Whiting for passage.

Passage 7-0.

VII. Open Session – No one from the public spoke.

VIII. Reports

Mayor's Harmon reported on the Burnt Ends BBQ ribbon cutting, the Civic Leadership seminar at USM (Portland campus), and the Vietnam Veteran Memorial service that was held last Friday in Lewiston.

Councilor Cowan reported on the Mayor's Ad hoc Committee on Homelessness adding that their next meeting is on the 11th of April at the Senior Center. He also reported that the next LATC meeting is also scheduled for April 11th.

Councilor Milks reported on the Ad hoc Water Committee meeting he attended and provided some of the results from the WRS study on phosphorus levels.

Councilor Platz thanked the School Committee for their budget presentation during the workshop. He reported that he attended the Brown Tail Moth seminar that was held at the Senior Community Center stating it was very informative, and he reported that the Conservation Working Group put out a nice YouTube video on backyard pollinators.

City Manager Crowell announced that there will be a Land Use Forum on Saturday, April 13th from 10:00 am to 1:00 pm at the Senior Community Center. He also noted that there will be an additional budget workshop scheduled for Monday, April 8th.

IX. Executive Sessions – Economic development, pursuant to 1 M.R.S.A. §405(6)(C) which premature disclosure would prejudice the competitive or bargaining position of the City.

Motion was made by Councilor Walker, seconded by Councilor Cowan to enter into executive session.

Passage 7-0. Time 7:52 pm.

Council was declared out of executive session at 8:22 pm.

X. Adjournment

Motion was made by Councilor Cowan, seconded by Councilor Gerry to adjourn. Unanimously approved, the meeting adjourned at 8:22 pm.

Re: Lake Auburn Watershed Stakeholders Update

Date: April 16, 2024, Council Meeting

In January of 2024, the City Council ordered (04-01022024) the City Manager to direct staff to work with city wide interest groups (AG Working Group, Sustainability and Natural Resources Board, LAWPC, Planning Board and public stakeholders) to consider specific questions related to the Lake Auburn Watershed Ordinances. The group was named the Lake Auburn Watershed Stakeholders Group. Since that time, the group (s) have met on numerous occasions to address the Councils questions related to protecting Lake Auburn and is drafting the recommended ordinances to drive those protections. Unfortunately, the deadline of April 16, 2024 will not be met. The recommendations will be presented at the May 6, 2024 meeting which will still allow the necessary time to be submitted to the Planning Board at their May 14, 2024 meeting.

Proposed Timeline:

April 16, 2024, City Council Communication Memo

May 6, 2024, Text Amendments to City Council for Order to refer text amendments to Planning Board.

May 14, 2024, Public Hearing for Planning Board to review text amendments to provide recommendation to the City Council.

June, 2024, likely 1st and 2nd City Council reading to include public hearing on text amendments.

City Council Information Sheet

Council Workshop or Meeting Date: April 16, 2024

Author: Sue Clements-Dallaire, City Clerk

Subject: Executive Session, poverty abatement case, pursuant to 36 M.R.S.A. § 841

Information: Discussion on a poverty abatement case #PA 2024-001 pursuant to (36 M.R.S.A § 841). Possible action to follow (Order 49-04162024).

City of Auburn
City Council Information Sheet

Council Workshop or Meeting Date: April 16, 2024 **Order:** 50-04162024

Author: Jonathan P. LaBonte, Transportation Systems Director

Subject: Auburn Intermodal Facility Track Rights Lease

Information: The City has been actively pursuing potential customers for the Intermodal Facility, along with our partners at the St. Lawrence and Atlantic Railroad. While Power and Construction Group currently leases space for laydown and storage of materials, the freight intermodal movements that were central to the construction of this facility in 1994 have not occurred since 2014.

Carroll Materials LLC is interested in moving non-hazardous product into Auburn by rail and then transferring to truck in the Intermodal. The lease would provide them rights to store up to five (5) rail cars on the City-owned track in the Intermodal, as well as accessing the property by truck for transfers. As part of the broader partnership to move product through Auburn, they are also likely to store additional product awaiting unloading on the Rangeley Branch, an asset of the Lewiston and Auburn Railroad Company. The Rangeley Branch opened for use in 2016 and will now see its first activity.

The three year term is the start of growing this business relationship and in turn attracting other customers to the facility. Given the facility has been dormant for a decade, we are also discussing with MaineDOT strategies to plan for necessary upgrades to meet customer needs into the future.

City Budgetary Impacts: Reveune of $12,000 in annual lease payments

DRAFT Carroll Materials LLC Lease

Lease Agreement

This Lease Agreement, made as of the _____ day of _____, 2024, between the **City of Auburn**, a municipality organized and existing under the laws of the State of Maine (hereinafter referred to as the "Landlord")and **Carroll Materials LLC**, a Maine limited liability company (hereinafter called "Tenant"), whose address is 25 Dolls Ridge Road, Limerick, ME 04048 (the "Lease")

Landlord and Tenant, for the consideration hereinafter expressed, covenant and agree as follows:

1. Premises: Landlord leases to Tenant, subject to the rights hereinafter excepted and reserved and upon the terms and conditions hereinafter set forth, enough track length to cover up to five (5) rail cars (approximately 225 feet based on rail car length of 45 feet), situated on Track 1 at the City's Intermodal Facility, located in Auburn, County of Androscoggin, State of Maine (the "Tracks"). Landlord also provides to Tenant rights to use of scales and related equipment as may be necessary for the tracking and transfer of product to or from Rail Cars.

2. Use of Premises: (a) Tenant shall use the Tracks for no purpose other than the storage and inspection of rail cars owned or used by or consigned to Tenant (the "Rail Cars"), pending placement of the Rail Cars onto tracks of Tenant or other outbound movement.

   (b) The commodities to be stored on the Tracks shall be limited to cement. Under no circumstances shall Tenant store hazardous commodities on the Tracks. Landlord may, but shall not be required to, permit use of the Tracks by Tenant for non-hazardous commodities other than those described herein, and any such use shall fall under the Standard Terms and Conditions (hereinafter defined) of this Lease. Such additional permission may be revoked by Landlord at any time, in its sole discretion.

   (c) The scale is made available "as is". Tenant is not obligated to use the scale and may seek third-party options off site for its use. Should Tenant choose to use the scale, it agrees, at its own expense, to make necessary improvements to ensure its proper operation, as may be required by any regulatory body for achieving certification in the State of Maine. Landlord may, at its discretion, participate in future repairs or capital investment associated with the scale.

3. Term: This Lease shall take effect as of _____, 2024 and shall remain in effect until _____, 2027, or terminated earlier in accordance with Section 8 of the Standard Terms and Conditions (hereinafter defined).

4. Payment: (a) As rental for use of the Premises under this Lease, Tenant shall pay Landlord Twelve Thousand Dollars ($**12,000.00)** annually for the storage of the Rail Cars, in advance. In the event that an invoice has not been paid or payment has not been made by Lessee within fifteen (15) days after such payment is due and payable, a late payment charge of two percent (2%) may be assessed on the outstanding balance (payments, late payment charges and finance charges) owed, and a finance charge of two percent (2%) per month may also be assessed on the outstanding balance (payments, late payment charges and finance charges) owed. Payments shall be applied first to finance charges, second to late payment charges, and then to the outstanding balance.

   (b) During the term of this Lease, all tax, insurance, license, repair, replacement, betterment, transportation, loading, unloading, operation and maintenance expenses and costs associated with Tenant's Rail Cars, or the operation and maintenance thereof, shall be the exclusive responsibility of Tenant and not the Landlord.

5. Standard Terms and Conditions: The Landlord's standard terms and conditions to this Lease ("Standard Terms and Conditions") are annexed hereto as Exhibit A and are incorporated into this Lease. The Standard Terms and Conditions apply to all Tracks leased under this Lease.

IN WITNESS WHEREOF, this Lease has been duly executed, in duplicate, by the parties hereto as of the day and year first above written.

LANDLORD:	TENANT:
City of Auburn	Carroll Materials LLC
By:_____	By:_____
Name:	Name:
Its:	Its:
Date:	Date:

EXHIBIT A

STANDARD TERMS AND CONDITIONS TO LEASE OF TRACK SPACE FOR STORAGE OF CARS

The following Standard Terms and Conditions are incorporated by reference to the Lease of Track Space for Storage of Cars (the "Lease"), dated _____, 2024, by and between the City of Auburn and Carroll Materials LLC. Capitalized terms used herein but not otherwise defined shall have the meanings ascribed to them in the Lease.

1. Tenant shall not at any time own or claim any right, title or interest in or to the Tracks or the land thereunder or adjacent thereto, nor shall the exercise by Tenant of rights under the Lease for any length of time give rise to any right, title or interest on the part of Tenant in or to the Tracks or the land thereunder other than the leasehold created herein.

2. Landlord retains the following rights to use the Tracks: (a) to substitute other track within the same general location of the same approximate length as described in Section 1 of the Lease and any such substituted track shall be included in the definition of "Tracks"; (b) to maintain and/or construct, and to permit others to maintain and/or construct, overhead and/or underground pipe and/or wire lines under or over the Tracks, and to use, repair, replace, and remove the same; and (c) to alter, rearrange, extend, or enlarge the Tracks. Only Landlord's employees, agents, or its designees may operate trains or move Rail Cars on the Tracks.

3. In the event that Rail Cars cannot be stored on the Tracks for any reason whatsoever, but are still stored on other tracks owned by or in the possession of Landlord, such portions of Landlord's track or property shall be deemed as Tracks for the purpose of this Section 3. With respect to the Tracks and any Rail Cars while they are being stored on the Tracks:

   (A) TENANT AGREES TO SAVE LANDLORD HARMLESS AND INDEMNIFY IT FROM ANY LIABILITY FOR INJURY, LOSSS, ACCIDENT, OR DAMAGE TO ANY PERSON OR PROPERTY AND FROM ANY CLAIMS, ACTIONS, PROCEEDINGS, AND COSTS IN CONNECTION THEREWITH, INCLUDING REASONABLE COUNSEL FEES ARISING FROM OMISSION, FAULT, NEGLIGENCE, OR OTHER MISCONDUCT OF TENANT, ITS OFFICERS, EMPLOYEES, AGENTS, AND INVITEES ON OUR ABOUT THE PREMISES OR OTHERWISE OCCURING THEREON.

   (B) IN THE EVENT OF ANY LEAKAGE, SPILLAGE OR RELEASE FROM ANY RAIL CAR ON THE TRACKS, TENANT SHALL PROMPTLY AND FULLY REIMBURSE, DEFEND AND INDEMNIFY THE LANDLORD FOR ANY COST, CHARGE, FINE, PENALTY OR REASONABLE ATTORNEY'S FEES INCURRED BY THE LANDLORD AS A RESULT OF SUCH LEAKAGE, SPILLAGE OR RELEASE, INCLUDING COSTS TO CLEAN, NEUTRALIZE, REMOVE OR REMEDY THE RELEASE.

   (C) TENANT SHALL ASSUME THE RISK OF LOSS AND/OR DAMAGE TO ANY RAIL CAR AND THE CONTENTS THEREOF ON THE PREMISES OR TRACK AND SHALL NOT ASSERT ANY CLAIM AGAINST THE LANDLORD FOR SUCH LOSS OR DAMAGE ARISING FROM ANY CAUSE WHATSOEVER.

4. (a) Tenant shall, at its expense, procure and maintain throughout the term of this Lease, and thereafter until all Rail Cars are removed from the Tracks, a comprehensive general form of insurance covering liability, including, but not limited to, Public Liability, Personal Injury, and Property Damage, as well as Contractual Liability in the amount of $2,000,000 per occurrence and $6,000,000 in the aggregate, and with a deductible no greater than $50,000 of the amount of insurance coverage per occurrence. Such policies shall be endorsed to provide Waiver of Subrogation in favor of the Landlord and the Landlord shall be named as Additional Insureds. An Umbrella policy may be utilized to satisfy the required limits of liability under this section.

   (b) RESERVED

   (c) RESERVED

   (d) RESERVED

   (e) All insurance shall be placed with insurance companies licensed to do business in the state in which the Tracks are located, with a current Best's Insurance Guide Rating of A- and Class VIII, or better. Tenant shall provide Landlord with, and thereafter maintain in effect, a current Certificate of Insurance, prior to commencement of this Lease, evidencing such insurance, and such certificate of insurance must be endorsed to provide for coverage of incidents occurring within fifty (50) feet of a railroad track, and any provision in the insurance policy to the contrary must be specifically deleted. Each policy shall provide that it shall not be canceled or materially changed unless at least thirty (30) days' prior written notice of cancellation or change shall have been mailed by the insurance company to Landlord at the address designated herein.

   (f) The furnishing of insurance required by this Section 4 shall in no way limit or diminish the liability or responsibility of Tenant as provided under any section of this Lease.

   (g) If any policies providing the required coverages are written on a Claims-Made basis, the following shall apply:

      (1) The retroactive date shall be prior to the commencement date of this Lease and shall not be advanced during the term of this Lease,
      (2) Tenant shall maintain such policies on a continuous basis, and
      (3) If there is a change in insurer or policies are canceled or not renewed, Tenant shall purchase an extended reporting period of not less than three (3) years after the termination of this Lease.
      (4) Tenant shall arrange for adequate time for reporting of any loss under this Lease.

   (h) The above indicated insurance coverages shall be enforceable by any legitimate claimant after the termination or cancellation of this Lease, or any amendment hereto, whether by expiration of time, by operation of law or otherwise, so long as the basis of the claim against the insurance company occurred during the period of time when the Lease was in effect and the insurance was in force.

   (i) Failure to provide the required insurance coverages or endorsements (including contractual liability endorsement) or adequate reporting time shall be at Tenant's sole risk.

5. (a) Notwithstanding any other provision of this Lease, Tenant shall comply with any and all environmental laws, statutes, ordinances, rules, regulations, orders, decisions, including the Resource

Conservation and Recovery Act, as amended or supplemented, and the Comprehensive Environmental Response Compensation and Liability Act, as amended or supplemented (hereinafter collectively referred to as "Environmental Laws"), issued by any federal, state or municipal governmental body or agency established thereby (hereinafter referred to as "Authority"), relating to the use of the Track by Tenant;

(b) Tenant, in its use of the Track, shall not create or permit any condition on the Track that could present a threat to human health or to the environment. Tenant shall at all times be in full compliance with all Environmental Laws, present or future, set by any Authority, including but not limited to, Environmental Laws concerning air quality, water quality (surface of underground), noise, hazardous substances and hazardous waste(s).

(c) Should any discharge, leakage, spillage, emission or pollution of any type occur or arise from the Track as a result of Tenant's presence, use, operations or exercise of the rights granted hereunder, Tenant shall immediately notify Landlord and shall, at Tenant's expense, be obligated to clean all property affected thereby, whether owned or controlled by Landlord or any third persons, to the satisfaction of Landlord (insofar as the property owned or controlled by Landlord is concerned) and any governmental body having jurisdiction in the matter. Landlord may, at is option, clean the property; if Landlord elects to do so, Tenant shall pay Landlord the reasonable cost of such cleanup promptly upon the receipt of a bill therefor.

(d) **TENANT AGREES TO RELEASE, INDEMNIFY AND DEFEND THE LANDLORD FROM AND AGAINST ALL LIABILITY, COST AND EXPENSE (INCLUDING, WITHOUT LIMITATION, ANY FINES, PENALTIES, JUDGMENTS, LITIGATION COSTS AND ATTORNEY FEES) INCURRED BY THE LANDLORD AS A RESULT OF TENANT'S BREACH OF THIS SECTION 5 REGARDLESS OF THE NEGLIGENCE OF THE LANDLORD, EXCEPT TO THE EXTENT ANY SUCH LIABILITIES, COSTS AND EXPENSES ARE SOLELY CAUSED BY THE GROSS NEGLIGENCE OF THE LANDLORD.**

6. Tenant acknowledges that during the period of time that Rail Cars have been placed on the Tracks for storage Landlord shall not be, and Tenant shall not assert that Landlord is a bailee or warehouseman with respect to such Rail Cars or the contents thereof. Tenant further acknowledges and agrees that during such storage period Landlord will not, and has no duty or obligation under this Lease or otherwise to provide security for the Rail Cars or the contents thereof against acts or omissions of third parties (including trespassers) or against Acts of God. Tenant agrees to develop, implement and maintain any safety or security plans and measures required by governmental authority or otherwise prudent to safeguard the Rail Cars and their contents while stored on the Tracks.

7. In exercising its rights under this Lease, Tenant shall adopt and enforce suitable safety rules and regulations satisfactory to Landlord for the protection of Landlord and Tenant employees and others if and when Tenant's employees are in or on the stored cars or on or near the Tracks, and will require Tenant employees and others to notify, by proper signals or flags, the employees of Landlord that they are in or on cars or on or near the Tracks.

8. If Tenant fails to keep and perform any of its obligations under this Lease, including, without limitation, timely payment of rental, then Landlord may terminate this Lease immediately upon written notice to Tenant. This Lease also may be terminated at any time by either party by serving thirty (30) days' written notice of termination upon the other party, stating therein the date that such termination shall

take place. No termination hereof shall release Tenant or Landlord from any liability or obligation hereunder, whether of indemnity or otherwise. Upon termination of this Lease, Tenant shall immediately vacate the Tracks. If Tenant fails to vacate, Tenant shall be charged standard demurrage according to the applicable tariff rates then in effect.

9. In the event either party is unable, due to natural disaster, strike or labor unrest, to fulfill its obligations under this Lease, it shall be excused therefrom without penalty until the natural disaster has abated, or for the duration of the strike or labor unrest.

10. All notices to be given hereunder shall be given in writing, by depositing same in the United States mail, or other acceptable mailing service, with postage prepaid, and addressed to Landlord or Tenant, as the case may be, at the address identified above.

11. In the event that Tenant embraces two or more persons, corporations, or entities, all the covenants and agreements of Tenant shall be the joint and several covenants and agreements of such persons, corporations, or entities.

12. The Tenant represents and warrants that it has the authority and legal right to enter into this Lease and to perform the obligations required of it hereunder, and this Lease and any document or instrument to be executed and delivered by each to the other pursuant hereto has been duly (or will be prior to delivery) authorized, executed and delivered.

13. All the covenants and provisions of this Lease shall be binding upon the legal representatives, successors and permitted assigns of Tenant. No assignment by Tenant shall be binding upon Landlord without the prior written consent of Landlord in each instance, which consent may be withheld in Landlord's absolute discretion. This Lease shall inure to the benefit of the successors and assigns of Landlord.

14. All questions arising under this Lease shall be decided according to the laws of the State of Maine.

15. To the maximum extent possible, each provision of this Lease shall be interpreted in such manner as to be effective and valid under applicable law, but if any provision of this Lease shall be prohibited by, or held to be invalid under, applicable law, such provision shall be ineffective solely to the extent of such prohibition or invalidity, and this shall not invalidate the remainder of such provision or any other provision of this Lease.

16. The waiver by Landlord of the breach of any provision herein by Tenant shall in no way impair the right of Landlord to enforce that provision for any subsequent breach thereof.

17. This Lease is the full and complete agreement between Landlord and Tenant with respect to all matters relating to the Tracks and supersedes all other agreements between the parties hereto relating to the Tracks and may not be modified without the written consent of all Parties and has been executed by the authorized officials of the Parties.

18. This Lease does not constitute permission for Tenant's employees or agents or any other person to enter upon the premises of Landlord. Tenant shall seek permission from Landlord to enter the Landlord's premises as may be necessary by Tenant and such permission shall not be unreasonably withheld.

19. RESERVED

20. The parties shall not disclose the terms of this Agreement to a third party (a) other than as required by law so long as such party required to disclose the terms of this Agreement under applicable law provides the other party with prior written notice of such requirement, or (b) as otherwise agreed in writing between the parties. Notwithstanding the foregoing, the parties may disclose the terms and conditions of the Agreement to (1) a parent, subsidiary or affiliated company; or (2) to their lawyers and consultants, including but not limited to its auditors, provided that all such parties agree to maintain the confidentiality of such information in accordance with the terms of this provision. If any party violates this paragraph, any adversely affected party may cancel this Agreement without penalty and exercise any available remedies under applicable law.

ORDER 50-04162024

City Council Order

IN CITY COUNCIL

Ordered, that the Auburn City Council hereby authorizes the City Manager to execute a lease with Carroll Materials LLC and directs payments made under the lease into the Intermodal Facility Special Revenue Account.

Phillip L. Crowell, Jr., City Manager

City of Auburn
City Council Information Sheet

Council Workshop or Meeting Date: April 16, 2024

Subject: Executive Session

Information: Economic development, pursuant to 1 M.R.S.A. Section 405(6) (C) which premature disclosure would prejudice the competitive or bargaining position of the city.

Executive Session: On occasion, the City Council discusses matters which are required or allowed by State law to be considered in executive session. Executive sessions are not open to the public. The matters that are discussed in executive session are required to be kept confidential until they become a matter of public discussion. In order to go into executive session, a Councilor must make a motion in public. The motion must be recorded, and 3/5 of the members of the Council must vote to go into executive session. An executive session is not required to be scheduled in advance as an agenda item, although when it is known at the time that the agenda is finalized, it will be listed on the agenda. The only topics which may be discussed in executive session are those that fall within one of the categories set forth in Title 1 M.R.S.A. Section 405(6). Those applicable to municipal government are:

A. Discussion or consideration of the employment, appointment, assignment, duties, promotion, demotion, compensation, evaluation, disciplining, resignation or dismissal of an individual or group of public officials, appointees or employees of the body or agency or the investigation or hearing of charges or complaints against a person or persons subject to the following conditions:
(1) An executive session may be held only if public discussion could be reasonably expected to cause damage to the individual's reputation or the individual's right to privacy would be violated;
(2) Any person charged or investigated must be permitted to be present at an executive session if that person so desires;
(3) Any person charged or investigated may request in writing that the investigation or hearing of charges or complaints against that person be conducted in open session. A request, if made to the agency, must be honored; and
(4) Any person bringing charges, complaints or allegations of misconduct against the individual under discussion must be permitted to be present. This paragraph does not apply to discussion of a budget or budget proposal;

B. Discussion or consideration by a school board of suspension or expulsion of a public school student or a student at a private school, the cost of whose education is paid from public funds, as long as:
(1) The student and legal counsel and, if the student is a minor, the student's parents or legal guardians are permitted to be present at an executive session if the student, parents or guardians so desire;

C. Discussion or consideration of the condition, acquisition or the use of real or personal property permanently attached to real property or interests therein or disposition of publicly held property or economic development only if premature disclosures of the information would prejudice the competitive or bargaining position of the body or agency;

D. Discussion of labor contracts and proposals and meetings between a public agency and its negotiators. The parties must be named before the body or agency may go into executive session. Negotiations between the representatives of a public employer and public employees may be open to the public if both parties agree to conduct negotiations in open sessions;

E. Consultations between a body or agency and its attorney concerning the legal rights and duties of the body or agency, pending or contemplated litigation, settlement offers and matters where the duties of the public body's or agency's counsel to the attorney's client pursuant to the code of professional responsibility clearly conflict with this subchapter or where premature general public knowledge would clearly place the State, municipality or other public agency or person at a substantial disadvantage;

F. Discussions of information contained in records made, maintained or received by a body or agency when access by the general public to those records is prohibited by statute;

G. Discussion or approval of the content of examinations administered by a body or agency for licensing, permitting or employment purposes; consultation between a body or agency and any entity that provides examination services to that body or agency regarding the content of an examination; and review of examinations with the person examined; and

H. Consultations between municipal officers and a code enforcement officer representing the municipality pursuant to Title 30-A, section 4452, subsection 1, paragraph C in the prosecution of an enforcement matter pending in District Court when the consultation relates to that pending enforcement matter.

City Council Information Sheet

Council Workshop or Meeting Date: May 6, 2024

Author: Eric J. Cousens, Planning and Permitting Director

Subject: Lewiston Falls/Monty Hydro Facility – Draft License Application Comments

---

Information: This is an update on the licensing process for the Lewiston Falls/Monty Hydro Facility on the main stem of the Androscoggin in anticipation of the expiration of the existing license in 2026 and a follow up to the March 4, 2024 Council Communication (details on page 19) . Our Comprehensive Plan, Strategic Plan, New Auburn Master Plan, the Androscoggin Greenway Plan and ATRC Bridging the Gaps Bicycle and Pedestrian Plans give staff substantive direction and support to advocate for needs and improvements to mitigate impacts of the facility on the community. The attached draft set of comments does not include mitigation requests from Lewiston as those are still being drafted. The comments from Lewiston will be added to the final version so the stakeholder group can speak with a single, unified voice. In short, the Draft License Application(DLA) lacks many details that will be needed in the Final License Application (FLA) and fails to propose any meaningful mitigation. This not unusual and we expect more detail in the in the FLA. We have met with FERC staff and other stakeholders at the State and National level to draft the comments. Staff will review the comments and take any feedback from the Council at the workshop as we finalize a submittal for later this month.

The focus of the requests are to improve river access for recreation and public safety, portaging around the falls, flows over the falls for aesthetics and recreation and to shift maintenance costs associated with river access facilities back to the licensee of the hydro facility.

City Budgetary Impacts: None

Staff Recommended Action: Update and feedback from Council.

Previous Meetings and History: 6.6.2022 Communications, 12.20.2021 Communications, 4/24Communications.

City Manager Comments:

I concur with the recommendation. Signature: Phillip Crowell Jr.

Attachments: Draft Comments on DLA

May XX, 2024

Ms. Debbie-Anne A. Reese
Acting Secretary Federal Energy Regulatory Commission
888 First Street, N.E.
Washington, D.C. 20426

Via online submission to: http://www/ferc.gov

Subject: **City of Auburn, City of Lewiston, American Whitewater, Appalachian Mountain Club, Grow L-A, Maine Council of Trout Unlimited [and Maine Rivers, Atlantic Salmon Federation, Friends of Merrymeeting Bay, Androscoggin Land Trust, etc.?] Comments on the Draft License Application (DLA) for the Lewiston Falls Hydroelectric Project (FERC No. 2302)**

Dear Ms. Reese:

The City of Auburn, City of Lewiston, American Whitewater, Appalachian Mountain Club, Grow L-A, and Maine Council of Trout Unlimited ("signatories") submit the following Comments and Study Requests in response to the Draft License Application (DLA) for the Lewiston Falls Hydroelectric Project (FERC Project No. 2302) by Brookfield White Pines Hydro LLC (BWPH) dated February 21, 2024. These organizations all have a strong and continuing interest in the outcome of the Lewiston Falls Project relicensing.

In summary, the DLA is incomplete and fails to propose any meaningful mitigation measures despite the stakeholders good faith participation in the studies coordinated by the Licensee. The need for additional study of recreational impacts remains, project generating information is absent from the DLA and mitigation measures have not been proposed in response to the completed or nearly completed studies. The following pages provide stakeholder information and study deficiencies followed by Stakeholder Mitigation needs beginning on Page 6.

The City of Auburn , located in central Maine, an industrial center and the ninth largest city by land area in the United States with 67 square miles, is located on a corridor to the western recreational mountains of Maine and is home to more than 25,000 residents. Daily, upwards of 100,000 people live, work, and play in our city. Auburn's critical infrastructure includes: 2 high schools, a middle school and 9 elementary schools; 2 regional post offices; Lake Auburn - the only water supply for the City of Auburn and surrounding communities; Lewiston/Auburn Municipal Airport; Central Maine Community College (5,000 students); Customs Zone for freight arriving by air and rail; two railroad lines; 2 large and 6 small hydroelectric dams; an underground petroleum pipeline; 5 large commercial factories; an acetylene production plant; 3 propane storage and underground pipes carrying natural gas to the community; 8 medium to large hazmat facilities; a 2-sheet ice arena that also hosts concerts and trade shows; a waste-burning electric power plant; a retail hub and recreation areas.

There are 11,965 residents in Auburn who qualify for Community Development Block Grant (CDBG) assistance for being under 80% HUD Area Median Family Income (HAMFI). This number encompasses 46% of the total 25,530 residents in Auburn. Of the total households within Auburn, 7,850 households (or 30%) are qualified for the HOME program for being under 50% HAMFI. These qualifying households are largely located within a 1-mile area surrounding the project and many depend on walking and public transit to access recreational opportunities along the Androscoggin River.

The City of Lewiston is located in Androscoggin County in south-central Maine, less than an hour drive from the ocean, the western mountains, and from Portland, Augusta, and Freeport. The area's interstate highway access places 50% of Maine's population within a half hour of the community. Together, the cities of Lewiston and Auburn are home to approximately 61,000 residents with Lewiston's population being 37,121. Lewiston-Auburn is the region's economic and cultural center, serving Androscoggin County and the large trade area of central and western Maine. Given its size alone, Lewiston-Auburn's success is important to Maine's economic development.

Lewiston is a regional center for healthcare, education, culture and shopping. Lewiston is also an employment center. Within 1.2 miles of the Lewiston Falls project boundary are Central Maine Medical Center (one of the state's three largest medical facilities), St. Mary's Regional Medical Center, Bates College, University of Southern Maine's Lewiston-Auburn College, financial and professional service companies, as well as hotels and retail. Within a five-minute drive of the Lewiston Falls project boundary area are approximately 9,500 households and 7,000 employees.

The character of Lewiston and Auburn is influenced by both the striking natural environment of central Maine, and Lewiston's history as a great industrial center powered by the Androscoggin River. Lewiston Falls, which once fueled production of textiles, shoes and more before an era of decline that began in the 1950s, continues to provide a dramatic focal point for both Lewiston and Auburn downtowns. The Androscoggin River, once polluted by the industry it fueled, now rolls cleanly between the two downtowns, past emerging riverfront parks. Kayakers and fisherman have begun to discover this stretch of the Androscoggin, and a growing network of trails link the downtown riverfronts.

Historic mill buildings remain a strong presence in Lewiston. Within a 5-minute walk of the riverfront, over 1 million square feet of mill space remains within three major mill facilities: the Bates Mill Complex, the Continental Mill, and the Hill Mill. The network of canals that once powered the mills remains in place.

Lewiston's compact downtown neighborhoods occupy the area east of the river. Multifamily housing that once served millworkers is now occupied by a new generation of residents, including Somali and Bantu immigrants. A mix of small businesses, multifamily housing, the Continental Mill and vacant lots characterize the area between the redeveloping Bates Mill Complex and the river. Just 1/3 of a mile east of the river is Lisbon Street, Lewiston's "main street." Once a grand shopping destination that drew visitors from across the region, Lisbon Street's 2- to 4-story buildings are beginning to see new activity. However, this same area is subject to some of the state's highest poverty rates. Immediately abutting the project boundary, 45% of Census Tract 201 and 25% of Census Track 202 live in poverty in comparison to City's rate of 18% and Maine's of 11%. Lewiston also has 28,350 households that qualify

for CDBG representing 78% of total 36,409 households of which 11,620 (32%) households qualify for the HOME program. These qualifying households are largely located within a 1-mile area surrounding the project and many depend on walking and public transit to access recreational opportunities along the Androscoggin River.

A great river, once harnessed to produce the power that drew industry to the twin cities, can now again be the spark that defines the communities. The Lewiston Falls area can become the region's great urban destination, a place for recreation, cultural activities, work and urban living. A solid foundation for the area exists; however, not yet a strong, vibrant urban riverfront destination. The downtown riverfront and canal system needs a critical mass of more housing, public amenities, and jobs to improve quality of life and to support economic development that extends beyond the riverfront and benefits the center cities of both communities. The river and Lewiston's canal system are the backbone of these objectives.

Comments

The Androscoggin, once a mighty fast-flowing river, unites the cities of Auburn and Lewiston that, with a combined population of over 62,000, make up the second largest metropolitan area in the state. The hydroelectric facility located atop the dramatic 37-foot Lewiston Falls, also known as Great Falls, impedes the natural flow of the river, degrading a once majestic natural waterfall to dry rock much of the year, hampering the public's use and enjoyment of the defining natural resource of the area, and impacting the water quality of the lower Androscoggin River.

If the dam is relicensed, Brookfield White Pines Hydro LLC must compensate the owners of the river, the citizens of Lewiston and Auburn and of the State of Maine, for their loss of the use of it in its natural state. The facility severs through-paddling options and floods the natural floodplain to create steep inaccessible banks along the impoundment, making it difficult to access the water. The facility reduces the amount of time that water flows over the falls by redirecting flows through turbines. The cities of Auburn and Lewiston lose the iconic falls that define our communities and are the reason the cities grew along the banks of the Androscoggin River.

Any mitigation must first and foremost meet the needs of the immediate community. The poverty rate for Lewiston is 19.5%, nearly double the state rate. Forty percent of downtown residents do not own a car, and therefore do not have access to the river at distant locations. Many cannot afford specialized recreation equipment. Similarly, 46% of Auburn residents qualify for public assistance due to their income levels. These qualifying households are largely located within a 1-mile area surrounding the project and many depend on walking and public transit to access recreational opportunities along the Androscoggin River.

Project Facilities and Operations

The Lewiston Falls project consists of 5 dams, the Charles E. Monty Station powerhouse, a gatehouse, an island spillway, the upper canal, the impoundment stretching 2.5 miles upstream, and a 75' x 400'

tailrace excavated into the bedrock of Lewiston Falls, permanently altering the natural geology. The project also includes the Durham boat launch located 7 miles downstream. **As indicated in Studies and the DLA, the facility essentially operates as run of river, however, the operations and flows are coordinated with, dependent on and benefit from the Gulf Island Pond impoundment for generating operations and equal consideration for other uses should also be given the ability to benefit from the licensees ability to deliver water to the project area via coordinated facilities.**

The project drains an area of 2,907 square miles and discharges a minimum flow of 1,430 cubic feet per second or inflow, whichever is less, out of a total potential maximum flow of 6,600 cfs. Of the discharge, 50 cfs is released into the Lewiston Canal System, with periodic refreshment flows of 300 cfs, and 1,380 is released from Monty Station through the tailrace. The project generates 28.44 MW of electricity.

Project Area

A major portion of the project area was removed in 2020 reducing it by nearly 5 miles of affected river. The removed area recognized the major downstream effects of project operations - the current, reduced area does not. **The signatories request the return of these areas to the project, and in the absence of this measure, that recreational facilities both current and needed be given full consideration for inclusion in the terms and conditions of the new license going forward.**

Impact of Project Facilities & Operations

The Lewiston Falls Hydroelectric Project impedes the flow of water over Great Falls. Since the opening of the Charles E. Monty Station in 1990, flows over Great Falls have been reduced by 40%, from approximately 146 days of the year to approximately 43 days, or from about 40% of the year to about 12%. The dewatering of the falls has a severe negative impact on the Twin Cities, hampering their evolution from an industrial past to a vibrant future based on attracting activity to the urban riverfront. The facility severs through-paddling options and floods the natural floodplain to create steep inaccessible banks along the impoundment, making it difficult to access the water. The facility reduces the amount of time that water flows over the falls by redirecting flows through turbines. The Cities of Auburn and Lewiston lose the iconic falls that define our communities and are the reason for the cities grew along the banks of the Androscoggin River.

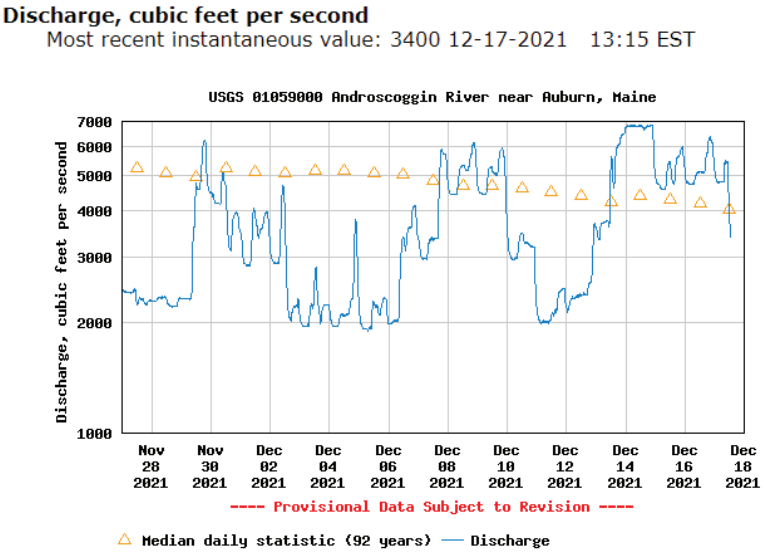
Visual impact

A 37-foot drop without water flowing over it is the dominant visual element in Lewiston-Auburn. No man-made effort can compensate for the loss of that natural feature but understanding the effects of

facility operations is necessary for a NEPA finding on the relicensing. The lack of water reveals the permanent scar of the raceway, the dry rocks of Lewiston Falls have attracted graffiti and trash, the lack of water flow in the canal system invites litter and imparts a sense of stagnation. Without water flow, there is less reason to visit the trails, parks or overlooks near the area. Chain link fence surrounding the viewing platform adjacent to West Pitch adds to the overall sense of indifference. Until the visual impact changes, Lewiston-Auburn cannot meet its full potential as a vibrant urban center focused on its riverfront.

Recreation Impact

The Lewiston Falls Hydropower Project seriously impacts recreation in Lewiston-Auburn. The presence of the facility, including the powerhouse, blocks access to Great Falls from the Lewiston side. The absence of water leaves less reason to visit adjacent amenities such as parks, trails or viewing platforms. The facility severs through-paddling options and floods the natural floodplain to create steep inaccessible banks. Access to the river for fishing, boating, and other water-based activity is relatively limited, and the lack of water flow over the falls contributes to an absence of human activity in the downtown area. The project currently provides only 3 recreation facilities: the West Pitch viewing platform, the impoundment boat launch, located ½ mile upstream, and the Durham boat launch located 7 miles downstream. There currently is no portage around the falls and a lack of connectivity between recreational facilities. The nature of the impoundment further restricts access to the river as the pond has flooded the formerly accessible natural flood zone to a pond elevation that meets steep embankments in many areas.



Operational water levels and especially flows fluctuate often and this significantly affects different recreational user groups in different ways. Fluctuating flows shown below are measured downstream of the facility and are driven by generating operations in coordination with licensee controlled flows at facilities upstream.

Further, the dam blocks upstream access for fish. Of the seven diadromous species identified in the *Androscoggin River Watershed Comprehensive Plan for Diadromous Fishes*, only the American Eel is found upstream of the dam.

No fishway exists and no anadromous species are trucked or stocked upstream. The last fisheries survey was conducted in 2003, 19 years ago.

Ecological and water quality impact

The project alters the ecosystem both upstream and downstream of the dams. First, the 2.5-mile impoundment upstream slows the natural flow of a once fast-moving river, warming the waters and resulting in the accumulation of silt and sediment. In turn, these changes alter the ecosystem in and along the river. Fluctuating water levels in the artificial pond created by the impoundment further degrade the ecosystem there. Downstream of the dams, the lack of water also alters the ecosystem by resulting in lower than natural water levels, flowing water through turbines instead of over the falls and may affect dissolved oxygen levels. The Maine Department of Environmental Protection classifies this river reach as Class C. Water quality monitoring was terminated in 1994, 28 years ago. As mentioned above, the last fisheries survey was conducted in 2003, 19 years ago. Notably, the waters below Lewiston Falls are classified as Critical Atlantic Salmon Habitat.

Study Requests and Conclusions

The Stakeholders actively participated in the Study phase of the FERC process and were dedicated to identifying the studies needed to inform the licensing process so that licensing decisions can be based on current information and the best available science. We requested three studies that we deemed essential to the future management of the Lewiston Falls Project. Those requests are detailed in prior filings and the shortcomings are summarized below.

Study request #1: Aesthetic study-Most of the study was completed however the licensee has failed to complete the final step to Evaluate other investments that could mitigate impacts and restore the overall aesthetics of the project area, including, but not limited to, fencing upgrades, increased river access for pedestrians, tree planting and proposed flows over the falls and in the canals. . **The DLA lacks proposed mitigation efforts as required to mitigate project impacts.**

Study request #2: River Access and Recreational Flow study – This study remains to be completed and we do not have adequate information to assess recreational flows below the project. The study conclusion that existing facilities are adequate for the proposed license period is unacceptable.

Study request #3: Special Dissolved Oxygen Level Study – This study has been completed and the Licensee has failed to propose any mitigation measures. Stakeholders remain ready to engage in discussions to determine mitigation.

Proposed Mitigation and Study

To mitigate project impacts the Licensee must consider the following in a Final License Application.

- **Aesthetic Flows** - No aesthetic flows were proposed as part of the DLA while it is clear that project operations reduce aesthetic flows significantly. Since the opening of the Charles E. Monty Station in 1990, flows over Great Falls have been reduced by 40%, from approximately 146 days of the year to approximately 43 days, or from about 40% of the year to about 12%. **We request that the Licensee provide at least 4000 CFS from Dam 1 for at least 40 days per year during daylight hours and every Friday evening from 4Pm - 8PM between May 15 and October 30 including 10 holiday or event weekend days with dates to be determined at an annual meeting between the Licensee and stakeholders to be held each year in April, with consideration of the licensees ability to coordinate inflows with licensee controlled facilities upstream that are already used in this way for generating purposes.** **See flows on page 5.**

4,350 cfs spill, Dam 1 deflated, Headpond el. 168.29 ft

- **Propose Recreational Mitigation** - Work with stakeholders to determine which facilities and access points such as trails, parks, boat launches, portage sites and picnic areas need to be developed or improved to make the river accessible to people across the region. This includes ADA compliance; **The DLA proposal that existing facilities are adequate is unacceptable.**

- Upgrades are needed at the North River Road boat Launch including grading, parking lot paving and striping, ramp repairs, shoreline stabilization, signage and ADA pedestrian connectivity to the existing sidewalk network on Center Street.
- The dam severs through paddling capabilities and the combination of required safety buoys above the dam and no trespassing signage/fencing extend a long and undefined Portage. The City of Auburn has worked to acquire riverside rights to improve this, however the licensee should be required work with the City to design and construct a portage facility that is consistent with Auburn's Riverwalk and connects to existing sidewalks between the North River Road Boat Launch and West Pitch Park or alternative. A concept plan was provided to the Licensee during the Study process. The Facility would be largely on licensee owned and City owned land. **Licensee should be required to contribute 50% of design and construction costs and participate in the design process when the City secures access rights to the entire necessary on and off road corridor.**
- Portage and access from public streets are needed above and below Dresser Rips in Auburn. This is needed for recreation and Public Safety. Emergency responses are limited by access above and below Dresser Rips. **The licensee should be required to work with the City and fund acquisition of rights and construction of access for Public Safety above and below the Rips.**
- River safety signage is needed along the river for public safety reference points. **The licensee should be required to work with the Cities to install numbered markers along the river for emergency reference points along the river.** Licensee should work with Stakeholders to propose a plan as part of the FLA.
- Maintenance of project recreation facilities should be provided by or funded by the licensee during the license period. **The licensee should be required to provide a maintenance plan for project facilities(existing and new) or propose an alternative as part of the DLA.**
- **Restoration of former project boundary or development of additional recreation and emergency access as project facilities should be proposed as part of the FLA.**
- Designate the emergency access at Festival Plaza as an emergency and recreational access point. It is currently listed as only emergency access.
- Evaluate ways to inform the public when ideal conditions exist or will exist. Safe Waters website should be enhanced to provide real time and 3-7 day predicted flows for recreational trip planning.

PLACEHOLDER: Mix mitigation requests with those requested by Lewiston on the east side of the river.

Conclusion

The Androscoggin Riverfront remains a significant resource for the Lewiston-Auburn community. In an era when communities across the country have reclaimed urban waterfronts as vibrant community destinations, Lewiston and Auburn have the potential to create a unique and special place. A destination riverfront will benefit Lewiston and Auburn most directly if it is strongly connected to the rest of the community and especially to the core of downtown Lewiston along Lisbon Street. The hydro facility has lost its historic economic connection to the community and no longer powers the idle mills and canals, but it continues to impact the communities by severing access and redirecting flows from public trust resources and by hampering recreational activities. The above requested studies and mitigation measures are necessary to provide information and mitigate the operational impacts of P-2302 to inform FERC's NEPA Analysis.

City of Auburn
City Council Information Sheet

Council Workshop or Meeting Date: May 6, 2024

Subject: Executive Session

Information: Legal matter, pursuant to 1 M.R.S.A. Section 405(6) (E).

Executive Session: On occasion, the City Council discusses matters which are required or allowed by State law to be considered in executive session. Executive sessions are not open to the public. The matters that are discussed in executive session are required to be kept confidential until they become a matter of public discussion. In order to go into executive session, a Councilor must make a motion in public. The motion must be recorded, and 3/5 of the members of the Council must vote to go into executive session. An executive session is not required to be scheduled in advance as an agenda item, although when it is known at the time that the agenda is finalized, it will be listed on the agenda. The only topics which may be discussed in executive session are those that fall within one of the categories set forth in Title 1 M.R.S.A. Section 405(6). Those applicable to municipal government are:

A. Discussion or consideration of the employment, appointment, assignment, duties, promotion, demotion, compensation, evaluation, disciplining, resignation or dismissal of an individual or group of public officials, appointees or employees of the body or agency or the investigation or hearing of charges or complaints against a person or persons subject to the following conditions:
(1) An executive session may be held only if public discussion could be reasonably expected to cause damage to the individual's reputation or the individual's right to privacy would be violated;
(2) Any person charged or investigated must be permitted to be present at an executive session if that person so desires;
(3) Any person charged or investigated may request in writing that the investigation or hearing of charges or complaints against that person be conducted in open session. A request, if made to the agency, must be honored; and
(4) Any person bringing charges, complaints or allegations of misconduct against the individual under discussion must be permitted to be present. This paragraph does not apply to discussion of a budget or budget proposal;

B. Discussion or consideration by a school board of suspension or expulsion of a public school student or a student at a private school, the cost of whose education is paid from public funds, as long as:
(1) The student and legal counsel and, if the student is a minor, the student's parents or legal guardians are permitted to be present at an executive session if the student, parents or guardians so desire;

C. Discussion or consideration of the condition, acquisition or the use of real or personal property permanently attached to real property or interests therein or disposition of publicly held property or economic development only if premature disclosures of the information would prejudice the competitive or bargaining position of the body or agency;

D. Discussion of labor contracts and proposals and meetings between a public agency and its negotiators. The parties must be named before the body or agency may go into executive session. Negotiations between the representatives of a public employer and public employees may be open to the public if both parties agree to conduct negotiations in open sessions;

E. Consultations between a body or agency and its attorney concerning the legal rights and duties of the body or agency, pending or contemplated litigation, settlement offers and matters where the duties of the public body's or agency's counsel to the attorney's client pursuant to the code of professional responsibility clearly conflict with this subchapter or where premature general public knowledge would clearly place the State, municipality or other public agency or person at a substantial disadvantage;

F. Discussions of information contained in records made, maintained or received by a body or agency when access by the general public to those records is prohibited by statute;

G. Discussion or approval of the content of examinations administered by a body or agency for licensing, permitting or employment purposes; consultation between a body or agency and any entity that provides examination services to that body or agency regarding the content of an examination; and review of examinations with the person examined; and

H. Consultations between municipal officers and a code enforcement officer representing the municipality pursuant to Title 30-A, section 4452, subsection 1, paragraph C in the prosecution of an enforcement matter pending in District Court when the consultation relates to that pending enforcement matter.

City of Auburn
City Council Information Sheet

Council Workshop or Meeting Date: May 6, 2024 **Orders:** 53-05062024 through 64-05062024

Author: Emily F. Carrington, City Clerk

Subject: Board and Committee Appointments

The Appointment Committee met on April 23, 2024, to review applications and make their nominations for various boards and committees of the city as follows:

- Houda Aden to serve as City Council Student Representative with a term expiration of 6/30/2026.
- Anaya Egge to serve as City Council Student Representative with a term expiration of 6/30/2025.
- Emmanual Babine to serve on the Zoning Board of Appeals with a term expiration of 5/1/2025.
- Katie Boss to serve on the Zoning Board of Appeals with a term expiration of 5/1/2026.
- Michael Dixon to serve on the Zoning Board of Appeals with a term expiration of 5/1/2027.
- Stanwood "Joe" Gray to serve on the Zoning Board of Appeals with a term expiration of 5/1/2027.
- Chelsea Eaton to serve on the Zoning Board of Appeals with a term expiration of 5/1/2026.
- Gerald Samson to serve on the Zoning Board of Appeals with a term expiration of 5/1/2025.
- Elisabeth Collier to serve on the Board of Assessment with a term expiration of 3/31/2025.
- Mary LaFontaine to serve on the Board of Assessment with a term expiration of 3/31/2026.
- Corey Kinnan to serve on the Parks & Recreation Advisory Board with a term expiration of 10/01/2024.
- Elisabeth Collier to serve on the Parks & Recreation Advisory Board with a term expiration of 10/1/2024.

City Budgetary Impacts: None

Staff Recommended Action: Motion to appoint members as recommended by the Appointment Committee.

Previous Meetings and History: The Appointment Committee met on April 23, 2024, to make their recommendations.

City Manager Comments:

I concur with the recommendation. Signature: Phillip Crowell J.

OTHER (Ad-Hoc Committees not on the list above)::

This application is for a... (choose one): New appointment

Briefly describe why you want to serve on a board/committee (1,000 character limit): I have always had a passion to serve my community, no matter where I live. I recently relocated to Auburn from Omaha, Nebraska. While living in Omaha I completed my bachelor's in public health, and my master's in urban studies. Both from the University of Nebraska at Omaha (UNO). While at UNO for undergrad, I lead a public health initiative that took the university tobacco-free. As a master's student I was involved in several committees including, Bike UNO and Sustainability. I also interned at my local congressional office for 6 months where I was integral in organizing meetings with constituents and town halls. I believe my background makes me the perfect candidate for the open board position.

What do you hope to accomplish?: I hope to bring my expertise in strategic planning, passion for sustainability, and knowledge in public/private partnerships to Auburn. I believe I can be of service to my community which is a strong passion of mine.

Are you presently serving on a City or Community Board or Committee? If so, which one(s)?: No

Have you previously served on a City or Community Board or Committee? If so, which one(s)?: No

Dates served (if known): N/A

How did you learn of this vacancy?: Misty Edgecomb

Mayor Harmon called the meeting to order at 7:05 P.M. in the Council Chambers of Auburn Hall and led the assembly in the salute to the flag. All Councilors were present.

I. Consent Items

1. Order 47-04162024*
Appointing Election Clerks to serve a two-year term (May 1, 2024, through April 30, 2026).

2. Order 48-04162024*
Authorizing the City Clerk to waive the $60 Temporary Food Service licensing fee for the Auburn Exchange Club for the Lobster Festival Event scheduled to be held on May 11, 2024.

Motion was made by Councilor Walker and seconded by Councilor Milks for passage of the two consent items.

Passage 7-0.

II. Minutes – April 1, 2024, Regular Council Meeting

Motion was made by Councilor Walker and seconded by Councilor Platz to approve the minutes of the April 1, 2024, Regular Council Meeting.

Passage 7-0.

III. Communications, Presentations and Recognitions

- Memo to City Council from the Planning and Permitting Director
- Proclamation in recognition of City Clerk Sue Clements-Dallaire who will be retiring on May 3, 2024.

IV. Open Session – No one from the public spoke.

V. Unfinished Business - None

VI. New Business

1. Executive Session - Discussion on a poverty abatement case #PA 2024-001 pursuant to (36 M.R.S.A § 841) with possible action to follow (Order 49-04162024).

Motion was made by Councilor Walker, seconded by Councilor Milks to enter executive session pursuant to 36 M.R.S.A. § 841.

Passage 7-0, time in 7:12 pm.

Council was declared out of executive session at 7:24 pm.

Motion was made by Councilor Whiting, seconded by Councilor Walker approving the poverty abatement, case # PA 2024-001 in the amount of $2,842.61. This is Order 49-04162024.

Passage 7-0.

2. **Order 50-04162024**
Authorizing the City Manager to execute a lease with Carroll Materials LLC and direct payments made under the lease into the Intermodal Facility Special Revenue Account.

Motion was made by Councilor Walker, seconded by Councilor Weisner for passage.

Passage 7-0.

VII. Open Session – No one from the public spoke.

VIII. Reports

Councilor Gerry wanted to speak on the record regarding her vote at the last Council meeting regarding development on the Gracelawn property.

Councilor Whiting commented that the City of Auburn has had excellent City Clerks over the years, and he has personally known Leroy Linnell, Mary Lou Magno, Sue Clements-Dallaire, adding that they were all outstanding city clerks, and he is optimistic that our new City Clerk (Emily Carrington) will be as well.

Councilor Cowan reported that another meeting was held with the ad hoc committee on homelessness and if anyone is interested in hearing more about that, please let him know.

Councilor Weisner thanked the Public Works crew for the ride along they took him on and he thanked the Public Works staff for their hard work during the last storm.

Councilor Walker commented on Gracelawn zoning item adding that the city has been working hard on what can go there and the tests that have been done have been positive and he stated that moving forward we will likely see that whole area developed.

Councilor Platz congratulated Dr. Susan Dorris, who will be the new Superintendent of the Auburn School Department. He provided a budget update from the last School Committee meeting adding that the School Committee will be voting at the budget at the April 24th meeting.

City Manager Crowell took a moment to introduce Auburn's new City Clerk, Emily Carrington. He announced that April 20th at 10pm the Conservation Working Group will hold a Clean-up event and people can sign up on our website. Tomorrow at the Hasty Gym from 1:00 pm to 3:00 pm the Auburn Police Department is hosting a "Cocoa with a Cop" event for kids that are on school vacation. The National Collegiate Roller Hockey

national championship is being held in Auburn at the Norway savings Bank Arena. There will be games all week and it's a chance for kids to skate with the players. Last, the street sweeping schedule is on our website so residents will know what the schedule is.

IX. Executive Sessions

Economic development, pursuant to 1 M.R.S.A. §405(6)(C) which premature disclosure would prejudice the competitive or bargaining position of the City. Possible action to follow.

Motion was made by Councilor Walker, seconded by Councilor Milks to enter into executive session.

Passage 7-0, time 7:38 pm.

Council was declared out of executive session at 7:53 pm.

Order 51-04162024

Ordered, that the City Council authorizes the City Manager to execute the purchase of property located at 67 Kittyhawk Avenue, Auburn, Maine in the amount of $1,350,000.00 which will be appropriated from the fund balance.

Motion was made by Councilor Walker, seconded by Councilor Cowan for passage.

Passage 7-0.

Order 52-04162024

Ordered, that the City Council authorizes the City Manager to enter into a Memorandum of Understanding (MOU) with the Auburn Lewiston Municipal Airport for the implementation of the right of first refusal of the property located at 67 Kittyhawk Avenue, Auburn, Maine.

Motion was made by Councilor Walker, seconded by Councilor Platz for passage.

Passage 7-0.

Economic development, pursuant to 1 M.R.S.A. §405(6)(C) which premature disclosure would prejudice the competitive or bargaining position of the City.

Motion was made by Councilor Walker, seconded by Councilor Milks to enter into executive session.

Passage 7-0, time 8:01 pm.

Council was declared out of executive session at 8:22 pm.

X. Adjournment

Motion was made by Councilor Walker, seconded by Councilor Milks to adjourn.

Passage 7-0. The meeting adjourned at 8:25 pm.

Professional Training Opportunities to **Strengthen Families** and Prevent Child Abuse and Neglect

TRAINING TOPICS

INFANT SAFE SLEEP - SIDS PREVENTION

Reducing the number of injuries and deaths of Maine infants due to unsafe sleep practices is a priority. This training provides professionals with an understanding of the importance of educating and supporting families to create a safe sleep environment for their babies. Participants will learn ways to advocate, model, and reinforce safe sleep practices.

THE PERIOD OF PURPLE CRYING - ABUSIVE HEAD TRAUMA PREVENTION

The Period of PURPLE Crying program is an evidence-based shaken baby syndrome/abusive head trauma (SBS/AHT) prevention program. This training takes a normal child development approach by providing professionals with knowledge and skills to help parents and caregivers understand the frustrating features of crying in normal infants that can lead to shaking or abuse.

MANDATED REPORTER

Maine law requires that certain professionals, identified as Mandated Reporters, who suspect child abuse and neglect report to Child Protective Services. Maine law also requires training once every four years. The purpose of Mandated Reporter training is to promote child safety by increasing the knowledge of Mandated Reporters. Participants will learn how to identify the signs of abuse and neglect and the process for making a report.

STRENGTHENING FAMILIES PROTECTIVE FACTORS

CENTER FOR THE STUDY OF SOCIAL POLICY'S strengthening families
A PROTECTIVE FACTORS FRAMEWORK

Strengthening Families™ is a research-informed approach to increase family strengths, enhance child development, and reduce the likelihood of child abuse and neglect.

It is based on engaging families, programs, and communities in building five protective factors:

- Parental resilience
- Social connections
- Knowledge of parenting and child development
- Concrete support in times of need
- Social and emotional competence of children

This training is designed for anyone who works with children and families and focuses on concrete ways your work can support the building of Protective Factors. Professionals will learn how to work in partnership with families to promote child safety and family well-being.

Visit www.mechildrenstrust.org for more information.

Community Concepts

Join our Prevention Council for an upcoming

PROTECTIVE FACTORS TRAINING

Join us to learn about the **Protective Factors** from the Center for the Study of Social Policy:

- **Parental Resilience**
- **Social Connections**
- **Knowledge of Parenting and Child Development**
- **Concrete Support in Times of Need**
- **Social and Emotional Competence of Children**

Strengthening Maine families through the Protective Factors is supported by The Maine Children's Trust and the National Alliance of Children's Trust and Prevention.

MAINE CHILDREN'S TRUST

We invite everyone in the community to join us!

This course is offered to community members and providers. When we help strengthen Protective Factors for ourselves and for our neighbors, we help to strengthen families and to ensure kids in our community grow up healthy and safe!

Please contact Melissa to schedule a class!

LIFEFLIGHT OF MAINE

Greetings,

Maine is a special place with hundreds of communities scattered along the coast and further inland, on small islands and tucked along mountain roads. It often feels like one small town, where people know one another, are committed to this place and to their neighbors, work hard, contribute what they can, and enjoy and take pride in the rugged landscape.

At LifeFlight of Maine, we are committed to being there for Maine, and for your community, when you need us. We have four teams standing by 24 hours a day, seven days a week, ready to bring ICU-level care to the point of need. Our teams are prepared to respond rapidly with a top speed of nearly 175 miles per hour. Our highly skilled clinicians and our state-of-the-art aircraft give patients their best chance on their worst day.

We are grateful for every single family that entrusts us with caring for their loved ones. We are grateful to the police and fire departments, emergency medical services, and hospitals who work alongside us in caring for patients. LifeFlight is one important link, among many, in the chain of survival for those who are critically ill or injured. That is as true today as it was when we began 25 years ago.

