A MESSAGE TO OUR COMMUNITY

FROM THE TEAM AT AUBURN RECREATION

We hope you and your family were able to take advantage of a fun and safe summer! Over the last few months, our team has worked hard to organize a full list of fall programs that follow Maine CDC guidelines. We are pleased to present a Fall Brochure that we feel offers a variety of programs - for all ages - in the safest way possible.

We continue to evolve and adjust to the world around us and we strive to keep up with new developments with the ever-changing COVID-19 pandemic. We have changed up some of our favorite programs and added new ones in response to our community's more pressing needs. **We remain committed to offering affordable, quality childcare this fall as school return under a hybrid model.**

As you browse through this Fall Brochure, please keep in mind that **all our facilities, programs, and policies are subject to change as a result of COVID-19 and Maine CDC guidelines.** Many of the programs listed here are already open for registration, so please give us a call or log onto your Team Sideline account for info & updates.

WHAT TO KNOW WHEN VISITING OUR FACILITIES

- **Do not come to an Auburn Recreation facility if you feel sick or have had any symptoms of COVID-19 in the past 3 days.**
- Maintain at least 6' of physical distance from others
- Face coverings required are upon entering facility
- Face coverings are not needed during exercise and other designated areas
- There will be no lingering in common areas
- Adhere to one-way directional entry/exit signs
- Hand sanitizer will be available throughout the building
- Bring your own water bottle (fountains are only available to fill a water bottle)
- A list of symptoms is available on the Maine CDC website and is posted throughout our facilities

There is no doubt that 2020 and 2021 will look very different from years past. From field trips to daily protocols - including no longer having large groups indoors - we will be operating with a new set of rules, guidelines & expectations.

We understand and respect that not everyone will be comfortable participating in programs, and we will continue to work with you to manage refund requests. As always, we encourage participants to check with a medical professional before engaging in any recreation programming.

Thank you for your patience, vigilance, support and positive feedback. See you soon!

Our Mission: To promote a healthy lifestyle through various recreational activities focused on enhancing the wellbeing of all Auburn citizens.

Registration: Registration can occur either in person at the Recreation Department [Hasty Community Center 48 Pettengill Park Road] OR online at auburnrecreation.com.

Registration Process: Pre-registration and pre-payment are required for all classes. Programs registrations are accepted in person, mail, online, or over the phone. Payment is expected prior to the start of the first class date. Individuals may register their own family and one other family for programs unless we have specified otherwise.

Payment: Full payment is required at the time of registration for classes \$40 and under. For programs \$41 - \$100, a minimum of 50% payment at the time of registration is required along with a signed payment plan. For programs \$101 or more there is a minimum \$50 payment at the time of registration required along with a signed payment plan.

Payment Plan Policy: Payment Plans are available for programs \$40 or more. These are 90 day payment plans and can only be set up in person, in the office. When an account with an outstanding balance doesn't show any payment past 90 days, it will be sent to collections. If you are on a payment plan and stop/miss a payment without communicating with us, we may deny or remove the participant from the activity. If you are on a payment plan and would like to register for a new program, your balance must be under \$200 before registration and new payment plan can occur.

Non-Residents: Participants who do not live in Auburn must pay an additional fee of \$10 per class. This includes senior citizen non-residents, unless otherwise specified.

Confirmations: We do not send course confirmations or reminders of enrollment. If you register for a program and do not receive a call from us, you have been accepted into the class and are responsible for knowing class dates, times, and location.

Refunds: If we cancel a class or special event, all fees will be refunded. If you withdraw 3 business days before the first class or one time event (excluding weekends & holidays), you will receive a full refund. If you withdraw fewer than 3 business days before the first class or one time event, you will receive a 50% refund. No refunds will be given if you cancel after the class or the one time event has taken place. If you are dissatisfied with a program after the first class of a session, you must let us know before the second class of the session. We will issue a 50% refund at this time. No refunds will be given after the second class of a session. Refunds take about 14-21 days to process. We do not provide cash refunds. If injury occurs to a participant that prevents the participant from continuing in a class, you may request a pro-rated refund of the activity fee.

Trip Refunds: If Auburn Recreation cancels a trip we will refund all fees to the participant. If the participant notifies us 3 or more business days before the scheduled trip we will issue a full refund unless otherwise noted in the brochure. If the participant notifies us fewer than 3 business days before the scheduled trip we will issue a 50% refund. No refunds will be given the day of the trip or after the trip is held.

Inclusion: Auburn Recreation provides reasonable accommodations to qualified individuals with disabilities. In order to accommodate your needs a request must be made at least 10 days prior to the first day of the program.

Discounts: Auburn Recreation does NOT offer a senior discount, sibling discount, or family discount for classes as we attempt to make the classes as low and affordable as possible.

Building Use Priority: Auburn Recreation's facilities will follow the building use priority list when it comes to scheduling and renting out facilities:

1. Recreation Programs (priority will be given to programs and activities that are designed for a specific area i.e. basketball in the gym will take priority over a group meeting). These programs are 100% organized and ran through the Recreation Department. Example; Youth Football, Adult Slow Pitch League, Senior Trip.
2. Co-Sponsored Programs are any programs that are organized and programmed at least 50% through the Recreation Department and 50% with an instructor, organization, or local team where the funds and registrations are being collected by the Recreation Dept. Also in this category will be any City Sponsored Dept. program. Examples include Challenger Soccer, Line Dancing, LA Swish, RAD with the Auburn Police Dept.
3. Any local (Auburn area) community group, organization, team looking to rent the facility and is not offered through the Recreation Dept. Example would be Margaret Murphy Center, Local Home School group, LAYSA, Babe Ruth, Legion Baseball.
4. Any other external group, organization, or team that are looking to rent the facility for a NON-COMPETING activity or program. The Recreation Director will have the final decision on determining what is considered a competing and non-competing program.

Introduction to Skateboarding

Auburn Recreation will now be holding an **Intro to Skateboarding** class with one of our local riders, Mike Rice. "I started skateboarding at age 14 and I fell in love with the sport. Since then, skateboarding has been a big part of my life. A few years ago, I taught "unofficial" skate lessons while working at the YMCA of Southern Maine in Biddeford. Once I moved up to the Auburn-Lewiston area, I knew that I wanted to start my own skateboarding program and teach children how to skateboard. I became certified by the Skate Instructors Association and I'm ready to share my experiences with others. Skateboarding has opened up my world to new friendships and positive experiences and I hope that this program will have a positive influence on the students that participate."

This class is for those looking to polish off their skills or those brand new looking to learn how to ride!

COMMUNITY EVENTS IN AUBURN

How the pandemic has effected our event planning

As much as we LOVE community events in Auburn, we find ourselves in the midst of challenging times and must keep the public's SAFETY as our top priority when planning any special event.

Due to the COVID-19 pandemic and the ever-evolving guidelines and restrictions surrounding large gatherings indoors and outdoors, the City of Auburn has put together a line up of our traditional special events with changes that follow Maine CDC checklists.

Please follow our established protocols and COVID plans when attending a special event in Auburn:

- **Stay home if you are not feeling well or if you are showing any symptoms of COVID-19**
- **Practice adequate physical distancing and adhere to any mask requirements**
- **Be kind to everyone - including our staff and other attendees - before, during, and after an event; we are all doing our best**
- **Check with Maine CDC for updates to protocol and best practices**
- **Continue to HAVE FUN with Auburn Recreation!**
