

WINTER STORM MAINTENANCE UPDATE

AUBURN PUBLIC SERVICES DEPARTMENT

December 3, 2014

STORM PROCEDURES

- **Prestorm meeting with PW staff (PD, Fire and School invited if warranted). Review forecast, discuss equipment and personnel.**
- **Supervisory staff watches the weather and calls in crew as conditions warrant.**
- **Typically 12 salt trucks called in initially to treat roads when the storm begins.**
- **11 remaining trucks are called in when plowing begins (usually 1 inch of accumulation of snow.)**

OUTLINE OF OPERATIONS

•7:00 am to 3:00 pm – 27 employees available to plow

•3:00 pm to 11:00 pm – 23 employees available to plow

•11:00 pm to 7:00 am – 23 employees available to plow