We are also grateful for each and every community in Maine and the incredible support we continue to receive for our life-saving mission. Since 1998, we have transported more than 37,000 patients, including residents of every single Maine city, town, plantation, and community. **Since 1998, we have transported 259 residents of Auburn, with 23 in the last year. Additionally, we have landed in Auburnfor 5 scene calls since 1998.**

Each year, we reach out to all municipalities in the state to invite them to **support our Community Giving Campaign** to ensure that LifeFlight teams can continue to answer the call for help today and for years to come. Since 2006, 266 communities have contributed a total of $840,000. Each one of these gifts is an acknowledgement from these Maine communities that they understand and appreciate the vitally important and unique role that LifeFlight plays as a connector in the state's increasingly fragile healthcare system. **This year**, **we hope Auburn will help us reach our goal of having every municipality in Maine participate in our Community Giving Campaign. Please consider a gift of $2000, which is based on a rate of $0.25 per capita.**

LifeFlight is a nonprofit charitable organization that depends on logistical and philanthropic support across Maine. Communities like yours make our work possible. Together, we ensure people have access to the care they need when they need it, and we are grateful for your partnership and commitment.

Enclosed you'll find FAQs and supplemental information about LifeFlight, a map of Maine transport locations, and a map of Maine communities that have supported us. **Please contact Ashley MacMillan at The LifeFlight Foundation at amacmillan@lifeflightmaine.org or 207-357-5508 with any questions**. If you need additional information or a specific town application form is required with this request, please let us know.

Sincerely,

Joe Kellner
Chief Executive Officer
LifeFlight of Maine

Ashley MacMillan
Director of Annual Giving
The LifeFlight Foundation

THE LIFEFLIGHT FOUNDATION

Ten Facts and Frequently Asked Questions about LifeFlight

1. LifeFlight is a private non-profit charitable organization with a public mission serving all of Maine. We care for all patients regardless of insurance status or ability to pay for care with helicopters based in Bangor, Lewiston, and Sanford, a fixed-wing airplane based in Bangor, rapid response vehicles, and specialized ground ambulances. In FY2023 LifeFlight provided $1.7 million of care to patients without insurance or the means to cover the cost of care, as well as significant discounts for Medicare and MaineCare patients.

2. In FY23, 2,468 patients were transported from 124 Maine communities, islands, and unorganized townships– about 1 patient every 3.5 hours. LifeFlight has cared for more than 37,000 patients since September 1998.

3. What is the Community Giving Campaign? Each year in the Fall, LifeFlight reaches out to every community in the state to ask for support. The request includes a suggested donation based on population; a $1.00 per capita rate for towns that have up to 1,000 residents; a $0.50 per capita rate for those with up to 2,000 residents; and a $0.25 per capita rate for all others, with asks typically capped at $2,000. The average gift size in 2023 was $596, and some towns give generously beyond what they are asked.

4. How is LifeFlight funded? LifeFlight operates much like a hospital emergency department, taking care of all patients and billing insurance companies. We contract with most major commercial insurance companies and participate in the Medicare and Medicaid programs. Most of our operational expenses are covered by patient fees, but we rely on the LifeFlight Foundation to support the purchase of new aircraft, medical equipment, infrastructure improvements, and to provide clinical education around the state.

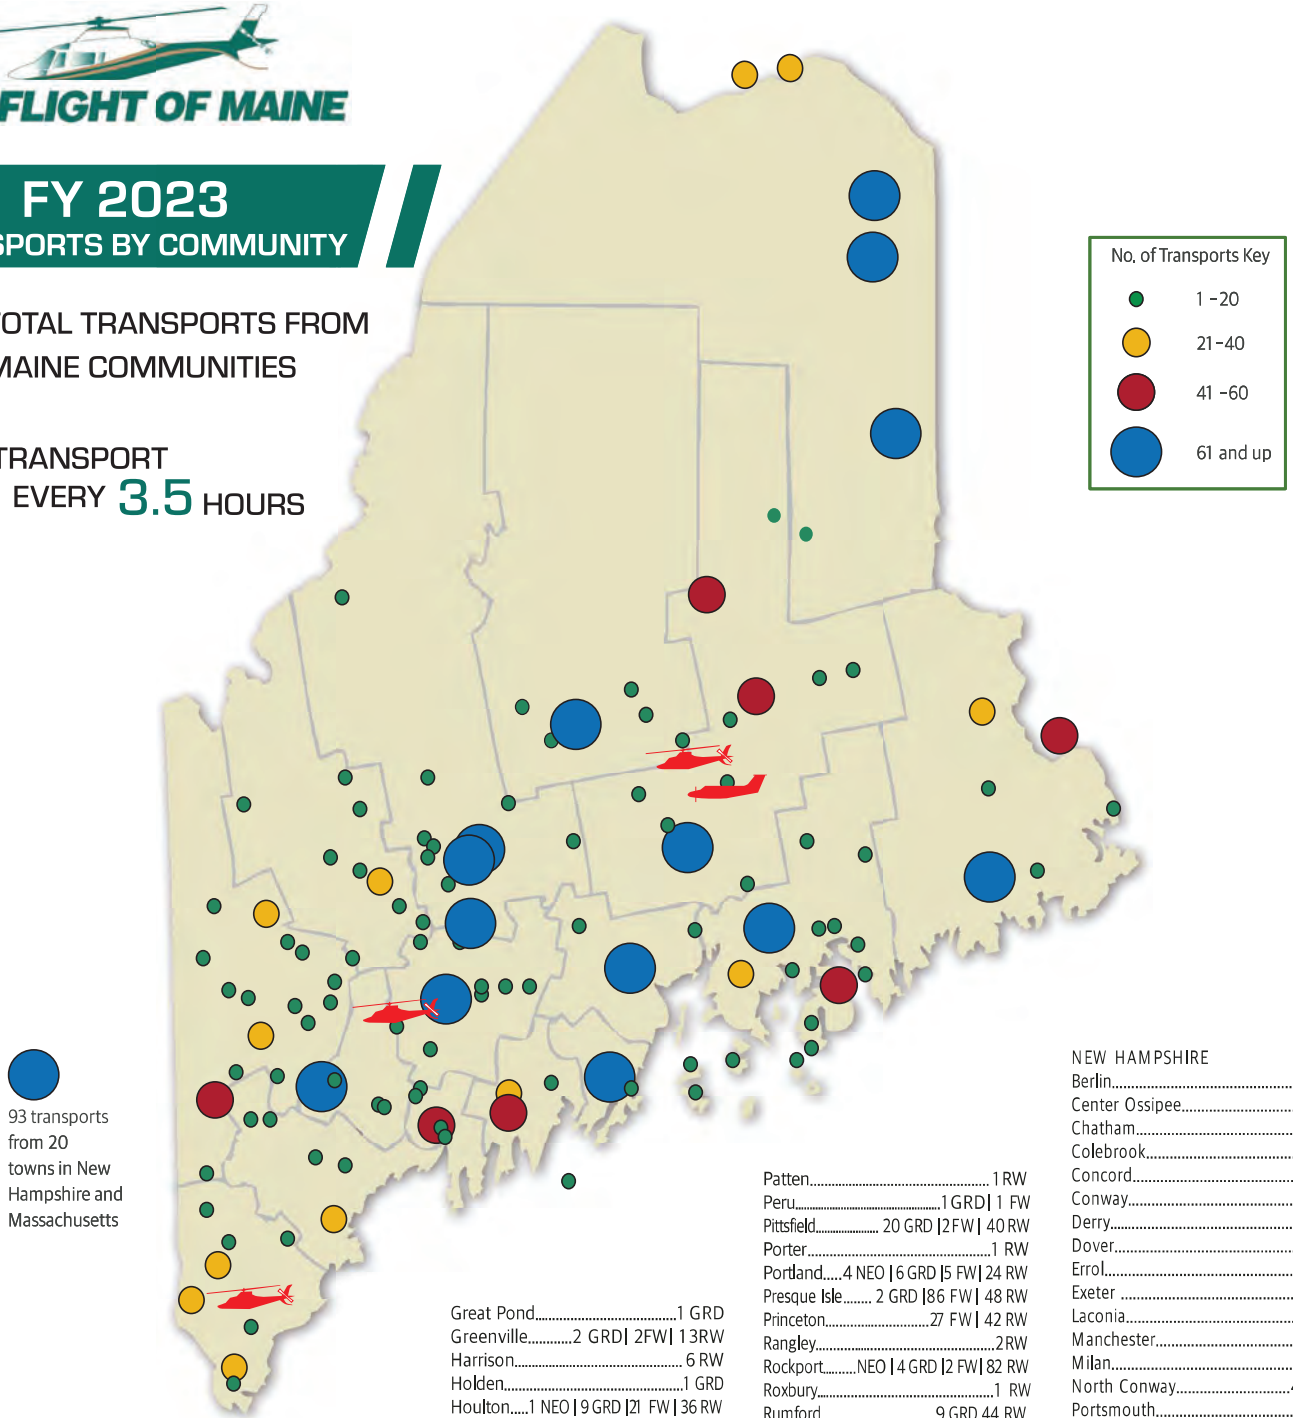
5. LifeFlight helicopters, the airplane, and specialty ground vehicles are equipped as fully functioning mobile intensive care units. LifeFlight's critical care teams bring the trauma center intensive care unit level care-- skills, medical technology, pharmacy, blood, and more -- directly to a patient's side.

6. What types of patients do we transport? Critically ill or injured patients of all ages needing specialized care beyond what can be provided by local hospitals - including premature infants, cardiac and stroke patients, complex traumatic injury, organ transplant, sepsis, burns, and serious obstetric complications. We use strict medical utilization criteria to make sure all flights are medically necessary. Emergency medical providers are guided by state-mandated protocols based on the latest research and best practice.

7. About 92% of patients are transported from community hospitals to major specialty centers, and 8% are transported directly from the scene of an emergency - roadsides, woods, mountains, and islands. While most patients are transported to EMMC, MMC and CMMC, about 10% of patients are transported to Boston and beyond for specialized care not available in Maine.

8. LifeFlight is lean. We are among the most efficient providers in the world, we pay close attention to costs, maintaining a very small administrative team that results in some of the lowest costs and charges in New England and the country. We balance this with our goal of being in the top decile internationally for quality of care.

9. LifeFlight's costs and charges are the lowest in New England and among the lowest in the country. The average charge for a LifeFlight transport is around $20,000. Other provider charges across New England and the northeast range from around $27,000 for non-profits providers to $60,000-$80,000 from for-profit air medical companies. LifeFlight participates with most major commercial insurance companies as well as Medicare and MaineCare, with the goal of avoiding any "surprise bill" to patients.



10. What other benefits to our town and region does LifeFlight provide besides critical care and transport? We provide local critical care training to medical providers in specialized areas such as traumatic brain injury and pediatric trauma, critical medical diagnosis, and treatment. We also support weather systems, hospital helipads, and advanced aviation navigation systems across the state.

LIFEFLIGHT OF MAINE 25 Years

The Chain of Survival

Since 1998, LifeFlight of Maine has safely cared for and transported more than 37,000 patients, one life at a time, from every community in Maine.

Every day and night of the year, our crews stand ready to answer the call for help. These calls come from local hospitals, major medical centers, islands, mountain communities, lakeshores, trails, and coastal villages — from every corner of Maine. We are committed to being there when you need us.

Together with our EMS, first responder, and hospital partners, we form the chain of survival for those who are critically ill or injured. The health and safety of all of our communities depend on each link in this chain. At LifeFlight, we are committed to building strong and lasting partnerships with these vital services to ensure that Mainers have their best chance on their worst day.

Remote Access Project

When an accident, critical injury, or illness threatens life or limb, there is no substitute for quickly mobilized, highly skilled emergency providers working together to ensure patients receive the care they need. LifeFlight's specially trained paramedics and critical care nurses bring intensive care skills and equipment directly to the patient. Often, that means landing near the scene of an accident.

While LifeFlight lands at emergency scenes with temporary landing zones regularly, establishing known landing zones with year-round access improves safety, reliability, and continuity of care.

LifeFlight maintains a database of more than 140 designated remote landing zones around the state. Landowners, both public and private, are encouraged to contact LifeFlight about established a designated remote landing zone on their property.

Learn more: LifeFlightMaine.org/remote.

Ground Safety & User Course

The safety of our operations and the care of our patients are our highest and only priorities. Safety is especially important when responding to scene calls. In most cases, an emergency temporary landing zone needs to be identified and secured quickly by first responders on the ground. LifeFlight offers a no-cost Ground Safety and User Course (with Maine EMS-approved CME hours) for its partners.

The program is a combination of education and hands-on interfacing with a LifeFlight team and aircraft. The program includes learning when to call LifeFlight, how to access the LifeFlight system, how to create a safe landing zone, preparing a patient for transport, communications and coordination, and more.

Learn more about our Ground Safety and User Course, or contact us about scheduling a session: LifeFlightMaine.org/groundsafety.

LIFEFLIGHT OF MAINE 25 Years

Meet Joe Kellner, CEO of LifeFlight of Maine

Joe Kellner stepped into the role of CEO of LifeFlight of Maine on October 1, 2023, with years of experience as a paramedic, expertise in EMS operations, a deep understanding of healthcare policy, and a dedication to building world-class EMS systems to improve healthcare outcomes.

While studying for a degree in German at the University of Maine, Joe approached the local volunteer ambulance service to learn where he could find an EMT course, mostly to acquire some basic skills should they become necessary. The on-duty crew convinced him to do an observation shift on the ambulance, and he was hooked.

Over his twenty-year career, he has worked for EMS agencies of all types, including volunteer, municipal, private, and healthcare system-based. He has served in various roles, including EMS clinician, educator, supervisor, director, service chief, and as the senior leader of Northern Light Medical Transport, one of the largest ambulance services in the State of Maine. Since 2012, Joe has also served as the chief operating officer of MedComm, a state-wide ground and air ambulance communications center, which dispatches LifeFlight crews in addition to other services.

With a strong interest in advocacy and policy, Joe served on the Maine EMS board for seven years under appointments from both Governors Lepage and Mills, including a term as its chair. He regularly testifies on EMS issues before the Maine legislature and has advocated nationally on issues facing EMS.

Most recently, Joe served as chief financial officer for LifeFlight of Maine, while simultaneously working as vice president of finance, operations, and strategy at Northern Light Home Care and Hospice and Northern Light Medical Transport.

Joe earned both his Bachelor of Arts and Master of Business Administration degrees from the University of Maine in Orono. He is a fellow of the American College of Healthcare Executives and a licensed paramedic in Maine. He has received numerous awards and accolades for his work in EMS, and in 2023 he was named to Mainebiz's "40 Under 40." He lives in Windham with his wife, Caitlin, and their two boys, Elliott and Leland.

"Over the years, Joe has tirelessly worked to advocate for EMS locally and nationally, and has remained very close to LifeFlight, most recently serving as its chief financial officer. He is well positioned to lead LifeFlight of Maine into the future."

- Timothy Dentry, president and CEO, Northern Light Health

Dear Town Clerk,

Kennebec Behavioral Health (KBH) is a 501 (C) (3) Nonprofit organization) that offers clinic-based services including medication management and outpatient counseling for mental health, substance use disorder, and co-occurring disorders at throughout Central Maine since 1960. Our mission is to promote the well-being of children, adults and families who experience mental illness, emotional difficulties or behavioral challenges.

Each year, KBH sends funding letters of request to the towns in which our clients reside to help cover a small portion of Auburn residents uncompensated care for the year. Fiscal Year 2023 requests had initially been sent in September 30, 2023. Can you please tell me what the status is for our funding request of $400 for FY 2023?

During fiscal year 2023, Kennebec Behavioral Health (KBH) provided mental health and substance use disorder services to 110 Auburn residents. This included providing $158158.86 in uncompensated health care to residents who were either underinsured or had no insurance. Kennebec Behavioral Health had respectfully requested $400 to help offset the cost of providing uncompensated care to Auburn residents, or an amount that Auburn could provide, from the next municipal budget. KBH has a total of $7,808,080.00 (Statewide) of uncompensated care for FY23. Therefore, any help to cover these costs, no matter how big or small, would be greatly appreciated.

Also, in order to streamline our future requests, I would greatly appreciate it if the Town of Auburn could respond to the following questions:

- What is the typical due date for letters of request and additional information/documentation?
- What should be included with our requests for additional information?
- Does the Town of Auburn ask for Applications and/or Petitions?
- When do you hold the Annual Town Meeting and/or Budget Meeting, and would you require a staff member from KBH to attend regarding the request?

Please send your response and other pertinent information, to our mailing address: Kennebec Behavioral Health- Attn: Kelli Johnson, 67 Eustis Parkway, Waterville, ME. 04901 or via email to kjohnson@kbhmaine.org. You may also reach me at (207) 873-2136 Ext. 1034. Your responses will aid me improving and advancing the KBH Municipal Campaign for many years to come and will hopefully make my job a little easier. I sincerely thank you for your time and consideration and look forward to your responses.

Sincerely,

Kelli Johnson

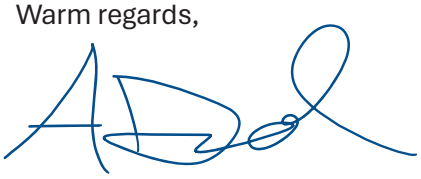
Dear Mr. Crowell,

Subject: Request for Additional Funding Support for Androscoggin Land Trust

I hope this letter finds you well. As the Executive Director of Androscoggin Land Trust, I am reaching out to discuss an urgent need arising from unforeseen circumstances that have recently impacted on our community and our organization's fiscal stability.

As you are aware, ALT is committed to conserving and promoting green spaces in Auburn, which significantly enhances the quality of life for our residents. Our efforts in managing critical natural landscapes like Sherwood Forest, Huston Farms, and the Lake Auburn easements have not only preserved these areas but also provided invaluable recreational and educational opportunities to our community.



However, the tragic mass shooting last fall redirected much-needed philanthropic efforts towards supporting the victims and their families, a cause we deeply respect and support. Unfortunately, this has led to a significant shortfall in the funding generally available for environmental and community projects like those managed by ALT. This shift has placed some of our crucial activities at risk, particularly as we approach the end of our fiscal year.

In response, we respectfully request additional funding from the City of Auburn to help bridge this gap. This support will not only ensure the continuation of our stewardship activities but also allow us to maintain the community engagement and conservation education programs that benefit all Auburn residents. We had a budget shortfall of $62,000. Now the gap has closed. We estimate that we're now at $27,000 shortfall. I'm requesting $20,000.00 to help see us through this year. We have plans to shore up our fund development for next and future fiscal years. Any amount will help us to round out this year and make it successful.

Continued investment in ALT is an investment in Auburn's resilience and sustainability. It supports our shared vision of a community that values and actively participates in the preservation of its natural environment. Any assistance you can provide at this challenging time would be greatly appreciated and will help ensure that we can continue our mission without scaling back on essential services and projects.

Thank you for considering this request. I am available at your earliest convenience to discuss this in further detail and explore how we can ensure the ongoing success of our land conservation efforts.

Warm regards,

Aimee Dorval
Executive Director
Androscoggin Land Trust

LAKE STEWARDS OF MAINE
Volunteer Lake Monitoring Program

March 4, 2024

To: City Council, City of Auburn, Maine
From: Alison Cooney, Executive Director - Lake Stewards of Maine
Re: Request for Lake Stewards of Maine funding from the City of Auburn for FY2024

Dear City Council,

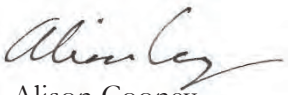
I am writing to you to request funding for support for Lake Stewards of Maine (LSM). LSM is a statewide 501(c)(3) nonprofit that trains, certifies and supports volunteer community scientists who collect water quality monitoring data and survey lakes for aquatic invasive species. All of our training and support is provided at no charge to the public. Formed in 1971 (formerly known as the Maine Volunteer Lake Monitoring Program), the program was initially administered by the Maine Department of Environmental Protection (ME DEP) and transitioned to non-profit status in 1996 when state and federal funding decreased and could no longer fully support the program.

With 6,000 lakes and ponds, and thousands of miles of river habitat, Maine is water rich! Additionally, Maine's lakes contribute $11.8 billion in value to the state's economy. Maintaining the health of Maine's clear, clean lakes requires nothing less than a statewide cadre of passionate and committed citizen stewards watching over them. Currently, more than 1,200 LSM certified volunteer community scientists monitor the health of more than 530 lakes throughout Maine. The direct involvement of dedicated LSM citizen lake scientists plays a vital role in maintaining and improving the water quality of Maine lakes and has been a significant factor in the early detection and control of aquatic invasive species in our lakes.

Every summer we extend our reach to include more lakes with volunteer involvement. Last summer, LSM coordinated 54 water quality training sessions and conducted 12 aquatic invasive plant workshops throughout the state. Over 400 individuals attended the in-person trainings, with hundreds more joining online webinars and technical support sessions.

While we receive state funding and actively pursue grants, our expenses are surpassing our budget. **To support the continued costs of training and supporting community lake scientists who monitor lakes throughout the state, Lake Stewards of Maine respectfully requests $1,500 from the City of Auburn.**

As we approach our upcoming field season, we'd be happy to inform you of the trainings we'll be providing in your area. It would be a wonderful opportunity for you to meet some of the volunteers who are dedicated to caring for local lakes and ponds in and around the City of Auburn. To view existing monitors on specific lakes, please visit our *lake resource* website, www.LakesOfMaine.org, search Towns, select a lake, then click on *Monitoring* in the menu bar to see who is monitoring your lakes.



24 Maple Hill Road

LAKE STEWARDS OF MAINE
Volunteer Lake Monitoring Program

All those who experience the wide variety of offerings provided by Maine's lakes benefit from the stewardship efforts of LSM's committed volunteers. Every dollar donated to Lake Stewards of Maine is typically matched 10 times over by volunteer effort. A worthwhile investment on behalf of Maine's treasured lakes!

For more information about Lake Stewards of Maine, please visit our *volunteer stewardship* website, www.LakeStewardsOfMaine.org. Thank you for your consideration of this request. We are excited about the prospect of establishing a relationship with you as we work together to protect Maine's lakes and ponds.

Kind Regards,

Alison Cooney
LSM Executive Director

City of Auburn
City Council Information Sheet

Council Workshop or Meeting Date: May 6, 2024 **Order:** 69-05062024

Author: Eric J. Cousens, Planning and Permitting Director

Subject: Initiate and Refer Amendment of Chapter 60, Article XVI, Division 2 Site Plan Review to Planning Board

---

Information: Shortcomings in the ordinance that may result in automatic approvals were identified based on project reviews that may take more than one Planning Board Meeting. As we worked towards correcting those the review team, including legal counsel suggested further revisions to make the process clear and predictable.

City Budgetary Impacts: None

Staff Recommended Action: Initiate consideration of the proposed amendments and refer to Planning Board for Public Hearing and a Recommendation pursuant to Chapter 60, Article XVII.

Previous Meetings and History: N/A

City Manager Comments:

I concur with the recommendation. Signature: Phillip Crowell J.

Attachments: Draft Ordinance Amendments

DIVISION 2. SITE PLAN REVIEW

Subdivision I. In General

Sec. 60-1276. Purpose.

The purpose of site plan review is to ensure that the design and layout of certain developments permitted by special exceptions, or other developments noted herein, will constitute suitable development and will not result in a detriment to city, neighborhood or the environment.

(Ord. of 9-21-2009, § 7.1A)

Sec. 60-1277. Objective.

In considering a site plan, the planning board shall make findings that the development has made provisions for:

(1) Protection of adjacent areas against detrimental or offensive uses on the site by provision of adequate surface water drainage, buffers against artificial and reflected light, sight, sound, dust and vibration; and preservation of light and air;

(2) Convenience and safety of vehicular and pedestrian movement within the site and in relation to adjacent areas;

(3) Adequacy of the methods of disposal for wastes; and

(4) Protection of environment features on the site and in adjacent areas.

(Ord. of 9-21-2009, § 7.1B)

Sec. 60-1278. Applicability.

A site plan review shall be required for the following projects:

(1) All uses permitted by special exception.

(2) Any other uses for which site plan review is required by any other provision contained in this or other ordinances.

(Ord. of 9-21-2009, § 7.1C)

Secs. 60-1279—60-1299. Reserved.

Subdivision II. Procedure

Sec. 60-1300. File for site plan review.

An applicant for site plan review shall file with the ~~department of community development and planning~~planning, permitting and code department a completed site plan application along with an original and 15 copies of the site plan and the required processing fee. ~~Such plans shall be filed not less than 30 days prior to a regularly scheduled meeting~~. Plans shall be folded at a size not to exceed 8½ inches by 11 inches.

(Ord. of 9-21-2009, § 7.1D(1); Ord. No. 11-03012021, 3-15-2021)

Sec. 60-1301. Scale; required information.

The original plan shall be drawn on reproducible Mylar at a scale of no more than 100 feet to the inch. Each site plan shall contain the following information:

(1) Name and address of owner and developer and interest of the applicant if other than the owner or developer.

(2) Name of development, scale and meridian arrow, with specific definition of representation, date of plan and legend.

(3) Names and addresses of all owners of record of all adjacent property as appear on assessor's records.

(4) Current zoning boundaries and 100-year floodplain boundaries including surrounding areas to a distance of 300 feet from the perimeter of the site.

(5) Easements; rights-of-way, existing, planned or proposed; or other reservations adjacent to or intersecting the property.

(6) Topographic map of the site, containing the following:

a. Existing contours, where the slope of existing ground surface is generally two percent or more, the topographic map shall show contours at intervals of five feet of elevation (or lesser intervals as the planning board or engineering department may prescribe). Where the slope of the existing ground surface is generally less than two percent, contour intervals of one foot shall be shown. These contours shall not be copied from the city topographic maps and shall be determined from an on-site survey certified by a registered land surveyor.

b. Proposed contours shall be shown at intervals to be determined by the city engineer.

(7) Location of watercourses, wetlands, marshes, surface water, rock outcroppings, wooded areas, single trees with a diameter of ten inches measured three feet from the base of the trunk.

(8) Location of buildings existing on the tract to be developed and on adjacent tracts within a distance of 100 feet from the property line, indicating whether existing buildings on the tract are to be retained, modified or removed.

(9) Locations of water mains, sewer mains, wells, fire hydrants, culverts, drains, pipe sizes, grades and direction of flow, existing within 200 feet of the subject property.

(10) Existing soil conditions and soil suitability test results.

(11) Locations of proposed buildings and uses thereof.

(12) Proposed traffic circulation system including streets, parking lots, driveways and other access and egress facilities, curblines, sidewalk lines and existing streets, including the projected traffic flow patterns into and upon the site for both vehicles and pedestrians and an estimate of the projected number of motor vehicle trips to and from the site for an average day and for peak hours.

(13) Location of existing and proposed public utility lines, indicating whether proposed lines will be placed underground.

(14) Site developments requiring stormwater permits pursuant to 38 M.R.S.A. § 420-D shall include the required plan and to the extent permitted under 38 M.R.S.A. § 489-A, be reviewed under the procedures of article XVI of this chapter; and they shall meet and comply with 38 M.R.S.A. § 484(4-A) and those Rules promulgated by the Maine Department of Environmental Protection pursuant to the Site Law and section 420-D, specifically Rules 500, 501 and 502, as last amended August 12, 2015. If a project proposes infiltration and the standards in Rule 500, appendix D are not met, then a waste discharge license may be required from the Maine Department of Environmental Protection. An infiltration system serving a development regulated under the Site Location of Development Act may be required to meet standards in addition to those in appendix D.

(15) Location and design of proposed off-street parking and loading areas indicating number and size of stalls.

(16) Proposed location and direction of and time of use of outdoor lighting.

(17) Existing and proposed planting, fences and walls, including all landscaping and screening and indicating existing trees to be retained and areas to be left undisturbed, including design features intended to integrate the proposed new development into the existing landscape to enhance aesthetic assets and to screen objectionable features from neighbors.

(18) Location, size, design and manner of illumination of signs.

(19) Disposal of sewage, trash, solid waste, oil waste, hazardous waste or radioactive waste showing disposal facilities, receptacles or areas.

(20) Perimeter boundaries of the site giving complete descriptive lot data by bearings, distances and radii of curves including the name and seal of the registered land surveyor who prepared the plan.

(21) Description and plan of capacity and location of means of sewage disposal together with approval of sewer district engineer or evidence of soil suitability for such disposal (test pit locations shall be shown on the plans) similarly approved by the city engineer department.

(22) A statement of the amount of area of land involved in the site, the percentage of the site proposed to be covered by buildings, the total number of dwelling units proposed per acre, the area proposed to be devoted to open space, the area proposed to be paved for parking, driveways, loading space and sidewalks, the total number of parking spaces required by the zoning chapter for the uses proposed, the number of employees expected per shift and the total floor area of proposed commercial or industrial uses.

(23) Description and plan of a phase development concept detailing the areas and sequence of phasing.

(24) A statement by the developer assuring that he has the financial capabilities to fully carry out the project and to comply with the conditions imposed by the planning board.

(Ord. of 9-21-2009, § 7.1D(2); Ord. No. 10-10172016, 11-7-2016)

Sec. 60-1302. Exemption for information.

Upon request, the planning board, or the ~~planning, permitting and code enforcement~~ director, acting for the board, may waive the necessity of providing any of the foregoing planning information which is not relevant to the proposed development. The planning board or the ~~planning, permitting and code enforcement~~ director, acting for the board, may waive the site plan review fee if the purpose of the site plan review is to determine the adaptive reuse of a structure of community significance.

(Ord. of 9-21-2009, § 7.1D(3); Ord. No. 05-04032017, § 3, 4-24-2017)

Sec. 60-1303. Approval—Time line for review.

The planning, permitting and code enforcement director shall, within five 10 business days of receipt, review the application and notify the applicant that either:

1.) The application is not accepted for processing, as it has not met the requirements of Sec. 60-1300 and 60-1301, and shall enumerate the materials that are missing; or

2.) The application has been conditionally accepted for processing as one or more required minor elements, as required by Sec. 60-1300 or 60-1301, are missing or inadequate and must be submitted within five business days or the application will not be accepted for processing; or

3.) The application has met the requirements of Sec. 60-1300 and 60-1301 and is accepted for processing.

The planning, permitting and code enforcement director shall, at the time of notification to the applicant that the application is accepted for processing, transmit copies of the application and site plan to those city departments that, in his the director's view opinion, requires such information to provide recommendations regarding the application to the planning board. The agencies departments receiving these copies shall have up to 15 business days to make provide their recommendations to the planning, permitting and code enforcement director.

The planning, permitting and code enforcement director shall review the submitted site plan and any recommendations made by the city departments and may:

1.) Request additional information from the applicant in to order assist with the director's review of the submitted site plan.

2.) Make recommendations to the applicant for changes to the submitted site plan that, in the director's opinion, will cause the site plan to conform to city requirements.

The planning, permitting and code enforcement director shall, upon completion of the director's review of the site plan, but not later than 60 days after notification to the applicant that the application is accepted for processing, request the planning board chair to schedule a public hearing by the planning board at a regularly scheduled planning board meeting.

(Ord. of 9-21-2009, § 7.1D(4))

Sec. 60-1304. Same—Public hearing; findings.

The planning board chair shall, upon request of the planning, permitting and code enforcement director, schedule a public hearing at the next regularly scheduled planning board meeting that occurs at least 16 days after receipt of the request from the directorwithin 30 days of receipt of a completed application, hold a public hearing. Notice of a public hearing shall be given in the manner provided for in division 3 of article XVII of this chapter. The planning board will not unreasonably delay the takinge of final action on the site plan within 60 days of receiving a completed application, or within such other time limit as may be mutually agreed toafter the public hearing. Such final action shall consist of either:

(1) A finding and determination that the proposed project will constitute a suitable development and will not result in a detriment to the neighborhood or the environment; or

(2) A written denial of the application stating the reasons for such denial, upon a finding that:

a. The provisions for vehicular loading, unloading and parking and for vehicular and pedestrian circulation on the site and onto adjacent public streets will create hazards to safety.

b. The bulk, location or operation of proposed buildings and structures will be detrimental to and adversely affect the use and values of existing development in the neighborhood or the health or safety of persons residing or working therein.

c. The provisions for on-site landscaping are inadequate to screen neighboring properties from unsightly features of the development.

d. The site plan does not adequately provide for the soil and drainage problems which the development may give rise to in accordance with section 60-1301(14).

e. The provisions for exterior lighting create safety hazards for motorists traveling on adjacent streets, or are inadequate for the safety or occupants or users of the site, or will create a nuisance affecting adjacent properties.

f. The proposed development will unduly burden off-site sewer drainage or water systems.

g. The proposed development will create a fire hazard by failing to provide adequate access to the site, or to buildings on the site, for emergency vehicles.

h. The proposed development violates provisions of the zoning regulations applicable to the site or other applicable laws, regulations or ordinances.

i. The proposed development will unduly impact the ability to provide municipal services.

(Ord. of 9-21-2009, § 7.1D(5))

Sec. 60-1305. Same—Subject to conditions, modification, restrictions, etc.

Approval may be made subject to conditions, modifications and restrictions as the planning board may deem necessary; and any construction, reconstruction, alteration or addition shall be carried on only in conformity to such conditions, modifications or restrictions and in conformity with the application and site plan.

(Ord. of 9-21-2009, § 7.1D(6))

Sec. 60-1306. Signed copies.

~~If no action is taken within 60 days after submittal of a completed application, the site plan shall be deemed to have been approved.~~ An original of the approved plan signed by the planning board chair, on behalf of the planning board, and one signed copy shall be delivered to the applicant, the assessor's department, the engineering department and to the building inspector on which basis building permits may be issued when all other required plans have been approved.

(Ord. of 9-21-2009, § 7.1D(7))

Sec. 60-1307. Findings in writing.

The findings of the planning board shall be in writing, signed by the planning board chair on behalf of the planning board, with a copy being forwarded to the applicant. The planning board's written report shall also include a statement as to how any deficiencies in the site plan might be resolved and what conditions, modifications and restrictions are to be complied with in executing the plan.

(Ord. of 9-21-2009, § 7.1D(8))

Sec. 60-1308. Expiration of approval.

Approval of a site plan shall expire one year after the date of approval, except for approved site plans for solar energy generating systems, which shall expire ~~in~~ two years after the date of approval, unless all building permits have been obtained to begin construction in accordance with the approved site plan. If a development is contested with litigation, the approval period of this section shall not commence until a final, nonappealable court judgment is issued or until the litigation has been dismissed with prejudice. This provision shall apply retroactively to all projects approved after January 1, 2007. Any site plan that contains a phase concept approved by the planning board shall not be required to obtain all building permits within the time sequence established for completion of each phase. No building permits or other permits shall be issued until all improvements are substantially completed for the preceding phase. A single one-year extension may be given upon a showing of good cause in writing by the applicant to the planning board not less than 30 days before the expiration of approval of ~~his~~ the applicant's existing plan. ~~.~~ The planning board shall approve or disapprove the requested extension at its next regular meeting.

(Ord. of 9-21-2009, § 7.1D(9); Ord. No. 02-04012013, att. D, 4-16-2013)

Sec. 60-1309. No building permitted without approval.

No permit shall be issued for the construction of any building in an area included in the site plan or in any development for which a site plan is required until such site plan has been approved by the planning board and unless the construction plans and specifications presented to the building inspector with the application for the permit are consistent with the approved site plan.

(Ord. of 9-21-2009, § 7.1D(10))

Sec. 60-1310. Certificate of occupancy.

No certificate of occupancy shall be issued with respect to any building until all construction called for by the site plan is completed, except by special permission of the planning board granted upon a showing of special circumstances warranted the issuance of the certificate and that the remaining construction will be completed within a reasonable time.

(Ord. of 9-21-2009, § 7.1D(11))

Sec. 60-1311. Deposit of surety.

The planning board may require the applicant with the submission of the site plan to tender a certified check payable to the city and issued by a surety company or secured by deposits issued by institutions authorized to issue the same by the laws of the state or the United States or irrevocable letters of credit issued by said banking institutions in an amount of money determined by the city planner, with the advice of the various city departments and agencies concerned, to be sufficient to ensure compliance with the approved site plan.

(Ord. of 9-21-2009, § 7.1D(12))

Sec. 60-1312. Review of planning board needed for variance.

For those developments subject to site plan review (division 2 of article XVI of this chapter) the relaxation of the dimensional requirements of any use district shall be reviewed by the planning board. The modifications of the

dimensional requirements shall be allowed as the planning board may deem necessary to carry out the objectives and intent of site plan review as specified in division 2 of article XVI of this chapter.

(Ord. of 9-21-2009, § 7.1D(13))

Sec. 60-1313. Correction of off-site deficiencies.

The planning board shall have the right to require the developer, at ~~his~~ the developer's expense, to correct any off-site deficiencies either created or aggravated by the developer's proposed project.

(Ord. of 9-21-2009, § 7.1D)

Secs. 60-1314—60-1334. Reserved.

ORDER 69-05062024

City Council Order

IN CITY COUNCIL

Ordered, that the Auburn City Council initiate an amendment to City of Auburn Ordinances Chapter 60, Article XVI, Division 2 Site Plan Review and refer the proposed(attached) text to the Planning Board for a public hearing and recommendation on the proposed text amendment pursuant to Chapter 60, Article XVII. Amendments.

City of Auburn
City Council Information Sheet

Council Workshop or Meeting Date: May 06, 2024 **Ordinance:** 09-05062024

Author: Jay Brenchick, Director of Economic Development and Eric J. Cousens, Director of Planning and Permitting

Subject: General Business Zone text amendment to allow Maine bioproducts manufacturing in parts of the GB zone.

Information: In October 2023, the Governor's Office announced that the Economic Development Administration (EDA) designated Maine's Forest Bioproducts Advanced Manufacturing Tech Hub as a Federal "Tech Hub." The designation acknowledges that Maine's forest bioproducts sector has the potential for rapid growth and opens the door for significant Federal investment. The Technology Hub overlay will allow the City of Auburn to compete for prospects and incentives related to the new federal Tech Hub designation. The text amendment adds flexibility to a certain area of the city zoned as General Business by adding such manufacturing use to the General Business District.

This change will define and declare the City's desire to attract investment related to Maine's Forest Bioproducts Advanced Manufacturing Technologies in the mapped area to promote related uses and expand uses in the General Business zoned portions of the Technology Hub Overlay to include manufacturing uses using Maine Forest Bioproducts. This change will create significant opportunities for manufacturing in the City of Auburn and leverage outside investment.

City Budgetary Impacts: None known.

Staff Recommended Action: Staff recommends that the Council take the Planning Board's recommendations to adopt the text amendment.

Previous Meetings and History: During the February 20, 2024, City Council Meeting, staff informed City Council of the Economic Development Administration (EDA) designation of Maine as a Forest Bioproducts Advanced Manufacturing Tech Hub. The Economic Development Department; Planning, Permitting & Code Department; and Business and Community Development Department will work together to create an Innovation/Tech Hub Designation in the area surrounding Exit 75 and the Auburn-Lewiston Municipal Airport. This designation aims to align the City of Auburn's zoning, business resources, marketing, and economic development partnerships with the efforts made at the state and federal levels. On April 9, 2024, Planning Board voted to recommend that the City Council adopt this text amendment.

City Manager Comments:

I concur with the recommendation. Signature: 

Attachments:

Tech Hub Overlay Map, General Business Zone ordinance text, Planning Board motion, staff report.

DIVISION 12. GENERAL BUSINESS DISTRICT

Sec. 60-498. Purpose.

This district is intended to include commercial uses serving both the city and the region, together with normal accessory uses compatible with a cohesive and attractive shopping and office area.

(Ord. of 9-21-2009, § 3.62A)

Sec. 60-499. Use regulation.

(a) *Permitted uses.* The following uses are permitted:

(1) Residential dwelling uses permitted in the Multifamily Suburban District (MFS) (division 7 of article IV of this chapter).

(2) Grocery stores and supermarkets.

(3) Clothing stores.

(4) Furniture stores.

(5) Department stores.

(6) Specialty shops.

(7) Hotels and motels.

(8) Funeral homes and mortuaries.

(9) Child day care centers.

(10) Medical and dental clinics.

(11) Wholesale bakeries.

(12) Retail laundries and dry cleaners, but not plants.

(13) Banks, business and professional offices.

(14) Public transportation passenger offices.

(15) Governmental offices.

(16) Municipal, civic or public service buildings and other utility facilities.

(17) Warehouses, wholesale offices, salesrooms and showrooms.

(18) Restaurants, bars, dining rooms or lunchrooms, but not to include drive-in and carry-out restaurants.

(19) Halls, private clubs and lodges, bowling alleys, ice and roller skating rinks, indoor theaters and similar places of indoor amusement or recreation.

(20) Animal hospitals and pet shops, but no kennels.

(21) Business equipment repair and business services.

(22) Radio and television studios.

(23) Printing shops, but not publishing plants.

(24) Retail, service, office and commercial uses similar to the foregoing.

(25) Carwashes.

(26) Accessory uses, building and structures.

(27) Shelters for abused persons.

(28) Greenhouses and lawn maintenance services.

(29) Temporary outdoor places of amusement.

(30) Churches and temples.

(31) Adult use and medical marijuana stores subject to the requirements of chapter 14, article XVIII of the City of Auburn Ordinances.

(32) Marijuana cultivation accessory to a licensed retail store on the same property.

(b) *Special exception uses.* The following uses are permitted as special exceptions after approval by the planning board in accordance with division 3 of article XVI of this chapter:

(1) Automobile filling stations.

(2) Automobile repair and service stations.

(3) Automobile and marine sales lots and sales and service agencies.

(4) Automobile and marine paint and body repair shops.

(5) Hospitals, care homes, boardinghouses and lodginghouses.

(6) Research or philanthropic institutions.

(7) Outdoor theaters.

(8) Drive-in or carry-out restaurants.

(9) Commercial parks.

(10) Sales, rental and service agencies for mobile homes, farm equipment, trucks and trailers, and machine equipment.

(11) Light industrial plants which will not create a nuisance by noise, vibration, smoke, odor or appearance.

(12) Off-street parking as a commercial or municipal use provided that such parking is limited to occupants of buildings located within 500 feet of such parking area whether or not within the same district. The planning board may impose conditions regarding fencing and screening, drainage, ingress and egress, signs and lighting, and total capacity of the parking area as it deems necessary to protect the character of the neighborhood.

(13) Trucking terminals and similar nonprocessing storage and distribution uses, except bulk storage of chemicals, petroleum products and other flammable, explosive or noxious materials.

(14) Convenience stores.

(15) Research, experimental and testing laboratories.

(16) Landscape services.

(17) Any new building of 5,000 square feet or more or any existing building which proposes a use permitted under subsection (a) of this section which will occupy an area of 5,000 square feet or more.

(18) Automotive towing and storage.

(19) Major retail development provided that it meets the conditions noted in section 60-45(g).

(20) Outpatient addiction treatment clinics.

(21) Adaptive reuse of structures of community significance.

(22) Public safety services.

a. All projects shall provide a community impact and needs analysis with review and approval from city council or its designee.

(23) Government services.

a. All projects shall provide a community impact and needs analysis with review and approval from city council or its designee.

(24) Manufacture, compounding or assembling of articles using Maine derived forest products, agricultural products or other natural resource inputs.

a. The property is located in the Maine Forest Bioproducts Advanced Manufacturing Tech Hub Overlay District.

(Ord. of 9-21-2009, § 3.62B; Ord. No. 11-11072016, 11-21-2016; Ord. No. 05-04032017, § 2, 4-24-2017; Ord. No. 05-05202019, 6-3-2019; Ord. No. 11-03012021, §§ 30, 31, 3-15-2021; Ord. No. 02-02132023, 2-17-2023)

Re: Staff Report on Maine Forest Bioproducts Advanced Manufacturing Tech Hub Overlay District Text and Map Amendments

I. **Proposal 1 Public Hearing/ Text Amendment:** City Council initiated text amendment to Chapter 60 Article IV, Division 12 General Business District by including "manufacture, compounding and assembling of articles using Maine derived forest products, agricultural products, or other natural resource inputs" as a Special Exception use with a condition that the site must be located within the Maine Forest Bioproducts Advanced Manufacturing Tech Hub Overlay District.

II. **Proposal 2 Public Hearing/ Map Amendment:** City Council initiated zoning map amendment to create the Maine Forest Bioproducts Advanced Manufacturing Tech Hub Overlay District. This zoning map overlay is generally located near Lewiston Junction Road, Kittyhawk Ave, and the southerly half of Washington Street.

III. Background: This proposal is to implement more flexibility in the General Business Zoning District in the area near exit 75 on the Maine Turnpike that is not available in other areas of the City that are also zoned as General Business, like Center Street and the surrounding neighborhoods.

The Maine Forest Bioproducts Advanced Manufacturing Tech Hub Overlay District is represented on the sketch map as cross-hatched over the existing General Business District (represented in orange) and the existing Industrial District (represented in light purple). The extent of this zoning change is to add language allowing manufacturing of Maine-derived natural products, resembling what is already allowed in the Industrial Zoning District, in one area of the General Business District. As such, this overlay is presented as both a text amendment to the General Business Zone, and a Map amendment creating the overlay represented visually on the City's Official Zoning Map.

The City of Auburn's Economic Development Director, Jay Brenchick, gives the following introduction on the origins of these two proposals:

In October 2023, the Governor's Office announced that the Economic Development Administration (EDA) designated Maine's Forest Bioproducts Advanced Manufacturing Tech Hub as a Federal "Tech Hub." The designation acknowledges that Maine's forest bioproducts sector has the potential for rapid growth and opens the door for significant Federal investment. The Maine Technology Institute (MTI) and the Governor's Office partnered with a consortium that included the University of Maine, the Roux Institute, the Maine Community College System, the Maine Venture Fund, and others during the application process.

Maine's Forest Bioproducts Tech Hub will accelerate research and development of natural polymers and other plant-based and wood fiber bioproducts that sequester carbon and replace plastics and toxic chemicals while bolstering "Made in America" supply chain goals.

The City of Auburn Economic Development has been in regular communication with the University of Maine, the Roux Institute, the Maine Composites Alliance, the Manufacturers Association of Maine, the Maine Manufacturers Extension Partnership, and the Maine Department of Economic and Community Development to position Auburn for participation in the Tech Hub designation and other state and federal innovation initiatives.

The Economic Development Department, Planning, Permitting & Code Department, and Business and Community Development Department are collaborating to create an Innovation/Tech Hub Designation surrounding Exit 75 and the Auburn-Lewiston Municipal Airport. This designation aims to align the City of Auburn's zoning, business resources, marketing, and economic development partnerships with efforts made at the state and federal levels.

In short, the Technology Hub overlay will allow the City of Auburn to compete for prospects and incentives related to the new state and federal Tech Hub designation.

IV. **Planning Board Recommended Action:** Review the Text and Map proposals, hold a public hearing on both the proposed text amendment and the proposed map amendment. Make two separate motions to provide a favorable recommendation to City Council on the Zoning Map and Text Amendments.

V. **Suggested Motion:**

a. **Proposal 1 (Text Amendment):** I make a motion to recommend that the City Council amend Chapter 60 Article IV, Division 12 General Business District by including "manufacture, compounding and assembling of articles using Maine derived forest products, agricultural products, or other natural resource inputs" as a Special Exception use with a condition that the site must be located within the Maine Forest Bioproducts Advanced Manufacturing Tech Hub Overlay District.

b. **Proposal 2 (Map Amendment):** I make a motion to recommend that the City Council amend the Official Zoning Map of the City of Auburn to create the Maine Forest Bioproducts Advanced Manufacturing Tech Hub Overlay District. This zoning map overlay is generally located near Lewiston Junction Road, Kittyhawk Ave, and the southerly half of Washington Street.

From: Auburn Planning Board
Subject: Planning Board Motion on Tech Hub Overlay Text Amendment

The following is the report from the Planning Board regarding Adding language to support a Maine bioproducts manufacturing tech hub within the General Business District pursuant to Section 60-1496 of the City of Auburn Ordinances. After notice and Public Hearings held on April 9th, 2024, the Planning Board forwards this report to the City Council.

PUBLIC HEARING/ TEXT AMENDMENT: Consider adding Chapter 60 Article IV, Division 12 General Business District be amended by including "manufacture, compounding and assembling of articles using Maine derived forest products, agricultural products, or other natural resource inputs" as a Special Exception use with a condition that the site must be located within the Maine Forest Bioproducts Advanced Manufacturing Tech Hub Overlay District.

Motion: Dave Trask makes a motion to recommend that the City Council amend Chapter 60 Article IV, Division 12 General Business District by including "manufacture, compounding and assembling of articles using Maine derived forest products, agricultural products, or other natural resource inputs" as a Special Exception use with a condition that the site must be located within the Maine Forest Bioproducts Advanced Manufacturing Tech Hub Overlay District; **Second:** Tim DeRoche Seconds.
Vote: 7-0-0 Motion passes.

LEGAL NOTICE
City of Auburn

Notice is hereby given that the Auburn City Council will hold Public Hearings on **Monday, May 6 2024, at 7:00 p.m.** in the City Council Chambers, 60 Court Street, Auburn, Maine to consider the following topics:

1. **PUBLIC HEARING/ TEXT AMENDMENT:** City Council initiated text amendment to Chapter 60 Article IV, Division 12 General Business District by including "manufacture, compounding and assembling of articles using Maine derived forest products, agricultural products, or other natural resource inputs" as a Special Exception use with a condition that the site must be located within the Maine Forest Bioproducts Advanced Manufacturing Tech Hub Overlay District.
2. **PUBLIC HEARING/ MAP AMENDMENT:** City Council initiated zoning map amendment to create the Maine Forest Bioproducts Advanced Manufacturing Tech Hub Overlay District. This zoning map overlay is generally located near Lewiston Junction Road, Kittyhawk Ave, and the southerly half of Washington Street.

Both proposals were initiated by the city pursuant to Chapter 60, Article XVII, Division 2 Amendment to the Zoning Ordinance or Zoning Map.

Additional information and copies of the official map and text amendments listed above are available in the Auburn Planning & Permitting Department, by contacting Katherine Cook at (207) 333-6601 ext. 1155 or kcook@auburnmaine.gov, and will be made available online no later than the Friday before the meeting at https://www.auburnmaine.gov/pages/government/planning-board-agendas.

Ordinance 09-05062024

City Council Ordinance

IN CITY COUNCIL

Creating the Maine Bioproducts Advanced Manufacturing Tech Hub Overlay District Map

Be it ordained, by the Auburn City Council, that Chapter 60 Article IV, Division 12 General Business District be amended by including "manufacture, compounding and assembling of articles using Maine derived forest products, agricultural products, or other natural resource inputs" as a Special Exception use with a condition that the site must be located within the Maine Forest Bioproducts Advanced Manufacturing Tech Hub Overlay District. The text shall appear under Sec. 60-499(b)(24) as follows:

DIVISION 12. GENERAL BUSINESS DISTRICT

Sec. 60-499. Use regulation.

(b) *Special exception uses.* The following uses are permitted as special exceptions after approval by the planning board in accordance with division 3 of article XVI of this chapter:

(24) Manufacture, compounding or assembling of articles using Maine derived forest products, agricultural products or other natural resource inputs.

a. The property is located in the Maine Forest Bioproducts Advanced Manufacturing Tech Hub Overlay District.

City Council Information Sheet

Council Workshop or Meeting Date: May 6, 2024 **Ordinance:** 10-05062024

Author: Jay Brenchick, Director of Economic Development and Eric J. Cousens, Director of Planning and Permitting

Subject: Ordinance to amend Official City of Auburn Zoning Map to include the Maine Forest Bioproducts Advanced Manufacturing Overlay District

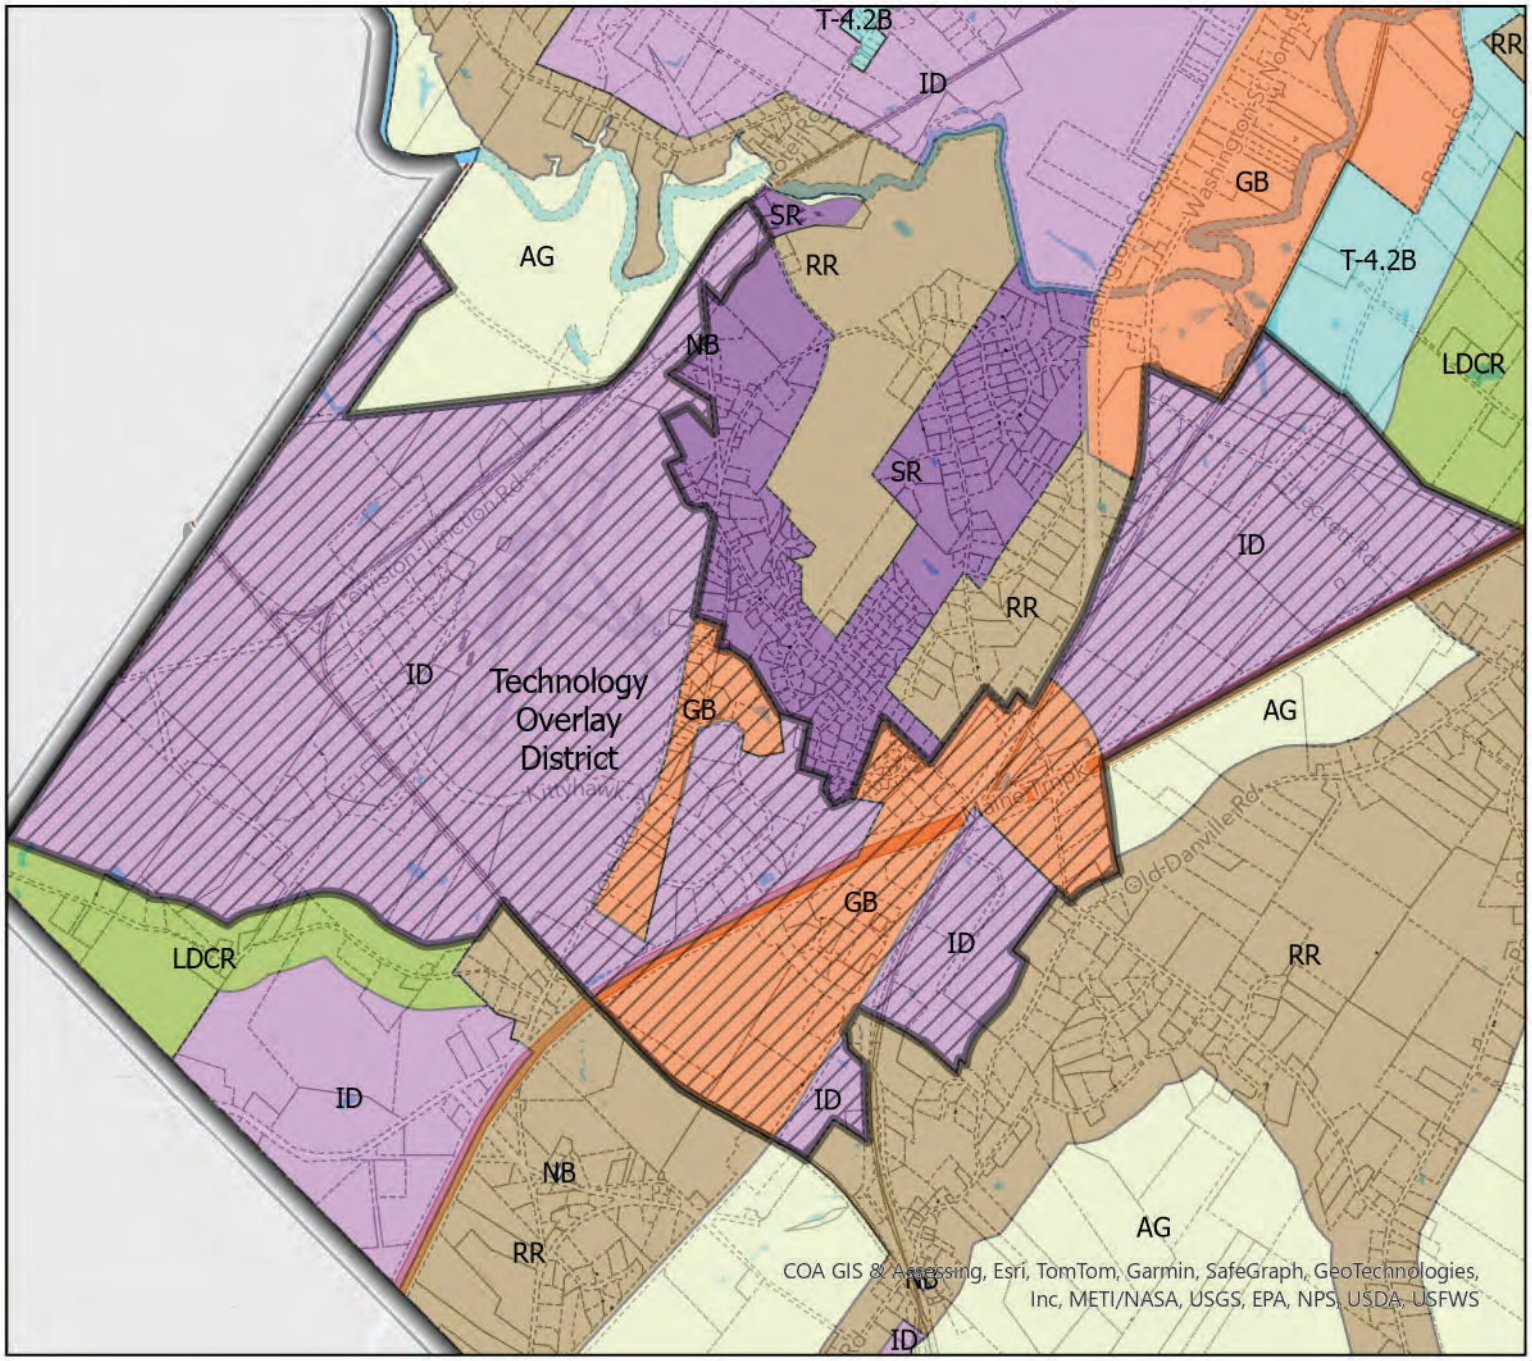
---

Information: In October 2023, the Governor's Office announced that the Economic Development Administration (EDA) designated Maine's Forest Bioproducts Advanced Manufacturing Tech Hub as a Federal "Tech Hub." The designation acknowledges that Maine's forest bioproducts sector has the potential for rapid growth and opens the door for significant Federal investment. The Technology Hub overlay will allow the City of Auburn to compete for prospects and incentives related to the new federal Tech Hub designation. The attached map identifies the area staff recommends for the Technology Hub Overlay.

This change will define and declare the City's desire to attract investment related to Maine's Forest Bioproducts Advanced Manufacturing Technologies in the mapped area to promote related uses and expand uses in the General Business zoned portions of the Technology Hub Overlay to include manufacturing uses using Maine Forest Bioproducts. The proposed Maine Forest Bioproducts Advanced Overlay District overlays the existing General Business and Industrial Zoning Districts in the southern part of the City of Auburn near Washington Street and the Maine Turnpike. All district regulations in the Industrial District and the General Business District, as amended, will be upheld and maintained. This change will create significant opportunities for manufacturing in the City of Auburn and leverage outside investment.

City Budgetary Impacts: None known.

Staff Recommended Action: Staff recommends that the Council vote to adopt the Maine Forest Bioproducts Advanced Manufacturing Tech Hub Overlay District attached to this information sheet.



Previous Meetings and History: During the February 20, 2024, City Council Meeting, staff informed City Council of the Economic Development Administration (EDA) designation of Maine as a Forest Bioproducts Advanced Manufacturing Tech Hub. The Economic Development Department; Planning, Permitting & Code Department; and Business and Community Development Department will work together to create an Innovation/Tech Hub Designation in the area surrounding Exit 75 and the Auburn-Lewiston Municipal Airport. The Planning Board voted to recommend that the City Council adopt this Map amendment at their April 9, 2024, meeting. This designation aims to align the City of Auburn's zoning, business resources, marketing, and economic development partnerships with the efforts made at the state and federal levels.

City Manager Comments:

I concur with the recommendation. Signature: Phillip Crowell Jr.

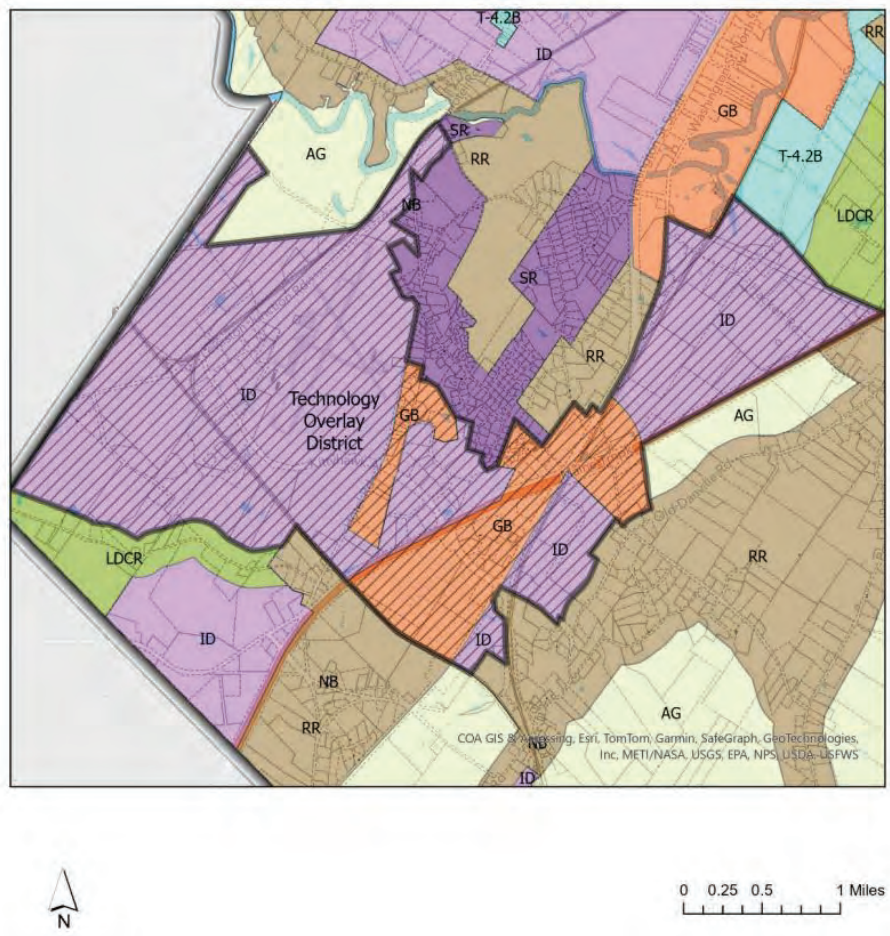
From: Auburn Planning Board
Subject: Planning Board Motion on Tech Hub Overlay Map Amendment

The following is the report from the Planning Board regarding Adding language to support a Maine bioproducts manufacturing tech hub map overlay as part of the City of Auburn's official zoning map. After notice and Public Hearings held on April 9th, 2024, the Planning Board forwards this report to the City Council.

PUBLIC HEARING/ TEXT AMENDMENT: City Council initiated zoning map amendment to create the Maine Forest Bioproducts Advanced Manufacturing Tech Hub Overlay District. This zoning map overlay is generally located near Lewiston Junction Road, Kittyhawk Ave, and the southerly half of Washington Street.

Motion: Tim DeRoche makes a motion to recommend that the City Council amend the Official Zoning Map of the City of Auburn to create the Maine Forest Bioproducts Advanced Manufacturing Tech Hub Overlay District. This zoning map overlay is generally located near Lewiston Junction Road, Kittyhawk Ave, and the southerly half of Washington Street; **Second**: Bob Hayes seconds that motion.
Vote: 7-0-0; Motion Passes.

Ordinance 10-05062024



City Council Ordinance

IN CITY COUNCIL

Creating the Maine Bioproducts Advanced Manufacturing Tech Hub Overlay District Map

Be it ordained, by the Auburn City Council, that the Official Zoning Map of the City of Auburn to be amended to create the Maine Forest Bioproducts Advanced Manufacturing Tech Hub Overlay District. This zoning map overlay is generally located near Lewiston Junction Road, Kittyhawk Ave, and the southerly half of Washington Street and appears as follows:

Maine Forest Bioproducts Advanced Manufacturing Tech Hub Overlay District

City of Auburn
City Council Information Sheet

Council Workshop or Meeting Date: May 6, 2024 **Order:** 70-05062024

Author: Mark Conrad, School Business Manager

Subject: FY 2025 Auburn School Department Budget

Information: On April 24, 2024 the School Committee unanimously voted to approve an FY 2025 operating budget of $62,123,473. The budget represents a 5.2% overall increase from the current year, with a local increase of 4.8% ($957,590). The largest single impact in this budget is the loss of federal ESSER (pandemic) funding for 15 staff positions that are integral to our school staffing. This budget eliminates five (5) positions from the operating budget and nine (9) positions funded by ESSER, and transfers six (6) positions from ESSER to the operating budget. Similar to previous years, the proposed budget includes authorizations to transfer unexpended FY 2024 balances into two reserve accounts: the Edward Little High School Capital Reserve, and the School Technology Equipment Reserve. It also includes a one-time transfer from excess fund balance funds into a new Curriculum Development Reserve Fund to sustain the recent progress made in curriculum and student outcomes into the future.

For the first time in three years this budget includes a CIP request totaling $983,000, including a new fire alarm panel for Park Ave. ($32,000), a district-wide HVAC controls software platform migration ($251,000), and a new boiler room at Fairview ($700,000).

The revenue budget includes a 6.0% increase in State subsidy, a $350,000 increase in the use of fund balance funds, to $2,350,000, and an expenditure of $211,000 in remaining revenue from the Edward Little naming rights campaign.

City Budgetary Impacts: The total local (tax) allocation is increasing by $957,590 or 4.8%, from $19,797,148 in FY 2024 to $20,754,738 in FY 2025.

Staff Recommended Action: The School Committee and Superintendent recommend that the City Council approve the FY 2025 school budget as presented.

Previous Meetings and History: : The School Committee has held many budget meetings and workshops to develop the proposed budget, beginning February 28th. The School Committee encouraged public comment at each budget meeting. Members of the School Committee and school administration have attended two budget workshops with the City Council.

City Manager Comments:

I concur with the recommendation. Signature: Phillip Crowell Jr.

ORDER 70-05062024

City Council Order

IN CITY COUNCIL

Ordered,

That the Auburn City Council hereby adopts and approves the following School Budget articles for Fiscal Year 2024-2025.

1. That $ 20,414,118 be authorized to be expended for Regular Instruction;

2. That $ 13,903,945 be authorized to be expended for Special Education;

3. That $-0- be authorized to be expended for Career and Technical Education;

4. That $ 958,221 be authorized to be expended for Other Instruction;

5. That $ 4,210,854 be authorized to be expended for Student and Staff Support;

6. That $ 1,491,243 be authorized to be expended for System Administration;

7. That $ 2,693,273 be authorized to be expended for School Administration;

8. That $ 2,441,816 be authorized to be expended for Transportation and Buses;

9. That $ 5,293,437 be authorized to be expended for Facilities Maintenance;

10. That $ 10,299,164 be authorized to be expended for Debt Service and Other Commitments;

11. That $ 41,685 be authorized to be expended for All Other Expenditures;,

12. That $ 53,702,850.90 be appropriated for the total cost of funding public education from Pre-kindergarten to grade 12 as described in the Essential Programs and Services Funding Act and that $ 15,589,989.66 be raised as the municipality's contribution to the total cost of funding public education from Pre-kindergarten to grade 12 as described in the Essential Programs and Services Funding Act in accordance with the Maine Revised Statutes, Title 20-A, section 15688;

Explanation: *The city's contribution to the total cost of funding public education from Pre-kindergarten to grade 12 as described in the Essential Programs and Services Funding*

City Council Order

Act is the amount of money determined by state law to be the minimum amount that a municipality must raise in order to receive the full amount of state dollars.

13. That $1,155,649 be raised and appropriated for the annual payments on debt service previously approved by the city's legislative body for non-state-funded school construction projects or non-state-funded portions of school construction projects, in addition to the funds appropriated as the local share of the city's contribution to the total cost of funding public education from Pre-kindergarten to grade 12 as described in the Essential Programs and Services Funding Act in accordance with Maine Revised Statues, Title 20-A, Section 15690 (2A);

Explanation: *Non-state-funded debt service is the amount of money needed for the annual payments on the city's long-term debt for major capital school construction projects that are not approved for state subsidy. The bonding of this long-term debt was previously approved by the voters or other legislative body.*

14. That $3,795,455 be raised and appropriated in additional local funds, which exceeds the State's Essential Programs and Services allocation model by $3,795,455, as required to fund the budget recommended by the School Committee.

The School Committee recommends $3,795,455, which exceeds the State's Essential Programs and Services allocation model by $3,795,455. The School Committee gives the following reasons for exceeding the State's Essential Programs and Services funding model:

The Essential Programs and Services funding model does not recognize all of the costs of special education services, transportation services, instructional services, co-curricular services and other services that the School Department provides.

Explanation: *The additional local funds are those locally raised funds over and above the city's local contribution to the total cost of funding public education from Pre- kindergarten to grade 12 as described in the Essential Programs and Services Funding Act and local amounts raised for the annual payment on non-state-funded debt service that will help achieve the school department budget for educational programs.*

15. That the school committee be authorized to expend $61,747,757 for the fiscal year beginning July 1, 2024 and ending June 30, 2025 from the city's contribution to the total cost of funding public education from Pre-kindergarten to grade 12 as described in the Essential Programs and Services Funding Act, non-state-funded school construction projects, additional local funds for school purposes under the Maine Revised Statutes, Title 20-A, section 15690, unexpended balances, tuition receipts, fund balances, state subsidy and other receipts for the support of schools;

16. That the City of Auburn appropriate $375,716 for Adult Education and raise $213,644 as the local share,

City Council Order

with authorization to expend any additional, incidental or miscellaneous receipts in the interest and for the well-being of the adult education program.

17. That in addition to amounts approved in the preceding articles, the School Committee be authorized to expend such other sums as may be received from federal or state grants or programs or other sources during the fiscal year for school purposes, provided that such grants, programs or other sources do not require the expenditure of other funds not previously appropriated.

18. That in addition to amount approved in the preceding articles, the School Committee be authorized to transfer up to $150,000 from the School Department's unexpended balances at the end of the 2023-2024 fiscal year to the Edward Little High School Capital Reserve Fund for the purpose of funding capital improvement projects, facility upgrades, and plant maintenance at the new Edward Little High School and adjacent athletic facilities.

19. That in addition to amount approved in the preceding articles, the School Committee be authorized to transfer up to $150,000 from the School Department's unexpended balances at the end of the 2023-2024 fiscal year to the School Technology Equipment Reserve Fund for the purpose of funding purchase and maintenance of computers, tablets, audiovisual equipment, and related technology for the School Department.

20. That in addition to the amount approved in the preceding articles, the School Committee transfer $268,000 from Excess Fund Balance Funds to the Curriculum Development Reserve Fund for the purpose of funding curriculum development materials, equipment, software, and professional development.

City Council Information Sheet

Council Workshop or Meeting Date: May 6, 2024 **Resolve**: 04-05062024

Author: Kelsey Earle, Finance Director

Subject: Resolve Adopting the 2024-2025 Annual Appropriation and Revenue Resolve (Public Hearing & First Reading)

Information: In accordance with the City Charter, Article 8, Section 8.6, prior to the fiscal year the City Council shall adopt an annual appropriation resolve making appropriations by department, fund, services, strategy or other organizational unit and authorizing an allocation for each program or activity.

The Council has been supplied with a resolve to adopt the annual appropriations for the City of Auburn, which includes final figures for revenue, total appropriation and municipal budget.

The school appropriation has been incorporated into this annual appropriation resolve for the City of Auburn.

This is the public hearing first reading of the Appropriation Resolve for FY 24-25.

City Budgetary Impacts: With this FY 25 Proposed Budget the tax levy increase is 5.96%, which is above CPIU at 4.1% . At this time, the estimated proposed mil rate increase is 5.96%.

Staff Recommended Action: Staff recommends passage of the budget on the second reading.

Previous Meetings and History: Preliminary City budget presentation March 4, 2024 and final Manager's Budget presentation April 16, 2024, Budget workshop April 22, 2024.
The School Committee has held many budget meetings and workshops to develop the proposed budget beginning November, 2023. The School Committee encouraged public comment at each budget meeting. A joint meeting to discuss the FY 2025 school budget was held with the City Council in a workshop on April 1, 2024.

City Manager Comments: I concur with the recommendation.

Signature: Phillip Crowell Jr.

Resolve for the 2024-2025 Annual Appropriation and Revenue including School Department Articles.

RESOLVE 04-05062024

City Council Resolve

IN CITY COUNCIL

Resolved, that the following be, and hereby is the Annual Appropriation and Revenue Resolve of the City of Auburn for the fiscal year 2024-2025, which includes the amounts appropriated herein and revenues from all sources beginning July 1, 2024, and ending June 30, 2025.

The estimated aggregate amount of non-property tax revenue is $67,511,381 with a municipal revenue budget of $26,142,646 and a School Department revenue budget of $41,368,735.

The aggregate appropriation for the City of Auburn is $121,825,948, with a municipal budget of $54,256,734 County budget of $3,117,240 and a School Department budget of $62,123,472 which received School Committee approval on April 24, 2024, and school budget approved at the May 6, 2024 Council Meeting pursuant to the School Budget Validation vote on June 11, 2024, in accordance with Maine Revised Statues, Title 20-A § 1486 and based on the budget submitted to the Auburn City Council on April 16, 2024, by the City Manager, and notification was posted on the City of Auburn website on May 2, 2024 that a public hearing would be held on May 6, 2024 at 7:00 p.m. and said hearing having been held on that date, and as amended by the City Council, the same is hereby appropriated for the fiscal year 2024-2025 beginning July 1, 2025 for the lawful expenditures of the City of Auburn and the County of Androscoggin taxes, and said amounts are declared not to be in excess of the estimated revenue from taxation and sources other than taxation for the fiscal year of 2024-2025.

SCHOOL BUDGET ARTICLES

Ordered that the Auburn City Council hereby adopts and approves the following School Budget articles for Fiscal Year 2024-2025.

1. That $ 20,414,118 be authorized to be expended for Regular Instruction;

2. That $ 13,903,945 be authorized to be expended for Special Education;

3. That $-0- be authorized to be expended for Career and Technical Education;

4. That $ 958,221 be authorized to be expended for Other Instruction;

City Council Resolve

5. That $ 4,210,854 be authorized to be expended for Student and Staff Support;

6. That $ 1,491,243 be authorized to be expended for System Administration;

7. That $ 2,693,273 be authorized to be expended for School Administration;

8. That $ 2,441,816 be authorized to be expended for Transportation and Buses;

9. That $ 5,293,437 be authorized to be expended for Facilities Maintenance;

10. That $ 10,299,164 be authorized to be expended for Debt Service and Other Commitments;

11. That $ 41,685 be authorized to be expended for All Other Expenditures;,

12. That $ 53,702,850.90 be appropriated for the total cost of funding public education from Pre-kindergarten to grade 12 as described in the Essential Programs and Services Funding Act and that $ 15,589,989.66 be raised as the municipality's contribution to the total cost of funding public education from Pre-kindergarten to grade 12 as described in the Essential Programs and Services Funding Act in accordance with the Maine Revised Statutes, Title 20-A, section 15688;

    Explanation: *The city's contribution to the total cost of funding public education from Pre-kindergarten to grade 12 as described in the Essential Programs and Services Funding*

    Act is the amount of money determined by state law to be the minimum amount that a municipality must raise in order to receive the full amount of state dollars.

13. That $1,155,649 be raised and appropriated for the annual payments on debt service previously approved by the city's legislative body for non-state-funded school construction projects or non-state-funded portions of school construction projects, in addition to the funds appropriated as the local share of the city's contribution to the total cost of funding public education from Pre-kindergarten to grade 12 as described in the Essential Programs and Services Funding Act in accordance with Maine Revised Statues, Title 20-A, Section 15690 (2A);

    Explanation: *Non-state-funded debt service is the amount of money needed for the annual payments on the city's long-term debt for major capital school construction projects that are not approved for state subsidy. The bonding of this long-term debt was previously approved by the voters or other legislative body.*

14. That $3,795,455 be raised and appropriated in additional local funds, which exceeds the State's Essential Programs and Services allocation model by $3,795,455, as required to fund the budget recommended by the School Committee.

City Council Resolve

The School Committee recommends $3,795,455, which exceeds the State's Essential Programs and Services allocation model by $3,795,455. The School Committee gives the following reasons for exceeding the State's Essential Programs and Services funding model:

The Essential Programs and Services funding model does not recognize all of the costs of special education services, transportation services, instructional services, co-curricular services and other services that the School Department provides.

Explanation: *The additional local funds are those locally raised funds over and above the city's local contribution to the total cost of funding public education from Pre- kindergarten to grade 12 as described in the Essential Programs and Services Funding Act and local amounts raised for the annual payment on non-state-funded debt service that will help achieve the school department budget for educational programs.*

15. That the school committee be authorized to expend $61,747,757 for the fiscal year beginning July 1, 2024 and ending June 30, 2025 from the city's contribution to the total cost of funding public education from Pre-kindergarten to grade 12 as described in the Essential Programs and Services Funding Act, non-state-funded school construction projects, additional local funds for school purposes under the Maine Revised Statutes, Title 20-A, section 15690, unexpended balances, tuition receipts, fund balances, state subsidy and other receipts for the support of schools;

16. That the City of Auburn appropriate $375,716 for Adult Education and raise $213,644 as the local share, with authorization to expend any additional, incidental or miscellaneous receipts in the interest and for the well-being of the adult education program.

17. That in addition to amounts approved in the preceding articles, the School Committee be authorized to expend such other sums as may be received from federal or state grants or programs or other sources during the fiscal year for school purposes, provided that such grants, programs or other sources do not require the expenditure of other funds not previously appropriated.

18. That in addition to amount approved in the preceding articles, the School Committee be authorized to transfer up to $150,000 from the School Department's unexpended balances at the end of the 2023-2024 fiscal year to the Edward Little High School Capital Reserve Fund for the purpose of funding capital improvement projects, facility upgrades, and plant maintenance at the new Edward Little High School and adjacent athletic facilities.

19. That in addition to amount approved in the preceding articles, the School Committee be authorized to transfer up to $150,000 from the School Department's unexpended balances at the end of the 2023-2024 fiscal year to the School Technology Equipment Reserve Fund for the purpose of funding purchase and maintenance of computers, tablets, audiovisual equipment, and related technology for the School

City Council Resolve

Department.

20. That in addition to the amount approved in the preceding articles, the School Committee transfer $268,000 from Excess Fund Balance Funds to the Curriculum Development Reserve Fund for the purpose of funding curriculum development materials, equipment, software, and professional development.

RESOLVED, The City is authorized to accept grants and forfeitures and to expend sums that may be received from grants and forfeitures for municipal purposes during the fiscal year beginning July 1, 2024, and ending June 30, 2025, provided that such grants and forfeitures do not require the expenditure of other funds not previously appropriated.

RESOLVED, that fifty percent (50%) of all real estate taxes assessed as in the annual commitment, committed to the Tax Collector, shall be due proportionately from each taxpayer on September 16, 2024, and the remaining fifty percent (50%) shall be due on March 17, 2025.

Except as may be provided by resolve regarding payments in accordance with an installment payment plan, any real estate taxes remaining uncollected on September 17, 2024, and March 18, 2025, respectively shall bear interest at a rate of 6% per annum from and after such dates.

Personal property taxes shall be due and payable on or before September 16, 2024. Any personal property taxes remaining unpaid on September 17, 2024, shall bear an interest rate of 6% per annum from and after such date. Interest on all delinquent taxes shall be computed on a daily basis and shall be collected by the Tax Collector. The Tax Collector is authorized to accept tax prepayments.

City of Auburn
City Council Information Sheet

Council Workshop or Meeting Date: May 6, 2024 **Order:** 71-05062024

Author: Planning & Permitting Staff

Subject: Order initiating Planning Board to review draft ordinance text and map changes by the Lake Auburn Stakeholders Group. The Planning Board is to review updates to Article II General Provisions, Division 2, Phosphorus Control, Division 3, Low Density Country Residential and Division 4, Lake Auburn Watershed Overlay District as proposed by the Lake Auburn Stakeholder Group pursuant to order 04-01022024.

Information: In January of 2024, City Council ordered (04-01022024) the City Manager to direct staff to work with city wide interest groups (AG Working Group, Sustainability and Natural Resources Board, LAWPC, Planning Board and public stakeholders) to create the make-up of Lake Auburn Stakeholders Group. Since that time the group (s) have met on numerous occasions to address continued concerns with protecting lake Auburn utilizing the ordinance to drive that discussion on what is best for the two communities' public water supply. The proposed changes are detailed in the attached order and proposed text and maps. Since that time the group (s) have meet on numerous occasions (6 times) to address continued concerns with protecting lake Auburn utilizing the ordinance to drive that discussion on what is best for the two communities public water supply while putting into action items that will impact Subsurface waste-water disposal system inspection In Sec 60-952(f)(6) and further considerations amending text amendments that will strengthen the ordinance for protections to the Lake Auburn Watershed and the source water protection for the communities of Auburn and Lewiston which serves clean drinking water to 39,000 residents from Lake Auburn. The overlay maps will follow existing watershed/overlay boundaries that will assist in the septic inspection program and further define natural resource features for buffers for a Planning Board Public hearing will be completed based on this directive.

City Budgetary Impacts: Staff Time

Staff Recommended Action: Staff recommends that the Council initiate the process for the proposed text change and map changes and send it to the Planning Board for a public hearing and recommendation to City Council.

Previous Meetings and History: Order 04-01022024 on January 2nd, 2024, initiated this discussion and created a working group. Between January and May 1st of 2024, the Lake Auburn Stakeholders Group have met on numerous occasions (6 times) to address continued concerns with protecting Lake Auburn.

City Manager Comments:

I concur with the recommendation. Signature: Phillip Crowell Jr.

DIVISION 2. PHOSPHORUS CONTROL

Sec. 60-1064. Purpose.

(a) The purpose of this division is to provide protection against additional phosphorus export to Taylor Pond and Lake Auburn from new land uses and changes in existing land uses by ensuring that development within the watersheds does not generate more phosphorus than the water bodies can handle and by eliminating or reducing existing sources of phosphorus.

(b) Phosphorus, a nutrient, stimulates algal growth, the main cause of water quality decline. The primary source of new and increasing phosphorus loading in the state lakes is land development: residential, commercial and industrial.

(Ord. of 9-21-2009, § 5.7A)

Sec. 60-1065. Definitions.

The following words, terms and phrases, when used in this division, shall have the meanings ascribed to them in this section, except where the context clearly indicates a different meaning:

Acceptable increase in lake phosphorus concentration (C) is based upon water quality and the city's selected level of protection. For Taylor Pond the number is 0.75; for Lake Auburn the number is .25.~~0.5.~~

Direct watershed means any land area which contributes storm-water runoff by either surface or subsurface flow to Taylor Pond or Lake Auburn without such runoff first passing through an upstream lake.

Future area to be developed (D) means an estimate of the acreage in the city's share of the direct watersheds that will be developed during the planning period of 50 years. For Taylor Pond, the estimated future developed acreage is 715.3; for Lake Auburn, the estimated future developed acreage is ~~1,180.0.~~.150.

Lake Auburn means the Lake Auburn Watershed regulated by this chapter, which is all land areas within the direct watershed of Lake Auburn as defined on the attached map entitled Lake Auburn Watershed Overlay District Map.

Per-acre phosphorus allocation (P) means the acceptable increase of phosphorus export per acre in the watershed as determined by solving the following equation (P) = (FC)/(D). For Taylor Pond, the phosphorus allocation is 0.03~~6~~5; for Lake Auburn, the phosphorus allocation is 0.0~~47~~20.

Phosphorus export coefficient (F) means the amount of phosphorus export from the watershed each year that will produce a one ppb increase in the lake's phosphorus concentration. For Taylor Pond, the phosphorus coefficient is 35.26 lbs/ppb/year; for Lake Auburn, the phosphorus coefficient is ~~109.9~~ 3.74 lbs/ppb/year.

Taylor Pond means the Taylor Pond Watershed regulated by this chapter, which is all land areas within the direct watershed of Taylor Pond as defined on the attached map entitled "Taylor Pond Watershed Map".

(Ord. of 9-21-2009, § 5.7B; Ord. No. 28-11202023, 12-4-2023)

Sec. 60-1066. Applicability.

This division shall apply to all land areas within the direct watersheds of Taylor Pond and Lake Auburn. The following land uses shall be required to obtain a phosphorus control permit and conform to the standards contained in this division:

(1) Any new building or structure with more than 200 square feet of ground floor area.

(2) Any expansions or series of expansions of ground floor area of any existing building which increases the area of the ground floor by more than 30 percent of that which exists at the time of adoption of the ordinance from which this division is derived.

(3) Any earth moving, brush and tree cutting which impacts 10,000 square feet or more whether accomplished as a single activity or as a series of activities beginning on the date of adoption of the ordinance from which this division is derived shall only meet the criteria contained in section 60-1069.

(4) Road or driveway construction and reconstruction and parking area construction which affects more than 1,500 square feet of land area whether accomplished as a single activity or as a series of activities beginning on the date of adoption of the ordinance from which this division is derived shall only meet the criteria contained in section 60-1069.

(5) All projects for which special exception, site plan and subdivision review is required.

(Ord. of 9-21-2009, § 5.7C; Ord. No. 15-05022022, 5-16-2022)

Sec. 60-1067. Exemptions.

This division shall not apply to the following:

(1) Changes of use within an existing structure where no ground floor expansion and/or road, driveway and parking area expansion is planned.

(2) Timber management or harvesting operations conducted according to a management plan prepared and supervised by a registered forester (unless required by division 4 of article XII of this chapter) or the city water district.

(3) Agricultural uses conducted according to a soil and water conservation plan approved by the Androscoggin County Soil and Water Conservation District.

(Ord. of 9-21-2009, § 5.7D)

Sec. 60-1068. Best management practices.

Agriculture, silviculture, mining, chemical use and storage and waste disposal activities should be conducted in accordance with the best management practices (BMPs) as recommended by the department of environmental protection, the state soil and water conservation commission, the cooperative extension service or other appropriate public service agency. New roads and the reconstruction of existing roads, driveways, drainage diversions, ditches and roadside buffers should be designed for the worst storm conditions in accordance with the best management practices (BMPs) recommended by the department of environmental protection, the state soil and water conservation commission, the cooperative extension service or other appropriate public service agency.

(Ord. of 9-21-2009, § 5.7E)

Sec. 60-1069. Erosion and sedimentation controls.

A comprehensive erosion and sedimentation control plan, including a proposed program for the maintenance and periodic inspection of all control facilities which will remain after the project is completed and a designation of the responsible party, shall be submitted to the city planning, permitting, and code department as follows:

(1) In the Taylor Pond Watershed~~., A~~ a plan designed in accordance with the applicable sections of ~~chapter 8 of the~~ the latest edition of Maine Department ~~of~~ Environmental Protection, Maine Stormwater Management Design Manual, Phosphorus Control Manual, Volume II & Technical Design Manual Volume III, March 2016. ~~DEP Phosphorous Control and Lake Watersheds: A Technical Guide to Evaluating New Development~~, the latest edition of the Maine Erosion and sediment Control Handbook and all building and environmental protection requirements of this Code. For dwelling units, the Basic Single Family Residential (SFR) Lot Standards of the latest edition of Maine Department of Environmental Protection, Maine Stormwater Management Design Manual, Phosphorus Control Manual, Volume II shall be used.

(2) In the Lake Auburn Watershed Overlay District~~., A~~ a plan designed in accordance with the applicable sections of ~~chapter 8 of~~ the latest edition of Maine Department of Environmental Protection, Maine Stormwater Management Design Manual, Phosphorus Control Manual, Volume II & Technical Design Manual III, March 2016,~~. DEP Phosphorous Control and Lake Watersheds: A Technical Guide to Evaluating New Development~~, the latest edition of the Maine Erosion and Sediment Control Handbook, and all building and environmental protection requirements of this Code ~~and criteria of the city water district or commission.~~ For dwelling units, the Basic Single Family Residential (SFR) Lot Standards of the latest edition of Maine Department of Environmental Protection, Maine Stormwater Management Design Manual, Phosphorus Control Manual, Volume II shall be used.

(Ord. of 9-21-2009, § 5.7F)

Sec. 60-1070. Submission requirements.

All projects subject to review under the provisions of this division shall submit a phosphorus control plan and maintenance provisions meeting the standards set forth in design criteria of the Maine Department of Environmental Protection, Maine Stormwater Management Design Manual, Phosphorus Control Manual Volume II, March 2016.

(1) *Plan submission.* Plans shall be submitted and processed in accordance with article XVI of this chapter. In addition to the requirements for submission under this article, the following instructions shall be provided:

a. A long-term maintenance plan for all phosphorus control measures including provisions for inspection and repair, designation of responsible parties, contractual obligations and proposed deed restrictions.

b. Hydrologic soil class of all areas to be cleared or where clearing will be permitted, with the area indicated in square feet of each lot using the appropriate method as described in the phosphorus control manual.

c. All calculations and worksheets in the format of those contained in the phosphorus control manual and detailed construction specifications and diagrams for all control measures.

d. A comprehensive erosion and sedimentation control plan, designed in accordance with the latest version of Maine Erosion and Sediment Control Handbook for Construction: Best Management

Practices, ~~March 1991~~ October 2016, and all building and environmental protection requirements of this Code.

(2) *Review method.*

a. All projects shall use the standard review method and shall conform to the Phosphorus Allocation standard set forth in this division including the following: Expansions of four lot subdivisions which were previously approved using the simple review method.

b. Projects meeting the following criteria may employ the simple review method:

1. Minor subdivisions with four or fewer lots provided that these developments contain less than 200 feet of new or upgraded roads and/or all driveways serving residential uses are less than 150 feet in length.

2. Activity which includes less than 200 feet of new or upgraded road construction.

(3) *Commercial and industrial development and expansions.* Commercial and industrial development and expansions of commercial and industrial developments and the expansion of multifamily dwelling units, which involve less than 15,000 square feet of disturbed area. All other subdivisions including expansions of previously approved four-lot subdivisions which were reviewed using the simple review method and all other projects shall utilize the standard review method.

(Ord. of 9-21-2009, § 5.7G; Ord. No. 11-03012021, § 81, 3-15-2021; Ord. No. 10-03072022, 3-21-2022)

Secs. 60-1071—60-1093. Reserved.

DIVISION 3. LOW DENSITY COUNTRY RESIDENTIAL DISTRICT

Sec. 60-200. Purpose.

The purpose of this zone is to maintain and promote the rural/agricultural character of the land within this zone. This zone is composed of those areas in the city whose predominant land use is rural, wooded and agricultural. The regulations for this zone are designed to protect and stabilize these predominant land uses which are the essential characteristics of these areas and to minimize conflicting land uses detrimental to agricultural enterprises. Since residences are only incidental to this zone's development, the densities which require improved roads and expanded municipal services, in excess of those required by the present agricultural-oriented uses, shall not be permitted.

(Ord. of 9-21-2009, § 3.32A)

Sec. 60-201. Use regulations.

(a) *Permitted uses.* The following uses are permitted:

(1) All uses permitted in the Agriculture and Resource Protection District, except uses allowed by section 60-145(a)(8), (14) and (15).

(2) One-family detached dwellings.

(3) Two-family dwellings.

(4) Lawn maintenance services.

(b) *Special exception uses*. The following uses are permitted by special exception after approval by the planning board in accordance with the provisions of division 3 of article XVI of this chapter:

(1) All uses permitted by special exception in the Agriculture and Resource Protection (AR) District, (division 2 of article IV of this chapter), except uses allowed by section 60-172(b)(7), (14), and (15).

(2) Bed and breakfast.

(3) Adaptive reuse of structures of community significance.

(Ord. of 9-21-2009, § 3.32B; Ord. 33-02072011-08, 2-7-2011; Ord. No. 08-08012011-07b, 8-1-2011; Ord. No. 05-04032017, § 2, 4-24-2017; Ord. No. 11-08192019, 9-9-2019; Ord. No. 11-03012021, § 9, 3-15-2021; Ord. No. 27-06212021, 7-19-2021)

Sec. 60-202. Dimensional requirements.

All structures in this district except as noted shall be subject to the following dimensional regulations:

(1) *Minimum lot area, width and depth.* No lot shall be created and/or no building shall be erected on a lot containing less than three acres and measuring less than 325 feet in width. No lot shall be less than 200 feet in depth. The keeping of horses, mules, cows, goats, sheep, hogs and similar size animals for

domestic use of the residents of the lot is permitted provided that the land area required per animal unit forms to the definition of farm, livestock contained in section 60-2.

(2) *Density.* The density of dwelling units shall not exceed an average of one dwelling per three acres.

(3) *Yard requirements.*

a. *Rear.* There shall be behind every building a rear yard having a minimum depth of 50 feet or 25 percent of the average depth of the lot, whichever is less.

b. *Side.* There shall be a minimum distance of 15 feet between any building and the side property line plus the side yard setback shall be increased one foot for every five feet or part thereof increase in street frontage over 50 feet to a maximum of 25 feet for side yard setback.

c. *Front.* There shall be in front of every building a front yard having a minimum depth of 50 feet or 25 percent of the average depth of the lot whichever is less, unless the lot is in the Lake Auburn Watershed Overlay District in which case the front yard shall have a minimum depth of 25 feet or 25 percent of the average depth of the lot whichever is less.

(4) *Height.* The height of all dwelling structures shall be limited to 2½ stories or 35 feet in height. Accessory buildings and structures may have a maximum height of 65 feet from grade, provided that the front yard, rear yard, and each of the side yards shall be increased by one foot for each foot in height in excess of 35 feet.

(5) *Off-street parking.* Off-street parking spaces shall be provided in accordance with the requirements for specific uses as set forth in article V of this chapter.

(Ord. of 9-21-2009, § 3.32C; Ord. No. 11-03012021, §§ 10, 11, 3-15-2021)

Secs. 60-203—60-227. Reserved.

DIVISION 4. LAKE AUBURN WATERSHED OVERLAY DISTRICT

Sec. 60-950. Purpose.

The Lake Auburn Watershed Overlay District is intended to maintain safe and healthful environmental conditions; prevent and control water pollution; protect spawning ground for fish, aquatic life, bird and other wildlife habitats; control building sites; provide visual and physical points of access to waters and natural beauty; and protect and maintain the present quality and volume of potable water supplied from the Lake Auburn Watershed to the population of the Auburn-Lewiston area.

(Ord. of 9-21-2009, § 5.3A; Ord. No. 28-11202023, 12-4-2023)

Sec. 60-951. Boundaries and definitions.

(a) *Boundaries.* The Lake Auburn Watershed Overlay District is that section of the city in which surface and subsurface waters ultimately flow or drain into Lake Auburn as such section is delineated on a watershed map and survey by the Auburn Water District on file in the office of the Auburn Water District, the city planning, permitting and code department~~department of planning and permitting services~~ and the city clerk. The Lake Auburn Watershed Overlay District shall be superimposed over underlying zoning districts within ~~such section~~the city. Permitted uses in the underlying districts shall continue subject to compliance with the provisions of the Lake Auburn Watershed Overlay District.

(b) *Definitions.* For purposes of this division, the following words and terms as used herein shall have the meanings or limitations of meaning hereby defined, explained or assigned.

Building has the same meaning as in Sec. 60-2 of this Chapter.

Curtain drain means a ~~tranch~~ trench to intercept laterally moving ground water and divert it away from a septic system disposal field.

Dwelling Unit has the same meaning as in Sec. 60-2 of this Chapter.

Hobby agricultural use means uses of land for chicken farms, cattle farms, horse farms, egg farms, piggeries, sheep farms, stables, crop farming and other agricultural purposes where:

(1) The products produced through such use of the land is for personal consumption, pleasure or sustenance by those occupying the land and does not involve the sale of the products produced through such use of the land for profit; and

(2) The allowances set forth in section 60-2 regarding "farm, livestock" of this chapter and the allowances set forth in article VII, division 4 of chapter 8 of this Code are not exceeded.

Lake Auburn Watershed Protection Commission or *LAWPC* means the commission formed through an interlocal cooperation agreement between and among the Auburn Water District, City of Lewiston, and the Town of Turner having three commissioners appointed by the Auburn Water District, three commissioners appointed by the City of Lewiston, one commissioner appointed by the Town of Turner, one commissioner appointed by the Towns of Hebron, Minot and Buckfield, and one commissioner appointed by the Androscoggin Valley Council of Governments.

Local plumbing inspector means a plumbing inspector or alternate plumbing inspector as defined in Section 12-22 of the Auburn City Ordinances.

Non-hobby agricultural use means uses of land for chicken farms, cattle farms, horse farms, egg farms, piggeries, sheep farms, stables, crop farming and other agricultural purposes where the products produced through such use of the land are sold for profit.

Normal high-water line and Normal high-water mark means that line which is apparent from visible markings, changes in the character of soils due to prolonged action of the water or changes in vegetation, and which distinguishes between predominantly aquatic and predominantly terrestrial land.

Soil horizon means a layer within a soil profile differing from the soil above or below it in one or more soil morphological characteristics. The characteristics of the layer include the color, texture, rock-fragment content, and ~~consistence~~consistency of each parent soil material.

Soil horizon, limiting or *limiting soil horizon* means any soil horizon or combination of soil horizons, within the soil profile or any parent material below the soil profile, that limits the ability of the soil to provide treatment or disposal of septic tank effluent. Limiting horizons include bedrock, hydraulically restrictive soil horizons and parent material excessively coarse soil horizons and parent material, and the seasonal groundwater table. Any of these limiting horizons may from time to time be ~~Also sometimes~~ referred to as a "limiting factor."

Soil profile means a vertical cross section of the undisturbed soil showing the characteristic soil horizontal layers or soil horizons that have formed as a result of the combined effects of parent material, topography, climate, biological activity, and time.

Soil filter media means a soil mixture that consists of a loamy sand lower fill layer meeting the following lower fill layer specifications, plus a minimum of six inches of upper fill layer meeting the following upper fill layer specifications.

Soil Filter Media Specifications

Upper fill layer

State licensed site evaluator means a person licensed by the Maine Department of Health and Human Services to evaluate soils for the purpose of designing subsurface wastewater disposal systems.

Stream or Brook means a channel between defined banks as depicted as a solid or broken blue line on the most recent edition of the U.S. Geological Survey 7.5-minute series topographic map.

Subsurface wastewater disposal system inspector means a person who holds a current certification issued by the Maine Department of Health and Human Services, Division of Environmental and Community Health as a Subsurface Wastewater Disposal System Inspector.

(Ord. of 9-21-2009, § 5.3B; Ord. No. 28-11202023, 12-4-2023)

Sec. 60-952. Use and environmental regulations.

1. *Subsurface Wastewater Disposal Systems*.

(~~b~~a) ~~*Residential d*~~*Dwelling units in the agriculture and resource protection zoning district.* Notwithstanding the provisions of subsections 60-145(a)(1), 60-145(b)(18) and 60-146(1)c., new dwelling units are prohibited in ~~the~~ that part of the Lake Auburn Watershed Overlay District which overlies the Agriculture and Resource Protection Zone. Pursuant to 30-A M.R.S.A. 4364(9), 4364-A(1-A), and 4364-B(1-A), each as may be amended from time to time, the affordable housing density, residential density and accessory dwelling unit provisions of P.L. 2021, ch. 672, "An Act to Implement the Recommendations of the Commission to Increase Housing Opportunities in Maine by Studying Zoning and Land Use Restrictions" and any related state regulations do not apply in the Lake Auburn Watershed Overlay District.

(~~f~~b) *Private subsurface wastewater disposal systems.* Each new building, or any existing building for which there is any addition, alteration, or change of use, each new dwelling unit, or any existing dwelling unit for which there is an addition or alteration thereto that includes the addition of one or more bedrooms, in the Lake Auburn Watershed Overlay District, not served by public sewer, shall, in the development of a private subsurface wastewater disposal system, adhere to the requirements of this section as well as the requirements of the latest version of the Maine Subsurface Wastewater Disposal Rule, 10-144 C.M.R. ch. 241. Notwithstanding any provision of the Maine Subsurface Wastewater Disposal Rule, 10-144 C.M.R. ch. 241 the Rule shall be applied regardless of whether the addition or alteration is an initial or subsequent addition or alteration. ~~The following regulations shall be adhered to in the development of private subsurface wastewater disposal systems in the Lake Auburn Watershed Overlay District~~:

(1) Disposal fields are prohibited on sites with less than 12 inches to the limiting soil horizon. In addition to having at least 12 inches to the limiting soil horizon, disposal fields shall have at least 24 inches of suitable natural soil or soil filer media below the bottom of the disposal field, such that there is at least a 36-inch separation between the bottom of the disposal field and the limiting soil horizon. The local plumbing inspector shall require that a state licensed site evaluator affirm that these design ~~criteria~~ requirements are met before the ~~LPI~~ local plumbing inspector finds the design or installation of the system to comply with this section.

(2) N~~o n~~ew (first use), expanded, or replacement disposal field~~s~~ shall be separated from~~installed closer than 400 feet to~~ the normal high-water mark of any lake, pond, ~~or year-round or intermittent stream~~stream, or brook ~~(as depicted on a 7.5 minute series USGS topographic map, dated 1981). Where the daily wastewater flow is or is reasonably likely to be in excess of 2,000 gallons, the system shall be located at least 1,000 feet from the normal high-water mark of any lake, pond or year-round or intermittent stream.~~ as follows:

~~a. Where the daily wastewater flow is or is reasonably likely to be in excess of 2,000 gallons, the system shall be located at least 1,000 feet from the normal high-water mark of any lake, pond or year-round or intermittent stream.~~

a. Where the daily wastewater flow is, or is reasonably likely to be, 2,000 gallons or less, the system shall be located at least 400 feet from the normal high-water mark of any lake, pond, stream, or brook.

b. Where the daily wastewater flow is, or is reasonably likely to be, in excess of 2,000 gallons, the system shall be located at least 1,000 feet from the normal high-water mark of any lake, pond, stream, or brook.

~~(3) All disposal fields, replacement or new, shall meet the design criteria set forth in subsection (f)(1) above, except that if a replacement system disposal field cannot meet the design criteria set forth in subsection (f)(1) above, the local plumbing inspector must, in consultation with and the concurrence of the Auburn Water District, or its designee, evaluate the design and then require the disposal field to meet as much of the design criteria as is physically possible under the site-specific circumstances.~~

(~~4~~3) All new (first use), expanded, or replacement private subsurface wastewater disposal systems~~, replacement or new,~~ shall include one of the two following design elements. The selection of which design element is most appropriate shall be determined by a state licensed site evaluator based upon the evaluation of the groundwater conditions, soils, and slopes present at the site where the system is to be installed.~~either have:~~

a. ~~A c~~Curtain drain installed per Section ~~11~~12(H) of the Maine Subsurface Wastewater Disposal Rules, 10-144 C.M.R. ch. 241 (~~2015~~2023), as may be amended from time to time; or

b. ~~A d~~Diversion ditch, upslope of the disposal field, installed for the disposal field's entire length ~~(~~including fill extensions, and constructed so that the curtain drain is located to prevent any under drain of the disposal field~~),~~

~~whichever installation in determined to be the most appropriate based on the evaluation of groundwater conditions on the site by a state licensed site evaluator.~~

~~The local plumbing inspector shall require that a state licensed site evaluator affirm that one of these two types of installation is part of the design of the system before the LPI finds the design or installation of the system to comply with this section.~~

(~~5~~4) All new (first use), expanded, or replacement private subsurface wastewater disposal systems~~, replacement or new,~~ shall be installed on the same lot as the building or dwelling unit being served by the system, unless the system can be developed outside of the Lake Auburn Watershed Overlay District or, in the case of an expanded or replacement system, the property owner can demonstrate to the local plumbing inspector that it is physically impossible for the replacement system to be located on the same lot, in which case the local plumbing inspector may approve all or a portion of the expanded or replacement system's location on adjacent lots with a permissive easement allowing installation and maintenance from the adjacent lot owner.

(~~6~~5) Commencing July 1, 2024, ~~LAWPC or its designee shall have the right to inspect all private subsurface wastewater disposal systems in the Lake Auburn Watershed Overlay District every five years and/or at the time that a property sold, whichever time frame is deemed most appropriate by LAWPC or its designee.~~ the owner of each building or dwelling unit in the Lake Auburn Watershed Overlay District, not served by public sewer, shall have their private subsurface wastewater disposal system inspected to ensure continuing compliance with this Section and the latest version of the Maine Subsurface Wastewater Disposal Rule, 10-144 C.M.R. ch. 241.

a. *Inspections.* An initial inspection shall be completed by the completion date specified in the Lake Auburn Watershed Overlay District Septic Systems Inspection Map, dated March 19, 2024, which is on file in the office of the city planning, permitting and code department.

Subsequent inspections shall be completed within five (5) years of the initial inspection and every subsequent inspection, unless the property is sold, in which case a subsequent inspection shall be conducted at the time of sale.

Such inspections shall be completed by a certified subsurface wastewater disposal system inspector.

Such inspector shall inspect the private subsurface wastewater disposal system using the minimum requirements established by the Maine Department of Health and Human Services, Division of

Environmental and Community Health for evaluating and reporting on existing subsurface wastewater disposal systems.

b. *City record keeping and notifications.* The city planning, permitting and code department shall maintain, within the city GIS system, a record of each subsurface wastewater disposal system within the Lake Auburn Watershed Overlay District that requires inspection. The record must include, at a minimum, the city parcel identifier, date the next inspection is due, and date of the last inspection.

The city planning, permitting and code department shall provide the owner of each building or dwelling unit written notices by regular mail, to the address shown on the city property tax records, of the date by which the inspection of the subsurface wastewater disposal system must be completed. The first notice shall be mailed twelve (12) months prior to each required completion date and the second notice six (6) months prior to each required completion date.

c. *Reporting and reviewing of results of inspections.* Reporting shall be made utilizing the latest version of the HHE-240 reporting form, for initial inspections, and the Supplement HHE-240 reporting form, for subsequent inspections, as published by the Maine Department of Health and Human Services, Division of Environmental and Community Health. Such reports shall be submitted to the local plumbing inspector.

The local plumbing inspector shall review the report and determine if corrective action is required to ensure that;

1. for subsurface wastewater disposal systems for which a design is on file with the planning, permitting and code department, the system is functioning per the design on file,
2. for subsurface wastewater disposal systems for which there is no design on file with the planning, permitting and code department, the system is functioning as built.

d. *Alternative design for replacement subsurface wastewater disposal systems.* For buildings or dwelling units that exist in the Lake Auburn Watershed Overlay District as of July 1, 2024, should the local plumbing inspector determine, upon review of the report from the subsurface wastewater disposal system inspector, through personal observation, or through independent means, that the subsurface wastewater disposal system is not functioning as designed or built and a replacement system is required, and:

1. a state licensed site evaluator informs the local plumbing inspector that the parcel on which the building or dwelling unit is situated on is not suitable to site a subsurface wastewater disposal system replacement that meets the requirements of this Section and the latest version of the Maine Subsurface Wastewater Disposal Rule, 10-144 C.M.R. ch. 241; and
2. the local plumbing inspector determines that the replacement subsurface wastewater disposal system cannot be sited pursuant to Subsection 4;

then a state licensed site evaluator may propose, and the local plumbing inspector may approve, after consultation with the Lake Auburn Water Protection Commission, an alternative subsurface wastewater design that does not meet the requirements of this Section and the latest version of the Maine Subsurface Wastewater Disposal Rule, 10-144 C.M.R. ch. 241 but which meets as many of the requirements as possible, and for those requirements that cannot be met, includes design elements that maximize the efficacy of the treatment of the wastewater.

(~~7~~6) ~~The Auburn Water District~~In coordination with the local plumbing inspector LAWPC, or its designee, shall have the right to inspect any subsurface wastewater disposal system within the Lake Auburn Watershed Overlay District during its construction and operation and may notify the City of Auburn health officer, police chief, local plumbing inspector or ~~housing inspector~~code enforcement officer of

any observed defects or malfunction that require ~~abatement~~ corrective action by the property owner or operator.

(~~8~~7) The local plumbing inspector shall furnish a copy of all site evaluation and inspection reports in the Lake Auburn Watershed Overlay District to ~~the Auburn Water District or its designee~~LAWPC.

8) Commencing on July 1, 2024, a maximum of three (3) new dwelling units per calendar year are permitted in that part of the Lake Auburn Watershed Overlay District in which new dwelling units are permitted.

The city planning, permitting, and code department shall, on an annual basis, provide a report to the Planning Board as to the extent and effect of the construction of new dwelling units in the Lake Auburn Watershed Overlay District. The report shall include, at a minimum, the number of new dwelling units constructed in the past year, the cumulative number of new dwelling units constructed since July 1, 2024, and the effect of such construction on the Lake Auburn water quality.

Should the city planning, permitting and code department report that the construction of new dwelling units has had an adverse effect on the Lake Auburn water quality, the Planning Board shall consider what action is to be taken to prevent further degradation of Lake Auburn water quality from the construction of new dwelling units.

2. *Agricultural, Forestry, and Erosion Control.*

(a) *Agricultural uses.* Non-hobby agricultural uses not in existence as of January 1, 2024 are prohibited, and expansions of non-hobby agricultural uses in existence as of December 31, 2023 are prohibited. As of January 1, 2024, new hobby agricultural uses or expansions of hobby agricultural uses in existence as of December 31, 2023 are only allowed if:

(1) The owner or operator first demonstrates to LAWPC's watershed manager that such use or expansion will not cause groundwater contamination and will not contaminate or disturb the normal course of surface water runoff; and

(2) LAWPC's watershed manager approves such use or expansion in writing and so notifies the code enforcement officer.

(c) *Agricultural buffer strip.* Where land adjoining Lake Auburn or its perennial tributaries (as depicted on a 7.5 minute series USGS topographic map, dated 1981) is tilled for agricultural purposes, an untilled buffer strip 100 feet wide shall be retained between the tilled area and the normal high-water mark. This subsection (c) shall not be interpreted as permitting agricultural tillage in any zoning district in which it is not otherwise permitted.

(d) *Manure and sludge disposal.* Spreading and disposal of sludge is prohibited. All spreading and disposal of manure shall be accomplished in conformance with the then-current edition of the Maine Department of Agriculture, Conservation and Forestry's rules, regulations and guidelines for manure spreading and disposal.

(e) *Erosion control.* The following provisions shall be observed for the control of erosion in the Lake Auburn Watershed:

(1) Any earth cutting, moving or removal activities that will result in erosion or runoff which is likely to increase sedimentation of Lake Auburn, or any tributaries or other water bodies in the watershed are prohibited.

(2) Vegetative cover shall not be removed except in a manner which will minimize erosion. Harvesting of trees shall be permitted only after a plan prepared by a qualified forester is submitted to and approved by the Auburn Water District. Such plan will be approved or disapproved on the basis of its conformance with good watershed management practice for domestic water supplies.

(3) Trees may be cleared, provided the cleared areas are covered with other vegetation, for approved construction and landscaping. Where such clearing is extended to the shoreline, a cleared opening or openings not greater than 30 feet in width for every 100 feet of shoreline (measured along the high-water mark) may be created in the strip extending 50 feet inland from the normal high-water mark. For purposes of this section, clearing is the removal of adjacent dominant trees which extend into the canopy and shrubs within ten feet of the shoreline. Where natural vegetation is removed, it shall be replaced with other vegetation which is equally effective in retarding erosion and preserving natural beauty. When the vegetative cover is changed in areas greater than three acres, a plan shall be filed with the Auburn Water District indicating the changes so that a record can be maintained of watershed water yields to the system.

3. *Enforcement*

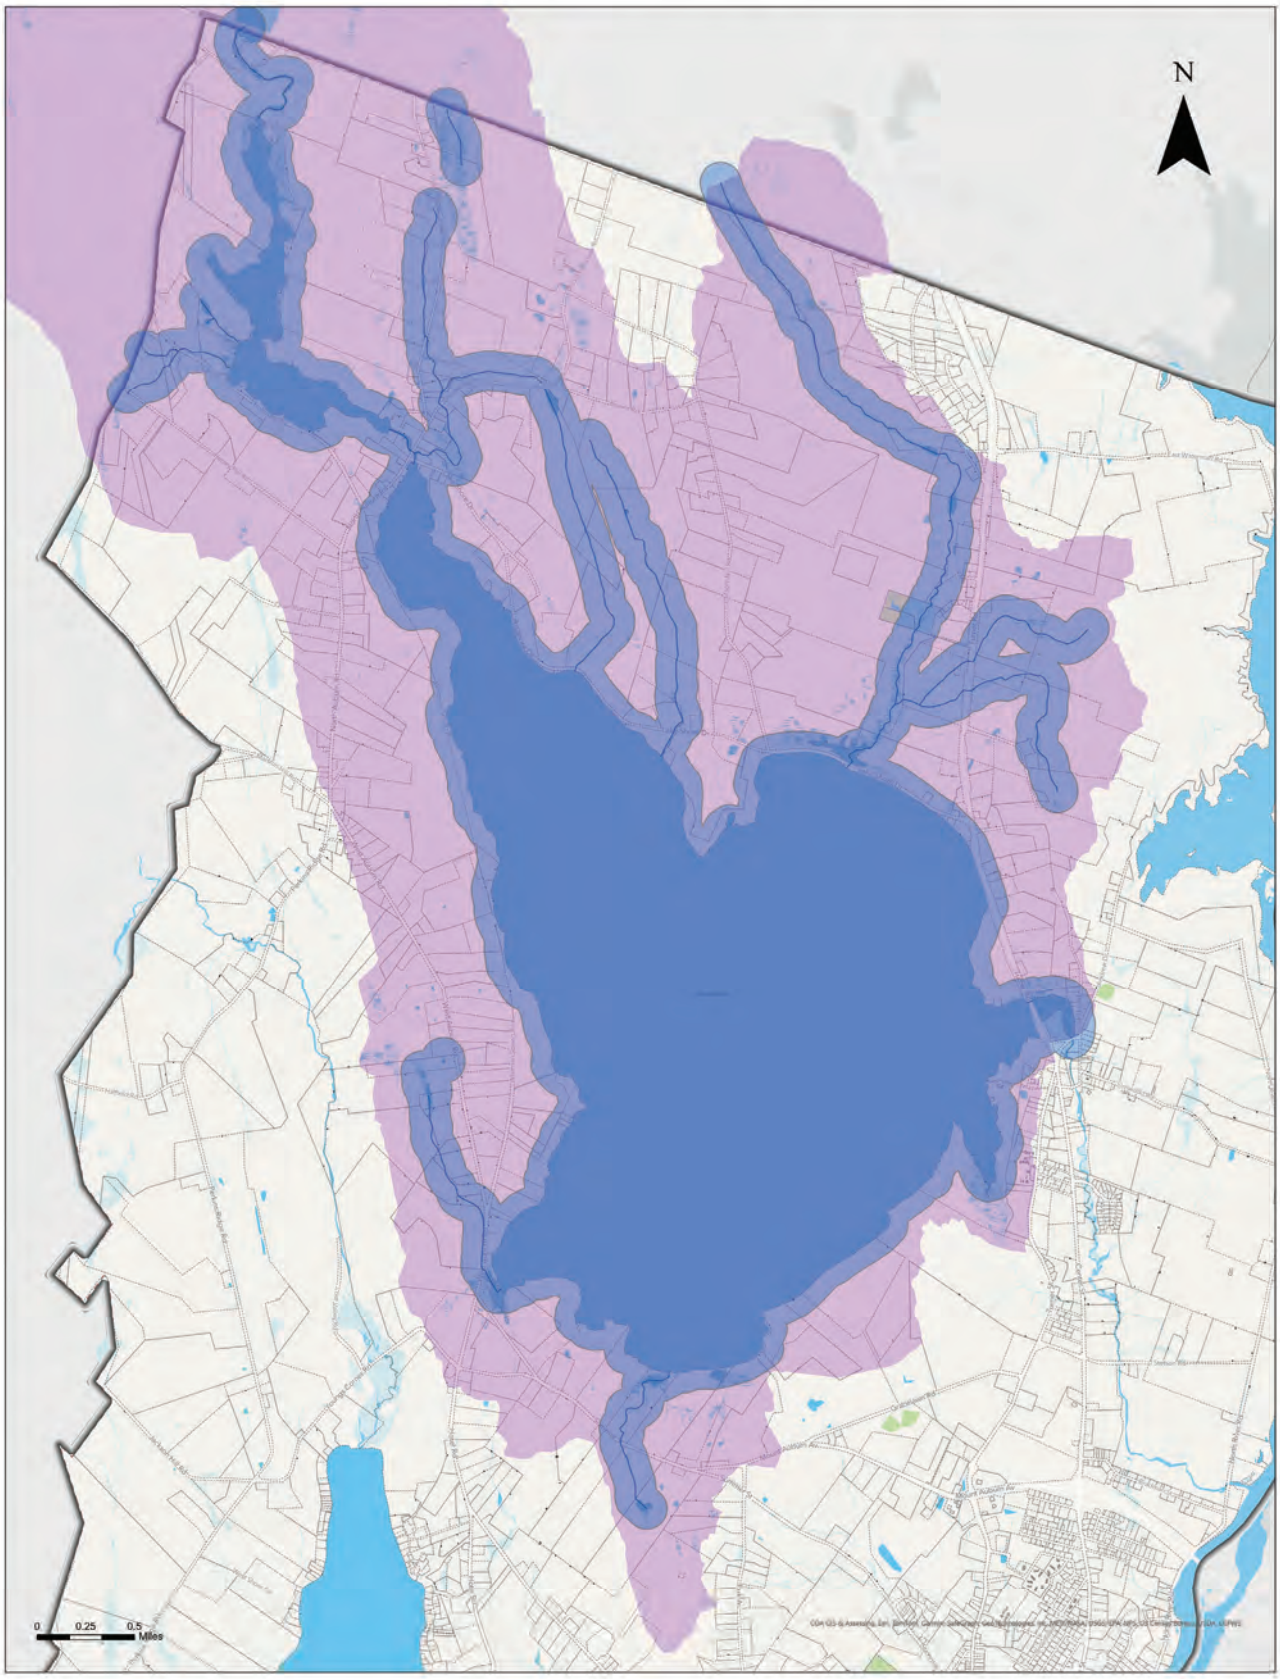
The city planning, permitting and code department shall have authority to enforce all requirements of this Division.

(Ord. of 9-21-2009, § 5.3C; Ord. No. 19-12022019, 12-9-2019; Ord. No. 10-06202023, 7-10-2023; Ord. No. 28-11202023, 12-4-2023)

Sec. 60-953. Dimensional regulations; building setbacks.

~~All~~ Any new or expanded buildings ~~and~~ or structures, except those requiring direct access to the water as an operational necessity, shall be constructed not less than ~~75~~ 100 feet inland from the normal high-water mark of Lake Auburn. Operational necessity shall include private docks, but shall not include boathouses, storage sheds, garages, or other structures. Marinas and boat rental facilities shall not be permitted within ~~75~~ 100 feet of the normal high-water mark of Lake Auburn.

(Ord. of 9-21-2009, § 5.3D)



Sec. 60-954. Conflicts.

In any case in which a provision of this section conflicts with a provision of any other section of this chapter, the provision which establishes the more stringent standard shall apply.

(Ord. of 9-21-2009, § 5.3E)

ORDER 71-05062024

City Council Order

IN CITY COUNCIL

Ordered, that the Auburn City Council Initiates consideration of an amendment from the Lake Auburn Stakeholders Group and refers the attached text and maps to the Auburn Planning Board for Public Hearing and a Recommendation pursuant to Chapter 60, Article XVII. Amendment include Chapter 60, Article II, Chapter 60, Article XIII, Division 2, Phosphorus Control, Chapter 60, Article IV, Division 3, Low Density Country Residential District, Chapter 60, Article XII, Division 4, Lake Auburn Watershed Overlay District and amendments to the Zoning Map. The intent is to consider text amendments that will strengthen the ordinance for protections to the Lake Auburn Watershed and the source water protection for the communities of Auburn and Lewiston which serves clean drinking water to 39,000 residents from Lake Auburn. The overlay maps will follow existing watershed/overlay boundaries that will assist in the septic inspection program and further define natural resource features for buffers. Materials for a Planning Board Public hearing has been completed based on the directive in Order 04-01022024.

Legal Business Entity Applicant Name (corporation, LLC): Giri Auburn 14 LLC	Business Name (D/B/A): Hilton Garden Inn Auburn Riverwatch
Individual or Sole Proprietor Applicant Name(s):	Physical Location: 14 Great Falls Plaza, Auburn, ME 04210
Individual or Sole Proprietor Applicant Name(s):	Mailing address, if different: 2300 Crown Colony Dr. Ste 203, Quincy MA 02169
Mailing address, if different from DBA address:	Email Address: msangani@girihotels.com
Telephone # Fax #:	Business Telephone # Fax #: 207-784-4433
Federal Tax Identification Number: 99-2164763	Maine Seller Certificate # or Sales Tax #: Applied
Retail Beverage Alcohol Dealers Permit:	Website address: www.girihotels.com

1. New license or renewal of existing license? ☑ New Expected Start date: _____
   ☐ Renewal Expiration Date: _____

2. The dollar amount of gross income for the licensure period that will end on the expiration date above: N/A New License.
   Food: _____ Beer, Wine or Spirits: _____ Guest Rooms: _____

3. Please indicate the type of alcoholic beverage to be sold: (check all that apply)
   ☒ Malt Liquor (beer) ☒ Wine ☒ Spirits

4. Indicate the type of license applying for: (choose only one)

☐	Restaurant (Class I, II, III, IV)	☐	Class A Restaurant/Lounge (Class XI)	☐	Class A Lounge (Class X)
☐	Hotel (Class I, II, III, IV)	☒	Hotel – Food Optional (Class I-A)	☐	Bed & Breakfast (Class V)
☐	Golf Course (included optional licenses, please check if apply) (Class I, II, III, IV)	☐	Auxiliary	☐	Mobile Cart
☐	Tavern (Class IV)	☐	Other: _____		
☐	Qualified Caterer	☐	Self-Sponsored Events (Qualified Caterers Only)		

Refer to Section V for the License Fee Schedule on page 9

5. Business records are located at the following address:

14 Great Falls Plaza, Auburn, ME 04210

6. Is the licensee/applicant(s) citizens of the United States? ☒ Yes ☐ No

7. Is the licensee/applicant(s) a resident of the State of Maine? ☐ Yes ☒ No

NOTE: Applicants that are not citizens of the United States are required to file for the license as a business entity.

8. Is licensee/applicant(s) a business entity like a corporation or limited liability company?

☒ Yes ☐ No If **Yes**, complete Section VII at the end of this application

9. For a licensee/applicant who is a business entity as noted in Section I, does any officer, director, member, manager, shareholder or partner have in any way an interest, directly or indirectly, in their capacity in any other business entity which is a holder of a wholesaler license granted by the State of Maine?

☐ Yes ☒ No

☐ Not applicable – licensee/applicant(s) is a sole proprietor

10. Is the licensee or applicant for a license receiving, directly or indirectly, any money, credit, thing of value, endorsement of commercial paper, guarantee of credit or financial assistance of any sort from any person or entity within or without the State, if the person or entity is engaged, directly or indirectly, in the manufacture, distribution, wholesale sale, storage or transportation of liquor.

☐ Yes ☒ No

If yes, please provide details: _____

_____

11. Do you own or have any interest in any another Maine Liquor License? ☐ Yes ☐ No

If yes, please list license number, business name, and complete physical location address: (attach additional pages as needed using the same format)

Name of Business	License Number	Complete Physical Address
Please see attached.		

12. List name, date of birth, place of birth for all applicants including any manager(s) employed by the licensee/applicant. Provide maiden name, if married. (attach additional pages as needed using the same format)

Full Name	DOB	Place of Birth
Please see attached.

13. Will any law enforcement officer directly benefit financially from this license, if issued?

☐ Yes ☒ No

If **Yes**, provide name of law enforcement officer and department where employed:

_____

14. Has the licensee/applicant(s) ever been convicted of any violation of the liquor laws in Maine or any State of the United States? ☐ Yes ☒ No

If Yes, please provide the following information and attach additional pages as needed using the same format.

Name: _____ Date of Conviction: _____

Offense: _____ Location: _____

Disposition: _____

15. Has the licensee/applicant(s) ever been convicted of any violation of any law, other than minor traffic violations, in Maine or any State of the United States? ☐ Yes ☒ No

If Yes, please provide the following information and attach additional pages as needed using the same format.

Name: _____ Date of Conviction: _____

Offense: _____ Location: _____

Disposition: _____

16. Has the licensee/applicant(s) formerly held a Maine liquor license? ☐ Yes ☒ No

17. Does the licensee/applicant(s) own the premises? ☒ Yes ☐ No

If No, please provide the name and address of the owner:

Upon purchasing - estimated closing May 2024

18. If you are applying for a liquor license for a Hotel or Bed & Breakfast, please provide the number of guest rooms available: 138.00

19. Please describe in detail the area(s) within the premises to be licensed. This description is in addition to the diagram in Section VI. (Use additional pages as needed)

74 seat dining room with 5,000 sq ft of conference space to include outdoor patio seatings

20. What is the distance from the premises to the **nearest** school, school dormitory, church, chapel or parish house, measured from the main entrance of the premises to the main entrance of the school, school dormitory, church, chapel or parish house by the ordinary course of travel?

Name: Church

Distance: 0.13

Section II: Signature of Applicant(s)

By signing this application, the licensee/applicant understands that false statements made on this application are punishable by law. Knowingly supplying false information on this application is a Class D Offense under Maine's Criminal Code, punishable by confinement of up to one year, or by monetary fine of up to $2,000 or by both.

Please sign and date in blue ink.

Section III: For use by Municipal Officers and County Commissioners only

The undersigned hereby certifies that we have complied with the process outlined in 28-A M.R.S. §653 and approve this on-premises liquor license application.

Dated: _____

Who is approving this application? ☐ Municipal Officers of _____

☐ County Commissioners of _____ County

☐ **Please Note:** The Municipal Officers or County Commissioners must confirm that the records of Local Option Votes have been verified that allows this type of establishment to be licensed by the Bureau for the type of alcohol to be sold for the appropriate days of the week. Please check this box to indicate this verification was completed.

Signature of Officials	Printed Name and Title

This Application will Expire 60 Days from the date of Municipal or County Approval unless submitted to the Bureau

Included below is the section of Maine's liquor laws regarding the approval process by the municipalities or the county commissioners. This is provided as a courtesy only and may not reflect the law in effect at the time of application. Please see http://www.mainelegislature.org/legis/statutes/28-A/title28-Asec653.html

§653. Hearings; bureau review; appeal

1. Hearings. The municipal officers or, in the case of unincorporated places, the county commissioners of the county in which the unincorporated place is located, may hold a public hearing for the consideration of applications for new on-premises licenses and applications for transfer of location of existing on-premises licenses. The municipal officers or county commissioners may hold a public hearing for the consideration of requests for renewal of licenses, except that when an applicant has held a license for the prior 5 years and a complaint has not been filed against the applicant within that time, the applicant may request a waiver of the hearing.

A. The bureau shall prepare and supply application forms.

B. The municipal officers or the county commissioners, as the case may be, shall provide public notice of any hearing held under this section by causing a notice, at the applicant's prepaid expense, stating the name and place of hearing, to appear on at least 3 consecutive days before the date of hearing in a daily newspaper having general circulation in the municipality where the premises are located or one week before the date of the hearing in a weekly newspaper having general circulation in the municipality where the premises are located.

C. If the municipal officers or the county commissioners, as the case may be, fail to take final action on an application for a new on-premises license or transfer of the location of an existing on-premises license within 60 days of the filing of an application, the application is deemed approved and ready for action by the bureau. For purposes of this paragraph, the date of filing of the application is the date the application is received by the municipal officers or county commissioners. This paragraph applies to all applications pending before municipal officers or county commissioners as of the effective date of this paragraph as well as all applications filed on or after the effective date of this paragraph. This paragraph applies to an existing on-premises license that has been extended pending renewal. The municipal officers or the county commissioners shall take final action on an on-premises license that has been extended pending renewal within 120 days of the filing of the application.

D. If an application is approved by the municipal officers or the county commissioners but the bureau finds, after inspection of the premises and the records of the applicant, that the applicant does not qualify for the class of license applied for, the bureau shall notify the applicant of that fact in writing. The bureau shall give the applicant 30 days to file an amended application for the appropriate class of license, accompanied by any additional license fee, with the municipal officers or county commissioners, as the case may be. If the applicant fails to file an amended application within 30 days, the original application must be denied by the bureau. The bureau shall notify the applicant in writing of its decision to deny the application including the reasons for the denial and the rights of appeal of the applicant.

2. Findings. In granting or denying an application, the municipal officers or the county commissioners shall indicate the reasons for their decision and provide a copy to the applicant. A license may be denied on one or more of the following grounds:

A. Conviction of the applicant of any Class A, Class B or Class C crime;

B. Noncompliance of the licensed premises or its use with any local zoning ordinance or other land use ordinance not directly related to liquor control;

C. Conditions of record such as waste disposal violations, health or safety violations or repeated parking or traffic violations on or in the vicinity of the licensed premises and caused by persons patronizing or employed by the licensed premises or other such conditions caused by persons patronizing or employed by the licensed premises that unreasonably disturb, interfere with or affect the ability of persons or businesses residing or located in the vicinity of the licensed premises to use their property in a reasonable manner;

D. Repeated incidents of record of breaches of the peace, disorderly conduct, vandalism or other violations of law on or in the vicinity of the licensed premises and caused by persons patronizing or employed by the licensed premises;

D-1. Failure to obtain, or comply with the provisions of, a permit for music, dancing or entertainment required by a municipality or, in the case of an unincorporated place, the county commissioners;

E. A violation of any provision of this Title;

F. A determination by the municipal officers or county commissioners that the purpose of the application is to circumvent the provisions of section 601; and

G. After September 1, 2010, server training, in a program certified by the bureau and required by local ordinance, has not been completed by individuals who serve alcoholic beverages.

3. Appeal to bureau. Any applicant aggrieved by the decision of the municipal officers or county commissioners under this section may appeal to the bureau within 15 days of the receipt of the written decision of the municipal officers or county commissioners. The bureau shall hold a public hearing in the city, town or unincorporated place where the premises are situated. In acting on such an appeal, the bureau may consider all licensure requirements and findings referred to in subsection 2.

A. Repealed

B. If the decision appealed from is an application denial, the bureau may issue the license only if it finds by clear and convincing evidence that the decision was without justifiable cause.

4. Repealed

5. Appeal to District Court. Any person or governmental entity aggrieved by a bureau decision under this section may appeal the decision to the District Court within 30 days of receipt of the written decision of the bureau.

An applicant who files an appeal or who has an appeal pending shall pay the annual license fee the applicant would otherwise pay. Upon resolution of the appeal, if an applicant's license renewal is denied, the bureau shall refund the applicant the prorated amount of the unused license fee.

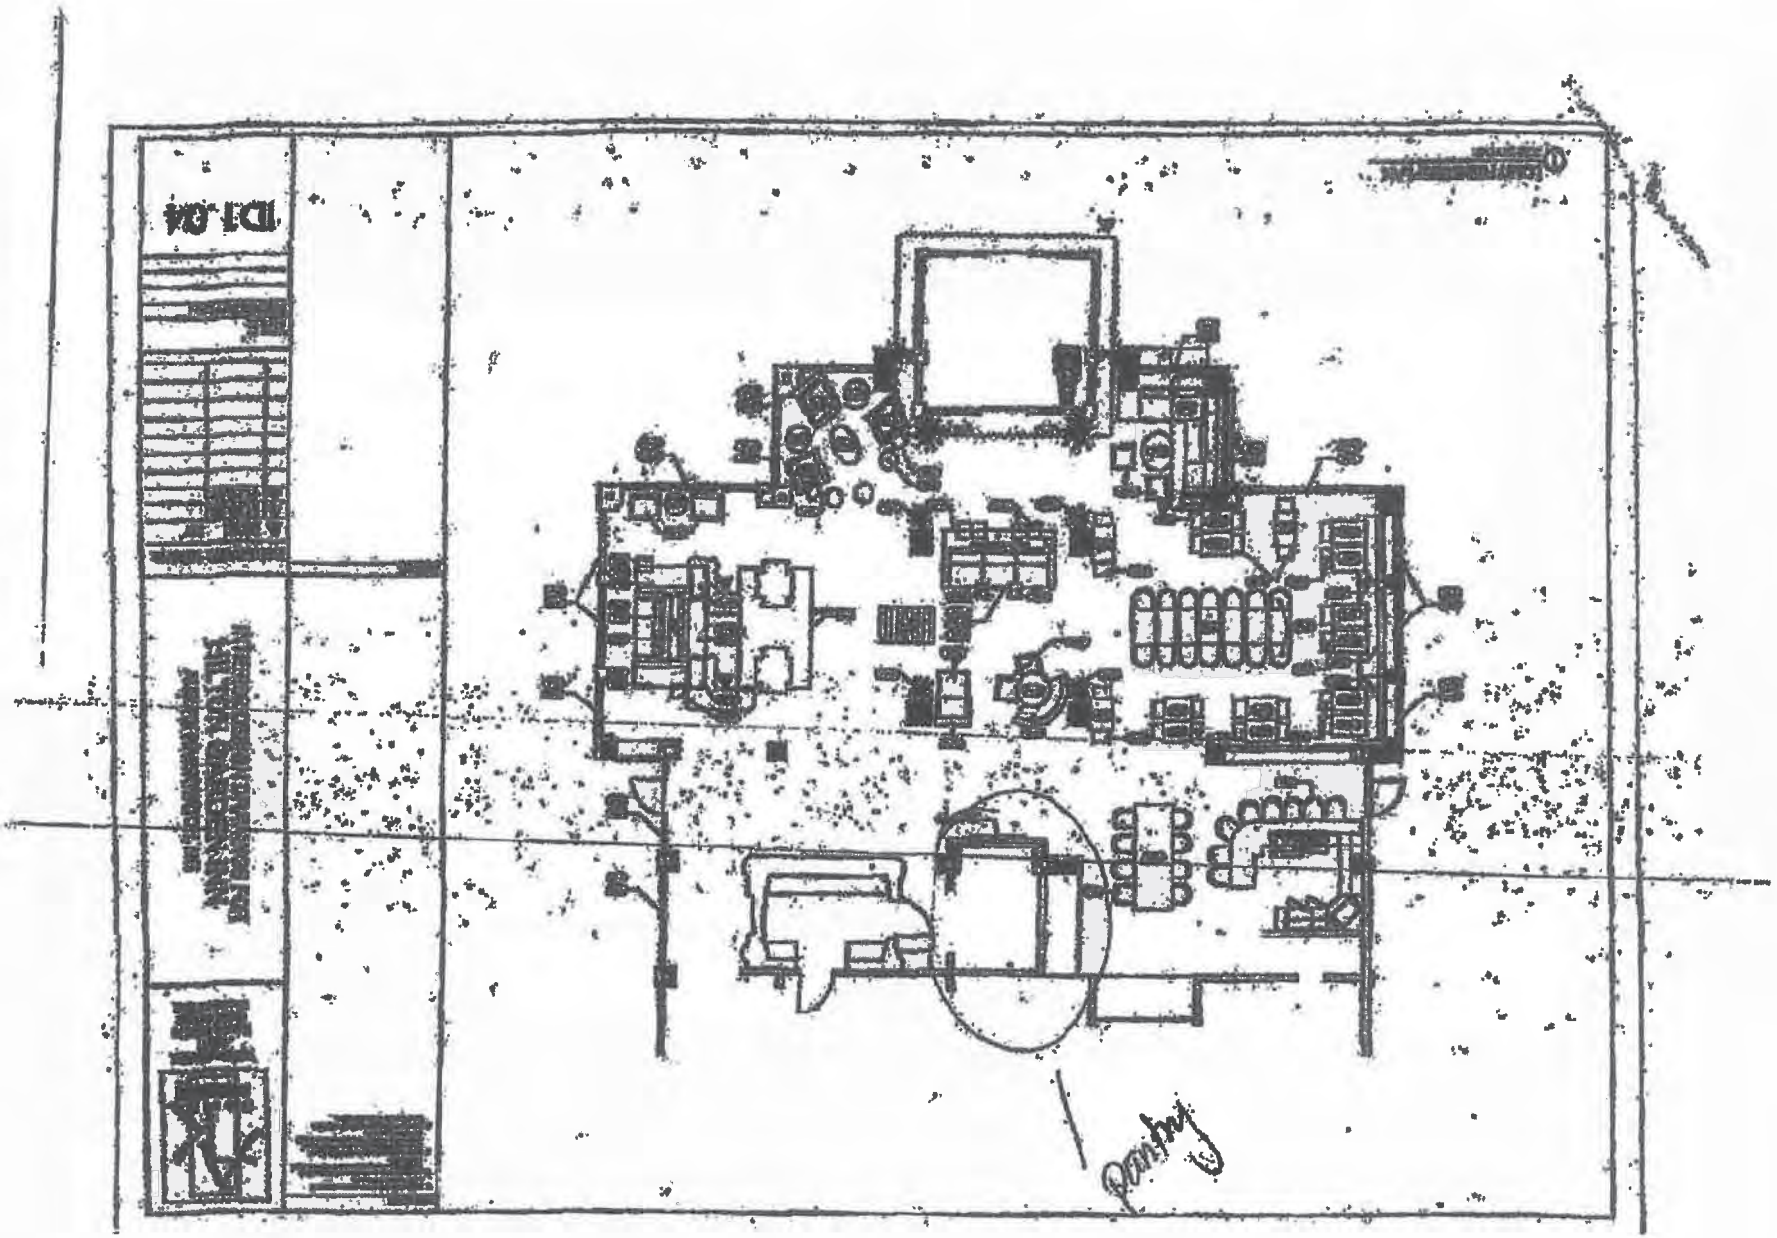
Section IV: Terms and Conditions of Licensure as an Establishment that sells liquor for on-premises consumption in Maine

- The licensee/applicant(s) agrees to be bound by and comply with the laws, rules and instructions promulgated by the Bureau.
- The licensee/applicant(s) agrees to maintain accurate records related to an on-premise license as required by the law, rules and instructions promulgated or issued by the Bureau if a license is issued as a result of this application.
    - The licensee/applicant(s) authorizes the Bureau to obtain and examine all books, records and tax returns pertaining to the business, for which this liquor license is requested, and also any books, records and returns during the year in which any liquor license is in effect.
- Any change in the licensee's/applicant's licensed premises as defined in this application must be approved by the Bureau in advance.
- All new applicants must apply to the Alcohol and Tobacco Tax and Trade Bureau (TTB) for its Retail Beverage Alcohol Dealers permit. See the TTB's website at https://www.ttb.gov/nrc/retail-beverage-alcohol-dealers for more information.

Section V: Fee Schedule

Filing fee required. In addition to the license fees listed below, a filing fee of $10.00 must be included with all applications.

Please note: For Licensees/Applicants in unorganized territories in Maine, the $10.00 filing fee must be paid directly to County Treasurer. All applications received by the Bureau from licensees/applicants in unorganized territories must submit proof of payment was made to the County Treasurer together with the application.



Class of License	Type of liquor/Establishments included	Fee
Class I	**For the sale of liquor (malt liquor, wine and spirits)**	$ 900.00

	This class includes only a Class A Lounge	
Class XI	**For the sale of liquor (malt liquor, wine and spirits)**	$1,500.00
	This class includes only a Restaurant Lounge	

Section VI Premises Floor Plan

In an effort to clearly define your license premise and the areas that consumption and storage of liquor authorized by your license type is allowed, the Bureau requires all applications to include a diagram of the premise to be licensed.

Diagrams should be submitted on this form and should be as accurate as possible. Be sure to label the following areas: entrances, office area, coolers, storage areas, display cases, shelves, restroom, point of sale area, area for on-premise consumption, dining rooms, event/function rooms, lounges, outside area/decks or any other areas on the premise that you are requesting approval. Attached an additional page as needed to fully describe the premise.

Please See Attached.

CITY OF AUBURN
NOTICE OF PUBLIC HEARING

A public hearing will be held by the Auburn City Council on May 06, 2024, at 7:00 p.m. or as soon as possible thereafter, in the Council Chambers of Auburn Hall, 60 Court Street, to consider the Liquor License application for the new owners of:

Giri Auburn 14 LLC., DBA Hilton Garden Inn, Auburn Riverwatch – 14 Great Falls Plaza

All interested persons may appear and will be given the opportunity to be heard before final action is taken.

ORDER 72-05062024

City Council Order

IN CITY COUNCIL

Ordered, that the City Council hereby approves the Liquor License for Giri Auburn 14 LLC., DBA Hilton Garden Inn Auburn Riverwatch located at 14 Great Falls Plaza.

Richard S. Whiting, Ward One
Benjamin J. Weisner, Ward Four

City of Auburn
City Council Information Sheet

Council Workshop or Meeting Date: May 6, 2024 **Order:** 73-05062024

Author: Emily F. Carrington, City Clerk

Subject: Appointing Emily F. Carrington as Registrar of Voters for the City of Auburn

---

Information: The City Council must appoint a Registrar of Voters as outlined in Title 21-A, section 101. The previous City Clerk was appointed as Registrar of Voters with a term expiration of 12/31/2024. This is to fill the remainder of that term.

21-A, Sec. 101 - The municipal officers of each municipality shall appoint in writing a qualified registrar of voters by January 1st of each odd-numbered year. The registrar shall serve for 2 years and until a successor is appointed and sworn. The municipal clerk may be appointed to serve as registrar, but the term of the clerk has no effect on the term of the registrar. If the clerk is not appointed to serve as registrar, the clerk must be appointed by the registrar to serve as a deputy registrar and has the same authority as the registrar to make determinations of voter eligibility and to perform the duties of voter registration as provided in this Title.

City Budgetary Impacts: None

Staff Recommended Action: Motion for passage.

Previous Meetings and History: December 19, 2022, Order 161-12192022

City Manager Comments:

I concur with the recommendation. Signature: Phillip Crowell J.

Monthly Financial Report
January 2024

Authored by: Kelsey Earle

To: Honorable Mayor, Members of the City Council and City Manager
Subject: Financial Report for the Month Ending January 31, 2024

I respectfully submit the financial summaries of the revenue and expenditure activities for the City during the month ended January 31, 2024.

Please note that although the monthly financial report contains amounts reported by the School Department, this discussion is limited to the City's financial results and does not attempt to explain any variances for the School Department. The City has completed its seventh month of the current fiscal year. As a guideline for tracking purposes, revenues and expenditures should amount to approximately 58.3% of the annual budget. However, not all costs and revenues are distributed evenly throughout the year; individual line items can vary based upon cyclical activity.

General Fund Highlights

Revenues

• Total revenues collected through January 2024 were **$41.9M** or **56.79%** of budgeted general fund revenue, as compared to **$40.6M** of actual revenues through January 2023.

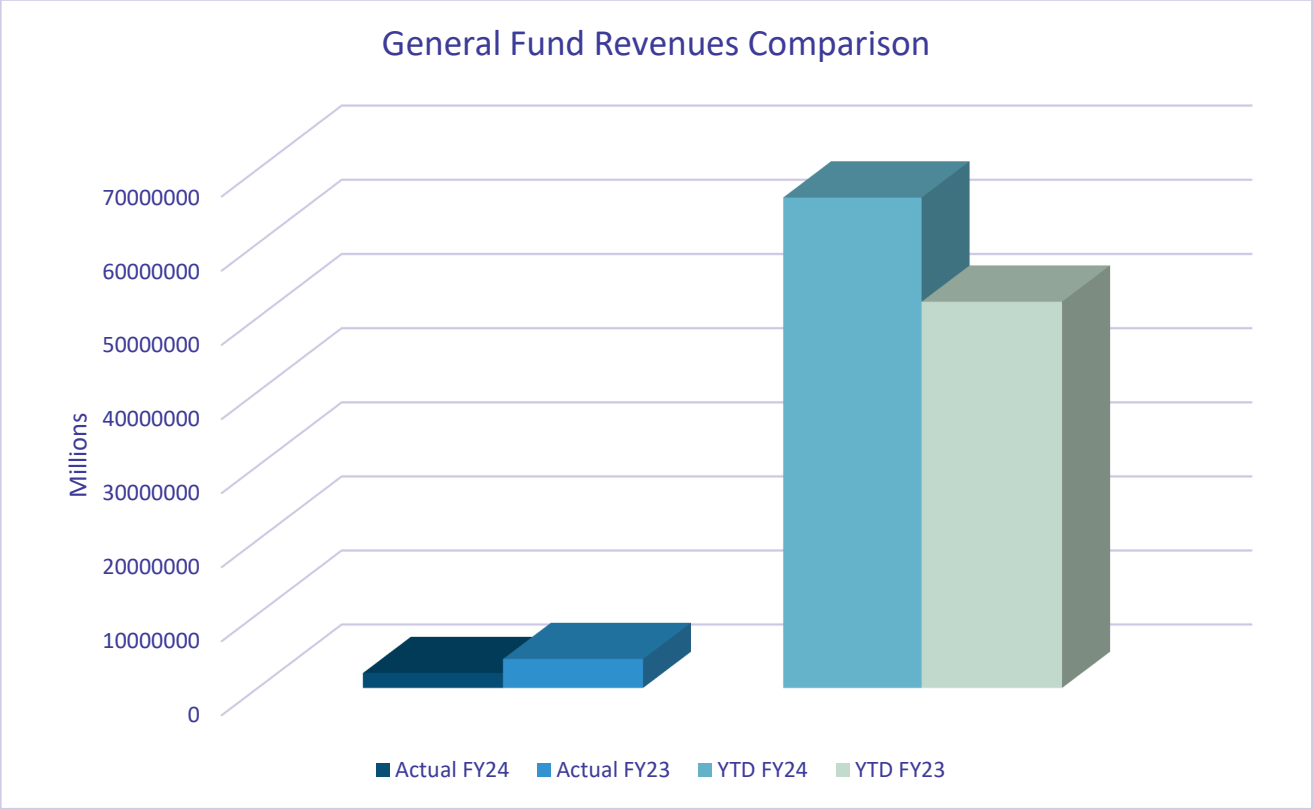
•Year-to-date tax revenues of **$32.2M** were **1.22% higher** than the prior year.

•Investment returns were significant at **$243,223** or **19.55% higher** than FY23.

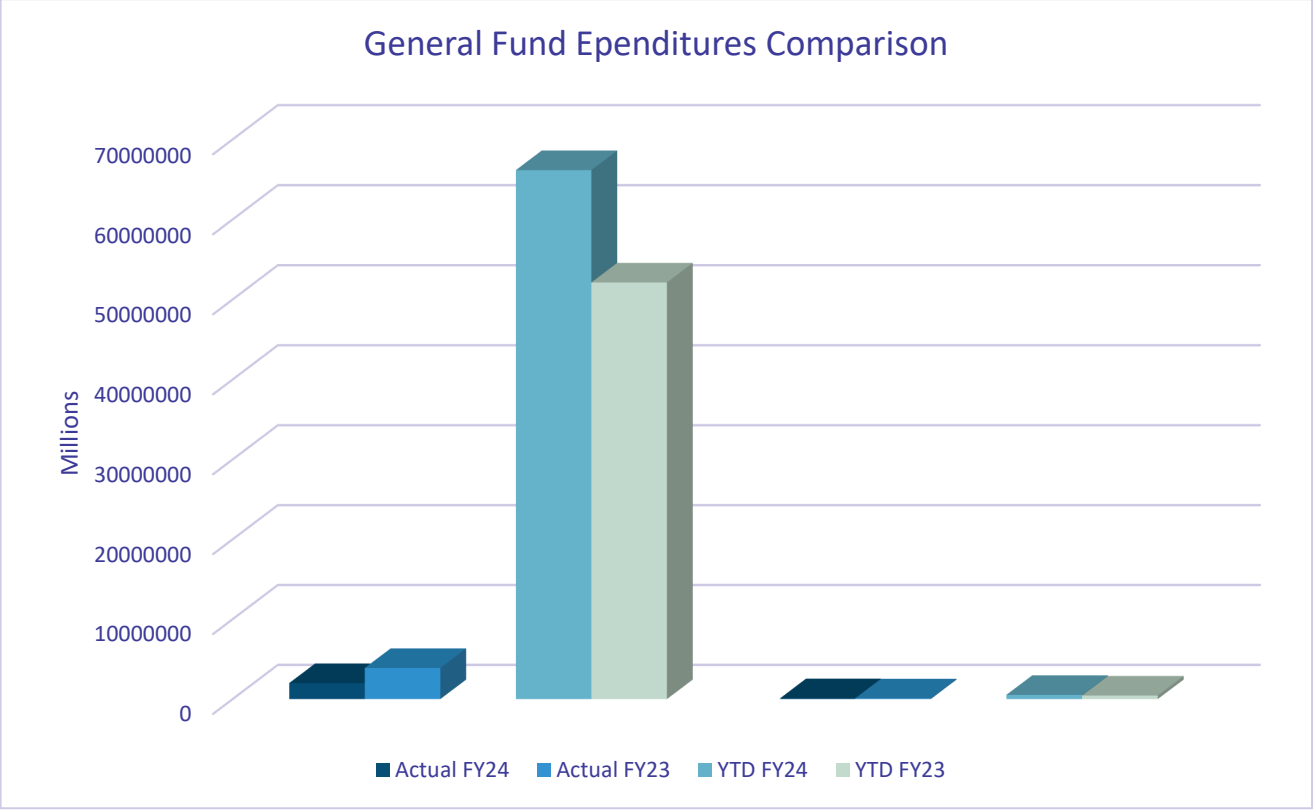
• An increase in State Revenue Sharing also contributed to the increase in revenue comparisons from the same period.

Expenditures

• Expenditures through January 2024 were **$60,523,057M** or **53.09%** of the budget, as compared to **$54,780,902** of actual expenditures through January 2023.



Respectfully submitted,



Kelsey L. D. Earle

Kelsey L. D. Earle
Finance Director

General Fund

for the Period Ended January 31, 2024

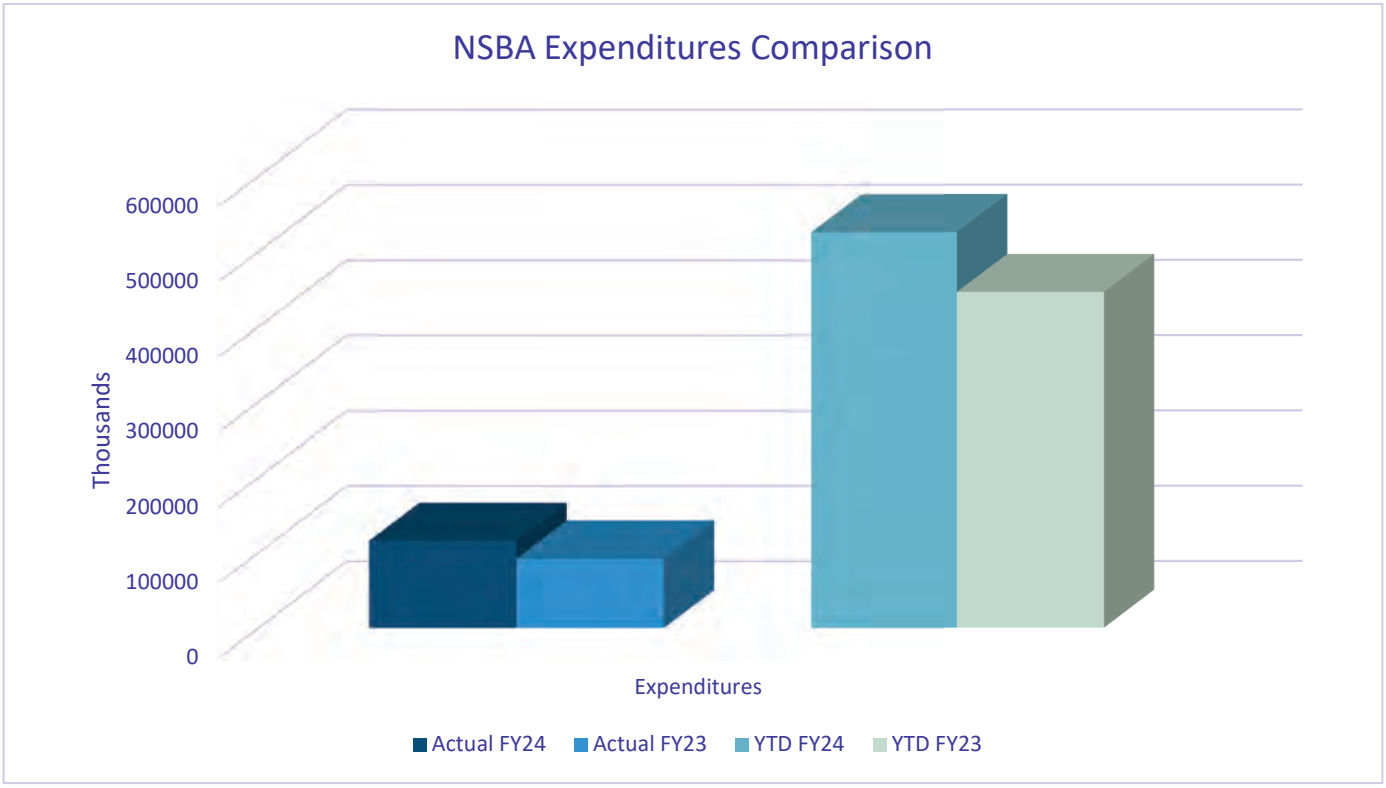
Norway Savings Bank Arena

for the Period Ended January 31, 2024

As of January 2024, Norway Arena had an operating gain YTD of $148,514.



Revenues:

The operating revenues for Norway Arena through January 2024 are $509,227. This revenue comes from concessions, sign advertisements, pro shop lease, youth programming, shinny hockey, public skating and ice rentals. Table 1 reflects revenues collected for the current year with comparison for the same period a year ago. Total revenues represent a 10.47% increase over FY23.

Expenditures:

The operating expenses for Norway Arena through January 2024 were $525,511. These expenses include personnel costs, supplies, utilities, repairs, capital purchases and maintenance. Table 2 reflects expenditures for the current year with comparison for the same period a year ago. Total expenditures represent a 17.86% increase over FY23, consistent with increased cost of services and goods.

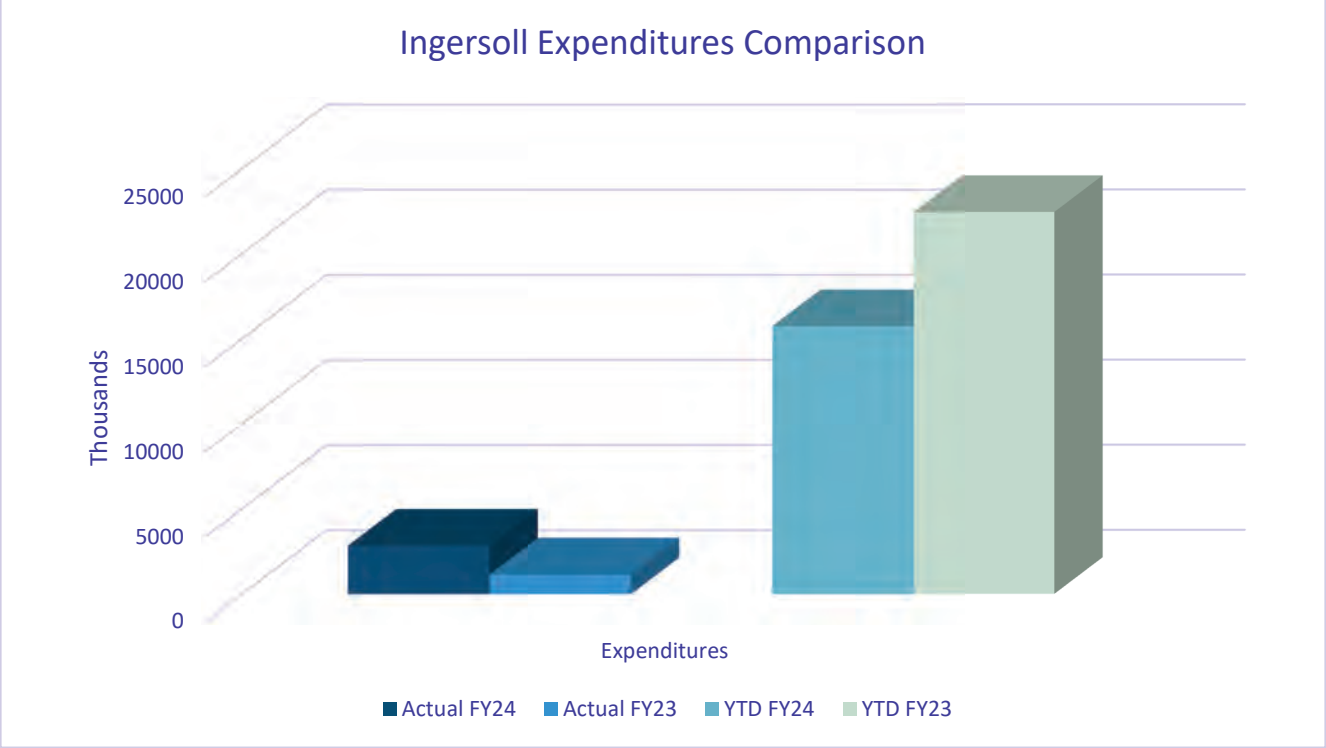
Ingersoll Turf Facility

for the Period Ended January 31, 2024

As of January 2024, Ingersoll Turf Facility had an operating gain YTD of $93,799.

Revenues:



The operating revenues for Ingersoll through January 2024 are $109,546. This revenue comes from the sponsorships, programs, rental income and batting cages. Table 1 reflects revenues collected for the current year with comparison for the same period a year ago. Total revenues represent a 8.84% increase over FY23.

Expenditures:

The operating expenses for Ingersoll through January 2024 were $15,747. These expenses include supplies, repairs, capital purchases and maintenance. Table 2 reflects

expenditures for the current year with comparison for the same period a year ago. Total expenditures represent a 70% decrease over FY23, consistent with increased cost of services and goods.

4. **Order 77-05202024 –** Authorizing the City Clerk to waive the $200 business license fee for Auburn Suburban Baseball and Softball. *Passage requires majority vote.*

5. **Resolve 05-05202024** - Approving the Auburn Water District bond request in the amount of $626,939 to be used for the purchase of a Vactor Truck. *Passage requires majority vote.*

VII. Open Session - *Members of the public are invited to speak to the Council about any issue directly related to City business or any item that does not appear on the agenda*

VIII. Reports

a. **Mayor's Report**
b. **City Councilors' Reports**
c. **City Manager Report**
d. **February 2024 Finance Report** – Kelsey Earle, Finance Director

IX. Executive Session

X. Adjournment

City of Auburn
City Council Information Sheet

Council Workshop or Meeting Date: May 20, 2024

Author: Kelsey Earle, Finance Director

Subject: FY25 CIP Final Review

Information: City Manager Phil Crowell will provide information to the Mayor and City Council regarding the proposed FY25 Capital Improvement Plan (CIP) for final review, with first reading scheduled for the June 3rd meeting.

City Budgetary Impacts: None at this time.

Staff Recommended Action: Review the proposed FY25 CIP plan/projects.

Previous Meetings and History: The 5 Year CIP Plan was discussed at several workshops and adopted at the 4/1/2024 Council meeting.

City Manager Comments:

I concur with the recommendation. Signature: Phillip Crowell Jr.

Attachments:

City of Auburn
City Council Information Sheet

Council Workshop or Meeting Date: May 20, 2024 **Order:** Workshop Item

Author: Eric J. Cousens, Planning and Permitting Director

Subject: Fee Schedule Amendment-Fee Reimbursement/Refunds

Information: The Council recently removed the fee schedule from the ordinance and adopted it by order. That action was recommended by legal counsel and staff as it will make it easier for the Council to amend the schedule with a single vote in the future. Adopting the fee schedule by order is a common approach to managing fee schedules. This discussion started when a petitioned zoning change was denied by the Council and at least two councilors wanted to consider a refund of the petition fee that was not permissible in the existing ordinance.

The attached draft amendment to the fee schedule would establish a process where the Council would be authorized to issue fee reimbursements for zoning petitions. It also reorganizes all reimbursement policies to a single part of the policy and makes some clerical edits.

Staff is concerned that the amendment would promote more zoning petitions if the petition circulator knew the cost would be reimbursed if it did not pass. Processing a petition requires research, Planning Board preparation and public hearing, preparation for Council public hearing and two readings, including public notice expenses and mailings. Staff did not find another community that reimburses zoning petition fees but did note that we are relatively low cost for fees compared to other Cities.

City Budgetary Impacts: None.

Staff Recommended Action: Discuss and determine if a majority of the Council wishes to see this on a future agenda for consideration and adoption.

Previous Meetings and History: Previous discussion on fee schedule movement from ordinance to policy.

City Manager Comments:

I concur with the recommendation. Signature: Phillip Crowell J.

Attachments: Draft fee schedule Amendments, other community examples.

Appendix A FEES AND CHARGES[1]

Administrative

Notary fee10.00

Copy fee, per page (8.5 x 11 black and white)0.10

Animals

Dog license fees:

Required advertising (unless otherwise specifically provided above)100.00

Other General Information:

- Applicants are responsible for the cost of all public hearing advertisements and background checks required for various licenses. Failure to list that additional expense in the fee schedule shall not eliminate that requirement from the licensing process.
- Applicants are responsible for providing background checks, not older than 3 days prior to submission of application for all licenses that require such checks or, alternatively, applicants may pay $100.00 to the city with the application to cover the cost of the background check.
- License fees established in this appendix include two routine or pre-operational inspections and one follow-up inspection. When additional inspections are required, the city may charge an additional $100.00 per inspection to cover the costs of each additional inspection or visit.
- All first time applications must be made in person, unless otherwise specifically stated herein.
- All on-line licenses will receive a 10% discount unless otherwise indicated herein.
- No on-line renewal of liquor licenses, special amusement licenses, or tattoo or massage licenses is permitted.
- ~~Residential construction. A veteran/widow/widower of a veteran or contractor on behalf of a veteran/widow/widower of a veteran seeking to build new construction or to rehabilitate an existing property will have all fees waived/reimbursed at time of permit approval. This applies to owner occupied single family and multifamily units, up to 3 unit structures. This does not apply to state fees administered by the city.~~
- ~~Commercial construction. A veteran owned business* or subcontractor hired by a veteran owned business*, will be entitled to a 50% fee reduction/reimbursement for new construction or rehabilitation of an existing property at the time of permit approval. This does not apply to state fees administered by the city.~~

~~* Veterans honorably discharged from federal service, must present DD-214 to economic, and community development office for fees to be waived.~~

~~** Veteran owned business as defined by the SBA being a corporation in which 51% of the shares of the company are owned by a veteran.~~

Fee refund, reimbursement & waiver policy:

Residential construction. A veteran/widow/widower of a veteran or contractor on behalf of a veteran/widow/widower of a veteran seeking to build new construction or to rehabilitate an existing property will have all fees waived/reimbursed at time of permit approval. This applies to owner occupied single family and multifamily units, up to 3 unit structures. This does not apply to state plumbing fees administered by the city.

Commercial construction. A veteran owned business* or subcontractor hired by a veteran owned business* will be entitled to a 50% fee reduction/reimbursement for new construction or rehabilitation of an existing property at the time of permit approval. This does not apply to state plumbing fees administered by the city.

* Veterans honorably discharged from federal service, must present DD-214 to economic, and community development office for fees to be waived.

** Veteran owned business as defined by the SBA being a corporation in which 51% of the shares of the company are owned by a veteran.

Building permit fee reimbursement policy: In the event that the recipient of a building permit does not undertake any of the building activity associated with a given permit, he/she may submit a written request to the director of planning and permitting for the reimbursement within six months of the issuance of said permit, and if no work associated with said permit was commenced, 75 percent of the permit fee will be reimbursed. The city shall retain 25 percent of the permit fee to provide compensation for the costs associated with issuance of said permit and to process reimbursement.

Floodplain Overlay District: A non-refundable application fee of $50.00 for all minor development and $100.00 for all new construction or substantial improvements shall be paid to the city. (Sec. 60-895).

Zoning text or map amendment requests: In the event that the applicant for a zoning text or map amendment does not receive approval, the base fees may be reimbursed. The applicant must submit a request to the city clerk within 30 days of the date of the denial. The city council shall consider the request within 30 days at a regular city council meeting and may approve by majority vote to authorize the reimbursement. The additional cost for required advertising is not reimbursable.

Business licenses: The city council is the only authority allowed to waive fees prescribed by ordinance. An application for waiver of any fees must be presented in writing to the city clerk to be brought to the city council at its next available meeting. (Sec. 14-31)
In case an application is disapproved, the city clerk or designee shall then notify the applicant in writing of such denial and shall refund the fee paid in. The city clerk or designee shall also notify the city council of such action at the next regularly scheduled meeting of the city council. (Sec. 14-38)

Mass gatherings and events: An appeal for waiver of fees or surety bond may be made in writing to the city council. The city council may waive the permit fee or surety bond, when it determines that such waiver will not compromise the purpose or enforcement of this article. (Sec. 14-261).

Refund, Reimbursement, or Waiver Policies – Zoning Text or Map Changes

City/Town	Population	Fee	Policy
Biddeford	22,450	$1,300 (text or map) + $75 administrative fee	Non-refundable (Code).
Lewiston	38,500	$400 (text or map) + plus required advertising	No refund/reimbursement policy.
Bangor	31,600	Map: $664-$1,060 Text: $1,590-$2,193 + plus required advertising	No refund/reimbursement policy found.
South Portland	27,000	$1,000 (map or text) + $200 pre-application meeting + application fee	Does not allow refunds/reimbursements.
Portland	68,400	$7,500 (map or text) / $10,000 map & text combined	The fee for text or zoning map amendment applications may be waived or reduced by the Planning Authority in the case of an application submitted by a governmental body or where an applicant can establish financial hardship. If a text or zoning map amendment application is withdrawn by an applicant prior to the submission of the advertisement copy to the newspaper to announce the public hearing, a refund of half of the amount of the application fee will be made to the applicant by the City provided that all costs incurred by the City have been paid in full by the applicant. Application fee is non-refundable. (Code).
Auburn	24,200	$400 (map or text) + advertising fees ($300)	

City of Auburn
City Council Information Sheet

Council Workshop or Meeting Date: May 20, 2024

Subject: Executive Session

Information: Executive Session pursuant to 1 M.R.S.A. Section 405(6) (D) to discuss a School Union contract.

Executive Session: On occasion, the City Council discusses matters which are required or allowed by State law to be considered in executive session. Executive sessions are not open to the public. The matters that are discussed in executive session are required to be kept confidential until they become a matter of public discussion. In order to go into executive session, a Councilor must make a motion in public. The motion must be recorded, and 3/5 of the members of the Council must vote to go into executive session. An executive session is not required to be scheduled in advance as an agenda item, although when it is known at the time that the agenda is finalized, it will be listed on the agenda. The only topics which may be discussed in executive session are those that fall within one of the categories set forth in Title 1 M.R.S.A. Section 405(6). Those applicable to municipal government are:

A. Discussion or consideration of the employment, appointment, assignment, duties, promotion, demotion, compensation, evaluation, disciplining, resignation or dismissal of an individual or group of public officials, appointees or employees of the body or agency or the investigation or hearing of charges or complaints against a person or persons subject to the following conditions:
(1) An executive session may be held only if public discussion could be reasonably expected to cause damage to the individual's reputation or the individual's right to privacy would be violated;
(2) Any person charged or investigated must be permitted to be present at an executive session if that person so desires;
(3) Any person charged or investigated may request in writing that the investigation or hearing of charges or complaints against that person be conducted in open session. A request, if made to the agency, must be honored; and
(4) Any person bringing charges, complaints or allegations of misconduct against the individual under discussion must be permitted to be present. This paragraph does not apply to discussion of a budget or budget proposal;

B. Discussion or consideration by a school board of suspension or expulsion of a public school student or a student at a private school, the cost of whose education is paid from public funds, as long as:
(1) The student and legal counsel and, if the student is a minor, the student's parents or legal guardians are permitted to be present at an executive session if the student, parents or guardians so desire;

C. Discussion or consideration of the condition, acquisition or the use of real or personal property permanently attached to real property or interests therein or disposition of publicly held property or economic development only if premature disclosures of the information would prejudice the competitive or bargaining position of the body or agency;

D. Discussion of labor contracts and proposals and meetings between a public agency and its negotiators. The parties must be named before the body or agency may go into executive session. Negotiations between the representatives of a public employer and public employees may be open to the public if both parties agree to conduct negotiations in open sessions;

E. Consultations between a body or agency and its attorney concerning the legal rights and duties of the body or agency, pending or contemplated litigation, settlement offers and matters where the duties of the public body's or agency's counsel to the attorney's client pursuant to the code of professional responsibility clearly conflict with this subchapter or where premature general public knowledge would clearly place the State, municipality or other public agency or person at a substantial disadvantage;

F. Discussions of information contained in records made, maintained or received by a body or agency when access by the general public to those records is prohibited by statute;

G. Discussion or approval of the content of examinations administered by a body or agency for licensing, permitting or employment purposes; consultation between a body or agency and any entity that provides examination services to that body or agency regarding the content of an examination; and review of examinations with the person examined; and

H. Consultations between municipal officers and a code enforcement officer representing the municipality pursuant to Title 30-A, section 4452, subsection 1, paragraph C in the prosecution of an enforcement matter pending in District Court when the consultation relates to that pending enforcement matter.

IN COUNCIL WORKSHOP MAY 6, 2024 VOL 37 PAGE 158

5:30 PM Workshop - Executive Session
Councilor Walker moved to enter Executive Session pursuant to 1 MRSA 405(6)(E) to discuss a legal matter. Milks seconded motion to enter Executive Session. Motion passed 7-0. City Council came out of Executive Session at 6:40pm.

IN COUNCIL REGULAR MEETING MAY 6, 2024 VOL 37 PAGE 158

Mayor Harmon called the meeting to order at 7:00 P.M. in the Council Chambers of Auburn Hall and led the assembly in the salute to the flag. All Councilors were present.

3.
4. **Order 55-05062024* -** Appointing Emmanual Babine to serve on the Zoning Board of Appeals with a term expiration of 5/1/2025, as nominated by the Appointment Committee.

5. **Order 56-05062024* -** Appointing Katie Boss to serve on the Zoning Board of Appeals with a term expiration of 5/1/2026, as nominated by the Appointment Committee.

6. **Order 57-05062024* -** Appointing Michael Dixon to serve on the Zoning Board of Appeals with a term expiration of 5/1/2027, as nominated by the Appointment Committee.

7. **Order 58-05062024* -** Appointing Stanwood "Joe" Gray to serve on the Zoning Board of Appeals with a term expiration of 5/1/2027, as nominated by the Appointment Committee.

8. **Order 59-05062024* -** Appointing Chelsea Eaton to serve on the Zoning Board of Appeals with a term expiration of 5/1/2026, as nominated by the Appointment Committee.

9. **Order 60-05062024* -** Appointing Gerald Samson to serve on the Zoning Board of Appeals with a term expiration of 5/1/2025, as nominated by the Appointment Committee.

10. **Order 61-05062024* -** Appointing Elisabeth Collier to serve on the Board of Assessment with a term expiration of 3/31/2025, as nominated by the Appointment Committee.

11. **Order 62-05062024* -** Appointing Mary LaFontaine to serve on the Board of Assessment with a term expiration of 3/31/2026, as nominated by the Appointment Committee.

12. **Order 63-05062024* -** Appointing Corey Kinnan to serve on the Parks & Recreation Advisory Board with a term expiration of 10/01/2024, as nominated by the Appointment Committee.

13. **Order 64-05062024* -** Appointing Elisabeth Collier to serve on the Parks & Recreation Advisory Board with a term expiration of 10/1/2024, as nominated by the Appointment Committee.

14. **Order 68-05062024* -** Confirming Chief Moen's appointment of Annemarie Iadarola as Constable with firearm for the Auburn Police Department.

On motion for passage by Councilor Walker, seconded by Councilor Gerry, the remaining items on the Consent Calendar as shown above passed 7-0.

Minutes – April 16, 2024, Regular Council Meeting

Motion to approve the minutes made by Councilor Walker, seconded by Councilor Cowan. Motion passed 7-0.

II. **Communications, Presentations and Recognitions**

- Presentation - Child Abuse and Neglect Data presented by Community Concepts, Inc., presented by Melissa Wakefield (Maine Families Program Manager) and Melissa Robinson (Prevention Council & Community Coordinator for Androscoggin County)

- Communication - Funding Requests (Lifeflight , Kennebec Behavioral Health, Land Trust, Lake Stewards of Maine).

  The Mayor declared that any Councilors looking to support funding requests will need to move to amend the budget appropriation resolve.

III. **Open Session –** *Members of the public are invited to speak to the Council about any issue directly related to City business or any item that does not appear on the agenda.*

The following spoke:

Pamela Rousseau, W Auburn Rd; thanked the City for brush pick up.

Unfinished Business - None

IV. **New Business**

15. **Order 65-05062024* -** Appointing Adam Lee to serve on the Lewiston Auburn Railroad Corporation for a three-year term (April 2024 through April 2027).

Removed from the Consent Calendar by motion of Councilor Weisner.

Councilors discussed the process of how nominations to this committee come before the Council for appointment. Councilors Walker and Weisner requested more information about appointees in the future.

Mayor Harmon spoke on the process of appointments for different committees. The LARC nominations are made upon recommendation of the City Manager. City Manager Crowell stated this committee is not a City committee and the organization's by-laws state this the appointment is to be made by the municipality. City Manager Crowell stated the City is following a process it has historically followed and no conflict of interest exists for those nominated and the Council may wish to consider a policy amendment if it wishes to change the process for nomination and appointment to this committee in the future.

Motion for passage by Councilor Platz, seconded by Councilor Gerry.
Motion failed 3-4 (Gerry, Milks, Walker, Weisner, Walker opposed).

16. **Order 66-05062024* -** Appointing Jessica Donovan to serve on the Lewiston Auburn Railroad Corporation for three-year term (April 2024 through April 2027).

Removed from the Consent Calendar by motion of Councilor Weisner.

Motion for passage by Councilor Platz, seconded by Councilor Whiting.

Motion passed 4-3 (Milks, Walker, Weisner opposed).

17. **Order 67-05062024* -** Appointing Jonathan LaBonté to vote the shares held by any shareholder for the Lewiston Auburn Railroad Corporation.

Removed from the Consent Calendar by motion of Councilor Milks.

Councilors requested more information about this appointment in the future.

Motion for passage by Councilor Walker, seconded by Councilor Gerry. Motion passed 7-0.

1. **Order 69-05062024 -** Initiating ordinance amendment process to Chapter 60 – Zoning Article XVI. – Administration and Enforcement Division 2. Site Plan Review and Section 60.2 Definitions.

Motion for passage by Councilor Walker, seconded by Councilor Weisner.

Motion passed 5-2 (Milks, Gerry). This item will be forwarded to the Planning Board for recommendation.

2. **Ordinance 09-05062024 -** Amending Chapter 60, Article IV, Division 12 General Business District be amended by including "manufacture, compounding and assembling of articles using Maine derived forest products, agricultural products, or other natural resource inputs" as a Special Exception use with a condition that the site must be located within the Maine Forest Bioproducts Advanced Manufacturing Tech Hub Overlay District. This item was opened for public hearing. The following spoke:

Pamela Rousseau, W Auburn Rd

Public hearing was closed.

Motion passed 5-2 (Milks, Walker opposed).

3. **Ordinance 10-05062024 -** Creating the Maine Bioproducts Advanced Manufacturing Tech Hub Overlay District Map. Public hearing and first reading. ROLL CALL VOTE.

Motion for passage by Councilor Whiting, seconded by Councilor Cowan.

This item was opened for public hearing. There was no comment. Public hearing was closed.

Motion passed 5-2 (Milks, Walker opposed).

4. **Order 70-05062024 -** Adopting the Fiscal Year 2025 Budget of the Auburn School Department.

Motion for passage by Councilor Platz, seconded by Councilor Whiting.

Motion passed 5-2 (Gerry, Weisner opposed). The FY25 School Budget Validation Referendum election will be held on June 11, 2024.

5. **Resolve 04-05062024 -** Adopting the Appropriations Resolve for Fiscal Year 2025. Public hearing and first reading. *Passage requires an affirmative vote of 5 Councilors at the second reading*.

Motion for passage by Councilor Walker, seconded by Councilor Whiting.

Councilor Gerry moved to amend the Resolve to the cut Councilor and Mayor's pay to $1,800 per year for Councilors and the Mayor's salary to $3,000. Councilor Whiting seconded.

The Mayor clarified this amendment would not impact the FY25 budget. A roll call vote on the amendment was requested by Councilor Gerry. The amendment failed 1-6 (Whiting, Cowan, Milks, Weisner, Walker, Platz opposed).

This item was opened for public comment. There was no comment.

Councilors discussed the budget.

Motion passed 5-2 (Gerry, Weisner opposed).

6. **Order 71-05062024 -** Initiating ordinance amendment process to Sec. 60-2 Definitions, Article XIII Division 2-Phosphorous Control, Article IV Division 3-Low Density Country Residential District, and Division 4-Lake Auburn Watershed Overlay District including

adoption of associated zoning maps, all within Chapter 60 of the Code of Ordinances (these changes relate to Subsurface wastewater systems and residential development within the watershed).

Motion for passage by Councilor Walker, seconded by Councilor Cowan.

This item was opened for public comment. There was no comment.

Councilor Milks moved to table this item to a date certain until more information can be provided at a workshop. Seconded by Councilor Weisner. Motion passed 4-3 (Whiting, Cowan, Platz opposed).

Mayor Harmon and Councilors discussed the process of initiating ordinance amendments.

Councilor Gerry moved to reconsider the vote to table, seconded by Councilor Whiting. Motion to reconsider the vote to table passed 4-3. (Walker, Weisner, Milks opposed).

The motion to table was returned for action. Mayor called for the vote on the motion to table. Motion to table failed 3-4 (Gerry, Whiting, Cowan, Platz opposed).

Motion for passage passed 4-3 (Milks, Weisner, Walker opposed).

7. **Order 72-05062024 -** Approving the liquor license for the Hilton Garden Inn. Public hearing.

This item was opened for public comment. There was no comment.

Motion for passage by Councilor Milks, seconded by Councilor Walker.

Motion passed 7-0.

8. **Order 73-05062024 -** Appointing Emily F. Carrington as Registrar of Voters for the City of Auburn with a term expiration date of December 31, 2024.

Motion for passage made by Councilor Gerry, seconded by Councilor Walker.
Motion passed 7-0.

VII. Open Session - *Members of the public are invited to speak to the Council about any issue directly related to City business or any item that does not appear on the agenda*
None.

VIII. Reports

a. **Mayor's Report –** Mayor Harmon reported on recent meetings of the AVCOG General Assembly and the Androscoggin Commissioners. The Mayor represented the City at the Inauguration of the new Bates College president, Garry W. Jenkins.
b. **City Councilors' Reports** - Councilor Gerry deferred to Councilor Cowan; Councilor Whiting congratulated all who won awards at the Central Maine Community College

Foundation meeting; Councilor Cowan shared an upcoming meeting of the Committee on Homelessness; Councilor Milks corrected a mistake he made on the development of the gravel pit and stormwater run-off; Councilor Weisner passed; Councilor Walker noted an upcoming meeting of the Age Friendly Committee including an event at the Auburn Library on May 18th from 1-3pm to give away clothing to residents in need; Councilor Platz gave an update from the Conservation Working Group regarding No Mow May and approval of the two new Student Representatives to the Council who will be joining the Council on May 20th.

c. **City Manager Report** – City Manager Crowell welcomed the two new Student Representatives to the Council. Orientation for the Student Representatives will be held this Thursday and sworn in at the meeting on May 20. Mr. Crowell introduced City Clerk Emily Carrington and provided the Council with a 30 day update on the status of 46 Fair Street. Mr. Crowell reminded the public of the LobsterFest event this weekend. Councilor Walker asked the City Manager for an update on St. Louis Church.

d. **January 2024 Finance Report** – Kelsey Earle, Finance Director, presented the report.

IX. Executive Sessions – None

X. Adjournment

On motion by Councilor Milks, a motion to adjourn was made and seconded by Councilor Platz. Motion passed 7-0. Council adjourned at 8:58pm.

PROCLAMATION
MAINE ARBOR WEEK

WHEREAS, in 1872, J. Sterling Morton proposed to the Nebraska Board of Agriculture that a special day be set aside for the planting of trees, and this holiday called Arbor Day was first observed with the planting of a million trees in Nebraska; and

WHEREAS, May 19th to May 25th, 2024 is Maine Arbor Week; and

WHEREAS, trees can reduce the erosion of our precious topsoil, cut heating and cooling cost, moderate the temperature, clean the air, provide life-giving oxygen and provide habitat for wildlife; and

WHEREAS, trees are a renewable resource giving us paper, wood for our homes, fuel for our fires, and beautify our community; and

WHEREAS, trees, wherever they are planted, are a source of joy and spiritual renewal.

NOW THEREFORE I, Jeffrey D. Harmon, Mayor of the City of Auburn, by virtue of the authority vested in me, do hereby proclaim May 19th to May 25th, 2024, as the celebration of Maine Arbor Week in the City of Auburn, and I urge all citizens to celebrate Maine Arbor Week and support efforts to protect our trees and woodlands.

Further, I urge all citizens to plant trees to gladden the heart and promote the well-being of this and future generations.

IN WITNESS WHEREOF, I have hereunto set my hand and caused the Seal of the City of Auburn, Maine

to be fixed this 20th day of May 2024

Jeffrey D. Harmon, Mayor

We inspire people to plant, nurture, and celebrate trees.

Mayor Jeffrey Harmon
60 Court St
Auburn, ME 04210

Dear Tree City USA Community Member,

On behalf of the Arbor Day Foundation, I'm thrilled to congratulate Auburn on earning recognition as a 2023 Tree City USA. Residents of Auburn should be proud to live in a community that makes the planting and care of trees a priority.

Founded in 1976, Tree City USA is a partnership between the Arbor Day Foundation, the U.S. Forest Service, and the National Association of State Foresters. Auburn is part of an incredible network of more than 3,600 Tree City USA communities nationwide, with a combined population of 155 million.

Over the last few years, the value and importance of trees has become increasingly clear. Cities and towns across the globe are facing issues with air quality, water resources, personal health and well-being, and energy use. Auburn has taken steps to create to a brighter, greener future.

We hope you are as excited as we are to share this accomplishment with your local media and your residents. Enclosed in this packet is a press release for you to distribute at your convenience.

We're excited to celebrate your commitment to the people and trees of Auburn. Thank you, again, for your efforts.

Best Regards,

Dan Lambe
Arbor Day Foundation Chief Executive

jputney@arborday.org

Arbor Day Foundation Names Auburn a 2023 Tree City USA®

LINCOLN, Nebraska (4/22/2024) – Auburn was named a 2023 Tree City USA by the Arbor Day Foundation to honor its commitment to effective urban forest management.

Auburn achieved Tree City USA recognition by meeting the program's four requirements: maintaining a tree board or department, having a tree care ordinance, dedicating an annual community forestry budget of at least $2 per capita, and hosting an Arbor Day observance and proclamation.

The Tree City USA program is sponsored by the Arbor Day Foundation, in partnership with the U.S. Forest Service and the National Association of State Foresters.

"Tree City USA communities see the positive effects of an urban forest firsthand," said Dan Lambe, chief executive of the Arbor Day Foundation. "The trees being planted and cared for by Auburn are ensuring that generations to come will enjoy to a better quality of life. Additionally, participation in this program brings residents together and creates a sense of civic pride, whether it's through volunteer engagement or public education."

If ever there was a time for trees, now is that time. Communities worldwide are facing issues with air quality, water resources, personal health and well-being, energy use, and extreme heat and flooding. Auburn is doing its part to address these challenges for residents both now and in the future.

More information on the program is available at arborday.org/TreeCityUSA.

About the Arbor Day Foundation
Founded in 1972, the Arbor Day Foundation has grown to become the largest nonprofit membership organization dedicated to planting trees, with more than one million members, supporters and valued partners. Since 1972, almost 500 million Arbor Day Foundation trees have been planted in neighborhoods, communities, cities and forests throughout the world. Our vision is to lead toward a world where trees are used to solve issues critical to survival.

As one of the world's largest operating conservation foundations, the Arbor Day Foundation, through its members, partners and programs, educates and engages stakeholders and communities across the globe to involve themselves in its mission of planting, nurturing and celebrating trees. More information is available at arborday.org.

Auburn City Manager Phil Crowell
60 Court St.
Auburn, ME 04210

Re: Budget Request

Dear Phil Crowell,

Day One One's mission is to improve the health of Maine by providing substance use, mental health, and wellness services to youth and families. For over 50 years we have provided substance use and mental health services designed to reconnect individuals, youth, and families to paths of healing and recovery.

Day One operates the only adolescent residential substance use program(s) in Maine. Because our Youth Residential Treatment Centers are the only of its kind in Maine, referrals come from all over the State for these programs.

We would like to kindly request $1,000 to help support Day One's Youth Substance Use and Mental Health programs.

Thank you for your consideration.

With appreciation,

Becky Humphrey
Chief Executive Officer

City of Auburn
City Council Information Sheet

Council Workshop or Meeting Date: May 20, 2024 **Ordinance:** 09-05062024

Author: Jay Brenchick, Director of Economic Development and Eric J. Cousens, Director of Planning and Permitting

Subject: General Business Zone text amendment to allow Maine bioproducts manufacturing in parts of the GB zone.

Information: In October 2023, the Governor's Office announced that the Economic Development Administration (EDA) designated Maine's Forest Bioproducts Advanced Manufacturing Tech Hub as a Federal "Tech Hub." The designation acknowledges that Maine's forest bioproducts sector has the potential for rapid growth and opens the door for significant Federal investment. The Technology Hub overlay will allow the City of Auburn to compete for prospects and incentives related to the new federal Tech Hub designation. The text amendment adds flexibility to a certain area of the city zoned as General Business by adding such manufacturing use to the General Business District.

This change will define and declare the City's desire to attract investment related to Maine's Forest Bioproducts Advanced Manufacturing Technologies in the mapped area to promote related uses and expand uses in the General Business zoned portions of the Technology Hub Overlay to include manufacturing uses using Maine Forest Bioproducts. This change will create significant opportunities for manufacturing in the City of Auburn and leverage outside investment.

City Budgetary Impacts: None known.

Staff Recommended Action: Staff recommends that the Council take the Planning Board's recommendations to adopt the text amendment.

Previous Meetings and History: During the February 20, 2024, City Council Meeting, staff informed City Council of the Economic Development Administration (EDA) designation of Maine as a Forest Bioproducts Advanced Manufacturing Tech Hub. The Economic Development Department; Planning, Permitting & Code Department; and Business and Community Development Department will work together to create an Innovation/Tech Hub Designation in the area surrounding Exit 75 and the Auburn-Lewiston Municipal Airport. This designation aims to align the City of Auburn's zoning, business resources, marketing, and economic development partnerships with the efforts made at the state and federal levels. On April 9, 2024, Planning Board voted to recommend that the City Council adopt this text amendment.

This item passed first reading at public hearing on May 6, 2024 (5-2, Milks & Walker opposed).

City Manager Comments:

I concur with the recommendation. Signature:

Tech Hub Overlay Map, General Business Zone ordinance text, Planning Board motion, staff report.

DIVISION 12. GENERAL BUSINESS DISTRICT

Sec. 60-498. Purpose.

This district is intended to include commercial uses serving both the city and the region, together with normal accessory uses compatible with a cohesive and attractive shopping and office area.

(Ord. of 9-21-2009, § 3.62A)

Sec. 60-499. Use regulation.

(a) *Permitted uses.* The following uses are permitted:

(1) Residential dwelling uses permitted in the Multifamily Suburban District (MFS) (division 7 of article IV of this chapter).

(2) Grocery stores and supermarkets.

(3) Clothing stores.

(4) Furniture stores.

(5) Department stores.

(6) Specialty shops.

(7) Hotels and motels.

(8) Funeral homes and mortuaries.

(9) Child day care centers.

(10) Medical and dental clinics.

(11) Wholesale bakeries.

(12) Retail laundries and dry cleaners, but not plants.

(13) Banks, business and professional offices.

(14) Public transportation passenger offices.

(15) Governmental offices.

(16) Municipal, civic or public service buildings and other utility facilities.

(17) Warehouses, wholesale offices, salesrooms and showrooms.

(18) Restaurants, bars, dining rooms or lunchrooms, but not to include drive-in and carry-out restaurants.

(19) Halls, private clubs and lodges, bowling alleys, ice and roller skating rinks, indoor theaters and similar places of indoor amusement or recreation.

(20) Animal hospitals and pet shops, but no kennels.

(21) Business equipment repair and business services.

(22) Radio and television studios.

(23) Printing shops, but not publishing plants.

(24) Retail, service, office and commercial uses similar to the foregoing.

(25) Carwashes.

(26) Accessory uses, building and structures.

(27) Shelters for abused persons.

(28) Greenhouses and lawn maintenance services.

(29) Temporary outdoor places of amusement.

(30) Churches and temples.

(31) Adult use and medical marijuana stores subject to the requirements of chapter 14, article XVIII of the City of Auburn Ordinances.

(32) Marijuana cultivation accessory to a licensed retail store on the same property.

(b) *Special exception uses.* The following uses are permitted as special exceptions after approval by the planning board in accordance with division 3 of article XVI of this chapter:

(1) Automobile filling stations.

(2) Automobile repair and service stations.

(3) Automobile and marine sales lots and sales and service agencies.

(4) Automobile and marine paint and body repair shops.

(5) Hospitals, care homes, boardinghouses and lodginghouses.

(6) Research or philanthropic institutions.

(7) Outdoor theaters.

(8) Drive-in or carry-out restaurants.

(9) Commercial parks.

(10) Sales, rental and service agencies for mobile homes, farm equipment, trucks and trailers, and machine equipment.

(11) Light industrial plants which will not create a nuisance by noise, vibration, smoke, odor or appearance.

(12) Off-street parking as a commercial or municipal use provided that such parking is limited to occupants of buildings located within 500 feet of such parking area whether or not within the same district. The planning board may impose conditions regarding fencing and screening, drainage, ingress and egress, signs and lighting, and total capacity of the parking area as it deems necessary to protect the character of the neighborhood.

(13) Trucking terminals and similar nonprocessing storage and distribution uses, except bulk storage of chemicals, petroleum products and other flammable, explosive or noxious materials.

(14) Convenience stores.

(15) Research, experimental and testing laboratories.

(16) Landscape services.

(17) Any new building of 5,000 square feet or more or any existing building which proposes a use permitted under subsection (a) of this section which will occupy an area of 5,000 square feet or more.

(18) Automotive towing and storage.

(19) Major retail development provided that it meets the conditions noted in section 60-45(g).

(20) Outpatient addiction treatment clinics.

(21) Adaptive reuse of structures of community significance.

(22) Public safety services.

a. All projects shall provide a community impact and needs analysis with review and approval from city council or its designee.

(23) Government services.

a. All projects shall provide a community impact and needs analysis with review and approval from city council or its designee.

(24) Manufacture, compounding or assembling of articles using Maine derived forest products, agricultural products or other natural resource inputs.

a. The property is located in the Maine Forest Bioproducts Advanced Manufacturing Tech Hub Overlay District.

(Ord. of 9-21-2009, § 3.62B; Ord. No. 11-11072016, 11-21-2016; Ord. No. 05-04032017, § 2, 4-24-2017; Ord. No. 05-05202019, 6-3-2019; Ord. No. 11-03012021, §§ 30, 31, 3-15-2021; Ord. No. 02-02132023, 2-17-2023)

Re: Staff Report on Maine Forest Bioproducts Advanced Manufacturing Tech Hub Overlay District Text and Map Amendments

I. **Proposal 1 Public Hearing/ Text Amendment:** City Council initiated text amendment to Chapter 60 Article IV, Division 12 General Business District by including "manufacture, compounding and assembling of articles using Maine derived forest products, agricultural products, or other natural resource inputs" as a Special Exception use with a condition that the site must be located within the Maine Forest Bioproducts Advanced Manufacturing Tech Hub Overlay District.

II. **Proposal 2 Public Hearing/ Map Amendment:** City Council initiated zoning map amendment to create the Maine Forest Bioproducts Advanced Manufacturing Tech Hub Overlay District. This zoning map overlay is generally located near Lewiston Junction Road, Kittyhawk Ave, and the southerly half of Washington Street.

III. Background: This proposal is to implement more flexibility in the General Business Zoning District in the area near exit 75 on the Maine Turnpike that is not available in other areas of the City that are also zoned as General Business, like Center Street and the surrounding neighborhoods.

The Maine Forest Bioproducts Advanced Manufacturing Tech Hub Overlay District is represented on the sketch map as cross-hatched over the existing General Business District (represented in orange) and the existing Industrial District (represented in light purple). The extent of this zoning change is to add language allowing manufacturing of Maine-derived natural products, resembling what is already allowed in the Industrial Zoning District, in one area of the General Business District. As such, this overlay is presented as both a text amendment to the General Business Zone, and a Map amendment creating the overlay represented visually on the City's Official Zoning Map.

The City of Auburn's Economic Development Director, Jay Brenchick, gives the following introduction on the origins of these two proposals:

In October 2023, the Governor's Office announced that the Economic Development Administration (EDA) designated Maine's Forest Bioproducts Advanced Manufacturing Tech Hub as a Federal "Tech Hub." The designation acknowledges that Maine's forest bioproducts sector has the potential for rapid growth and opens the door for significant Federal investment. The Maine Technology Institute (MTI) and the Governor's Office partnered with a consortium that included the University of Maine, the Roux Institute, the Maine Community College System, the Maine Venture Fund, and others during the application process.

Maine's Forest Bioproducts Tech Hub will accelerate research and development of natural polymers and other plant-based and wood fiber bioproducts that sequester carbon and replace plastics and toxic chemicals while bolstering "Made in America" supply chain goals.

The City of Auburn Economic Development has been in regular communication with the University of Maine, the Roux Institute, the Maine Composites Alliance, the Manufacturers Association of Maine, the Maine Manufacturers Extension Partnership, and the Maine Department of Economic and Community Development to position Auburn for participation in the Tech Hub designation and other state and federal innovation initiatives.

The Economic Development Department, Planning, Permitting & Code Department, and Business and Community Development Department are collaborating to create an Innovation/Tech Hub Designation surrounding Exit 75 and the Auburn-Lewiston Municipal Airport. This designation aims to align the City of Auburn's zoning, business resources, marketing, and economic development partnerships with efforts made at the state and federal levels.

In short, the Technology Hub overlay will allow the City of Auburn to compete for prospects and incentives related to the new state and federal Tech Hub designation.

IV. **Planning Board Recommended Action:** Review the Text and Map proposals, hold a public hearing on both the proposed text amendment and the proposed map amendment. Make two separate motions to provide a favorable recommendation to City Council on the Zoning Map and Text Amendments.

V. **Suggested Motion:**

a. **Proposal 1 (Text Amendment):** I make a motion to recommend that the City Council amend Chapter 60 Article IV, Division 12 General Business District by including "manufacture, compounding and assembling of articles using Maine derived forest products, agricultural products, or other natural resource inputs" as a Special Exception use with a condition that the site must be located within the Maine Forest Bioproducts Advanced Manufacturing Tech Hub Overlay District.

b. **Proposal 2 (Map Amendment):** I make a motion to recommend that the City Council amend the Official Zoning Map of the City of Auburn to create the Maine Forest Bioproducts Advanced Manufacturing Tech Hub Overlay District. This zoning map overlay is generally located near Lewiston Junction Road, Kittyhawk Ave, and the southerly half of Washington Street.

Subject: Planning Board Motion on Tech Hub Overlay Text Amendment

The following is the report from the Planning Board regarding Adding language to support a Maine bioproducts manufacturing tech hub within the General Business District pursuant to Section 60-1496 of the City of Auburn Ordinances. After notice and Public Hearings held on April 9th, 2024, the Planning Board forwards this report to the City Council.

PUBLIC HEARING/ TEXT AMENDMENT: Consider adding Chapter 60 Article IV, Division 12 General Business District be amended by including "manufacture, compounding and assembling of articles using Maine derived forest products, agricultural products, or other natural resource inputs" as a Special Exception use with a condition that the site must be located within the Maine Forest Bioproducts Advanced Manufacturing Tech Hub Overlay District.

Motion: Dave Trask makes a motion to recommend that the City Council amend Chapter 60 Article IV, Division 12 General Business District by including "manufacture, compounding and assembling of articles using Maine derived forest products, agricultural products, or other natural resource inputs" as a Special Exception use with a condition that the site must be located within the Maine Forest Bioproducts Advanced Manufacturing Tech Hub Overlay District; **Second:** Tim DeRoche Seconds.
Vote: 7-0-0 Motion passes.

LEGAL NOTICE
City of Auburn

Notice is hereby given that the Auburn City Council will hold Public Hearings on **Monday, May 6 2024, at 7:00 p.m.** in the City Council Chambers, 60 Court Street, Auburn, Maine to consider the following topics:

1. **PUBLIC HEARING/ TEXT AMENDMENT:** City Council initiated text amendment to Chapter 60 Article IV, Division 12 General Business District by including "manufacture, compounding and assembling of articles using Maine derived forest products, agricultural products, or other natural resource inputs" as a Special Exception use with a condition that the site must be located within the Maine Forest Bioproducts Advanced Manufacturing Tech Hub Overlay District.
2. **PUBLIC HEARING/ MAP AMENDMENT:** City Council initiated zoning map amendment to create the Maine Forest Bioproducts Advanced Manufacturing Tech Hub Overlay District. This zoning map overlay is generally located near Lewiston Junction Road, Kittyhawk Ave, and the southerly half of Washington Street.

Both proposals were initiated by the city pursuant to Chapter 60, Article XVII, Division 2 Amendment to the Zoning Ordinance or Zoning Map.

Additional information and copies of the official map and text amendments listed above are available in the Auburn Planning & Permitting Department, by contacting Katherine Cook at (207) 333-6601 ext. 1155 or kcook@auburnmaine.gov, and will be made available online no later than the Friday before the meeting at https://www.auburnmaine.gov/pages/government/planning-board-agendas.

Ordinance 09-05062024

City Council Ordinance

IN CITY COUNCIL

Creating the Maine Bioproducts Advanced Manufacturing Tech Hub Overlay District Map

Be it ordained, by the Auburn City Council, that Chapter 60 Article IV, Division 12 General Business District be amended by including "manufacture, compounding and assembling of articles using Maine derived forest products, agricultural products, or other natural resource inputs" as a Special Exception use with a condition that the site must be located within the Maine Forest Bioproducts Advanced Manufacturing Tech Hub Overlay District. The text shall appear under Sec. 60-499(b)(24) as follows:

DIVISION 12. GENERAL BUSINESS DISTRICT

Sec. 60-499. Use regulation.

(b) *Special exception uses.* The following uses are permitted as special exceptions after approval by the planning board in accordance with division 3 of article XVI of this chapter:

(24) Manufacture, compounding or assembling of articles using Maine derived forest products, agricultural products or other natural resource inputs.

a. The property is located in the Maine Forest Bioproducts Advanced Manufacturing Tech Hub Overlay District.

Council Workshop or Meeting Date: May 20, 2024 **Ordinance:** 10-05062024

Author: Jay Brenchick, Director of Economic Development and Eric J. Cousens, Director of Planning and Permitting

Subject: Ordinance to amend Official City of Auburn Zoning Map to include the Maine Forest Bioproducts Advanced Manufacturing Overlay District

---

Information: In October 2023, the Governor's Office announced that the Economic Development Administration (EDA) designated Maine's Forest Bioproducts Advanced Manufacturing Tech Hub as a Federal "Tech Hub." The designation acknowledges that Maine's forest bioproducts sector has the potential for rapid growth and opens the door for significant Federal investment. The Technology Hub overlay will allow the City of Auburn to compete for prospects and incentives related to the new federal Tech Hub designation. The attached map identifies the area staff recommends for the Technology Hub Overlay.

This change will define and declare the City's desire to attract investment related to Maine's Forest Bioproducts Advanced Manufacturing Technologies in the mapped area to promote related uses and expand uses in the General Business zoned portions of the Technology Hub Overlay to include manufacturing uses using Maine Forest Bioproducts. The proposed Maine Forest Bioproducts Advanced Overlay District overlays the existing General Business and Industrial Zoning Districts in the southern part of the City of Auburn near Washington Street and the Maine Turnpike. All district regulations in the Industrial District and the General Business District, as amended, will be upheld and maintained. This change will create significant opportunities for manufacturing in the City of Auburn and leverage outside investment.

City Budgetary Impacts: None known.

Staff Recommended Action: Staff recommends that the Council vote to adopt the Maine Forest Bioproducts Advanced Manufacturing Tech Hub Overlay District attached to this information sheet.

Previous Meetings and History: During the February 20, 2024, City Council Meeting, staff informed City Council of the Economic Development Administration (EDA) designation of Maine as a Forest Bioproducts Advanced Manufacturing Tech Hub. The Economic Development Department; Planning, Permitting & Code Department; and Business and Community Development Department will work together to create an Innovation/Tech Hub Designation in the area surrounding Exit 75 and the Auburn-Lewiston Municipal Airport. The Planning Board voted to recommend that the City Council adopt this Map amendment at their April 9, 2024, meeting. This designation aims to align the City of Auburn's zoning, business resources, marketing, and economic development partnerships with the efforts made at the state and federal levels.

This item passed first reading at public hearing on May 6, 2024 (5-2, Milks & Walker opposed).

Council Workshop or Meeting Date: May 20, 2024 **Resolve**: 04-05062024

Author: Kelsey Earle, Finance Director

Subject: Resolve Adopting the 2024-2025 Annual Appropriation and Revenue Resolve (Second Reading)

Information: In accordance with the City Charter, Article 8, Section 8.6, prior to the fiscal year the City Council shall adopt an annual appropriation resolve making appropriations by department, fund, services, strategy or other organizational unit and authorizing an allocation for each program or activity.

The Council has been supplied with a resolve to adopt the annual appropriations for the City of Auburn, which includes final figures for revenue, total appropriation and municipal budget.

The school appropriation has been incorporated into this annual appropriation resolve for the City of Auburn.

This is the second reading of the Appropriation Resolve for FY 24-25.

City Budgetary Impacts: With this FY 25 Proposed Budget the tax levy increase is 5.96%, which is above CPIU at 4.1% . At this time, the estimated proposed mil rate increase is 5.96%.

Staff Recommended Action: Staff recommends passage of the budget on the second reading.

Previous Meetings and History: Preliminary City budget presentation March 4, 2024 and final Manager's Budget presentation April 16, 2024, Budget workshop April 22, 2024.
The School Committee has held many budget meetings and workshops to develop the proposed budget beginning November, 2023. The School Committee encouraged public comment at each budget meeting. A joint meeting to discuss the FY 2025 school budget was held with the City Council in a workshop on April 1, 2024. This item passed first reading at public hearing on May 6, 2024 (5-2, Gerry & Weisner opposed)

City Manager Comments: I concur with the recommendation.

Signature: Phillip Crowell J.

Resolve for the 2024-2025 Annual Appropriation and Revenue including School Department Articles.

RESOLVE 04-05062024

City Council Resolve

IN CITY COUNCIL

Resolved, that the following be, and hereby is the Annual Appropriation and Revenue Resolve of the City of Auburn for the fiscal year 2024-2025, which includes the amounts appropriated herein and revenues from all sources beginning July 1, 2024, and ending June 30, 2025.

The estimated aggregate amount of non-property tax revenue is $67,511,381 with a municipal revenue budget of $26,142,646 and a School Department revenue budget of $41,368,735.

The aggregate appropriation for the City of Auburn is $121,825,948, with a municipal budget of $54,256,734 County budget of $3,117,240 and a School Department budget of $62,123,472 which received School Committee approval on April 24, 2024, and school budget approved at the May 6, 2024 Council Meeting pursuant to the School Budget Validation vote on June 11, 2024, in accordance with Maine Revised Statues, Title 20-A § 1486 and based on the budget submitted to the Auburn City Council on April 16, 2024, by the City Manager, and notification was posted on the City of Auburn website on May 2, 2024 that a public hearing would be held on May 6, 2024 at 7:00 p.m. and said hearing having been held on that date, and as amended by the City Council, the same is hereby appropriated for the fiscal year 2024-2025 beginning July 1, 2025 for the lawful expenditures of the City of Auburn and the County of Androscoggin taxes, and said amounts are declared not to be in excess of the estimated revenue from taxation and sources other than taxation for the fiscal year of 2024-2025.

SCHOOL BUDGET ARTICLES

Ordered that the Auburn City Council hereby adopts and approves the following School Budget articles for Fiscal Year 2024-2025.

1. That $ 20,414,118 be authorized to be expended for Regular Instruction;

2. That $ 13,903,945 be authorized to be expended for Special Education;

3. That $-0- be authorized to be expended for Career and Technical Education;

4. That $ 958,221 be authorized to be expended for Other Instruction;

Richard S. Whiting, Ward One
Benjamin J. Weisner, Ward Four
Belinda A. Gerry, At Large
Timothy M. Cowan, Ward Two
Leroy G. Walker, Sr., Ward Five
Jeffrey D. Harmon, Mayor
Stephen G. Milks, Ward Three
Adam R. Platz, At Large
Phillip L. Crowell, Jr., City Manager

City Council Resolve

5. That $ 4,210,854 be authorized to be expended for Student and Staff Support;

6. That $ 1,491,243 be authorized to be expended for System Administration;

7. That $ 2,693,273 be authorized to be expended for School Administration;

8. That $ 2,441,816 be authorized to be expended for Transportation and Buses;

9. That $ 5,293,437 be authorized to be expended for Facilities Maintenance;

10. That $ 10,299,164 be authorized to be expended for Debt Service and Other Commitments;

11. That $ 41,685 be authorized to be expended for All Other Expenditures;,

12. That $ 53,702,850.90 be appropriated for the total cost of funding public education from Pre-kindergarten to grade 12 as described in the Essential Programs and Services Funding Act and that $ 15,589,989.66 be raised as the municipality's contribution to the total cost of funding public education from Pre-kindergarten to grade 12 as described in the Essential Programs and Services Funding Act in accordance with the Maine Revised Statutes, Title 20-A, section 15688;

    Explanation: *The city's contribution to the total cost of funding public education from Pre-kindergarten to grade 12 as described in the Essential Programs and Services Funding*

    Act is the amount of money determined by state law to be the minimum amount that a municipality must raise in order to receive the full amount of state dollars.

13. That $1,155,649 be raised and appropriated for the annual payments on debt service previously approved by the city's legislative body for non-state-funded school construction projects or non-state-funded portions of school construction projects, in addition to the funds appropriated as the local share of the city's contribution to the total cost of funding public education from Pre-kindergarten to grade 12 as described in the Essential Programs and Services Funding Act in accordance with Maine Revised Statues, Title 20-A, Section 15690 (2A);

    Explanation: *Non-state-funded debt service is the amount of money needed for the annual payments on the city's long-term debt for major capital school construction projects that are not approved for state subsidy. The bonding of this long-term debt was previously approved by the voters or other legislative body.*

14. That $3,795,455 be raised and appropriated in additional local funds, which exceeds the State's Essential Programs and Services allocation model by $3,795,455, as required to fund the budget recommended by the School Committee.

City Council Resolve

The School Committee recommends $3,795,455, which exceeds the State's Essential Programs and Services allocation model by $3,795,455. The School Committee gives the following reasons for exceeding the State's Essential Programs and Services funding model:

The Essential Programs and Services funding model does not recognize all of the costs of special education services, transportation services, instructional services, co-curricular services and other services that the School Department provides.

> ***Explanation:*** *The additional local funds are those locally raised funds over and above the city's local contribution to the total cost of funding public education from Pre- kindergarten to grade 12 as described in the Essential Programs and Services Funding Act and local amounts raised for the annual payment on non-state-funded debt service that will help achieve the school department budget for educational programs.*

15. That the school committee be authorized to expend $61,747,757 for the fiscal year beginning July 1, 2024 and ending June 30, 2025 from the city's contribution to the total cost of funding public education from Pre-kindergarten to grade 12 as described in the Essential Programs and Services Funding Act, non-state-funded school construction projects, additional local funds for school purposes under the Maine Revised Statutes, Title 20-A, section 15690, unexpended balances, tuition receipts, fund balances, state subsidy and other receipts for the support of schools;

16. That the City of Auburn appropriate $375,716 for Adult Education and raise $213,644 as the local share, with authorization to expend any additional, incidental or miscellaneous receipts in the interest and for the well-being of the adult education program.

17. That in addition to amounts approved in the preceding articles, the School Committee be authorized to expend such other sums as may be received from federal or state grants or programs or other sources during the fiscal year for school purposes, provided that such grants, programs or other sources do not require the expenditure of other funds not previously appropriated.

18. That in addition to amount approved in the preceding articles, the School Committee be authorized to transfer up to $150,000 from the School Department's unexpended balances at the end of the 2023-2024 fiscal year to the Edward Little High School Capital Reserve Fund for the purpose of funding capital improvement projects, facility upgrades, and plant maintenance at the new Edward Little High School and adjacent athletic facilities.

19. That in addition to amount approved in the preceding articles, the School Committee be authorized to transfer up to $150,000 from the School Department's unexpended balances at the end of the 2023-2024 fiscal year to the School Technology Equipment Reserve Fund for the purpose of funding purchase and maintenance of computers, tablets, audiovisual equipment, and related technology for the School

City Council Resolve

Department.

20. That in addition to the amount approved in the preceding articles, the School Committee transfer $268,000 from Excess Fund Balance Funds to the Curriculum Development Reserve Fund for the purpose of funding curriculum development materials, equipment, software, and professional development.

RESOLVED, The City is authorized to accept grants and forfeitures and to expend sums that may be received from grants and forfeitures for municipal purposes during the fiscal year beginning July 1, 2024, and ending June 30, 2025, provided that such grants and forfeitures do not require the expenditure of other funds not previously appropriated.

RESOLVED, that fifty percent (50%) of all real estate taxes assessed as in the annual commitment, committed to the Tax Collector, shall be due proportionately from each taxpayer on September 16, 2024, and the remaining fifty percent (50%) shall be due on March 17, 2025.

Except as may be provided by resolve regarding payments in accordance with an installment payment plan, any real estate taxes remaining uncollected on September 17, 2024, and March 18, 2025, respectively shall bear interest at a rate of 6% per annum from and after such dates.

Personal property taxes shall be due and payable on or before September 16, 2024. Any personal property taxes remaining unpaid on September 17, 2024, shall bear an interest rate of 6% per annum from and after such date. Interest on all delinquent taxes shall be computed on a daily basis and shall be collected by the Tax Collector. The Tax Collector is authorized to accept tax prepayments.

Council Workshop or Meeting Date: May 20, 2024 **Order:** 74-05202024

Author: Glen E. Holmes, Director of Business & Community Development

Subject: CDBG/HOME Consortium Action Plan for Program Year 2024

Information:
Each year the Business & Community Development Department presents the Annual Action Plan, detailing the use of Auburn's CDBG funds & the Auburn-Lewiston Consortium's HOME funds. This plan is designed to address community needs as detailed in the 5 year Consolidated Plan which was adopted in 2020.

City Budgetary Impacts:
Auburn's expected CDBG allocation is $508,342, with an additional $482,287 of unspent allocations from previous years and an expectation of $100,000 in program income. The Auburn-Lewiston HOME Consortium annual allocation is $510,521, with an additional $2,168,362 of unspent allocations from previous years and an expectation of $50,000 in program income. Auburn's share of the consortium dollars is $2,024,123. These federal grant dollars cover staff salary/benefits as well as program activities for the Business and Community Development program.

Auburn CDBG & Auburn-Lewiston Consortium				
PY2024 Budget				
ACTIVITIES	**Budget Totals**	**Auburn CDBG**	**Auburn Home**	**Lewiston Home**
Administration	$172,098.81	$111,618.13	$43,711.47	$16,769.21
Economic Development	$0.00	$0.00		
Public Service	$100,000.00	$100,000.00		
Public Improvements (Infrastructure)	$636,315.42	$636,315.42		
Tenant Based Rental Assistance	$15,000.00			$15,000.00
Affordable Housing	$2,824,219.68	$242,695.94	$1,980,412.00	$601,111.74
TOTAL EXPENDITURES	**$3,747,633.91**	**$1,090,629.49**	**$2,024,123.47**	**$632,880.95**

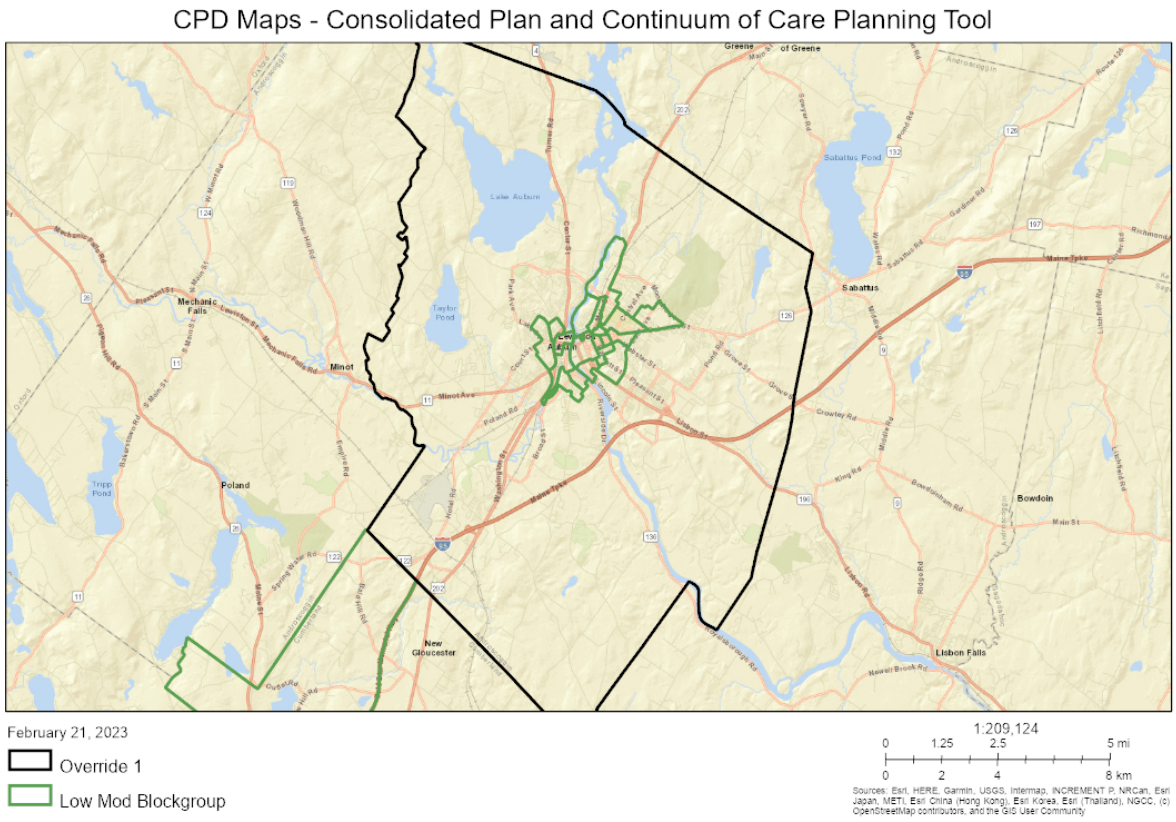
OMB Control No: 2506-0117 (exp. 09/30/2021)

Executive Summary

AP-05 Executive Summary - 91.200(c), 91.220(b)

1. Introduction

The City of Auburn Community Development Office (ACDO) presents its Plan Year 24 Action Plan (AP) to the U.S. Department of Housing and Urban Development (HUD). Embracing the core mission of the Community Development Block Grant (CDBG) program, we endeavor to cultivate vibrant urban communities by facilitating conducive living environments, affordable housing options, and economic prospects for individuals of low and moderate income. With a dedicated focus on Auburn and the Auburn-Lewiston consortium jurisdiction, the ACDO remains steadfast in its commitment to effect substantial positive change.



Furthermore, the HOME Investment Partnership (HOME) program provides for new housing options for low-income households, reinforcing the ACDO's unwavering dedication to uplifting the lives of those in need.

The ACDO, in alignment with its 2020-2024 Consolidated Plan (PLAN), meticulously crafted strategies for the utilization of CDBG and HOME programs in Auburn and Lewiston. By identifying prevalent community challenges and addressing unmet needs, the ACDO has set forth clear priorities and delineated how federal resources will be deployed to tackle these issues. This comprehensive PLAN establishes precise goals, delineates measurable objectives, and defines performance metrics to evaluate progress effectively. It serves as a robust framework for prioritizing funding requests and shaping individual program guidelines.

With a focus on aiding low and moderate-income individuals and families, CDBG funds are channeled into areas necessitating improvement, particularly those with a pronounced concentration of such demographics. The ACDO remains steadfast in its commitment to utilizing these funds for housing and infrastructure enhancements, as well as vital social services. While maintaining flexibility in fund allocation, the ACDO remains resolute in ensuring adherence to the national objective and the prudent utilization of CDBG-funded social service expenditures within the 15% annual allocation cap.

This AP delineates proposed activities and a fifth-year budget aimed at advancing the goals and objectives outlined in the PLAN. The utilization of Comprehensive Housing Affordability Strategy (CHAS) data, updated with the latest available information (2016-2020 ACS) for this AP, underscores the pressing need for assistance. Nearly half of households in Auburn and Lewiston qualify for support, with approximately 4,760 households in Auburn and 8,695 households in Lewiston falling within or below

80% of the HUD Area Median Family Income (HAMFI), rendering them eligible for low-to-moderate-income status under the CDBG or HOME programs. By embarking on decisive actions to address these critical issues, as delineated in this AP, the ACDO assumes a pivotal role in positively impacting the lives of those in need within the Auburn and Lewiston communities.

Low-Mod Block Group - ESRI

2. Summarize the objectives and outcomes identified in the Plan

This could be a restatement of items or a table listed elsewhere in the plan or a reference to another location. It may also contain any essential items from the housing and homeless needs assessment, the housing market analysis or the strategic plan.

The ACDO remains steadfast in its commitment to achieving the measurable outcomes outlined during the adoption of the 2020-2024 Consolidated Plan. This comprehensive PLAN delineated four overarching goals and their expected outcomes, detailed below. The data provided illustrates the cumulative impact realized thus far for program years 2020, 2021, and 2022, alongside the progress achieved in program year 2023 to date. These outcomes solely reflect the impact generated by activities funded through the Community Development Block Grant (CDBG) and HOME Investment Partnership (HOME) programs. It's noteworthy that this assessment excludes the impacts facilitated by the Lead Hazard Mitigation grant,

American Rescue Plan Act (ARP) funds, or other local or federal funding sources leveraged by the ACDO over the preceding year.

	PLAN Objectives	PY 20, PY 21, and PY 22	PY 23 YTD	Total	Total % of Plan
Goal #1	Provide Safe & Affordable Housing				
Rental Units Rehabilitated	100	7	0	7	7%
Homeowner Units Rehabilitated	50	17	2	19	38%
Tenant Based Rental Assistance	125	24	1	25	20%
Goal #2	Improved Infrastructure & Reduced Blight				
Persons Assisted	3,000	3,590	1,240	4,830	161%
Goal #3	Promote Economic Opportunities				
Jobs Created/Retained	10	11	0	11	110%
Businesses Assisted	10	7	0	7	70%
Goal #4	Provide Essential Services				
Persons Assisted	1,200	2,265	1,173	3,438	287%
Homeless person/overnight shelter	0	5	14	19	

Table 1 - GOALS OF THE 2020-2024 CONSOLIDATED PLAN

3. Evaluation of past performance

This is an evaluation of past performance that helped lead the grantee to choose its goals or projects.

Within the Plan's four established objectives, only Goal #1 is behind on its 80% target. COVID-19 caused delays in Rental and Homeowner rehab projects for program year (PY) 2020. Additionally, skyrocketing prices for construction materials and a shortage of contractors in program years 2021 and 2022 further hindered project progress.

In PY 2023, the ACDO faced challenges in identifying qualified projects. The primary reasons for projects failing to meet eligibility criteria were applicants and tenants exceeding income limits, along with incomplete submission of required documentation. Of the 70 homeowner rehab project applications submitted to the ACDO since January 2023, only 9 have received approval for CDBG rehab. Five projects are still under review. Among the 43 rental rehab projects, 2 were approved for CDBG rehab and 2 for Lead rehab using OLHCHH funds. Nine are undergoing the review process.

Given the anticipated continuation of these conditions, the ACDO will shift its focus to new unit development in PY 2024.

The ACDO also fell short of its Tenant-Based Rental Assistance goal. A significant rise in average rental rates made finding eligible units challenging. Using Fair Market Rent (FMR) as the maximum rate for assisted rental units, the ACDO found many units overpriced, surpassing the HUD-required cap for rental rates and disqualifying them from assistance. The ACDO will not continue TBRA for PY 2024; however, HOME-ARP funds will be allocated to provide direct services and emergency support to Auburn residents experiencing homelessness.

4. Summary of Citizen Participation Process and consultation process

Summary from citizen participation section of plan.

The formulation of the Action Plan for the City of Auburn and the Auburn-Lewiston Consortium adheres meticulously to the pertinent HUD guidelines and the Auburn Citizen Participation Plan. A comprehensive community needs survey, distributed through both digital channels and traditional paper formats, was conducted to ensure broad outreach. The survey remained accessible for responses from December 29, 2023, to March 1, 2024, and witnessed an impressive turnout of nearly 730 households, representing over 1,500 residents. This marked a notable increase of 424% from the previous year. Moreover, the ACDO engaged in direct consultations with local service providers to glean deeper insights into the community's diverse needs.

Preceding the formulation of this Plan, the Auburn City Council convened a pre-plan Public Hearing, providing residents with a platform to voice their concerns and articulate their priorities for the community. Subsequently, a 30-day public comment period ensued prior to the adoption of the CDBG and HOME Action Plans and associated budgets. The final Action Plan was made available for public scrutiny on April 26, 2024, including a Public Hearing hosted by the City Council on May 20, 2024. The public comment period ended on May 30, 2024. Public Notices for these hearings, along with invitations for community input, were disseminated through prominent local channels such as the Sun Journal newspaper, the city’s official website, and various social media platforms to ensure extensive community engagement. Additionally, the Action Plan and supplementary materials were readily accessible on the City's website, promoting transparency and accessibility to all stakeholders.

Additional documentation of notices will be added here as they are completed.

NATIONAL BASKETBALL ASSOCIATION

Pacers: MRI shows Haliburton has strained hamstring

INDIANAPOLIS (AP) — Indiana Pacers All-Star guard Tyrese Haliburton strained his left hamstring during a victory over Boston and will begin receiving treatment immediately, the team said Tuesday.

Team officials did not provide a timetable for Haliburton's return in the announcement and said updates would be provided as warranted.

The 23-year-old point guard was injured in the first half against the Celtics on Monday when he slipped while driving toward the basket. He immediately reached for his hamstring and teammates carried him from the court to the locker room. An MRI confirmed the injury.

He is Indiana's top scorer at 23.6 points per game, the NBA leader in assists at 12.5 per game and the catalyst of the league's highest-scoring offense (127.0). Haliburton also would have won last year's league assists title had he played in enough games to qualify and appeared to be a lock to play in his second straight All-Star Game, this one in Indianapolis on Feb. 18.

Indiana (21-15) is currently tied for fourth in the Eastern Conference and is 6-3 against the conference's top two teams, Boston and Milwaukee.

MAJOR LEAGUE BASEBALL

MIAMI MARLINS IN AGREEMENT TO HIRE RACHEL BALKOVEC

MIAMI (AP) — The Miami Marlins are in agreement with Yankees minor league manager Rachel Balkovec to become their director of player development, according to a person familiar with the deal.

The person confirmed an MLB.com report of Balkovec's hiring to The Associated Press on Tuesday on condition of anonymity because the team had not announced the deal.

Balkovec finished her second season as manager at Class A Tampa in September. She debuted with the team in April 2022 with a win as the first woman to manage a Major League Baseball affiliate.

Before that, Balkovec was the first woman to serve as a full-time minor league strength and conditioning coach, then the first to be a full-time hitting coach in the minors with the Yankees.

A former softball catcher at Creighton and New Mexico, Balkovec got her first job in professional baseball with the St. Louis Cardinals as a minor league strength and conditioning coach in 2012.

In 2016, Balkovec joined the Houston Astros, hired as the Latin American strength and conditioning coordinator and later was the strength and conditioning coach at Double-A Corpus Christi.

She joined the Yankees organization as a minor league hitting coach in 2019.

Kershaw says he's staying with Dodgers for 17th season

Could pitch in 2nd half of '24

By David Brandt
AP BASEBALL WRITER

GLENDALE, Ariz. — Clayton Kershaw says he will return for his 17th season with the Los Angeles Dodgers.

Kershaw said Thursday he will be back with the team as part of an agreement that includes a player option for 2025. The three-time Cy Young Award winner spoke as the big-spending Dodgers became the first of the 30 teams to start spring training, opening on a dreary, wet and chilly Thursday morning at Camelback Ranch ahead of their opener against San Diego on March 20 in Seoul, South Korea.

The 216-game winner, who turns 36 on March 19, had a nameplate and a locker in the clubhouse even though his contract had not been announced by the team.

"I'm on a good path right now," Kershaw said. "I'm excited about getting ready to pitch again at Dodger Stadium. That sounds fun."

Kershaw had surgery Nov. 3 to repair his left shoulder capsule and glenohumeral ligaments, which reinforce the joint capsule. He expects to be available to pitch this summer.

Kershaw said he didn't throw a baseball for three months following his surgery but is now in the second week of a throwing program. He said he'll split time between his home in Texas and Arizona during spring training as he continues to recover.

"Summer is about as good as I can do," Kershaw said of his return. "It's probably not early summer ... I would say July-ish, August-ish, somewhere in there."

Kershaw's navigated several health issues over the past few seasons, but continues to be productive when he's on the mound. The lefty finished with a 13-5 record and 2.46 ERA in 131 2/3 innings over 24 starts last season.

In his final outing, he gave up six runs and got one out in the NL Division Series opener, starting Arizona to a three-game sweep of the Dodgers.

"Didn't want to go out that way," Kershaw said.

Dodgers pitchers and catchers and players coming off injuries reported on a day with steady rain and temperatures in the 50s. Shortstop Gavin Lux, who hopes to return from a torn right ACL sustained last Feb. 27, was among many in a rain-speckled shirts following a batting session.

Kershaw's return adds to a busy and expensive offseason for the Dodgers, who have allocated more than $1 billion to free agents. Los Angeles made its biggest move by signing two-way star Shohei Ohtani to a $700 million, 10-year deal in December. Days later, they landed right-handed pitcher Yoshinobu Yamamoto with a $325 million, 12-year deal.

ROSS D. FRANKLIN/ASSOCIATED PRESS

Los Angeles Dodgers pitcher Clayton Kershaw gestures in the dugout in October 2023 before Game 3 of the NL Division Series against the Arizona Diamondbacks, in Phoenix.

Manfred would be disappointed if A's Las Vegas ballpark not open by 2028, skeptical of Olympics

ORLANDO, Fla. (AP) — MLB commissioner Rob Manfred said he would be disappointed if the Oakland Athletics don't open their proposed Las Vegas ballpark at the start of the 2028 season and expressed skepticism about big leaguers appearing in that year's Olympics.

The A's announced an agreement on May 15 to build a ballpark on the Tropicana hotel site along the Las Vegas Strip, obtained $380 million in Nevada government financing on June 15 and received approval to move from Major League Baseball on Nov. 16 but have yet to release plans for the stadium. The team has said it hopes to move into a new stadium in 2028.

Manfred said that if a stadium doesn't open by then, he would be "disappointed just in the sense I think it's the best for the A's and the best for the game."

The team's lease at the Oakland Coliseum extends through the 2024 season. It's unclear whether the A's will play 2025 home games in Oakland, Sacramento or a minor league stadium in Las Vegas.

"I'm comfortable with where they are in the process," Manfred said. "They have options and you know, I think they're doing a good job of exploring them and making sure we find the best possible opportunity."

Manfred said a location does need to be known in the next few months.

"It's hard, even scheduling, although it's clearly going to be someplace in the West," Manfred said. "You know, there's a difference between some places in the West and other places in the West. So we need to get it."

Manfred held a news conference following an owners meeting. A day earlier, owners were given a presentation by LA 2028 chairman Casey Wasserman on how major leaguers could appear in that year's Olympics.

"I think the pros are just the potential for association between two great brands," Manfred said. "The con' are just you know, it's the logistics. Everyday games are tough. They're tough. And, you know, if you look at the calendar, I think it's so complicated by the proximity to what would ordinarily be the All-Star Game."

Rays extend contracts of manager Kevin Cash, president of baseball operations Erik Neander

ST. PETERSBURG, Fla. (AP) — The Tampa Bay Rays have extended the contracts of manager Kevin Cash and president of baseball operations Erik Neander.

The team announced the moves Thursday but did not specify the length of the agreements.

Cash, 46, has led the Rays to the playoffs each of the past five seasons and reached the World Series in 2020 before losing to the Los Angeles Dodgers. The two-time AL Manager of the Year replaced Joe Maddon in 2015 and has a 739-617 record over nine seasons.

Cash was entering the final guaranteed season of his previous agreement, which included a 2025 club option.

NOTICE OF HEARING

ANDROSCOGGIN County
Register of Probate Court
Filing: 2023-Aug-87
DOCKET NUMBER: 2023-187
STATE OF MAINE Androscoggin ss. IN RE: John C. Robbins
Hearing is the 26th day of January 2024 at 9:15am at the Androscoggin County Probate Court, 2 Turner St. Auburn, ME 04210.
MOTION FOR SERVICE BY PUBLICATION Pursuant to M.R. PROB. P. 4(d)(1)(E) & 4 (m).
Now comes the Maine Department of Health and Human Services (hereinafter "the department"), the Petitioner in the case, and requests that this court permit the Department to serve Lisa Rollins by publication, pursuant to M.R. PROB. P. 4(d)(1)(E) & 4 (m), in support thereof, the Department states as follows:
1. The Maine Department of Health and Human Services filed a Petition for Appointment of Guardian for Adult on John C. Robbins to with this Court on 08/07/2023.
2. Lisa Rollins is a person who requires notice of the Petition under the Maine Probate Code.
3. The Department has completed a diligent search, as required in the Affidavit of Diligent Search attached hereto, and after such diligent search has not been able to ascertain Lisa Rollins' address or current whereabouts. The Department is therefore unaware of any method available to serve Lisa Rollins except via publication.
4. Pursuant to M.R. PROB. P.4(d)(1)(E) & 4 (m) and in the interests of justice, the Court may order that Lisa Rollins be served notice via publication in a designated newspaper of general circulation.
WHEREFORE, the Department requests that Lisa Rollins be served via public notice in a designated newspaper of general circulation, pursuant to M.R. PROB. P.4(d)(1)(E) & 4 (m).

PUBLIC NOTICE

The Auburn Community Development Office announces a public hearing to be held by the City Council on February 20, 2024 for the purpose of receiving public input from residents regarding housing and community needs, including priority nonhousing community development needs and affirmatively furthering fair housing. Input received will influence how CDBG & HOME funds, as provided by the U.S. Department of Housing & Urban Development (HUD), will be expended during program year 2024. Prior to developing the Annual Action Plan the city of Auburn, and the Auburn-Lewiston HOME Consortium seeks to provide reasonable notice and opportunity for the public to provide input

Public comments will be accepted during the public hearing. Comments can also be submitted to CDBG@auburnmaine.gov or delivered in person to the Business & Community Development Office until April 15, 2024.

Additionally, the public may provide input by completing the Community Development Survey by scanning the QR Code below. To request printed copies, translations, or other accommodations email CDBG@auburnmaine.gov or call the Community Development Office at (207) 333-6601

PrePlan Public Notice 2-9-24

NFL GOING DOWN UNDER

League to open academy in Australia to ID, develop young prospects

By Ken Maguire
AP Sports Writer

The NFL will expand its international search for talent by opening an academy in rugby-mad Australia to develop promising teenagers in the Asia-Pacific region into college and pro prospects.

The NFL Academy will open in September for student athletes aged 12 to 18, following recruitment camps taking place this summer in Australia and New Zealand, the league announced on Thursday.

Ahead of the NFL Draft, the announcement says the region is full of talent such as Philadelphia Eagles offensive tackle Jordan Mailata, a 6-foot-8 (2.08-meter) Australian who was deemed too big for rugby league.

"Football has changed my life, and opening an NFL Academy in Australia will no doubt help many more young people change theirs," Mailata said in the league announcement.

The academy will be housed at A.B. Paterson College on the Gold Coast and the plans include construction of a high-performance facility on the college grounds — to be completed in 2026 — also available for community use.

Mailata, who came through the league's International Player Pathway program, will be on the Gold Coast to announce the Eagles' first-round draft pick.

"The Asia-Pacific region is rich in sporting talent, and I look forward to seeing the next generation of football players out there craft their own pathway to playing in the NFL in the years to come," he said.

The move is another step in the league's global expansion. NFL owners voted in December to authorize the league to hold eight games internationally each season.

The Green Bay Packers will play the Eagles when the NFL holds its first regular-season game in Brazil on Sept. 6. For the 2024 season, the NFL will also have three games in London along with one in Germany. And Spain is on tap in 2025 for its first game, to be played at Real Madrid's newly renovated Santiago Bernabeu Stadium.

The league already has an academy in the UK, and Europe has become a reliable source of Division I recruits.

The Asia-Pacific region

ASSOCIATED PRESS

Philadelphia Eagles offensive tackle Jordan Mailata (68) after a Jan. 8 game against the New York Giants, in East Rutherford, N.J.

"We look forward to bringing the program to the Gold Coast, Australia, and continuing to build authentic player pathways for international talent, giving more young people from across the Asia-Pacific region the opportunity to play the game in the years ahead."

Commanders will retire Hall of Famer Darrell Green's No. 28 next season

ASHBURN, Va. (AP) — The Washington Commanders are retiring Hall of Fame cornerback Darrell Green's No. 28 next season, the latest step in the organization's efforts to honor players of the past since new ownership took over last summer.

The team announced Thursday that Green will become the fifth player in franchise history to receive that honor after Sonny Jurgensen's No. 9, Bobby Mitchell's No. 49, Sammy Baugh's No. 33 and Sean Taylor's No. 21. No one has worn 28 since Green retired in 2002, but it was not officially retired under previous owner Dan Snyder.

"I am beyond grateful for this honor and to new ownership, who embraced my wife and me from day one," Green said. "I am humbled to have my jersey retired here. The team means everything to this community, and I am encouraged not only for us to win a Super Bowl but to win the community back."

Green played all 20 of his NFL seasons with Washington, winning the Super Bowl twice and being name first-team All-Pro in 1991. He holds the record for the most consecutive seasons with an interception at 19 and played until he was nearly 43 years old.

"For 20 years, Darrell Green gave everything he had to this organization and fanbase," said controlling owner Josh Harris, who grew up a fan of the team. "No one on our team will ever again wear No. 28. Thank you, Darrell, for embodying what it means to be a Washington football player, both on and off the field."

Green, a first-round pick in 1983 out of Texas A&I, now called Texas A&M-Kingsville, was inducted into the Pro Football Hall of Fame in 2008.

PUBLIC NOTICE

The Auburn Business & Community Development Department announces a public hearing to be held by the Auburn City Council on May 20, 2024 for the purpose of receiving public input from residents regarding the Auburn CDBG & Auburn-Lewiston Home Consortium Annual Action Plan. This plan, which can be found on the city of Auburn website or by scanning the QR Code below, details how CDBG & HOME funds, as provided by the U.S. Department of Housing & Urban Development (HUD), will be expended during program year 2024.

Public comments will be accepted during the public hearing. Comments can also be submitted to CDBG@auburnmaine.gov or email CDBG@auburnmaine.gov accommodations other or translations, copies, printed request To 2024. 30, May until Office Development Community & Business the to person in delivered or call the Community Development Office at (207) 333-6601.

5. Summary of public comments

This could be a brief narrative summary or reference an attached document from the Citizen Participation section of the Con Plan.

As part of the community survey process, the city requested general unmet needs letters be submitted to the consortium contact information provided herein.

On February 20, 2024, the Auburn City Council held a pre-action Plan public hearing. This Public Hearing can be seen at timestamp 1h:58min by following the link below. During this meeting, no residents spoke.
https://www.youtube.com/watch?v=XSSWv3mAijw&list=PL8ustjJZ3Nvgf5BewLIePuiT_TICZy3i9&index=4

Additional public comments will be added as they are received.

6. Summary of comments or views not accepted and the reasons for not accepting them

No comments have been made that were not accepted. Comments will be added as they are received.

7. Summary

STRATEGY #1: PROVIDE SAFE & AFFORDABLE HOUSING

59% of respondents to the City of Auburn Community Survey identified affordable housing as a top need. To address this concern, the ACDO and the Auburn-Lewiston Consortium will direct most of their HOME funds in PY 2024 toward developing new affordable housing units. Additionally, the ACDO plans to allocate CDBG funds to support the creation of a mixed-income residential complex comprising 100 units, including 56 new homeowner units, 44 new rental units, and childcare and community service facilities. CDBG funds will also bolster the Lead Hazard Control program, aiming to reduce the number of hazardous housing units occupied by vulnerable populations.

STRATEGY #2: IMPROVE INFRASTRUCTURE & REDUCE BLIGHT

In PY 2023, the ACDO undertook four projects related to infrastructure and blight. In PY 2024, CDBG funds are earmarked for tackling blight and erecting an expanded community center for youths in qualified LMI census tracts (Downtown, Union St & New Auburn). A youth center initiative that kicked off in PY 2023 will extend into PY 2024. Additionally, the city will demolish two blighted buildings and relocate the affected families to decent, safe, and sanitary homes. These initiatives underscore a steadfast commitment to community improvement, fostering a more vibrant and inviting city for residents and visitors.

STRATEGY #3: PROMOTE JOBS AND ECONOMIC OPPORTUNITY

In PY 2023, the city utilized ARPA funds to drive business development initiatives, including two programs aimed at ensuring equitable access to fresh, local food for all residents, regardless of income or location. As part of these efforts, forgivable loans were provided to four neighborhood grocery stores to enhance their ability to offer fresh produce. Additionally, ARPA funds were allocated to support two commercial farming operations with the goal of boosting food production.

Two startup ventures received loans through the ARPA Business Loan Program for working capital or the acquisition of equipment and inventory.

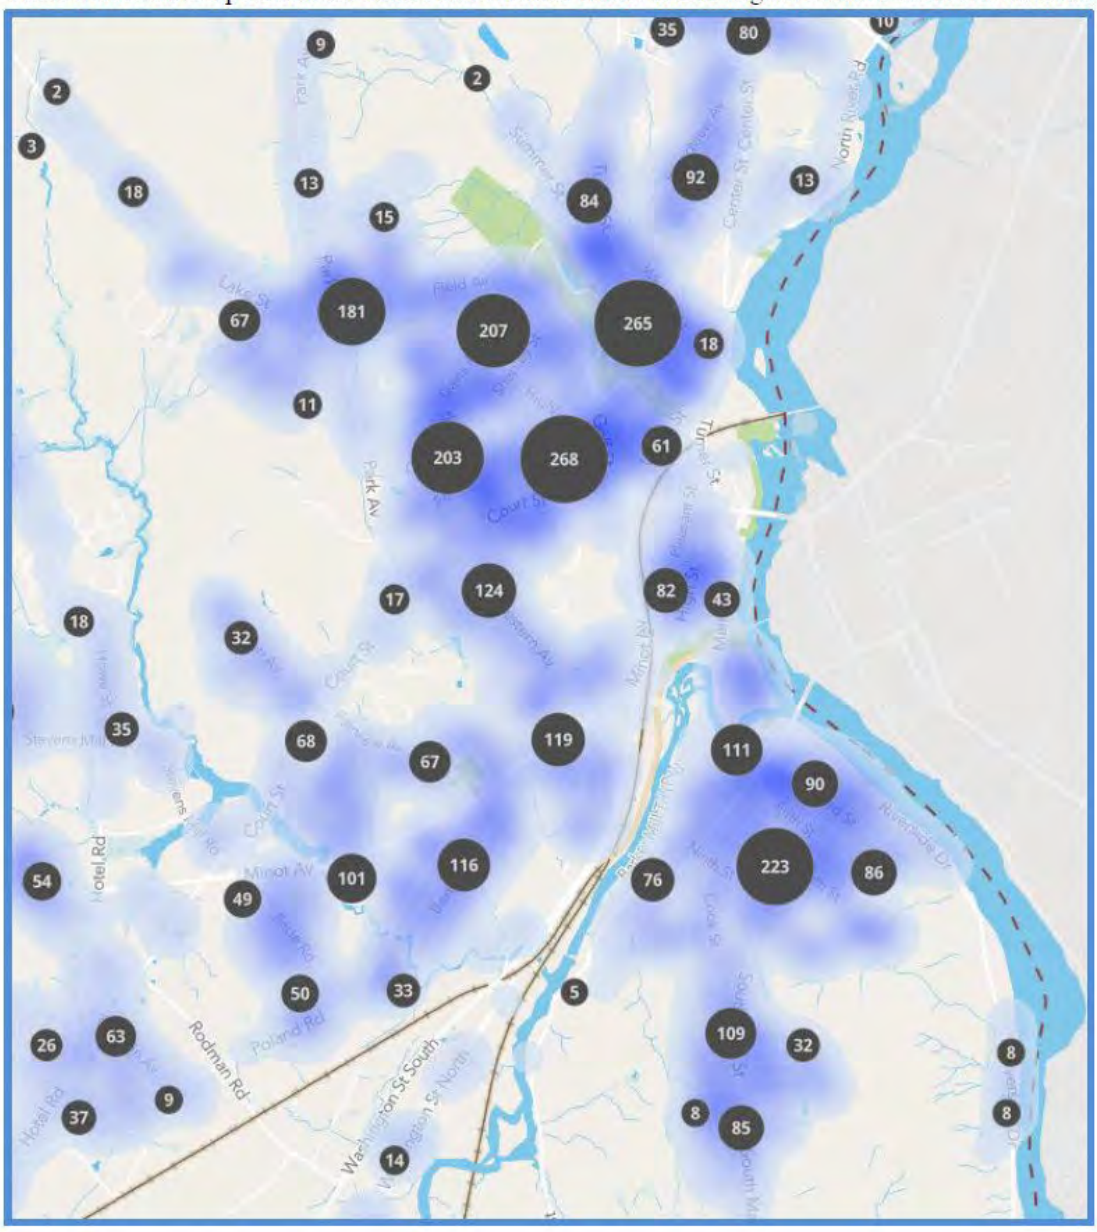
The city initiated the establishment of six new Tax Increment Finance (TIF) districts to stimulate economic growth and development in targeted areas. These districts have yielded significant results, including generating $2,715,200 in TIF revenue, creating 24 full-time and 30 part-time jobs, and preventing the loss of 36 jobs.

Looking ahead to PY 2024, the city plans to concentrate its efforts on creating jobs and economic opportunities within the TIFs.

STRATEGY #4: PROVIDE ESSENTIAL SERVICES

The ACDO is strategically allocating funds to address identified community needs, especially those related to homelessness and youth services. Affordable housing and youth services emerged as the top concerns from the ACDO Community Survey.

Utilizing the CDBG Public Service cap on homeless and youth services aligns with the community's expressed needs. Moreover, the availability of HOME-ARP funds presents an opportunity to expand services for individuals experiencing homelessness or at risk of homelessness, as well as other qualified populations.



The ACDO will spend the remaining CDBG-CV funds on a food program, demonstrating a commitment to maximizing resources to address pressing issues within the community. By leveraging various funding sources and targeting them toward identified needs, the city can make significant strides in improving the well-being of its residents, particularly those most vulnerable.

Continued collaboration and coordination among stakeholders, including local government, community organizations, and service providers, is crucial for effectively deploying these funds and implementing programs that meaningfully impact homelessness and youth support in the community.

City of Auburn, Maine
Business & Community Development
60 Court Street | Auburn, Maine 04210 www.auburnmaine.gov

1. Agency/entity responsible for preparing/administering the Consolidated Plan

The following are the agencies/entities responsible for preparing the Consolidated Plan and those responsible for administration of each grant program and funding source.

Agency Role	Name	Department/Agency
Lead Agency	AUBURN	
CDBG Administrator	AUBURN	City of Auburn Business & Community Development
HOPWA Administrator		
HOME Administrator	AUBURN	City of Auburn Business & Community Development
HOPWA-C Administrator		

Table 2 – Responsible Agencies

Narrative

In 2001, Auburn and Lewiston formed a consortium to secure funding through the HOME Investment Partnerships Program. The consortium agreement between Auburn and Lewiston regarding HOME Investment Partnerships Program funds is designed to meet the funding threshold for HOME funds. Auburn acts as the program sponsor and allocates 5% of the available HOME funds to cover the overall administration of the program for the consortium, while the remaining 5% of admin funds are evenly distributed between both cities. The current year's program fund allocations are split equally between the two cities, with each city responsible for conducting programs and ensuring compliance with HUD regulations. The City of Auburn, as the Representative Member, is responsible for managing and monitoring another member's programs if they do not meet HUD standards. There is currently no notice that such action is required.

Consolidated Plan Public Contact Information

The PY 2024 Action Plan is the 5th year of the 2020-24 Consolidated plan. Comments may be submitted at any time to the Auburn Community Development Office, 60 Court Street, Auburn, ME 04210, tel. 207-333-6601 or via e-mail at CDBG@auburnmaine.gov.

AP-10 Consultation - 91.100, 91.200(b), 91.215(l)

1. Introduction

In addition to conducting a public survey and hosting public hearings by the City Council, the ACDO has been engaged in ongoing discussions with Maine State Housing, the Auburn & Lewiston Housing Authorities, private developers, and community service providers in a collaborative effort to gather new needs assessment data and enhance communication channels among service providers. These efforts are substantially focused on activities that address the needs of individuals who are homeless, at risk of homelessness, or otherwise identified as a Qualified Population (QP) under the HOME-ARP program requirements.

This Annual Action Plan can and should recognize the effect the HOME-ARP plan had in the creation of this PLAN. As outlined below, the creation of these two plans involved actively reaching out to organizations and partners to solicit needs assessment data. Furthermore, the activities outlined in the HOME-ARP plan will be documented in the CAPER without altering the expected 5-year impact goals of the PLAN.

The city has continued its heightened direct consultation and resiliency planning with the local Emergency Management Agency, state and local health agencies, and first responders, including Police, Fire, and Sheriff departments. These partnerships were established in response to emerging climate changes and civil emergencies, such as homelessness, food insecurity, and substance use/mental health concerns within the community.

Provide a concise summary of the jurisdiction's activities to enhance coordination between public and assisted housing providers and private and governmental health, mental health and service agencies (91.215(l)).

The ACDO collaborates with homeless service providers and other organizations to prevent and eliminate homelessness in Maine. An excellent example of this collaboration is the Continuum of Care (COC), whereby service providers serving a particular geographic area work together to create programs addressing housing and homelessness.

The ACDO has established its own "hub" for homelessness and housing services within its physical office. Staff from three partner organizations, including two housing navigators and a homeless outreach coordinator, hold office hours at the ACDO offices each week. Additionally, the General Assistance (GA) program and Public Health Manager work closely with the ACDO on housing, substance use, and mental health issues. To meet the growing need, one new GA position was created in PY 2023, in addition to a new position paid in part with CDBG-CV funds in PY 2022. Another community service provider will join the ACDO office in PY 2024.

The Region II Homeless Council and Lewiston-Auburn Area Recovery Collaborative (LAARC) are examples of two local collaborative efforts to improve access to housing and substance use resources. The GA Manager will take over the membership in the Homeless Council from the Community Development Manager in PY 2024, while the Public Health Manager will continue to oversee the LAARC membership.

The ACDO's partnerships with mental health and service agencies are noteworthy as well. One exemplary initiative is the city's contracted position for Project Support You (PSY), staffed by a certified mental health and crisis intervention specialist from Tri-County Mental Health Services. This program co-responds to police and medical calls involving individuals suffering from substance or mental health issues. In calendar year 2023, the PSY program co-responded to 1,124 calls with the police and fire departments, engaging with 785 contacts from 373 unique client and, generating more than 174 referrals. The program also connected with 301 individuals experiencing homelessness. The program will be adding an additional position in 2024, with additional funding secured following the October 7, 2023 tragedy in Lewiston.

Two contracted non-profit service providers have taken responsibility for contributing data to the Homeless Management Information System (HMIS), ensuring a fuller, more accurate understanding of the need in the community.

Describe coordination with the Continuum of Care and efforts to address the needs of homeless persons (particularly chronically homeless individuals and families, families with children, veterans, and unaccompanied youth) and persons at risk of homelessness.

The HOME-ARP program has partnered with three local nonprofit organizations to create three positions aimed at addressing the needs of people experiencing homelessness. Each of these positions holds office hours in the ACDO at least once a week. The ACDO intends to work with a new service provider in PY 2024 to add an additional position.

One of these roles, a housing navigator, works with chronically homeless individuals and families of all ages to find and secure affordable housing. They collaborate with GA to provide ongoing financial support to eligible clients.

Another housing navigator works exclusively with unaccompanied youth experiencing homelessness. Their responsibilities include matching these youth with host families, who offer housing and stability. They work closely with the Auburn McKinney-Vento Liaison, who reported 178 students as homeless or living in substandard housing as of March 6, 2024, including 38 unaccompanied youth. These numbers remain consistent with those from March 2023.

The third position serves as a homeless outreach coordinator, engaging in direct outreach to people living on the streets or in encampments. Their primary focus is on establishing initial contact with clients and providing them with appropriate referrals and resources.

In the first six months of PY 2023, these three organizations assisted 97 individuals experiencing homelessness and 13 individuals at risk of homelessness. Collaboration among these roles extends to various stakeholders, such as other homeless service providers, community advocates, and mental healthcare providers, to ensure comprehensive support for those in need.

Furthermore, the City of Auburn has continued its efforts to integrate the Community Development, General Assistance, and Public Health Offices, aiming to enhance its impact. These offices share resources and coordinate services and referrals to offer more holistic assistance to the homeless and at-risk populations.

Describe consultation with the Continuum(s) of Care that serves the jurisdiction's area in determining how to allocate ESG funds, develop performance standards for and evaluate outcomes of projects and activities assisted by ESG funds, and develop funding, policies and procedures for the operation and administration of HMIS

The Auburn Community Development Office (ACDO) has successfully collaborated with Rumford Group Homes and Community Concepts, Inc. to collect and enter client data from Coordinated Entry assessments into the Homeless Management Information System (HMIS), perform data analysis, and report out the data to ACDO.

2. Agencies, groups, organizations and others who participated in the process and consultations

Table 2 – Agencies, groups, organizations who participated

1	**Agency/Group/Organization**	MAINE STATE HOUSING AUTHORITY
	Agency/Group/Organization Type	Housing PHA
	What section of the Plan was addressed by Consultation?	Housing Need Assessment Public Housing Needs Homeless Needs - Chronically homeless Homeless Needs - Families with children Homelessness Needs - Veterans Homelessness Needs - Unaccompanied youth Homelessness Strategy Non-Homeless Special Needs Market Analysis
	Briefly describe how the Agency/Group/Organization was consulted. What are the anticipated outcomes of the consultation or areas for improved coordination?	Agency was consulted as a data source for Point in Time reporting and continued coordination of the Continuum of Care. Consultation and coordination of activities are ongoing. ACDO staff consulted with the MSHA HUB Coordinator to ensure that the plans being developed will be complementary in nature. The city integrated data from MSHA Outlook 2023 into its plan development.
2	**Agency/Group/Organization**	AUBURN HOUSING AUTHORITY
	Agency/Group/Organization Type	Housing PHA
	What section of the Plan was addressed by Consultation?	Housing Need Assessment Public Housing Needs
	Briefly describe how the Agency/Group/Organization was consulted. What are the anticipated outcomes of the consultation or areas for improved coordination?	ACDO and AHA staff work regularly to coordinate affordable housing needs.

3	**Agency/Group/Organization**	Androscoggin Council of Governments
	Agency/Group/Organization Type	Other government - Local
	What section of the Plan was addressed by Consultation?	Economic Development
	Briefly describe how the Agency/Group/Organization was consulted. What are the anticipated outcomes of the consultation or areas for improved coordination?	ACDO consults with AVCOG on Environmental Reviews and transportation issues.
4	**Agency/Group/Organization**	Androscoggin Emergency Management Agency

	Agency/Group/Organization Type	Services - Housing Services-Persons with Disabilities Services-homeless Services-Health

	What section of the Plan was addressed by Consultation?	Housing Need Assessment Homeless Needs - Chronically homeless Non-Homeless Special Needs Anti-poverty Strategy
	Briefly describe how the Agency/Group/Organization was consulted. What are the anticipated outcomes of the consultation or areas for improved coordination?	ACDO consulted with the agency regarding unmet needs related to substance abuse and mental health disorders in the jurisdiction.
19	**Agency/Group/Organization**	COMMUNITY CREDIT UNION
	Agency/Group/Organization Type	Services - Narrowing the Digital Divide Business Leaders
	What section of the Plan was addressed by Consultation?	Economic Development Anti-poverty Strategy
	Briefly describe how the Agency/Group/Organization was consulted. What are the anticipated outcomes of the consultation or areas for improved coordination?	ACDO consulted with the agency regarding unmet needs within the jurisdiction related to housing, transportation, workforce development, and financial capability assistance needs within the community.
20	**Agency/Group/Organization**	Goodwill Northern New England
	Agency/Group/Organization Type	Services-Children Services-homeless Services-Health Services-Employment
	What section of the Plan was addressed by Consultation?	Housing Need Assessment Homeless Needs - Families with children Non-Homeless Special Needs
	Briefly describe how the Agency/Group/Organization was consulted. What are the anticipated outcomes of the consultation or areas for improved coordination?	ACDO staff consulted with the agency regarding unmet needs within the jurisdiction related to job training needs within the community.

21	**Agency/Group/Organization**	Pleasant St Drop-in Center
	Agency/Group/Organization Type	Services-homeless
	What section of the Plan was addressed by Consultation?	Housing Need Assessment Homeless Needs - Chronically homeless Homeless Needs - Families with children
	Briefly describe how the Agency/Group/Organization was consulted. What are the anticipated outcomes of the consultation or areas for improved coordination?	ACDO consulted with the agency regarding unmet needs within the jurisdiction related to homeless assistance needs within the community.
22	**Agency/Group/Organization**	NUTRITION CENTER OF MAINE, ST. MARY'S HEALTH SYSTEMS
	Agency/Group/Organization Type	Services-Health
	What section of the Plan was addressed by Consultation?	Non-Homeless Special Needs Anti-poverty Strategy
	Briefly describe how the Agency/Group/Organization was consulted. What are the anticipated outcomes of the consultation or areas for improved coordination?	ACDO consulted with the agency regarding unmet needs in the jurisdiction related to housing, homelessness, and access to healthy foods within the community.
23	**Agency/Group/Organization**	AUBURN SCHOOL DEPARTMENT
	Agency/Group/Organization Type	Services-Education Child Welfare Agency
	What section of the Plan was addressed by Consultation?	Housing Need Assessment Homeless Needs - Families with children
	Briefly describe how the Agency/Group/Organization was consulted. What are the anticipated outcomes of the consultation or areas for improved coordination?	ACDO staff consulted the McKinney-Vento Liaison within the school department regarding homeless and unaccompanied youth being serviced under the McKinney-Vento Act.

24	**Agency/Group/Organization**	Camp Susan Curtis
	Agency/Group/Organization Type	Services-Children
	What section of the Plan was addressed by Consultation?	Non-Homeless Special Needs
	Briefly describe how the Agency/Group/Organization was consulted. What are the anticipated outcomes of the consultation or areas for improved coordination?	ACDO staff consulted with the agency regarding unmet needs of youth in the community.
25	**Agency/Group/Organization**	YMCA of Auburn-Lewiston
	Agency/Group/Organization Type	Services-Children Services-Elderly Persons Services-Health
	What section of the Plan was addressed by Consultation?	Housing Need Assessment Homeless Needs - Chronically homeless Homeless Needs - Families with children Non-Homeless Special Needs
	Briefly describe how the Agency/Group/Organization was consulted. What are the anticipated outcomes of the consultation or areas for improved coordination?	ACDO staff consulted with the agency regarding unmet needs in the community for affordable housing, safety, youth and childcare services, mental health and substance use disorders, and financial security.
26	**Agency/Group/Organization**	Kaydenz Kitchen Food Pantry Inc.
	Agency/Group/Organization Type	Services-homeless Services-Health
	What section of the Plan was addressed by Consultation?	Homeless Needs - Chronically homeless

	Briefly describe how the Agency/Group/Organization was consulted. What are the anticipated outcomes of the consultation or areas for improved coordination?	ACDO and city staff consulted with the agency on unmet needs for the unhoused population.
27	**Agency/Group/Organization**	Auburn Public Library
	Agency/Group/Organization Type	Other government - Local
	What section of the Plan was addressed by Consultation?	Homeless Needs - Chronically homeless Non-Homeless Special Needs
	Briefly describe how the Agency/Group/Organization was consulted. What are the anticipated outcomes of the consultation or areas for improved coordination?	ACDO staff consulted with agency staff on unmet needs in the community, such as homelessness, affordable housing, and job training.
28	**Agency/Group/Organization**	Elmina B Sewall Foundation
	Agency/Group/Organization Type	Non-profit Foundation
	What section of the Plan was addressed by Consultation?	Homelessness Strategy
	Briefly describe how the Agency/Group/Organization was consulted. What are the anticipated outcomes of the consultation or areas for improved coordination?	ACDO staff consulted with agency staff and board members on unmet housing needs.
29	**Agency/Group/Organization**	Auburn Adult Education
	Agency/Group/Organization Type	Services-Education Services-Employment
	What section of the Plan was addressed by Consultation?	Non-Homeless Special Needs Economic Development Anti-poverty Strategy

	Briefly describe how the Agency/Group/Organization was consulted. What are the anticipated outcomes of the consultation or areas for improved coordination?	ACDO consulted with agency program staff to determine unmet needs within the community, specifically around access barriers to education, including transportation.
30	**Agency/Group/Organization**	Healthy Androscoggin
	Agency/Group/Organization Type	Services-Health Services-Education
	What section of the Plan was addressed by Consultation?	Lead-based Paint Strategy
	Briefly describe how the Agency/Group/Organization was consulted. What are the anticipated outcomes of the consultation or areas for improved coordination?	ACDO consulted with agency staff on the need for education about lead poisoning prevention, such as how to clean up lead dust.
31	**Agency/Group/Organization**	Maine Immigrant & Resource Services (MEIRS)
	Agency/Group/Organization Type	Services - Housing Services-Education Services-Employment
	What section of the Plan was addressed by Consultation?	Homeless Needs - Families with children Non-Homeless Special Needs
	Briefly describe how the Agency/Group/Organization was consulted. What are the anticipated outcomes of the consultation or areas for improved coordination?	ACDO staff consulted with agency staff on unmet needs in the city related to housing and homelessness.
32	**Agency/Group/Organization**	Immigrant Resource Center of Maine
	Agency/Group/Organization Type	Services - Housing
	What section of the Plan was addressed by Consultation?	Housing Need Assessment Homeless Needs - Chronically homeless Homelessness Strategy

	Briefly describe how the Agency/Group/Organization was consulted. What are the anticipated outcomes of the consultation or areas for improved coordination?	ACDO staff consulted with agency staff on unmet needs in the city related to housing and homelessness.
33	**Agency/Group/Organization**	Housing Resources for Youth
	Agency/Group/Organization Type	Services - Housing Services-Children
	What section of the Plan was addressed by Consultation?	Homelessness Needs - Unaccompanied youth
	Briefly describe how the Agency/Group/Organization was consulted. What are the anticipated outcomes of the consultation or areas for improved coordination?	ACDO staff consulted with agency program staff on unmet needs for unaccompanied homeless youth.
34	**Agency/Group/Organization**	SHARECenter
	Agency/Group/Organization Type	Services - Housing
	What section of the Plan was addressed by Consultation?	Non-Homeless Special Needs
	Briefly describe how the Agency/Group/Organization was consulted. What are the anticipated outcomes of the consultation or areas for improved coordination?	ACDO staff consulted with agency staff on need for donations of household goods for recently unhoused households.

Identify any Agency Types not consulted and provide rationale for not consulting

No agency types were intentionally not consulted.

Other local/regional/state/federal planning efforts considered when preparing the Plan

Name of Plan	Lead Organization	How do the goals of your Strategic Plan overlap with the goals of each plan?
Continuum of Care	Maine State Housing Authority	The cities of Auburn and Lewiston formed a consortium to be eligible for HOME Investment Partnerships Program funds, with both cities sharing the grant funds. The three-year HOME Consortium plan involves consulting with the Maine State Housing Authority for recertification. During the 2020-2024 Consolidated Plan development, Auburn and Lewiston Community Development staff collaborated closely on its creation and execution. Both cities have persistently pursued the construction of new, affordable rental units. The General Assistance and Public Health offices also collaborate with the Coordinated Entry system and emergency shelters.
Analysis of Impediments to Fair Housing Choice	Maine State Housing Authority	Published in October 2019, this plan recognizes similar impediments at the state level as are seen locally, including a Lack of Affordable Housing unit development, Racial and Ethnic barriers, and zoning difficulties posed by NIMBYism efforts (discrimination by communities and neighbors).
Hope & Opportunity for ME	Coordinated Community Plan (CCP) Planning Committee	This HUD-funded Youth Homelessness Demonstration Program (YHDP) results from a $3.3 million planning and Technical Assistance grant to assess and respond to the needs of Maine's homeless youth and young adults. The plan identifies additional partners, including the Department of Education and DHHS, and identifies coordinated entry positions. This initiative aims to enhance data collection and analysis within the HMIS system and improve coordination among service providers.
Comprehensive Plan 2021	City of Auburn	This plan focuses on established priorities that provide for the quality of life for Auburn's current and future residents. It outlines specific zoning and services to be equitably provided across the diverse types of neighborhoods, from rural to high-density urban and everything in between.
Strategic Plan 2019	City of Auburn	The city Strategic Plan establishes 3 committees that oversee the implementation and progress of the city Comprehensive Plan.
MaineHousing Outlook 2023	Maine State Housing Authority	Published in January 19, 2023, this plan assesses the health and development of affordable housing and housing assistance programs state-wide.

Name of Plan	Lead Organization	How do the goals of your Strategic Plan overlap with the goals of each plan?
State of Maine Housing Production Needs Study	Maine State Housing Authority	Published in October 2023, this joint effort by MaineHousing, the Governor's Office of Policy Innovation and the Future, and Maine Department of Economic and Community Development aims to assess the number homes needed in Maine now and in the future.
Natural Hazard Mitigation Plan	Androscoggin EMA	This plan addresses the potential impacts of climate change and social emergencies utilizing the HAZUS method, a model for estimating the risk of damage from earthquakes, floods, solar flares, hurricanes, and other known hazards. This plan identifies a potential 866 households (1,225 individuals) that would need sheltering in response to flood impacts. Additionally, this plan estimates that 2,323 individuals would require emergency shelter options in response to a potential increase in hurricane damage.

Table 3 – Other local / regional / federal planning efforts

Narrative

The City of Auburn is adopting a proactive strategy in its service delivery by integrating the General Assistance office and Public Health officer into regular meetings with Community Development staff. Simultaneously, they introduced a new position, the General Assistance Eligibility Coordinator, aimed at enhancing direct care and service provided for residents. This approach promotes a more comprehensive service delivery model, facilitating the identification and resolution of issues, as well as more efficient coordination of responses.

Broadband access is a crucial concern, particularly for rural and low/moderate-income households. The Affordable Connectivity Program (ACP) program began on December 31, 2021, and helped many low to moderate-income households obtain broadband and cell phone service. Ninety-seven percent (97%) of respondents to the 2024 community survey reported adequate internet access at home, up from 90% in 2023. The ACP is winding down. No new applications or enrollments are being processed after February 7, 2024. ACP funds are projected to run out in April. The percentage of Auburn residents with access to adequate internet access is expected to decrease following this change.

The consortium works with the Androscoggin County Emergency Management Agency (EMA) to assess and prepare for natural disasters. Given the escalating climatic changes and civil needs in the region, readiness for emergencies is paramount. Concerns loom over the potential escalation of flooding in the 100-year floodplain due to climate change, underscored by Auburn's experience of two flood events in 2023. The city is working with partners at EMA to develop responses to potential floods and environmental events.

Overall, the City of Auburn is proactively and comprehensively addressing diverse community issues. The partnerships forged with various organizations and agencies are promising, fostering preparedness for emergencies and enabling effective service delivery to residents.

AP-12 Participation - 91.401, 91.105, 91.200(c)

1. Summary of citizen participation process/Efforts made to broaden citizen participation
Summarize citizen participation process and how it impacted goal-setting

The annual Action Plan for PY 2024 builds upon the initiatives of the previous year by enhancing citizen engagement through a combination of in-person feedback sessions and the annual housing and community needs survey, which was available both online and in hard copy format. Collaborating with students from Bates College, the ACDO refined the survey to focus on crucial data points.

To promote participation, a direct mailer postcard regarding the survey was distributed to all households in Auburn, providing instructions for completing the survey online or requesting a paper version. Additionally, paper copies of the survey were disseminated by service providers and non-profit organizations.

This year, there was a notable increase in survey engagement, with almost 730 responses received, representing more than 5% of Auburn's population. This is a significant rise compared to the 130 responses received in 2023, which accounted for approximately 1% of the population. The surge in responses enabled the ACDO to better understand residents' needs.

Furthermore, eight area nonprofits submitted letters outlining unmet community needs. The primary focus remains on encouraging greater participation in identifying local needs annually. Notably, homeowners comprised 85% of respondents, highlighting the necessity of increasing participation from renters and individuals experiencing homelessness.

The ACDO maintained dialogue with various homeless service providers, first responders, educational institutions, and other service providers to continuously gather feedback. Additionally, representatives attended numerous community meetings to solicit input from residents and service providers.

Citizen Participation Outreach

Sort Order	Mode of Outreach	Target of Outreach	Summary of response/attendance	Summary of comments received	Summary of comments not accepted and reasons	URL (If applicable)
1	Public Meeting	Non-targeted/ broad community	On February 20, 2024, the Auburn City Council held a pre-action Plan public hearing. This Public Hearing can be seen at timestamp 1h:58min by following the link in the table.	During this meeting, no residents spoke. 2	Community Survey	Non-targeted/ broad community	The survey concluded on March 1, 2024. By that time, 697 Auburn households and 30 non-Auburn households completed the survey. Among these participants, 85% were homeowners, 14% were renters, and less than 1% were either unhoused or chose not to disclose their housing status. Out of the 727 households surveyed, 385 included at least one resident aged 62 or above, while 140 households had at least one resident under 18.	Notable responses include 5% of households had someone not in their direct household living with them; 25% had at least one household member who was unemployed or underemployed. Disability was the top reason stated as an impediment to employment with 50 responses, with retirement at number 2 with 42 responses, and childcare at a distant third with 15 responses. One percent of respondents had a	N/A	

				household member experience homelessness within the last 12 months. 54% reported paying more than 30% of their monthly income on housing-related expenses, with almost 13% paying more than 50%. The top 3 services respondents want the city to prioritize are roads and sidewalks (45), lowering taxes(28), and homelessness (20). The top 3 priorities they want the city to prioritize are affordable housing (59%), and parks and trails (32%), and youth services 30%.		
3	Public Meeting	Auburn Senior Center	On February 21, 2024, Community Development staff attended a meeting at the Senior Center and distributed print surveys to around 60 attendees, both Auburn residents and non-Auburn residents. Expected Resources

AP-15 Expected Resources - 91.420(b), 91.220(c)(1,2)

Introduction

Funding for the Community Development Program originates from allocations from the Community Development Block Grant and HOME Investment Partnerships Program allocations for Auburn and Lewiston. These annual allocations are supplemented by program income generated from current loan principal repayments expected within the program year, as well as unspent funds carried over from previous years. The allocations for PY 2024 are projections based on HUD's final CDBG and HOME budgets and internal reports detailing available program income and prior year funds. Prior year resources include unspent funds from both CDBG and HOME funds.

Unspent CDBG funds from program years 2022 and 2023 are included. Unspent funds from the HOME program include program years 2020, 2021, 2022, and 2023. These unspent funds stem from projects that were canceled or delayed in previous years, as well as balances from funds initially set aside for expenditures that fell short of budget expectations. In this Action Plan, these funds are allocated to new projects in accordance with HUD-established guidelines.

One outstanding Voluntary Grant Reduction (VGR) stemming from the disqualification of several projects during the 2020 HUD monitoring will affect the anticipated resources for this Plan. This reduction will result in a decrease of $81,788.01 for HOME funds.

Anticipated Resources

Program	Source of Funds	Uses of Funds	Expected Amount Available Year 1				Expected Amount Available Remainder of ConPlan $	Narrative Description
			Annual Allocation: $	Program Income: $	Prior Year Resources: $	Total: $		

Program	Source of Funds	Uses of Funds	Expected Amount Available Year 1				Expected Amount Available Remainder of ConPlan $	Narrative Description
			Annual Allocation: $	Program Income: $	Prior Year Resources: $	Total: $		
CDBG	public - federal	Acquisition Admin and Planning Economic Development Housing Public Improvements Public Services	508,342	100,000	482,287	1,090,629	508,342	Available resources include the anticipated allocation, program income, and unspent CDBG funds from prior years. Funds anticipated for the remainder of the ConPlan include the annual allocation and projected program income.
HOME	public - federal	Acquisition Homebuyer assistance Homeowner rehab Multifamily rental new construction Multifamily rental rehab New construction for ownership TBRA	510,521	50,000	2,178,263	2,738,784	510,521	Available resources include the anticipated allocation, program income, and unspent HOME funds from prior years. Funds anticipated for the remainder of the ConPlan include the annual allocation and projected program income. Auburn's VGR has been deducted from the annual allocation. This will only affect funds available to the City of Auburn and will not affect the City of Lewiston's funds.

Table 3 - Expected Resources – Priority Table

Explain how federal funds will leverage those additional resources (private, state and local funds), including a description of how matching requirements will be satisfied

CDBG funds will be utilized to leverage additional resources, including public services, new unit development, and infrastructure projects. Public services and new unit development leverage private funds, while infrastructure projects tap into local tax revenues.

Federal HOME funds predominantly leverage private resources by focusing on rental development projects. Both Auburn and Lewiston are currently involved in rental development projects or have plans for them. Moreover, the City of Lewiston is progressing with Choice Neighborhood developments, aiming to leverage private capital contributions. These funds will supplement the carry forward of matching funds from the previous year to meet the requirement.

Additional federal funding sources include Lead Hazard and Healthy Homes, ARPA, EDI CPF, and LIHTC.

If appropriate, describe publicly owned land or property located within the jurisdiction that may be used to address the needs identified in the plan

Auburn's Economic Development Office has multiple city-owned properties currently under contract to sell to private commercial developers.

Discussion

Funding from prior year resources is notable within this budget, yet these numbers are not included in the amount expected for the remainder of the Con Plan. This number is the sum of new allocations and program income for the next program year.

Should there be a decrease in the yearly allocation from HUD or an unexpected shortfall in program income, a proportional reduction will be applied to the budget, with adjustments drawn from the Affordable Housing budget. Should the VGR be deferred to FY 2025, a proportional increase may be applied to the budget, with adjustments moved to the Affordable Housing budget.

Annual Goals and Objectives

AP-20 Annual Goals and Objectives - 91.420, 91.220(c)(3)&(e)

Goals Summary Information

Sort Order	Goal Name	Start Year	End Year	Category	Geographic Area	Needs Addressed	Funding	Goal Outcome Indicator

AP-35 Projects - 91.420, 91.220(d)

Introduction

The following tables list the activities and programs that will be supported using HUD program funds during the 2024-25 program year. The objectives are to:

1. Provide Safe and Affordable Housing
2. Improve Public Infrastructure and Eliminate Blight
3. Promote Economic Opportunities
4. Provide Essential Services

The difference between the totals in the AP-35 & the AP-20 is due to administrative expenses.

#	Project Name
1	2024 Housing Rehab
2	2024 Housing Construction
3	2024 Public Service
4	2024 Public Infrastructure
5	2024 Administration
6	2024 Lewiston Admin
7	2024 Lewiston Security Deposits
8	2024 Lewiston HOME Construction

Table 5 – Project Information

Describe the reasons for allocation priorities and any obstacles to addressing underserved needs

Allocation priorities for Auburn focus are geared towards two main objectives: the creation of new affordable housing and enhancing the quality and safety of existing housing stock, as outlined in the city's strategic plan. According to the community survey results, 58.9% of respondents emphasized the importance of affordable housing. The development of new, affordable units is aimed at assisting low to moderate-income residents attain housing that meets the city's standards while remaining affordable.

Furthermore, the survey revealed that 54% of respondents reported that they were paying more than 30% of their monthly income toward housing, with 13% paying over 50%. This indicates that a significant proportion of the city's population is rent burdened, according to HUD standards.

Public Services will be administered by city staff and local non-profit organizations, with a focus on youth and homelessness services. These priorities were established in the community survey responses, with 59% of respondents stating housing services should be the city's top priority and 30% choosing youth services.

Public infrastructure improvements will focus on blight remediation by demolishing a blighted apartment building and relocating residents into decent, safe, and sanitary housing.

Meanwhile, Lewiston's priorities for HOME funds are driven by the necessity to increase the availability of affordable housing units while continuing to provide TBRA services to income-qualifying residents.

AP-38 Project Summary

Project Summary Information

1	**Project Name**	2024 Housing Rehab
	Target Area	
	Goals Supported	Provide Safe and Affordable Housing
	Needs Addressed	Provide Safe and Affordable Housing
	Funding	CDBG: $92,696
	Description	Rehabilitation of existing single and multi-unit residential buildings
	Target Date	6/30/2025
	Estimate the number and type of families that will benefit from the proposed activities	5 Rental Units Rehabilitated, 5 Homeowner Units Rehabilitated
	Location Description	Within Auburn
	Planned Activities	ALHHP Critical Repair LOAN PROGRAM - $50,000 LEAD TESTING/CLEARANCE - $5,000 Project Delivery Cost - $37,695.94
2	**Project Name**	2024 Housing Construction
	Target Area	
	Goals Supported	Provide Safe and Affordable Housing
	Needs Addressed	Provide Safe and Affordable Housing
	Funding	CDBG: $150,000 HOME: $1,980,412
	Description	Construction of 13 new rental units.
	Target Date	6/30/2025
	Estimate the number and type of families that will benefit from the proposed activities	13 qualifying LMI households.
	Location Description	Within Auburn
	Planned Activities	Creation of 13 new rental units.
3	**Project Name**	2024 Public Service
	Target Area	
	Goals Supported	Provide Essential Services

	Needs Addressed	Provide Essential Services
	Funding	CDBG: $100,000
	Description	Providing essential services to Auburn residents
	Target Date	6/30/2025
	Estimate the number and type of families that will benefit from the proposed activities	100 income-qualified residents/households
	Location Description	Within Auburn
	Planned Activities	The city is responding to the community's identified needs by allocating funds to services that have effectively assisted youth and people facing homelessness in recent times. A community survey highlighted these services as crucial and reflects the increasing demands observed by local service providers. Homeless Services: $80,000 Recreation Youth Scholarships: $20,000
4	**Project Name**	2024 Public Infrastructure
	Target Area	
	Goals Supported	Improve Infrastructure and reduce blight
	Needs Addressed	Improve Public Infrastructure and remove blight
	Funding	CDBG: $636,315

	Description	CDBG funds will be used to address blight remediation within LMI-qualified census tracts (Downtown, Union St, and New Auburn). These initiatives can significantly improve residents' quality of life and increase community pride. Additionally, the development of publicly owned infrastructure and amenities within targeted neighborhoods can enhance the attractiveness of these areas to potential residents and businesses. Our commitment to improving the overall appearance and safety of the community includes addressing distressed buildings and code violations. These projects involve removing hazardous and/or dangerous buildings within qualified LMI census tracts, ensuring a safer and more appealing environment for all. Overall, these efforts demonstrate a commitment to improving the community and creating a more livable and attractive city for residents and visitors alike.
	Target Date	6/30/2025
	Estimate the number and type of families that will benefit from the proposed activities	100 residents
	Location Description	Within Census Tract 103.
	Planned Activities	Demolition of a distressed apartment building in census tract 103, as a component of the PAL Community Center expansion initiative, alongside the relocation of families residing in the said complex.
5	**Project Name**	2024 Administration
	Target Area	
	Goals Supported	
	Needs Addressed	
	Funding	CDBG: $111,618 HOME: $43,711
	Description	Personnel and administrative costs for delivering services
	Target Date	6/30/2025
	Estimate the number and type of families that will benefit from the proposed activities	N/A
	Location Description	Within Auburn
	Planned Activities	Administrative expenses for planning and delivering program activities.

6	**Project Name**	2024 Lewiston Admin
	Target Area	
	Goals Supported	
	Needs Addressed	
	Funding	HOME: $16,769
	Description	Administration expenses for the Lewiston HOME program
	Target Date	6/30/2025
	Estimate the number and type of families that will benefit from the proposed activities	N/A
	Location Description	Within Lewiston
	Planned Activities	Administrative expenses for operation of Lewiston HOME program activities
7	**Project Name**	2024 Lewiston Security Deposits
	Target Area	
	Goals Supported	Provide Safe and Affordable Housing
	Needs Addressed	Provide Safe and Affordable Housing
	Funding	HOME: $15,000
	Description	Tenant-based rental assistance in the form of Security Deposits for income-qualified residents
	Target Date	6/30/2025
	Estimate the number and type of families that will benefit from the proposed activities	15 income-qualifying households.
	Location Description	Within Lewiston
	Planned Activities	Providing Security Deposit assistance for income-qualified households.
8	**Project Name**	2024 Lewiston HOME Construction
	Target Area	
	Goals Supported	Provide Safe and Affordable Housing
	Needs Addressed	Provide Safe and Affordable Housing

	Funding	HOME: $601,111
	Description	Creation of 4 new HOME rental units.
	Target Date	6/30/2025
	Estimate the number and type of families that will benefit from the proposed activities	4 income-qualified households
	Location Description	Within Lewiston
	Planned Activities	Construction of new affordable rental units.

AP-50 Geographic Distribution - 91.420, 91.220(f)

Description of the geographic areas of the entitlement (including areas of low-income and minority concentration) where assistance will be directed

In Auburn, priority will be given to the Downtown (Census Tract # 101), the Union St. Neighborhood (Census Tract # 103), and the New Auburn Area (Census Tract #105). The most recent HUD CHAS data shows that these tracts are primarily residential and qualify as 51% LMI by population. 88% of residents in Tract 101, 56% in Tract 103, and 62% in Tract 105 earn less than 80% of the Area Median Income (AMI).

Geographic Distribution

Target Area	Percentage of Funds

Table 6 - Geographic Distribution

OMB Control No: 2506-0117 (exp. 09/30/2021)

Rationale for the priorities for allocating investments geographically

The 2016-2020 American Community Census identified three census tracts in Auburn where the majority of households fall within low to moderate-income brackets. Consequently, the city will give these tracts heightened attention in terms of affirmative marketing, outreach, and translation services.

The city utilizes the Environmental Justice Index (EJI) data provided by the Center for Disease Control (CDC). This data qualifies the Downtown (Census Tract # 101) as having an overall EJI rank of 0.84, the Union St. Neighborhood (Census Tract # 103) as having a rank of 0.57, and the New Auburn Area (Census Tract #105) with a rank of 0.81. These rankings stem from factors such as CDC Social Vulnerability rank, Housing Built Pre-180, and Toxic Release Inventory Sites, all of which exhibit high levels of impact. Lead abatement projects within these tracts are prioritized in response to these observed conditions.

Additionally, all three tracts have a housing-burdened, lower income rank exceeding 0.80 (0.83 for 101, 0.90 for 103, and 0.93 for 105). The CHAS data identifies the three tracts as having the highest percentage of households in Auburn with at least one serious housing unit problem (e.g., lack of complete kitchen facilities, lack of complete plumbing facilities, overcrowding, or cost-burdened).

Discussion

Recently compiled GIS heat map data has also highlighted these 3 census tracts containing most of the city's homes at high risk for containing lead paint hazards. Additional outreach, education, and abatement resources will be provided to these designated census tracts and funded through the recently acquired Lead Hazard Control & Healthy Homes grant.

The creation of new affordable units will be focused in this area due to the high number of low to moderate-income households who are housing cost burdened. An additional focus of Public Infrastructure funds will be used to eliminate toxic and blighted buildings.

Affordable Housing

AP-55 Affordable Housing - 91.420, 91.220(g)

Introduction

The Annual Action plan targets creating new, affordable housing units and rehabbing housing rented or owned by low to moderate-income tenants.

Auburn intends to fund the plan development of a proposed mixed-income and mixed-use housing project comprising 100 units. This project will include 56 new homeowner units and 44 rental units. Units created in part with funding from HOME funds will be subject to a 20-year affordability period during which rents will be limited according to the HIGH HOME Rents guidelines outlined in the Community Development Operations Manual and any relevant HUD notices.

The October 2023 State of Maine Housing Production Needs Study revealed a concerning trend: housing affordability is decreasing while availability is diminishing across the state. Factors contributing to this include a surge in population during the peak of the COVID-19 pandemic and a shrinking workforce due to aging households. Additionally, the aging housing inventory and insufficient housing construction are exacerbating the issue. According to the study, a minimum of 5% availability of vacant units is necessary for a robust housing market in any given area.

In 2023, Lewiston's Housing Committee found that Lewiston-Auburn had an effective availability of 0%. To catch up to the current and future need, Central Western Maine (comprised of Androscoggin, Franklin, Kennebec, Oxford, Piscataquis, and Somerset counties) needs a total of 22,700-24,700 more homes or a total annual production need of 2,500-2,700.

The rehab of rental units outlined in this plan will leverage the Lead Hazard Control and Healthy Homes grant funds to achieve its objectives. This program requires a minimum of a 3-year affordability period for all units. Therefore, as the impact of this program grows, ACDO personnel will oversee an increasing number of affordable units.

Units funded with CDBG dollars must adhere to the city's Affordable Rent Standard. Under to this plan, an affordable unit is defined as one whose rent does not surpass the HUD-published Fair Market Rents (FMRs) for the current year. A unit is determined to fall within the FMR of a specific area by adding the contracted rent and the applicable utility allowance for the unit. For CDBG-funded projects, the sum of these numbers cannot exceed the FMR for a unit of the corresponding bedroom size as published by HUD each year. However, if the local housing authorities have been granted a community-wide exception, then the affordable rent standard may increase to a maximum of 120% of the FMR for the local jurisdiction.

The one-year goals established below pertain exclusively to targets funded by HOME funds and do not

encompass activities financed by CDBG or other city initiatives.

One Year Goals for the Number of Households to be Supported	
Homeless	0
Non-Homeless	23
Special-Needs	0
Total	23

Table 7 - One Year Goals for Affordable Housing by Support Requirement

One Year Goals for the Number of Households Supported Through	
Rental Assistance	0
The Production of New Units	13
Rehab of Existing Units	10
Acquisition of Existing Units	0
Total	23

Table 8 - One Year Goals for Affordable Housing by Support Type

Discussion

Due to inflated construction costs and lack of contractors, the new-unit developments scheduled in the previous year were not carried out for projects in either city. New projects will be carried out in the current action plan. Additional funding, as provided by the HOME-ARP allocation, will add to the impact of rental assistance services and the related services required to help families struggling with challenges other than the scarcity of affordable units.

The 2023 Environmental Justice Index has flagged all 3 income-qualifying census tracts as having a high prevalence of chronic poverty. Therefore, additional steps will be made within this Action Plan to address a lack of racial equity in affordable housing programming as outlined and referenced in the city's 5-year Comprehensive Plan. This will be achieved by providing more direct outreach to residents within the Union St., Downtown, and New Auburn census tracts. Translated materials will aid this outreach. These census tracts are qualified as comprising 51% or more low-to-moderate income households and have the highest concentration of residential units built before 1978. Pre-78 homes have a higher potential for containing Lead-based paint hazards, which cause adverse health effects in children.

AP-60 Public Housing - 91.420, 91.220(h)

Introduction

Auburn and Lewiston have added multiple large affordable housing projects in the past few years. According to statistics maintained by Maine Housing Authority, between 2019 and 2022, 243 new affordable housing units were created with MSHA funding (including Auburn & Lewiston Consortium funds). These buildings offer modern, affordable amenities to public housing residents. Auburn Housing Authority has been transitioning to a voucher-based system, allowing more aid to residents using privately owned units.

According to MSHA Affordable Housing Options published in March 2023, there are currently 813 Affordable Housing units in Auburn (not including rehab units within their affordability periods). Additionally, Auburn Housing Authority manages 595 Housing Choice Vouchers for Auburn residents. The Housing Choice Vouchers combined with the affordable housing units equates to 32% of the 4,385 rental units available within Auburn.

Actions planned during the next year to address the needs to public housing

The City of Auburn collaborates closely with the Auburn Housing Authority (AHA) to promote and advance affordable housing initiatives. In PY 2023, AHA increased its payment standards within the Section 8 voucher program to 110% of Fair Market Rent. This adjustment aided eligible renters in securing affordable housing, particularly amidst escalating rental costs and limited available units.

MaineHousing's Family Self-Sufficiency (FSS) team continues to spearhead statewide endeavors aimed at enhancing program processes and evaluations among Public Housing Authorities (PHAs) responsible for its administration. They also work in partnership with FSS teams from other PHAs to address emerging HUD program regulations. MaineHousing, alongside Compass Working Capital, is a member of the National FSS Network, alongside the Portland Housing Authority.

Additionally, the Auburn Housing Authority has bolstered its efforts to transition its operations towards voucher-based assistance. These endeavors seek to facilitate the development of privately constructed housing units eligible for housing vouchers, thus broadening the spectrum of affordable housing options. The city has a notable amount of previous year HOME funds to invest in new unit developments, which are creating units with a 20-year affordability period.

Actions to encourage public housing residents to become more involved in management and participate in homeownership

The city currently refers low-income residents, including public housing residents, to Community Credit Union (CCU) and Community Concepts (CCI). Both organizations offer programs to assist with obtaining mortgages and down payment support.

The city is allocating a substantial amount of its HOME dollars and $150,000 in CDBG funds to create new affordable units in PY 2024. Public housing residents will be informed about any homeowner unit creation projects and encouraged to prepare for homeownership by utilizing resources like Maine Housing's First Home Loan Program or other resources provided by CCU and CCI.

If the PHA is designated as troubled, describe the manner in which financial assistance will be provided or other assistance

Neither Lewiston Housing Authority nor Auburn Housing Authority are troubled.

Discussion

The city of Auburn created an online fair housing resource center after COVID-19 forced the cancellation of the traditional joint landlord-tenant summit. This resource center provides opportunities for tenants to access new tools to address tenant topics of interest and other resources that assist them in becoming homeowners. It can be found at https://www.auburnmaine.gov/pages/neighborhood/housing-summit.

AP-65 Homeless and Other Special Needs Activities - 91.420, 91.220(i)

Introduction

The Maine Balance of State Continuum of Care has traditionally addressed the homeless needs in Auburn and Lewiston. Both cities actively participate in various committees addressing homelessness, including the Region II Homeless Council, Sewall Foundation's Housing Steering Committee, and the HUB 3 Inner Group meetings.

In PY 2023, Auburn collaborated with three non-profit organizations to establish three positions primarily focused on assisting individuals experiencing homelessness. Funding from HOME-ARP has supported Rumford Group Homes (RGH), Housing Resources for Youth (HRY), and Community Concepts (CCI).

RGH has appointed a new Auburn Housing Navigator dedicated to helping people secure affordable housing. In the first half of PY 2023, the housing navigator assisted 59 households in Auburn and Lewiston experiencing homelessness and 11 households at risk of homelessness. Eleven households were successfully housed during this period, with RGH maintaining accurate client data in HMIS to track homelessness numbers effectively.

HRY operates a program that pairs unaccompanied homeless youth with host families outside of the foster care system. Their Program Director works directly with the McKinney-Vento Liaison to identify the most vulnerable youth. In the first half of PY 2023, their new Program Director worked directly with nine youth experiencing homelessness and two at-risk youth.

CCI's recent hire focuses on street-level outreach to individuals experiencing homelessness. The Homeless Outreach Coordinator began in November, working with 29 people experiencing homelessness between November and December.

The City of Lewiston has also partnered with three additional non-profits using HOME-ARP funds: Safe Voices, Trinity Jubilee, and New Beginnings.

Describe the jurisdictions one-year goals and actions for reducing and ending homelessness including

Reaching out to homeless persons (especially unsheltered persons) and assessing their individual needs

The ACDO has expanded its direct outreach efforts by continuing to partially fund an in-house position within the General Assistance (GA) office, the Public Service Coordinator, alongside funding for the aforementioned positions. In response to growing demand, the city established a third GA staff position in Program Year (PY) 2023.

Many of the partnerships outlined above in HOME-ARP primarily serve unsheltered homeless individuals.

RGH meets with numerous clients at local daytime warming centers, such as Trinity Jubilee and the Drop-In Center, and through referrals from various service providers in the area. HRY prioritizes assisting unsheltered youth, while CCI actively engages with encampments to link individuals with resources prior to their closure.

New Beginnings operates a 24-hour youth shelter with the aim of achieving specific three-year goals for program years 2023-2025, including providing 40 unduplicated stays and 8,500 bed nights at their shelter, along with serving 10,000 meals.

Safe Voices has recruited personnel dedicated to addressing human trafficking and advocating for survivors of domestic violence, offering services to both sheltered and unsheltered clients.

Trinity Jubilee operates a daytime warming center in Lewiston, striving to provide direct housing services and case management to 100 households. During a March 2024 visit, staff expressed concerns about the shelter's nearing full capacity and the potential need to turn individuals away to comply with fire code occupancy limits.

Addressing the emergency shelter and transitional housing needs of homeless persons

The Auburn-Lewiston Home Consortium includes the entirety of both cities. Much of the data provided at the state level is for Androscoggin County or the Lewiston-Auburn Metropolitan Statistical Area (which includes 12 surrounding municipalities). Both Auburn & Lewiston serve as a regional service HUB for the area, meaning that even though HOME-ARP funds are designated for residents of the two cities, the needs of these cities are impacted by the spillover or centralization of needs from the surrounding rural populations.

For example, data collected from the two emergency shelters operated at the Lewiston Ramada Inn or the Lewiston Armory in 2020 clearly demonstrate this catch-basin effect. The combined totals of the two emergency shelters (whose numbers are not included in MSHA PIT counts) regularly operated at capacity. Of the 213 individuals sheltered, 60% claimed Lewiston as their residence, 20% claimed Auburn, and the remaining 20% came from outside the consortium’s jurisdiction.

Additionally, the city of Auburn has recently processed cases for 342 additional asylum-seeking families of various origins. From July 1, 2023, to April 1, 2024, the city of Lewiston’s General Assistance has processed 464 cases. The city General Assistance office addresses these needs, with wrap-around services and coordination provided by the city Public Health manager. This coordination includes private charities, educational facilities, and local hotel operators.

Helping homeless persons (especially chronically homeless individuals and families, families

with children, veterans and their families, and unaccompanied youth) make the transition to permanent housing and independent living, including shortening the period of time that individuals and families experience homelessness, facilitating access for homeless individuals and families to affordable housing units, and preventing individuals and families who were recently homeless from becoming homeless again

Two of ACDO's latest partners are committed to helping individuals experiencing homelessness transition to more sustainable housing situations.

RGH offers comprehensive case management services, assists clients in securing BRAP and Housing Choice Vouchers, provides job skills training and support, offers renter's education, teaches budgeting and money management skills, delivers life skills training, and makes referrals to other programs that assist with rental application fees, security deposits, utility costs, and moving expenses.

HRY provides case management and maintains communication with host families and participating youth throughout their involvement in the program. Their network of host families provides stable housing options for unaccompanied youth clients.

These endeavors are funded through the consortium's HOME-ARP allocation and will continue throughout Program Year (PY) 2024.

Helping low-income individuals and families avoid becoming homeless, especially extremely low-income individuals and families and those who are: being discharged from publicly funded institutions and systems of care (such as health care facilities, mental health facilities, foster care and other youth facilities, and corrections programs and institutions); or, receiving assistance from public or private agencies that address housing, health, social services, employment, education, or youth needs.

The General Assistance offices in both cities take proactive measures to prevent low and moderate-income families from becoming homeless. These initiatives not only rely on General Assistance funds but also incorporate wrap-around support services, emphasizing their proactive community roles. Similarly, the Auburn Public Health office collaborates with residential institutions to address housing needs amidst decreasing community resources.

Partial funding from the Community Development Office supports the Public Service Coordinator position, aiding at-risk households in accessing resources beyond traditional General Assistance and HOME-ARP programs.

Additionally, the Maine COC's HUB coordinator, stationed at the Lewiston Housing Authority, facilitates communication among service providers within the COC system, enabling the Community Development and Public Health teams to concentrate on crisis response and early intervention. Recently, the HUB

Coordinator began a regular meeting between case managers to track mutual clients more effectively as they move throughout the COC. The meetings are attended by Lewiston Housing, Androscoggin Home Health, PATH, IRCM, Community Concepts, RCAM, and Rumford Group Homes.

The termination of the Emergency Rental Assistance program in early 2023 exacerbated the housing crisis in Auburn. This program, administered locally by Community Concepts Inc., assisted over 1,000 unique households during its 18-month duration. MaineHousing helped 8,262 people statewide with ERA funds in 2023, compared to 28,344 in 2022. In calendar year 2023, the GA department saw a 432% surge in applications, a 2,400% increase in utility assistance cases, and a 1,200% rise in housing assistance cases.

Discussion

As previously mentioned, homelessness is not confined to specific locations. For many individuals, the absence of adequate and permanent housing is a temporary situation as they continually seek out new resources to meet their evolving needs. Therefore, responses cannot be limited to isolated neighborhoods or cities.

The data collected for this Action Plan underscores the fact that this consortium serves as a central hub for addressing homelessness and special needs across the region.

To tackle this issue effectively, improved assessments of causal factors and enhanced collaboration among regional service providers are needed. A robust relationship with the State's Continuum of Care and the local HUB Coordinator is crucial for accurately quantifying needs and coordinating resources. These efforts will be enhanced through a localized approach to measuring and designing systematic responses tailored to the specific needs of the community.

In response to these challenges, the city of Auburn has taken proactive steps by forging three new partnerships. Each partnership is dedicated to maximizing the effectiveness of diverse funding sources and addressing particular needs, such as youth services, support for unsheltered individuals, and housing navigation.

AP-75 Barriers to affordable housing -91.420, 91.220(j)

Introduction

The biggest barrier to affordable housing in Auburn and Lewiston is the lack of available housing. The only way to fix the issue is to create more housing. For this reason, both Auburn and Lewiston are focusing on multi-unit development in PY 2024.

Private development of multi-unit housing projects is on the rise across Auburn. According to the Auburn Planning and Permitting Monthly report, they issued six permits to build 59 new commercial rental units between July 2023 – March 2023. Additionally, 4 permits were issued to build 4 new duplexes.

Actions it planned to remove or ameliorate the negative effects of public policies that serve as barriers to affordable housing such as land use controls, tax policies affecting land, zoning ordinances, building codes, fees and charges, growth limitations, and policies affecting the return on residential investment

Over the past four years, the City of Auburn has demonstrated proactive efforts in eliminating barriers to housing development. Notable achievements include the adoption of new ordinances that permit accessory dwelling units, enhance density standards, and reduce road frontage requirements for residential lots. Complemented by a newly established form-based code, these changes are expected to encourage infill development of new housing, facilitate multi-unit housing projects in residential zones, and potentially waive or decrease permit fees for specific target demographics.

In PY 2023, the Auburn City Council removed an income requirement for building homes on rural land. The previous ordinance mandated that 30% of a household's income be derived from farming in rural zones. The revised ordinance now requires landowners to maintain a connection to the land and possess a minimum of 10 acres to construct homes.

In PY 2024, the City of Auburn will take advantage of some of these changes to focus on creating new affordable housing units.

Discussion

The recent alterations in zoning regulations, alongside past project proposals, have sparked significant discussions within the community. Numerous residents have voiced their opinions at various public hearings and through letters to the local newspaper, expressing both support and opposition to these zoning adjustments and development plans.

Opponents of these developments call into question potential adverse impacts on neighborhoods traditionally comprised of single-family residences, which would be affected by the extensive zoning

modifications throughout the city. This defensive stance, often termed "Zone Defense," reflects a reactive approach to proposed developments and underscores the challenges highlighted by MSHA in their analysis of Impediments to Fair Housing Choice.

AP-85 Other Actions - 91.420, 91.220(k)

Introduction

As mentioned earlier, respondents to the city's community survey highlighted Affordable Housing (59%) and Youth Services (30%) as the top priorities for entitlement allocations. This feedback, coupled with a significant rise in General Assistance requests, has prompted the city of Auburn to establish a new position of Eligibility Coordinator within the General Assistance department. Additionally, the focus for PY 2024 will be on initiatives related to housing creation, homeless services, and youth services.

Over the past few years, both the city of Auburn and the Auburn-Lewiston Consortium have undergone substantial restructuring and staffing adjustments to better align with the evolving needs of the community. With these changes now in effect, the city is well-positioned to address the dynamic needs of its residents and allocate CDBG and HOME funds in a manner that maximizes their impact per dollar spent.

Actions planned to address obstacles to meeting underserved needs

The city will continue partnering with proven third-party community service providers to address homelessness and youth services while maintaining a three-person General Assistance department. Additional contracts will be awarded to increase the capacity of homeless services.

The city of Auburn has also contracted with Tri-County Mental Health to employ a second position to co-respond to police and rescue calls involving individuals experiencing mental health or substance abuse issues. In calendar year 2023, one mental health worker assisted 301 homeless individuals, responded to 1,124 calls alongside the police and fire departments, conducted 83 well-being checks, and addressed 14 psychiatric incidents, resulting in over 174 referrals.

Funding will be allocated for summer recreation scholarships to ensure fair access to enriching opportunities for low- and moderate-income (LMI) youth while also serving as structured childcare for working parents during the summer months. This dual-purpose initiative has demonstrated its effectiveness in offering services that cater to a broad demographic range within the city's historical public service funding framework.

Actions planned to foster and maintain affordable housing

The cities of Auburn and Lewiston actively support the construction of affordable housing through their housing development programs. These efforts allocate federal funding to developers to cover qualifying expenses, with the condition that the resulting units remain affordable. The affordability standards are determined based on HUD guidelines, with rent thresholds set at either Fair Market Rent (FMR), Low HOME Rent, or High HOME Rent levels.

Additional programs will continue to provide access to funding for lead testing and abatement to improve the health and safety of homes with young children.

Actions planned to reduce lead-based paint hazards

Both cities currently manage their own grants from the Office of Lead Hazard Control and Healthy Homes, with which residential units containing children or being marketed to families with children can be tested for lead paint hazards. Where hazards are present, funds will be made available in the form of grants to mitigate and abate these lead paint hazards. The separate budget and work plan for the Lead Hazard Control grant established a goal of 110 units abated for lead hazards over 3 years. Included within this Action Plan are matching CDBG grants for LMI households to further increase the impact of the Lead Hazard Control grant funds.

Actions planned to reduce the number of poverty-level families

The Community Development team is dedicated to forging and nurturing relationships with various organizations and institutions to strengthen the overall institutional framework. In collaboration with Clarity Property Services, the ACDO is continuing one workforce empowerment initiative by providing Lead Renovation Repair and Painting (RRP) training to up to 74 individuals, funded by a grant from the Office of Lead Hazard Control and Healthy Homes.

Additionally, the city has an ongoing partnership with Community Concepts Finance Corporation, a certified HUD homeownership and financial counseling agency, offering complimentary financial education sessions to families engaged in homebuyer or rehabilitation programs. By prioritizing educational services, the city aims to equip low-to-moderate income residents with the knowledge and tools needed for effective financial planning, thereby empowering them to safeguard their assets and enhance their financial well-being.

Furthermore, the City of Auburn has two programs aimed at directly assisting individuals and families experiencing poverty: General Assistance (GA) and Project Support You (GA). GA provides emergency and ongoing support to low-income families, including food vouchers, temporary lodging, and rent aid, with a third staff member added in PY 2023 due to increasing demand. PSY, funded through ARPA, collaborates closely with the police and fire departments to offer immediate assistance to individuals in crisis, with an additional staff person added in PY 2023 to meet growing needs.

Partner organizations Housing Resources for Youth (HRY), Rumford Group Homes (RGH), and Community Concepts (CCI) are dedicated to serving people experiencing homelessness or at risk of homelessness. HRY specializes in youth support, offering case management, reunification services, and matching unhoused youth with host families. RGH's Housing Navigator assists clients in securing and maintaining stable housing. CCI's Homeless Outreach Coordinator concentrates on initiating primary contact with individuals experiencing homelessness and offering referrals or resources tailored to their requirements.

Actions planned to develop institutional structure

The city of Auburn has revamped its internal structure to more effectively address the diverse range of community needs currently prevailing. By integrating Public Health, General Assistance, and Community Development, a culture of collaboration has been fostered, enabling a unified response to emergent health, housing, and refugee-related issues. This collaborative approach removed inter-departmental barriers and established a cohesive mission centered on service and crisis management. The addition of new roles, such as the Public Service Coordinator and Eligibility Coordinator, has helped bridge service gaps within the department.

Furthermore, the Auburn-Lewiston Consortium has entered a new phase of development, wherein the Community Development and General Assistance offices of both cities are collaborating more closely on planning and response endeavors. This synergy is particularly evident in the coordination of initiatives funded under the HOME-ARP plan, as shared needs and homelessness crises transcend municipal boundaries. Through enhanced inter-city cooperation and data sharing, redundant services have been eliminated, leading to increased efficiency in service delivery and efficacy.

Actions planned to enhance coordination between public and private housing and social service agencies

The Auburn Community Development Department, Auburn Housing Authority, Lewiston Community Development Department, Lewiston Housing Authority, Community Concepts, Healthy Androscoggin, and various other local and regional nonprofit organizations work closely to plan and provide housing services. Despite this collaboration, insufficient resources among these partners hinder their ability to meet identified needs, resulting in long waiting lists for housing authority services. By engaging private developers to build more affordable units and partnering with the Section 8 voucher program, these agencies could enhance efficiency and better serve low-to-moderate income residents on the Section 8 waitlist.

Furthermore, the Community Development Department has actively participated in a local Healthy Homes initiative to improve the coordination of housing enhancements and attract new resources to the community. Through collaboration with Healthy Androscoggin and other service delivery partners, the City of Auburn secured a Lead Hazard Control and Healthy Homes Grant. This initiative involves significant coordination among multiple health agencies, nonprofit service providers, and the state Center for Disease Control. This integrated approach enables more efficient sharing of information, referrals, and response services, particularly for children with elevated blood-lead levels (EBLLs).

Discussion

Over the past few years, significant changes have occurred both locally and globally. International conflicts and the breakdown of the global consumer economy have created unexpected challenges for residents in Auburn and Lewiston. Grocery prices and fuel costs have increased significantly, and

manufacturing and resource acquisition breakdowns in other parts of the world have made essential foods scarce. Lumber prices and construction materials have also become scarce and unaffordable for many. Our community has grown with the addition of new members who have fled famine and conflict in their home countries. Inflation and unemployment have made housing and daily resources unattainable for average residents, making it difficult to maintain a positive outlook on life.

This is where we need to focus our efforts, energy, and collaborations. Despite all these challenges, we must not lose sight of our essential optimism, which is necessary for our growth, development, and prosperity. In conclusion, it is crucial to prioritize interdepartmental, institutional, and interpersonal development while keeping this key element in mind.

Program Specific Requirements

AP-90 Program Specific Requirements - 91.420, 91.220(l)(1,2,4)

Introduction

The ACDO is guided by the requirement that a minimum of 75% of allocated funds must be used for activities that benefit persons of low and moderate income. The sole program in this Action Plan that does not directly benefit low and moderate-income individuals (apart from administrative funding) is Spot/Blight remediation. However, the ACDO has chosen to prioritize this non-beneficiary activity within census tracts that qualify as low and moderate income.

Community Development Block Grant Program (CDBG)
Reference 24 CFR 91.220(l)(1)

Projects planned with all CDBG funds expected to be available during the year are identified in the Projects Table. The following identifies program income that is available for use that is included in projects to be carried out.

1. The total amount of program income that will have been received before the start of the next program year and that has not yet been reprogrammed	0
2. The amount of proceeds from section 108 loan guarantees that will be used during the year to address the priority needs and specific objectives identified in the grantee's strategic plan.	0
3. The amount of surplus funds from urban renewal settlements	0
4. The amount of any grant funds returned to the line of credit for which the planned use has not been included in a prior statement or plan	0
5. The amount of income from float-funded activities	0
Total Program Income:	**0**

Other CDBG Requirements

1. The amount of urgent need activities	0
2. The estimated percentage of CDBG funds that will be used for activities that benefit persons of low and moderate income.Overall Benefit - A consecutive period of one, two or three years may be used to determine that a minimum overall benefit of 70% of CDBG funds is used to benefit persons of low and moderate income. Specify the years covered that include this Annual Action Plan.	75.00%

HOME Investment Partnership Program (HOME)
Reference 24 CFR 91.220(l)(2)

1. A description of other forms of investment being used beyond those identified in Section 92.205 is as follows:

   Auburn/Lewiston will not utilize other forms of investment beyond those in section 92.205.

2. A description of the guidelines that will be used for resale or recapture of HOME funds when used for homebuyer activities as required in 92.254, is as follows:

For HOME assistance provided as a direct subsidy to the homebuyer, such as downpayment/closing cost assistance or subordinate mortgage assistance, the Auburn-Lewiston Consortium will use a recapture provision to recover HOME funds from projects that are transferred or sold during the HOME period of affordability.

Recapture Provision:
The HOME recapture provision permits the original homebuyer to sell the property to any willing buyer during the period of affordability, while the Auburn-Lewiston Consortium can recapture all or a portion of the HOME assistance provided to the original homebuyer. The recaptured funds allow the Auburn-Lewiston Consortium to assist other eligible homebuyers.

If the HOME-assisted property is sold, conveyed, assigned, or otherwise transferred, or if a senior lender forecloses on any senior mortgage prior to the end of the minimum federally-required affordability period as above, the HOME assistance shall be returned to the City of Auburn, Business and Community Development Department, on a shared net proceeds basis according to the following formula:

• Net Sales Proceeds = Sales price minus municipal liens, minus principal owed to senior lenders, minus selling costs
• Homeowner Investment = Down payment plus any verifiable Capital Improvement investment made from the date of purchase
• Auburn-Lewiston Consortium's Investment = Direct HOME Program assistance. Amount subject to recapture.
• Total Investment = Homeowner Investment plus Auburn-Lewiston Consortium's investment
• Amount of Net Proceeds to be returned to Auburn-Lewiston Consortium upon sale prior to the end of the minimum federally required affordability period = (Auburn-Lewiston Consortium's Investment / Total Investment) * Net Sales Proceeds.

Under no circumstances can the Auburn-Lewiston Consortium seek to recapture more than is available from the net proceeds of a sale.

Examples of recapture formula:

Recapture Provision (Net Sales Proceeds):
$140,000 original sales price; $170,000 new sales price
Mortgage payoffs:
1st position balance: $72,000
2nd position balance: $35,000

Closing costs: $7,500; Homeowner investment: $3,500
Direct HOME subsidy: $25,000

Net Sales Proceeds: $170,000 - $72,000 - $35,000 - $7,500 = $55,500
Homeowner Investment = $3,500 in capital improvements
Auburn-Lewiston Consortium Investment = $25,000 HOME downpayment assistance
Total Investment = $28,500
Amount of Shared Net Proceeds to be returned to Auburn-Lewiston Consortium upon sale:
($25,000/$28,500) * $55,500 = $48,684.21
Amount of Shared Proceeds to Homeowner: $6,815.79

Recapture Provision (Insufficient Proceeds):
$140,000 original sales price; $130,000 new sales price
Mortgage payoffs:
1st position balance: $72,000
2nd position balance: $35,000

Closing costs: $7,500 Homeowner investment: $3,500
Direct HOME subsidy: $25,000

Net Sales Proceeds: $130,000 - $72,000 - $35,000 - $7,500 = $15,500
Homeowner Investment = $3,500 in capital improvements
Auburn-Lewiston Consortium Investment = $25,000 HOME downpayment assistance
Total Investment = $28,500
Amount of Shared Net Proceeds to be returned to Auburn-Lewiston Consortium upon sale:
($25,000/$28,500) * $15,500 = $13,596.50
Amount of Shared Proceeds to Homeowner: $1,903.50

3. A description of the guidelines for resale or recapture that ensures the affordability of units acquired with HOME funds? See 24 CFR 92.254(a)(4) are as follows:

Period of Affordability:
HOME-assisted homeownership projects are subject to the minimum period of affordability requirements listed below. Throughout the period of affordability, income-eligible households must occupy the assisted units. Restrictions are disclosed to the homebuyer through the execution of legal documents, including a deed restriction, a HOME written agreement between the Consortium and the homebuyer, and a Homebuyer Disclosure form.

Total Home investment and affordability period
Less than $15,000 – 5 years
$15,000-$40,000 – 10 years

More than $40,000 – 15 years

Resale Provision:
The Auburn/Lewiston Consortium employs a Resale Provision when there is no direct subsidy to the homebuyer. The HOME resale provision requires that if the owner of a HOME-assisted property sells, conveys, or transfers his/her ownership interest in the property prior to the end of the HOME period of affordability, the sale, conveyance, or transfer shall only be to an eligible, low-income-qualified purchaser who will use the property as their principal residence. It is also required that the price at resale provides a fair return on investment to the original owner (as defined below) and that the property be sold at a price that is affordable to a reasonable range of low-income buyers.

The Consortium will calculate the resale price based on the fair return on investment plus the original purchase price to ensure that the property will be affordable to a reasonable range of households earning between 70-80% of AMI. If the resale price that ensures fair return is not affordable to the next buyer, then the Consortium may provide HOME assistance to the subsequent buyer to make it affordable.

Resale Formula:
Step 1: (Homebuyer's original investment + principal paydowns + value of capital improvements) x appreciation standard = Fair Return on Investment
Step 2: Homebuyer's original investment + principal paydowns + value of capital improvements + Fair Return on Investment = Total Return to Original Homebuyer at Sale

Example of Resale Formula:
Single-family home was purchased for $140,000 in 2010. Since the purchase, the homeowner invested $3,500 in capital improvements in Jan. 2012 (HPI = 174.64). No downpayment was provided from owner funds. Most recent HPI = 354.03.

Mortgage payoffs:
1st position balance: $72,000
2nd position balance: $35,000

Homeowner's original investment: $0

Principal paydowns: $140,000 – 107,000 mortgage balance = $33,000

Capital improvements: $3,500
Step 1: $0 + $33,000 + $3,500 x 102% = $3,723
Step 2: $0 + $33,000 + $3,500 + $3,723 = $40,223
Total Return to the Homebuyer - $40,223.

Transfer of Title

The City shall collect the net proceeds from the sale of the property up to the outstanding balance of the HOME assistance when the HOME Borrower relinquishes the property voluntarily or due to a foreclosure, bankruptcy, appointment of a receiver or liquidation, or assignment for the benefit of the HOME Borrower's creditors, or a financial hardship resulting in a short sale. In the event that the net proceeds are insufficient to repay the HOME loan(s), the City will then forgive part or all of the HOME loans(s).

Noncompliance and Repayment Requirements:
Noncompliance is triggered when the HOME-assisted property is no longer the principal residence (i.e., rented or vacant) of the homeowner or for failure to enforce the resale or recapture provisions. Noncompliance requires repayment of the entire HOME investment. The HOME Land Use Restrictive Covenant and written agreement define conditions that will constitute a default by the homeowner and trigger repayment in full.

4. Plans for using HOME funds to refinance existing debt secured by multifamily housing that is rehabilitated with HOME funds along with a description of the refinancing guidelines required that will be used under 24 CFR 92.206(b), are as follows:

   HOME funds will not be used to refinance existing debt.

5. If applicable to a planned HOME TBRA activity, a description of the preference for persons with special needs or disabilities. (See 24 CFR 92.209(c)(2)(i) and CFR 91.220(l)(2)(vii)).

   N/A

6. If applicable to a planned HOME TBRA activity, a description of how the preference for a specific category of individuals with disabilities (e.g. persons with HIV/AIDS or chronic mental illness) will narrow the gap in benefits and the preference is needed to narrow the gap in benefits and services received by such persons. (See 24 CFR 92.209(c)(2)(ii) and 91.220(l)(2)(vii)).

   N/A

7. If applicable, a description of any preference or limitation for rental housing projects. (See 24 CFR 92.253(d)(3) and CFR 91.220(l)(2)(vii)). Note: Preferences cannot be administered in a manner that limits the opportunities of persons on any basis prohibited by the laws listed under 24 CFR 5.105(a).

   N/A

Discussion

Eligible applicants for Homeowner rehab will be approved on a first-come, first-served basis, determined by the date on their completed applications. Approval will be contingent upon the project meeting Auburn Housing Standards upon project completion, utilizing the provided resources. Recapture and resale guidelines mirror those outlined for Homebuyer activities.

Rental unit development will be overseen by a CHDO or developer, with funding opportunities announced through a standing Notice Of Funding Opportunity when available. Projects meeting qualifications will be accepted and funded based on the completion date of their applications, with additional consideration given to the proposed project completion date and other conditions specified in the notice of funding.

All Tenant-Based Rental Assistance (TBRA) programming will be on a first-come, first-served basis based on the date of a completed application. Units will be required to pass Housing Quality Standards (HQS) inspections and leases approved by program staff to comply with HUD requirements.

Applications can be found on the city website, at the Business & Community Development Office, or by contacting the Community Development team at cdbg@auburnmaine.gov.

Citizen Participation Comments

An Angel's Wing, Inc.

My name is Debra York, and I am the Executive Director for An Angel's Wing Inc based out of Lewiston, Maine.

We are a 501c3 Non-profit and have been fighting the opioid epidemic since 2017. We have support services that aid individuals, couples, and families when needed. We have aided several hundred people with support in detox, inpatient rehab, recovery homes, counseling, with household items, furniture, clothing, medications, phones for telehealth, funerals when necessary. Over the years we have seen an uptick in requests and a lack of services in the following areas:

1. We have spent countless hours in search of open detox & rehabilitation beds for underinsured, uninsured and people who have Maine care for insurance. Quality, not-for-profit community-based detoxification and inpatient recovery centers are so needed. We lose people when we cannot find open beds in a prompt fashion. Time is always of the essence when dealing with addiction. Once these individuals start to feel the effect of the withdrawal symptoms, it is easier to go back to using them than to wait for a bed to open. Sometimes it is life or death. The hospitals are overwhelmed with people seeking detox and true emergencies are affected.

2. We run 3 structured, holistic, Marr certified recovery residences and we stay consistently full with a waiting list. Because we offer more than just a sober living bed, we have become sought after. We need more non-profit, structured, certified/licensed recovery residences. Homes that offer the things that we do. To be effective in these recovery residences, they should be MARR certified, or Maine State licensed. Funding to aid with staffing to allow for a holistic treatment approach that includes case management type services, transportation to and from appointments, support meetings and events, rental payments to allow the individuals to complete treatment and IOP, funding for activities, and self-care activities (yoga etc.).

Over the years, we have either offered these services free of charge, negotiated scholarships, paid for for-profit beds or located free empty beds but that challenge has only grown for us. Because of the lack of structure and accountability in the for-profit sector, we have opened our own homes and they have had an 80% success rate so far. The challenge now is 1. Lack of funding to allow individuals the opportunity to heal in these homes without the burden of paying rent. 2. Lack of funding to open more of these homes. 3. Lack of funding to pay for licensing and staffing to make for a more healing environment. 4. Lack of funding to include more holistic, evidence-based treatment and activities, healthy meals etc.

1807 LISBON STREET SUITE 1A, LEWISTON, ME 04240

An Angel's Wing, Inc.

3. Lewiston Maine as well as many other towns/cities lack social activities and recovery-based community centers. We need locations where people in recovery or learning how to be can co-mingle because the opposite of addiction is connection. A place that offers not only connections but training opportunities, case management services, individual and family support meetings, technology, etc. for those in need. We need more support and resource centers that accommodate the individuals looking for services as well as their family. Family needs to be incorporated in the treatment because addiction is a family disease. *We have secured a property in Lewiston, Maine for a support/resource center and are working diligently on grant proposals to make this successful. We also need more recovery friendly activities.

4. Mental health counseling has wait lists a mile long. Substance use counseling is also becoming more of an issue. 1% of everyone we work with has a co-occurring mental health condition. We have been successful placing them in SUD counseling so far, but mental health counseling has been one of our biggest challenges.

5. Lastly, we need more structured, certified/licensed family homes for reunification purposes. We have been successful in reunifying 3 families since February 2023 and with funding for a family home, that number will grow. With more opportunities, foster care services, CPS services will not have to carry such a burden. More funding would allow us to secure a much bigger location, create and expand existing programs. Ideally, we would add staff to make this more secure and structured. A holistic healing environment for the individual in recovery and their children.

*I have realized that I left out an important need in the state of Maine. Over the last couple of months, we have had 4 situations where 4 resident referrals (coming from the DOC & Maine hospitals) were for people with dual diagnosis/Co-occurring disorders. Their mental health diagnosis needed more than our recovery residence was equipped for. We take pride in the services that we offer but, in these cases, more staffing and more clinical were needed and we were unable to accommodate. After spending hours on the phone, it became clear that there was a lack of facilities to address this need. If we cannot locate housing for these people, the alternative is crisis. If we had more staffing and more clinical, the outcome would have been so much better. We need more staffing in our organization and recovery residence. We need more co-occurring facilities to meet the need.

[illegible]

An Angel's Wing, Inc.

6. Housing, housing and more housing. The housing situation is dire in Androscoggin County. We take in people who are unhoused and in active addiction. We first help them to sign up for treatment, reunification, healthy lifestyles, employment/education, housing support (i.e.: section 8 and braap). Once the treatment is completed, we attempt to help to find housing for independent living. This is one of the biggest challenges overall. They do not have funds for the first, last and security deposit and if or when they do, there is no housing available.

7. Case management is also a growing need. The unhoused come to us without any assistance. They have either lost their assistance due to housing or lost their card. Another situation is someone else has their card and they are using it. I don't have answers to this because, how do you keep up with someone who cannot be located but there has to be an answer.

Sincerely,

Debra York, Executive Director

November 29, 2023

City of Auburn
ATTN: Zakk Maher, Deputy Director of Business and Community Development
Auburn Hall, 60 Court Street
Auburn, ME 04210

Dear Zakk:

On behalf of our staff, board of directors, and the children we serve in Auburn, I would like to thank you for your consideration of the enclosed request for $3,000 in social welfare funding.

Our mission at Camp Susan Curtis (CSC) is to provide a transformative camp experience that nurtures self-confidence and a sense of belonging in Maine children facing economic hardship. The children we serve face many struggles in their daily lives. All of our campers are experiencing economic hardship. Many of our campers have experienced food insecurity, not knowing when they'll get their next nutritious meal. Some campers are in the foster care system, or have a parent who is incarcerated, or live with a caregiver struggling with addiction. Some campers have parents working two or three jobs, leaving them with the responsibility of cooking and caring for their younger siblings.

But all of our campers have this in common: for 10 days every summer they get to come to camp and just be kids in a safe and supportive environment. They get to take swim lessons, learn how to ride a bike, try kayaking, or hike a mountain for the very first time. They get to experience the unique beauty of the Maine outdoors on 100-acres of conservation land. Through supportive relationships with mentors and peers, campers gain the self-confidence needed to believe in themselves.

Our campers learn that they can dream big and hope for something beyond the struggles of their day-to-day lives. As they get older, they are exposed to college and career opportunities they may not have access to otherwise. Most importantly, our campers get to be a part of a lifelong community that will support them on the journey to becoming healthy, thriving people.

We are truly grateful for your consideration and encourage you to reach out if you have any questions. I can be reached at 207-774-1552 or ebonner@susancurtis.org.

Sincerely,

Emily Bonner
Development and Communications Manager

- **Camp Susan Curtis Fiscal Year:** January 1, 2023 to December 31, 2023
- **Unduplicated youth served from the City of Auburn:** 23
- **Cumulative number of nights in the care of Camp Susan Curtis:** 230
- **Area Partners:** Fairview Elementary, Sherwood Heights Elementary, Walton Elementary, Washburn School, Park Avenue Elementary, Auburn School Department

Organization Mission and Overview: The mission of Camp Susan Curtis (CSC) is to provide a transformative camp experience that nurtures self-confidence and a sense of belonging in Maine children facing economic hardship. Since its inception in 1971, more than 19,000 Maine children between the ages of 8 and 18 have benefited from CSC's signature summer camp.

It is important to highlight that many traditional summer camps are cost-prohibitive to CSC's constituency. CSC is the only Maine camp that exclusively serves Maine children facing financial hardship. While some Maine camps offer partial scholarships, CSC fully subsidizes program costs for all participants, eliminating barriers to access. This includes the provision of items such as rain gear, sleeping bags, sneakers, swimsuits, bug spray, and sunscreen. CSC also removes barriers to access by offering free transportation to and from camp, or gas cards to families that transport their child(ren).

Program Description: In 2024, CSC will offer 4 sessions of its 10-day co-ed residential camp at its 100-acre campus on pristine conservation land in Stoneham, Maine. Here at this campus, CSC provides traditional camp experiences for 4th through 7th graders; a variety of special interest programs for early teens; and a leadership development program for older teens. CSC works with a network of 100+ school and community partners across the State of Maine who refer students to the CSC program and who serve as liaisons between camp staff and families.

During their time at CSC, campers will benefit from experiential and physically active outdoor programming; a complete disconnect from screens and technology; extended time spent immersed in nature, which helps reduce depression and anxiety while increasing self-confidence; a reliable schedule and clear expectations, providing a sense of stability; three balanced meals a day and a healthy, energizing snack; an abundance of opportunities to try new activities; a sense of community and belonging among understanding peers and caring camp staff; and a safe, supportive environment to take risks, make mistakes, and learn new skills.

Some of CSC's experiential camp programs include challenge ropes courses; waterfront activities such as kayaking and paddleboarding; arts and crafts projects like nature art and ceramics; hiking, yoga, and meditation; and a wide array of sports.

Older campers benefit from college tours, introductions to scholarship resources, leadership reflection projects, life and workforce development workshops, conversations with Mitchell Scholars and USM Promise Scholars, and opportunities to advance into roles as camp counselors providing them with leadership training in a paid position.

Community Need: In addition to facing economic hardship, many campers arrive at camp having also experienced housing instability, violence or bullying, the incarceration or death of a caregiver, caregivers who are struggling with active addictions or mental illness, and/or engagement in the foster care system. As a result of their severely compromised resources and difficult life circumstances, this vulnerable segment of Maine's population is at a significant disadvantage for healthy childhood development and long term wellbeing. Unlike their peers from more-resourced families, most CSC campers cannot afford the extracurricular activities or access the systems of familial and community networks that would positively support their health; and social, emotional, and educational development.

Evaluation Tools: CSC utilizes surveys as its primary tool to assess program impact. These surveys are disseminated to campers, caregivers, and referral partners. CSC also conducts "exit interviews" with campers to get feedback about how the camp experience impacted them. These interviews serve the dual purpose of letting each camper know that they have gained a supportive adult in their life and is an opportunity to share contact information and encourage the camper to reach out during the year if they need a listening ear, a champion, or a reference for post-secondary pursuits.

Budget: CSC maintains detailed fiscal records meeting all requirements set out by funders and the American Institute of Certified Public Accountants. CSC's current operating budget and audited financial statements are available upon request.

Dear Sir or Madam:

This is in response to your August 28, 2014, request for information regarding your tax-exempt status.

Our records indicate you were recognized as exempt under section 501(c)(3) of the Internal Revenue Code in a determination letter issued in May 1971.

Our records also indicate you are not a private foundation within the meaning of section 509(a) of the Code because you are described in section 509(a)(1) and 170(b)(1)(A)(vi).

Donors may deduct contributions to you as provided in section 170 of the Code. Bequests, legacies, devises, transfers, or gifts to you or for your use are deductible for federal estate and gift tax purposes if they meet the applicable provisions of sections 2055, 2106, and 2522 of the Code.

Please refer to our website www.irs.gov/charities for information regarding filing requirements. Specifically, note that section 6033(j) of the Code automatically revokes the tax-exemption of any organization that fails to satisfy its filing requirement for three consecutive years. The automatic revocation of exemption is effective as of the due date of the third required annual filing or notice. The IRS maintains a list of organizations whose tax-exempt status was automatically revoked at IRS.gov.

If you have any questions, please call the phone number in the heading of this letter.

Sincerely,

Tamera Ripperda

To:CDBG <cdbg@auburnmaine.gov>
Cc:Amy Hatter <ahatter@auburnmaine.gov>

Some people who received this message don't often get email from bsibley@communitycreditunion.com. Learn why this is important

To Whom It May Concern,
Community Credit Union has been serving the Auburn community for many years. Since 2020, when Community Credit Union received its designation as a Community Development Financial Institution from the U.S. Treasury Department our team has been even more intentional in serving the underserved throughout Androscoggin County. With the assistance from a series of CDFI Fund Grants we launched several loan programs that support underserved groups such as transportation loans for those with no credit, damaged credit or limited credit history, emergency loans, rental security deposit loans and more. Another loan developed was career advancement loans in partnership with New England School of Metalworks to help more individuals get trained in welding, this comes with two hours of financial education for all those enrolled in the Welding cohorts. The grants received in the past few years have also assisted the Credit Union in taking the lead with the Bridges Out of Poverty Steering Committee that had gone dormant throughout the pandemic and lost its momentum. Funds were used to offer free quarterly trainings for community members wanting to learn the Bridges Out of Poverty constructs, sponsor tuition costs for additional Facilitators and launch initiatives such as Getting Ahead in a Just Gettin' By World here in Androscoggin County. The community has benefited from these efforts but the funding will be exhausted by year end. The Credit Union also launched a workforce stability initiative in October 2022 called the Community Cornerstone Program. This program assists employees of designated Champion Partners in building resources and finding more stability. The Financial & Life Navigator is embedded within 6 area employers and also maintains a strong network of community partners to provide resources.

The consistent unmet need our team hears about in our branches and in our community work is the lack of affordable housing. Rental units and homes are not affordable to low and middle income households and the number of housing units is significantly less than the number of families seeking safe housing options. I think dedicating resources to navigating this housing crisis would be helpful to those on the brink of homelessness and those that are currently without housing.

As the funding for Bridges Out of Poverty and related programming like Getting Ahead winds down I think it's important that municipalities and community partners see the importance of keeping these programs alive and continuing to train/educate individuals and organizations on the Bridges constructs so that we can see real social change and more equitable systems in our community in the future. It is nearly $1,000 per Investigator (participant) to complete the 16 week Getting Ahead in a Just Gettin' By World program. This includes a stipend, meals, workbook, supports for daycare & transportation in many cases as well as shared cost for a Facilitator. Community Credit Union has sponsored the first 16 graduates to the program and have 10 Investigators enrolled currently with a May graduation timeline. That is $26,000+/- invested in our community members who are looking to find stability and write a future story for themselves and their family. These individuals have navigated challenges in life and their voices could be valuable resources to municipalities and other community organizations. If our community lets this program die out again due to lack of funding support it will perpetuate the negative narrative of this region that so many of us are fighting so hard against. This is a valuable program for local employers to help their most vulnerable employees establish better resources and gain stability.

These are some of the unmet needs I think are relevant to your community discussions with local, state and federal funders. If you have any questions please don't hesitate to reach out for more information.

Sincerely,

Betsy Sibley (she/her/hers)

[External]Unmet Needs

Patricia Weidler <peweidler@yahoo.com>

Thu 2/15/2024 9:49 AM

To:CDBG <cdbg@auburnmaine.gov>

Hi,

I've been volunteering at the Drop-In Center located in the vestry of the First Universalist Church of Auburn since it opened (I'm also a resident of Auburn). The Drop-In Center has been open over two years, and over the years I've seen much community and city support. Food seems to be more available, and case managers have worked hard to get people on SNAP and health insurance. Opening Calvary as a nighttime warming center is a huge step, but there continues to be a large need for unhoused people to have shelter from adverse weather year round even if it is just on an emergency basis.

I continue to see the following basic human needs being largely unmet for our unhoused community members:

(1) Regular access to safe drinking and washing water.
(2) 24/7 access to safe bathrooms with handwashing within a short walking distance.
(3) A secure, safe, heated/cooled, and clean space in which one can sleep for seven to eight uninterrupted hours each day (sleep is as important as water and food for ones health, especially if one has mental health challenges).
(4) A safe and secure place to sleep outdoors, especially when there are not enough shelter beds or apartments available.
(5) A safe and secure and weatherproof place to store documents, communication devices, and possessions (so that a person can provide appropriate ID upon request of authorities and can go to appointments and into libraries and buildings without bringing much or all of ones possessions).
(6) Trash pick-up and/or disposal.

Thank you for listening.
Sincerely,
Patty Weidler

To:Amy Hatter <ahatter@auburnmaine.gov>

HI Amy,
Are you still taking unmet needs letters? If so, I'm happy to submit one. I was not on the original email list and an email from Jennifer Morin prompted me to look in my email for any emails from you. I see the deadline was March 1st in the second email you sent to Pam and I. Current numbers are at 178 as compared to 185 at this same time last year. Unaccompanied youth numbers are at 38 compared to 39 at this time last year. They are included in the larger number. We are basically keeping pace with last year.

Thank you,
Sasha

Fax: 207-795-4009 • www.seniorsplus.org

February 12, 2024

Mr. Zakk Maher
Community Development Manager, City of Auburn
60 Court Street
Auburn, ME 04210

Dear Zakk:
Since 1972, through its Meals on Wheels (MOW) program, SeniorsPlus has helped thousands of individuals fight hunger – including thousands in the city of Auburn. MOW coordinates resources and assets providing wraparound support. In tandem with its nutrition services, SeniorsPlus has enabled older people and adults with disabilities to remain at home, working to ensure their health and wellness, to fight isolation, and to provide a trusted resource for their questions and concerns through our Information and Assistance programs. Last year, in total, SeniorsPlus served 8,000 individuals and fielded 170,000 phone inquiries in our tri-county area.

The years have seen our aging population continue to grow and, with it, demand and costs. SeniorsPlus again looks to the City of Auburn for support of the important services it provides in our community. We request $20,000 in CDBG funds to help support our Meals on Wheels in Auburn, and $5,000 for our Information and Assistance work. We are grateful for the past support of the Auburn community through Community Development Block Grants.

Community Needs and Gaps Addressed: Food Insecurity
Nutritional status, food insecurity, emotional wellbeing, socialization, and self-care capacity are highly inter-connected and play an important role in the lives of older adults. The majority of the older adults and adults with disabilities served by SeniorsPlus live on a fixed income or are low income or both, rely on Medicare/Medicaid, or Social Security benefits. Many clients are homebound, unable to prepare their own meals, and don't have available assistance to help with meals. Many of those served are socially isolated and rely on the social interaction that a meal delivery and wellness check provides to them on a regular basis.

Recognizing these needs, SeniorsPlus requests funding to help address the basic human needs of food attainment and social interaction for older adults and adults with disabilities in Auburn. These services will help to strengthen the independence and overall wellness of individuals by helping them to live better and healthier lives. The funding being sought will assist in the coverage of staffing costs for our Meals on Wheels (MOW) program. The MOW kitchen is in Lewiston and serves Auburn community members.

MOW provides essential public services to improve quality of life for individuals with low-moderate incomes, particularly older people and people with disabilities. The overall goal of SeniorsPlus is to assist people to age well so that they are able to stay at home independently as long as possible. MOW, and the wellness check MOW provides, support basic human needs while creating a connection to community. MOW can make the difference between people staying at home or going to a nursing home or other facility. Helping to assist people to stay in their homes also helps to reduce tax payers' dollars while keeping these clients happy, healthy, and feeling less isolated. SeniorsPlus is the only provider of the MOW program in Auburn.

During FY 2023, SeniorsPlus assisted 176 unduplicated Auburn residents through MOW by providing a total of 22,765 MOW meals. (The total number of meal deliveries in Auburn were the second highest of any other city in our tri-county region.) SeniorsPlus staff track and maintain wellness assessments on MOW clients. MOW clients are assessed annually and also complete an annual survey.

Community Needs and Gaps Addressed: Information and Assistance
While MOW provides food, an essential human need, our Information and Assistance program provides the support older people and people with disabilities need: a trusted nonprofit resource for their questions and concerns. This essential service improves the quality of life for these individuals. Older people are often the victims of fraud, and/or have no one in their lives to lean on for support. Our Information and Assistance program enables our dedicated and highly trained staff to respond to the myriad of inquiries we receive: from housing questions, to caregiver and veterans support, to Medicare counseling, to scam concerns. Our vast educational programming provides other options. Sometimes, we are just a reassuring voice at the end of the phone. In FY2023, 594 Auburn residents benefited from our Information and Assistance services. Many of these client questions regard financial difficulties, and when our Community Services team respond, they often determine underlying issues that qualify these individuals for benefits for which they were not aware they qualified, including MOW. They also may refer them to services such as transportation that are provided by other nonprofits in the community. In so doing, the client finances shift to a more positive position, which can help them to remain at home securely or allow them to purchase medicines on which they'd scrimped. Clients with complex concerns may choose to meet in person, online, or a phone consultation.

Please contact me with any questions you may have. Thank you for considering this request.

Sincerely,

Betsy Sawyer-Manter
President and CEO

Mission: The mission of SeniorsPlus is to enrich the lives of older people and adults with disabilities, their families and communities, and to support them to make informed choices.

Letter of Intent to Apply

City of Auburn

Strengthen LA (as supported by The Lewiston Auburn Metropolitan Chamber of Commerce Foundation) intends to apply for $20,000 of CDBG funding from the City of Auburn to continue to support Strengthen LA's workforce development efforts for Auburn residents.

Since 2022, the City of Auburn has supported Strengthen LA through its CDBG program. In that time, we have been able to address challenges that continue to face our community today. Issues such as transportation, food insecurity, housing, childcare, can be improved with a career that pays a livable wage. Strengthen LA is a group of community and business leaders who come together to help identify and remove barriers to employment. We share information, resources, and expertise in a very intentional way to create positive change in an ever-changing workforce environment.

Workforce development and training is not an unmet need but a persistent one. While programs like Strengthen LA have begun to move the needle in a positive direction, the work is far from over. By continuing to fund workforce efforts, the City is working toward addressing those other vital issues noted above by increasing wealth among its residents.

An investment in Strengthen LA is an investment in the community. Not only does Strengthen LA position career seekers for success with local employers, but it is also a community collaboration with over 35 partners in various sectors, including social services, economic service providers, education, employers, and philanthropic partners that are committed to working in unison for the betterment of all. An investment in Strengthen LA is an investment in communication among partners, it is an investment in a strategic vision for our workforce, it is an investment in an inclusive partnership that is open to all because workforce development is an issue that impacts us all.

Unlike other programs being offered, Strengthen LA has a laser focus on our community. Strengthen LA was designed to serve this community and this community only. It was created to identify unique challenges and to build a network for creative solutions that can be executed in our own backyard. Strengthen LA is tailor made for Auburn and its neighbors.

As such, Strengthen LA focuses on our three largest industries: construction/manufacturing, healthcare/mental health, childcare and early education. In addition to being strong career opportunities for our local career seekers, each of these industries provides much needed resources to our community that not only provides stability but economic growth. As our local businesses grow, so does our community, making for a strong future.

STRENGTHEN LA

415 Lisbon Street, Suite 100, Lewiston, ME 04240 Phone: (207) 783-2249

For our career seekers, Strengthen LA provides three key opportunities:

- We offer integration among our partners, making access to resources easier and less cumbersome but cutting down on some of the administrative burden that comes with accessing services.
- We provide information on the various resources available. Our community is rich with resources but keeping them all straight and knowing how to access them can be a challenge.
- We help by offering inspiration. All our interactions are person to person, and we break down the steps necessary for success making even the most challenging road feel attainable. Our career seekers have told us our Employment Opportunity Coaches are our number one asset!

For our local employers, Strengthen LA offers:

- A recruitment pipeline of willing career seekers that we have screened in advance, only sending candidates that we feel would fit the needs of an organization.
- Access to resources. Just like our career seekers, accessing resources can be a challenge for employers. We make the connections, so they don't have to. We also offer opportunities to explore new solutions through pilot programs and focus groups starting in 2024.
- Provide retention services. Our ability to remove barriers doesn't end with employment. We can help your existing workforce with the same challenges facing our career seekers.

We appreciate the opportunity to request funding from the City of Auburn again, to support our local workforce efforts. It is so important to have local support behind our local workforce initiative and we thank you for once again, considering supporting StrengThen LA for CDBG funding.

Sincerely,

Brian Pickard
Vice President of Finance + Operations
Strengthen LA
Lewiston Auburn Metropolitan Chamber of Commerce

22 Colonial Way
Auburn, Maine
04210

Dear Amy,

Just a thought; after reading back my letter I remembered in Lewiston when community development were taking place and big changes were being made. I participated in a community gathering called "Charette" or "Shanelle" (not sure of the spelling.)

Anyways, the community members and stakeholders were called to gather at a meeting at a community center. The outcome was positive and a open mic was showed up. -PV-

OMB Control No: 2506-0117 (exp. 09/30/2021)

Annual Action Plan
2024

OMB Control No: 2506-0117 (exp. 09/30/2021)

City of Auburn Annual Unmet Needs Action Plan Team,

It is my distinct pleasure, on behalf of the YMCA of Auburn-Lewiston, to submit a letter outlining a list of unmet needs that we have identified from our organization's members, participants, front line and administrative staff, as well as our collective community work. I will do my best to articulate all of the varied perspectives and ideas. If you require follow up, please feel free to contact me directly at tjennings@alymca.org.

Housing

The housing crisis is not unique to the Auburn area, but it is affecting the residents. The lack of affordable rental properties and the high cost of homes is a burden on not only the low-income population but the middle class as well. We have heard complaints of rent being increased to a level that is no longer feasible with very short notice, inability to pay for home repairs, home weatherization, and the lack of available properties both for rent and to purchase. Yes, there are programs to assist in home related issues but if you are over the income threshold, you cannot access that avenue of services.

Heat

The rising cost of heat is a continuing issue. Coupled with the current economy some residents are fearful that they will not be able to heat their homes effectively, if at all. Again, if you are over the income threshold for assistance, you are left to make those hard choices of which bill you are going to pay first.

Unhoused Community

The unhoused community needs more than what they are receiving. While efforts in both Auburn and Lewiston are making strides, more needs to be done. These individuals need adequate shelter from the elements, showers, and safe spaces to keep their belongings. The warming centers are wonderful but are lacking showering stations.

Safe Streets

We have received complaints and concerns about unsafe sidewalks, inadequate lighting, unsafe traffic patterns/motorists, crosswalks etc.

Playgrounds

Caregivers are looking for safe, clean, accessible and natural outdoor spaces for children to learn and play.

We are looking to include a safe play space for youth in our Outdoor Learning & Education Pavilion Expansion Plan.

Aquatic Accessibility

We have heard from the community that there needs to be access to pools and safety classes for children and caregivers.

We have a seasonal pool at our Outdoor Learning & Education center which we hope to renovate in the afore mention Expansion Plan to allow for longer seasonal use and a larger pool space to increase capacity.

Food Insecurity

This is an ongoing issue and one that is now affecting more people than ever before. We are seeing needs arise among low- and middle-income participants and members. In addition, many have complained that lack of transportation, physical mobility and the hours of food pantries are just a few of the barriers that people face. There is also a great stigma and pride surrounding access to food.

Basic Needs

We receive countless inquiries about basic needs to include clothing, winter gear, diapers, baby wipes, baby formula, heat, food, gas, and utilities. We have heard some residents express fear that their electricity may get shut off in the spring because they are behind on their electric bills. CMP cannot disconnect your power during the winter months, so some residents have put this bill on the back burner to try to cover other expenses.

Childcare

After the covid pandemic and the closure of MANY childcare providers across the state, residents are in need of quality childcare and out of school time programming. Particularly infant, older infant and toddler care. Many providers provide preschool/pre-k programming as it is more cost efficient, but due to state ratios for the 3 younger age brackets they are not a "money maker", and therefore not a priority.

We have made some adjustments in some of our childcare programming to accommodate the needs of the community by opening a new older infant/toddler classroom at our Temple Garden Bradman Street location.

Financial Assistance

We have had inquiries about help with a myriad of financial assistance needs but relative to our programs we have increased inquiries around childcare assistance, camp scholarships and memberships.

Community Connectedness

Residents from youth to the elderly have expressed a need and longing to feel a part of their community and to feel connected to their neighbors and peers. Social emotional health has been a continuous issue but has been exacerbated by the covid pandemic and continues to elicit feelings of loneliness, disconnect and anxiety. This has led to statewide increases in depression rates and suicidal ideology.

Suggestions from the public have included more in-person connection events, Community spaces for youth and the elderly to gather safely, transportation assistance to reach these events/spaces, community training, family friendly opportunities (some suggested broken down by age demographic).

Our Expansion Plan would enable us to be a community hub for events and trainings and would be able to cater to all age brackets in our community!

Transportation

Residents require more transportation options with better availability and accessibility.

Cultural Sensitivity

Our communities need cultural sensitivity education. Some participants have expressed frustration that the community does not understand them as a people/person, as a community member, a co-worker, a refugee or their culture and customs. On the flip side of that, we have heard others report a lack of understanding about their immigrant community members and a desire for education.

Mental Health & Healthcare

We have heard that participants are having trouble accessing resources, availability of appointments, wait times for services, cost of services and high prescription costs and lack of providers.

Substance Use Disorder, Treatment and Recovery

Our community members have expressed concerns over the state of the substance use epidemic in the Auburn-Lewiston area. Concerns range from community impact, family impact, stigmas associated, recovery friendly workplaces, treatment services, community reentry services, prevention education efforts and availability of Narcan/Narcan administration training.

In closing, I hope that I have captured even a fraction of the needs we have heard expressed by all of the people that we serve, our front-line staff and the needs seen or heard by our administration.

The YMCA of Auburn-Lewiston hopes to continue being a valued partner in assisting the City of Auburn in addressing the needs of our community and we look forward to collaborating with you for years to come.

Respectfully,

Tina Jennings

Association Director of Community & Youth Engagement

Voicemail received by Amy Hatter, Community Development Manager, from Phillip Holt on 3/28/24.

"Amy, my name is Phillip Holt, H-O-L-T. I live at 34 Davis Avenue in New Auburn, and I have a card here, inviting people to let you know what sorts of improvements you'd like to see within the city. What I would like to see would be for the public works department to install a speed bump about in the middle of Davis Avenue, between Spring Road and the bottom of the hill. This section of the road was much improved some time ago with curbs the full length and nice sidewalks. The road is nice and smooth.

"People drive much too fast, and I'd like them to slow down. They go as fast as 45 or 50 MPH. Some drive at a reasonable speed, so a reasonable speedbump would do the job."

April 30, 2024

New Auburn Association Meeting

Action Plan presentation

Public Comments

1. From Annete Ozier, New Auburn resident
    a. "They're not even in your area because you find places for people to live. Auburn Housing – I'm under Section 8 in this apartment, but then I thought, "Well, they sold the house, so we have a new landlord. But he didn't raise the rent." I was thinking maybe I could move out of here and go to elderly housing. They have a lot of papers to fill out. They have a hundred units over there in Great Falls Esplanade. I thought there must be some people that die or go to nursing homes, so they have to have vacancies. But then the Roak Block (interruption, woman in background, unnamed "Roak Block"), they have almost 100. The thing is (interruption, woman in background, unnamed, "I think there's a waiting list"). Yeah, there is a waiting list (interruption, man in background, unnamed "Barker Arms right here") and everything. (Interruption, woman in background, unnamed "And the Barker over here.") Yup."
2. Larry Pelletier, 2nd Street, New Auburn
    a. "I'm wondering if you have any info about the newly formed group that the mayor and – one councilor, maybe two councilors – and folks that are involved in both communities pertaining to the homeless. Have you heard anything?"
    b. Second comment, "I just ask, there's a new group formed since a new mayor was elected, and he's on a board with a lot of folks that have been working with the homeless for years now. They're working with a group, AVCOG. I don't know what that stands for (interruption, man in background, unnamed "Androscoggin Valley Council of Government.") They've been having a couple meetings a month or one meeting a month. (interruption, man in background, unnamed, "Belinda's on that. Let Belinda answer a couple of your questions.")"
3. Leroy Walker, City Council Ward 5
    a. "For quite a few years now, St. Louis Church has been either up for sale or up for the taking or maybe even free if somebody wants to do something with it. With all the different money that's going through your department, through the ARPA, and whatever else that's coming down from the feds, if we can't sell that building to somebody or give it away, maybe there's a place there for a plan to turn that into some kind of homes or home overall for more than 10 people or whatever. Because I know this community doesn't want to see it torn down. So maybe there's a way of saving it if somebody would think – and that somebody would probably be Jay – but you would have to put that bug in his ear. If they can't sell it off or get someone to do something with it, then we ought to look at developing the building ourself."
4. Chris Rioux, 7th Street, New Auburn

a. "I guess questions are – it looks like there's a potential for some of the funds to go into potential, like what we were just talking about with cemetery work. A lot of these cemeteries are parks in the city, and they're drastically underfunded and under-repaired and under-maintained. Oak Hill, specifically, has some pretty significant drainage and other issues with the property. Graves falling over, things like that that go years unmaintained and uncorrected. Which is unacceptable for our loved ones that are buried there. The other one is regarding the funding that goes to apartment owners, making sure that there are safeguards in place to make sure people that aren't doing their due diligence to maintain their properties – regardless of the funds that they're getting for those units – aren't just being able to not maintain the property they're making premiums on, in order to use these funds moving forward, by just not investing in their investment property. They don't need to own the building. They're doing it as an investment, regardless of how much they're making in rent. Being able to get city or state or federal funds in order to supplement somebody who is using it as an investment – we're giving them money for their investment properties. It seems like it's probably not the best course of action, as long as they're doing their due diligence and there's extenuating circumstances, that would be different. I feel like those funds could be better allocated."

Executive Summary

Subject Property

This study relates to a new, scattered site Notice of Funding Opportunity (NOFO) for the primary purpose of developing affordable, HOME-assisted housing units within Auburn, ME. The scope of this analysis consists of a comprehensive market needs assessment and absorption capabilities for new housing developments within the city.

This NOFO makes available funding for up to 10 newly constructed, modest residential units. These units will adhere to the HOME High Rents for a period of 20 years after first occupancy. Developers will submit project proposals on a rolling basis until all budgeted funds are committed. Complete HOME underwriting and Environmental Reviews will be conducted for each proposed project.

Most data sources recognize either Androscoggin County or the Lewiston-Auburn Metro Statistical Area (MSA) as a common delineation. Therefore, data utilized for this analysis will primarily reference Auburn, or the Auburn-Lewiston HOME Consortium, a qualified participating jurisdiction (PJ) recognized by the U.S. Department of Housing & Urban Development (HUD). This PJ comprises the cities of Auburn & Lewiston and has a combined population of 60,650, as estimated by the July 2021 American Community Survey (ACS).

Primary Market Area (PMA)

While the project can expect to draw residents throughout Androscoggin County and beyond, we have determined that new units will draw the majority of its residents from Auburn and Lewiston. The City of Lewiston's General Assistance saw 154 new asylum cases, with 34 pending intake, between July 2022 & February 2023. At the same time, the City of Auburn's General Assistance saw over 50 new asylum cases. Additionally, City of Portland's General Assistance department has been placing new residents in Auburn by the. These new residents are primarily refugees being placed in permanent housing. There is no slowdown in the flow from Portland's shelters on the horizon.

New efforts by city staff working with targeted homeless & at-risk populations under the HOME-ARP program have

opened over 20 new cases within the last 2 months. These are existing homeless individuals and families within the jurisdiction that the development of new market-rate housing will not serve.

Economic Conditions

Unemployment for Lewiston Auburn MSA has averaged 5.47%, similar to the state's average of 5.43% and below the country's at 6.37%. In 2021 unemployment declined to 4.80% for the MSA, relative to the state's unemployment rate of 4.6%. The general economic conditions in the PMA are considered favorable and believed to improve as increased housing serves the growing labor market.

Market Rent

Maine Fair Market Rent for 2023, as prepared by Rentdata.org, indicates Maine has the 24th highest rates in the country. The current statewide average rental rate for a 2 bedroom in Maine is $1,045. The below table breaks down average rates as estimated by Rentdata.org. Compared to HUD-published Fair Market Rent (FMR) or High HOME Rents, this table makes the case that current market rents are unaffordable for renters below 80% AMI.

County	0 BR	1 BR	2 BR	3 BR	4 BR
City of Auburn	$747	$834	$1,060	$1,393	$1,576

*https://www.rentdata.org/states/maine/2023

Figure 24 below, as compiled by Towncharts.com, demonstrates median rents by unit size for the City of Auburn. Compared to current High HOME rents, this data indicates that 10% of studio apartments, 5+% of one-bedroom units, 20% of two-bedroom units, and 9+% of three bedrooms exceed the required affordability thresholds established by HUD.

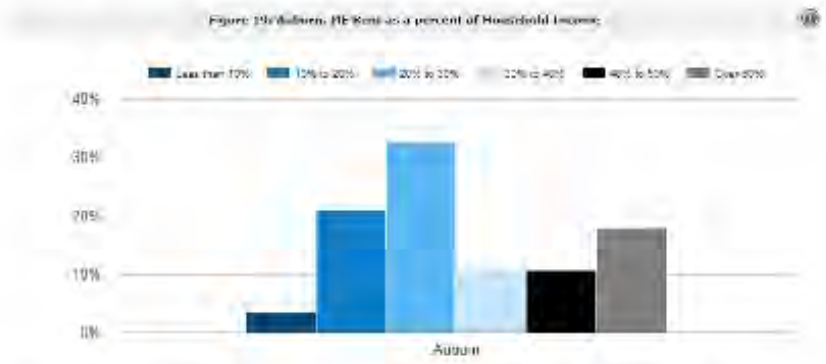

Figure 24: Auburn, ME Monthly Median Rent Rates by Size of Rental in Bedrooms

Rental Rates	Studio-No Bedroom	One Bedroom	Two Bedroom	Three Bedroom
$1,500 or more	4%	2%	0%	9.3%
$1,000 to $1,499	0%	3%	20%	52.5%
$750 to $999	6%	41%	54%	19.5%
$500 to $749	37%	29%	15%	9.6%
$300 to $499	48%	12%	4%	5.2%
Less than $300	6%	14%	5%	0%
No cash rent	0%	0%	2%	3.8%

https://www.towncharts.com/Maine/Housing/Auburn-city-ME-Housing-data.html

Another method to demonstrate rent affordability in Auburn, as compiled in Figure 19 by Towncharts.com, shows that 20% of Auburn renters are paying more between 30-50% of their monthly

household income to rent. This threshold qualifies these tenants as "rent burdened." Additionally, the nearly 20% paying over 50% of their monthly income towards rent are considered "severely rent burdened" by HUD.

Market Analysis

Population and Household Characteristics

U.S. Department of Housing & Urban Development (HUD) defines cost-burdened families as those who pay more than 30 percent of their income for housing and may have difficulty affording necessities such as food, clothing, transportation, and medical care. Severe rent burden is defined as paying more than 50 percent of one's income on rent.

The World Population Review estimates that Auburn is growing at a rate of 0.42% per year and has increased by 1.26% (or 303 people) since 2020. During the same period census data from the American Community Survey (ACS) established Auburn had a poverty rate of 12.1% in 2020 (a 6.6% 1-year increase).

The increase in inflation rates and Auburn's population between 2019 & 2022, resulted in a severe housing shortage. As new efforts have been made to house the previously un-counted homeless population and the increase in asylum seekers, the availability of affordable housing options has been depleted. The City of Auburn has recently taken in 50 additional asylum-seeking families of various origins, while the City of Lewiston's General Assistance has processed over 160 within the current Program year. Additionally, local data collected from the 2 emergency shelters that operated during the pandemic include the Lewiston Ramada Inn and the Lewiston Armory. This data demonstrates the catch-basin effect of homeless services within the Lewiston-Auburn MSA. The combined totals of the two emergency shelters totaled 213 individuals sheltered, with 60% claiming Lewiston as their residence, 20% claiming Auburn, and the remaining 20% coming from outside of the jurisdiction.

Lastly, the McKinney-Vento Liaison within the Auburn school system has demonstrated a dramatic increase in McKinney-Vento qualified youth within the Auburn school system. As of March 2023, 199 students have been reported as homeless or living in substandard housing (39 of which are unaccompanied youth). This rate represents 11.5% of the total enrolled population and is a notable uptick from the 69 reported students at the same time last year.

Affordable Housing Stock

According to MSHA Affordable Housing Options published in March 2023, there are currently 813 Affordable Housing units in Auburn (not including rehab units within their affordability periods). Auburn Housing Authority is currently providing an additional 400 Housing Choice Vouchers to Auburn residents. Combined with the most recent CHAS data demonstrating a total of 4,605 rental units within the city, this figure represents over 26.4% of all rental units in Auburn as affordable defined by HUD.

Unmet Need

Cost-Burdened Renters

As demonstrated in the table below, the most recent CHAS data shows a total of 3,475 renting households below 80 HAMFI. Given the current average market rental rates provided by the 2022 Auburn Housing Authority Rent Rate survey on the next page, families under 80% HAMFI are more likely to be cost-burdened by the current market rates. Therefore, the current availability of 1,213 affordable units leaves an unmet need of 2,262 affordable housing units.

ORDER 74-05202024

City Council Order

IN CITY COUNCIL

ORDERED, that City Council hereby adopts the CDBG/HOME Consortium Annual Action Plan for Program Year 2024 as presented by the Business & Community Development Department.

Richard S. Whiting, Ward One
Benjamin J. Weisner, Ward Four
Belinda A. Gerry, At Large

Timothy M. Cowan, Ward Two
Leroy G. Walker, Sr., Ward Five
Jeffrey D. Harmon, Mayor

Stephen G. Milks, Ward Three
Adam R. Platz, At Large
Phillip L. Crowell, Jr., City Manager

City of Auburn
City Council Information Sheet

Council Workshop or Meeting Date: May 20, 2024 **Order: 75-05202024**

Author: Glen E. Holmes, Director of Business & Community Development

Subject: CDBG-CV Budget Amendment

Information:
The Business & Community Development Department is revising the budget for the CDBG-CV program. CDBG-CV was a one-time allocation of funds for responding to and mitigating the impacts of Covid-19. This revision re-allocates previous unspent funds.

This proposal reallocates unspent funds from the shared food kitchen project & previous year warming center operation (hosted at Auburn Housing Authority) and creates a new Food Accessibility Program.

City Budgetary Impacts:
None

Staff Recommended Action:
Adopt the revised CDBG-CV Budget as presented.

Previous Meetings and History:
Council approval on December 21, 2020
Amendment approval on January 18, 2022

City Manager Comments:

I concur with the recommendation.

Signature: Phillip Crowell Jr.

April 30, 2024

Dear Auburn City Council Members,

Attached please find a temporary food license application for our fundraising event to be held on June 8th at Central Maine Community College. As a non-profit organization fundraising events like these go a long way in supporting our programs. The funds raised at this event in part from the sale of concessions will be used for our K.I.C.K.S. Kids In Control Keep Safe youth leadership training programs.

These programs run after school and during the summer months with a focus on developing leadership skills and qualities through traditional training as well as community service to others. Our goal this year is to secure enough funding to provide this program free to students in our community who are homeless and/or financially disadvantaged.

I am writing this letter to request that the licensing fee be waived due to our non-profit status and commitment to our community.

I personally have a Food Service Manager's certificate and will ensure that food is properly handled at the event. We will be serving grilled burgers and hot dogs with potato chips and other store-bought snacks.

Thank you in advance for your consideration.

Sincerely,

Donna Harris, CEO

Describe in detail the room(s) to be used under the permit:
Concession Stand @ CMCC

Include a diagram or floor plan of your business. On the diagram please list the following:

Main Entrance, Secondary Entrances, Fire Escapes, Fire Extinguishers, Location of Stationary Security Personnel, Food Serving or preparation areas, the direction of any speakers, Dancing Area, Locations where alcohol will be sold.

Have any of the applicants, including the corporation ever had a special amusement license denied or revoked?

☐ Yes ☒ No If yes, Please explain (Including location and timeframe):

_____

_____

PLEASE PROVIDE THE FOLLOWING, IF APPLICABLE:

CURRENT LIQUOR LICENSE #_____EXPIRATION DATE:_____

PLEASE BE ADVISED THAT THE APPLICANT MAY BE REQUIRED TO COMPLY WITH THE FOLLOWING CONDITIONS:

Applicant agrees to have two counters or clickers at each entrance. One will be used to document the patrons that have entered the establishment. The second will be used to document the patrons that have exited the establishment. This will give the staff and public safety personnel an accurate count of patrons in the establishment.

Applicant agrees to have the maximum seating and or occupancy capacity clearly listed in each room that is open to the public, and to have security and or staff stationed at all times at all entrances and exits used by the public.

Applicant agrees to, if so ordered by the Chief of Police, to hire sworn members of the Auburn Police Department for security. The rate will be at the current City of Auburn detail rate. These officers will supplement the existing staff or security.

The below chart will be used as a guide in determining the numbers of officers required.

Number of Attendees	Number of Police
1 - 200	2
201 - 400	4
401 - 600	6
601+	One supervisor and one additional officer for each 200 attendees or portion thereof in excess of 601

All requests for modification(s) of the approved Special Amusement license must be submitted in writing to the City of Auburn. Any changes made without approval from the City of Auburn may result in an immediate suspension of the license. Signature on application releases the Auburn Police Department, its agents and representatives from any and all liability of every nature and kind arising out of the furnishing, inspection or collection of such documents, records and other information or the investigation made by the Auburn Police Department.

I do hereby authorize Auburn Police Department and its agents to receive copies of records and/or any information concerning my background, character, bank accounts, businesses, places of employment, schools and any other source necessary for the purpose of obtaining a Special Amusement License.

I have read and understand section 14-600 to 14-609, Special Amusement Permits, of the City of Auburn's business license ordinance. DH **(Initial)**

ORDER 76-05202024

Council Workshop or Meeting Date: May 20, 2024 **Order:** 77-05202024

Author: Alison F. Pepin, Deputy City Clerk

Subject: Waiver of Business License Fee – Auburn Suburban Baseball/Softball

---

Information: An application for a waiver of business license fee of $200 was submitted by the Auburn Suburban Baseball/Softball, located at 4 Mount Apatite Road. Auburn Suburban Baseball/Softball is a non-profit organization that operates a concession stand during the 2024 season.

City Budgetary Impacts: $200

Staff Recommended Action: Consider waiving the fee

Previous Meetings and History: Annual request.

City Manager Comments:

I concur with the recommendation. Signature: Phillip Crowell Jr.

Attachments: letter of request for waiver, application, order.

April 18, 2024

City of Auburn
60 Court St.
Auburn, ME 04210

Honorable Mayor & City Council Members:

On behalf of Auburn Suburban Baseball & Softball (ASBS), I respectfully request a waiver of the $200.00 licensing fee for operation of our concession stand (snack shack) during the 2024 season (April 2024 - July 2024).

ASBS is a non-profit organization serving over 400 youth through competitive baseball & softball teams. Funds raised by the snack shack, staffed by volunteers, are vital to the success of our organization. Funds raised throughout the season support facility maintenance, new equipment, program expansion (Buddy Ball), uniform purchase and items/services to ensure the safety of our families and players.

I invite you to join us for a game this season, appreciate your support of ASBS and hope you will consider waiving our licensing fee this season.

Sincerely,

Mark Porter
ASBS Treasurer

City of Auburn
City Council Information Sheet

Council Workshop or Meeting Date: May 20, 2024 **Resolve:** 05-05202024

Author: Michael Broadbent, Auburn Water District Superintendent

Subject: Request for Authorization of Bond Approval

Information: At the monthly Auburn Water District Trustee meeting on July 19, 2023, the Trustees voted to authorize pursuit of a $650,000 Drinking Water State Revolving Loan through the Maine Municipal Bond Bank for the purchase of a Vactor Truck. This equipment is essential for the District to comply with the EPAs Lead and Copper Rule Revisions. The Maine Department of Health and Human Services has agreed to forgive $344,816.00 (55%). The remaining loan will be issued through the Maine Municipal Bond Bank for the amount of $282,123 for a term of 10 years at 0%.

The District is required to submit a service line inventory of every water service connected to our system. At this time the District has over 900 incomplete service records that will require the excavation of services to determine material type. Utilization of this new truck will greatly reduce excavation costs and the impact to our customers.

In accordance with the Auburn Water District Charter, Auburn City Council approval is required for the issuance of bonds.

City Budgetary Impacts: None

Staff Recommended Action: Recommend passage

Previous Meetings and History: N/A

City Manager Comments:

I concur with the recommendation. Signature: Phillip Crowell J.

RESOLVE 05-05202024

City Council Resolve

IN CITY COUNCIL

RESOLVED, that the Auburn City Council, in accordance with section 13 of the Auburn Water District Charter, hereby grants permission to the Auburn Water (the "Water District") District to issue its bonds and notes in anticipation thereof, referred to herein as the "Water District Bonds" in the aggregate principal amount not to exceed $626,939 to purchase a Vactor Truck for compliance with EPAs Lead and Copper Rule Revision.

BE IT FURTHER RESOLVED, by the Auburn City Council, that the Water District bonds shall not constitute any debt or liability of the City or a pledge of the faith and credit of the City, but shall be payable solely by the Water District, and the issuance of the Water District Bonds shall not directly or indirectly or contingently obligate the City to levy or to pledge any form of taxation whatever therefor or to make any appropriation for their payment.

Monthly Financial Report
February 2024

Authored by: Kelsey Earle

To: Honorable Mayor, Members of the City Council and City Manager
Subject: Financial Report for the Month Ending February 29, 2024

I respectfully submit the financial summaries of the revenue and expenditure activities for the City during the month ending February 29, 2024.

Please note that although the monthly financial report contains amounts reported by the School Department, this discussion is limited to the City's financial results and does not attempt to explain any variances for the School Department. The City has completed its seventh month of the current fiscal year. As a guideline for tracking purposes, revenues and expenditures should amount to approximately 58.3% of the annual budget. However, not all costs and revenues are distributed evenly throughout the year; individual line items can vary based upon cyclical activity.

General Fund Highlights

Revenues

• Total revenues collected through February 2024 were **$71.1M** or **62.88%** of budgeted general fund revenue, as compared to **$68.6M** of actual revenues through January 2023.

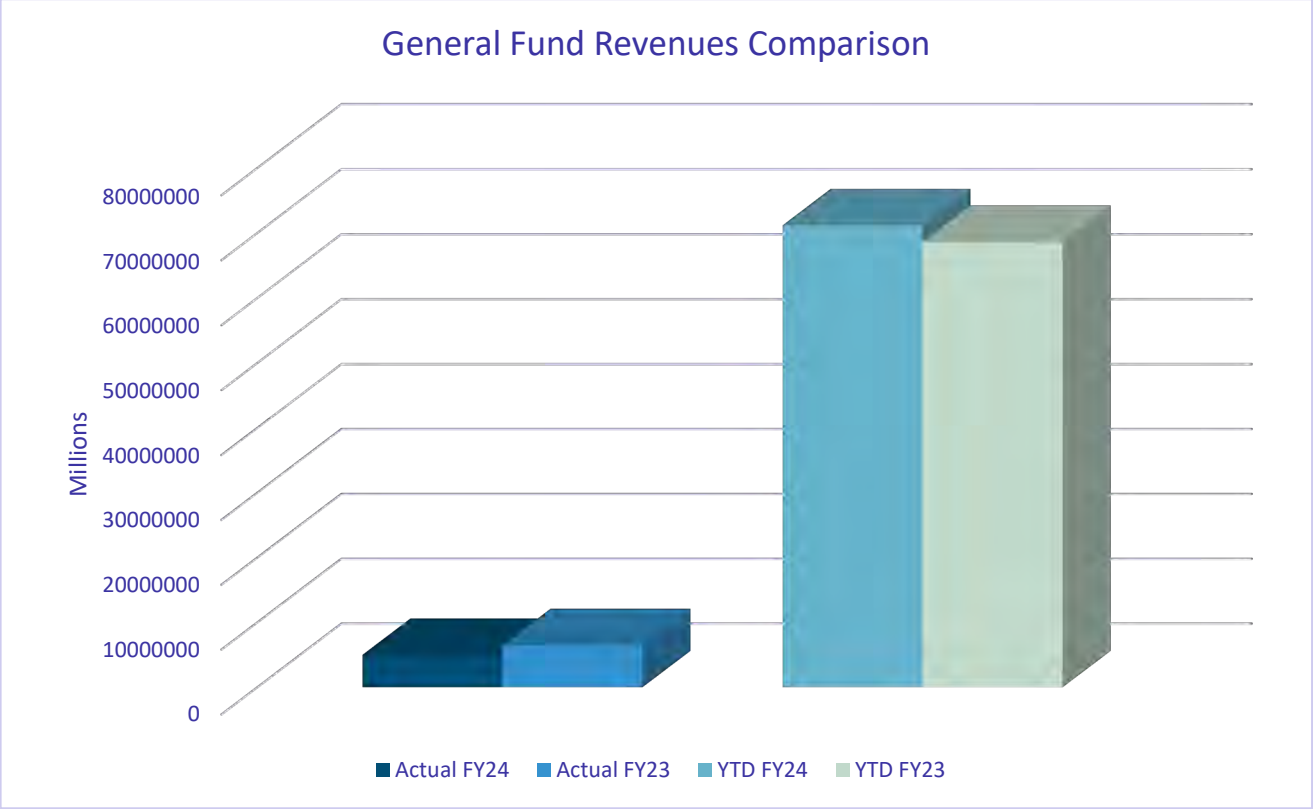
•Year-to-date tax revenues of **$35.9M** were **3.09% higher** than the prior year.

• Permitting revenues increased by **$66,713** YTD, **30.92% higher** than FY2.

Expenditures

• Expenditures through February 2024 were **$64,077,420M** or **56.21%** of the budget, as compared to **$64,482,714M** of actual expenditures through February 2023.

•Utilities saw a **$109,108 decrease** due to energy efficient changes and a net energy billing credits agreement through the Facilities and Energy Department.



Respectfully submitted,

Kelsey L. D. Earle

Kelsey L. D. Earle
Finance Director

Norway Savings Bank Arena

for the Period Ended February 29, 2024

As of February 2024, Norway Arena had an operating gain YTD of $81,636, representing a $66,878 decrease from the same period in January.

Revenues:

The operating revenues for Norway Arena through February 2024 are $672,517. This revenue comes from concessions, sign advertisements, pro shop lease, youth programming, shinny hockey, public skating, and ice rentals. Table 1 reflects revenues collected for the current year with comparison for the same period a year ago. Total revenues represent a 49.36% increase over February FY23, resulting primarily from Gladiators Ice Rentals.

IX. Executive Session pursuant to Title 1 M.R.S.A. Section 405(6)(A) for a personnel matter. *Passage requires 3/5 majority vote to enter Executive Session.*

X. Adjournment

City of Auburn
City Council Information Sheet

Council Workshop or Meeting Date: June 3, 2024

Subject: Executive Session

Information: Executive Session pursuant to 1 M.R.S.A. Section 405(6) (C) to discuss an economic development matter.

Executive Session: On occasion, the City Council discusses matters which are required or allowed by State law to be considered in executive session. Executive sessions are not open to the public. The matters that are discussed in executive session are required to be kept confidential until they become a matter of public discussion. In order to go into executive session, a Councilor must make a motion in public. The motion must be recorded, and 3/5 of the members of the Council must vote to go into executive session. An executive session is not required to be scheduled in advance as an agenda item, although when it is known at the time that the agenda is finalized, it will be listed on the agenda. The only topics which may be discussed in executive session are those that fall within one of the categories set forth in Title 1 M.R.S.A. Section 405(6). Those applicable to municipal government are:

A. Discussion or consideration of the employment, appointment, assignment, duties, promotion, demotion, compensation, evaluation, disciplining, resignation or dismissal of an individual or group of public officials, appointees or employees of the body or agency or the investigation or hearing of charges or complaints against a person or persons subject to the following conditions:
(1) An executive session may be held only if public discussion could be reasonably expected to cause damage to the individual's reputation or the individual's right to privacy would be violated;
(2) Any person charged or investigated must be permitted to be present at an executive session if that person so desires;
(3) Any person charged or investigated may request in writing that the investigation or hearing of charges or complaints against that person be conducted in open session. A request, if made to the agency, must be honored; and
(4) Any person bringing charges, complaints or allegations of misconduct against the individual under discussion must be permitted to be present. This paragraph does not apply to discussion of a budget or budget proposal;

B. Discussion or consideration by a school board of suspension or expulsion of a public school student or a student at a private school, the cost of whose education is paid from public funds, as long as:
(1) The student and legal counsel and, if the student is a minor, the student's parents or legal guardians are permitted to be present at an executive session if the student, parents or guardians so desire;

C. Discussion or consideration of the condition, acquisition or the use of real or personal property permanently attached to real property or interests therein or disposition of publicly held property or economic development only if premature disclosures of the information would prejudice the competitive or bargaining position of the body or agency;

D. Discussion of labor contracts and proposals and meetings between a public agency and its negotiators. The parties must be named before the body or agency may go into executive session. Negotiations between the representatives of a public employer and public employees may be open to the public if both parties agree to conduct negotiations in open sessions;

E. Consultations between a body or agency and its attorney concerning the legal rights and duties of the body or agency, pending or contemplated litigation, settlement offers and matters where the duties of the public body's or agency's counsel to the attorney's client pursuant to the code of professional responsibility clearly conflict with this subchapter or where premature general public knowledge would clearly place the State, municipality or other public agency or person at a substantial disadvantage;

F. Discussions of information contained in records made, maintained or received by a body or agency when access by the general public to those records is prohibited by statute;

G. Discussion or approval of the content of examinations administered by a body or agency for licensing, permitting or employment purposes; consultation between a body or agency and any entity that provides examination services to that body or agency regarding the content of an examination; and review of examinations with the person examined; and

H. Consultations between municipal officers and a code enforcement officer representing the municipality pursuant to Title 30-A, section 4452, subsection 1, paragraph C in the prosecution of an enforcement matter pending in District Court when the consultation relates to that pending enforcement matter.

City of Auburn
City Council Information Sheet

Council Workshop or Meeting Date: June 3, 2024

Author: Rita Beaudry, Grant Manager

Subject: American Rescue Plan Act (ARPA) Fund Update

Information:
In May 2021 and May 2022, the City of Auburn received two American Rescue Plan Act (ARPA) fund allocations for a total award of $13,545,799.00. As of March 4, 2024, the City Council has appropriated a total of 50 individual projects. To date, we have expended $7,328,640.17 and encumbered $5,627,856.00 for total obligations of $12,956,496.17. A balance of $589,302.83 remains.

Per ARPA Final Rule, all funds must be obligated by December 31, 2024 and expended by December 31, 2026. **Additionally, for the quarterly report due July 31, 2024, we will need to provide an "estimate" of how we will utilize all remaining funds.** *Any unused funds will need to be returned.*

Currently, there are 12 projects where funds were not fully utilized and need to be reallocated. Balance needing reappropriation is $589,302.83.

PROJECT	TITLE		BALANCE REMAINING
6	Lake Grove Municipal Beach	$	61,048.91
18	Planning & Permitting - SmartGov	$	55,445.02
20	Fire Truck	$	1,425.00
26	Property Tax Relief	$	6,722.58
27	Accessory Dwelling Unit Development	$	13.73
29	Downtown Curb Appeal	$	214,635.64
31	Neighborhood Corner Store	$	17,656.59
32	Heating Assistance	$	35,000.00
33	Engine 2 - Land Purchase	$	25,000.00
36	Auburn Commercial Agriculture Incentive Program	$	38,419.65
38	NSBA - HVAC/Exhaust	$	68,000.00
39	Third Space	$	65,935.71
	TOTAL TO BE RE-ALLOCATED	**$**	**589,302.83**

City Budgetary Impacts: None.

Staff Recommended Action: Council to consider additional projects and reappropriate a total of $589,302.83.

Previous Meetings and History: October 17, 2022, April 3, 2023

City of Auburn
City Council Information Sheet

Council Workshop or Meeting Date: June 3, 2024

Author: Eric J. Cousens, Planning and Permitting Director and Jonthan LaBonte, Transportation Director

Subject: Riverwalk Trail Extension Overview

Information: This project would extend the Auburn Riverwalk from Bonney Park along the Little Androscoggin River to Washington Street. The corridor for the trail would be the former Lewiston and Auburn Railroad line that was recently donated to the City of Auburn by the railroad company. At a point just south of the Lower Barker Dam (upstream side), a bridge would connect the "rail trail" to the Barker Mill Trail in New Auburn.

City plans have recommended this connection be made for improved access to the city's rivers, to links its neighborhoods to each other and to the downtown redevelopment efforts for decades. The City of Auburn has been awarded Congressionally directed funding in the amount of $3.9 million to support the extension of the ADA Accessible Auburn Riverwalk along the Androscoggin & Little Androscoggin Rivers and to connect it to the Barker Mill Trail in New Auburn and to continue to Washington Street. Additional details and correspondence are attached. This workshop will provide an overview and discuss next steps for design and construction of the trail and bridge connection Over the Little Androscoggin River.

City Budgetary Impacts: 20% Match will be required.

Staff Recommended Action: Discussion, Questions and Feedback

Previous Meetings and History: See attached Information

City Manager Comments:

I concur with the recommendation. Signature: Phillip Crowell Jr.

Attachments: Summary

Riverwalk Extension along Little Androscoggin River/New Auburn Connections

Background:

This project would extend the Auburn Riverwalk from Bonney Park along the Androscoggin River west and then south along the Little Androscoggin River to Washington Street. The corridor for the trail would be the former Lewiston and Auburn Railroad line that was recently donated to the city of Auburn by the railroad company. At a point just south of the Lower Barker Dam (upstream side), a bridge would connect the "rail trail" to the Barker Mill Trail in New Auburn.

As noted in the plans section, for a quarter of a century, city plans have recommended this connection be made for improved access to the city's rivers, to links its neighborhoods to each other and to the downtown redevelopment efforts. Federal involvement, through the National Park Service Rivers and Trails Conservation Assistance Program, has been a mainstay to supporting the community engagement in the planning efforts noted below.

Studies/Plans Supporting Project

- 1998 - Androscoggin Greenway Plan (City of Auburn, National Park Service, Androscoggin Land Trust)
- 2000 – Auburn Trails Feasibility Study (City of Auburn, Maine DOT, Rizzo Associates)
- 2010 – New Auburn Master Plan (City of Auburn, Planning Decisions)
- 2013 – Androscoggin River Greenway Plan (City of Auburn, National Park Service, Androscoggin Land Trust, Wright-Pierce
- 2021 – FERC License Section 409/Recreation Plan for Lower Barker Dam
- 2022 – East Coast Greenway Recommended New Inland Route
- 2022 – Casco Bay Trail Alliance Trail Plan (Portland to Auburn to Brunswick proposal)
- 2022 – Maine Active Transportation Arterials Plan (Maine Trails Coalition)

Trail Cost Estimate (Main Street to Washington Street)

Nearly 5,000 feet of 8-foot-wide paved trail Riverwalk extension. Estimate includes all design and engineering costs, contingencies, etc.

Total Planning Level Estimate: $2,000,000

Source – Estimate received from Woodard and Curran based on a planning level cost estimate provided to the Planning and Permitting Department

Bridge to Barker Mill Trail Cost Estimate (upstream of Lower Barker Mill Dam)

An approximately 12 foot wide, 200-foot-long bridge connecting the Rail Trail off Hutchins Street to the Barker Mill Trail off Mill Street - $650,000

Installation estimate - $250,000

Source – Estimate received from a pre-fabricated bridge designer and builder (with Maine PE stamped design) based on concept plans from 2000 Rizzo Associates Study

Project Summary for Funding Request

The Riverwalk Extension project has been recommended in several city plans over the years, including the Androscoggin Greenway Plan (1998), Auburn Trails Feasibility Study (2000), New Auburn Master Plan (2010), Androscoggin River Greenway Plan (2013), and the FERC License Section 409/Recreation Plan for Lower Barker Dam (2021). These plans recognize the importance of the project in improving access to the city's rivers and linking neighborhoods to each other and to downtown redevelopment efforts.

Moreover, the project has received support from federal and local organizations, including the National Park Service Rivers and Trails Conservation Assistance Program, Androscoggin Land Trust, Wright-Pierce, Maine DOT, Rizzo Associates, and the Maine Trails Coalition. This support highlights the significance of the project to the community and its potential to enhance the quality of life for residents and visitors alike.

One significant benefit of the project to taxpayers is its potential to promote active transportation, such as walking and biking, which can improve public health by reducing sedentary behavior and increasing physical activity. According to the Maine Trails Coalition, active transportation can also provide economic benefits by attracting tourism and encouraging investment in communities.

Additionally, the Riverwalk Extension project would provide increased opportunities for recreation and outdoor activities along the Androscoggin River and Little Androscoggin River, such as fishing, kayaking, and birdwatching. These activities can enhance the quality of life for residents and visitors, promote environmental stewardship, and create a sense of community.

Furthermore, the project would help to connect neighborhoods to each other and to downtown redevelopment efforts, promoting a more cohesive and accessible community. This can provide economic benefits by attracting new businesses and residents, improving property values, and promoting sustainable development.

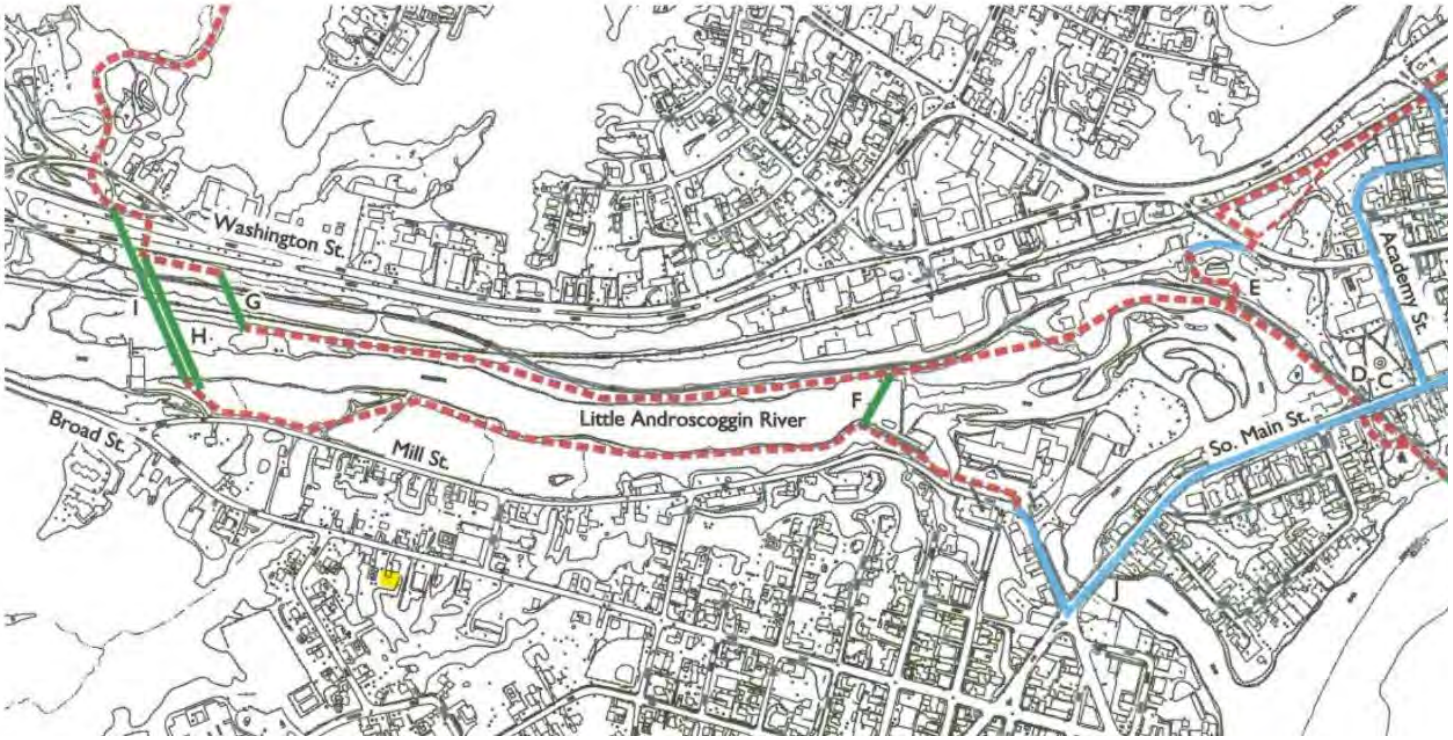
In conclusion, the Riverwalk Extension project is a significant investment in the community that has the potential to provide numerous benefits to taxpayers, including improved access to recreational opportunities, promotion of active transportation, increased economic activity, and enhanced quality of life for residents and visitors alike. Its inclusion in several city plans, and the support of federal and local organizations demonstrates its importance to the community and its potential to create a more vibrant and sustainable city.

Support Letter Text

The City of Auburn is seeking Congressionally directed funding of $3.9 million to support the extension of the ADA Accessible Auburn Riverwalk along the

Androscoggin & Little Androscoggin Rivers and to connect it to the Barker Mill Trail in New Auburn and to continue to Washington Street. The project will utilize the former Lewiston and Auburn Railroad line, which was recently donated to the city by the railroad company, to create a three quarter-mile trail extending from Bonney Park to Washington Street.

For the past 25 years, city plans have called for this connection to be made to enhance access to the city's rivers and link its neighborhoods to each other and to downtown redevelopment efforts. Federal support has been instrumental in helping to engage the community and complete the planning process, with the National Park Service Rivers and Trails Conservation Assistance Program providing key assistance.



The project has the backing of multiple studies and plans, including the Androscoggin Greenway Plan, Auburn Trails Feasibility Study, New Auburn Master Plan, Androscoggin River Greenway Plan, and more. The estimated cost of the project, which includes design and engineering costs, contingencies, and installation expenses, is $2 million for the Riverwalk extension and $1,900,000 for the two bridges connecting the Rail Trail to the Barker Mill Trail and back to the Auburn Riverwalk.

This project has the potential to transform the Little Androscoggin River and New Auburn areas, creating new recreational opportunities and spurring economic growth. It will also improve transportation connectivity and provide numerous health benefits to residents and visitors. We strongly urge Congress to support this project and help make this vision a reality.

None.

II. **Minutes –** Accepting the May 6, 2024 Regular Council Meeting minutes. Moved for passage by Councilor Walker, seconded by Councilor Platz. Motion passed 7-0.

III. **Communications, Presentations and Recognitions**

- City Clerk administered the Oath of Office to City Council Student Representative Anaya Egge
- Mayor Harmon read the PrMaine Arbor Week Dave Griswald of the Forestry Committee spoke on this item.
- Communication - Funding Request (Day One) - The Mayor noted if any Councilor would like to support this funding request, an amendment would need to be made to the budget resolve item later on the agenda.

IV. **Open Session –** *Members of the public are invited to speak to the Council about any issue directly related to City business or any item that does not appear on the agenda.*

None.

V. **Unfinished Business**

1. **Ordinance 09-05062024** -- Amending Chapter 60, Article IV, Division 12 General Business District be amended by including "manufacture, compounding and assembling of articles using Maine derived forest products, agricultural products, or other natural resource inputs" as a Special Exception use with a condition that the site must be located within the Maine Forest Bioproducts Advanced Manufacturing Tech Hub Overlay District. *Passed public hearing/first reading on May 6, 2024. Second reading and final passage. ROLL CALL VOTE. Passage requires majority vote.*

Moved for passage by Councilor Walker, seconded by Councilor Whiting. No comment from public. Motion passed 7-0 on a roll call vote.

2. **Ordinance 10-05062024** - Creating the Maine Bioproducts Advanced Manufacturing Tech Hub Overlay District Map. *Passed public hearing/first reading on May 6, 2024. Second reading and final passage. ROLL CALL VOTE*. *Passage requires majority vote.*

   Moved for passage by Councilor Walker, seconded by Councilor Gerry. No public comment.

   Motion passed 7-0 on a roll call vote.

3. **Resolve 04-05062024** - Adopting the Appropriations Resolve for Fiscal Year 2025. Passed public hearing and first reading on May 6, 2024. *Second reading and final passage. Passage requires an affirmative vote of 5 Councilors.*

   Moved for passage by Councilor Walker, seconded by Councilor Milks.
   No public comment.
   Councilor Gerry spoke in opposition to the budget.
   Motion passed 5-2 (Gerry, Weisner opposed).

VI. New Business

1. **Order 74-05202024** - Adopting the annual CDBG/HOME Consortium Action Plan. *Public hearing. Passage requires majority vote.*
   Motion for passage by Councilor Cowan, seconded by Councilor Walker.
   There was no comment from the public.
   Motion passed 7-0.

2. **Order 75-05202024 –** Adopting the revised CDBG-CV Budget. *Public hearing. Passage requires majority vote.*
   Motion for passage by Councilor Walker, seconded by Councilor Platz.
   There was no comment from the public.
   Motion passed 7-0.

3. **Order 76-05202024 –** Authorizing the City Clerk to waive the $60 Temporary Food Service fee for Phoenix No Limits Karate for a fundraising event to be held on June 08, 2024. *Passage requires majority vote.*
   Motion for passage by Councilor Gerry, seconded by Councilor Walker. No public comment.
   Councilor Platz requested proof of registered non-profit status to be included in future waiver requests. Motion passed 7-0.

4. **Order 77-05202024 –** Authorizing the City Clerk to waive the $200 business license fee for Auburn Suburban Baseball and Softball. *Passage requires majority vote.*
   Motion for passage by Councilor Gerry, seconded by Councilor Walker. No public comment.
   Motion passed 7-0.

5. **Resolve 05-05202024** - Approving the Auburn Water District bond request in the amount of $626,939 to be used for the purchase of a Vactor Truck. *Passage requires majority vote.*
   Motion for passage by Councilor Walker, seconded by Councilor Milks. No comment from the public. Councilor Platz clarified this was a separate item from the CIP Vactor Truck request from Public Works.
   Motion passed 7-0.

VII. **Open Session** - *Members of the public are invited to speak to the Council about any issue directly related to City business or any item that does not appear on the agenda*
None.

VIII. Reports

a. Mayor's Report

Mayor Harmon represented Auburn at the Auburn Business Association annual meeting – Bob Brainerd was recognized as Citizen of the Year. Recognized businesses opening in the City. Attended Community Day in partnership with Public Works with Lewiston, welcomed members of the community who attended that event. Recognized the success of LobsterFest. Recognized Cynthia McFadden on her retirement. The Water District Board of Trustees meeting will be held this week.

b. City Councilors' Reports

Councilor Gerry thanked the City Manager for his response on staffing over the last 10 years. Councilor Whiting recognized Lief Walker as valedictorian of ELHS. Councilor Cowan spoke on public safety and substance abuse; there has been a 16% decrease in the number of deaths. Noted the next meeting of the homelessness committee. Councilor Milks stated an Auburn Sewer District trustee meeting will occur on Tuesday at 4pm. Councilor Walker thanked CDBG for a successful clothing give away event. Over 125 people showed up, over 3,000 pieces of clothing were given away. Thank you to the Senior Age Friendly Committee and Edward Little seniors for help. This event will also be held in the fall. Mentioned a few public meetings occurring in the community. Councilor Platz congratulated Anaya Egge; informed Council of the School Commitee's recent actions including vacating the lease at 1830 Lisbon St (previously the Sheriff's Center which is now a non-profit) and filing 7 $5,000 applications for DOE Construction Applications to assist in rehab of physical buildings and assets of the school department. The Mayor commented if this is in conjunction with another project; Councilor Platz would follow up. The Conservation Working group will be meeting this week.

c. City Manager Report

Welcomed Anaya Egge and spoke on the role of the Student Representatives. Recognized National Public Works week. On June 2, there will be a dedication of the ballfields at Pettengill Park.

d. **February 2024 Finance Report** – Kelsey Earle, Finance Director

The Finance Director spoke that there are no concerns; permitting revenues has a positive revenue year to date. There was a notable decrease in utilities due to the changes from the Energy and Facilities department.

IX. Executive Session

None.

X. Adjournment

Motion to adjourn at 7:50pm. Motion made by Councilor Platz, seconded by Milks. Motion passed 7-0. *Council re-entered Workshop to complete CIP item on Public Works and Engineering.*

A true copy attest **Emily Carrington, City Clerk**

City of Auburn
City Council Information Sheet

Council Workshop or Meeting Date: June 3, 2024 **Order:** 82-06032024

Author: Kelsey Earle, Finance Director

Subject: FY25 CIP First Reading

Information: First reading of the revised FY25 Capital Improvement Plan (CIP). Changes were made at the May 20th, 2024, workshop to add $3million for Merrow Road project. Second reading/public hearing and final action scheduled for the June 17th, 2024, meeting.

City Budgetary Impacts: None at this time.

Staff Recommended Action: Review the proposed FY25 CIP plan/projects.

Previous Meetings and History: The 5 Year CIP Plan was discussed at several workshops and adopted at the 4/1/2024 Council meeting. Final review was conducted at the 5/20/2024 workshop.

City Manager Comments:

I concur with the recommendation. Signature: Phillip Crowell J.

ORDER 82- 06032024

City Council Order

IN CITY COUNCIL

ORDER - AUTHORIZING ISSUANCE OF GENERAL OBLIGATION BONDS AND A TAX LEVY THEREFOR

Following a public hearing duly called and held as required by Article 8, Section 8.13 of the City Charter, **by the Auburn City Council BE IT ORDERED:**

THAT, pursuant to Title 30-A, §5772 of the Maine Revised Statutes, as amended, the City Charter, as amended, and all other authority thereto enabling, there is hereby authorized the issue and sale of the City's general obligation bonds (the "Bonds") and notes in anticipation thereof (the "Notes"), in the principal amount not to exceed $16,615,750, the proceeds of which, including original issue premium, if any, and investment earnings thereon, are hereby appropriated to finance the capital equipment and capital improvements listed in Schedule 1 hereto (including costs of issuance for the Bonds)(the "Projects"), all constituting a part of the City's FY25 Capital Improvement Program.

THAT the Bonds and Notes shall be signed by the manual or facsimile signatures of the City's Finance Director and its Treasurer (provided that at least one of such signatures shall be a manual signature), attested by the City Clerk under the seal of the City.

THAT the Finance Director is hereby authorized, in the name of and on behalf of the City, to establish, determine and approve the time of the sale, award and settlement of the Bonds and Notes, which may be issued at one time, or from time to time, through a public offering or a private placement, on a competitive or negotiated basis, in serial form or as term bonds, or some combination of any of the foregoing, such establishment, determination and approval to be conclusively evidenced by the execution thereof.

THAT the Finance Director is hereby authorized, in the name of and on behalf of the City, to establish, determine and approve the date, form, denominations, interest rates, maturities (not to exceed the maximum term authorized by law), provisions for early redemption, and all other details of such Bonds and Notes, such establishment, determination and approval to be conclusively evidenced by the execution thereof.

THAT to the extent not payable from other funds, each year that any of the Bonds remain outstanding, the City shall levy a tax in an amount sufficient to pay the annual installment of principal and the annual interest on such Bonds.

THAT the Finance Director is hereby authorized, in the name of and on behalf of the City, to do or cause to be done all such acts and things necessary and expedient in respect in connection with the financing of the Projects and the issuance the Bonds and Notes, and the investment of the proceeds thereof, including to select a financial advisor, underwriter, or paying agent/registrar with respects to the Bonds and Notes, and to execute, deliver and approve all agreements, investment agreements, bond purchase agreements, preliminary and final official statements or other offering documents, escrow agreements, continuing disclosure agreements, tax compliance agreements, or arbitrage certificates, and all other closing certificates and documents (collectively referred to as the "Bond Documents"), which Bond Documents

City Council Order

may be in such form and contain such terms, conditions and provisions including, without limitation, the waiving of the City's sovereign or governmental immunity with respect to the enforceability of any of the forgoing, which waiver of sovereign or governmental immunity is hereby authorized, confirmed and approved, as the Finance Director shall establish, determine and approve, such establishment, determination and approval to be conclusively evidenced by the execution thereof.

THAT to the extent the Bonds or Notes are issues on a tax-exempt basis, the Finance Director is hereby authorized, in the name of and on behalf of the City:

- To covenant, agree and certify (A) that no part of the proceeds of such Bonds and Notes shall be used directly or indirectly to acquire any securities or obligations or property, the acquisition or use of which would cause the Bonds or Notes to be "private activity bonds" or "arbitrage bonds" within the meaning of Sections 141 and 148 of the Internal Revenue Code of 1986, as amended, and (B) that the City will file any required reports and take any other action that may be necessary to insure that interest on the Bonds or Notes will remain exempt from federal income taxation, and that the City will refrain from any action that would cause interest on the Bonds and Notes to be subject to federal income taxation; and

- To designate the Bond or Notes, or a portion thereof, as qualified tax-exempt obligations under and as permitted by Section 265(b)(3) of the Code, to the extent such designation is available and permissible under said Section 265(b)(3).

THAT if the Finance Director, Treasurer, or Clerk are for any reason unavailable to approve and execute the Bonds, Notes or any related Bond Document, the person or persons then acting in any such capacity, whether as an assistant, a deputy, or otherwise, in an interim or acting capacity, is hereby authorized, in the name of and on behalf of the District, to act for such official with the same force and effect as if such official had himself or herself performed such act.

THAT if any authorized representative of the City who has signed or sealed the Bonds or Notes shall cease to be such officers or officials before the Bonds or Notes so signed and sealed shall have been actually authenticated or delivered by the City, such Bonds or Notes nevertheless may be issued, delivered and authenticated with the same force and effect as though the person or persons who signed or sealed such Bonds or Notes had not ceased to be such officer or official; and also any such Bonds or Notes may be signed and sealed on behalf of the City by those persons who, at the actual date of the execution of such Bonds or Notes, shall be the proper officers and officials of the City, although at the nominal date of such Bonds or Notes any such person shall not have been such officer or official.

THAT if the actual cost of any Project differs from the estimated cost, whether due to completion, delay or abandonment of such Project or for any other reason, the Finance Director is hereby authorized, in the name of and on behalf of the City, in her discretion, to reallocate proceeds of the Bonds and Notes to any other listed Project, or to any other project or improvement that the City Council has approved or may in the future approve as part of the City's annual capital improvement plan.

ORDER 82- 06032024

City Council Order

THAT the authority to issue any Bonds or Notes not issued within 2 years of the date of approval of this Order shall automatically expire 2 years from the date of approval of this Order.

THAT notwithstanding the foregoing paragraph, during the term any of the Bonds issued pursuant to this Order remain outstanding, the Finance Director is hereby authorized, in the name of and on behalf of the City, to issue refunding bonds on either a current or advance refunding basis, to refund some or all of the Bonds then outstanding, and to establish, determine and approve the time of the sale, award and settlement of such refunding bonds, the date, form, denominations, interest rates, maturities (not to exceed the maximum term authorized by law), provisions for early redemption, and all other details of such refunding bonds, such establishment, determination and approval to be conclusively evidenced by the execution thereof, and to execute and deliver, in the name of and on behalf of the City, such additional Bond Documents as may be reasonable or necessary with respect to such refunding, and each refunding bond issued hereunder shall be signed in the same manner as the Bonds.

THAT prior to the issuance of the Bonds or Notes, the Finance Director is hereby authorized to expend available funds of the City to pay costs of the Projects (referred to as "original expenditures") which would be reimbursed from proceeds of the Bonds or Notes; to that end, the City hereby declares its official intent to reimburse itself for such original expenditures from the proceeds of such Bonds or Notes, and this Order shall constitute a Declaration of Official Intent pursuant to Treasury Regulation §1.150-2, and shall be kept available for public inspection during reasonable business hours at the office of the City Clerk.

A notice describing the above borrowing and the general purpose of such borrowing was published on or before June 3, 2024, in the *Sun Journal*, a daily newspaper of general circulation published in the City of Auburn and in Androscoggin County.

NOTE: Must be approved by roll call vote.

PREAMBLE

This Agreement has been entered into this __st day of May 2024 by and between the City of Auburn, Auburn, Maine, hereinafter referred to as the "City" and the District Lodge 4, Local Lodge S-89 of the International Association of Machinists and Aerospace Workers (IAMAW), AFL-CIO, hereinafter referred to as the "Union".

The City of Auburn and the IAMAW Local S-89 agree that they share a joint interest and dedication to operate within their respective duties and powers to provide the best possible education system for the children of Auburn.

The rights and lawful administrative and executive powers of the City of Auburn are acknowledged.

It is hoped that the mutual respect held by each of the parties to this agreement will engender a spirit of cooperation, which will result in the finest quality education.

WHEREAS, the City and the Union both recognize that providing a quality education for the children of the Auburn public schools is a mutual aim, and that the character of such education depends in large measure upon the quality and morale of the members of the Union as well as upon policies and programs established by the City; and

WHEREAS, the City and the Union have a statutory obligation, pursuant to 26 M.R.S.A § 961, to negotiate and confer in good faith with respect to wages, hours, working conditions, and contract grievance arbitration; in accordance with 26 M.R.S.A § 965 (C); and

WHEREAS, the parties have reached certain understanding, which they desire to confirm in this Agreement; therefore,

RESOLVED: That it is agreed as follows:

ARTICLE 1 - RECOGNITION

A. Union Recognition
The City hereby recognizes the Union as the sole and exclusive bargaining representative as defined under 26 M.R.S.A. § 962, for the entire group of custodian/maintenance employees, and therefore shall not recognize nor negotiate with any employees' organization other than the I.A.M.A.W. for the duration of this Agreement except as provided for by statute.

B. Definitions

1. The term "school", as used in this Agreement, means any location or part thereof where instructional activity is carried on.

2. Unless otherwise indicated, the term "employees", when used hereinafter in this Agreement, shall refer to all positions listed in Appendix A, represented by the Union in the negotiating unit as above defined. Whenever the singular is used in the Agreement, it is to include the plural.

3. The term "workdays" shall refer to working days except for Saturday, Sunday, and holidays.

4. The term "week" shall refer to five (5) calendar days, normally Monday through Friday.

5. The term "City Manager/Designee" shall refer to the City Manager, the Assistant City Manager, and the Director of Public Works.

6. The term “Emergency Operation” shall mean any call-in by Public Works Director/Designee as necessitated to handle any inclement weather conditions or situation requiring city employees, which requires employees to report to duty.

C. Whenever the City creates a new position within the bargaining unit, it shall provide written notice to the Union. The Union may request a meeting to discuss whether the position should be included or excluded from this bargaining unit.

ARTICLE 2 – MANAGEMENT RIGHTS

A. Except as otherwise provided in this Agreement, the Union agrees, subject to its right to meet and consult regarding changes, that the City and its designees shall retain all rights and authority to manage and direct its employees. Such matters shall include, but are not limited to:

1. The executive management and administrative control of the school system and its functions and programs, including the development of budgets and actions as may be necessary to meet emergency situations;

2. To hire, promote, suspend or discharge for just cause, to layoff, to recall employees and to maintain discipline and efficiency;

3. Assign and direct the work of all employees, determine the number of shifts, hours, days of work, and start-times and scheduling of all employees;

4. To determine the policy affecting the selection, testing or training of employees;

5. To establish the work and school calendar;

6. To determine the services, supplies and equipment necessary to continue its operations and to determine the methods, schedules and standards of operation, the means, methods and processes of carrying on the work, including any changes, automation, or institution of new methods or processes;

7. To adopt rules and regulations;

8. To determine the location or relocation of its facilities, including the establishment or relocation of schools, buildings, departments, divisions or subdivisions and the relocation or closing of offices, departments, schools, programs, divisions or subdivisions, buildings or other facilities;

9. To determine the placement of operations, production, services, maintenance or distribution of work and the source of materials and supplies;

10. To determine the financial policies, including all accounting procedures and all matters pertaining to public relations;

11. To determine the size of the management organization, its functions, authority, amount of supervision and table of organization;

12. To select and utilize technology; and

13. To eliminate work or services, to establish, change, combine or discontinue classifications and the numbers of personnel required, and to permit non-bargaining unit members to perform bargaining unit work.

ARTICLE 3 - GRIEVANCE PROCEDURE

Section 1 - Definition

A grievance shall be defined as any dispute or disagreement raised by an Employee against the City involving interpretation or application of the specific provisions of this Agreement. If a grievance affects a group of employees from more than one school, the Union's appropriate committee may, with the consent of the employees involved, submit the grievance in writing to the City directly and the processing of such grievance shall commence at level two. Such procedures will include the names and locations of those individuals who are allegedly affected. The Union's appropriate committee may process such grievance through all levels of the grievance procedure.

Grievances filed under the terms of this Agreement shall be processed, up to and including arbitration, under the language in the Agreement at the time the grievance was filed even though a new Agreement has been negotiated subsequent to the grievance being filed, unless the parties have resolved the outstanding grievance(s) during the negotiations of the new Agreement.

The Unions Business Representative may be involved in any step of the grievance procedure at the Unions discretion. Failure on the part of the City or its agent to respond to a grievance in the time specified shall automatically give the grievant access to the next step of the procedure.

All grievances shall be settled in the following manner:

Step 1 - The aggrieved employee(s) and the Union steward shall notify the employee(s)' immediate supervisor of a grievance within ten (10) working days of the event which caused the grievance. In an effort to resolve the grievance, a meeting shall be arranged involving the aggrieved employee(s), a union steward, the employee(s)' supervisor and the Public Works Operations Manager or Deputy Public Works Director. The purpose of

the meeting will be to share information, to review the grievance and to attempt to resolve or settle the dispute. The meeting shall be held within ten (10) working days from the date of notification to the employee(s)' supervisor. Written documentation of the result(s) of the meeting will be given to the aggrieved employee and the union within five (5) working days.

Step 2 - If the results of Step 1 are not satisfactory to the employee, the employee and steward may appeal to the Public Works Director or his designee in writing within ten (10) working days of the date of the Step 1 meeting documentation. The Public Works Director or his designee shall attempt to resolve or settle the dispute promptly and shall submit a written report of his action to the employee within ten (10) working days of its presentation.

Step 3 - If the Public Works Director's action is not satisfactory to the employee, the employee and steward may appeal the case to the City Manager in writing within ten (10) working days of the decision of the Director. The Manager or his/her designee shall forthwith consider the appeal and may hold a meeting or hearing at his/her option. The City Manager shall reach a decision within ten (10) working days of receipt of the employee's appeal and submit his/her decision in writing to the employee.

Step 4 - If the grievance is not settled in accordance with the foregoing steps, then the City and/or the Union may refer the grievance to mediation within ten (10) working days after the receipt of the City Manager's decision. The parties shall utilize the Maine Labor Relations Board mediation procedures in accomplishing the purposes of this step.

Step 5 - If the grievance is not settled in accordance with the foregoing procedure, the Union may refer the grievance to binding arbitration within ten (10) calendar days after the completion of the mediation process prescribed in Step 5. The parties shall attempt to agree upon an arbitrator within five (5) calendar days after receipt of notice of referral and in the event the parties are unable to agree upon an arbitrator within said five (5) day period, the parties shall immediately jointly request the American Arbitration Association to submit a panel of five (5) arbitrators. Either party may reject the entire panel. Both the City and the Union shall have the right to strike two (2) names from the panel. One party shall strike the first name, the other party shall then strike a second name, the first party a third name, and other party a fourth name, and the remaining person shall be the arbitrator. The order of striking shall be determined by a coin toss.

1 - The arbitrator shall be notified jointly by the parties of his/her selection and shall be requested to set a time and place for the hearing, subject to the availability of Union and City representatives. The arbitrator shall submit his/her decision in writing

within thirty (30) calendar days following the close of the hearing or the submission of briefs by the parties, whichever is later. The fees and expenses of the arbitrator shall be divided equally between the City and the Union, provided, however, that each party shall be responsible for compensating its own representatives and witnesses. If the above selection procedure fails to produce an arbitrator, then a request for arbitration will be submitted to the Maine Labor Relations Board. The decision of the arbitrator shall be final and binding except the arbitrator shall be without power of authority to make any decision, which requires the commission of an act prohibited by law or which alters or modifies the terms of this Agreement.

2 - The Union or its authorized representative shall have the right to examine time sheets and any other records pertaining to the computation of compensation of any individual or individuals whose pay is in dispute or records pertaining to a specific grievance, provided such requests are first made in writing to the Director of Public Works.

3 - The time limits for the processing of grievances may be extended by consent of both parties, followed by written confirmation including a defined time period for the extension.

4 - All grievances shall be initiated not later than ten (10) working days after the occurrence of the event giving rise to the grievance.

ARTICLE 4 - NEGOTIATING PROCEDURE/LABOR-MANAGEMENT

CITY

A. Not later than October 1st, the City agrees to begin negotiating with the Union in executive session pursuant to 26 M.R.S.A §965, in accordance with the procedure set forth herein, to secure a successor agreement. Any agreement so negotiated shall apply to all employees in the unit, be reduced in writing, be adopted by both City and the Union, and be signed by the designated representatives of the City and of the Union. The parties hereto agree that the signed Agreement shall be accepted as written notice for collective bargaining for a successor agreement to this one, as stipulated under 26 M.R.S.A. §965.

Should a mutually acceptable amendment to the Agreement be negotiated by the parties, it shall be reduced to writing, be voted by the City Council and the Union, and signed by designated representatives of the City and the Union.

B. During negotiations, the City and the Union shall present relevant data and

exchange points of view. Other negotiation methods, with the mutual consent of the parties, may be followed.

C. Neither party in any negotiations shall have any control over the selection of the negotiating representatives of the other party.

D. Labor-Management Committee

A labor-management Committee shall meet monthly, or as needed, to address mutual concerns. This Committee shall be expanded to include appropriate membership qualified to address specific issues. Should a mutually acceptable clarification or interpretation of a provision to the Agreement be reached by the parties, it shall be reduced to writing as a memorandum of understanding and signed by the representative of the City and the Union and attached to this Agreement.

ARTICLE 5 – UNION REPRESENTATION

A. Whenever any representatives of the Union or any employee is mutually scheduled by the parties to this Agreement to participate during working hours in negotiations, grievance proceedings, conferences, or meetings, s/he shall suffer no loss of pay.

B. Representatives of the Union shall be permitted to transact official Union business on school property at all reasonable times, provided that the conduct of this business shall not interfere with or interrupt normal school operations or the responsibilities of the employee and shall be at no expense to the City. The right to use school buildings for meetings will be with the approval of the principal and Superintendent. All Union visitors shall register at the office of the building principal before conducting Union business on school property during normal working hours.

C. The Union shall be allowed to use school facilities and equipment, including typewriters, computers, duplicating equipment, calculating machines, and all types of audio-visual equipment at reasonable times, when such equipment is not otherwise in use and with the approval of the principal. The Union shall furnish its own materials and supplies and pay for repairs incident to such use.

D. The Union shall have the right to use the inter-school mail facilities and school mailboxes, as it deems necessary.

E. The Union shall have the right to post notices on one bulletin board per work area, provided that no such notice shall be posted in areas to which the public has

normal access. A copy of all notices shall be sent to the City.

F. The City will provide to the Union a list of new hires, with name, address, work location and position, within ten (10) working days from date of the City's approval.

G. Dues Deduction from Salary

1. The City agrees to deduct from employees' salaries along with other authorized deductions, Union dues for the local, state, and national association, as said employees individually and voluntarily authorize the City to deduct. Total dues deduction shall be transmitted to the Union.

2. The City agrees to recognize payroll deduction forms signed by individual members. The City shall deduct Union dues from the weekly paycheck of bargaining unit members.

3. The Union shall certify to the City in writing the current rate of local, state and national members' dues on or before June 1st for the following school year beginning July 1st.

4. Any change in deductions shall be processed monthly on a date designated by the Business Office. Deduction forms shall be available from the Union. The City will notify the Union, in a timely manner, of any member who notifies the business office of their termination of union membership. The City shall not be responsible for the enforcement of this provision.

5. The Union shall indemnify, defend including any legal costs, and hold the City harmless against any claim made and against any suits against the City on account of payroll deduction of dues

ARTICLE 6 - EMPLOYMENT, WAGES AND BENEFITS

A. Work Schedules

1. This Article defines the normal hours of work and establishes the basis for the calculation of overtime. It is not, however, a guarantee of hours of work per day, work period, month, or year. It is not intended to establish a right to compensation in any form for time not worked except as specifically provided for in this Article. An employee's scheduled work hours may be changed for bona fide economic or program changes to meet the needs of the Auburn School Department. To the extent possible and except for a temporary change, an employee shall be provided a two-week written notice.

2. Custodian Work Schedule
    a. The work schedule for first shift will be 6:15 a.m. to 2:15 p.m.
    b. The work schedule for second shift will be 3 p.m. to 11:00 p.m.
    c. The City of Auburn reserves the right to change work shifts temporarily due to unforeseen circumstances, special needs, or emergencies, and will provide as much prior notice as possible to employees in these instances.

3. Effective 7/1/2026, Employees who are assigned to work second shift will receive a 3% shift differential pay on to their base hourly wage rate.

B. Direct Deposit

The employee's wages shall be transmitted through direct deposit to any participating financial institution designated by the employee.

C. Overtime

The City shall pay time and one half after eight (8) hours in any single day. For the purposes of overtime, hours worked shall be counted including the time on paid holidays, paid vacations, and any prearranged doctor's appointments covered by sick time.

D. Custodian Overtime Distribution

1. The intent of both the employee and employer in this section is to distribute overtime in a fair and just manner by classification as follows:
    a. School custodian - Overtime will be by rotation starting with most senior employee,
    b. Overtime will then be offered to Custodian district-wide by the most senior rotation.

E. Maintenance Overtime Distribution

Will be distributed using a rotation overtime list, starting with the most senior.

F. Mandatory Overtime

Mandatory overtime will be assigned to the least senior employee by rotation.

G. Rest Periods

1. All employees' work schedules shall provide for a ten (10) minute rest period during each four-hour shift. Such rest period shall be set by the supervisor and shall be scheduled at the middle of the shift whenever feasible.
2. Employees may take their rest period at other than the scheduled time only

when the circumstances of a particular work assignment make it impractical to take their break at the regularly scheduled time.

H. Meal Periods

The Custodian regular workweek shall be five (5) consecutive workdays, Monday through Friday, consisting of eight consecutive hours of work inclusive of a twenty (20) minute lunch break within the twenty-four (24) hour period. The normal workday, except in emergencies, is 6:15 a.m. to 2:15 p.m. In some instances, an Employee(s)' hours of work may be altered on a seasonal or temporary basis.

I. Clean-Up Time

All employees shall be granted ten (10) minutes personal clean-up time prior to the end of each eight (8) hour work shift. Supervisors shall grant this benefit to other employees in emergency situations.

J. Call Time

Any employee called to return to work from his/her home, outside his/her regular work schedule and not annexed to, shall be paid a minimum of three (3) hours at the prevailing wage rate. The minimum shall be figured portal to portal.

K. Mileage Reimbursement

Mileage rates for employees using their own vehicle on authorized school business shall be reimbursed at the allowable IRS rate. The employee shall submit a monthly mileage reimbursement form as provided by the Finance Department and which is available from his/her supervisor.

L. Holidays

1. The following shall be recognized and observed as paid holidays for all employees:
   Thanksgiving Day
   Day following Thanksgiving
   Christmas Day
   New Years Day
   Memorial Day
   Veterans Day
   Martin Luther King Day
   Indigenous Peoples' Day
   Independence Day
   Labor Day

2. If any employee is required by the Employer to work on any of the above listed days that are considered to be paid holidays, he/she shall receive regular pay for that day plus additional pay computed at time and a half for any hours worked on said holiday.

3. Whenever any of the above days fall during an employee's vacation time, the employee shall be paid his regular pay for that day and such a day shall not be counted as a vacation day.

4. To be eligible for holiday pay, an employee must work his/her last scheduled day before and after the holiday or be on an approved leave.

5. In addition, all employees in the bargaining unit will be entitled to three (3) individual floating holidays per contract year. Floating holidays must be taken within each contract year and requested by the employee at least 48 hours in advance, unless unusual circumstances exist. Scheduling and/or approval of the floating holidays shall be the responsibility of the Director of Public Works or designee who shall ensure that the floating holidays do not significantly interfere with the work and efficiency of the Department. Provisions shall be made, however, so that no employee forfeits any floating holidays.

M. Vacation Days

1. Employees
   a. An employee shall earn vacation according to continuous years worked in the City of Auburn and School Department. Vacation may be taken as accrued.

Vacation Days - Days/Hours/Maximum Accumulation			
Years of Service	**Accrual in Days**	**Accrual in Hours**	**Max. Accumulation in Days**
Up to 5 years - 1.167 days per month	14	112	27 days (216 hours)
More than 5 years - 1.42 days per month	17	136	30 days (240 hours)
15 years or more - 1.83 days per month.	22	176	35 days (280 hours)

b. The maximum accumulation days will be carried over into the new year (beginning July 1st).
c. Employees shall be given vacations according to the seniority in the bargaining unit.
d. Vacation time may be requested and taken in one-hour increments.
